CLARIFICATION OF IDENTITY *(Iyke Nathan Uzorma is not Protus Nathan Uzorma)*

Following the column of Prof. Protus Nathan Uzorma (Nathan Uzorma Protus) on '**Philosophical Reflections**' every Wednesday in the 'DAILY SUN' newspaper (Nigeria), several people at one time or the other, have genuinely sought to know from us whether **Prof. Iyke Nathan Uzorma, Harbinger of the Last Covenant**, *(of the former Occult Grand Master; Now in Christ fame)* is the one writing '**Philosophical Reflections**' in the 'DAILY SUN.'

Some people, however, having mistaken Protus Nathan Uzorma to be Iyke Nathan Uzorma, have cast aspersions on the latter based on the writings of the former. For instance, one Onyero Mgbejum in an article posted in the website (www.sunnewsonline.com., '**The question of virgin birth and the deity of Jesus**,' Thursday April 16, 2009), judged and condemned the **Harbinger of the Last Covenant (IYKE NATHAN UZORMA)** while reacting to the article of Protus Nathan Uzorma. Part of what Onyero Mgbejum wrote, reads:

CLARIFICATION OF IDENTITY

“I read with keen interest and inclination towards asking searching questions, the articles written in your widely read Daily Sun newspaper of Wednesday, March 18, 2009. In the two articles written by Sina Adedipe and Prof. Nathan Uzorma Protus, the questions of Virgin Birth and Deity of Our Lord and Saviour Jesus Christ are subjects of comment by the two writers. In his article Prof. Uzorma said that **'the great question to the Christian world is: Why is the virgin birth of other star beings and sages said to be demonic and that of Christ divine'....** Things of the Spirit can only be perceived by those who have the Spirit of God, those who have accepted the Lordship of the Lord Jesus Christ. People like **Prof. Iyke Nathan Uzorma...** is deceptive and thus should be regarded as an antichrist... **Prof. Iyke** should also be regarded as an atheist empowered by Satan to confuse and deceive people.”

While we pray the LORD to forgive Onyero

GREAT Divine IMPACT

Mgbejum for this malicious error, including those who falsely allege that Iyke Nathan Uzorma has gone back to the occult and for whatever the powers of darkness have used same to achieve, we also advice anyone who claims to 'defend' the LORD to be very watchful through the Holy Spirit, so that one will not degrade the true work of Christ while 'fighting' for the Almighty. And for the avoidance of doubt, let it be known that Prof. Iyke Nathan Uzorma is the elder brother of Prof. Protus Nathan Uzorma. Both are different persons from the same parents. While 'Nathan' is the family middle name, 'Uzorma' is the family surname.

Remain blessed!

ACKNOWLEDGMENTS

I am indebted to my lovely wife, Udeme, for standing by me in prayers in the course of the making of this book, **‘Great Divine Impact’**. She sincerely believes that the Lord will use this treatise to strengthen many on the path of Light. Many thanks go to my proof-readers: Livingstone Amos, Chris Akunesi and Michael Isemin. I also thank Churkylove Onuoha for the graphics and cover design. Finally, my sincere appreciation goes to the ‘Messenger of God,’ Supreme Prophetess Anthonia N. Udi-Ken; my good friend, Prophet Kayode Samuel; the amiable daughter of God, Her Excellency, Eunice U. Egwu and my divine household, for their diverse encouragement in the preparation of this work.

God bless you all.

GREAT DIVINE IMPACT

PRELUDE

Earthman, you need Power; we need Divine Power, to subjugate, to overcome, to defeat wicked spirits in our world. This book, '**Great Divine Impact**' (*initially published in 1995 under the foregone title: 'Power For Pulling Down The Controlling Forces of Darkness'*), bears witness of this Divine Power.

What are the eight 'Supreme Armours' of victory over the cosmic network of the powers of darkness and how should we use them daily to banish whatever that seeks to hold us down? What are the seven 'Divine Principles' of the Universal Spirit, the Holy Spirit, by which you can be placed beyond the reach and attack of the most vicious elements of darkness? What are the coordinating propensities of the realms beyond, for the Forces of Light and the forces of darkness?

What are the Three Stages of expression of the Infinite Initial Creative Power of the Almighty and how does the Third Stage become the earthman's highest positive tool in the journey

and battles of life? The answers to these questions, amongst others, plus messages from the Heavenly realms of Light in our time, are found in this enlarged edition: **'Great Divine Impact.'** Here you will also read about what Christ is saying now to the faithful and the faithless. This book is made to bear witness of Power, with four new chapters added to this version and detailed explanation made to the contents of the foregone title.

Now, when I speak of Power, I am speaking of the Everlasting Power of Jehovah God Almighty through Christ. I am not speaking of the unclean and limited bogus powers of the wicked spirits hitherto operating on Earth, tormenting the children of men.

These vicious powers, operating in high and low places, have transformed the blessed nature of some humans into a negative dimension, via the manipulations inherent in the primordial iniquity of our ancient Adam. Consequently, the earthmen are impelled through such manipulations to be perfectly dovetailed to the propensities of the forces of darkness, who are condemned by the eternal

GREAT DIVINE IMPACT

decree of the Light of the Living God Jehovah.

In attachment and submission to the crafts of the Prince of Darkness, and having been transformed thereby into the repugnant nature of the wicked spirits, the earthman further received the unclean powers of the occult. By this, he could manipulate his “soul-body” and operate in the spirit realm among the vicious ones via soul travel, astral projection amongst others. With this intense occult power also, the earthman could manipulate his soul-body and operate even as a serpent, bird, fish, beast, stone, fire, smoke and so forth, to do evil.

In this state of high wicked craft, the earthman is gratified with the thought that he has attained a great deal of esoteric and occult powers. But he is ignorant of the fact that in this attainment of power, he is directly associating with the condemned forces of darkness, that he will end up with, in the “bottomless pit.”

Nevertheless, the ignorance of the earthman cannot exonerate him from the wrath of the Almighty. This 'wrath' is a representation of the destiny of dishonor, inherent on the path of all

those who serve the creature instead of the Supreme Almighty Creator God.

**“For the wrath of God is
Revealed from heaven against all
ungodliness and unrighteousness of men,
who hold the truth in unrighteousness...
Who changed the truth of God into a lie,
and worshipped and served the creature
more than the Creator, who is blessed
forever. Amen.” -Rom. 1: 18, 25).**

Yes! Your ignorance cannot save you. It is our Lord Jesus Christ that can salvage your Life. Jesus Christ is the bonafide Saviour, Master, and Lord. Whosoever is outside the Light and Love of Christ, is directly or indirectly under the wicked authority of the Prince of Darkness. In the Universe, CHRIST IS THE POWER that never fails! Receive this Blessed Power now and defeat all the forces of darkness, as you read this book.

- The Author.

INTRODUCTION

**“See, I have this day
set thee over the nations and
over the kingdoms, to root out, and
to pull down, and to destroy, and to
throw down, to build and to
plant.” -Jer. 1: 10.**

Every programme or activity in the world of man has a first step. Consequently, the first step of victory over the ubiquitous powers of darkness, operating in the elements of our world, is to be sure that you are fully on the path of Light, the path of the Everlasting Christ. Be sure that you are living in the essence of His Holy Spirit. You must be sure that you are truly saved by the Blood of our Lord Jesus Christ.

What does this mean? it means that regardless of who and what you are in this world, you have to humbly repent of your sins, forsake the path of darkness and totally surrender your body, soul and spirit at the Blessed Feet of the Lord of Creation, Jehovah God and His Christ.

In other words, you have to sincerely receive

Christ, the Spirit of Christ, as your only bonafide Lord, Master and Saviour. When this is done, the “old things” will immediately pass away in your life.

“Therefore, if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new” -2 Cor. 5: 17.

The old things in this connection include all the works of unrighteousness, such as hatred, idolatry, lust, anger, greed and so forth (see *Roms. 1: 28-32; Gal. 5: 19-21; and Rev. 21: 8*)

When it becomes evident that the old things are passed away in your life, you will indeed transcend into the eternal realm of living Power and begin your journey of daily victory over the forces that enslave the earthmen. Then you will receive the Supreme Power of the Almighty Creator, which will enable you daily, in the name of Christ, to pull down the wicked forces of darkness. With the Power of Christ, you can banish the strongholds and the high places of even the highest concentrated vicious powers of the occult.

GREAT DIVINE IMPACT

Every true child of God who lives daily in the practical essence of the Spirit of Light and Love, has the absolute Power in Christ to annihilate the manipulations of the Prince of Darkness. Such a believer can destroy the yoke of territorial spirits as well as the devices of the principal masters and agents of mighty serpents, the forces of darkness.

**“Behold I give unto
you power to tread on serpents
and scorpions, and over all the power
of the enemy; and nothing shall
by any means hurt you”**

-Luke. 10: 19.

This publication, '**Great Divine Impact,**' is the revised and enlarged edition of a book I wrote in 1995 entitled, **Power! For Pulling Down The Controlling Forces of Darkness.** This book is specifically designed by the Holy Spirit to assist the reader experience daily victory over all the occultic elements of darkness.

I know, and probably you know as well, that there are wicked spirits, the most vicious Astral forces, the network of the hosts of darkness, in

INTRODUCTION

a fierce battle against humans, using man against man. This book is designed to show you how to overcome this network via the knowledge, power, Light and Love of Christ.

There are important messages in this book that I received directly from Jesus Christ and the Holy Angels. They are messages to the believer and the unbeliever, the faithful and the faithless. Now, let the Spirit of God minister to you through this book, as you read, in the name of, **Jesus Christ our Lord**. Amen!

-Iyke Nathan Uzorma.

A WORD TO THE READER

In this book the Lord spoke directly to the author, lyke Nathan Uzorma, and called him **“son of man”** on many occasions. The author wishes, however, to inform the reader that the phrase **“son of man”** in this sense of usage has nothing to do with Divine title.

At first the author was scared when the Lord called him **“son of man.”** He wondered why. But the Spirit of God taught him that just like the phrases **“man of God”** and **“child of God”** are used to indicate one who has received a Divine call of God, or who acknowledges Christ as his personal Lord and Saviour, so also is **“son of man”** use in this sense for one with a message to the world through the Holy Spirit. Though the author, lyke Nathan Uzorma, was specifically ordained by the Lord as **'Harbinger of the Last Covenant,'** the author still sees this strictly in the light of the mission assigned to him by God on Earth.

So, dear reader, do not be amazed to see the author called **“son of man”** by the Lord like Prophet Ezekiel. It was the choice of God to

A WORD TO THE READER

have him called this way. The author does not recognize this as a mark of great spirituality in his Christian life. It is not to exalt him as a great man before God or men. He is only a servant of God whom God uses as His spokesman. That is how he sees himself and wants to be seen.

CHAPTER ONE

PULLING DOWN STRONGHOLDS

“For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds.” -2Cor. 10: 4

Vicious Warplane

On a certain Saturday night, I went to bed by 11:16pm., after my spiritual quiet time. The moment I went to bed, I was caught up by the Spirit of God into the spirit realm. Then I found myself in a strange wilderness. I saw when the ground opened and a mysterious warplane with the head of a beast came out of the Earth and flew into the sky. The evil plane that I saw was under the control of three vicious Astral spirits.

Now, the three spirits began to fight me with different weapons. They threw several “occult missiles” against me, but I overcame by the potency of the Spirit of God. At a certain stage, however, I ran into a little hut that I saw in this wilderness. I ran solely to escape from the great missiles of the forces of darkness.

PULLING DOWN STRONGHOLDS

Nevertheless, a thought came into my mind while I was inside the hut; it was a thought from the enemy. I began to think that I would be destroyed if these forces of darkness discharged any missile upon the hut. This was a wrong thought, the thought of fear! This was less than a year after my total submission to Christ.

Now, let me confess that the operations of these three spirits with their warplane were fierce and terrible, to the extent that I was truly afraid. As this wrong thought of fear was on my mind, I again ran out of the hut.

The moment I came out of the hut, I found myself standing in the presence of the Blessed Lord Jesus Christ, whose form of manifestation was radiating like a Mighty Light. And the Lord said to me:

**“O beloved lyke,
fear not; I am the Lord
your God; I am Jesus Christ,
the Lord of Saints.”**

No Way For Escape

As I heard these words in the presence of the Lord, every element of fear that was in me that moment vanished. (*Every darkness must flee from the presence of Christ!*). Then the Lord gave me a long chain and directed me to throw same against the three forces of darkness.

Meanwhile, as soon as the three entities saw Jesus Christ, they wanted to escape, but they could not. I threw the chain against them, as the Lord commanded me. The chain went directly into the warplane and captured the evil spirits; they were forced down by the chain of the Lord, whilst their plane landed with force and crashed in flames. For the Lord my God is a Consuming Fire!

Immediately the three evil spirits fell down, they changed and became three different tools of gross material elements. The Lord directed me to pick them up, and I did so. Again, the Lord directed me to follow Him that He may show me where to cast them, and I did so.

I followed our Lord Jesus Christ to a certain strange and mighty pit full of human excreta,

PULLING DOWN STRONGHOLDS

where I cast two of the three spirits, according to the commandment of the Lord my God. Again, I followed the Lord to another place, which He called “endless hole”! It was into this that I cast the third entity.

Divine Visitations

Thereafter, the Lord began to speak to me on different matters concerning my spiritual life, my ministry, the people of God, and so forth. He commanded me to be prepared for He would speak to me physically every morning for seven days. He said that when the time comes I would hear His voice in my house. Furthermore, Jesus Christ commanded me to be prepared to write that which I would hear, even for myself, for the people of God, and for the children of men. *(Some of the things that the Lord said to me during the seven days period are published in this book.)* Finally, Jesus Christ said to me. **“Receive My Peace and Blessings.”** I answered, “Amen.” And immediately I was spiritually disconnected.

I woke up and it was 2:15am. From that moment I didn't sleep, rather I began to seek the face of my God through prayer and fasting.

CHAPTER TWO THE LIVING POWER

**“Ye are of God, little children,
and have overcome them: because
greater is he that is in you, than he
that is in the world.” -1 Jn. 4: 4.**

The End-Time

We are living in the last days in which the powers of darkness are operating on the highest degree of wicked manipulations of darkness in every realm of the elements of the material world. The rate of acceleration of the huge number of wicked spirits of the occult is evident on Earth, considering the degree of vicious acts, terrorism and abominations prevailing among the children of men.

Now, each and every wicked act on Earth is merely the physical actualization or manifestation of the invisible manipulation of the powers of darkness. They feed on such, grow fat and operate. (See ***'Deeper Realities of Existence, Vol.1,'*** by Prof. Iyke Nathan Uzorma.)

By actualizing the works of darkness, the

earthman becomes a “**reed shaken by the wind.**” He is thus plunged into spiritual predicament by the arch-enemies of man. In this state of predicament, there is an Infinite Power which can salvage man and sustain him perpetually on the path of daily victory. This Blessed Living Power operates via the Blood of Jesus Christ, the Lord of the Universe.

Experience and Conviction

I am speaking strictly from my own personal experience and conviction. When you read my book, '**Occult Grand Master Now in Christ, Vol. 1**', you will notice how the Almighty Power of Jesus Christ manifested and banished the forces operating in the headquarters of the occult kingdoms (*the fourth occult kingdom of the space*). This encounter brought my total deliverance and salvation from the works of darkness.

This happened, even though as of then, I was operating in the ultimate level of the most wicked occultic powers available to any human agent. For instance, I was the '**Living Grand Master**,' Order of Terrestrial and Astral Hierarchy. I was also set apart and empowered

GREAT DIVINE IMPACT

to operate on earth as a high **'Worshipful Master.'**

In this supreme occult level, there is no power of darkness, whether of a spirit or of a human agent, that could have neutralized me. Yet it was in this so-called supreme level that I encountered Christ in a strange manner that was absolutely beyond my resistance.

Consequently, the ultimate Power of our Lord Jesus Christ banished all my occultic and esoteric powers. This led me to the absolute and the final recognition that Christ is the Highest Power of the Godhead operating in every realm of existence. Now, let it be emphasized that the vibrations and potency of Christ Jesus transcend the propensities and limitations of space, matter, time and energy. The Light of Christ is the Guardian Spirit of the Universe.

Christ Is The Power Of Victory

Furthermore, when you read my book, **'Exposing the Rulers of Darkness, Volume 1'**, (now revised, enlarged and published under the title **'Vicious Occult Powers Exposed,'**

you will notice the great spiritual battles that I fought with the mighty forces of darkness immediately after my submission to our Lord Jesus Christ. I fought against such great spirits as Mutumfurumi, Tau and Nataraja, to mention but a few. Even the entity Satan, whom I knew in the past as Chitanam, appeared and fought me.

Nevertheless, in each of these battles, I overcame only through the Name and the Blood of our Lord Jesus Christ. I did not overcome by my personal strength and power. But I overcame by the only Living Power - Christ! All these were more than enough to convince me beyond doubt that Christ is the Power of victory. Yes! Christ is the sole ultimate possessor and custodian of the Godhead Power.

Simplicity Of The Highest Power

The simplicity of the highest Power of the Almighty and the simple or the easy process by which anyone can receive this Supreme Power, has totally bewildered the mental speculations of the people of this world. Thus, the majority of earthmen are bereft of the

GREAT DIVINE IMPACT

Power of Christ. But this bewilderment is another manipulation worked out under the sway of darkness, to manifest lack of faith in **The Son of God.**

The Highest Power is not difficult to receive. You can receive this Power now if you humbly submit yourself at the feet of Jesus Christ. The blessed feet of Christ is the bonafide place wherein you would receive the Power of God, to live in the daily essence of eternal protection against the swamp of the forces of darkness.

The Living Power of the Lord our God is neither focused nor concentrated in amulets, rings, charms, or talisman. This Almighty Power is not found strictly in holy water, candles, sacred garments, or incense. The Power of the Godhead does not operate via earthly religious titles of pope, apostle, pastor, archbishop, elder, bishop, evangelist, deacon, and so forth.

The Power of the Almighty is in each and every sincere believer in Christ Jesus, whether great or small. **“Greater is He that is in you than he that is in the world.”** The Almighty Power of the Holy Spirit is constantly within each and

every true follower of Jesus Christ. But this strictly depends on the level of faith of such a believer in the Living God Jehovah. The level of one's faith in the Almighty is further determined by the degree of one's attachment to the Word of God. In other words, what you know about God depends on how you receive His Words.

The Potency Of Faith

How can a believer continue to walk in the realm of perfection and victory over the forces of darkness? It is only through faith in the Word of God, whether the written Words in the Scriptures or the Words Spoken to you in our time. It is practical faith in the Word of God that will awaken you to the consciousness of Christ. And it is the consciousness of Christ in your life that will further attract the Holy Spirit (*Power*) with the blessings of the Father, upon you.

Do not joke over this! Beware, lest your faith becomes perverted to the wrong path. **“Beware of the leaven of the Pharisees, which is hypocrisy”** *Luke. 12: 1*. Let your mind and senses always be on the things above, not on earthly things. Make sure your

GREAT DIVINE IMPACT

faith is constantly fixed in the Living Power of the Son of God. This will consolidate your victory over the Prince of Darkness, or any power in the Universe operating in opposition to Christ, the Light of the world.

The power of faith in the Living God Jehovah, through Jesus Christ, has never and can never disappoint any believer! Yes, those who put their trust and faith in Christ are ever sure of victory. Now, it is up to you to possess this required faith. For in all circumstances, your victory will come to pass solely according to your faith.

**“For whatsoever is born of
God overcometh the world: and
this is the victory that overcometh
the world, even our faith. Who is he that
overcometh the world, but he that
believeth that Jesus is the Son
of God” -1 John. 5; 4, 5.**

JOURNEY BEYOND THE Sky

CHAPTER THREE JOURNEY BEYOND THE SKY

**“I was in the Spirit on the Lord's day,
and heard behind me a great voice,
as of a trumpet, saying, I am Alpha
and Omega, the first and the last.”**

Rev. 1: 10, 11.

Empowered To Bear Witness

On a certain Thursday, around 3am., our Lord Jesus Christ appeared to me. It came to pass that I woke up from sleep to see the blessed Lord physically in my house (*the bedroom.*)

As soon as I woke up, I saw a glorious pillar of Light standing at the door of the bedroom. At first I was afraid because the radiation of this Light was great. Nevertheless, our Lord Jesus Christ finally materialized from this pillar of Light and said to me; **“Fear not, Brother Uzorma, I am your Lord Jesus Christ!”** The vibration of His voice sounded like that of a large congregation of men. The Lord continued:

**“You are already empowered
to go in My Strength and bear**

**Witness of your Lord to the faithful
and the faithless. Now I charge you, even
as I had done before, to stand always in
My Light and put the works of darkness
to open shame. Fear not, O beloved,
for My Spirit and Power are
upon you.”**

The Lord said several other things to me. He commanded me to warn believers against any compromise with the present materialistic system of the Earth. The Lord told me to make a specific request, which I did, and it was granted. Finally, the Lord directed me to read *verse 15 of Ps. 71*, which says, **“I will go in the strength of the Lord God: I will make mention of thy righteousness, even of thine only.”**

Glorious Experience

Again, on a certain Saturday, I saw our Lord Jesus Christ and the Holy Angels in Heaven, and I heard the glorious voice of the Living God Jehovah. This experience began by 3am, while I was praying. It came to pass at that time that the Spirit of God brought me into a realm Divine, whilst five Holy Angels appeared and

JOURNEY BEYOND THE Sky

brought a flying white horse to me.

Upon this strange horse was written, **“Messenger of Light.”** The horse spoke to me, and I heard his voice like that of a trumpet. He said that he was sent by Jesus Christ to bring me into a high realm of the Heavens, wherein dwells the Lord in one of His multitudinous Supreme manifestations in the realms beyond. Then the five Angels vanished.

Consequently, I followed the flying horse and he took me to a Heavenly realm. This was strange to me! It was a blessed experience! I have no words to describe the absolute bliss, beauty, and serenity that pervaded the face of this endless realm. I saw many things but was not granted to write about them.

Now, dear reader, our mission on Earth includes to strive to get to Heaven. When you get there at last, you will see all that you ought to see and know all that you ought to know, in such terms and in the course of time. (*O my Lord, help the saints to reach this supreme abode at the end. Amen*) I heard the voice of

GREAT DIVINE IMPACT

the flying horse and he made me understand that I was in a Heavenly realm of Light, the 'Third Heaven.'

Furthermore, I heard some strange, loud and glorious utterances, coming from the invisible sources of the endless realm. There and then I understood what they represent. The Messenger of Light (*the horse*), which was with me, said again:

**“These are the Most Holy
And the Unspeakable Words of
the mysteries of the Godhead and of
the Kingdom of Heaven. But you
must never utter them for as long
as you live on Earth.”**

Those Before Us

I was informed that only few believers in the Living God Jehovah had received the special grace to spiritually enter into and see this great realm of the Supreme Light, while they still lived on Earth. Such believers, as recorded in the Holy Scriptures, include Prophet Ezekiel, Prophet Daniel, Saint Paul, Saint John, and so forth. This experience was granted me, not

JOURNEY BEYOND THE Sky

because of my great righteousness, but solely by the special grace of God.

Prophet Ezekiel in 595BC., wrote of his spiritual experience of a massive Divine visitation thus:

**“And when they went,
I heard the noise of their
wings, like the noise of great
waters, as the voice of the Almighty.
And I saw as the colour of amber, as
the appearance of fire round about within
it, from the appearance of his loins even
upward, and from the appearance of his
loins even downward, I saw as it were the
appearance of fire and it had brightness
round about. As the appearance of the
bow that is in the cloud in the day of rain,
so was the appearance of the brightness
round about. This was the appearance of
the likeness of the glory of the Lord. And
when I saw it, I fell upon my face, and I
heard a voice of one that spake.”**

-Ezek. 1: 24,27, 28.

Again, in 555BC., Prophet Daniel saw the

realm of God and wrote:

**“I beheld till the
thrones were cast Down,
and the Ancient of days did
sit, whose garment was white as
snow, and the hair of his head like the
pure wool: his throne was like the fiery
flame, and his wheels as burning fire. A
fiery stream issued and came forth from
before him: thousand thousands
ministered unto him, and ten thousand
times ten thousand stood before him: the
judgment was set, and the books were
opened. I saw in the night visions, and
behold, one like the Son of man came
with the clouds of heaven, and came
to the Ancient of days, and they
brought him near before him.”**

-Dan. 7: 9, 10, 13.

In 96AD., Saint John, while in the island called Patmos, saw the Throne of the Almighty in the realms beyond and wrote.

**“...I was in the spirit:
and, Behold, a throne was set in**

**heaven, and one sat on the throne.
And he that sat was to look upon like a
jasper and a sardine stone: and There
was a rainbow round about the throne, in
sight Like unto an emerald. And out of
the throne proceeded lightning and
thundering and voices: and there were
seven lamps of fire burning before
the throne, which are the seven
Spirits of God”
-Rev. 4: 2, 3, 5.**

Concerning the spiritual experience of Saint Paul, which he gained in the Third Heaven, Paul wrote in 60AD., thus:

**“I knew a man in Christ about
fourteen years ago, (*whether in the
body or out of the body I cannot tell...
God knoweth;*) such an one caught up to
the third Heaven. How that he was caught
up into paradise, and heard unspeakable
words, which it is not lawful for a man
to utter” -2Cor. 12: 2-4.**

The Presence Of God

As the holy flying horse was still talking to me in the Third Heaven, I finally found myself standing in the presence of our Lord Jesus Christ, and with the Lord were four **“Living Creatures full of eyes,”** and several mighty Holy Angels. I fell on my face before the Lord and paid obeisance to the King of Kings and Lord of Lords. The Blessed Lord spoke to me and said: **“O beloved lyke Uzorma, have you come?”** I answered, **“Yes, my Lord!”** And He said to me: **“You have come to the Kingdom of Heaven, yet you shall return because of the works which you must do on Earth in My name. For through your testimony, even through all that I granted you to publish on Earth, many souls will be saved.”**

The Lord continued: **“I sent for you, that you may come and briefly behold the eternal beauty of the land of perfection . Now go and work for Me on Earth in the full awareness of My Kingdom. And by My grace, O greatly beloved, you will come to Me at the end of your ministry among men.”**

Then the Lord gave me a sharp two edged

sword upon which was inscribed **“Victory Now and Always.”** Thereafter, I found myself alone in the center of a great but strange mountain of water burning with fire. I heard a mighty voice like the sound of a great thunder that shook the very foundation of the mountain; and the voice said to me: **“Son of man, I have prepared thy way! Go and bear witness of your Lord to the faithful and the faithless!”**

The great voice continued: **“I am Jehovah God, the Almighty Father! In Me is the complete support of your entire being. O son of man, you have now known the truth, and you are forever free. Go! I am before and behind you!”**

At this point I became aware that I was standing in the Holy Presence of the Living God Jehovah. Finally, the Holy Spirit caused me to return to the realm of my physical abode, the world of man. Then I praised the Lord my God.

CHAPTER FOUR

MYSTERY OF THE SUPREME POWER

**“When thou passeth
through the waters, I will be
with thee; and through the rivers,
they shall not overflow thee: when thou walkest
through the fire, thou shalt not be burned;
Neither shall the flame
kindle upon thee. For I am the
Lord thy God....”**

Isa. 43: 2, 3

Proclamation Of Power

On a certain Thursday, by 9pm., I was caught up by the Spirit of God while praying. Then I found myself standing on a pulpit before a large multitude of people. I was strongly proclaiming the Supreme Power of Jehovah God and His Christ before them.

After the proclamations I made, three mighty personalities (*Angelic Beings*) from the Kingdom of Heaven came to me. They were clothed in pure white robes that radiated light, and each of them had a majestic crown of gold on his head. When they spoke, their voices

MYSTERY OF THE SUPREME POWER

sounded like thunder. One of them said to me that they are among the twenty four elders who dwell in the realm wherein is found the **'Thrones of 'God and the Lamb.'** We are informed in the Scriptures that:

**“And round about the
throne were four and twenty
seats and upon the seats I saw
four and twenty elders sitting, clothed
in white raiment; and they had on
their heads crowns of gold”**

-Rev. 4: 4.

Divine Instructions

The three Elders began to speak to me one after the other. The first spoke thus:

**“Beloved, always live and
walk in the understanding that
anyone who sincerely believes in Christ
and worships Him as the Lord, is forever
liberated from the illusion of the mind
and senses, working under the system
of the powers of darkness.”**

As this Elder from Heaven spoke thus to me, I

GREAT DIVINE IMPACT

immediately understood that the Satanic system which he spoke of, is the kingdom of darkness that deals with vicious life, lust, attachment to mundane things, amongst others.

Consequently, the Holy Spirit impressed it in my consciousness, that every true believer is liberated from the manipulations of the realm of darkness and translated into the eternal realm of Perfect Light, the Light of Jehovah God and His Christ. For it is only in the Light of God that we can see light. Again, the second Elder said to me:

**“Beloved, remember also
that after your submission to the
Light of Heaven, my Lord and your
Lord assumes the responsibility of the
maintenance of your life. This goes in
all aspects of your being while you are on
Earth. O Brother Uzorma, do not ever
forget that the maintenance of your whole
life is accomplished only by the
Omniscient Power of Christ, who is
Omnipresent. Therefore trust and depend
on no one; yet those who will stand by**

MYSTERY OF THE SUPREME POWER

**you and support you, will surely be
blessed.”**

When I heard these words, a powerful thought came to my mind. I began to think that **'no true disciple of Jesus Christ is alone in this creation.'** Then the third Elder proclaimed and said: **“Beloved, the Lord is always with you!”** As he spoke thus, I remembered the words of Christ in *Matthew 28: 20*: **“...and, lo, I am with you always, even unto the end of the world.”**

Upon The Sacred Mountain

After this, I was led in the Spirit by the three Elders to a certain mountain. And from this sacred mountain the whole Earth was revealed to me. I saw that the world of man was full of idols. Then a Divine voice from above said to me:

**“Son of man, prophesy
against the idols of the children
of men, even in the name
of Christ your Lord.”**

I spoke against the idols in the name of our Lord Jesus Christ. Consequently, the whole idols

GREAT DIVINE IMPACT

fell, whilst a great wind from the East came and carried them away. And the same voice which I heard said to me again:

“So shall it be at the fullness of time! The idols which you saw, are the burdens of the Prince of Darkness and his spirits upon the Earth. I, even I, shall soon cause these to cease in the coming great day of this generation. Behold, the living among men in your Earth-year, 2075, shall say it is done.”

Furthermore, I was asked by the three Elders to construct an altar for the worship of Christ upon the sacred mountain. There, I made an altar for the Lord my God. And from this altar the glory of God came forth like smoke and covered the entire mountain. And I heard a voice from above the altar which said to me:

“Let this understanding prevail in you, O son of man, that you are chosen to bear witness of the Power of Christ. Go and tell My people, that the conclusion that Christ is within you and all my faithful servants

MYSTERY OF THE SUPREME POWER

**on Earth, is on the absolute level of truth.
Say to the children of men that Christ is
the beginning, the beginningless, the
base before and after the end, the
End and the endless of Power.”**

There was great silence upon the mountain, as we were all subjected to the voice of the Almighty. And the voice said again:

**“lyke! lyke! proclaim that
the name of Christ, the qualities
of Christ and the personality of Christ,
are absolute and forever Omnipresent,
Omniscient, and Omnipotent.”**

These words came with great power and strength, but I could not grasp their full meaning as at that time because, as earlier stated, this was less than a year after my total submission to Christ. (*After some years, this message was repeated to me again. See my book entitled: 'My 300 Minutes Experience of Heaven'*). I wanted to understand what I was told about the **name, qualities** and **personality** of Jesus Christ. At this point the great voice, the voice of God, said once again:

“Son of man, what you hear indicates that Christ, with His name, qualities, and personality, is unlimited in eternity. This is the mystery of the Supreme Power, which is Myself.”
(The Lord spoke several other things.)

Knowing More About Christ

Finally, the three Elders spoke to me again one after the other. The first spoke to me about the personality of Christ. The second spoke to me about the name of Christ. The third spoke to me about the qualities of Christ, after which I woke up. Below is the summary of what I was taught, after my conversion, by the Elders from the Kingdom of Heaven.

The Personality Of Christ: I was taught that the Almighty Power of the Godhead is forever embodied in the personality of our Lord Jesus Christ, and that by the strength of this Power, which is One with Christ and Christ Himself, the **'Personality of Christ is Eternally Omnipresent,'** in His diverse forms of manifestations.

Mystery Of The Supreme Power

This is a great mystery. Even the greatest mental speculator in the world of man, cannot comprehend how the Personality of Christ could be in the Highest Heaven and at the same time manifest profusely in every realm of existence. The senses of the earthman cannot comprehend how the King of Kings and Lord of Lords as a person is eternally Omnipresent, while located in one place

Nevertheless, I was taught that the personality of our Lord and Saviour Jesus Christ is the one bonafide essence of all manifestations, visible and invisible. This Godhead Supreme Personality (*Christ*) appeared on Earth, and hitherto present on Earth, to bring into manifestation the Highest Power of the Almighty, through His name and qualities.

**“And without controversy
great is the mystery of godliness:
God was manifested in the flesh...”**

-1 Tim. 3: 16. NKJV.

The Name Of Christ: I was taught again that the Almighty Power of the Godhead is forever embodied in the name of Christ, and that by the

GREAT Divine IMPACT

strength of this Power, which is one with Christ, the name of Christ is the same as His personality. Thus, the name of Christ, 'Jesus,' is eternally Omnipresent through Divine sound vibrations, including His 'new name':

“Him that overcometh will I make a pillar in the temple of my God... and I will write upon him my new name”.

-Rev. 3: 12

In other words, the same Almighty Power found in the **Personality of Christ**, is also present where the name of our Lord Jesus Christ, or **His new name**, is mentioned.

“For where two or three are gathered together in my name, there am I in the midst of them”. *-Matt. 18: 20*

The blessed name of our Lord is thus Omnipresent and highly potent via the constant Divine vibrations of the Godhead. This also means that the name, '**Jesus Christ**', or His '**New Name**', *(when it is revealed to you in the higher realms of Light, as revealed to me when*

MYSTERY OF THE SUPREME POWER

the Lord appeared and ordained me 'Harbinger of the Last Covenant'), can save your soul from all the manipulations of the forces of darkness.

**“For whosoever shall
call upon the name of the Lord
shall be saved” -Roms. 10: 13**

**“The name of the LORD is a
strong tower: the righteous runneth
into it, and is safe”
-Prov. 18: 10**

Furthermore, the name of Christ, being on the highest level of Power, can maim or neutralize the operation of any vicious power in the Universe.

**“And the seventy returned
again with joy, saying, Lord, even
the devils are subject unto us
through thy name.”
-Luke. 10: 17**

**“And these signs shall follow
them that believe; In my name**

Shall they cast out devils”

-Mark 16: 17

**“That at the name of Jesus every
knee should bow, of things
in heaven, and things in earth
and things under the earth”**

-Phil. 2: 10.

The Qualities Of Christ: Finally, I was taught that the Almighty Power of the Godhead is forever embodied in the qualities of our Lord Jesus Christ, and that the qualities of Christ are the consummation of Love, righteousness and holiness! In other words, if you practically uphold the qualities of Christ (*Love in thoughts, words, and deeds as well as righteousness and holiness*), you will automatically possess the blessed Power of the Almighty Creator.

Now, without the qualities of Jesus Christ (*practical Selfless Love*), no man can enter into direct association with the Holy Spirit. And without your direct association with the Holy Spirit, you are totally bereft of Divine Power. For thus says the Scripture:

Mystery Of The Supreme Power

**“There is no fear in love;
but perfect love casteth out
fear: because fear hath torment.
He that feareth is not made
perfect in love”
-1 John. 4: 18.**

CHAPTER FIVE

YOUR BANNER OF VICTORY

**“But ye shall receive power,
after that the Holy Ghost is come
upon you: and ye shall be witnesses unto
me both in Jerusalem, and in all Judea,
and in Samaria, and unto the
uttermost part of the earth.”**

-Acts 1:8

Divine Power

In continuation of the words of the Lord which I heard upon the mountain, and the teachings that I received from the three Elders from Heaven, let me say that after one's submission to the Father through our Lord Jesus Christ, the Holy Ghost will consequently become his Perfect Light, Teacher, and Comforter.

It is by the Holy Ghost Power that the potency of Christ operates for your daily victory over the powers of darkness. The Almighty Power of the Godhead, embodied in the name, the personality, and the qualities of Jesus Christ, is embedded in a believer via the Almighty vibrations of the Holy Ghost. Thus, it is the Holy

YOUR BANNER OF VICTORY

Ghost that empowers you daily to pull down the strongholds of the empire of darkness. **"But ye shall receive power after that the Holy Ghost is come upon you."**

The Required Condition

What is required for man to receive the blessed Power of the Almighty God? First, you must recognize the Personality of Jesus Christ and worship Him as the Supreme Creator of the Universe.

"He was in the world, and the world was made by him, and the world knew him not... But as many as received him, to them gave he power to become the sons of God, even to them that Believe on his name"

-John 1:10, 12.

Secondly, you must depend solely on the Almighty Power operating in the name of our Lord Jesus Christ. You must do this in the full awareness that the name **"Jesus Christ"** is different and absolutely beyond the name of any spirit, angel or man in the universe. You must understand that no other being in the

GREAT DIVINE IMPACT

universe can manifest Power in his name, or be present where his name is mentioned, except the Lord of Creation.

**"For by him were all things
created, that are in heaven, and
that are in earth, visible and invisible,
whether they be thrones, or dominions, or
principalities, or powers: all things were
created by him, and for him"**

-Colossians 1:16.

The third point is that you must possess the quality of Christ, I mean practical Universal Love. Divine Love is power; it is true holiness. The Lord said to me:

**"Son of man, do not forget
This; but remember always that the
supernatural power of Love is the eternal
force that enables you to become firmly
established in My Light."**

**"Then spake Jesus again unto
them, saying, I am the light of the
world: he that followeth me shall not
walk in darkness, but shall have the**

YOUR BANNER OF VICTORY

light of life" -John 8:12.

Simply expressed: If you are truly with the name, the personality and the qualities of our Lord Jesus Christ, no evil power in the Universe can defeat you. Therefore a true believer in Christ, a bonafide citizen of Light, must never fear any element of the kingdoms of darkness.

Exercise Your Power

It does not matter how powerful and highly concentrated the forces of darkness against your life may be. It does not matter whether demons and their human agents of the highest occult level are presently fighting against your health, marriage, business, academics, spiritual life or otherwise. What matters is that you have the highest Power in Christ Jesus to overcome all the powers of the enemy.

Begin to exercise this Eternal Power of the Lord your God: exercise it now and always. Christ Power is the Living Power in the Universe. All other powers are unclean - they are dead powers.

Use the blessed Power of the Living Son of

GREAT DIVINE IMPACT

God, the King of Kings, to pull down the high places and the strongholds of the mighty forces of darkness operating against your life. This is why each and every believer is called upon to uphold the Righteousness and Power of the Glorious Christ.

**"See, I have this day set
thee over the nations and over the
kingdoms, to root out, and to pull down,
and to destroy, and to throw down,
to build, and to plant"**

-Jer. 1:10.

Your True Enemy

The Lord said to me:

**"Son of man, say unto the
children of men, let each one of
his people recognize his true enemy
in the world. Son of man, know thou this
that your fellow man is never your true
enemy; know thou also that the arch
enemies of the children of men are the
forces of the Dragon (*the Prince of
Darkness*) fighting against
the Earth and the sea."**

YOUR BANNER OF VICTORY

**"For we wrestle not
against flesh and blood, but against
principalities, against powers, against
the rulers of the darkness of this world,
against spiritual wickedness in high
places" -Eph. 6:12.**

It is these invisible enemies that use the visible men (*agents of darkness*) to trouble the earthmen. Therefore, the true enemies of man must come against you from time to time. **"Behold, they shall surely gather together, but not by me..."** This is the Word of God. The Lord added: **"Whosoever shall gather together against thee shall fall for thy sake."** -Isa. 54:15.

The gathering together of the forces of darkness against a believer is a must: **"They shall surely gather together."** But such gathering is against the Will of God. Therefore when the enemies gather in one way or the other against you, do not fear for the Scriptures say: **"...When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him."** (Isa. 59:19.) The

Lord said to me:

**“Son of man, say unto My people:
Whenever you notice the hand of the
enemy against your life, you should at the
same time compare your enemy with Me,
your Lord. Whosoever of My people that
compares his enemy with Me, will know
verily that the enemy is nothing.”**

Victory Is Sure

Yes! The moment you compare the forces of darkness against your life with the Infinite Potency of the Almighty Creator, which is in you, you will definitely recognize that you have absolutely nothing to fear in this creation. In the first place, fear is a psychic device with which demons dominate the life of the earthman.

A true believer must never fear the enemy, for he has the absolute Power in Christ to overcome any power of darkness. **".. .greater is he that is in you, than he that is in the world"** -1 John 4:4.

Nevertheless, a believer cannot overcome, if he does not commune with the Almighty God through Christ on a daily basis. This has to do with prayer, **“pray without ceasing.”** The

YOUR BANNER OF VICTORY

weapons of faith in Christ and prayers to the Almighty God, can never be defeated by the enemy. Therefore, **"Watch and pray, that ye enter not into temptation."** The Lord said to me:

"Son of man, say to My people on Earth: Behold, you shall not fear any power of darkness, if there is no secret guilt in your life. For it shall come to pass that if there is no secret or open guilt in your life, O son of man, that I, even I, the Lord, will take over the battle of your life. Then be patient, for victory is sure!"
(These were among the words which the Lord gave me upon the mountain.)

Uphold Your Banner

Whenever you are experiencing oppression in any aspect of your life, whether physical, mental, or spiritual, then watch out, for a certain evil power operating within your system is manipulating your prayer life. This could occur even without your conscious awareness. Your prayer life is going down, and this is designed to lead you into slothfulness. And the moment you are in that state, you are in trouble; you

may be finished in spirit. The Lord said to me:

**“Son of man, say unto My
people who are not strong in Me:
If you are already cornered by the Prince
of Darkness, listen attentively to Me, your
Lord, and you will learn that I am warning
you to revive now and uphold your banner
of victory. But now, O son of man,
remember at all times that you are in a
spiritual battle! Remember also that apart
from your prayer life, My Power of victory
operates constantly in you through
the Spirit of Love and of your
perfection of faith in Me.”**

Indeed, it is the potency of the Spirit of Love, which is God in action, radiating in your life that will quicken the vibration of your prayer to manifest your victory over the forces of darkness. This comes by strong faith in Christ. Do not pass over this lightly.

I tell you most truly, it is the Spirit of Love, the Light of God, that will enable you to pray always for the good of others, even for your so-called human enemies. It is the Spirit of Love and

YOUR BANNER OF VICTORY

your faith that will make your prayer to be effective, and be answered. Christ admonished in the Scripture:

**“you have heard that it
has been said, 'you must love
your neighbor and hate those who hate
you.' But I tell you, love those who hate
you. (*Respect and give thanks for those
who say bad things to you. Do good to
those who hate you.*) Pray for those
who do bad things to you and
who make it hard for you”.**

-Math. 5: 43, 44; New Life Version

The Spirit of Love is the foundation of Light by which your prayer will be answered. And, behold, it is by the Spirit of Light that you can pull down the strongholds of the empire of the forces of darkness. The Spirit of Love, through faith in Christ, is your banner of victory in the field of battle.

CHAPTER SIX THE POWER SOURCE

**"It is the spirit that
quickeneth; the flesh profiteth
nothing: the words that I speak unto
you, they are spirit, and they
are life." -John 6: 63."**

A Sign In Heaven

On a certain Sunday, between 1 am and 2:30 am., I received a revelation from the Lord. It came to pass at that time that I was caught away into the realm of the Blessed Christ by the Spirit of God, while I was praying. Then I saw our Lord Jesus Christ standing upon a mountain, and with Him were thousands of Holy Angels and Saints.

A great sign appeared above the mountain upon which was the Lord. And within this sign, which appeared in the clouds of a Heavenly realm, was written **"SHAKIRANDA AKAKAMURI."** Then one spoke to me concerning the sign. I heard a mighty voice like the sound of a great congregation, and the voice which I heard said that the sign and the words upon it represent the last mystery of the

“Second Coming of Christ and of the Great Day of the Lord.” Then I learnt that this will fulfill strictly in God's terms and not in the human religious terms, which we think is God's terms.

Furthermore, I heard and saw several things in this connection, which the Lord commanded me to publish in a book for the children of men. The Lord told me that the book should be entitled, **The Greatest Revelation of Our Time.** Then He promised to speak more to me concerning this.

Movement with the Lord

Thereafter, our Lord Jesus Christ gave me and each of those with Him a white flag upon which was written, “PEACE.” Upon the upper and the lower parts of this flag, was also inscribed what I was told are the new name of Christ. (*Rev. 3: 12*). We began to move with the Lord in the space between the land and the sky. We went from nation to nation, until we covered the whole Earth in a moment of time.

In some countries that we reached, the Lord commanded that one flag of Peace, (*with His*

GREAT DIVINE IMPACT

new name) should be hung there, while in some countries the Lord commanded that we should pass over without hanging any flag. In such places, certain things were spoken by the Lord. After this spiritual experience, the Lord God began to speak to me, and I heard His voice, physically, every morning for seven days.

The Potency of God's Word

The first day, 5am., the Word of the Lord came to me, and He said:

**"Son of man,
my Word is so great
that my faithful servant must
solely rely on it for
victory always."**

I have already stated in this book that your faith in God depends on your faith in the Word of God. Now, practically speaking, the Word of God is the main source of daily Power for each and every follower of Jesus Christ. Study the Word of God, seek the Lord via the Spirit of His Word, early in the morning, before you communicate with fellow humans. The Lord

said in the Scripture:

**“I love them that love
me; and those that seek
me early shall find me”**

-Prov. 8: 17

What then is the Word of God? The Word of God is founded in the Spirit of the Holy Scriptures. The Word of God also includes any statement, directly or indirectly, uttered by the Almighty God in our time. Every Word of God is highly potent and infused with the supreme creative energy of the Holy Spirit. The Lord still speaks now.

The forces of darkness are not scared, neither are they threatened, by human philosophies, religious theories, and dogmas. These are nothing in the essence of spiritual power. But the forces of darkness are afraid of the potency of the Word of God. Indeed, the potency of the Word of God can maim any element of darkness. The Lord said again to me:

**“Remember, O son of man,
that when the Prince of Darkness**

**came to the mountain to tempt thy Lord,
no method was used to banish him
but My Word only."**

In *Matthew 4:1-11*, we found that in each and every temptation, Christ overcame Satan by strongly quoting the Word of God; **"It is written"**. Below is an expression of the potency of the Word of God:

**"For the word of God is
quick, and powerful, and sharper
than any two edged sword, piercing
even to the dividing asunder of soul and
spirit, and of the joints and marrow,
and is a discerner of the thoughts
and intents of the heart."**

-Heb. 4:12

Practical Application

The second day, 4:25 am., the Word of God came to me, and He said:

**"Son of man, say unto my people:
the practical application of My Word
in your life is the source of your victory
over the devices of the enemy. My Word is**

the Spirit of righteousness. And if My Word dwells fully in you, it will manifest My Light in your life.

**“Say to them again,
declare that the verses of the Holy Scriptures in the head of man cannot give him victory. My Word must dwell fully in your heart, in your soul, not in your head only. Son of man, My Word in the heart of man will lead him into the way of My Light and of victory over the Prince of Darkness; whereas My Word only in the head of man, will lead him into vain glory. Warn My people against this!**

“Son of man, the degree of My Word in you is the degree of My Power in you. If you have My Word in you and at the same time you are prayerful in Me, you will be so powerful that every power of darkness must flee from you.

“Declare this to the children of men that no power of evil can defeat My faithful servant. But, son of man, say: do not forget that you can become

**powerless when My Word is
scanty in you.”**

Magnitude of the Word

In Psalms 138:2, the Word of God is recognized to be higher even than all the names of God. There we read:

**“I will worship toward thy holy
temple, and praise thy name for
thy loving kindness and for thy truth:
for thou hast magnified thy word
above all thy name.”**

The Living God Jehovah, the Almighty Father, has many names, but the Holy Scriptures say that the Word of God is magnified above all the names of God. In the Bible, the Almighty God has such great names as Rapha, Shalom, Elohim, El-Shaddai, Adonai, and so forth. Generally, humans also call Him God, Chukwu, Abasi, Olodumare, Narayana, amongst many others. Yet the Word of God is magnified above all these names.

This should be enough to perfectly convince us that the Word of God is the consummation of

the highest spiritual Power. Let the Word of God rule and dominate all aspects of your life (*finance, journey, marriage, health, education, business, and so forth*). Let your spiritual life go according to the Word of God. Now, I give you the following points, as I received from the Lord:

- i. The power in the Word of God is the Supreme Power; It cannot change; it is eternal: **"The grass withereth, the flower fadeth: but the Word of God shall stand forever"** *-Isa. 40:8.*
- ii. The power in the Word of God is the purest and the most blessed Power available to any living creature in the universe: **"The words of the LORD are pure words: as silver tried in a furnace of earth, purified seven times"** *-Psm. 12:6.*
- iii. The Word of God is a shield of protection to all the faithful servants of God. **"Every word of God is pure: He is a shield unto them that put their trust in Him"** *-Pro.30: 5. NKJV.*
- iv. The Word of God is the Light of the faithful servant of God. **"Thy word is a**

GREAT DIVINE IMPACT

lamp unto my feet, and a light unto my path" *-Psm. 119: 105.*

- v. The sanctification of a believer is only through the potency of the Word of God. **"Sanctify them through thy truth: thy word is truth"** *-Jn. 17: 17.*

- vi. The soul of man can be saved through the Word of God. **"Wherefore lay apart all filthiness and superfluity of naughtiness, and receive with meekness the engrafted word, which is able to save your souls"** *-Jam. 1: 21.*

Christ Is The Word

You may ask: How will I obey all the laws in the Bible? Do not worry, just let the Word of God dominate your heart and you cannot fall into the wicked path. **"Thy word have I hid in mine heart, that I might not sin against thee"** - *Psalms 119:11*. If you are prayerful but lack the Word of God in your heart, you can still be manipulated by the forces of darkness. Some so-called "believers" cannot stay for long without experiencing the manipulation of darkness, due to lack of the Word of God in them.

The Word of God is the Supreme Creator of the universe. **"In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him; and without him was not anything made that was made"** -*John 1: 1-3.*

Behold, Jesus Christ is the Word of God! **"And the Word was made flesh, and dwelt among us, (*and we beheld his glory, the glory as of the only begotten of the Father,*) full of grace and truth"** *John 1:14.*

CHAPTER SEVEN FLOOD OF DARKNESS

**“These things I have spoken
unto you, that in me ye might
have peace. In the world, ye shall
have tribulation: but be of good
cheer; I have overcome the
world.”**

-Jn. 16: 33.

The Escape Path

Through diverse manipulations, the entities controlling the various units of the kingdoms of darkness have filled the world of man with tribulations. That is why we are called upon by the Lord to **“watch and pray.”** The tribulations arising from darkness cannot dominate a true believer in Christ: **“In Me ye shall have peace”** -NKJV. But if you are not in Christ, that is, if you are in the world, *(Living within the framework of attachment to mundane things)* you can never escape: **“In the world, ye shall have tribulation.”**

The third day, 5:30 am., the Lord said to me:

“Son of man, when the flood of

Satan comes against My servant, the Aim is to suffocate him with earthly tribulations. But know that this aim can never be fulfilled, because of My everlasting decree against the Prince of Darkness."

The Scriptures even say: **"When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him"** *Isa. 59:19*. The Lord continued:

"Son of man, say unto My people: the flood of darkness in your world should always remind each and everyone that he is still at the high sea: This should go a long way to impel each of you to submit fully to Me, even to watchfulness and prayerfulness, O son of man."

The Little Ships

Now, remember that the ship in which Jesus Christ and His disciples were was once attacked by a mighty storm. The disciples overcame the ultimate aim of this storm because Christ was with them. The Word of the Lord came to me, and He said: **"Son of man,**

GREAT DIVINE IMPACT

the wind will blow, but it will never overcome you, if you are always in the ship piloted by Me, your Lord.”

Dear reader, beware! Do not ever enter into any of the various little ships found in the world of man. None of such ships can withstand the great fury of the flood of darkness. Such little ships are even designed by the Wicked One to manipulate people and lead them astray.

Now, the little ships include any act, philosophy, or organization that is not established and sustained on the path of Divine Love, the foundation of Light, which Christ laid via His Blood, for the children of men. Thus, the little ships are the ways to hell; they are the ways of unrighteousness and darkness: be warned for they are many. If you enter therein, you will sink beneath the sea and pass away with the old things. The Lord said to me:

**“Son of man, blessed is he who
Is always inside My ship, for I will
hear When he calls. But say: Woe to the
earthman who is not inside My eternal
ship; whatsoever befalls such, his**

blood will be upon his head.”

Divine Admonition

The fourth day, by 3:30 am., the Word of the Lord came to me, and He said:

“Son of man, let the Lord your Lord be the first to hear your voice each morning; and before you sleep in the night, let your Lord be the last to hear your voice. Abide by this, O son of man, for it will strengthen your relationship with Me.

“Do not forget at any time that you are called to the ministry of Prayer. This is the great ministry of all My Faithful servants. Son of man, do not forget also that the Prince of Darkness is greatly opposed to the ministry of prayer. But declare to the children of men that the powers of hell must flee from the one who is prayerful and whose thought is always fixed on Me.”

There is no doubt that the storm of the forces of darkness must come against man from time to

time. But this storm, from any zone, region or centre of the forces of darkness, can do nothing to a prayerful believer who knows his right in the Lord. In *1 Thessalonians 5:17*, we are told to **"Pray without ceasing."** And in *Luke 18:1*, the Lord himself admonished: **"Men ought always to pray, and not to faint."**

Diverse Manipulations

Now, be informed that your prayer can be hindered by the forces of darkness or their human agents through diverse manipulations. I am speaking of the manipulations which I actively perpetrated in the past against the people of God.

Nevertheless, these manipulations operate more on a subtle level, to the extent that a believer who is not strictly watchful and prayerful as required by the Lord, will not recognize them as manipulations of the enemy. Yet through such manipulations the most vicious Astral forces and their human agents can dominate your prayer in the spirit realm. Let me now bring to you four major areas of manipulations through which your prayer can be hindered.

- I. The forces of darkness can manipulate your heart and subject your mind and senses under the sway of iniquity. And if you fail to overcome, your prayers could be hindered: **“If I regard iniquity in my heart, the Lord will not hear me”.**

-Psm. 66: 18.

- ii. The forces of darkness can manipulate you and cause you to speak to the Lord your God without proper respect; like when you say to the Lord, *O Lord, 'why me,' 'if truly you are God,' 'my hands are clean,' or 'where are you that this is happening,'* and all that. This can also hinder your prayer. To overcome this, a believer should humble himself in the presence of God and pray like Abraham: **“And Abraham answered and said, Behold now, I have taken upon me to speak unto the Lord, which am but dust and ashes.”**

-Gen. 18: 27.

GREAT DIVINE IMPACT

iii. The forces of darkness can manipulate your heart and make it difficult for you to forgive your fellow man. Again, this will greatly hinder your prayer: **“For if ye forgive men their trespasses, your heavenly Father will also forgive you: But if ye forgive not men their trespasses, neither will your Father forgive your trespasses”** *Matt. 6: 14, 15.*

iv. The forces of darkness can manipulate and dominate your prayer as well as hinder it by subjecting your mind and senses under the propensity of doubt or faithlessness: **“But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the sea driven with the wind and tossed. For let not that man think that he shall receive any thing of the Lord”** *-Jam. 1: 6, 7.*

The Victory of Saints

The fifth day, by 3:47 am., the Word of the Lord came to me, and He said:

**“Son of man do not ever
worry to ask yourself the wrong
that you have done to the Prince of
Darkness by which he is constantly
against you. “Remember now, that the
going away of the children of Israel from
the bondage of Egypt to the Promised
Land was never to the happiness of
Satan and his angels. Pharaoh, who
was then the most visible agent of
Satan in Egypt, fought vehemently
to hinder the liberation of
My people.”**

Indeed, it is never to the happiness of the forces of darkness for any soul to move from the kingdom of the Wicked One to the eternal kingdom of the Blessed Christ. It is contrary to the devices of Satan and his forces for you and me to come out of darkness and enter into the perfect Will of God. The Lord said to me again:

**“Son of man, consider this: What
evil did the children of Israel commit in**

**Egypt that caused the enemy to fight
against their liberation? I say to you,
They did nothing wrong other than
that they were set free by Me.”**

Liberation From Bondage

In the book of Exodus, we found how the Almighty Jehovah brought the children of Israel out of bondage. He defended them against their enemies, even when they became afraid of the dark forces of Pharaoh. They were immediately warned not to fear:

**“And Moses said unto the people,
fear ye not, stand still, and see the
salvation of the LORD, which he will shew
to you today: for the Egyptians whom ye
have seen today, ye shall see them
again no more forever”**

-Exo. 14:13.

If you are a true believer in Jesus Christ, bear in mind that the Living God Jehovah will always fight for you. In the same Exodus, the Lord fought for Israel against the forces of Egypt.

“And the Egyptians pursued,

**and went in after them to the midst
of the sea, even all Pharaoh's horses,
his chariots, and his horsemen. And it
came to pass, that in the morning watch
the LORD looked unto the host of the
Egyptians through the pillar of fire and
of the cloud, and troubled the host of the
Egyptians And the waters returned, and
covered the chariots, and the horsemen,
and all the host of Pharaoh that came
into the sea after them; there
remained Not so much as
one of them”
-Exo. 14:23-24,28.**

In this Exodus, the Heavenly Father demonstrated His Supreme Power and ability to execute judgment upon the Prince of Darkness and his forces. Therefore seek the Lord thy God always, He will definitely fight for you in all things. That same day the Word of the Lord came to me, and He said:

**“Son of man, remember that the
battle is not man versus man, or My
people versus the forces of Satan. The
great battle is Satan and his forces versus**

GREAT DIVINE IMPACT

Me, even I, the Lord. Now say unto the children of men: The destruction of any creature fighting against Me, the Creator, is verily beyond repair.”

WINNING THE PRINCE OF DARKNESS

CHAPTER EIGHT WINNING THE PRINCE OF DARKNESS

**“And the LORD
Said unto Satan, The LORD
rebuke thee, O Satan; even the LORD
that hath chosen Jerusalem
rebuke thee.”
-Zac. 3: 2.**

The Christ Light

On the sixth day, 5:00 am., the Word of the Lord came to me, and He said:

**“Son of man, say to the children
of men: Nothing outside My Light, can
truly satisfy the soul of man. Any temporal
satisfaction received outside My Light, O
son of man, that comes even through the
unclean powers of the Prince of
Darkness, is forever condemned
by My everlasting decree.**

**“Son of man, say to
the children Of men: There is
darkness all around The earthman and
his environment. O children of men, it is
only My Light alone that can banish all the**

layers of darkness, that surrounds your environment. I am the Light of Creation! In Me is Light and the Light in Me is the life force of the Universe. Seek nothing but My Light, which will bring you to Me even at the end of life. Son of man, there is no Light but Christ, who is your Lord; for My Divine Light is in THAT and flows through THAT to all that exists.”

Manifestation Of Light

Remember that when the Lord spoke to me of the human environment, He was speaking in connection to the land, air, and sea. The kingdom of darkness is established in every element of the material nature, such as the earth, fire, water, and air.

By virtue of the limitations of his objective and subjective consciousness, the earthman cannot, with his personal strength, overcome the ubiquitous manipulations of the mighty forces of darkness operating in his environment. In order to save man, the blessed Lord Jesus Christ appeared on Earth. He consequently manifested the Supreme Light

WINNING THE PRINCE OF DARKNESS

which pierced through and banished the works of darkness in the lives of those who sincerely believe in Him.

“He that committed sin is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God was manifested, that he might destroy the works of the devil”

-1 Jn. 3:8.

“But as many as received Him, to them gave He power to become the sons of God, even to them that believe on his name” -Jn. 1:12.

The Ignorance Of Men

Now, every believer who is in the Light is directly in a warfare against the forces of darkness. Indeed, each and every human being on Earth is in a battle field, whether directly or indirectly. Many people are ignorant of the fact that the forces of darkness are fighting them from the spirit realm. They are not aware of the manipulations of darkness within the human environment.

GREAT DIVINE IMPACT

Again, many earthmen have even strongly denied the existence of the forces of darkness. This is because these forces cannot be physically seen in the human realm. But this is a misleading concept designed and sustained by the same forces of darkness.

Is it not delusion for an earthman to think or hold obstinately that what his eyes cannot see does not exist? It is evident that the human eyes do not see the air, the electric current in a cable, the atoms, the force of gravity, and many other things in the human environment, yet these things are in existence. In the same way, the forces of darkness operate in a subtle (*invisible*) form within the world of man.

If you are ignorant of the existence and manipulations of these forces, how then will you have victory over them? Therefore, recognize now that there is a spiritual battle going on in this world. Take active part and fight on the destined side of ultimate victory, the side of Jehovah God and His Christ!

Our Real Enemy

WINNING THE PRINCE OF DARKNESS

The Lord said further to me:

**“Son of man, do not forget
at any moment that you have an
archenemy, who is the Prince of Darkness
and the great opposer of My people. He
is always advancing strategies on how
to devour men.”**

**“Be sober, be vigilant; because
your adversary the devil, as a roaring
lion, walketh about, seeking whom
he may devour” -1 Pet. 5: 8.**

**“Son of man,”
the Lord continued, “remember that
the Prince of Darkness does not respect
you. He has no respect for Me, even I, the
Lord of Light. But say to My people that
though Satan and his forces do not
respect you, they must flee from
you in the name of
your Lord.”**

Truly, our real enemy, Satan, does not respect anyone! Consider this: While he was initially in the blessed Heaven as an Archangel, he

GREAT DIVINE IMPACT

opposed the Almighty and fought against the Holy Angels. Think about this. If he can oppose the Living God Jehovah, he can as well oppose any living creature in the Universe.

Consider again: Satan tempted and deceived the third part of the Angels in Heaven and caused them to become demons. If he could deceive the Holy Angels, what about the earthman? If you are not strong in the Power of the Almighty, Satan can take you away. Satan even went to the top of the mountain to tempt the Blessed Lord. This should strongly impress it in your consciousness that the Prince of Darkness does not respect anyone. He is a condemned entity destined to flee always from the people of God because of Christ, our Lord.

The Target Of Darkness

Now, be informed that Satan and the entire forces of darkness are in a highly organized set-up in all the Occult Kingdoms within the four elements of the material Universe. And the entire set-up of the kingdoms of darkness have only one purpose: to destroy the earthmen via diverse manipulations. **“The thief cometh not, but for to steal, and to kill, and to**

WINNING THE PRINCE OF DARKNESS

destroy...” -Jn. 10:10.

The target of the forces of darkness is the mind of man. He who controls the mind controls the man. For you to overcome, let your mind be always in the Light of Christ. Distraction will come to your mind to remove you from the path of Light. Strive to overcome! If the most vicious Astral entities get hold of your mind, they will lead you into the path of darkness; they will begin to feed fat from the dichotomy of your vicious mental animation. This is well explained in my book entitled '**Deeper Realities of Existence, Vol.1.**' You are gone, if you fail to come out of this state of consciousness.

How To Overcome Them

The seventh day, the Lord said to me: “**Son of man, resist the devil and he must flee from you.**” Then I said: “O my Lord, I have known much about the forces of darkness, but I want to learn from you how to always resist them.” And the Lord said to me: “**Son of man, what I say to you, I say to all My people, behold, there are seven ways through which you can resist the devil.**” The Lord then spoke of these seven basic awareness, saying:

“Behold, I have placed the Prince of Darkness and his hosts under the faithful in me; therefore, let the faithful:

- i. “Resist them, even their act. Your first duty is to resist them. They are the ones to flee from you, and not you to flee from them.**
- ii. “Resist and rebuke the Prince of Darkness and his hosts firmly, like when you rebuke your earthly dog. Do not beg them, they must flee.**
- iii. “Resist them in faith as if they do not exist, with every conviction that they must flee, and they must flee.**
- iv. “Resist and rebuke the Prince of Darkness with the Words of Power and Authority, even with the**

WINNING THE PRINCE OF DARKNESS

Blood of Christ, your Lord, and he must flee.

- v. **“Resist them in boldness without fear. Make sure there is no wickedness in your life, and behold, they must flee from you.**
- vi. **“Resist the wicked ones joyfully and assuredly, and they must flee from you.**
- vii. **“Resist them continually, anywhere and in any manner they come, and, verily I say, they must flee from you. Those who have ears to hear, let them hear.”**

CHAPTER NINE

THE ARMOUR OF VICTORY

“Put on the whole armour of God, that ye may be able to stand against the wiles of the devil” -Eph.6: 11:

Be Spiritually Active

It was on the seventh day that I specifically asked the Lord to speak to me on how to totally defeat the forces of darkness, in every field of battle. After showing seven ways through which a child of Light can resist the Prince of Darkness, the Lord further said to me:

“Son of man, say to My People: Let each of you among his brethren Win the hosts of darkness always. Remember that after one battle, the Prince of Darkness comes again. There is no one outside My Supreme Light that can face and defeat the 'Old Serpent'. But, behold, all who remain active in Me, their Lord, will surely overcome. Now, O son of man, I will show you 'My Seven Divine Principles', for all the faithfuls

**on Earth, that keep one
active in Me.”**

That same hour, the Lord, Creator and Master of Light began to speak to me on these principles which He called '**My Seven Divine Principles.**' They are given for the guidance of the believer on the path of Light, with my purport to make it clear for the reader.

The First Divine Principle

On the first principle, the Lord said: **“Do not be a careless believer in Me, your Lord. Be spiritually watchful and vigilant always”.** My purport here is that we should not take the path of our Lord for granted. We must realize that the path of Light, led by the **King of kings**, requires serious commitment. We should be **'watchful'** and spiritually **'vigilant'** if we must make the required progress in the journey of life, in the battles thereof.

“Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour”. 1 Pet. 5: 8.

“Watch and pray so that you will not fall into temptation. The spirit is willing, but the body is weak”.

-Math. 26: 41; (New International Version)

The Second Divine Principle

On the Second Principle, the Lord said: **“Followers of My Light, My Love and My Righteousness, which is Christ, your Lord; put on consciously, the whole armour of the Absolute Spirit, which is Myself.”** God is the Absolute Spirit and He has 'armour' for all those on the path of Light, Christ, with which they could defeat the forces of darkness. As Saint Paul wrote in *Ephesians chapter 6: 13*:

“Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.”

In the same Scripture (*Ephesians chapter 6 verses 14 to 18; New Living Translation*), Saint Paul outlined the 'armour' of God, for daily victory in the field of the battles of life, as follows:

First Divine Armour

On the first 'armour,' he wrote: “**stand your ground.**” This means you must know where you are standing; you must know the platform upon which you stand. Christ is the Supreme Platform of all true believers. You must know this. This knowing is only valid when it is rooted in your innermost conviction. You must know in practical, not only in theory, that Christ is real. His Power is real and valid now and always.

Second Divine Armour

On the second 'armour,' he wrote: “**Putting on the sturdy belt of truth.**” Here comes the TRUTH, which is Christ, '**the Way, the Truth and the Life**' (*John. 14: 6*). Putting on His 'sturdy belt' therefore entails living in His consciousness. Simply put, this means thinking always of Him and making Him the guiding Master of your words and actions.

Third Divine Armour

On the third 'armour,' he wrote that the earthman, the faithful one on the path of Light, should put on **“the body armour of God's righteousness.”** This is very important. Righteousness is absolute faith in the Living God. When you have absolute faith in Christ, you are embedded in the portion of the righteous. Righteousness is merely credited to man by God via man's faith in God. For example, **“Abraham believed God, and it was credited to him as righteousness”** (*Romans 4: 3; New American Standard Bible*). Righteousness is different from holiness, as later explained in this treatise. Consequently, having total faith in the Blood that Christ shed on the cross, puts you on the path of victory in the field of battle.

Fourth Divine Armour

On the fourth 'armour,' Saint Paul

wrote: **“For shoes, put on the peace that comes from the Good News, so that you will be fully prepared.”**

Anywhere you go, strive by the Spirit of God within you to maintain and live in peace. That should be the shoes you put on. In it lies the victory of all those called 'children of God' over the entire network of darkness. **“Blessed are the peacemakers: for they shall be called the children of God.”**

(*Math. 5: 9.*) Remember, the children of God are those destined to overcome the forces of darkness. Peace is an armour of spiritual warfare. The Lord once told me: **“With Peace I conquer for My children.”** Thus, if you live in peace, you will have God's victory. But if you live otherwise, where then lies your victory in the battles of life?

Fifth Divine Armour

On the fifth 'armour,' he wrote: **“In every battle you will need faith as your shield to stop the fiery**

arrows aimed at you by Satan". We must come forth in the battle field against the powers of darkness in full faith that victory is ours. For ultimately and finally **"it shall be done for you as you have believed,"** (*Math. 8: 13; New American Standard Bible*). In his book, 'The Art of War', Sun Tzu, the ancient Chinese mysterious philosopher cum warrior, stated over two thousand years ago that: **"The ground of death and life is the battleground. If you go to the enemy on a ground of death you will live, while if you leave the enemy on a ground of life you will die."** However, as a true believer, you already know that our real enemy is not mere earthman but the Prince of Darkness and his cosmic network.

Sixth Divine Armour

On the sixth "armour," the Messenger of Light, the Apostle Paul, wrote: **"Put on salvation as your helmet."**

Salvation in this connection comes by total acceptance of, and submission to, the Supreme Sacrifice of Our Lord Jesus Christ. The Blood He shed is the 'helmet' of the faithful in the field of battle. We must appropriate and appreciate the 'Holy Blood of Christ' daily. Whosoever is truly covered by this Supreme Blood, the Blood of Christ, this will surely answer for him any time his name is called for evil attack in the realm of darkness. Remember: **'And they conquered him because of the blood of the Lamb.'** (*Rev. 12: 11; New World Translation of the Holy Scriptures*).

Seventh Divine Armour

On the Seventh 'armour' of the Everlasting Lord, for the victory of the saints over the hosts of darkness, Saint Paul admonished: **"Take the sword of the Spirit, which is the word of God."** When the Lord called me to the path of His Light, I also came to realize that some 'believers' do not make out time to truly study the

Word of God as revealed via the Holy Scriptures. While I was in the vicious occult, the path of darkness, I read the Holy Bible five times from Genesis to Revelation. Some 'believers' have not even done this for three times. You are expected to take time to study the Holy Scriptures, pray into your innermost being the Divine essence of God's Word; so that the Words of the Lord will rise in you as **'the sword of the Spirit.'** This is for your victory in the battles of life. This 'armour' is so great!

Eight Divine Armour

On the eight 'armour', he wrote: **"Pray at all times and on every occasion in the power of the Holy Spirit."** I have often said that there are three levels of prayer. In the lowest level, the earthman comes under the system of vicious prayer; commanding fire to consume fellow humans, amongst others. Unknown to you, but via the **'Universal Law of Homogeneity,'** this sets the most

vicious Astral forces in motion against you. Beyond this, one comes to the second level of prayer. This is the system of selfish prayer: **'O Lord give me money, wife, husband, good food'** and all that; this is not bad. The Lord may grant same, but this is selfish in certain higher spiritual terms. The third and highest level of prayer comes within the system of selfless Universal Love, as taught by Christ (*See Math. 5: 44*) This sets the Power of the Holy Spirit in motion on the highest rate. By virtue of the **'Universal Law of Reciprocal Action,'** you are the first beneficiary of this prayer, and thereby elevated beyond the reach of the powers of darkness. Stand always upon this platform of prayer, for your daily victory from the Lord! (*See 'Deeper Realities of Existence 'vol. 1,' by Prof. Iyke Nathan Uzorma*)

CHAPTER TEN BE LED BY THE SPIRIT

**“But I say walk and live
(Habitually) in the (Holy) Spirit
(responsive to and controlled and
guided by the Spirit); then you will
certainly not gratify the cravings and
desires of the flesh (of human
nature without God).”**

-Gal. 5: 16; (Amplified Bible)

The Third Divine Principle

Still on the subject matter of what the Lord called **'My Seven Divine Principles,'** remember they were specifically given by Him to keep us spiritually active and alive on the path of Light. The path of Light is the only path of victory over the most vicious Astral entities, that fight to subjugate the earthman. This path is under the 'Divine Leadership' of our Lord Jesus Christ, as revealed in the Holy Scriptures.

In the previous chapter,(*chapter 9*), I spoke of two principles out of these Seven Divine

Principles. This chapter, however, will concentrate on the third principle. Now, on the Third Divine Principle, the Lord said:

“Submit yourself solely to the Leadership of the Holy Spirit, even the guidance of the 'Governing Light' of your Lord, O you that believe in the 'Redeemer of the Oppressed,' Christ your Lord.”

Submission To The Spirit

From what the Lord told me on this Third Divine Principle of victory on His path, it is evident that the Holy Spirit is the only Power that can give man true leadership. The true believer therefore is expected by the Lord to always submit fully to the leadership of the Holy Spirit - the Spirit of the Lord. This is very important if we must be victorious in the world of man.

When the earthman comes to the point of submitting himself totally to the leadership of the **One Eternal Spirit** which is God, he would be led and guided on how to live as a true citizen, not a slave, in the Creation of his God. Then he would be led by the Holy Spirit on the path of daily and constant victory over the

GREAT DIVINE IMPACT

entire cosmic network of the most wicked forces of darkness.

Furthermore, the Holy Spirit will guide and lead him to do those things that will establish him completely on the conscious recognition of the eternal validity of Christ - the Master of Masters. He would also be led to perform the activities that attract favour, Divine favour, to the children of men.

Above all, the leadership of the Holy Spirit brings one to stand strong upon the **'Solid rock'**. It is only when you stand firm on the **'Solid rock'** that you can help the earthmen rise out of a sinking sand; otherwise you will sink with them, when you stand on the same sinking sand and try to help out.

Evidence Of Submission

Now, to be led by the Holy Spirit is a matter of utmost consideration for all humans, especially the true believer. Always bear in mind that what leads you in the journey of life, determines your victory or failure. To this end, for you to be led by the Holy Spirit means that you must subject your human brain, your human

BE LED BY THE SPIRIT

mind and senses, your mental pattern, to the consciousness and systems of Christ, the Universal Light.

This has to do with possessing the inner Divine ability, and physically demonstrating same, within the framework of the spiritual life evident in Christ whilst in the world of man. On this platform, one who has or aspires to live in the Light of God's Holy Spirit, will begin to see all situations, events, circumstances and persons, from the point of Christ. That is, from the point in which you are sincerely convinced that Christ would see them, if He was physically there.

Christ is the perfect example of the conduct, perception and recognition expected from the earthman by the Holy Spirit, in this physical system of reality. He as God (**Heb. 1: 8, John 1: 1, 14**) came as man (the Godman) to show the way to God; to show the way of victory over the devices of the Prince of Darkness. He came, in certain higher spiritual terms, to show the ultimate possibility of man. And in such terms, He became a clue to the height which

GREAT DIVINE IMPACT

the earthman will reach someday, in the endless journey of life.

Furthermore, it should be understood that Christ, playing the role of an earthman - **'The Son of Man'**- was said to have as well been filled with the Holy Spirit. And **“being full of the Holy Ghost”** -*Luke 4: 1*, He lived in the highest essence of THAT. We may or may not live in the ultimate degree of the Holy Spirit, as Our Lord did, at the moment, but we should aspire to live in the Holy Spirit by sincerely following the path of Christ.

Now, to the extent that we are sincere on this most holy path, to the extent or the degree in which we possess the Holy Spirit, to that extent shall we be led by the Holy Spirit. When Christ manifested on Earth, part of His mission also includes to practically demonstrate what it means for humans to be led by the Holy Spirit. Specifically, He displayed how to be led by the Holy Spirit. Thus, He was Himself led by the Holy Spirit into the wilderness: **“Then Jesus was led out into the wilderness by the Holy Spirit.”** -*Matt. 4: 1(New Living Translation)*.

BE LED BY THE SPIRIT

Because the Holy Spirit led Him in the world of man, to show man how to be led by the Holy Spirit, that was why **'The Son of Man'** was said then to have **“increased in wisdom and stature, and in favour with God and man”** - *Luke. 2: 52.*

How To Be Led By The Holy Spirit

Note that Our Lord Jesus Christ was led by the Holy Spirit into the wilderness. He was not led into the wilderness by mere mental speculation or by the logical analysis arising from the human brain. When you are led by the Holy Spirit, it would not be difficult for you to see and understand things from the point of Jesus Christ. His teachings, life and works are specific clues of how he sees things, persons and situations, amongst others, and on how these should be seen by us. But if you are completely bereft of the Holy Spirit, honestly it will be very difficult for you to come to this platform.

That is why the first **'THING'** man should ask from God is the endowment of His Holy Spirit, if he must be truly victorious and fulfilled, (*in God's terms not in human terms*) in his life on

GREAT DIVINE IMPACT

Earth. Speaking on the great importance of the Holy Spirit, which God expects man to ask for through prayer, Christ asked humans: **“How much more shall your heavenly Father give the Holy Spirit to them that ask Him?”** -*Luke. 11: 13.*

The big question therefore is: how should humans be led by the Holy Spirit? In other words, what is the evidence to show that one is submissive to the leadership of the Holy Spirit? First of all, as earlier stated, in any situation you find yourself, if you truly need the guidance of the Holy Spirit, then ask deep within yourself what Christ would do if He was there. Also ask deep within yourself what Christ will expect you to do in such situation. If you are sincere enough, certainly Divine guidance will flow into your consciousness from the Holy Spirit.

When Divine guidance flows from the Sole Ultimate Dimension of the Holy Spirit (***'Controller of Manifestation'***) into your consciousness, via your core identity, your spirit, please do all you can to act on it. If you do, it becomes evident, at least within that moment-point, that you were led to act by the

BE LED BY THE SPIRIT

Holy Spirit. Acting on the platform of the Holy Spirit is the sure path of consummate victory here and hereafter.

The moment you come to the point of higher existence in Light, you will dedicate your life and live completely within the framework of selfless 'Universal Love'. This kind of consciousness is evidence of a life led by the Holy Spirit. When you live in peace with all men, manifesting the Light of God to all humans, regardless of race, religion, tribe, amongst others, it means you are led by the Holy Spirit.

Again, when you sincerely forgive all those that offended you, it means the Holy Spirit is at work. If you could honestly, as required by Christ, pray for the good of all persons that wronged you, no matter the degree of their vicious acts against you, surely you are under the true leadership of the Holy Spirit.

Acting on this platform is acting on the foundation of Light. Upon the foundation of Light, darkness must flee. At this point, you are cooperating with the Absolute Spirit, the

GREAT DIVINE IMPACT

Almighty God, to bring into manifestation, in the physical system of reality, the Power of the Holy Spirit. At this point also, you are above the network of the Prince of Darkness.

The Mind Led By The Holy Spirit

One who walks with the Holy Spirit of God does not operate with double mind in his dealings with fellow men. The Holy Spirit does not give the believer a double mind. He gives a firm spiritual mind. I remember a certain night in April, 2014, that the Lord, while speaking to me on an issue brought to me by a woman of God based in Italy, said among other things:

“Harbinger of the Last Covenant, say: When one comes seeking for help, the help within your reach to give, do not subject your mind to indecision. When you waver in your mind whether to give or not to give, behold, if you render the help at last, you have no reward from Me, for the sake of your double mind. Again, if you fail to render help to the one

BE LED BY THE SPIRIT

**in need that asks from you, which
you have to give of a truth, you
will surely have My minus, for
you have failed before me”**

You must have a firm mind, the mind led by the Holy Spirit, to enable you strictly abide with the sacred admonition of Christ, which has it thus: **“Give to the one who asks you, and do not turn away from the one who wants to borrow from you.”** -*Matt. 5; 42, NIV*. To have double mind on a matter such as this, or on any matter in the journey of life, shows that one has not come under the leadership of the Holy Spirit. To this end, Saint James warned:

**“...he that wavereth is like a
Wave of the sea driven with the
wind and tossed. For let not that man
think that he shall receive anything
of the Lord. A double minded man
is unstable in all his ways.”**

-Jam. 1: 6-8.

How The Holy Spirit Works

You may have observed, if you are a true follower of the path of Light, that the Holy Spirit,

GREAT DIVINE IMPACT

from time to time, brings up situations in which lies your guidance, favour and protection. However, when you bring double mind or try to play some mental game in such situation, the Holy Spirit may transpose things to the end that you find yourself where you least expected.

In other words, when you bring double mind on a matter designed for your good by the **One Eternal Spirit**, God, be very careful because this could lead you into some predicament. The painful experience of Prophet Jonah in the belly of a great fish, that made him to say, “**I cried by reason of mine affliction**” (See *Jonah Chapters One and Two*), was the outcome of subjecting the Message of the Lord to speculation and mundane consideration. Also, the High Priest Zacharias, father of John the Baptist, became dumb at a stage in his journey of the earth-life. That predicament came as a result of mental speculation and doubt of a Message from the Holy Spirit. (See *Luke 1: 5-23*)

Now, let me also recall the experience of a certain wealthy daughter of God in this connection, who is based in Warri, Nigeria.

BE LED BY THE SPIRIT

She had a spiritual experience, a revelation, in which the Holy Spirit gave her specific instruction. The Holy Spirit directed her to give the most expensive lace material she has to the wife of her pastor. She specifically heard the Divine Voice of the Lord in this regard.

Upon waking, she began to speculate on this, bringing forth diverse mundane considerations, instead of strictly abiding by what she was told. Many of us are involved hitherto in mundane analysis on matters related to the Message from the Holy Spirit. This is a wrong path, which does good to no one.

In her pure human system of thought, the woman said to herself: **'I think if the pastor's wife needs a lace material, I could give her three lesser ones, instead of giving her "one" most expensive material.'** In her human terms, she was 'right' to herself, whilst some people will support her mental pattern along this line. But what of the terms of the Spirit Divine, the Holy Spirit? That is a different thing entirely.

GREAT DIVINE IMPACT

Now, this daughter of God concluded on her own, took three other lesser lace materials and gave to the pastor's wife. The woman of God thanked her so much and prayed for her. Few days later, the Holy Spirit told her again to give her most expensive lace to the pastor's wife. Again, she brought forth more mundane consideration by means of human limited cogitation.

Consequently, she took five other lesser lace materials to the wife of her pastor, who even thanked her more and blessed her greatly. Few days after this, the Holy Spirit spoke to her the third time in a night, saying: **“As you have failed to give out your most expensive lace which I directed, that My Finger be raised against untimely death on a fruit of your womb, I will by My mercy raise My finger against that spirit of death; but I will surely, even now, descend in a manner strange to you and take away your things with the lace.”**

That same night, within an hour from the moment the Holy Spirit spoke to her the third time, five armed robbers invaded her house.

BE LED BY THE SPIRIT

The thieves carted away some of her properties including that most expensive lace material. This was used by the Lord to take away death from one of her children.

Listen To Your Spirit

Remember we are dealing in this chapter on the subject 'Be Led By The Spirit'. Everyone has the capacity to listen to his spirit. Your spirit is your core identity, which is a concentrated unit-portion of the Universal Spirit, the Holy Spirit of the Almighty God. Listen to your spirit; it is the framework via which the Holy Spirit speaks to you from within yourself. The Holy Spirit speaks to everyone, but not all have the ears to hear.

If you are on the path of Light, it is easier for you to understand when the Holy Spirit speaks. Just obey and you will not be led astray. The message impression within, coming to you from the Holy Spirit, passes through your spirit. Your spirit in turn passes same via four normal faculties of the mind, which again passes same through different layers of the self to the physical aspect that you know.

GREAT DIVINE IMPACT

If you are not on the path of Light, it may be difficult for you to hear when the Holy Spirit speaks. This is so because some powerful forces of darkness can invade your mind, block the message impression coming to your spirit from the Universal Holy Spirit, form the fifth abnormal faculty of the mind, plant their own message impression from there to the physical aspect generally known. There are many facts to be explained in this, but that is not the subject of this book. You will understand this better in my book, **'Deeper Realities of Existence 'vol. 1.'** Suffice it for now to say that every human has the propensity within his consciousness to listen to the Universal Spirit of God.

Multitudinous Forms

When the Holy Spirit leads your life in the world of man, whatever that projects psychic attack against you, will see the Spirit of the Lord not you. I say this by my experience, past and present. Any vicious spirit, any element or power of darkness that meets the Spirit of the Lord in a battle, will surely be vanquished. The victory of the Holy Spirit, the Supreme Spirit of all spirits, the One Eternal Spirit of the Lord,

BE LED BY THE SPIRIT

over all vicious powers in the Universe, is as sure as daylight.

The Holy Spirit can take any form to accomplish anything in the physical, metaphysical or spiritual realms. After Christ was baptized, the Holy Spirit came forth in the form of a dove, to shower greater Light upon 'The Son of Man.'

“And Jesus, when he was Baptized, went straightway out of the water: and, lo, the heavens were opened unto him, and he saw the Spirit of God descending like a dove, and lighting upon him.” -Math. 3: 16

The form of a dove is not the only form the Holy Spirit takes. When Christ revealed Himself as **'the Lamb'** in the Bible Book of Revelation, upon that Lamb, the Holy Spirit took the forms of seven eyes and seven horns; **“...and in the midst of the elders, stood a Lamb as it had been slain, having seven horns and seven eyes, which are the seven Spirits of God sent forth into all the earth” -Rev. 5: 6**

GREAT DIVINE IMPACT

The Holy Spirit can take the form of a man; I have seen Him in that form several times. He can take the form of a woman; I have often seen Him in that form, even as an old woman as tall as from the ground beyond the first layer of the sky. He can take the form of a fish, serpent, Angel, fly, water, child, tree and unlimited multidimensional forms, to do whatsoever he wishes to do, in any realm of the Universe.

It was the Holy Spirit, the Spirit of the Lord, that took the form of Serpent via the rod of Moses of ancient Israel. The great spirits of the occult dimension, operating via the esoteric masters of ancient Egypt, also transformed their rods into serpents. But the Holy Spirit, in the form of a Serpent (*the rod of Moses*), swallowed up all the serpents of the occult at that time. This was to physically demonstrate the Power above powers.

Protector Of The Faithful

Now, there was a day in Warri, Nigeria, that an agent of darkness, because of the temporal material things of this world, became highly exasperated with a messenger of Light. The

BE LED BY THE SPIRIT

child of God refused to abide by his terms, for such terms were abominations to Christ, the Lord of Light. Consequently, the vicious one took cutlass and began to chase the one whose protection lies only in the Holy Spirit.

It was like a drama as the 'wicked' pursued the 'righteous' along the street. The believer was running and shouting 'the Blood of Our Lord Jesus Christ.' Then something strange happened. The Holy Spirit, the One Eternal Spirit of the Almighty that is everywhere at all times, took the form of a fly to salvage the faithful.

“The Divine fly”, the Spirit of the Lord that appeared as a fly, went straight and struck the eyes of the wicked man chasing the child of God with cutlass to slay him. Under serious pain, arising from the attack of the fly on his eyes, he fell on the ground whilst seeking the help of the children of men. This enabled the child of God to finally escape to safety. Meanwhile, the wicked one became blind from that moment. The Holy Spirit is the Redeemer of the Oppressed and the Protector of the Faithful.

GREAT DIVINE IMPACT

Remember, as recorded in the Scriptures, how King Saul of ancient Israel sought by all means to take the life of David, the chosen one of the Lord Jehovah. David at a stage ran to take refuge under Prophet Samuel and they both stayed at Naioth in Ramah. On three occasions King Saul sent his men there to take the life of David; in each of these the Spirit of God came upon them “and they prophesied.”

The Spirit of the Lord, Protector of the Faithful, acted in this manner solely to salvage David. The Holy Spirit acts in diverse manners to protect and guide the chosen ones on the path of Light. Now, when King Saul heard what happened to the people he sent after David, he prepared himself and went there personally to kill him. Nevertheless, the Spirit of God as well came upon him, **“and he stripped off his clothes also, and prophesied before Samuel in like manner and lay down naked all that day and all that night.”** Thus, by this means, the Spirit of the Lord gave victory to the messenger of Light. (See 1 Sam. 19: 18-24)

Guardian Of Believers

In another occasion, there was a day that a

daughter of God got a strong ministration, deep within herself from the Holy Spirit, instructing her to **“take your important things and leave this house now.”** It was around 3am. At first she did not take it serious, but when it was strongly repeated three times within ten minutes, she took few important things and left the house. By 5am, that building collapsed whilst everyone in it died.

If the Holy Spirit must protect you, guide you, fight for you, you must listen to Him always. The Holy Spirit will never direct you to do what is completely impossible, but He can direct you to do what is very difficult. Recently, the Holy Spirit gave me a task that seemed difficult in human terms. As I was praying about this, I was caught up in the Spirit and I stood in the presence of the Lord of Lords. He said to me:

**“Harbinger of the Last
Covenant, when I instruct one
to do a thing, even to climb to the top
of a tall building which, has no staircase
and no ladder, let him not stay in one
place thinking of how to obey Me. Let him
move towards the building, with full faith**

GREAT DIVINE IMPACT

**in Me that he will climb it. Then, behold,
upon his getting to the building, I will
surely provide the means for him to climb
same; the staircase, the ladder, and more
than these, I will surely provide, O
Messenger of the
Covenant.”**

CHAPTER ELEVEN

FUNDAMENTAL DIVINE IDENTITY

**“Nevertheless I have
somewhat against thee,
because thou hast left
thy first love”**

-Rev. 2: 4.

The Fourth Divine Principle

On the Fourth Divine Principle of the Almighty God, set forth to establish the children of men on the Eternal Path of Light, the Lord said to me: **“O son of man, say to the faithful in Me, your Lord: walk by My Divine ordinance, in the Light of My Love, that comes in the perfection of My Spirit; and behold, you will be victorious; surely, you will come to Me.”**

The foremost Divine ordinance of God for the earthmen is, firstly, total and absolute faith in Christ, the **Everlasting King of kings and Lord of Lords**; secondly, the practice of selfless Universal Love.

To this end, Love is the prime identity showing in all the realms of existence, including the

GREAT DIVINE IMPACT

world of man, that the earthman is fixed upon the foundation of Light laid for humans by our Lord Jesus Christ. It is the bonafide evidence that one has the Spirit of Christ in him; that one has truly received Christ; that one is a true disciple in the sacred lineage of Jesus of Nazareth; that one has come to the platform of existence in the Christ Consciousness. Our Lord Himself did admonish:

“Ye have heard that it hath been said, Thou shalt love thy neighbor, and hate thine enemy. But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you”

-Math. 5: 43, 44.

The Core Essence Of Love

In our time, I have learnt from great Angelic Beings in the higher realms of God's Light that, **Love is a Supreme Divine Force.** I have learnt from the Heavenly realms that Love constitutes the **'Supreme Third State Expression of the Infinite Initial Creative Power of the Almighty'**. The **'First'** was the

FUNDAMENTAL Divine Identity

'Stage' before the **'Beginning'**, wherein the Power of the One Eternal Spirit, God, existed in potential state.

Then came the **'Second Stage'**, wherein the One Eternal Spirit, the Almighty God, brought forth HIS specific Divine Forces into, and to activate, the primordial **'First state'** of potential; that the **'First Stage'** will rise and bring forth manifestation. The aforementioned 'Forces' of the Almighty God in this regard include **'Divine Will, Divine Mind, Motion and Sound.'** Whatever exists in the physical, metaphysical and the spiritual Universes of God, including all that we know and will ever know, all that we see, will ever see and will never see or know, are completely within this God's Divine framework of manifestation.

The **'Third Stage'** expression of the First Cause, the One Eternal Spirit of the Almighty God, as I was taught by the Wise and Ancient Ones (*Great Angelic Beings*) of the higher realms of God's Eternal Light, is the Supreme Force of Universal Preservation. This Supreme Force came forth at the **'Third Stage'** of the **'Infinite Initial Creative Power'** of the

GREAT Divine IMPACT

Godhead. It stood for the preservation of all that exists in the entire Universal Systems; It is this Supreme Power that we know as Love, Divine Love. Now, all the three stages within the Supreme Consciousness of God, are simultaneous and instantaneous, as I learnt.

Therefore, we must know that Love is the Supreme Power of God that exists as a 'THING,' consummate, real, valid and specific **Divine Energy**. It is there, everywhere, for us to tap from. We tap from It when we project selfless thoughts, words and actions of Love to others. When we show forth Love, through the '**Universal Law of Reciprocal Action**', we receive Love and have it multiplied in our consciousness. Love is the only Universal Power that increases Itself by Itself.

If you show forth Love and It is rejected, the potency of that Love will return back to you, be multiplied four times and go back to your initial target, until it prevails. Nothing can permanently block the potency of Love, absolutely nothing. It is the final and the consummate weapon of the saints. That is why everyone should know that the best way,

FUNDAMENTAL Divine Identity

the easiest way, to overcome the entire network of the forces of darkness, is to strictly abide by the Divine admonitions of Our Lord Jesus Christ, which has it that:

**“But to you who are willing to
Listen I say, love your enemies! Do
good to those who hate you. Bless
those who curse you. Pray for those
who hurt you. If someone slaps you on
one cheek, offer the other cheek also. If
someone demands your coat, offer your
shirt also. Give to anyone who asks; and
when things are taken away from you,
don't try to get them back. Do to
others as you would like them
to do to you”**

-Luke 6: 27-33; Topical Study Bible

Seal Of Victory

Some deeper aspects of the mysteries of Love, based on information coming to the world of man, in our time, from the higher realms of God's Light, are well explained in my book, **'Deeper Realities of Existence, Vol. 1'**. Our Lord Jesus Christ impressed it upon the earthman the spiritual imperatives of the

practice of Love, as the consummate seal of victory in both the journey and the battles of life. The saints of old, following the path of Christ, understood the Divine essence of this, both for victory, elevation and guidance. Now, consider the sayings of Saint Paul and Saint John in this regard:

**“Bless them which
persecute You: bless, and
curse not...Recompense to no
man evil for evil. Provide things
honest in the sight of all men.”**

-Saint Paul, Rom. 12: 14, 17.

**“Beloved, let us love one another:
for love is of God; and everyone that
loveth is born of God, and knoweth God.
he that loveth not knoweth not
God; for God is love”**

-Saint John, 1 John. 4: 7, 8.

The Potency Of Love

True Love is God in action. Love is God and God is Love. Thus, living in Love means manifesting the potency of God. This empowers you to live within the framework of absolute spiritual freedom. By this also no

FUNDAMENTAL Divine Identity

element and vicious Astral force in the Universe will have dominion over you. This is because they will all recognise the radiation of the Divine Energy of Love, the **Third Degree of the Infinite God**, in your consciousness. True Love has no end. When you say you love a person, but changed your mind later and stopped loving that person, I tell you, what you had at first is not the Love we are talking about, which is God Himself.

There is this story about two friends, Uche and Alusi (*not real names*) that shows how true Love works. Uche came from a wealthy family while Alusi had a poor background. They both attended the same primary school in the city and were good friends. In the course of time, Uche graduated from the university, went to Europe, came back to Nigeria and became wealthy. As for Alusi, he returned to his village from the city, with his parents, after his primary education.

Events and circumstances separated the two friends. After some good number of years, they got married and had children. Uche had three children while Alusi had six. Uche strictly

GREAT DIVINE IMPACT

followed the path of true Love which Christ demonstrated in the world of man. Thus, he used his wealth to selflessly uplift the poor; he was an agent of Light. On the other hand, Alusi was so poor in the village that he could hardly feed his family, even as his hunting and farming activities did not flourish.

One day Uche remembered Alusi, his childhood friend. With great effort he traced him to the village. Finally, he relocated Alusi with his wife and children to the city, gave them a mansion in his compound, opened a big business for him and paid over one million dollars into Alusi's bank account for personal use. All these he did in Love, to support his friend and encourage him to be firm on the path of the Lord.

Now, after some time, Alusi began to harbour a vicious thought of envy towards his friend and benefactor, Uche. This vicious thought intensified to the extent that he poisoned Uche with the intention to kill him. Then Uche became seriously sick. Now, Alusi who poisoned Uche was the same person taking Uche in pretense to diverse places to be cured.

There was a herbal healing centre he took Uche to, but before he took him there, he went alone to see the healer.

Alusi told the healer secretly that he was bringing his sick friend for the healer to pretend that he would cure him and finally kill him in the process. He promised to pay him twenty million naira if he would do that. At the same time he made advance payment of ten million naira for the death of his friend. Meanwhile, the healer was astonished but decided to play along. He told Alusi to go back with the money and come back with it while bringing his friend. He also told him that his friend will first sleep in the healing centre for a night to enable him consult the gods on how to take his life.

The morning after Uche had passed the night there, Alusi came as directed by the healer; that was when he finally promised to collect the money from him. Before Alusi came, the healer covered Uche with blue, red and yellow clothes (*making him to appear as a shrine*) on a certain corner of the healing centre. He told Uche to be patient and listen to what Alusi was going to say when he comes.

GREAT DIVINE IMPACT

Now, when Alusi arrived, the healer told him to go and present his case against Uche to the gods, after which Uche would die. Consequently, he took Alusi to the 'shrine of the gods', which was Uche in disguise. There, the healer told him to repeat all he said against Uche, which he did. The healer told him to bring the part payment and place it before the 'shrine' and this was done.

At this point the healer told him that the gods demand to know the wrong that Uche did, after which they will strike him dead. Alusi said the only wrong of Uche was having more wealth than him and being the one giving him money instead of himself being the one helping Uche. *(Dear reader, this is how the earthman's vicious mind works; a mind covered by the elements of darkness)*. As Uche could no longer bear all these, he removed the clothes, came out of the disguise and stood before Alusi his friend. Alusi was bamboozled.

At last Uche told Alusi that, though he (*Alusi*) followed him (*Uche*) with a wicked heart, he will continue to Love him till death. **(That is how true love works)**. And from his heart of hearts

he forgave Alusi. That moment also a miracle occurred. Uche received Divine healing from the Lord and was completely made whole. He later understood that the Lord allowed the poison to affect him in the first place, because of all that the Spirit of the Lord set forth to achieve through it; to expose and transform the vicious heart. (See the book, **'Know Your Enemies Watch Your Friends,'** by lyke Nathan Uzorma)

On the day that Uche did thanksgiving, to praise the Lord for His goodness, love and mercy, Alusi did not attend because of shame, though he was invited. Uche still went to him, pleading that he should not spend his life in shame; that he still loves him very much and that the Lord loves him more. It was at this point that the **'High Spirit of Love'** came upon Alusi. He became truly converted to the path of Light. The Power of Love came forth and banished all the elements of the dark mind; then Alusi was saved; then Love, which is God, completely conquered darkness. From that day, Uche and Alusi lived together in the true Love of the Almighty God.

GREAT Divine IMPACT

Now on this note, I remember what the Lord told me some years back on how Love works, on what Love does. I learnt from the Lord that when you show forth true Love to a person encapsulated by vicious mind, either one or two things will happen. First, the Love flowing from you could transform the vicious mind at a stage and bring same to the path of Light. Second, the Love flowing from you to a vicious mind, will at a stage if the vicious mind continues to intensify, totally ruin the person who has the vicious mind. In either case, true Love must reach the target for the fall or for the rising of a vicious one. Therefore live in Love and you will quicken your journey towards God; by this your victory over all the powers of darkness is as sure as day light.

CHAPTER TWELVE

GUIDING PRINCIPLES OF LIGHT

**“For it is God which worketh in you
both to will and to do of his good
pleasure” -Phil. 2: 23.**

The Fifth Divine Principle

The Lord spoke to me of His Fifth Divine Principle, for all that walk on the path of the foundation of His Light, saying: **“Say also to the faithful in Me, your Lord: Walk joyfully and peacefully in the work of My Vineyard. O you that believe, walk in the Light of My Righteousness and be holy; son of man, behold, the guidance of My Eternal Spirit manages all the affairs of the faithful.”** We must understand that, in general terms, the whole world including all the physical, metaphysical and spiritual universes of God, constitute the great Vineyard of the Almighty.

It follows that any work you do in the world of man, if you are on the system of Christ, you are working for the Lord in His Vineyard. As long as

GREAT Divine IMPACT

the fruits of your labour, the work you do in any part of the Earth, go to the Almighty in Love via His empowered messengers on Earth, you are a true worker in His Vineyard. As long as you are committed to the things that promote Love, Peace and Mercy, in the consciousness of Christ, you are a worker in God's Vineyard. As long as you spend your time, energy and material things in support of the things of the Kingdom of Light, Christ, then whatever work you do, you are a worker in the Vineyard.

Joy And Peace

Now, in specific terms, there are persons called by the Lord into the full-time service of His Vineyard. I am speaking here of the Divine Messengers made by God, not the hired 'Messengers' made by men. These empowered Messengers serve, in God's terms, as His bonafide representatives on the physical realm of Earth.

However, both the full-time and non full-time workers in the Vineyard of the Lord, are expected by the Lord to work '**joyfully and peaceably**' for the growth of the Lord's Kingdom on Earth. Whatever that takes away

Guiding Principles Of Light

your joy will as well steal your peace. When this is done, you will lose the spiritual balance required for the Lord's Divine Protection. You must guard against this.

Without peace nothing works well to the glory of the Holy Spirit. True peace comes only from the Spirit of the Lord. Also, joy comes only from the Holy Spirit. Joy is different from happiness. Happiness comes to the mind of man when something happens to him that makes him happy. Often, however, what makes the mind happy are based on the temporal material things of life. Such things may include money, car, house, marriage, election victory, mundane love-affair, school graduation, good job offer, good food, new child, film-show, wine, good clothes, football victory, journey, amongst many others.

When any of these comes to man, his heart becomes happy. But such happiness is not permanent; it will expire for as long as it is rooted on that which is temporal. Nevertheless, this is not the case with joy coming to the heart of man from the Spirit of the Lord. Joy flowing into your heart from the Holy Spirit, makes your

GREAT DIVINE IMPACT

heart permanently joyful in the Lord, and truly happy for the Finger of God upon you, irrespective of circumstance.

This state of consciousness gives the mind inner peace, in the full knowledge that all your affairs are managed by the One who made you. Thus, you do not see any basis to be fastidious. As a matter of spiritual fact, a true child of God's Divine Light is expected to be joyful always. This sets him in motion to receive the necessary guidance, victory and protection of the Almighty. This serves also as a further evidence that, regardless of where you may be, you are in God's Omnipresent Kingdom, partaking in all the inheritance thereof.

**“For the Kingdom of God
is not meat and drink; but
righteousness, and peace, and
joy in the Holy Ghost.”**

-Rom. 14: 17

At any time your inner heart lacks joy, the joy of the Lord your God, you will certainly be bereft of peace, for joy and peace go together. At this point, your own mind will become your number

Guiding Principles Of Light

one enemy. Then whatever negative thing that happens to you, arising from this poor state of mind, you must say to yourself that you ruined yourself.

To one who is truly on the path of Light, his mind is his number one friend; but this is not so for those solely captivated by the path of the mundane. On this lower path, the human mind is disoriented from time to time, making one's mind his enemy. Also note that a disoriented heart, the heart without joy and peace, is highly susceptible to the psychic attack of the most vicious Astral entities.

Again, it is a known fact that whatever takes away your peace and joy, comes strictly from your considerations of the mundane things of life; such will never come when your heart is fixed on considering things of God's Light, never! The Lord knows the importance of peace, for your victory in the battles of life. He gives peace, not the opposite of it. Because without peace, you can't excel in His Light. He did say:

“Peace I leave with you, my

**peace, I give unto you: not as
the world giveth, give I unto you.
Let not your heart be troubled,
neither let it be afraid."**

-John. 14: 27

Righteousness And Holiness

Apart from working in joy and peace in His Vineyard, which the Lord brought forth in His **'Fifth Divine Principle,'** as He spoke to me, He also admonished the faithful: **'Walk in the Light of My Righteousness and be holy.'** Now, it is important that we understand the essence of this Divine admonition. This is an important subject matter that should be well understood by the faithful messenger of the Lord. In certain spiritual terms, every child of God is a 'messenger of Light.'

Now, when we talk about righteousness and holiness, we are talking about one thing in a relative sense and different things in the absolute higher spiritual sense. In some occasions in the Holy Scriptures, holiness is used as righteousness, that is in the sense in which they are relatively one. While in some occasions, both are separated for what they

Guiding Principles Of Light

are, for what each stands in the light of specific absolute reality.

Holiness, simply expressed, is the quality of being holy. This has to do, with what it stands for, in spiritual terms, with the conduct of a sanctified heart, showing forth in the character of a person that he is on the path of Light. This also has to do, in mundane terms, with the character of a person, whose heart may not be truly sanctified, but who is able to act before people in such a way that they consider him religious. In either case, holiness is evident in a person's general way of life, as seen by others.

The word 'righteous', on the other hand, is defined by 'The New Lexicon Webster's Dictionary' as **“conforming to or in conformity with the moral law.”** This is a good definition in general human terms, but feeble in approximation to the Divine reality of the Holy Scriptures. As far as the Divine essence of the Scripture is concerned, righteousness in absolute sense of spiritual reality is consummate faith in the Lord of the Universe. In other words, when you have total

faith in the Lord, the Lord puts His righteousness upon you on the basis of that faith. This also automatically fulfills the Lord's holiness upon you, within the framework in which it is relatively one with righteousness. The Lord once said:

**“For I say unto you, that
except your righteousness shall
exceed the righteousness of the scribes
and Pharisees, you shall in no case enter
into the kingdom of heaven”.**

-Math. 5: 20

True Righteousness

The 'righteousness' which the Lord spoke about here, is on the absolute not on the relative sense. The failure of the Scribes and Pharisees to have total faith in Christ, completely defeated their proclaimed 'righteousness' in its relative oneness with holiness. Though these religious officials of the Jews were involved in diverse 'holy' act, they could not be elevated to the higher realms of Light (*'the kingdom of heaven'*) for lack of faith in the Living Christ, the true essence of righteousness.

Guiding Principles Of Light

It follows that all those who will be led by Christ into 'The Kingdom of Heaven,' are they whose righteousness have risen beyond the righteousness of the Scribes and Pharisees, as spoken by the Lord. Now, one of such persons was the robber on the cross, to whom the Lord said: **“Verily I say unto thee, today shalt thou be with me in paradise”** -*Luke 23: 43.*

That this robber came forth with the Lord into a heavenly state after physical death, due to the strong faith which he had in Christ, within that moment of his dying condition, clearly shows the reality of righteousness which comes solely by faith in the Lord. It also shows, in the reality of the sayings of our Lord Jesus Christ, that the righteousness of that robber, just within a moment of time, exceeded the righteousness of the Scribes and Pharisees. Because this was so, that was why he finally entered into Paradise. Thus, that robber is a real example of what true righteousness, which the Lord puts on a believer, is all about.

Again, speaking to those who have total faith in

Him, the Lord said that **“their righteousness is of me”** -*Isa. 54:17*. This means that He puts His righteousness upon those who believe in Him, as in the case of the aforementioned robber. Even as **“Abraham believed God, and it was counted unto him for righteousness”** -*Rom. 4: 3*. It is thus evident that on the matter of righteousness, especially its absolute aspect, God is the determinant.

God determines who is righteous and who is not. He puts His righteousness upon whoever He wills; also He does the opposite on whoever He wills. The factor that shows that God has granted His righteousness upon you, is your absolute faith in Him. As far as this is concerned before the Almighty God, our so-called 'holiness' does not count.

When the Almighty God puts His righteousness upon you, your faults, human limitations, sins and iniquities are completely forgiven, covered and wiped away. **“Blessed are they whose iniquities are forgiven, and whose sins are covered. Blessed is the man to whom the Lord will not impute sin”** -*Rom. 4: 7, 8*.

Guiding Principles Of Light

King David of ancient Israel was such a man. Regardless of his sins and great iniquities, he remained in Divine terms, a **'man after God's Heart,'** because of his absolute faith in the Almighty Jehovah. Also, Saint Peter denied his Lord out of human fear; he as well performed the unholy act of cutting off the ear of an earthman. These were forgiven and covered, to the extent that he even became the head of the Lord's Apostles in Jerusalem. The case of Judas was different; he betrayed his Lord and perished. The Scripture explains the basis of these as follows:

**“So then it is not of him that
Willeth, nor of him that runneth, but
of God that sheweth mercy.... Therefore
hath he mercy on whom he will have
mercy, and on whom he will he
hardeneth”.**

-Rom. 9: 16, 18.

God' Righteousness Upon David

On the matter of **'God's Divine Righteousness'** upon a person, the case of King David comes up again as a true example. David was a man who truly loved Jehovah God

GREAT DIVINE IMPACT

with all his heart and strongly believed in Him. Faith goes with Love and Love goes with Faith. You Love what you believe in; you believe in what you Love. The foremost commandment given to the great Prophet Moses for the earthmen, was based on Love for God, which also entails absolute faith in the Almighty:

**“And you must love Jehovah
your God with all your heart and all
your soul and all your vital force.”**

*-Deut. 6: 5; New World Translation of the
Holy Scriptures*

David did not fail in this regard. However, in human terms some of his actions were highly repulsive. For instance, because of his

mundane desire to become a son-in-law to King Saul, David killed two hundred people, cut off their foreskins (*the loose piece of skin that covered the end of their penis*), gathered them and brought to Saul as bride price. (See 1 Sam. 18: 27).

Again, while David was hosted for safety by King Achish at Gath, he betrayed his host,

Guiding Principles Of Light

robbed some villages of his host wherein he killed all men, women and children to cover up the crime. Thereafter he lied to his host that he raided some villages in Israel. (See *1 Sam. 27: 8-12*). Furthermore, he lusted after Bathsheba, the wife of Uriah, committed adultery with her, pregnant her, brought about the death of her husband by high manipulation and finally married her. (See *1 Sam. 11: 1-17*). With all these, amongst others, David was salvage solely by his faith in, and love for, Jehovah God.

Even after his death, the Lord still spoke of him, while rebuking King Abijam of Judah for being unrighteous, that Abijam's **“heart was not perfect with the LORD his God, as the heart of David”** -*1 Kings. 15: 3*.

Also, while rebuking King Jeroboam of Israel for being unrighteous, the Lord said: **“you have not been like My servant David, who kept My commandments and who followed me with all his heart, to do only that which was right in My sight”** -*1Kings 14; 8; (New American Standard Bible)*. Still after the earthly demise of David, there were occasions that the

Lord did good to certain persons solely for the sake of David. (See *1 Kings 11: 32; 15: 4, 2Chron. 21: 7*).

Sum-Total Of God's Work

The foregoing is not in any way designed to encourage anyone to follow the path of the mundane activities of David. David, in his mundane doings, is not our perfect example; the Son of Man, Jesus of Nazareth, is our perfect example. Nevertheless, David merely stands as a case study on how the **Spirit of Righteousness** by faith in God works, specifically when the Lord imputes His Righteousness upon anyone He wills to do so. On such a person, his sins and iniquities are **'completely eaten off,'** as I learnt from the Lord. Thus, solely by God's Divine Mercy, he stands before his Lord as a **'faithful one'**. To stand as such is the consummate aim of life.

Now, I have said that righteousness, in its absolute aspect, comes by faith in God who imputes same upon man. I have also said that **'absolute faith in God'** is synonymous with **'true love for God.'** Therefore, whatever work of God you do, if it is not based on your faith in

Guiding Principles Of Light

the Lord, if it does not come from the inner heart of Love for the Lord, if it is based on the mundane intention for the earthmen to appreciate you, then you have failed.

If you build churches for the Lord without total faith in Him, you have failed. If you write great religious books but without total faith in the Lord, you have failed. If you lead the network of several churches on Earth but do not sincerely believe in Christ from your heart of hearts, you are unrighteous. If you possess the entire chapters and verses of the Holy Scriptures within you, even to the extent that you proclaim them all, if you do not believe solely in the Lord of the Universe, you will not rise into the higher realms of Divine Light.

Furthermore, if you have such religious title as Apostle, Prophet, Pastor, Pope, Bishop, Archbishop, Elder, Deacon, Evangelist, amongst others, but falls short in putting all your faith in the King of Kings and the Lord of Lords, you are still outside the Kingdom of God. We may recall when certain persons came to ask Jesus Christ what the work of the Lord was all about, what one will do to be seen by God as

doing the work of God. In His response, Christ summarized what constitutes the work of God in specific terms. We found this in Saint *John's Gospel, chapter 6 verses 28 and 29* as follows:

**“Then said they unto him,
what shall we do, that we might
work the works of God? Jesus answered
and said unto them, this is the work
of God, that ye believe on him
whom he hath sent”.**

Be Holy

In this 'Fifth Divine Principle' the Lord, while directing us to walk in the light of His righteousness, also admonished that the faithful should be holy. In this treatise I have stated that righteousness and holiness are relatively one but absolutely different. As I was taught in the Spirit by the Lord, righteousness comes first, giving birth to holiness.

I have been taught by the Lord that righteousness, in its absolute aspect, which is total faith in the Lord of the Universe, is completely imperative for everyone on the path of Light. While your good works, your holy life,

Guiding Principles Of Light

your holiness in its absolute distinct aspect, is seen by the Lord merely as your appreciation of His act of putting His righteousness upon you by His mercy. Remember: **“Faith, if it hath not works, is dead”** -James. 2: 17.

This is not automatic, however, for there are some important considerations. For instance, if you think that by your holy life you have become better than others; that because of your holy life the Almighty will give you special attention over others; at that point, that your so-called holy life becomes a filthy rag before the Lord. However, if while living a holy life, you still lie low in humility before God and man, you do not in your heart count yourself better than others; you stand lifted by God in the journey of life.

Now, to show the absolute difference of righteousness and holiness, the Lord said: **“He that is righteous, let him be righteous still: and he that is holy, let him be holy still:”** -Rev. 22: 11. This shows that righteousness and holiness are separate things in specific absolute terms, but one in relative terms. Their relative oneness is like

GREAT DIVINE IMPACT

when we talk about levels of consciousness. When we say consciousness, sub-consciousness, super-consciousness, absolute-consciousness and all that, these are states in general terms of one's consciousness. Nevertheless, each is different on its own within certain range in the intensity of experience

Consequently, when the Lord demands that we should be holy, it simply means that we should live a holy life. Thus, we have to experience the holy life on the absolute aspect of itself in which it is separated from righteousness, or total faith in the Lord. Your holy life must be seen not as the basis by which you are saved by the Lord. By it, you are appreciating the righteousness placed upon you via God's mercy and special grace. Also, you are by it showing forth God's Light to the earthmen, that those watching your conduct, as you manifest God's Light in your actions and words, would glorify the God of gods, using you as a reference point. To this end, the Lord admonished:

“Let your light so shine

**before men, that they may see
your good works, and glorify your
Father which is in heaven.”**

-Matt. 5; 16.

Too Much Holiness

Furthermore, strictly speaking on the relative aspect in which righteousness and holiness are one and stand for each other, the Holy Scriptures warn the earthman against following the foolish path of too much holiness. The Scripture says in this regard:

**“Be not righteous over
much; Neither make thyself
over wise; why shouldest thou
destroy thyself.”**

-Eccl. 7: 16.

**“For I say, through the grace given
unto me, to every man that is among
you, not to think of himself more highly
than he ought to think; but to think
soberly, according as God hath dealt
to every man the measure of faith.”**

-Rom. 12: 3.

GREAT DIVINE IMPACT

I know a believer who lived in the church vestry with the pastor. While living with the pastor, he did some bad things unknown to the pastor. However, one Sunday he confessed his sins before the entire congregation. Thereafter, the pastor and the church elders held a meeting in this regard. Finally, they decided to cast the brother away from the church. Again, a pastor once met me to complain how his senior pastor suspended him from his pastoral work, for the 'sin' of using clip on a tie, which the church considers to be both worldly and sinful.

In some churches, it is considered sinful for a man to have handshake with a woman. I know a lady pastor who, without specific directive from the Holy Spirit, entered into dry fasting for ten days (*without water or food, day and night for a projected period of ten days*). Before she began, she announced same to the congregation, telling them that she wants to possess the Power of Elijah and the high Spirit of holiness. Her husband warned her, by the Spirit of the Lord, not to go ahead with that; she rebuked him and started the fasting. On the eight day of the fasting, she died.

Guiding Principles Of Light

In *Eccl. 7: 16*. earlier quoted, the 'New American Standard Bible' has it thus: **“Do not be excessively righteous and do not be overly wise. Why should you ruin yourself.”** The word 'righteous' here actually comes into the relative system in which holiness and righteousness are one. To this end, it is holiness that is meant here and in some related places of the Scriptures. The aspect in which righteousness stands for absolute faith in Jehovah God and His Christ is highly encouraged and cannot be too much. Christ even expects our righteousness to far exceed that of the religionists of His time, including our time.

However, too much holiness is not encouraged, rather it is condemned. (See *'Know Your Enemies Watch Your Friends,'* by the author of this book). Holiness has a specific standard set by the Holy Spirit for man, for a true believer. Living within the framework of this standard is normal and expected by the Lord. Too much of it therefore is when you add your own, (*your individual, family or church holiness*) to the standard set by the Lord. Whatever that is added to the standard of

GREAT DIVINE IMPACT

God's holiness expected of human, becomes mundane and excessive holiness that could ruin man in certain terms.

Standard Of Holiness

The Divine standard of God's holiness required from a true believer entails, in the first place, that you should mind your business and judge no one. A holy spiritual life is embedded in the consciousness of simple living and proper thinking, as well as in the recognition of live and let live. A holy one does not bear grudge at all; he loves everyone and hates no one. When you judge and condemn others, that is not the path of a holy life. Christ warned:

**“Judge not, that ye be not judged.
For with what judgment ye judge, ye
shall be judged: and with what measure
ye mete, it shall be measured
to you again.” -Matt. 7: 1, 2**

A holy one can easily forgive others. He is not over wise, that is using the wisdom of man in Divine matters of the Lord. But he has the wisdom of Light which guides him with spiritual understanding. He understands deeply that

Guiding Principles Of Light

when you judge and condemn others, you automatically share in the burden of their faults or sins; he knows that this increases the burden of those that judge others. Simply expressed, the highest standard of holiness for man is : 'Humble yourself before the Lord and count others better than yourself.' Now, remember what the Lord said to me in this fifth Divine Principle:

**“Say also to the faithful in
Me, your Lord: Walk joyfully and
peacefully in the work of My Vineyard.
O you that believe, walk in the Light of My
Righteousness and be holy; son of man,
behold, the guidance of My Eternal
Spirit manages all the affairs
of the faithful.”**

The Sixth Divine Principle

On the 'Sixth Divine Principle' for the faithful, that keeps one active in the Almighty, the Lord said to me: **“Again, say, o son of man: Let the believer in the King of kings and the Lord of Lords always live in the full knowledge of his place and position in the One that shed His Blood to save your**

world.”

Certainly, knowledge goes with awareness; full knowledge encapsulates full awareness of such. Now, the Lord expects the true believer to live always in the full knowledge of his **'place'** in Christ. The place of a believer in the Lord is **“the secret place of the Most high”** wherein we **“abide under the shadow of the Almighty”** -*Psalms 91: 1*

Again, we are expected to have knowledge, the full awareness of our 'position' in the Lord of Righteousness, who saved the world with His Blood. Our position in this connection is the high but humble position of existence in God's Divine Grace. **“For by grace are ye saved through faith: and that not of yourselves: it is the gift of God: not of works, lest any man should boast”** -*Eph. 2: 8, 9*. The entire Seven Divine Principles given to me by the Lord, to guide the faithful on the path of Light, are totally united.

For instance, when you become fully aware of your place and position in the Blood of Our Lord Jesus Christ, you will listen to your Lord. The Lord speaks in diverse ways, including from

Guiding Principles Of Light

within your core identity, your spirit. And if you have the ear to hear, you will know when the Lord speaks. To begin with, you must listen to your spirit, to the Spirit of the Lord within you, as earlier stated in this book.

Obey The Lord

The Lord could speak to you to guide you towards the recognition of your place and position in Him, in a dream, through trance, revelation, or vision. He can speak to you physically as man speaks to man; He may physically speak to you in the sound of a rushing wind, the sound of a trumpet, the voice of an earthman, or the voice of multitude, amongst others. Now, I am speaking here from my personal experience.

In general terms, however, the Lord speaks to man via the Holy Scriptures, via a truly divinely empowered 'Messenger of Light', and, specifically cum primarily, via your spirit, your true multidimensional core identity. The spirit that you are, and will always be, is an eternal portion of THAT which we call God. Thus, God is in all things; God is within and for ever beyond all things; God is now THAT which is

GREAT DIVINE IMPACT

your spirit, whilst the God of your heart. He speaks to guide you at all times within that framework.

Now, you may go to a place where food is served, and a strong thought comes into your consciousness warning you not to eat from it; your duty is to obey. The Lord could speak to guide you in this manner. If you fail to obey in this connection, you could run into some problem. However, such thought, when it comes into your consciousness from the Lord, will be strong and spontaneous, it would not be a mere mundane thought based on a suspicion that had existed in your mind before then.

Furthermore, when you set out to obey any instruction arising from the God of your heart, you must be firm and strict in this regard. Do not let anyone distract you, or convince you to do otherwise, no matter who. Let me recall what happened to a certain believer during a religious crisis in Kaduna, Northern Nigeria. This believer, immediately the crisis erupted in the city, got a Divine message from the Lord within himself not to go and bring his children back from the school. He was also told that the

Guiding Principles Of Light

Lord will send an Angel to bring them home safe and sound.

His wife, also a believer, when she realized that the man was not driving out to bring back their children from the school, began to make trouble with him. When she got to know from him that he was merely abiding to what the Holy Spirit ministered to him, she yelled that the man should go immediately and bring back the kids, questioning “**which Holy Spirit spoke**” to him.

At last the man followed the voice of his wife and discarded the voice of the God of his heart. He drove to the school, put the kids in the car and was driving home when some muslim fanatics caught him. There he was killed. But it was a mystery how a stranger, with a car, took his kids alive and returned them to their mother safe and sound. That was an Angel of God. Therefore our foremost place and position in the Lord is the path of obedience.

Our Place And Position

Also, in specific spiritual terms, the spirit of a true believer is sealed in the Spirit of the Lord,

GREAT DIVINE IMPACT

in all the high places of the Heavenly realms of Light. And for as long as you obey the Lord's specific directive given to you, you will in this world live beyond the reach of the forces of darkness. This is so because, according to the Scripture, God has:

**“...raised us up together,
and made us sit together in heavenly
places in Christ Jesus.” -Eph. 2: 6.**

To this end, the place of Christ is as well the place of those that sincerely believe in Him. For all that believe in Him **“are called, and chosen, and faithful”** -Rev. 17: 14. As such, such persons are **“heirs of God, and joint heirs with Christ”** -Rom. 8: 17., who reigns eternally as **'The King of Kings and the Lord of Lords.'** The knowledge of this should also include the knowledge of how it works, especially the knowledge of the Universal Law of Homogeneity, by which you share in the propensities of what dominates your consciousness.

Therefore whosoever follows the path of Christ, by always thinking of Him, talking of Him

Guiding Principles Of Light

and acting in Him, has his place and position of existence in the place and position of Christ. When you truly receive Christ, that is when the legitimate Spirit of Christ dwells in you, you have Power over all the network of the powers of darkness.

You must live in the consciousness of this Divine Power, which is your portion of inheritance in the Lord of the Universe. You must be aware of this Power, in which lies your place and position in the Almighty. You must have full knowledge of this, as the Lord said to me: **“Let the believer in the King of Kings and Lord of Lords always live in the full knowledge of his place and position in the One that shed His Blood to save your world.”** This full knowledge is very important, for, honestly, without it you can be destroyed by the highly advanced systems and manipulations of the forces of darkness.

The Lord Himself even said: **“My people are destroyed for lack of knowledge.”** -Hosea 4: 6. At any point in life that you live in fear of the forces of darkness, it simply means that you have no knowledge of both your place and

GREAT Divine IMPACT

position in the Everlasting Lord of Hosts. The Lord is real; the Lord is here now; His Supreme Power is real.

Have full knowledge of this and rise above the destruction that comes to the people of God for lack of knowledge. Don't be like a fool with loaded gun, who runs away from a robber chasing him with mere broom. The fool runs because he had no knowledge of how to use what he has - the loaded gun. A word is enough for the wise!

The Seventh Divine Principle

Now, it came to pass that the Lord spoke to me on His Seventh Divine Principle, for the victory of the living saints, in both the journey and battles of life. He said:

“Hear, O Harbinger of the Last Covenant, I have given eternal victory to all My chosen ones; that they will have victory over all the devices of the Prince of Darkness. Let all that seek My Divine Protection confess daily My victory upon them, yea, even

the victory that comes by the Blood that I shed. Behold, from this comes the victory of the faithful over the yoke of darkness. Again I say, O son of man, whoever believes and confesses his victory over the powers of darkness by My Blood, even the Blood that I shed in My manifestation on Earth as Jesus, will surely overcome the greatest wicked power in the field of the battles of life. Of this, the Messenger of the Covenant, there is no doubt. Those who have ears to hear, let them hear.”

Here, the Great Universal Lord spoke of the Blood of Our Lord Jesus Christ which, according to Him, while He was on Earth as 'Jesus', is the **“Blood of the new testament, which is shed for many for the remission of sins”** -*Matt. 26: 27*. The Blood of Our Lord Jesus Christ is the foundation and seal of our salvation and victory over the hosts of darkness. The Scripture is very clear on this:

**“And they overcame him by the
blood of the Lamb, and by the
word of their testimony.”**

-Rev. 12: 11

A true believer should ensure that he remembers the Blood of Christ daily. Give thanks daily to the Almighty Father for the Blood that Christ shed. Testify your victory over the Prince of Darkness; confess and proclaim same daily, every morning as you wake up; stand on it in the face of any spiritual attack, and you will surely have God's Divine victory in all the battles of life. Don't forget this.

CHAPTER THIRTEEN

OVERCOMING TEMPTATIONS

**“Blessed is the man that
endureth temptation: for when
he is tried, he shall receive the crown
of life, which the Lord hath promised
to them that love him.”**

-James 1:12

The Overcomer

After the seven-day period in which the Lord spoke to me, the Lord still continues to speak to me directly from time to time. Now, it came to pass one night that the Lord spoke to me and said: **“Son of man, say: rise in the strength of My Spirit and overcome all that is of darkness; for My Spirit made you capable of this.”**

The Lord said again to me: **“But you, O son of man, warn the children of men and say that whosoever departs from Me shall learn at the end that the flesh profits nothing.”** And He said again: **“Pronounce My blessings to all souls who shall overcome the works of darkness.”**

GREAT DIVINE IMPACT

Then I said to the Lord, “O my Lord, perfect my heart in Thee and cause me, by Your Power, to overcome.” And He said to me: **“Son of man, I have called you already to victory! But temptation must come to you.”**

The Lord continued: **“Say unto My people: Every one of you that yields to temptation is defeated by the Prince of Darkness and shall have sorrow in his life. Son of man, those who are defeated by the temptation of the Old Serpent shall live like Judas.”**

Temptation And Trial

Dear reader, if you are a believer, God has given you the Power to overcome temptation. If you are not a believer, God is calling you now to the path of victory. Now, temptations do not come often in your period of strength, but in your weakness.

Temptation is an enticement from Satan or his forces for you to do evil. It is not a sin for you to be tempted, but it is a sin when you fall into temptation. **“My son, if sinners entice thee consent thou not” -Prov.1:10.** Furthermore, temptation is a trap set by the forces of

OVERCOMING TEMPTATIONS

darkness, the indulgence to go against the Will of God, or the thought and consideration to commit sin.

It is necessary to say, however, that temptation is not the same as trial. Temptation comes from the devil, but trial is a spiritual test which God allows for Him to ascertain the degree of faithfulness of His servant. Temptation has been long in the world; it should not take you outside the Will of God. When you overcome a temptation, you receive spiritual promotion from your God. Remember, he who is free from sin is free from Satan!

Satan can use anything or anybody to tempt you. If you were a lustful person, a drunkard, and so forth, before you gave your life to Christ, Satan will still use those things to tempt you. What you truly need in life can also be used to tempt you. Remember that Satan came to tempt our Lord solely when the Lord was hungry on the mountain and needed food.

Now, Satan can use your wife, husband, child, mother, father, brother, sister, friend, Christian brother or sister, or any available circumstance

to tempt you. Look at Abraham getting involved in sex with his house girl. Satan used his wife to lure him into this sin. The Prince of Darkness has been existing before man, and he knows very well how to plan against the earthman.

Divine Assurance

If you have the right spiritual approach to temptation, it will then become a process of preparing you for greater blessings and a deeper relationship with the Almighty. This will help you to trust God more and more in your daily existence.

The Lord said to me: **“Son of man, know this that you can overcome any temptation from the Old Serpent. Have it in your mind that My strength is upon you. Know also that whosoever fails to overcome, and goes on his knees for Satan, shall perish in the fire of My wrath. Son of man, if you call upon Me in any temptation, I, even I the Lord, will hear.”**

He said again: **“O Son of man, set your face against the children of men and say, Thus says the Lord: In Me is victory! But**

OVERCOMING TEMPTATIONS

whosoever of the children of men that comes not to Me, shall have as his lot even the agony of darkness.”

The Lord still said to me: **“Son of man, say unto My people: You will not come into any condition in life wherein I, your Lord, am not with you. Therefore do not fear the powers of Satan, for I, the Lord your God, seeks to guide you always. I guide as many as seek for My guidance.”**

CHAPTER FOURTEEN **USING THE HIGHEST POWER**

**“For we wrestle not
against flesh and blood, but
against principalities, against powers,
Against the rulers of the darkness
of this world, against spiritual
wickedness in high
places.”-Eph. 6:12**

Immutable Law

Now, let me state categorically, once again, in this last chapter, that the best and easiest way to overcome all the human agents of the forces of darkness operating in the world of man, is to strictly abide with the admonitions of Christ as recorded in *Matthew 5:44*, which says:

**“But I say unto you, Love your
enemies, bless them that curse you,
do good to them that hate you, and pray
for them which despitefully use you,
and persecute you.”**

The 'Divine Knowledge' of the spiritual principles of the Universe reveals an important

Law which holds that certain things regarded as blessings, which could also further the well-being of one's physical and spiritual existence, could be sent to him from God through what we may call **“the invisible entryways”** of his enemies. Evidently, this spiritual Immutable Law is revealed in the teachings of our Lord Jesus Christ. In *Luke 6:22- 23*, our Lord Jesus Christ said:

**“Blessed are ye, when
men Shall hate you, and when they
shall separate you from their company,
and shall reproach you, and cast out your
name as evil, for the Son of man's sake.
Rejoice ye in that day, and leap for joy: for
behold, your reward is great in heaven: for
in the like manner did their fathers
unto the prophets.”**

The earthman is totally bereft of this understanding. He is not aware of the spiritual process through which the invisible entryways of his enemies could be used by the Almighty as channels of his blessings. Even your so-called enemies are ignorant of the higher blessings that you may derive through their

hatred. But your ignorance in this regard does not stop the fulfillment of this important principle.

The Example Of Christ

Our Lord Jesus Christ prayed for his enemies in the consummate recognition of this principle, which He universally ordained. **“Then said Jesus, Father, forgive them; for they know not what they do...”** -*Luke 23:34*. Now, what was it that they did, and did not know?

Did the Pharisees and the elders of the Jews not know that they were strongly opposed to the teachings of Jesus? Did they not know that they were persuading the multitude to support their false accusations against Christ? Did Pilate not know that there was no true evidence by which Jesus should be crucified? What of Judas? Was he not aware of how he betrayed his Master? What then did they do, which they did not know?

The persecutors or the enemies of Christ, working under the influence of the powers of darkness, were bereft of the understanding that their hatred against Jesus Christ shall

ultimately manifest the eternal blessings and glory of **The Son of God**. They were not aware of this, thus they knew not what they did. Consequently, a sincere prayer of forgiveness became necessary for such ignorant men.

The Road to Success

Many people, especially the believers, are aware of the information relating to the earth-life of Joseph, as recorded in *Genesis 37-47*. Joseph the son of Jacob, was sold as a slave to Egypt by his brethren. However, Joseph finally became a governor in Egypt and the second-in-command to Pharaoh, king of Egypt. This is a position which several men, including Joseph himself, acknowledged as a great blessing.

Now, how was this great blessing accomplished? Who are those that took part in manifesting this blessing in the life of Joseph. Were they those that truly loved him, or his enemies? Think about this!

Remember that the brothers of Joseph first sold him as a slave into the land of Egypt, and by virtue of this they were enemies to Joseph. Remember also that while in Egypt, Joseph

GREAT DIVINE IMPACT

was falsely accused by the wife of Potiphar, his master, of an attempt of illicit sex with her. Thus, Joseph was sent to prison from there, due to other occurrences, he became a governor in Egypt.

Although the brothers of Joseph and the wife of Potiphar acted against Joseph under the propensity of hatred, which is controlled by the forces of darkness, but evidently and ultimately their proclaimed hatred greatly contributed towards the final blessings of the man of God, Joseph. This occurred in accordance to the Immutable Spiritual Law (*Will of God*) operating in the Universe. In other words, God used the invisible entryways of the enemies of Joseph to manifest his blessings. Is it not proper then for Joseph to sincerely pray for the true blessings and forgiveness of those his so-called enemies? I am speaking as I was taught by the Lord my God.

The Mystery Of Blessing

One early morning, the Lord spoke to me and said:

“Son of man, say unto My

people: Many blessings from Me shall be yours when you are hated and falsely accused by the agents of Satan. Those fighting against you are used by Me, in a manner unknown to you, for your spiritual elevation and blessings. Son of man, your friends, and those who claim to love you, do not contribute much to your progress, in My terms”

“Behold, those who are led by My Spirit to this conviction, will cease to consider their enemies as stumbling blocks to their progress. They will consider themselves more blessed by Me, whenever the hand of the enemy is against them. Son of man, such a one will sincerely pray for the forgiveness of his enemies in the knowledge that I use (*permit*) them as channels of blessings. Therefore, O son of man, disturb not your heart in any expression of hatred from the agents of darkness.”

There was a certain man who lived in the full awareness of this principle. And with this

GREAT DIVINE IMPACT

knowledge he once overcame the wrath of his wife. One night the man sat in meditation and silent prayers to the Almighty. But this was highly opposed by his wife, who rained abuses on him. Nevertheless, the man was not moved, rather he continued in his meditation.

The woman brought a full bucket of water and poured it on the man, yet he was not moved. When she finally failed in her persecution, she at last broke down and wept. Then out of compassion the man held her and said: **“Don't cry, woman, I know that after thunder there will be rain.”** And by so doing the man turned the anger and hate of his wife to Love, mercy and goodwill.

Blessing and Woe

Remember, it is said, **“Blessed are ye when men shall hate you.”** It is not said, **“Blessed are ye when men shall praise you.”** Therefore if you always desire that the earthmen should praise your name or speak well of you, you must understand that such a desire is ultimately opposed to your progress, and that it may assist to wreck your higher blessings. It was in this connection that Christ

warned, when He said: **“Woe unto you, when all men shall speak well of you.”** -Luke 6: 26.

Dear reader, do not delay to come to this platform of Divine Knowledge, that when all men speak well of you, a great source of your spiritual blessing is defeated. Now, you are advised to comprehend that your so-called enemies unknown to them, are spiritually considered by the Almighty as the coordinating points of your great blessings. **“Blessed are ye when men shall hate you.”** But in a situation whereby no one hates you, and in which all men speak well of you, then **“Woe to you,”** for a major gate of your blessing is closed. The Lord spoke to me and said:

“Son of man, if men hate you, regard it not; but pray for them, even for their forgiveness. While praying for the blessings of your enemies, never welcome or retain the thought that such prayers will directly or indirectly work to destroy them.”

One should pray for his enemies in the sincere thought that they are used (*permitted*) by God

GREAT DIVINE IMPACT

as channels of great spiritual blessings for him even without their awareness. There are some people who may offer prayers of blessings to their enemies just for people to hear their prayers and regard them as true believers. But within themselves they hold the thought that such prayers will work towards the detriment of their enemies. This will take you not to the path of elevation before the Lord. And this you must overcome.

The Greatest Power

A true believer whose sincere desire is to walk daily on the path of Light, must strive to return his purest Love to all his enemies. In the first place, a believer should not be interested to know those who hate him. Rather he should aim constantly at doing good and loving all men without seeking anything in return.

In the Greek New Testament, “love” has such words as eros, philos, agape. Eros is a kind of romantic love that impels sexual attraction. Philos is the love which you have for those that love you, or the kind of love that exists between mother and child. But agape is a Divine Love which transcends both eros and philos. The

USING THE HIGHEST POWER

Love with which you love people not because they love you, but because you are of God, is the true Love. This love - agape - is the Power of God's victory.

Often some believers have complained of the repugnant act of their enemies. Yet some of them have not done what is spiritually required to overcome the power of their enemies. Some may even be ignorant of what to do, whilst such ignorance is a great stumbling block.

If one has a certain problem but is ignorant of how to overcome it, his ignorance of a solution will again become the second problem. Such ignorance may even be a greater problem that may finally suffocate him. Now, if one is ignorant of how to overcome the manipulations and hatred of the agents of darkness, then such ignorance is his greatest enemy, which he must again overcome.

Nevertheless, in every circumstance, hate is a cruel word. It is but the outcome of ignorance and wrong thinking working under the authority of the forces of darkness. Therefore, regard it not whenever you are hated by the earthmen;

but concentrate on the recognition of Christ your Lord, and never deviate from the path of true Love, even the path of Light. The Lord said to me:

“Son of man, always wish all men from the pure Love and goodwill of your heart the progress that you wish yourself before Me.” Our Lord Jesus Christ had admonished:
“Therefore all things whatsoever ye would that men should do to you, do ye so to them: for this is the law and the prophets” *-Matt. 7:12.*
