## CLARIFICATION OF IDENTITY

*(Iyke Nathan Uzorma is not Protus Nathan Uzorma)*

Following the column of Prof. Protus Nathan Uzorma (Nathan Uzorma Protus) on '**Philosophical Reflections**' every Wednesday in the 'DAILY SUN' newspaper (Nigeria), several people at one time or the other, have genuinely sought to know from us whether **Prof. Iyke Nathan Uzorma, Harbinger of the Last Covenant**, *(of the former Occult Grand Master; Now in Christ fame)* is the one writing '**Philosophical Reflections**' in the 'DAILY SUN.'

Some people, however, having mistaken Protus Nathan Uzorma to be Iyke Nathan Uzorma, have cast aspersions on the latter based on the writings of the former. For instance, one Onyero Mgbejum in an article posted in the website ([www.sunnewsonline.com](http://www.sunnewsonline.com)., '**The question of virgin birth and the deity of Jesus**,' Thursday April 16, 2009), judged and condemned the **Harbinger of the Last Covenant (IYKE NATHAN UZORMA)** while reacting to the article of Protus Nathan Uzorma. Part of what Onyero Mgbejum wrote, reads:

“I read with keen interest and inclination towards asking searching questions, the articles written in your widely read Daily Sun newspaper of Wednesday, March 18, 2009. In the two articles written by Sina Adedipe

and Prof. Nathan Uzorma Protus, the questions of Virgin Birth and Deity of Our Lord and Saviour Jesus Christ are subjects of comment by the two writers. In his article Prof. Uzorma said that **'the great question to the Christian world is: Why is the virgin birth of other star beings and sages said to be demonic and that of Christ divine'....** Things of the Spirit can only be perceived by those who have the Spirit of God, those who have accepted the Lordship of the Lord Jesus Christ. People like **Prof. Iyke Nathan Uzorma...** is deceptive and thus should be regarded as an antichrist... **Prof. Iyke** should also be regarded as an atheist empowered by Satan to confuse and deceive people.”

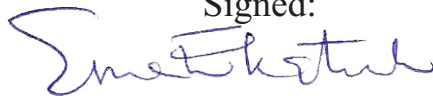

While we pray the LORD to forgive Onyero Mgbejum for this malicious error, including those who falsely allege that Iyke Nathan Uzorma has gone back to the occult and for whatever the powers of darkness have used same to achieve, we also advice anyone who claims to 'defend' the LORD to be very watchful through the Holy Spirit, so that one will not degrade the true work of Christ while 'fighting' for the Almighty. And for the avoidance of doubt, let it be known that

Prof. Iyke Nathan Uzorma is the elder brother of Prof. Protus Nathan Uzorma. Both are different persons from the same parents. While 'Nathan' is the family middle name, 'Uzorma' is the family surname.

Remain blessed!

## INTRODUCTION

I was called by the Lord in this age to bear witness of His Power to the faithful and the faithless. Before then, as already known by many, I was a foremost ‘Living Grandmaster’ of the high Occult System. The manner in which the Lord called me by His special grace, via my direct encounter with Him at the peak of the Kingdom of darkness, is a testimony that has set many free in different parts of the world. The great works which He has hitherto accomplished through me in the lives of several people on Earth, ensure in me the validity of His eternal reality.

The Lord told me specifically that He permitted me to reach the peak of darkness as His Spy in this age for mankind. He took away the heart of a man from Nebuchadnezzar and gave him the heart of a beast. He later took away the heart of a beast from him and gave him back the heart of a man, that he may live among men in the journey of life. The Lord told me that he took away the heart of ‘**Occult Grandmaster**’ from me and gave me the heart of His ‘**Messenger**’ for me to proclaim Him.

My strange conversion to the path of Light by Our Lord Jesus Christ is widely seen by many as one of the confirmation of the Great Deliverance Power of Jehovah God and His Christ in our time. In the Spirit I was ordained and set forth by the Lord as ‘**Harbinger of**

**the Last Covenant.**’ Initially, I didn’t understand what this stands for but later I understood. He also called me **‘Apostle’**. Jesus Christ is real!

After my Divine call by the Lord, He came on a certain night in the Spirit and gave me a copy of the **‘Bible’**. I woke up and saw the Bible He gave me. It is with me unto this day. In another occasion the Lord came and gave me a **special kind of anointing oil** not generally known. This oil, physically with me, continues to multiply itself unto this day. He said to me **“you have received from Me freely, use it freely to liberate mankind”**. To this end, this oil which is never for sale has been used by the Lord through me to raise the dead, amongst other great testimonies.

It is important to note that a pastor friend of mine in Texas, whom I gave a little portion of this oil, took it for laboratory examination without informing me. His aim was to ascertain it’s component, whether it has any earthly composition and properties. This was to enable him know if I lied that the oil is **Divine from Heaven giving by the Lord**. In the process of this, the laboratory equipment was engulfed with fire. Thereafter this ‘man of God’ called me and apologised; he also fasted and prayed for the Lord’s forgiveness.

Furthermore, the Lord came to me and also gave me a **Mantle**. This, like the Bible and the Oil, are all physically with me.

According to the Lord, the Bible, the special Divine oil and the Mantle are paraphernalia of the **‘office of the Harbinger of the last Covenant’** in this age. I know this things are not common to all believers. Even those generally termed ‘great men of God’ in the world of man are not used to this kind of experience. But we must know that the Lord is the God of all manifestations. He does things to one, which others may not be used to. He does what He likes. He uses whosoever He wants to use. He changed the rod of Moses to Serpent; He sent Manner from the invisible Heaven, through the sky of Earth, to feed the children of Israel in the wilderness; He took Elijah out of the Earth on a chariot of fire. He told Prophet Hosea to marry a prostitute. He changed Saul to Paul, and much more. Remember, as He was in the beginning, He is now and ever shall be.

Some people think that I will return to the Occult because they know not the Power of Christ. But to me what is important now, is what I am, not what I was. Christ is real, His Power is real, these I believe, these I know. I will never return to the occult for I have seen the Light. After God had changed Saul to Paul, some believers were still scared of him because of what he was. I sincerely sympathise with those who get scared of me because of what I was and to them I say, I do understand. However, I sincerely appreciate the effort of all those standing by me now for what I am. Let God be Praised!

Now, dear reader, I was having a siesta one day during which I had a Divine Visitation of the Lord. I was in the Spirit and the Lord Jesus Christ came to me and said that He has come to live in my house. He hanged bags of gold on His shoulders, carrying some on His head. When I saw Him at the gate of my house I went on my knees and was overwhelmed with the tears of joy. I crawled and followed Him as he entered my house and climbed upstairs. He went straight and offloaded the bags in my children's room. Then He started entering the other rooms upstairs one after the other, from my bedroom to my wife's bedroom, from there to the family parlour, etc.

Thereafter, He went to the parlour downstairs and from there to the kitchen. I was just crawling with the tears of joy as I followed Him. While in the kitchen, He told me to tell my wife that anyone that cooks in the Kitchen from that day, should do so with praises to the Almighty God. By so doing the food from the kitchen will be used by Him to heal, strengthen and deliver people.

At last, He went upstairs into the children's room where He earlier kept His bags. There He told me that He has chosen the children's room as His abode in my house. The whole thing looked physical and I was wondering how the King of Kings will just come and live in my house. When He ended saying certain things to me, which I consider personal, I was disconnected.

Consequently, after three days of this Divine Visitation, I moved my children into another room and dedicated the room, wherein the Lord chose, to the Supreme Personality of the Godhead, Jesus Christ My Lord. It is in that room that the Bible, the Mantle and the Special Divine Oil given to me by the Lord are kept. Even now, I don't enter there often unless when I am led by the Holy Spirit to do so.

One night, I entered into that room with fasting and prayer. It was while inside the room that I was caught up in the Spirit, from 12 midnight to 5am. It was then that I had **'My 300 Minutes Experience of Heaven'** as contained in this book. To me, the time spent in this regard is not as important as the intensity of my experience in the Heavenly realms itself and the lessons I learnt. The Initial version of this book did not contain my detailed experience in this regard. When the Lord told me that I should explain in detail what I saw, apart from the things I was told not to reveal, this gave birth to this detailed edition.

Heaven is real. This book brings to the faithful and the faithless one of my numerous experiences in the Heavenly realms of existence. It brings to our understanding vital Divine lessons of what you should know. Every true child of the Holy Spirit is a bonafide citizen of Heaven. While we live in the world of man, let us do so in the full consciousness of the Kingdom of God, both on Earth and in the Heavenly realms beyond.

Finally, as I share with you **My 300 Minutes Experience of Heaven**, I pray the Holy Spirit to use it to bless and lift up your spirit now, join me to journey with the Lord, via these pages, to know more of the higher realms of Light - Heaven!

God Bless Your Soul.

# I WAS IN THE SPIRIT

***"I was in the Spirit on the Lord's day, and heard behind me a great voice, as of a trumpet". -Rev. 1:10***

## THE LORD'S MANIFESTATIONS

I was on a fasting and prayer one certain day; and it happened that I went into my prayer room at midnight. There I sang praises and prayed to the Lord God Almighty, who is everywhere at all times managing all things.

While doing this, I was caught away in the Spirit by the Power of the Lord of lords into the realms beyond, the Heavenly realms of great Light. I found myself, led by this Mighty Power of the Almighty, into a most glorious realm of Heaven. This is a realm wherein the Lord Jesus Christ manifests and dwells in a version of Himself not generally known.

It must be known that the Lord, I mean Our Lord Jesus

multidimensional with unlimited forms, by which He is Omnipresent. All His forms in diverse realms of Heaven- **“In my Father's house are many mansion”** - are One in Himself, in the essence of His One Eternal Supreme Prime Identity.

For example, as the Lord later explained in this book, after the death and resurrection of Christ, He manifested to two of His followers on their way **“to a village called Emmaus”**. He appeared to them in another human form other than the form in which they knew Him as **“Jesus of Nazareth”**. Thus they could not recognize Him at first to be the Lord till He opened their eyes to know. (See Luke 24:13-31).

Apart from His human form by which He was generally known to people in those days as **'Jesus'**, or the other form of His appearance on the way to Emmaus, He still appeared to John in Patmos in a different form entirely, which got John bamboozled, (See Rev. 1:10-17). Aside these forms of manifestation, Our Lord Jesus Christ also appeared in a strange form of animal, **a Lamb with seven horns and seven eyes**, (See Rev. 5:6).

Some may think that each of these forms finally goes into oblivion, but I learnt from the Lord that it is not so. Each form of the Lord's manifestations in any realm of existence, as I learnt in the Spirit, is Eternal, Supreme, Consummate in Divine Bliss and full of Limitless Power of the Almighty.

All His forms in Eternity are One in Himself, in the core of His Supreme identity that cannot be known or seen by any entity: Archangel, Angel, Cherubim, Spirit, Men, etc. What can be seen by any of these in diverse realms, is the Lord in a form of His appearance, not the core identity of God that holds the mystery of the beginningless of the Lord, which is the sole ultimate base of His manifestations.

## THE GLORIOUS GATE

In the Spirit I stood before a glorious gate in the Heavenly realm where the Light of the One Eternal God reigns. This is one of the great realms of Light in the Heaven-world in which Christ, in a new name, also dominates as **'The King of kings and Lord of lords'**. As I stood observing this gate, I said to myself: **“Surely, this must be one of the most beautiful gates in all the known and unknown Heavens of God”**.

I heard a great voice that spoke from the gate, as if it was the gate that spoke. What I heard was: **“Welcome, Harbinger of the Last Covenant. Brother Iyke Uzorma, welcome!”** A hand wearing a scarlet material descended from above and touched my head. Then the voice I heard earlier that sounded like a trumpet said to me again:

*“Oh greatly beloved son of man,*

*you will forget nothing of all that  
you will see and hear!”*

At this point, the Heavenly gate opened whilst the Spirit of the Lord lifted me inside. I observed that it was guarded by two Great Ones of this Heavenly realm, Mighty Angels of the Almighty God. I also learnt that this gate is their duty posts. The height of these two Angelic Beings is such that their heads, which looked like clouds, as their faces could not be seen, appear to perforate and transcend even the clouds of this realm of Light.

The Spirit of the Lord took me through the entrance of the gate, the Spirit of the Lord brought me to lie low, the Spirit of the Lord caused me to fall on my face to pay my most respectful obeisance to the Almighty God, who is everywhere at all times managing all things. I worshipped the Everlasting Father of Creation, who made the Heavens and the Earth, Creator and Preserver of the Sun, Moon and the Stars.

## THE CITY OF LIGHT

I entered, by the Spirit of the Lord, into a Heavenly realm of the Eternal Lord, the Holiest of the holies. There I learnt that in reality the realms of Heaven are unnumbered, each having a version of manifestation of the King of kings and Lord of lords, who Himself is also

**'the God of the earth' (Rev. 11:4)**

This very realm of Heaven wherein I was caught up in Spirit, is a high realm of Light where all things are perfect and pure, in which all dualities and contradictions dissolve. I learnt that it is a realm of realms, for it coordinates over two million Heavenly realms. This is a realm, and one of such, that Our Lord Jesus Christ manifests in His 'new name' (Rev. 3:12) and predominates as **'The king of kings'**.

It is difficult for the earthman to comprehend, yet it is true as I found, that this realm has no light of the Sun, Moon, or Stars. Its reality of light is on a complete different framework. The Supreme gestalt of the multidimensional Consciousness of the King of kings came forth constantly as the light for every Soul, Entity, or Being of this Heaven. Then I learnt in practical terms the final meaning, even for the world of man, of the Scripture which says:

***“For the Lamb which is in the midst of the Throne shall feed them, and shall lead them unto living fountains of waters: and God shall wipe away all tears from their eyes”***  
**-(Rev. 7:17).**

Furthermore, whilst in this realm of Light, I understood the deepest reality of the Scripture, the hour of its fulfillment on the physical realm of Earth wherein we

live, which says:

***“And the city had no need of the Sun, neither of the Moon, to shine in it: for the glory of God did lighten it, and the Lamb is the light thereof”*** - (Rev. 21:23)

The Lord Bless thee!

## THE MIGHTY ONES

***“As the appearance of the bow that is in the cloud in the day of rain, so was the appearance of the brightness round about. This was the appearance of the likeness of the glory of the LORD. And when I saw it, I fell upon my face, and I heard a voice of one that spake” -Ezk. 1:28***

### SILENT WATCHERS

As the Spirit of the Lord led me into this Heavenly Holy realm of Great Light, I was lifted into a section where I saw Mighty Angelic Beings of diverse degrees. The Spirit of the Lord led me to see some of the high Saints of Heaven. The Spirit of the Lord led me to see the mystery of mysteries and the Mighty Ones, which human words cannot describe.

The Spirit of the Lord brought me into the midst of the

'Silent Ones', the Great Watchers who issue command of the Almighty for the entire manifested universal systems. I saw among them, seven, who had been in absolute silence for several generations in human terms. I learnt that the state of silence is a 'duty post' for the Watchers. There are twenty one Watchers in this Heavenly realm, as I learnt. Also, there are more and less number of Watchers in diverse Heavenly realms.

The twenty one Watchers of this realm, like other Watchers in all the Heavens, are highly involved in the mighty works of the Almighty God. They work in diverse ways even in this Heavenly realm into which I was led by the Spirit of the Lord. Specifically, however, there are seven stations of silence for the twenty one Watchers of this realm. These are entered into by seven Watchers at a time, for a period of several generations of men. After which another seven come in, thereafter another seven, and it continues for ever.

When seven Watchers of this Heaven enter into their 'duty posts' of absolute silence, they act as 'Divine Transformers'. Thus, they step down the multidimensional 'Supreme Power of GOD' to multitudinous levels of usage in different Planetary Systems, including the world of man. (This, as I was told in this realm, is being revealed to man for the first time).

As I learnt, in their 'duty posts' of silence, the seven Watchers allocate and distribute the 'Supreme Power of

God'. For instance, the earthman does not know that there is a specific amount of the Spirit of God allocated for all the visible and invisible realms of the Earth Planet. This again is secured and set in Divine motion by three Watchers resident on the core invisible aspects of Earth, in a region of Light where even the Angels cannot reach without certain authorization and warrant of the Great Lord – The King of kings.

I saw besides these 'Silent Ones' several other Angelic Beings also in a state of silence. They were in total obeisance, humility and reverence to the Everlasting Father – Jehovah God and His Christ. The Spirit of the Lord brought me into their midst. Then a Mighty One on a purple robe informed me that the Holy Ones in profound silence were waiting for a while, to receive certain unspeakable words of the Almighty, that must flow to them via the seven Watchers. And that they in turn will use it to activate Divine Power in specific realms below.

## MORE ABOUT THE WATCHERS

I was told that the Watchers are extremely vital in the activities of the Kingdom of the Heavens, especially as related to issuing the 'Eternal Divine Decrees' of the Almighty, amongst others. However, it is on record that, before this **my three hundred minutes experience of Heaven**, I have encountered the high Heavenly Beings

we know as Watchers in my other related Heavenly experiences.

For instance in my book entitled **“The Future Earth”** published in 2005 with a sub-heading Triumph of the Black Race, which contains, amongst others, divine messages of the Lord from the Heavenly realm, mention was made of a 'Watcher'. An aspect of this book deals with Nigeria, different kinds of Presidents that would rise, as well as her consummate deliverance, amongst others. Based on what I saw in this regard, I wrote in part of pages 15, 17 and 18 the words of the Lord to me thus:

***“Son of man, I have abolished the craft, the yoke of bondage upon the children of your people. Behold, with my Powerful Hand have I delivered your nation. And one that was once despised in the midst of thee shall I bring forth upon the throne for increase. When his hour comes, he will surely glorify me.***

***“But one will certainly come, O son of man; a King with the heart of iniquity, yet without a Kingdom. He shall desire and set his heart to revive the craft and the yoke which I have abolished,***

*but he shall come to naught.*

*“Then will I send forth a Watcher with razor. He will shave the beards of priests that devised lies before him. Behold, he will abolish the gathering of the hypocrites, who deceived him with multitudes of corruption, neither shall they escape.*

*“Son of man, proclaim and say to the people of Nigeria, thus says the Lord: the hour is coming when a Watcher from above, by My command, shall visit the midst of thee.... Rejoice, arise and rejoice. Rejoice, O ye Harbinger of the Last Covenant. Rejoice, for My 'Banner of Victory', even my 'Dominion', is already in your midst”.*

Furthermore, in my book, '**Secrets From Heaven**', which contains my diverse experiences at one time or the other in the Heavenly realms of existence, 'Watcher' is also mentioned. Part of pages 37 and 38 go as follows:

*“Then a strong Spirit Being, clothed in a purple robe, rose from*

*the realms beyond and stood before the Throne of the Lord. This was a Watcher and one of the Holy Entities of the realms of Light. The Watcher is among the Living Creatures in-charge of the limitless currents of the Almighty God that sustain the rotation of Earth and the Planets, including the Sun, Moon and Stars, on their axis and orbits.*

*“When I saw the Watcher and heard the glorious songs, a verse of the Holy scripture came into my mind, which says: 'Bless the Lord, ye, His Angels, that excel in strength' (Psm. 103:20a).... I saw when the Watcher received from the Lord a razor, a jar of oil and an arrow. These were given to him for the time appointed in the world of man, even the hour of fulfillment”.*

## WATCHERS IN THE BIBLE

I learnt in the Spirit that before the coming of Our Lord Jesus Christ into the world of man, some Watchers have

at one time or the other fully represented the Lord on Earth. Some who saw them thought and wrote that they saw the Lord. It is just like an occasion where a senior government official represents a President. If the Minister of Defence goes to represent and read the speech of the President in an occasion, he will not speak as himself speaking, but as the President Speaking. Those who understand such protocol will know that the Minister is speaking solely the words of the President, but those who don't understand will think that the man speaking is the President himself.

Before the coming of Our Lord Jesus Christ, the manifestation of God in world of man, most of the Prophets of old who thought that they saw God, actually saw some of the Watchers of Heaven and some personified aspects of the Spirit of the Lord. And to prove that some of such ancient ones did not actually see the Everlasting Father in 'His Full Aspect', but His bona-fide representatives, Saint John wrote: **“No man hath seen God at any time; the only begotten Son, which is in the bosom of the Father, he hath declared him”** (John 1:18). Christ Himself also said: **“Not that any man hath seen the Father, save he which is of God, he hath seen the Father”** (John 6:46).

Now, if 'no man has seen God at any time', then who actually did Prophet Ezekiel, for instance, see? (See 'Secrets From Heaven', by Prof. Iyke Nathan Uzorma). While he was by the river of Chebar, he saw what he

called 'visions of God'. (See Ezekiel chapter one). However, Prophet Daniel was more specific on the subject matter of the Watchers. We found in his writings a categorical hierarchy, in which the Watchers were revealed as issuing a divine command to other Angelic Beings, that was carried out in the world of man. Thus we read in the Holy Scripture:

*“I saw in the visions of my head upon my bed, and, behold, a Watcher and an holy one came down from heaven; he cried aloud, and said thus, Hew down the tree, and cut off his branches, shake off his leaves, and scatter his fruit: let the beasts get away from under it, and the fowls from his branches:*

*“Nevertheless leave the stump of his roots in the earth, even with a band of iron and brass, in the tender grass of the field; and let it be wet with the dew of heaven, and let his portion be with the beasts in the tender grass of the earth:*

*“Let his heart be changed from man's, and let a beast's heart be given unto him; and let seven times pass over him.*

***“This matter is by the decree of the watchers, and the demand by the word of the holy ones: to the intent that the living may know that the Most High ruleth in the Kingdom of men, and giveth it to whomsoever he will, and setteth up over it the basest of men”  
- (Dan. 4:13-17).***

The Mighty One in a purple robe who spoke to me in the Heavenly realm about the Watchers, said several things that I may not reveal for now. But it was made clear that certain specific commands of the Supreme Lord in the realms beyond, flow even to the Mighty Angels of the Almighty via the Watchers. For instance, I learnt that it was the voice of the Watchers, by the decree of the Almighty, that spoke through four horns, to empower the 'sixth Angel' loose the four Angels held bound on Earth, at river Euphrates. To this end, the Scripture says:

***“And the sixth Angel sounded, and I heard a voice from the four horns of the golden altar which is before God,***

***“Saying to the sixth Angel which had the trumpet, loose the four Angels which are bound in the great river Euphrates.***

***“And the four Angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men”***

***- (Rev. 9:13-15).***

## THE KINGDOM IN HEAVEN

***“Blessed are the poor  
in spirit: For theirs is  
the kingdom of  
heaven” -Math 5:3***

### HEAVEN IS REAL

The Spirit of the Lord led me, during this my 300 minutes experience of the higher realms of Light, to recognize, among other things, the eternal validity of the divine fabrics and elements of the Heavenly worlds. Thus, I speak from the reference point of my experience, as well as on the strength of the Holy Scriptures, that Heaven is real, very real indeed!

Our Lord Jesus Christ told the earthmen, **“Blessed are the poor in spirit: for theirs is the Kingdom of heaven”**. Dear reader, don't forget this. Let us strive always to attain and maintain the consciousness of Christ, for by absolute faith in Him, the 'Kingdom of Heaven' is the inheritance of many both now and at the end of the earth-life. Remember the words of the dead to

the living, **'yesterday I was like you, tomorrow you will be like me'**. Bear this always in mind!

However, I observed that this Heavenly realm, as set forth by the Power of the Almighty God, is established upon perfect divine gem. The elements of this realm is beyond all facets of mundane comprehension. In my inner thought whilst in this realm beyond, I considered the elements and gem of this High Heaven to transcend far beyond, in unspeakable measure, even all the proclaimed elements of the 'philosophers stone'.

## PARAPHENALIAS OF HEAVEN

This high realm of Heaven wherein dwells the Great Ones above, was shown to me as a realm of realms. I saw that it is inundated with the Spirit of the Lord God Almighty that took the form of innumerable trees of great Light. And the trees brought forth diverse fruits.

The Spirit of the Lord led me into a little portion of a section in which the trees brought forth the **'Fruits of Mercy'**. This little portion, in human terms, is bigger than the entire world of man. Now, the Heavenly section of this realm of the 'Fruits of Mercy,' as I was told, is over 250 times larger than the Planet Jupiter. (Remember that Jupiter is over 500 times bigger than the Earth Planet).

This goes with other sections as well.

The fruits of mercy go forth, via the 'Supreme Waves' of the Almighty, to touch diverse living entities in specific ways in all the realms of creation, including the world of man. It is those who show mercy that are touched by it, for the increase of mercy, that they may obtain mercy in the journey of life, even as Christ admonished: **“Blessed are the merciful: for they shall obtain mercy”** (Matt. 5:7).

Again, the Spirit of the Lord led me into a little portion of another section in which the trees brought forth the **'Fruits of Righteousness'**. These spread forth into diverse manifestations, that the entire creation, including the earthman, may seek and return to their Source, by absolute faith in the One Eternal Jehovah God and His Christ, which is righteousness. As confirmed in the Holy Scriptures:

*“But to him that worked not, but believeth on him that justifieth the ungodly, his faith is counted for righteousness”*

*- (Rom. 4:5).*

*“By faith Noah, being warned of God of things not seen as yet, moved with fear, prepared an ark*

*to the saving of his house; by the  
which he condemned the world,  
and became heir of the  
righteousness which is by faith”  
-(Heb. 11:7).*

Furthermore, the Spirit of the Lord led me into a little portion of a section of Heaven, where the trees bore **the 'Fruits of Divine Knowledge of the Almighty God'**. These are the trees which fruits spread the knowledge of God that guides every creature, including the children of men, on the path of victory in the journey of life. Remember that God said: **“My people are destroyed for lack of knowledge”** (Hos. 4:6). A great One of Heaven spoke to me in this section and said:

*“Harbinger of the Last Covenant,  
say to the children of men: Blessed  
is the one who does not cast  
aspersions on the higher  
knowledge of truth, from the limit  
of what he knows. Twice blessed is  
the one who rises beyond the limit  
of what he is told about God and  
seeks to know more, to know the  
ultimate truth that God is in all  
things, that he is the doer of all  
things. Sevenfold blessed is the  
one who, by divine knowledge,*

*separates the sheep from the goat.”*

## GREATER DIVINE TREES

After this, the Spirit of the Lord led me into a high section of greater trees of Light. I was told that these are the Supreme Trees of the Lord God, the strange trees of Heaven. They are the fountain trees of 'Supreme Love' that yield the fruits of eternal life. Each of these, to this end, is '**The Tree of Life**'.

The fruits of these greater trees, in this section of the Heavenly realm, were very strange indeed. Even some of the fruits came forth in a strange manner beyond what human words can explain. Some of the fruits mysteriously came forth as rivers of honey. I learnt that the rivers of honey is that which saturates everyone with the pure love of God in the Heavenly realms. By this also, hunger and thirst are banished from the denizens of diverse Heavenly realms.

**The Lord Bless Thee!**

It was clarified,  
as I learnt even before this time  
that the Lord God who sits on the  
Throne is the same One again seen  
on the second Throne. This is a  
big mystery. Of course we  
must know that there  
is only ONE GOD!

## 4

## ETERNAL TRUTH

***“And he shewed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb”. -Rev. 22:1***

## TWO DIVINE THRONES

After these, an Angel of God came and spoke to me. He led me to a point where a door was opened in the clouds above. I heard a voice of one that said to me: **“Son of man, come up higher”**. The Spirit caused me to rise into another realm of Heaven. There I saw the Thrones of Jehovah God and His Christ manifested in this realm. I heard the voice of 'every creature' that spoke in adoration to THE ONES that sat on the **Thrones of Thunderous Light!**

The manifestation of Jehovah God and His Christ on the Thrones were in human forms. I saw in this realm that

they were in the form of black men. For so they chose to manifest. The Angel explained to me that Jehovah God and His Christ, or 'God and the Lamb', have unlimited forms in all the realms of life, including the world of man. I observed that one Throne was above the other. He further explained that these 'Supreme Manifestation of God in Two Versions' came forth in this realm, as in all the realms, from hidden dimensions that can never be reached or known in eternity by any Watcher, Archangel, or whatever that exists.

It was clarified, as I learnt even before this time, that the Lord God who sits on the Throne is the same One again seen on the second Throne. This is a big mystery. Of course we must know that there is only One God! The Angel told me that the Two Thrones will bring into fulfillment, on the physical realm of Earth, what was revealed to Saint John in the book of Revelation, which says:

***“And there shall be no more curse: but the throne of God and of the Lamb shall be in it; and his servants shall serve him:***

***“And they shall see his face; and his name shall be in their foreheads”***

***-(Rev. 22:3, 4)***

This was among the things that would take place in the

world of man, beginning from the time Saint John had the Revelation in 96 A.D. As John confirmed as follows: **“The Revelation of Jesus Christ, which God gave unto him, to show unto his servants things which must shortly come to pass....” (Rev. 1:1).**

The Angel pointed towards the Two Thrones of 'God and the Lamb' manifested in this realm; I saw what he explained were the 'Words of the Supreme Lord'. These flowed as a pure and very clear water from the Thrones of Jehovah God and His Christ. The Angel said to me: **“Greatly beloved Harbinger, this is the Water of Life”.**

## THE VOICE OF EVERY CREATURE

The voice of every creature which I heard in this Heaven is very strange indeed. I saw four Mighty Living Creatures, full of eyes before and behind, standing before the Thrones of Jehovah God and His Christ. The first Living Creature speaks for every creature in the higher realms – Heavens. The second Living Creature speaks for every creature in the middle realms of life in which the Earth belongs. The third Living Creature speaks for every creature in the lower planetary realms, that can also be called 'beneath the Earth'. The forth Living Creature speaks for the primordial 'Universal Water' upon which the Spirit of God moved in the beginning of creation, which also includes the water of the Earth.

When the four Living Creatures speak simultaneously, it means in a higher spiritual sense that every creature in the Heavens, on the Earth, beneath the Earth and in the sea have spoken. Outside this, there is no way any human, or even an Angel, can hear the voice of each and every creature in all the realms of existence within a single moment of time. All creatures in all the realms of life, I mean all that God created, are in 8,400,000 species. Again, each specie has millions, some even in billions (like humans) of its kind. Can a man hear the voices of all these at once?

However, this situation is like the Senate or Parliament of a nation practicing democracy. For instance, members of the Senate in Nigeria are less than two hundred, in a country of over hundred and sixty million people. But when the Senate speaks, in a certain sense, it means that the people of Nigeria have spoken. That is how it goes, as the four Living Creatures speak for all the created things of God. It was then, in this realm of Heaven, that I learnt the mystery of every creature speaking to the hearing of Saint John, according to what he wrote in the book of Revelation.

***“And every creature which is in heaven, and on the earth, and under the earth, and such as are in the sea, and all that are in them, heard I saying, Blessing, and***

*honour, and glory, and power, be  
unto him that sitteth upon the  
throne, and unto the Lamb for  
ever and ever”*

*- (Rev. 5:13).*

## THE MYSTERY OF GOD

As the Angel was talking to me, I saw that The Great Jehovah God and His Christ, who were earlier on their Thrones in the form of black men, took another manifestation. The Two Thrones, one before the other, upon a Majestic Mountain of Light, produced constant streams of waves and powerful Supreme Light, that rose endlessly into Space and into the realms unknown.

The ONE who sat on the first Throne above the second Throne, became beyond all forms of description – just **PURE LIGHT** beyond approach! That is all I can say. The One that sat upon the second Throne was like '**The Son of Man**', whose face was so dazzling with Great Light and Divine effulgence, that I could not concentrate on His Holy Face. He was dressed on a scarlet robe; and on the upper part of His Throne was an inscription, which the Angel translated to mean, '**The King of kings and The Lord of lords**'.

Before the 'Great Mountain of Light', upon which were the Thrones and the manifestations of Jehovah God and

His Christ in this Heavenly realm, were seven other strange Mountains. They were all the same size and height. Each was a Mountain of Great Fire. From the seven Mountains simultaneously came forth a strange river – the River of Fire, that seemed to run joyously from beneath the seven Mountains (the fountainhead of this fearful river). The Angel told me that the seven strange Mountains are the Supreme manifestations of the **'Seven Spirits of God'** in this particular Heavenly realm.

He explained that Jehovah God and His Christ plus the Seven Spirits of God, are **'One GOD in Eternity'**. I learnt that when Our Lord Jesus Christ spoke of **'Father, Son and Holy Ghost' or Holy Spirit**, (Matt. 28:19), He was speaking of Jehovah God, His Christ and the Seven Spirits. These Seven Spirits were revealed to Saint John as **“Seven lamps of fire burning before the throne, which are the Seven Spirits of God”** (Rev. 4:5).

Thus, when Saint John pronounced **“Peace from Him which is, and which was, and which is to come; and from the Seven Spirits which are before His throne; and from Jesus Christ, who is the faithful witness”** (Rev. 1:4,5), it means peace from the Father, the Son and the Holy Spirit. John saw the Seven Spirits of God as seven lamps of fire before the Throne of God, as manifested in that realm at that time. Thus, it becomes evident that the Living God Jehovah, the Father of all

Creation and the Supreme LORD of all manifestations, is the Consummate Possessor of the Supreme Seven Spirits, the One Eternal Holy Spirit, which is Himself.

Furthermore, when Christ manifested in that realm of Heaven, at that point in time, in the form of a strange animal, John saw Him stood in the midst of the Throne in the form of **“a Lamb as it had been slain, having seven horns and seven eyes, which are the Seven Spirits of God”** (Rev. 5:6). It is also evident thus that the Lamb is another Version of the ONE on the Throne, for the Lamb also possessed the full Seven Spirits, the One Eternal Holy Spirit, which is Himself.

The Angel told me that in all the realms of life, Jehovah God and His Christ must be served by the entire creation. The Holy Spirit is served by serving Jehovah God and His Christ. There is One God 'JEHOVAH' who also manifested Himself as Christ. Our Lord Jesus Christ told Philip: **“Do you not recognize and know Me yet, Philip? Anyone who has seen Me has seen the Father”** (John 14:9, Amplified Bible). Christ is not a creature, but God, that manifested on Earth in the **'Order of the Son'**.

No creature is to be worshipped, no matter how great, above or beneath. However, the Scripture says that every creature in all the realms simultaneously worshipped Jehovah God and His Christ in the same way (Rev. 5:13), showing that they are One in Two

Supreme Versions. And by worshipping Them as such, the Holy Spirit is thus eternally worshipped.

## THE SECRET OF SECRETS

The distance where I was with the Angel that talked with me to the Thrones and the Seven Spirits, appeared to me to be about 5km. There, we were in total obeisance and reverence while observing these things. I asked the Angel why the LORD, in His Two Versions of FATHER and SON, changed from the form of black men to something else. He explained that God has diverse unlimited forms in different realms. The Angel further said to me, as we left the realm of the manifestations of Jehovah God, His Christ and the Seven Spirits:

***“My beloved one, what the children of men call God, has secret of secrets and hidden aspects that can never be known by any creature in eternity. In this our Heavenly realm, God has an aspect that is eternally manifested. His changing from one form to another is the validity of His multidimensional Supreme BEING.***

I asked the Angel another question on what he knows

regarding to the core nature of God. I wanted to be sure of the deep concept of God, which the Angelic Beings and the 'Wise Ones' of the Heavenly realms hold. He spoke to me as follows:

(i) *“What is known as God, is the sum of all existence. God is the Everlasting Divine Pyramid of all existence, from the little ant to the mighty Sun, and far beyond, all which are interrelated. He is the POWER gestalt of all powers in all the realms. Because of this, He knows about the ant that moves, for He is the ant that moves.*

(ii) *“God is all things, yet God is for ever beyond and above all things.*

(iii) *“When the Lord God manifests here or in any realm, in one or more Versions, He comes forth from His hidden invisible aspect, the final aspect of God, that we can't see, but we know that is His core aspect. That aspect we call the PURE ETERNAL SPIRIT.*

(iv) *“What This PURE*

***ETERNAL SPIRIT is, in totality, is not known to us. But we know that This Absolute Spirit, God, is eternally searching for two things.***

***(v) “From that which we know as 'eternity-past' till now that I speak to you, the first fruitless search of God is, using your human terms, to know or remember how He came about to become what He is. The second fruitless search is to find whether there is another of His kind, at His level, anywhere.***

***(vi) “The reciprocal dream of the Almighty God, wherein He saw within Himself before He caused them into diverse manifestations, infinite number of Mighty Powerful Beings of different realms, is in a way the result of this eternal fruitless search. So we know that there is not another like Him. He is the All in all”.***

**The Lord Bless Thee!**

## DIVINE ENLIGHTENMENT

***“And the disciples came and said unto him, why speakest thou unto them in parables? He answered and said unto them, because it is given unto you to know the mysteries of the kingdom of Heaven, but to them it is not given***

***-Matt. 13:10, 11***

### THE ORIGIN OF ANGELS

The Holy Scriptures did not give specific account of how God created the Angelic Beings of the Heavenly realms, as in the case of the earthmen. I used the opportunity of my talking with the Angel to ask him how God created the entities of the Heavens – Angels, Living Creatures, Cherubims, Seraphims, Watchers etc. he answered and said:

***“These things were kept for ages, because they are beyond human***

*ways of thought. But the time has come for the children of men to know. Harbinger, when God personified and stood as Seven Spirits, the Seven became 'The Supreme Lords of Creation'. They are the 'Elohim' that created all things.*

*“From the breathe of the Mighty Eternal Elohim, certain unnumbered Great Ones of the Almighty, of different degrees, came forth.*

*“The breathe of the Supreme Lords of Creation, held in a state of Divine Potential the unnumbered Great Ones that later came forth. The breathe, mutated into what you may call 'stones of fire', is the subtle fabrics that composed the individualized units of the Great Ones.*

*“Each of the Great Ones that came forth: the Mighty Galactic Lords, Watchers, Cherubims and*

*Seraphims, the Living Creatures, Archangels and the Blessed Ones not known to men, brought forth others, but not in the manner of men. In each were many, which you call Angels, held in the state of Divine Potential. And by mere sneezing, using your term, they (Angels) came forth in joy, walking upon that from which they are made, even the 'stones of fire'. Other ways by which the Angels, and things unknown to men, come forth in diverse realms of Divine Heavens cannot be understood now by humans”.*

## HOW TO ADDRESS THE LORD

All that this Angel told me cannot be published here for now. But one thing is certain: the Heavens speak to man based on the level of what such a man knows; that is on where he is placed by the Lord in the scale of the One Eternal God

After this, the Angel led me to a certain realm of Heaven where I met some of the . Prophets of old and true Saints, who now live in the higher realm of Jehovah God and

His Christ. I saw Daniel. He came to me and spoke of himself as the very Daniel mentioned in the Scriptures, who was chief over all the wise men in the days of Nebuchadnezzar, King of ancient Babylon. I also saw Saint Peter, who was the administrative head of the Apostles in Jerusalem, after the Ascension of Our Lord Jesus Christ. Though I saw many other Prophets and Saints of old, but Daniel and Peter specifically spoke to me.

Daniel spoke and specifically emphasized that Heaven is the true home of pure souls, wherein nothing unclean is found. He then pointed out one mistake that many make on Earth, with regards to how they address the Lord. He stated that it is not proper to address the Lord, who died on the cross to save the world, merely as 'Jesus.'

He further pointed out that in earthly terms '**Jesus**' is a name that any human being can bear. It is true that there are some people past and present who bear this name '**Jesus.**' I learnt from him that Heaven expects the Earth to take very serious the sacred teachings embodied in the Kingdom of God in this regard.

Furthermore, Daniel said: "**The Angels and Saints of the Kingdom of God frown when the children of men on Earth call the King of kings and Lord of lords 'Jesus,' like they do when they say in Jesus name.**" This, according to him, is contrary to what is expected in Heaven and the Kingdom of God in all the realms, including the world of man.

**"Though,"** he further stated, **"the Lord may overlook**

**this, and consider it as one of the defects of souls still in the world of human existence; yet it is the desire of the Kingdom of God that the Lord should be properly addressed always."**

How do we properly address the Lord? In this connection, Daniel spoke and said: **"Brother Iyke, let the Christians on Earth know that the proper way to address the Lord of all the realms of existence, who saved the world by His Blood, as demanded by the Kingdom of God, is thus: Our Lord Jesus Christ."** Daniel continued: **"Therefore let them know that even in their prayers they should not say 'in Jesus name' rather they should call Him Our Lord Jesus Christ."**

I turned to Saint Peter and said: **"Brother Peter, it is reported in the Holy Scriptures that you and other Apostles at diverse times addressed the Lord merely as 'Jesus' even in your prayers."** Peter held my hand at this point and spoke to me thus: **"Yes, but based on the knowledge we had then. You must know that the Scripture is a divine clue, pointing to that which is perfect. Heaven is the realm of perfection. Therefore one must be ready to comprehend things, in the Kingdom of God, on a more perfect level than is generally known among men"**.

Daniel and Peter took time to speak to me on different matters of the kingdom of God, nay the realms of Heaven. The issue of addressing the true Lord, not merely as 'Jesus,' but as **'Our Lord Jesus Christ,'** was seriously emphasized, as a point of difference between the name of the Lord and other human beings bearing

the same name, 'Jesus.'

## PROPER WORSHIP

On the subject matter of proper worship of the Almighty God, a message was sent forth to all those that call upon the name of the Lord in the world of man. It was said that, especially during the moment of praying to the Lord and worship, **“one should fall on his face and bow his head on the ground to the glory of the Father, Son and Holy Ghost. So that it would be done on Earth as it is done in Heaven”**.

This is what all the Great Beings in Heaven do before the Throne of the Almighty. Remember the Twenty Four Elders mentioned in Revelation. The Scripture spoke of them thus: ***"The four and twenty Elders fall down before Him that sat on the Throne, and worship Him that liveth forever and ever, and cast their crowns before the Throne."*** (Rev. 4: 10). Our father Abraham also walked on this holy path of proper worship, for the guidance of the children of God in all generations. On how Abraham worshipped God, Genesis chapter 18 verses 1 to 3 says:

***"And the LORD appeared unto him in the plains of Mamre; and he sat in the tent door in the heat of the day; and he lift up his eyes... and bowed himself toward the ground, and said, My Lord, if now***

*I have found favour in thy sight,  
pass not away, I pray thee, from  
thy servant."*

Even Our Lord Jesus Christ did this while he was on Earth as the '**The Son of Man**,' for the children of men to know how to worship the Lord God Almighty. The Scripture says that when the Lord entered the Garden of Gethsemane to pray, "*He went a little farther, and fell on His face, and prayed*" (Math. 26: 39).

There may be those who bow their heads on the ground to worship false gods of darkness, or even in honour of the earthly kings. But this practice is actually for the Saints, the Angels and all things only to the glory of Jehovah God and His Christ. The perversion is when this is done to honour man-made deities and unclean things.

## ETERNAL BLISS

Daniel spoke to me and said: "**Here in the Kingdom of Heaven, we spend every moment in the experience of eternal bliss that cannot be comprehended in the human world.**"

Saint Peter looked at me for a moment and said: "**We, the Saints and everything here, do not know anything like death. Here, such things as hours, minutes or days have no meaning.**" He also spoke as follows:

*"There are unlimited creative activities here designed for the constant maintenance of different realms of existence. We play different roles within this framework. Presently I am involved, with some others here, in the role of divine enlightenment in certain realms including the Earth. In doing this, we operate within the framework of God's knowledge that will make sense to the receiver.*

*"Here we know, yet we learn. We are still learning several things about God. We now understand that in eternity we must learn. The knowledge of God is unlimited in eternity, even as the Lord God is unlimited. There are aspects of the thoughts of God, completely unknown in earthly terms, that constitute our learning at the present.*

*"For now we know how this, in some systems of life beyond the Earth, such as the Heavens, forms great elements existing in the order of musical patterns.*

*Nevertheless, how this particular Divine Thoughts, in the framework of musical, patterns, stimulate diverse universal creativity, is what we don't know for now. This is the basis of what we are learning; it consists of our studies at the moment.*

*"Some Beings here have mastered this understanding and progressed to a different realm, higher realities, of divine learning. But to those of us involved in this, we would consummate our learning along this line, before or by the end of five hundred years of human calculation from now. All Beings in the Heavenly realms are not on the same level in the system of God's Divine knowledge."*

*"There are various levels of divine knowledge in this eternal realm of the Most High God. Thus, the Angels, the Saints and different Beings here, are on diverse levels within the framework of God's Power,*

***Knowledge and Light.***

***"There are strange Beings here, Living Creatures, whose order of existence and operations are far beyond other Beings in all facets. These Living Creatures have a unique psychological structure that far exceeds even that of the Archangels, and little can be known of their structure in human terms."***

HEAVENLY MANSIONS

*I asked a question which Daniel answered. My question had to do with the issue of accommodation, mansion, or the dwelling place of the Saints and other Beings in Heaven. To this end, Daniel said:*

***"The issue of accommodation, a dwelling place, in terms of human understanding, has no meaning here.***

***"The citizens of Heaven live within the essence of the true nature of order, which goes beyond the understanding of the elements of a dwelling place as***

*known to man.*

*"For instance, the totality of all facets of myself is the building, the dwelling place, of my true identity. This certainly would be difficult for man to understand.*

*"Nevertheless, here we are empowered with the Divine Fabrics of the elements of Heaven, which exist for creativity unlimited. With this we form several things, including what man would consider 'mansions', that cannot be fully explained in human terms. My abode, for instance, escapes the sense of organized continuity as known to the children of men.*

*"Here in the Kingdom of Heaven, we consciously experience God in each moment of existence. We constantly experience, in practical terms, the Divine touch and flow of the Spirit of God.*

*"This we do in an entirely different fashion from that of the*

*world of mankind. We have a high sense of pleasure, eternal pleasure, which has no equivalent even in the greatest material enjoyment of the Earth.*

*"No one here can hide anything in thoughts, words, or deeds; you can hide nothing from others, even if you wished to. Yet no one seeks or desires to enter into the confidentiality or independence of another. We have an advanced order of attitude that brings a kind of restriction; a method of life which requires everyone to mind his business.*

*"We fully understand the cooperative nature of our collective and individual existence; and this is highly respected and appreciated.*

*"The fabrics of our collective and private existence are built upon the elements of the eternal truth that 'all is well.' Therefore we do not entertain or consider thoughts in the light of positive and*

*negative, as men do on Earth, for such is completely out of place here. Everything here is well and positive.*

*'We have at our full command the full force of the Spirit of God, which we are granted the grace to use in different ways, for the benefit of all the realms of existence.*

*"The foremost principle here demands that this must never be diverted into personal aggrandizement. This was were the Prince of Darkness (Lucifer) and others failed.*

*"By insubordination they infringed on this holy principle and finally became 'forces of darkness'. Their ultimate sentence to the pit of flames by the Lord God and sealed by the Blood of Our Lord Jesus Christ, is the consummate lesson for all the forces of Heaven.*

*"To this end, hitherto every use of*

*the force of the Spirit of the Lord God Almighty here, even for personal purposes, must be to the glory of the One Eternal God. By this, we spend every moment within the perfect essence of the creative joy of play, for the pleasure of the Father, the Son and the Holy Ghost, the One Eternal God."*

## ACCLIMATIZATION IN HEAVEN

Then I asked a question, saying: **"What is the position of the children of God on Earth now, who come into this place after death?"** Saint Peter answered me and said:

*"The position we are now is not that which the children of God attain here immediately after death on Earth. The Soul that comes here from Earth must first pass through a process of acclimatization, without which there would be a kind of disorientation.*

*"During the period of*

*acclimatization, one is placed under the guardianship of a Being that has mastered the art of existence in Heaven. The guardian will guide the Soul newly dead, in earthly terms, to fully recognize the modus operandi of existence here.*

*"The period of acclimatization in Heaven takes between 150 to 200 years of human calculation. Remember the holy teachings of Our Lord Jesus Christ on this subject matter. He made it known that when the righteous beggar, Lazarus, died on Earth, he 'was carried by the Angels into Abraham's bosom.' (See Luke 16: 22).*

*"The bosom of Abraham represents his shelter, his guardianship, wherein Lazarus remained in order to be firstly educated on the process of the system of existence in Heaven. It does not mean that Lazarus must remain in Abraham's bosom throughout eternity. He has to*

*progress beyond father Abraham's bosom to other higher layers within the framework of Heaven.*

*"It is like when a child is born on Earth. The child will remain in the bosom of his parents for proper guardianship, till the time comes when he goes beyond this to the state of independence. For now, Brother Lyke, this is enough."*

The Lord Bless Thee

## BEYOND LIMITATION

**"For our conversation is  
in heaven; where also we  
look for the Saviour, the  
Lord Jesus Christ.**

**-Phil. 3.20**

### THE BOOK OF REMEMBRANCE

As Saint Peter ended speaking, a Mighty Angel of God came into our midst. I was told that this Angel is the one who keeps charge of the 'Book of Remembrance' before the Lord God Almighty, in this realm.

This Holy Book in Heaven contains, amongst others, the names of all those that 'fear' (love) the Lord on Earth and think always of Him. I saw this Book of Remembrance in volumes that man cannot count. The Holy Scripture spoke of this Book in Malachi chapter 3 verse 16 and said:

**"Then they that feared the  
LORD spake often one to  
another: and the LORD  
hearkened, and heard it, and a**

**Book of Remembrance was written before Him for them that feared the LORD, and that thought upon His name.”**

I learnt from the Angel that every thought, word and deed of man, made for the glory and praise of the Lord God Almighty, is recorded in the Book of Remembrance. The Angel told me that the record of this book serves as a framework for what the Spirit of God does to the children of God on Earth, as well as the spiritual account of all humans.

## ELEMENTS OF CREATION

Thereafter, the Angel of God, who was with me at first, led me in the Spirit into a certain region in Heaven. Here I saw an endless pool of strange and complicated elements, which human words cannot describe.

The Angel explained that the elements are dormant at the stage in which I saw them. When activated by the Words of the Lord, the Spirit of God, the dormant elements come within the system of the propensity of mutation, and by transmutation serve as the sole ultimate fabrics of creativity.

He further explained that the realm of God and all the realms of existence, such as the Heavens (higher Planetary Systems including the Sun, Moon and Stars), the Earth, amongst others, are offshoots of these

primordial elements. These elements are the dormant aspects of the multidimensional nature of God, which only God Himself activates by His Word.

He revealed that in the beginning of creation, when God spoke His first creative Word, "LET," for the creation of the universe, the infinite potency of His Word activated the aforementioned elements to manifest the diverse forms of millions of species in all the realms of life.

The Angel said to me: **"Brother Iyke, Habinger of the Last Covenant, from the human point of view, the Angelic Beings of the realms of Heaven have perfect knowledge of the Almighty God. But from our point of reference, we know nothing."**

And it came to pass that the Angel led me in the Spirit into a realm in Heaven, wherein I saw a happy race of Beings, including human Beings that once lived on Earth.

These were they who left the Earth, after death in physical terms, not beyond fifty years of human calculation, as I was told. They were all very joyful, but involved in the aforementioned art of acclimatization.

## DIVINE EMPOWERMENT

Now, it happened that same night that I was led into the Heavenly realms, while seeking the face of the Lord my God through fasting and prayer, that the Lord came

physically into my residence.

After taking me to see those that left the Earth not so long ago, the Angel came with me into my house on Earth. Then I was disconnected . But as I lifted up my eyes, I saw the Lord standing in the center of my prayer room. He was clothed with a scarlet robe whilst holding a full bucket of water in one hand and a little tape recorder in another hand.

The Lord led me into a certain location in my house, where he opened the center of my head and planted inside it the little tape recorder in His hand. He closed up my head that He had opened. Also He poured the bucket of water on my head, washing same with His hands. And the Lord spoke certain things to me, as He was washing my head.

Thereafter the Lord sat down that night in my prayer room. He also asked me to sit down and listen to Him, saying: **"I am the Lord, Maintainer of all things."**

## TAUGHT BY HIM

Immediately a strong thought came into my mind, as if it was forced into my consciousness by the Holy Spirit.

This thought concerned a portion of the sayings of Our Lord Jesus Christ that I was meditating on the previous day, yet could not understand its true meaning.

Though I have studied different interpretations of that

portion by different Bible Scholars past and present, yet I was still of the conviction that none has exposed the true meaning of that portion.

Now, the portion in question is a statement of Our Lord Jesus Christ, as recorded in the Gospel according to Saint Matthew, chapter 11 verse 1. There the Lord said:

***"Verily I say unto you, among them that are born of women there hath not risen a greater than J o h n   t h e   B a p t i s t : notwithstanding he that is least in the Kingdom of Heaven is greater than he."***

This portion of the Scripture filled my heart, as I sat on the floor facing the Lord, who manifested in my prayer room in the hour of the night, and sat down in the manner of the sons of men. Knowing fully what was going on within me, which He probably caused in the first place to come into my consciousness, the Lord spoke to me, saying: **"Brother Iyke, you don't understand that portion of My Word?"** I said, **"yes my Lord."** Then He said: **"Of a truth, many have given that portion wrong interpretations, even as they misinterpret most of My Words today among the children of men"**

Then the Lord of Hosts, who by His causeless mercy manifested to me, spoke again, saying:

***"When I said that the least in the***

*Kingdom of Heaven is greater than John the Baptist, I was actually speaking of Myself. Behold, I am the greatest and the least in the Kingdom of Heaven. Recall when I revealed Myself to John the Beloved, in the Book of Revelation.*

*"There I took different forms, but the least of them all, which he saw in the radiant vicinity of God, is that of a lamb.*

*"In the midst of the One who sits on the Throne, who is the Lord God Almighty and Greatest in eternity; even in the midst of the Seven Great Spirits of God, the Four Living Creatures and the Twenty Four Elders, I appeared as the Lamb that was slain.*

*"But, behold, I am He that sits on the Throne, the Greatest, and I am the least in Heaven, the Lamb that was slain. And every creature must worship He that sits on the Throne and the Lamb forever".*

I learnt from the Lord that night, that He who sits on the Throne, according to Revelation chapters 4 and 5, is the same who took the form of a Lamb. Thus we found in

Revelation chapter 5 verse 13 that He who sits on the Throne and the Lamb were simultaneously worshipped by all creature, as earlier stated.

*"And every creature which is in heaven, and on the earth, and under the earth, and such as are in the sea, and all that are in them, heard I saying, blessing and honour, and glory, and power, be unto Him that sitteth upon the Throne, and unto the Lamb forever and ever."*

## UNLIMITED FORMS

The Lord spoke to me and said: **"My diverse forms of manifestations are unlimited in eternity. Each form of My manifestations lives forever and possesses My complete Power, Love, Knowledge and Holiness."**

Of a truth even the Scriptures confirm that the Lord does reveal Himself in different forms. For instance, (as I said from the beginning of this book) in Revelation chapter 5, the Lord took the form of a Lamb with Seven eyes and Seven horns.

While He was physically on Earth, as The Son of Man, He had a form by which He was known to His earthly parents, relations, friends, enemies and disciples.

After His death and resurrection, the Lord took a different form with which He appeared to two of His disciples on their way to a village called Emmaus, as recorded in verses 13 to 32 of Luke chapter 24.

Even in the Book of Revelation, Our Lord Jesus Christ first appeared to John, not in His form of a Lamb, but in a form that the children of men are not used to. In chapter 1 verses 10 to 18, we read:

*"I was in the Spirit on the Lord's day, and heard behind me a great voice, as of a trumpet, saying, I am Alpha and Omega, the First and the Last ... And I turned to see the voice that spake with Me. And being turned, I saw seven golden candlesticks;*

*"And in the midst of the seven candlesticks one like unto The Son of Man, clothed with a garment down to the foot, and girt about the paps with a golden girdle.*

*"His head and His hairs were white like wool, as white as snow; and His eyes were as a flame of fire; And His feet like unto fine brass, as if they burned in a furnace; and His voice as the*

*sound of many waters.*

*"And He had in His right hand seven stars: and out of His mouth went a sharp two edged sword: and His countenance was as the sun shineth in his strength.*

*"And when I saw Him, I fell at His feet as dead. And He laid His right hand upon me, saying unto me, fear not; I am the First and the Last; I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death."*

Apart from this glorious form of the Lord, His form as the Lamb and the form with which He sat upon the Throne, wherein John saw Him and wrote that He was **"like a jasper and sardine stone,"** He still appeared in another form in the same Revelation chapter 19 verses 11 to 16.

## GREAT LESSONS

That same night, I also learnt a great lesson from the Lord, who sat in my prayer room, on the eternal potency of His Holy Name and Forms. For it happened that the Lord spoke to me and said:

*"Harbinger of the Last Covenant, the Lord your God is Eternal. This is a fact that those who believe in Me know, which I also revealed in the Holy Scriptures.*

*"Behold, this fact also includes the reality that your Lord is Absolute. The Absolute is the Consummate First Cause. Your Lord is the base before the beginning and the base after the end. "Verily, I am the Cause of all causes; I am the Sole Ultimate Reality.*

*"Whereas I, your Lord, am Absolute, I am the Complete Whole. All systems of reality and realms of existence emanate from Me. And they are complete within the units of their existence.*

*"Because I am eternally Complete, Perfect and Absolute, though diverse multitudinous systems of reality emanate from Me, I remain forever the Consummate Balance of the entire Universal Systems.*

*“Harbinger, the consummation of the balance of all the systems and realms of physical, metaphysical and spiritual realities, is solely tabulated by My Supreme Omnipresent Spirit, which forever is One with Myself.*

*"The Lord your God is One with His Spirit. In the eternal essence of this Oneness, it is the Spirit of your Lord that brings into manifestation all the attributes of the Godhead.*

*"Behold, all the attributes, qualities and paraphernalias of the Godhead are manifested in the entire realms of life through My form and name.*

*"Therefore, My eternal Supreme Power, Love, Divine Protection, Knowledge, Mercy, the Consuming Fire which I am and all My qualities unlimited, are fully present in My form and Holy name.*

*"My form, carries all that is in My name, and My Name brings forth My Power and all that is*

*in it. There is no difference between My Self, My Spirit, My Form and My Holy Name.*

*"My Holy name is the total sound representation of My form, My Spirit, the Spirit of your Lord."*

*"During My Advent on Earth, in My form wherein I was known as Jesus Christ, I did say 'Where two or three are gathered together in My name, there am I in the midst of them.'*

*"This means that My name brings My Spiritual form into manifestation, and sets in motion My Power with all My qualities, paraphernalias and attributes.*

*"On this note, the Scripture has it that 'whosoever shall call upon the Name of the Lord shall be saved.' My name saves, because it carries My Power and operates eternally beyond the limitations of Space, Matter, Universal Energy and Time.*

***"You must know that My forms of manifestation and Holy names in all the realms of the Heavens, the Earth, beneath the Earth and the Sea, as well as the realms of My Supreme Abode, are unlimited in eternity."***

***I had this experience of the Lord's Divine Visitation physically in my house during which He planted a tape inside my head, washed my head and spoke these things, as one of His foremost Divine Visitations to me.***

## HIS NAME OF POWER

I learnt from the Lord that the Name He reveals Himself with, is the one that brings into manifestation His endless Power, Love Knowledge, amongst others. He spoke specifically of the Holy Names with which He revealed Himself to mankind. For instance, the Lord of Hosts, in the days of Moses, revealed Himself as Jehovah.

When he came to the Earth as The Son of Man, he took another Name, Jesus Christ, and in this Mighty Name many wonders are done even unto this day.

In 96 A.D., after His Holy Names, Jehovah and Jesus Christ, were already known among men, He promised to reveal Himself with yet another Name, a new Name. This we found in Revelation chapter 3 verse 12. **“... and I will write upon him my new name.”**

Nevertheless, before the Lord disappeared from my prayer room, He made it clear that the foremost basis of the manifestation of Power via His Holy Name, on whosoever that calls upon Him, is absolute faith in Him, the Most Holy, Most High God. Then he revealed to me His new name and disappeared, but this I am not permitted to reveal.

**GOD BLESS THE READER!!!**
