CLARIFICATION OF IDENTITY

(Iyke Nathan Uzorma is not Protus Nathan Uzorma)

Following the column of Prof. Protus Nathan Uzorma (Nathan Uzorma Protus) on '**Philosophical Reflections**' every Wednesday in the 'DAILY SUN' newspaper (Nigeria), several people at one time or the other, have genuinely sought to know from us whether **Prof. Iyke Nathan Uzorma, Harbinger of the Last Covenant**, *(of the former Occult Grand Master, now in Christ fame)* is the one writing '**Philosophical Reflections**' in the 'DAILY SUN.'

Some people, however, having mistaken Protus Nathan Uzorma to be Iyke Nathan Uzorma, have cast aspersions on the latter based on the writings of the former. For instance, one Onyero Mgbejuna in an article posted in the website (www.sunnewsonline.com), '**The question of virgin birth and the deity of Jesus**,' Thursday April 16, 2009), judged and condemned the **Harbinger of the Last Covenant (IYKE NATHAN UZORMA)** while reacting to the article of Protus Nathan Uzorma. Part of what Onyero Mgbejuna wrote, reads:

“I read with keen interest and inclination towards asking searching questions, the articles written in your widely read Daily Sun newspaper of Wednesday, March 18, 2009. In the two articles written by Sina Adedipe

and Prof. Nathan Uzorma Protus, the questions of Virgin Birth and Deity of Our Lord and Saviour Jesus Christ are subjects of comment by the two writers. In his article Prof. Uzorma said that **'the great question to the Christian world is: Why is the virgin birth of other star beings and sages said to be demonic and that of Christ divine'....** Things of the Spirit can only be perceived by those who have the Spirit of God, those who have accepted the Lordship of the Lord Jesus Christ. People like **Prof. Iyke Nathan Uzorma...** is deceptive and thus should be regarded as an antichrist... **Prof. Iyke** should also be regarded as an atheist empowered by Satan to confuse and deceive people.”

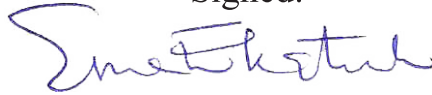

While we pray the LORD to forgive Onyero Mgbejum for this malicious error, including those who falsely allege that Iyke Nathan Uzorma has gone back to the occult and for whatever the powers of darkness have used same to achieve, we also advice anyone who claims to 'defend' the LORD to be very watchful through the Holy Spirit, so that one will not degrade the true work of Christ while 'fighting' for the Almighty. And for the avoidance of doubt, let it be known that Prof. Iyke Nathan Uzorma is the elder brother of Prof. Protus

Clarification of Identity

PRELUDE

For those who think Prof. Iyke Nathan Uzorma is still an occult Grand Master, they better have a change of mind, this is because the Power of God has completely changed him in the pool of the Blood of Jesus Christ. This is part of the great mystery of God in our time.

Moses, the renowned leader of Israel and Prophet of God, was brought up in the palace of Pharaoh, who was well known for occultism. Apostle Paul was caught up by Christ at the highest point of his unrighteousness and was called unto repentance.

The mysteries surrounding the personality of

**His Divine Grace,
Prof. Iyke Nathan Uzorma,
Harbinger of the Last Covenant',**

go a long way to show that the Almighty God is the Creator of all, and may give the wildest rope to anyone to wander as long as he or she wishes, only to draw him or her to Himself whenever He needs such a person.

Iyke Nathan Uzorma might have been dangerously used to the glory of the powers of darkness in the past. He might have been worshipped as a deity in the occult world. Yet all these might have been ultimately

permitted by God as a lesson unto mankind.

All his past exploits in the world of the occult do not interest him anymore, rather he is interested now on his great mission as the Apostle of Christ and Harbinger of the Lord on Earth. That the former occult Grand Master is now fully in Christ is a testimony that there is nobody or circumstance that God cannot change .

(Lagos, Nigeria, based evening newspaper.)

INTRODUCTION

“But the path of the just is like the shining light, that shineth more and more unto the perfect day” . (Pro. 4: 18).

I have often said that there are more than the eyes can see. We have an adage that:

“the person on the top of a palm tree is in a better position to say whether the palm fruit is ripe or not.”

As I write this book and as I speak to the earthmen on the limitless Power of the Holy Spirit via Our Lord Jesus Christ, let me boldly say that I am my own number one evidence that Christ is real. The reality of Christ is not limited on the pages of the Holy Scriptures.

Having been deceived to serve both as Grand Master and Avatar in the vicious network of occult, psychic and esoteric systems of power, and finally encountered the Sole Ultimate Power, which is Christ, I am now placed in a position to tell mankind in practical terms that there are invisible powers, and that the Power of the Holy Spirit is the consummate in eternity. The essence of this, however, is for one to take his spiritual life in Jesus Christ serious.

Some people are not serious with their faith in Christ, that is in their spiritual life in Him. Such people do not realize that in the very thing which they toy with lies the true Power of the Almighty God. Now, be informed that Christianity is not in theory but in Power. Another name of Christ therefore is POWER; and therein lies the evidence of His Being. Without the demonstration of Power, Christ consciousness will not rise in the light of eternal validity.

It is the realm of Power that the evidence of the reality of Christ becomes irresistible in all the planes of existence. In the realm of mental speculation and much words, the earthman may deny the reality of the ultimate Divine Incarnation of the Living God Jesus Christ. But he must be discomfited and subjugated when the glorious Power of God is in motion in the name of Christ. No Spirit Angel, man or any creature can rise in opposition and prevail when Our Lord Jesus Christ is at work.

Consequently it becomes something of a great surprise when one who claims to be a true believer in the Lord Jesus Christ is reported to have been ruined or maimed by witchcraft or any other vicious psychic entity of the occult world. When a "Born Again" confesses that vicious spirits have plucked out one of his eyes, for instance, the question then is: Was he truly born again and living under the Divine protection of the Holy Spirit? I don't think so.

Some believers do not know that the evil spirits they fear are in reality afraid of the children of God. Even the elements of nature and the most vicious spirits are set forth by the Will of God to fear and serve the sons and daughters of Most High God. A true child of God is recognized in all the realms of existence, be it the realms of Light or that of darkness, including even the dream world.

The recognition of the faithful in all the systems of reality is because of the seal of the Living God Jehovah, which shines as Light on their foreheads. This Great Light, which cannot be seen with the physical eyes, shines forth and is perceived by both the Angels of Light and the forces of darkness. This Light is the symbol of Universal recognition. Our Lord Jesus Christ told the faithful:

“You are the light of the world....”
(Math 5:14).

This Light is valid, It is real. And whosoever possesses it, is absolutely free in this Universe. The Holy Spirit is searching for those who have this Light, so that through them He will free those that are under the yoke of bondage. This Light therefore is the Universal Signet of sonship, showing that one is a true son or daughter of God.

The Light I am speaking of is very important.

Remember it was said by a vicious spirit to the sons of Sceva:

“Jesus I know, and Paul I know; but who are ye?” **(see Acts 19 : 13- 16).**

If you are a true citizen of God's Kingdom, there is absolutely nothing in the Universe that can harm you. This is the message that this book is designed to spread.

This book provides answers to questions on the subject matter of spiritual warfare. I pray the Holy Spirit to guide you as you read this book, in the Name of Our Lord Jesus Christ. Amen

-Iyke Nathan Uzorma

CHAPTER 1

THE LORD IS REAL TO ME

“*I will say of the LORD, He is my refuge and my fortress: my God; in Him will I trust.*” (Psm. 91: 2)

If all you know about your Creator is what you are told by others, then you don't know yet as much as you ought to know in your present human existence. Your faith and love towards God will surely increase, and the Lord will become very real to you, when you begin to experience Him. The correlation of this experience, via the recognition of your mental act, brings the necessary value and thus the validity that goes with it.

Without this conscious recognition, the earthman will be ignorant of the fact that God operates within the framework of his daily experience. He may not know that he taps from the Eternal Spirit by his daily experience, based on the degree of his love for God as well as his faith, his mental attitude, towards the Lord God. Consequently, it will always be to you according to your faith, your inner thought pattern. Your faith must be firm in the Lord if you want to experience more of His Finger in your life.

THE REALITY OF HIS POWER

The Lord God has proven to me at diverse times, since He called me, the reality of His Supreme Power. The Spirit of the Lord can do anything. There is no impossibility before Him. I am speaking from my personal experience. Let me re-call my experience in this connection, which took place eighteen years ago and about two years after my conversion, while I was still resident at Benin City, Nigeria, before I moved down to Warri.

At that time, I took my fiancée Udeme, now my wife, to a supermarket to buy a few things. While I was out of my house, four hired assassins came to my residence to take my life. They had come about five days earlier on, for this purpose, but I was away holding a Christian programme in Lagos. Upon my return from the programme, I went into three days prayer and fasting, as I was directed by the Holy Spirit. But I did not receive any spiritual message in this regard in the course of my fasting and prayer.

When these assassins came back this second time, they began to shout:

“where is this Iyke of a man”

and shooting their guns. In the course of shooting, one of them by mistake killed his fellow. Then they quickly

took the dead away shouting that they must return to fulfill their mission. I knew that my exposing the secret network of evil powers in certain high places is what provoked their human agents to take action along this line.

A Christian brother rushed to the supermarket where I was with Udeme and reported what the agents of darkness were doing in my house, while their operation was on. There and then I went on my knees in prayer to the Lord my God. Immediately the Lord spoke to me, saying:

“Son of man, leave this city from the point wherein you are now.”

I knew that after buying the things that we needed from the supermarket, the amount of money left with me was only eight naira (less than a dollar) though Udeme had little amount also with her. As the Lord was speaking to me, He further said:

“You have eight naira left with you. Don't worry. Do not tell anyone or seek for financial help; do not even go to the bank for money. Behold, the eight naira with you stands for eight days in which you will seek your Lord through fasting and prayer. Surely on the eighth day, I will come by Myself to give you money.”

By the suggestion of Udeme, we left the supermarket that same hour and came to her father's house at Warri, Delta State, Nigeria. (From Benin City in Edo State to Warri in Delta State is about an hour's drive.) For the eight days we were with Udeme's dad, I was on serious fasting and prayer as directed by the Lord. I did not step out of the compound, rather I remained indoor. No one in Benin City or anywhere else knew my whereabouts, apart from Udeme, her dad and her younger brother with him. Her mum and other members of the family had traveled to their home town, Uyo, Akwa Ibom State.

With all my heart I believed in what the Lord told me, but on a human level I didn't know how He was going to do this. Even my friends in Warri did not know that I was around. Among them was Godwin Osaji, who then was the Manger of Union Bank, Ovwian-Aladja branch in Warri. Osaji was my assistant in the hierarchy of my former esoteric Order and was consequently converted after my strange encounter with the Lord, as many others did.

WHAT CHRIST CAN DO

Now, it happened on the sixth day of my confidential stay in Warri that a certain businessman went to the Union Bank to see the manager, Osaji. While with Osaji, the businessman saw my book (**OCCULT**

GRAND MASTER NOW IN CHRIST Vol. 1) on his table. He told Osaji that he had read the book and desires to meet the author someday. The man said that he would want me to step my foot into his house and bless his family.

When he learnt of my relationship with Osaji in the course of their discussion, he pleaded with Osaji to try and convince me to visit him. Upon the promise of my friend to do so, the man gave him fifteen thousand naira and said that it was for the fuelling of my car to bring me over. The next day, the seventh day of my stay in Warri, Osaji went to Benin City early in the morning to see me.

On his arrival in Benin City and hearing what happened, he was bamboozled. No one could tell him of my whereabouts. He went to Udemé's house and could not find her either. He reasoned that her daddy in Warri may know of our whereabouts. In the afternoon of that day, he came to Warri and finally saw me. We discussed and he gave me the fuel money whilst we agreed to fulfill the desire of the businessman the next day, being the eighth day of my stay in Warri.

The next day, the man and his household were waiting on the Lord through fasting and prayer, having been informed by Osaji of my coming to his house. By 2 pm, myself, Udemé and Osaji were in the residence of my host. I ministered to him and his household as led by the Holy Spirit. I observed that it was a family of

believers.

That day was my eighth day of being in Warri, in which the Lord had earlier promised He would give me money. In fulfillment of the word of the Lord, but unknown to my host, the brother (businessman) that same day gave support to my work in the Lord with millions of naira. The Lord did this to prove more to me the reality of His Power.

ELEMENTS OF FEAR

Nevertheless, following my experience with the assassins at Benin City, certain things began to happen to me in the area of my thinking. And I knew that it was not for my own spiritual interest in the Lord. Though such things have no basis in terms of my present life, but then it was a big problem to me for some time.

I knew that the Lord had shown His Power to increase my faith, not because of the amount of money that His Spirit brought, but because of the manner in which it came, specifically and solely in fulfillment of His word. I knew also that the Lord further demonstrated His Power by discomfiting the bad men and turned them against themselves instead of against me, when they came to my house. Yet I

still had some elements of fear in my mind then, because I did not understand why the Lord directed that I should leave Benin City immediately.

So I found myself thinking along this line:

'I believe the Lord is all-powerful, and if so why did He ask me to leave Benin? Does the Lord truly have all the powers as we are made to believe? Do humans by mere imagination assign mighty and limitless Power to the Lord, which in reality does not exist? Can the Lord truly do all things? If He can, why should I be asked to run away from Benin? Why did He not ask me to remain in Benin City, meet with the assassins face to face, so that His Power will come forth and subdue them?'

You see, matters of this nature, when considered along this line, may make sense on a human level. But the Supreme Universal Holy Spirit abhors this framework of thinking and does not manifest within its essence. To this end, if one's thinking becomes fixed along this line, he may end his earth-life as an unbeliever, except the Lord delivers him as He later did in my case.

THE FEAR OF DEATH

However, the bad boys didn't end there. They wanted to take my life by all means. They began to write series of letters, threatening to kill me anywhere and anytime they see me. They wanted by all means to kill me and thus stop the work of my exposing their works of darkness, that is all. I knew the people using the assassins. I was with them, and they don't want to be exposed at all. I knew all these.

Meanwhile, whenever it was announced that I would be ministering at any Christian programme, a letter of threat to my life would be sent by them, often with a strong vow to kill me, if I dare come to honour the programme. This made me then to fail in honouring some major crusades and revival programmes, while I managed to honour some, but with the fear of death on my mind.

This is one of the major problems associated with the limitations of a Soul inhabiting the human gross material body. To some extent, this has to do with lack of absolute and total faith in the Living God. The Spirit of God does not bring fear but that of darkness do. Even if your fear has a base in human terms, in the light of objective logic and reason, that base is completely baseless when the Holy Spirit comes into play. The Holy Spirit removes fear and brings in a sound mind.

“For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind”
(-2 Tim. 1:7)

REALITY OF THE HUMAN ASPECT

Regardless of what we are in the Lord, it is possible that occasionally the propensities of our human aspect, such as fear amongst others, would seek expression. It is only the Holy Spirit that can subjugate this and cause His Divine Force to dominate and rule the earthman. It is at this point that one transcends to the level of recognizing the illusion of fear. We also found in the Holy Scriptures that even Our Lord Jesus Christ occasionally tuned His Supreme Spirit down to demonstrate the propensities of His human aspect.

It is revealed in the Holy Scriptures that Our Lord Jesus Christ is both the Son of God and God Himself. **(See Heb. 1:6-8, 1Tim. 3:16, Jn. 1:1,14).** But when His Supreme Divine Force, Vibration and Infinite Potencies were regulated for Him to manifest on the Earth Planet as **The Son of Man**, He occasionally acted to show the reality of the limitation of His human aspect of Being. However, when He rose from the dead, He totally and completely discarded all human limitations and propensities. Then He as God returned into the cycle of the Godhead, in the order of the Son, which He was, is and ever shall be.

While acting on earth as **The Son of Man**, He did certain things within the framework of the limitation of the sons of men, some of which I would like us to consider, to buttress the foregoing subject matter. For instance, it is on record that whilst the Lord was playing His role on Earth as **The Son of Man**, He did weep:

. *“Jesus wept”* (John 11: 35).

Weeping does not belong to the realm of the Godhead from whence Christ came. Even Angels and other spiritual entities do not weep. The wise ones, the mighty Beings of the Almighty God, do not weep. They lament or weep neither for the dead nor for the living. Our Lord Jesus Christ wept therefore to demonstrate the emotion inherent within the framework of His human aspect.

Not only that, we are also told that Our Lord Jesus Christ as a,

“child grew, and waxed strong in spirit”,

and that He consequently

“increased in wisdom and stature”

(See Luke 2: 40, 52).

God does not grow nor increase in the consummate essence of His Sole Ultimate Reality. Thus such

expressions occur in the system of the limitations of the children of men. And the Lord passed through same in the order of **The Son of Man**.

Also the Lord, **The Son of Man**,

“fell asleep”, (Luke 8: 23).

But in His Most High spiritual order as the Lord God, the Scripture speaks of Him thus:

*“Behold, He that keepeth Israel shall
neither slumber nor sleep”*
(Psalm 121: 4).

Such a thing as sleep does not occur even in the realm of the Angels, not to talk of the realm of the Most High God. Thus, it represents the experience of His human aspect.

When He was *“in an agony”* **(Luke 22:44)**, as well as when He said:

*“My soul is exceeding sorrowful unto
death”* **(Mark 14: 34),**

including when He said:

*“My God, my God, why hast thou forsaken
me?”* **(Math. 27: 46),**

All were expressions and experiences within the mundane limit of the earthmen wherein He stood on the Earth Planet as **The Son of Man**.

Nevertheless, when the Lord rose from the dead, He banished all the propensities of His human aspect. Then He transmuted and mutated into the ultimate essence of His Godhood, in the realm of the Godhead, in which the Lord is both **The Son of God and God Himself**. To this end, Our Lord Jesus Christ finally proclaimed:

“...I am Alpha and Omega, the first and the last.... I am He that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death”
(Rev. 1: 11, 18).

If the Lord Himself could show the reality of His human aspect of Being on Earth, then no one can escape this. It is only His Spirit that can help us humans to transcend such mundane limits when necessary, so that our faith in, and love for, Him, will become more established. Without this Divine help from above, the earthman can not rise in the realm of the Holy Spirit. He may then find himself fluctuating between faith in the Living God and fear of the powers of darkness, between believe in God's word and doubt.

Remember that John the Baptist proclaimed the Divine Identity of Our Lord Jesus Christ as the

incarnation of God. (See **John 1: 35, 36; Math. 3: 11-14**) John did this solely under the auspices of the Holy Spirit, with total faith that Jesus is truly the Christ. Yet the same John doubted this supreme truth at a certain point. He even sent two people to ask the Lord privately thus:

“...Art thou He that should come, or do we look for another” **(Math. 11: 3).**

Even the earthly parents of the Lord also had fear, but were helped to overcome this by God through dream. (See **Math. 2: 19-22**). Something like this also happened to Elijah, who once became afraid of Jezebel, but God also helped him.

“When Ahab got home, he told Jezebel what Elijah had done and that he had slaughtered the prophets of Baal. So Jezebel sent this message to Elijah: May the gods also kill me if by this time tomorrow I have failed to take your life like those whom you killed. Elijah was afraid and fled for his life....”

- I Kings 19: 13.
(New Living Translation)

THE BASIS OF MY FEAR THEN

As earlier stated, the threat to my life by the agents of darkness instilled fear in me, to the end that the work of the Lord assigned to me was slowed down. I think this was part of the game-plan of the realm of darkness, which was ultimately designed to stop the work entirely. Honestly I must confess that the thought of fear could not leave me in those days, until the Lord came forth and helped me.

This thought then was based on certain considerations and mundane mental analysis. And if the Lord did not help me out, I wouldn't tell how long I would have lived with it. Specifically I knew that the Lord is able and more than able to preserve my life and give me victory, but whether or not He would like to do this, is what I could not tell categorically.

In those days, even when I open the Holy Scriptures and read of God's promises of protection, I still had both doubt and fear. One day I seriously read a hundred times **Psalms chapter 91 verse 3**, which says:

“Surely He shall deliver thee from the snare of the fowler; and from the noisome pestilence”.

Then I prayed to the Lord that He should please help me to fix my consciousness on this supreme promise of God. That same day a man of God, the Bishop of a

church, came to visit me. On the subject matter of my fear, he read the words of Christ, which has it thus:

“...and, lo, I am with you always, even unto the end of the world” (Math. 28: 20).

The answer of this man of God to my question on the reality of divine protection and its contradictions, as evident in the Scriptures, was far below my expectation. It did no banish my fear nor deliver me from mental subjugation.

For instance, the Bishop reminded me then that the Power of God delivered Shadrach, Meshach and Abednego from the great fire of Nebuchadnezzar. He stated that this is an evidence of the fact that God will always deliver His children from the hands of those who want to kill them. I said no, this is an evidence that God can deliver, but is not an evidence that He will always deliver. And on this singular point was rooted my fear.

I drew the attention of the man of God to the fact that the same God who delivered some, also did not deliver most of the Apostles of Christ from being killed by their enemies. On this was the contradiction that caused my fear and doubt to remain, until the Lord helped me. I told the bishop that the Lord's words:

“lo, I am with you always, even unto the end of the world”,

does not mean that enemies can not kill His followers, because His followers were in reality killed by their enemies. Then the man of God prayed and left, whilst I continued on the path of fear.

I began to ask myself:

'Where was the Supreme Power of God when Saint Peter was crucified upside down? Paul was beheaded, Mathias was beheaded, Andrew was crucified on a transverse cross, Thomas was thrust through with a spear and he died, Luke was hanged to death, Mark was dragged to pieces before an idol, among many others thereafter. What is the meaning of this? Why did the Lord allow such great men of God to die in the hands of their enemies? As He manifested His Power and called me unto Himself, how would I be sure that He would always manifest this Power to save me from this threat of death?'

These thoughts did not let me eat or sleep as I should, and it continued till the Lord appeared to help me.

DIVINE LESSONS FROM THE LORD ON THIS MATTER

One night, during the time in which my heart lived in fear of the enemy who were out to take my life, the Lord appeared to me. I had a spiritual experience wherein the Great Lord of the Universe, Redeemer of the Oppressed, came into my prayer room while I was praying. He was wearing a scarlet robe. He sat down and directed that I should sit down also and listen to Him. This happened physically while I was praying. The door was closed, yet He entered without opening it. The rays coming from His robe radiated a kind of reddish light in the room. It was an hour of silence of the night. Then The Lord, who certainly is more powerful than fire, spoke to me, saying:

“Brother Iyke, let My Peace and Blessings be with you. I am Jesus Christ, your Lord. I have come to take away fear from you. I have come to give you strength for My work which you must do.

“You live in fear of your enemies, who worship at the feet of the wicked ones; yea, even at the feet of the powers of darkness and the prince of the world that must pass away. My son, you think that they killed my Prophets and Saints before you; that I did not protect them, My

chosen ones, and that you may go the same way. I tell you the truth, there is nothing of such. Darkness did not and cannot destroy any of My chosen ones. I, your Lord, has a purpose for all that happened.

“Everything happened according to My design, the purpose which is unknown to the beast and all the realms of darkness. I permitted some of My Prophets, Saints, Apostles and Disciples to be killed for the purpose of the multiplication of My sheep in the realm of mankind, till the fullness of time, the hour in which you now live.

“Son of man, you must learn from the Lord your God. Therefore know this, that nothing in all the realms of existence; be it in this world, in the world wherein men dream, in the world that is known, in the world unknown, or in the world that shall be, will ever have dominion over My children.

“You have heard that Adam and Eve first begat Cain after their fall from the Garden of Eden. Adam and Eve were not born by humans, but were created directly by the Lord your God. You have heard

also that they begat Abel after Cain. Behold, Cain was a seed of the wicked one, the old serpent, who brought him forth to spread, pollute and ruin the world of man. And before your Lord, he became the goat, even the child of perdition. Abel came forth from Me, even Me, your Lord, and became the great tree for the fruit of all the generations of the sheep. Hear, my dear Lyke, Abel and Cain are the sum-total of the mystery of the sheep and the goat, which I spoke of in the Scriptures”.

THE MYSTERY OF BLOOD

It may be re-called that Our Lord Jesus Christ spoke of some human Beings as sheep and others as goat, in the course of His ministration on Earth (**See Math. 25: 31-46**). Honestly, we don't know who is who. Only the Lord knows. One may be the founder of a church, or he may be a Bishop, Pastor, Prophet, Apostle, amongst others, and people may consider him to be a **“great sheep”**, but before the Lord he could be a **mere goat**. One in human terms may be a sinner (remember the thief on the cross who was taken to paradise), yet is a sheep of the Lord. He had warned that we should not judge. (**See Math. 7: 1-5**). He is the only Worthy Judge; He is the only One who can separate the sheep from the goat. The Lord continued speaking to me, saying:

“Man is spirit, blood and water in his final reality on Earth. The spirit is the same with the soul, only that the soul is a concentrated unit of the spirit. Spirit does not die in eternity. Water and blood do not die also in My terms. At death, the spirit, which is the soul, returns to Me. The water merges, by a process unknown even to the Angels, with the totality of the sea of life. The blood, O son of man, even the spirit of the blood, which the children of men know not, remains within the spiritual field of the Earth.

“The blood, multiplied in this field, rises for the formation of several other humans in like manner. The blood of one righteous man is used by Me to form several righteous men appearing in different parts of the world; so also the blood of the wicked.

From the time of Adam till the fullness of time, even the time wherein you live, all who shall inherit My Kingdom are traced to the blood of Abel. Behold, all who are the children of perdition, who only shall not, but has already, perished, are surely of the blood of Cain, the seed of the wicked.

“When the blood of a wicked man is shed, several wicked men will rise from it. Here the earthly rulers of the kingdoms of men have failed. They kill some wicked men, hoping to wipe out wickedness, instead they have wickedness multiplied in their bosom. In the same manner, when a righteous man is killed, it brings forth the birth of several of My sheep among men. In My written word, I spoke of this, as published in Saint John's Gospel, Chapter 12 verse 24.

THEN I KNEW THE TRUTH

The place quoted by the Lord above says:

“Verily, verily, I say unto you, except a corn of wheat fall into the ground and die, it abideth alone:but if it die, it bringeth forth much fruit.”

It means that the Lord was using 'a corn of wheat' here to represent human Beings. The death He spoke of in this connection is that of the human body, not of blood, which upon death returns to the ground that the Lord called '*spiritual field of the Earth*'.

It is also recorded in the Bible that blood does not die. Thus after the death of Abel, it must be understood that his spirit returned to the Lord whilst his physical body perished at last.

“Or ever the silver cord be loosed, or the golden bow be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern. Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it”.

(Ecc. 12: 6, 7).

Even though the spirit of Abel had gone to the Creator God, his body completely dead, yet his blood was still alive and even spoke from the ground.

“And the Lord said unto Cain, Where is Abel thy brother? And he said, I know not: Am I my brother's keeper? And He said, what has thou done? The voice of thy brother's blood crieth unto Me from the ground.”

(Gen. 4: 9, 10).

At this point, the Lord took time to bring me to the understanding that it was solely to bring forth several sheep, till the fullness of time, that He permitted the agents of darkness to overcome and shed the blood of some of the righteous. He made it clear that the hour of the fullness of time has just began on Earth in His terms.

And that before Him, the chapter of shedding the blood of His Saints again on Earth, as before, is now completely closed. He said that the realm of darkness, already used to shedding the blood of the sheep, are not fully aware that the Spirit of the Lord has closed that chapter. He revealed that any further attempt of the wicked ones to continue on that path, by any means, will now bring them face to face before Divine Judgment, to be vanquished once and for all. The Lord directed me to read the following Bible verses from the Book of Daniel.

“And of the horns that were in his head, and of the other which came up, and before whom three fell; even of that horn that had eyes, and a mouth that spake very great things, whose look was more stout than his fellows. I beheld, and the same horn made war with the saints, and prevailed against them; until the Ancient of Days came, and judgment was given to the saints of the Most High; and the time came that the saints possessed the kingdom.”

Dan. 7: 20-22.

“And an host was given him against the daily sacrifice by reason of transgression, and it cast down the truth to the ground; and it practiced, and prospered. Then I heard one saint speaking, and another

saint said unto that certain saint which spake, How long shall be the vision concerning the daily sacrifice, and the transgression of desolation, to give both the sanctuary and the host to be trodden under foot? And he said unto him, Unto two thousand and three hundred days; then shall the sanctuary be cleansed.”

Dan. 8: 12-14.

“And he shall speak great words against the Most High, and shall wear out the saints of the Most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time. But the judgment shall sit, and they shall take away his dominion, to consume and to destroy it unto the end.”

Dan. 7: 25, 26.

The mysterious expositions which the Lord brought to me on the above matter, all cannot be published here for now. But one thing is certain: Whatever has a beginning must have an end. The Supreme Court of the Highest Heaven (the realm of God) is now in divine session. The Ancient of Days (the Most Holy and Most High Eternal Father) is seated. The Lord of Hosts, the aspect of the Ancient of Days in the order of the Son, the Lamb of God, who also is the King of kings and Lord of lords, has completely taken control over all powers in all

the realms of existence. Therefore the end has come for all the powers which He permitted to prevail against the saints, for reason of the multiplication of the sheep.

HE BANISHED MY FEAR

Let all the realms hear: Now the end has come for all the powers that tormented the sheep of God. The Lord told me that by His Supreme Command, seven Mighty Angelic Beings are co-ordinating an invisible spiritual warfare now, solely against all powers projected to attack the sheep. He said that the final outcome of this battle will completely destroy the host of darkness, under the code-name,

‘Operation Seven: Send Back To Sender.’

The Lord also told me why he directed me to leave Benin City, during the attack of the assassins. All were done to glorify His name via the testimony that came out of it. The Lord takes pleasure in bringing diverse testimonies, to the glory of His Holy Name, through one problem, when His Power steps in. And at last the Lord said to me:

***“Brother Iyke, who are you afraid of?
For I, your Lord, has taken away your
fear henceforth”.***

I mentioned the names of those who had vowed to take my life by all means. Then the Lord my God said to me:

“Son of man, sent for those who are out to take your life; let them that seek after your life come to you and be defeated; for surely I will manifest Myself; and for this, you will bear witness.”

Furthermore, the Lord directed that before the bad men will come to me, I should pray in front of the door saying that inside the house stands for His light while outside stands for darkness. This was solely for the purpose of their coming to me. And when He finally said,

“Let My Peace and Blessings remain with you,”

the Lord disappeared from my prayer room.

By coming to educate and instruct me, even by the rays of the multidimensional force with which He came, the Lord of Host totally banished all my fear. I rose in the strength of His Spirit and recognized more of the mystery of spiritual warfare. He banished the fear of Elijah; He also banished my fear. I think He does recognize that such is part of the human aspect of His messenger whilst in the world of man. Also this is important, I mean His direct intervention, for the

increase of faith in the relationship of a messenger with his Lord.

Now, I did as the Lord directed. I sent for the men who were out to kill me. They thought it was a joke, but they came. When they came into the house where I was, the Lord manifested His Power. They were completely bamboozled. The Holy Spirit overwhelmed each and everyone of them. They even wept as I proclaimed the Power of Our Lord and Saviour Jesus Christ.

They gave their lives to the Lord and I prayed for them. It was really a great day, which I will never forget. I can't fully express most of the things that happened that day, including the confessions that they made, as well as how they gave up their weapons, among other things. But in all I say, let thanks and praises be given to the Lord. Thank you Lord!

CHAPTER 2

THE TRUE SOURCE OF FREEDOM

*‘ ‘If the son therefore shall make you
free, ye shall be free indeed.
(John 8:36)*

THE POWER THAT SETS FREE

It is said that heaven and earth shall pass away but the Word of God shall stand forever. And till eternity there is nothing that will liberate the earthman from the yoke of bondage apart from the Word of God.

God is the Word and the Word is God. Our Lord Jesus Christ is the Word made flesh. He came to show forth the Sole Ultimate Power, Love and Knowledge of the Almighty God. Through the Blood which He shed on the cross, the foundation of absolute spiritual freedom was laid; and for ever and ever, the Blood of the Lamb **JESUS CHRIST** remains the True Source of consummate spiritual liberation.

It is said that the person on top of a palm tree is in a better position to say whether the palm fruit is ripe or not.

Having served as a leading guru and perfect master in diverse corrupt crafts of the occult, psychic and esoteric systems, and having encountered Christ and met Him face to face several times even unto this day, I became my own number one and foremost evidence that the Blood of the Lamb is the only and consummate source of total liberation. Now, when I speak in this connection, I speak not just of what I believe but also of what I know. I know that Christ is real, very real indeed.

THE GREAT GOD

I have made this point very clear to those who want to know and those who have ears to hear, that Jesus Christ is the Great God. I have said often that I respect great men, but I worship the Great God. Zoroaster, Confucius, Buddha, Ezemu Kammeje, Tetmusu, Caitanya, Abd-ru-shin, Rabazar Tarzs, Fubi Quantz, Baha'ullah, Guru Nanak, Spencer Lewis, Saint Germain and many others, all were great men of the past. Yes, we can call them great men, but we must worship the Great and True God who is blessed forever.

Man must return and submit only to the True Glorious Power of the Almighty God, Our Lord Jesus Christ, who alone is set apart by the Father through His Blood to bring total liberation to the children of men. We need no other power for liberation from bondage but the Power of the Highest God operating via the Blood of

Christ. Any other power outside the Blood of the Lamb can not save but will rather initiate greater bondage for the already weary souls of the earthmen.

I know that many have not realized in practical terms the unlimited and multidimensional Power of the Godhead flowing from the Throne of God into all the realms of existence through the Blood of Our Jesus Christ. But I tell you the truth; this is the only source of Power that will enable you to live daily under the Divine protection of the Omnipresent Holy Spirit. This is the only Power that can make you free and free indeed. When this Power is in you and with you, you will live above the Prince of Darkness and all the network of unclean occult, psychic and esoteric forces.

EVIDENCE OF THE GREATER POWER

When the Blood of the Lamb wants to show the reality of the Highest Power of God upon you, any other power in opposition to what the Lord wants to do, must completely go down in subjugation till the Spirit of God prevails. No matter the magnitude of the opposing power in any realm of existence, it must lie low for the limitless Power of Jehovah God and His Christ to prevail.

Let me share a testimony to clarify the point I am making here. During one of my crusade programmes in

Warri, Nigeria, I lodged at the White House Hotel. The Manager of this hotel is a Christian Brother. It was this Manager that brought a certain man to me, who came to seek solution for his earthly problem.

The man that came was an initiate of the Eckankar Society and lives in Lagos. His problem was that he stood on bail for someone who later escaped. This man was now given fourteen days to produce the suspect or face the wrath of the law. In his attempt to get solution out of this problem, he made contact with the Mahanta, the Living Eck Master, who is the highest spiritual power and master of the Eckankar, yet solution did not come.

It is important to note that Eckankar holds that the Mahanta is far greater than Jesus Christ in the spiritual hierarchy. It is very easy to say things like this. Any one, like myself in the past, can come out and say

'look, I am higher than Jesus Christ'.

One can be manipulated to think of himself along this line by higher esoteric spirits. But when in reality the Spirit of Christ Jesus is in motion to do a thing, every other spirit or power including the Mahanta, must submit to the Power of Christ. This is no joke!

When this man was brought to me, however, I observed that he did not come to meet me as the Apostle

of God which I am, but he came to consult the 'Grandmaster' which I was. He then told me his problem and how he had searched for the suspect who escaped in different cities of Nigeria to no avail. He also told me sincerely how Eckankar has not helped him as he expected. From the way he spoke, one could understand that he came secretly to consult me.

After listening to him, I asked him,

'Do you believe in the most Holy Powerful Name of Our Lord Jesus Christ? Do you believe that Jesus Christ is the only Lord and Saviour of the Universe?'

I knew he did not truly believe, but he answered:

'Sure I think I believe.'

It was a lie, he did not believe. At this point, the Word of God came to me, saying:

“Son of man, pronounce my Word of victory upon the man who has come to you. Behold, the Power of your Lord will give him victory, that he may know and worship Christ as the true Lord of Creation”.

Then I proclaimed the Lord's Word of victory upon

him. I prayed for him and told him, based on the specific spiritual message I had received, that Our Lord Jesus Christ will give him victory over his problem, so that he will know the difference of Power and powers, the difference between the Mahanta and Jesus Christ.

Now, by the working of the Spirit of God, who is everywhere at all times managing the Universe, the man who came from the realm of Eckankar got solution from Jehovah God and his Christ over his problem about three hours from the moment I ministered to him via the Holy Spirit.

As he left me, he was heading back to Lagos. Still within the city of Warri, however, he met his friend that resides in Agbaro, near Warri. Both of them had not met for about five years before then. He explained his problem to his friend; but then he got solution as set forth by the Spirit of God through His Prophet, which is myself by grace. His friend told him that he met the man he was searching for about 30 minutes ago in a secret corner at Agbaro drinking beer, smoking and playing draft. Consequently, the man immediately went with police and they arrested the wanted suspect exactly at that location.

Thereafter the man came back to see me in total submission to the Glorious Power of Our Lord Jesus Christ. He openly confessed that Christ is the only true POWER in all the realms of existence. This is no joke!

Whosoever seeks for power or solution outside the foundation of the Blood of Our Lord Jesus Christ, has himself to blame and via the devices of darkness he will be where he least expected. What Christ did in this connection is to prove to those who have ears to hear that the Mahanta, the Living Eck Master, is forever subjected under the feet of Jesus Christ.

“For by him (CHIRST) were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by him, and for him”. **Col. 1:16**

THE ULTIMATE LIBERATOR

Remember the Words of Our Lord Jesus Christ in **John chapter 8 verse 36**, which has it that,

“If the Son therefore shall make you free, ye shall be free indeed.”

When he sets you free, you become free indeed. That is absolute spiritual freedom. The Son of God is the one who can give this to the children of men.

Man thinks that he is free, but I tell you the truth, no man is free indeed without Christ. This is a fact that is

practically evident in this book. You may be free from one thing or the other under which another man is bound, but without Christ in the centre of your inner life, the things from which the other man is free may bind you. It means that what you and the other man have is partial not absolute freedom. Absolute freedom means that you are bound by nothing. This is made possible by the Almighty God, the Father of Creation, only through the Son of God Jesus Christ.

No government can give you absolute spiritual freedom. You cannot receive this from a church, society, village or city. Your wife, husband, son, daughter, friend, father, mother, brother or sister cannot give you absolute freedom from the multifarious yoke of enslavement of the Prince of Darkness. Relying on occult powers for spiritual freedom, or using such things as charms, talisman, astrological guide, among others, will rather enslave you the more on the path of darkness.

You may not understand what total or absolute spiritual freedom, which Christ gives, is all about. But I do hope that if you are on the path of ignorance, the scales will fall from your eyes as you read this book. However, you must not forget that having Christ and living by His Word is different from being a church member or having a title such as Pastor, Elder, Bishop, Prophet, Apostle, Reverend, amongst others.

Our Lord Jesus Christ is the Lamb of God who is

worshipped in all the realms of existence simultaneously with the Living God Jehovah. The same worship that is given to Jehovah God Almighty by every creature is at the same time given to Christ the Lamb of God: meaning that the Lamb is another valid Version and eternal manifestation of the same Jehovah God. They are One and the same Godhead.

“And every creature which is in heaven, and on the earth, and under the earth, and such as are in the sea, and all that are in them, heard I saying, Blessing and honour, and glory and power, be unto him that sitteth upon the throne, and unto the Lamb for ever and ever”. (Rev. 5:13)

Therefore if the Power of Christ sets one free, he becomes free in all the realms of existence; he becomes free on the land, air and sea, even in the dream world and in the world of spirits. One day, as I was seeking the face of God, I was caught up in spirit whilst the Word of God came to me, saying:

“Son of man, proclaim my word to the faithful and say, behold, your steadfastness in righteousness brings you closer to me, thy Lord. O Harbinger of the Last Covenant, say also to him whose love is on Me, behold, I am with thee at all times managing all thy affairs;

***and nothing evil shall befall thee
physically or spiritually”.***

This is the true situation of every bona-fide child of God, he is free and free indeed. A child of God, one who has experienced freedom indeed from the Glorious Throne of the Holy Spirit via Christ, is on top of the world whilst all the elements of enslavement are subdued under his feet. A true child of God, a bona-fide Messenger of Jehovah God and His Christ, has the decree of the Holy Spirit upon him that nothing evil will befall him physically or spiritually. This is the sum-total of absolute spiritual freedom, which the Ultimate Liberator (**CHRIST**) gives to those who live in the love of God.

CHAPTER 3

VICIOUS OCCULT MANIPULATIONS

*“Put on the whole amour of God, that ye
may be able to stand against the wiles of
the devil.”*
(Eph. 6:11)

THE NEED FOR SPIRITUAL LIBERATION

The multifarious elements of darkness, operating via the most vicious chains of psychic, occult and esoteric enslavement, are spread in the physical system of reality (the world of man) to do specifically one thing: that is to make evil appear as good and thus lead men astray.

Anything that will make us to stand against the Word of God in our thoughts, words, or deeds, is an instrument of bondage from the realm of darkness. Many are in spiritual bondage, but they may not know. It is not in vain for Our Lord Jesus Christ to say that:

*“If the Son therefore shall make you free,
ye shall be free indeed”.*

He knew that without Him no one is free. He spoke of “*free indeed*”, meaning that there are elements of bondage from which one should be set free.

There is a very important point that should be made clear in this connection. I am speaking of the fact that before anything will take place physically in the world of man, it must be programmed first in the spirit realm. It follows also that the bondage of anyone in this physical world is programmed and manipulated from the realms beyond.

Freedom from this bondage also comes from the realms beyond, from the ultimate spiritual Throne of Our Lord Jesus Christ. With the Power of Jesus Christ by means of the Holy Spirit, therefore, what we do now is to be in spirit and de-programme every element of enslavement programmed against anyone that seeks the help of God. Christ is ever willing to set man free if man will seek His face. The '**Harbinger of the Last Covenant**' which I am, by the special grace of God, is a spiritual office set apart by Christ in our time for the spiritual liberation of Souls.

LIBERATION OF TWO PROSTITUTES

When I was preparing for a crusade at the Adamasingba Sports Stadium, Ibadan, Nigeria, I sought the face of God and Divine guidance for the spiritual

success of the programme. Some times people think that the success of a crusade or a Christian programme is based on the amount of money realised in it. This is a great fallacy which has no bearing as far as the Holy Spirit is concerned. Success of any programme depends on the move of the Holy Spirit and the liberation of Souls from the yoke of bondage.

As I was fasting and praying for the success of this programme held at Ibadan, I was caught up in spirit to fight a spiritual warfare for the liberation of two prostitutes. In spirit the Word of God came to me with great force and I was filled by the Power of the Almighty. Then a voice said to me:

“Son of man, thou art an instrument in the hands of the Lord thy God; Behold, the souls in captivity are waiting for my liberation, which is given through thee in the name of thy Lord”.

The voice which I heard said several other things. When He ended speaking to me, the Holy Spirit led me into a realm wherein two ladies were held captive. I was in the clouds of heaven watching what was going on beneath, in the region where darkness ruled. I became part of the clouds, so that the psychic entities of darkness could not identify me above.

I saw that in this region of darkness was a lake of

water. In the centre of the lake was a throne upon which sat an arch-spirit. Thousands of “Invisible Servants” and “Elemental Beings” served the arch-spirit and worked for him. When the arch-spirit speaks, thick smoke came forth from the centre of his head. In front of a castle by the beach of the lake were two ladies in chains. They were completely nude and had their hands and legs tied on different objects, exposing their private parts totally to the constant gratification of the forces of darkness. I saw how the entities of the realm of darkness lined up in thousands to fornicate by force, one after the other, with the ladies in chains. The ladies could not escape because they were captured and chained; and this experience became their portion day and night. They were living according to the programme of the enemy.

As I was observing this, the Holy Spirit launched me from the sky like a missile into the region of these psychic entities and to the very throne of the arch-spirit. I struck with great pain upon the head of the arch-spirit; then I was turned again by the Holy Spirit into a whirlwind of fire. The fire, which was myself by the Spirit of God, consumed every element of darkness in that region. The arch-spirit and the entities of his realm were completely discomfited whilst they fled with great pain.

At this point, the Holy Spirit led me to where the two ladies were chained. By the Spirit of God I got them freed. I spoke to them of Jesus Christ as the only Lord

and Saviour of the universe, and they believed. I prayed for them in spirit and was disconnected from this spiritual experience.

MANIFESTATION OF VICTORY

Few days later I went for the crusade at Ibadan. On the first day of the crusade I ministered and made altar-call. During the altar-call, many came out to give their lives to Christ. I clearly saw the aforementioned two ladies, who were set free in my spiritual experience, among the people that came to give their lives to Christ. I specifically called them out and invited them to see me the following day.

When they met me the following day, I spoke to them separately one after the other. Both of them did not know each other. The first one confessed to be a professional prostitute that came to the crusade from a brothel. The second girl was a student of the University of Ibadan, who goes out every night as a club-girl to make money from men via illicit sex.

This was the channel of their bondage. They did not know that they were enslaved by the powers of darkness in the spirit realm, and that their constant indulgence in sense gratification via fornication, was a manifestation of this enslavement. If they had continued in this state of bondage, the totality of their existence would have been

completely perverted and ruined by the secret crafts of the powers of darkness.

The two sisters were saved and cleansed by the Blood of Jesus Christ. By the grace of God they were also rehabilitated, which the Lord used me to facilitate. Today they are children of God by faith in Christ Jesus. When Christ spoke of making us free and free indeed, it is not a joking matter. Without Him, no one is absolutely free in this world.

THE MIRROR OF ENSLAVEMENT

I want to show another great evidence of bondage to establish the need for absolute freedom via the Power of Christ. As a matter of fact, when I speak of absolute spiritual freedom in Christ, I speak of what I know. I know that many are bound and that the Blood of Jesus Christ is the only channel of liberation. I took active part to enslave and bound people in the past via an occult mirror of the powers of darkness.

When I was a Grandmaster of the occult system, I had a mirror invested with higher corrupt psychic powers of the Astral entities, installed in the secret sanctum. Many came to me from time to time to consult the occult mirror on diverse issues leading ultimately to the enslavement of others. I know every process of this enslavement, and I know that Christ can deliver from

every enslavement. He delivered me!

In consulting this mirror, I must say that women were more in number than the men who did so. This occult mirror was consulted in the past through me to do several things, such as enslavement of business, marriage, health and other related manipulations. I must confess that through this mirror, for instance, many homes were ruined.

Anyone that came in those days to consult me, that is the occult power of the mirror, was asked to put three, seven, or ten kola-nuts inside a black pot containing the head of vulture, four eyes of cat, and small stone from a certain psychic spot at the Himalaya Mountains of India, among other things. The pot and everything within it, including the kola-nuts, will then be handed over to a virgin girl of between five to twelve years. The virgin with the pot in her hands will stand before the occult mirror, while the person seeking for occult help will stand behind the virgin. The Grandmaster which I was then will at this point mount the throne to conduct invocation after every preparation.

ASTRAL LEGAL RIGHT

Upon mounting the throne, I would ask the person seeking occult help the first question, such as:

“Where is your evidence?”

One can also be asked:

“Where is the man?” or “where is the woman?”

For instance, if a woman, or girl, comes wishing to bind a man in carnal love and dominate his entire life via sex, the woman will say what she wants into the pot in the sanctum to the hearing of the Grandmaster.

If the man she wants is called “Sunny”, for instance, she will specifically say what she wants in his life. She could say:

“Sunny, I know that you are married. I don't want you, but I want your money. Therefore henceforth any time I speak to you about money, give it to me; if you don't have, borrow and give to me”.

Before the woman will say this the second time, the man will be invoked by me to appear in the occult mirror. But the man will not appear if the woman did not first **“bring him”**. This is very important. Thus before invoking the man, I will first of all ask the woman **“where is the man?”** Then she must bring either of the following two things to represent the man.

They are:

- 1. The man's semen mixed with that of the woman, extracted through toilet-roll paper or anything after sexual act, but must be covered with white cloth and presented in the sanctum when requested; and**
- 2. Part of the money or anything taken from the man not more than three hours after having sex with him.**

Any of these, or both, when presented before the occult mirror for invocation, becomes a bona-fide evidence to show that the man must appear when invoked and that the projected enslavement of his life via the mirror of darkness must prosper. If the woman says:

“I don't want you, but I want your money...,”

then from that moment the man will become enslaved. It does not matter whether he is the President of a country, Bishop of a church, King, Prime Minister, Reverend, Governor, or Arch-bishop, if the aforementioned evidence is presented against him, he must be enslaved. It is only the Power of the Holy Spirit, through the name of Christ that can completely liberate one from the yoke of this degree of enslavement.

SUBMISSION TO MANIPULATION

Under this degree of enslavement, however, the word of the woman will become a law unto the man. Any time she speaks he must obey. The man can borrow money to satisfy her even to the extent of starving his wife and children at home. This is bondage in the true sense of the word.

*"If the Son therefore shall make you free,
ye shall be free indeed"* **(John 8:36).**

Remember, I am speaking in this connection as one who took active part, or who played a great role, in subjecting people to the yoke of bondage via this process. And by the special grace of God, according to the everlasting working of His Spirit, I am this day a channel through which Christ liberates those bound by diverse occult manipulations.

I have a friend whom the Lord used me to set free from this yoke of bondage. Before we met, which brought about his great deliverance by the Power of Christ, he was manipulated and enslaved by a woman through this process I am speaking of. This friend is a senior citizen of the Federal Republic of Nigeria. When he was in "power" (government), roads were blocked from time to time for him to pass. Today he is an opinion leader and elder-statesman.

Even though this my friend was great while in “power”, (for so men thought him to be), he was at the same time enslaved by a young lady. Let me tell you this, dear reader: Many so-called great men in the world are living inside the “pockets” of big or small ladies.

This friend I am speaking of met a lady and had sex with her. This lady completely enslaved him by this means. The man confessed while I was ministering to him and said:

“Harbinger, do you know that it came to a point that the word of this woman became a law to me. Sometimes she could ring me even as early as 5 am, demanding for an amount of money, and from then I will not have peace till I give the money to her”.

Before we finally met for his deliverance, this man gave out about one hundred and sixty million naira (above one million dollars) to this lady within a period of eight months. But today he is free and free indeed by the Power of Jesus Christ.

BE WISE AND OVERCOME

I still want to make more points on the occult mirror because it is a great channel of bondage and some major

evil occult centers still operate same in different parts of the world. Now, I earlier spoke of a woman who may want to dominate a man and take his money by saying

“I don't want you, I want your money”

during invocation. The man would be enslaved through that way.

In another occasion of the same invocation, a woman could invoke a married man and say to him:

“I want you to be my husband and do what I say. I give you eight months to completely separate from your wife and marry me.”

She may give the man six months, three months, one year, or any period of time as may be directed in the sanctum by the Grandmaster. Note, however, that the only way this enslavement can occur is by **'bringing the man'** through the process I earlier spoke of, without which no one can be invoked or manipulated via the occult mirror.

When a married man is manipulated via this process, his mind will go out of his wife and fixed on the agent of darkness. Except the Power of Christ comes to set such a man free, he will surely find himself where he does not belong in the hands of a strange woman a wife from

darkness. Many men have separated from their wives and married to strange women via the psychic force of the occult mirror. In other words, the forces of this occult mirror have ruined or enslaved many marriages in the world of man.

Still on the part of the woman whose intention in this psychic craft of the occult mirror is not marriage but to bind a man and use him to make money, this serves as an important network of how the atrocious occult masters, their temples and disciples are maintained world-wide. If a President, Prime Minister, Governor, Senator, King, Bishop, General Overseer of a church, wealthy businessman, amongst others, become a victim of this manipulation, he will give out huge sums of money from time to time to the woman agent through whom he is bound in the occult mirror. The woman in turn will pay certain per-cent of every money collected by her to the occult master, to maintain both the master and other related financial projects of the occult temple.

If a woman agent captures a wealthy and prominent person in this craft, a more serious step would be taken by the network she represents to enslave the man by means of blackmail. In other words, the sexual relationship or activity between the woman agent and the man may be secretly recorded on videotapes.

This will later be presented to him confidentially with a demand of certain amount of money from time to

time for the video record not to be exposed. In this manipulation, there are double evidence against the man as an occult right for his bondage; that is (1) his semen and money in the secret occult sanctum and (2) the recorded video of his sexual intercourse.

OCCULT LIFE OF VANITY

I made large sums of money in the past through the above process. It may be recalled that between 1989 and 1990 I paid daily for a suit in a hotel in Lagos, Nigeria. I entered the hotel with about 23 million naira cash and wasted all the money there.

While in this hotel, some times I could bring about five girls to dance Indian music for me throughout the night, though with or without having sex with them. But at the end, each of them would go home with not less than one hundred thousand naira. This also is a complete life of waste and bondage, for the girls themselves were bound and enslaved to serve as agents of sexual manipulations by this means. At this point, when you call one girl, five or more will answer.

Let me also add that sexual enslavement by means of the occult mirror operates on various degrees of bondage. For instance, the semen taken from a man by a woman during sexual act in which both were seen by a person or persons, is the most efficacious, the greatest

and stands on the highest degree point of contact for occult bondage. This is not easy to obtain, but when obtained it becomes the greatest channel of bondage upon any man.

THE HIGHEST ENSLAVEMENT

Now, the enslavement of this magnitude spreads to the dimension of even the death of other women indirectly associated with it. In other words, when a man is under this highest degree of manipulation, any other woman, apart from the woman through whom he is enslaved, that **'makes love'** (sex) with him, may die; even his wife, if she is also not in Christ.

This is a great craft of the powers of darkness, to obtain a man's semen during sexual intercourse with a woman in which they are seen on the act by any person or persons. In the vicious occult system, this represents the craft of the **'Astral right'**, which holds that one has permanently and perpetually sold himself out to the consummate whims and caprices of the most vicious Astral spirits.

FREEDOM FROM ENSLAVEMENT

I have a spiritual daughter whose husband was a victim of this dimension of occult manipulation. A

strange woman performed diverse craft of darkness on this man. Finally, my spiritual daughter (the man's wife) came to me in tears. She told me that while the man and the strange woman were having sex, people saw them on the act. Three among the people that saw them reported this to the wife. The Holy Spirit confirmed to me that she spoke the truth.

She didn't know what the whole thing represents, and I didn't tell her, so that she will not live in fear. But I told her that she should try as much as possible not to have sex with her husband for about three days, to enable me have a meeting with the man, lay hands on him and pray, so that having sex with the wife will not bring her death, according to the crafts of the powers of darkness. I also wanted the direct ministration on him to be used by the Holy Spirit to deliver him from the yoke of bondage, to the end that he will at last separate the Light from darkness.

However, through the element of human pressure on the man, the wife was coerced to have sex with him the next day, contrary to the admonition of the Spirit of God through me. Within an hour after having sex with her husband, the woman had serious spiritual attack; she collapsed and was rushed to the hospital. She almost died but the Lord delivered her from the attack of darkness.

When the news of her collapse reached me I knew

what had happened which she later confirmed. That day I said to the Lord:

“O my Lord, the Father of Creation, I, your servant and Harbinger of the Last Covenant, by your special grace, command this day that the yoke of bondage upon the husband of your daughter, by means of occult powers, be broken. I command that it be done now, for there is no other God but thee, in the name of Our Lord Jesus Christ, Amen.”

Remember what the Lord said in **Isaiah chapter 45 verse 11:**

“Thus saith the LORD, the Holy One of Israel, and his maker, Ask me of things to come concerning my sons, and concerning the work of my hands command ye me.”

After this, I was in spirit and an Angel of the Lord came and stood by my side. The Angel of God touched my right hand and my hand was made strong in spirit by the Power of the Almighty. The Angel said to me:

“O ye Harbinger of the Last Covenant, behold the strange woman who serves the Prince of Darkness”.

I looked and saw the strange woman who bound the husband of the daughter of God through the power of darkness.

The strange woman was brought before me. I discovered the secrets of her craft. I discovered her secret of secrets. The Angel turned her into a heap of sand and my right hand molded her by the Word of God. And it came to pass that I scattered the sand and commanded the winds to carry her away. Then the Word of the Lord came to me and He said.

“Son of man, behold, it is done. For henceforth I have swallowed the yoke of bondage upon the man whose case you have brought before me. He will look for her and shall not find; she will look for him by the multitude of her sorcery and the increase of iniquity, but the Blood of the Lamb shall appear in his stead. Son of man, I will from this day follow her unto separation with my sword. Behold, the man shall lament in the hour of separation, but I will preserve his life unto my salvation and testimony.”

Everything in this matter was fulfilled as spoken by the Lord. The woman agent of darkness was chased away with the great Power of the Almighty. The yoke was broken and the man came to himself, he came

finally to the Lord his God and made peace with his wife. This is a family I thank God always for what He is doing in their midst. Presently, they are children of God whilst serving their Lord.

LIBERATION OF A GOVERNOR

All that I have stated, the summary is that the occult mirror which I used in the past, which psychic agents of the occult and esoteric powers use in different parts of the world, is a great channel of bondage and enslavement. One that is held bound via this craft of any magnitude and dimension can be totally freed by Our Lord Jesus Christ.

I met another prominent citizen, a Governor, some time ago, who was completely held bound and subjugated to this manipulation. The plan of darkness was to bring down his regime, through the force of blackmail obtained in illicit sex, as set forth by a woman agent of darkness, according to the devices of the decree of occult mirror.

In confidence he spoke to me and made genuine confession before the Lord in which I, **Harbinger of the Last Covenant by grace**, became a witness. Thereafter I told him:

“The battle henceforth is no more between you and the agent of darkness. I tell you the truth, Jehovah God and His Christ will step in, then darkness will disappear and fade away”.

I took active part in the spiritual battle that was fought; the woman agent of darkness came on her knees whilst her physical and subtle evidence against the man were taken by the Angels of God and completely destroyed.

SINS COVERED

In another occasion, I was praying for the Divine protection and blessings of a certain man in Lagos, who is a prominent businessman and lover (supporter) of my mission in the Body of Christ. He got himself involved in the activity of bondage through illicit sex. I didn't know till I started praying for him in my private home. He was not there physically with me, however.

While praying for him, I was in spirit and saw the blessings of the Lord with me, which were meant for him. Then he was spiritually brought before me; but in the midst of the distance between I and him stood the female agents of darkness invoking him in an occult mirror. They gathered his semen, which they got from him, and put in a bottle. When they saw me, the spirits of the occult mirror jointly lifted the bottle of the semen as

evidence that the man should not receive God's blessings and divine protection. Rather they had a decree of death against the man that he would die within six weeks from that day.

At this point the Holy Spirit empowered me to take this bottle of semen from the powers of darkness, which I did by force. The Spirit of God chased away the spirits of darkness and I destroyed the bottle wherein the man was locked. The Word of God came to me, directing that I should proclaim His mercy on the man, which I did. And the Word of God came to me again as recorded in **Romans chapter 4 verses 7 and 8**, saying:

“... Blessed are they whose iniquities are forgiven, and whose sins are covered. Blessed is the man to whom the Lord will not impute sin”.

Nevertheless, I finally invited the man, also as directed by the Holy Spirit, and ministered deliverance and the Word of God to him. This child of God sought the face of God, after his deliverance, through fasting (6 a.m. to 6 p.m.) and prayer for one month.

The aforementioned occult mirror, which in the past were used in my occult temple to enslave people in one way or the other, was among the materials burnt after my conversion at the Deeper Life Bible Church, Regional Head-quarters, Benin City Nigeria. This mirror was not

only used to bind people as I have already stated. Rather one's business, health, journey, success in life, marriage partner, favor, among other things, can be enslaved through it. If one is not in Christ he can be enslaved and ruined.

RESTORATION FROM ZERO POINT

The foregoing exposition on the manipulations of the occult mirror via sexual intercourse, puts one on a zero-point. It is made clear in my book (**OCCULT GRAND MASTER NOW IN CHRIST Vol.1**), that “zero-point” means a point where a proclaimed “believer” finds no favor, safety, or protection in the Lord. The big question therefore is: Can such a person still find God's favor and be restored?

Now, as children of God, we must understand that

“with God all things are possible”.

If one is under the influence of the powers of darkness, be it through the occult mirror or whatever, by which he could be said to be in zero-point, he can still be restored by the Holy Spirit.

The Holy Spirit is always seeking to guide and protect you. And most truly, you will receive this

guidance and protection only if you will set your face to seek the Lord. You can not be restored when you do not seek the face of the Lord. It is only those that seek the face of the Lord Jesus Christ that can experience the restoration of the Almighty God. Those who seek to be restored on the path of Light and victory of Jehovah God and His Christ will receive same.

Now, we must understand that spiritual restoration is a manifestation of God's favour, while the consummation of this favour is the protection of the Almighty God. In other words, God's favour brings restoration to your spiritual life, and when you are restored, you will begin to enjoy the highest spiritual protection which comes through the Name and the Blood of Our Lord Jesus Christ.

Therefore the only thing a “believer” in a zero-point can do to receive God's protection once again, is to sincerely seek the restoration Power of the Lord. While doing this, he must confess his sins sincerely and forsake same. And it is better for one to do this in the mode of fasting and prayer.

Remember the words of God through Saint John:

“My little children, these things write I unto you, that ye sin not. And if any man

***sin, we have an advocate with the
Father, Jesus Christ the righteous”
(1 John 2:1).***

It is sin that puts one in a zero-point. And for anyone in sin to come out of this zero point, he needs the bona-fide assistance of the Worthy Universal Advocate, Christ!

CHAPTER 4

BONDAGE VERSUS LIBERATION

“*For God hath not called us unto
uncleanness, but unto holiness.*”
(1 Thess. 4:7)

MINISTERS OF THE CRAFT

In the last chapter I spoke of the psychic manipulations of the occult mirror for the bondage and enslavement of human beings. This is from the point of my past participation in this craft. And I made it clear that this is a manipulation going on in different parts of the world.

The conclusion therefore is that many people, great and small, are held bound by the enslavement of the occult mirror of the powers of darkness, through the force of lust leading to the activity of illicit sex. A Head of State, President, Prime Minister, Governor, or Senator can be held in spiritual bondage via this manipulation. A Judge, King, Chief, or high-ranking military officer, can be a captive of this craft. A Bishop, Archbishop, or General Overseer of a world-wide

church can be invoked when an evidence of illicit sex is presented against him. A business organization, church, marriage, government, one's ambition in life, among others, can collapse on the “altar” of this manipulation.

It is true that the network of this kind of manipulation requires a host of nice looking ladies. Ladies of this nature therefore are basic elements necessary for the craft of the occult mirror to prosper. A lady of this assignment, however, must first receive the initiation of a high occult master, before she could become part of this network. The initiation empowers her to become an embodiment of the yoke of bondage, working as a bona-fide “minister” of the aforementioned craft.

Now, in most occasions, such ladies do not marry; though they could bear a child or children here and there for different men. Occasionally, some of them enter into marriage, but are often found to occupy the position of a second wife or less than that. Their so-called “marriage life” is still part of the system of the craft based on the lust for wealth and mundane things. Some of them seen to be occupying the position of “a first wife”, do so either because they have used occult power to kill the true and first wife of the man, or used same to chase her out of her marriage, or used same to become the so-called 'first wife'.

LIMITATION OF BOGUS POWERS

Some occult powers used to enslave men expire when they indulge in sexual act in the day - while the sun is on. When this happens, they would not indulge in sex till they return to the sanctum to receive another power. Some men take advantage of this, to have sex with such ladies in the day. Because they know few of this craft. Such foolish men think that they are free. The fact is that they are not free from this manipulation. Because after about 100 days from the moment the lady has received another power, the man through whom the power expired will be invoked and given a specific punishment meted out by an occult master. Some men have lost their lives, while some face serious problem, in the course of this punishment.

There is certainly no other way to be free from this enslavement outside the Blood of Jesus Christ. If you are not in Christ, you will fall into one yoke of bondage or the other. In your ignorance, you may offend an agent of darkness, and this can be used to programme you for an unpleasant experience.

If you offend a female agent of the occult network, or maltreat her in one form or the other, she could use that as “Astral right” to ruin your life. One's business can be thus destroyed. There is also a process through which one can be made a spiritual “vagabond and fugitive,” unsettled in life by a female agent of this craft. This has

to do with washing her private part and using the water, in the morning hours, against a man who offended her in conjunction with other occult paraphernalia. But Jesus Christ can completely deliver and set one free from all these crafts and manipulations.

THE SPIRIT OF THE HOLINESS OF CHRIST

For one to be completely free and free indeed from multitudes of the elements of bondage and enslavement in this world, he must receive Christ and live by His Spirit. The Spirit of Christ is the Light and Power of holiness; therefore the spiritual life of holiness and righteousness set forth by Our Lord Jesus Christ, is the sure foundation of total spiritual freedom. Whosoever lives daily in the practical essence of this consummate freedom, is a vessel of honor through whom those in bondage will be liberated.

The Holy Spirit is constantly searching for such people to work through them for the liberation of many. Those who are free and free indeed are instruments in the hands of God for the freedom of others. To be called Prophet, Bishop, Apostle, Reverend, General Overseer, or Pastor, does not qualify one to be used by the Holy Spirit, if the Spirit of the Holiness of God is not there. The faithful should seek after His Holiness and not after religious titles and positions which do not awaken the Power of Jehovah God and His Christ.

All the elements through which one can be enslaved or held bound by the powers of darkness, are conquered and set at naught by whosoever is on the practical path of the life of the Holy Spirit. Throughout my past life in the occult, even to the highest levels of Grand Master and Avatar, it never happened that one on the path and life of the Holy Spirit by the Blood of the Lamb was defeated by the network of the powers of darkness. And it will never happen!

HOLINESS IS POWER

The holiness of Our Lord Jesus Christ in the Holy Spirit is the true Power of the Almighty God. It is not possible for the agents of darkness to live the holy life of the Father, because their entire *modus operandi* exist and prevail by all that are said to be unholy. It is only the true children of God that can live the life of the holiness of the Holy Spirit and thus manifest the highest Power of the Almighty God.

I am speaking in this treatise of the Holiness of God not the holiness of man. The Holiness of God is His Power rooted in the Blood of the Lamb, while the holiness of man is a form of sense gratification bereft of the Power of God but made to elevate self aggrandizement. Unfortunately, some Christian churches and Pastors, limited by “organizational bounds,” uphold the holiness of man and not that of God.

This can not and will not manifest the Power of the Holy Spirit. **In Romans chapter 12 verse 1**, Saint Paul wrote:

“I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service”.

To present our bodies holy before the Lord is considered our “reasonable service”. In other words, any other “service to God” in which the body is not holy and sanctified, is an “unreasonable service.”

In this realm of reasonable service, however, in which a holy life is very important, fasting and prayer play a significant role in bringing about the experience that sustains the spirit of holiness. When one comes to the path of Christ and receives salvation by His Blood, fasting and prayer help to elevate his spiritual consciousness to the Throne of the Father.

This was part of the spiritual experience and activity of the sages, seers and prophets of old. Even Our Lord Jesus Christ and His Apostles were involved in constant prayer and fasting. When you fast and pray while dwelling in the realm of God's Holiness by grace, your spirit will rise and merge with the Omnipresent Spirit of God. At this point, as revealed to me by the Holy Spirit, your spirit, working with the Spirit of God, will

accomplish several great things to the glory of God in diverse realms of the Universe, ninety per cent of which you will not know in earthly terms.

Consequently, the value of the Holy Spirit lies more on this dimension of service, upholding and living in the true holiness of God, than on any “service rendered to God” without the evidence of His Holiness within your heart. If you are dwelling practically in the Holiness of God wherein your spirit becomes one with God, even if you are in Nigeria, the Spirit of God can use you to give a woman safe delivery in Japan, save a man thinking of suicide or about to take his life in America, save a child in London from psychic attack of darkness, among other feats. When your spirit is purified and used by God in this regard, it may or may not be revealed to you. Thus as mentioned earlier, you may or may not know in earthly terms.

That you may not be fully aware of all that your spirit does to the glory of God when the Holiness of God is your portion, does not matter to God. However, they are all credited to you for great rewards. God wants us to live His life of true holiness for therein lies his Power and mystery of His Divine protection over us. In His Holiness we are used as His vessels of honour, and we are used in diverse systems of reality transcending the evidence of the material senses. In His Holiness we have His absolute spiritual freedom and can also serve as channels through which His Spirit can liberate others.

WORKING IN SPIRIT WITH GOD

I have said that fasting and prayer is very important for spiritual growth and development. In the mode of fasting your spirit will be raised in light to work with God. Holiness is made easy when you can seek the face of God through fasting and prayer. I am not speaking of the fasting done in hatred as a means of fighting another human being. Rather I am speaking of fasting and prayer done in love with the ultimate intention of not only to solve an earthly problem, but to draw near in spirit to God. This brings one to a higher dimension of working with God in spirit.

Our Lord Jesus Christ fasted forty days and forty nights. As the Lord, He did this not because the Prince of Darkness would have defeated Him if he did not fast, but solely to register in our consciousness the importance of fasting in the realm of working with God and for God.

I underwent a hundred days of fasting (6am to 6pm) and prayer some time ago. This should be our practice from time to time for periods exceeding one hundred days and for periods less than this. This means eating once a day, at about past 6pm, without drinking water during the fasting. This has become almost part of my daily spiritual experience. During this period, the Lord revealed to me how we work with Him in spirit.

I had a trance as I was praying. In this trance I saw

myself praying for a woman who was barren for eleven years in Accra, Ghana. I had this trance while in my house at Warri, Nigeria. I prayed for the woman, blessed water in the name of Our Lord Jesus Christ and gave her to drink. I also pronounced on her that

“henceforth you have become a mother of children”.

About a year and few months later I was ministering in Accra and the very woman that I saw in trance came to me physically. She told me that she was barren for eleven years and that one day she saw me in her revelation praying for her against the yoke of barrenness and blessing water for her to drink. Thereafter she conceived and gave birth to a baby boy. She came with the baby for me to see.

The Holy Spirit can cause our spirit to work with God in this way. The spirit of man must be pure and strengthened in Christ to come to this level of spiritual activity of working with God in spirit. The body must be holy so that the spirit within can perform the reasonable service acceptable to Jehovah God and His Christ. Fasting and Prayer is very important in this connection.

In another occasion, a woman met me in the house of Engr. Danlami Nyazon (my Co-ordinator in Lagos who has moved now to Abuja). It was another period in which I was seeking the face of God for spiritual strength

through forty days fasting (6am-6pm). According to this woman, she saw me in her dreams every night for complete two weeks, always praying to the Lord.

The women and some of her friends heard that I was going to visit the home of Brother Danlami and they came waiting for my arrival. When I finally arrived and entered Danlami's house, this woman, as soon as she saw me rose swiftly and firmly gripped my leg to the end that I could not move. At first I was embarrassed on the human level. I thought,

“what does this mean? What kind of act is this? Who is this woman?”

amongst other thoughts. There and then the Spirit of the Lord told me to bless water and give the woman to drink.

Then I asked my Co-ordinator to bring a cup of water, while I was still standing there with the woman holding me. The water was brought and I prayed into it. After praying, I gave the woman the cup of water and she drank. Immediately she drank the water, the woman jumped up and started shouting and singing praises to God. The women that came with her joined and started praising God.

I was wondering what was happening. Then I was told that the woman was dumb for years and had

received God's healing through the water that I gave her to drink. I learnt a great lesson that day on the working of the Spirit of God, whom we serve only as His channels of operation in diverse ways, when we are quickened to work in spirit with Him. The foregoing (working in spirit with God) is also contained in my book entitled 'Secrets From Heaven'.

CHAPTER 5

UNSEEN WARFARE

“Surely he shall
deliver thee from the snare of the
fowler, and from the noisome
pestilence.” (Psm.91:3)

SPIRITUAL KNOWLEDGE

Every human being needs spiritual liberation which is obtained only through the Blood of the Lamb, Our Lord Jesus Christ. Before I enter fully into the subject matter of this chapter, let me inform you that in this book and in all my books, I do not claim to be an island of knowledge whether physical, metaphysical, spiritual or otherwise. I hold that no one is an island of knowledge, whilst the value of knowledge is the ability to communicate same to others.

It is very important that in discussing a matter as serious as the total spiritual liberation of man, the

“mother of spiritual knowledge”

must be consulted. If one does not know his earthly

father, for instance, who is the most bona-fide authority that should be consulted in this regard? The answer is simple: your mother! She is the final authority in this matter, and whatever she tells you must be taken as such.

In the same vein, the Holy Bible is the mother of spiritual knowledge. Whatever the Bible says is the final truth and nothing but the truth. To this end, those on the path of Absolute Spiritual Freedom, the path of light, should take the Scripture as the mother of each and every information that brings liberation.

Now, let me consult or quote few lines from the Holy Scriptures to introduce the subject matter of this chapter.

“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places”. **Eph. 6:12.**

“Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you” **Luke 10:19.**

“My people are destroyed for lack of knowledge....” **Hos. 4:6.**

MORE THAN THE EYES CAN SEE

This treatise is a guide for each and everyone on the path of light to abide therein and for those on the path of darkness to rise above the yoke of bondage. The contents based on the Scriptures, my past experience in the occult and esoteric systems, as well as my present daily experience with the Holy Spirit, are designed to make us realize that there are more than the eyes can see. That there is an invisible warfare going on in the world of man, is evident in this book. Also evident is the fact that in each and every battle, one in Christ will surely lift up the banner of victory.

I believe that the reader of this book will surely come to the recognition that without the Spirit of Christ in the centre of one's life, the elements of bondage and enslavement will show forth in one form or the other, whether you are great or small in earthly terms.

If you are not yet “*free indeed*”, I command, as you read this book, let the Holy Spirit cause you to rise above the yoke of bandage and come to the feet of Christ, now and forever Amen.

THE SPIRIT WORLD

You may have heard of the existence of spirits, both good and evil. Some think that spirits do not exist and

that the men of God and the Scripture speak lie when they proclaim the existence of spirits. However, I am my own true evidence that spirits exist. If you are one of those who think that spirits are not in existence, be warned because such thought is on the path of falsehood.

Every human being has an objective and subjective aspects. In the objective aspect of being, however, one's awareness unit is focused on the physical system of the gross material world. Many are focused on this system and solely engrossed therein. By subjecting ourselves only to the matters that gratify earthly existence, we forget that there is a valid part of us that has its experience completely beyond the physical system of reality.

It is through this part of man, the spirit man, that one can operate and have experience beyond the ethereal layers of the Earth and thus make contact with the One Eternal Spirit of the Almighty God. We must bear in mind that without this contact, no one can be free in this world from the multifarious manipulations of vicious spirits.

The entities of the psychic spheres, bringing forth the nature of darkness, do not have their order of existence in the physical system of reality. They have their core dimension of existence in the metaphysical systems, the spirit world, whilst the world of man serves as the realm of manifestation of their

manipulations. In this connection, I am speaking also of the network of the powers of darkness, which include the human agents of this network as well as the embodied and disembodied beings of the spirit world.

It has been said often that the believer, one on the path of light, is not fighting against “*flesh and blood*”. “**Flesh and Blood**” here speaks of fellow human beings. Rather it is said that our warfare is against:

“principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.”

This means that there are more than the eyes can see. It also means that there are different kinds of spirits of darkness working under the Prince of Darkness.

MIND MANIPULATION

The human mind and senses often serve as the realm of mental and emotional intercourse of these powers via the process of thought projection. This dimension of warfare within the mind level of the earthman is a framework of profound manipulation.

This is so because he that controls the mind controls the man. Thus psychic entities of the realm of darkness

are constantly projecting diverse waves in motion in their attempt to dominate and control the human mind. Such waves include the wave of exasperation, the wave of undue expenses, the lust wave, the sleep wave, the wave of vain conversation, the wave of mundane attachment, amongst others.

Now, the aforementioned waves, coming from the realm of darkness to dominate and control the life of man through the mind and senses, operate via the God's immutable and inexorable 'Law of Homogeneity', which is like saying “birds of the same feather flock together.” This is the law of attraction, by which you attract into your experience the elements and fabrics of your mental and emotional attitude.

Furthermore, the psychic and subtle manipulation of the mind and senses by the forces of darkness, through the fundamental Law of Homogeneity, is strictly based on the reality of life and consciousness, by which every mental act is a reality for which you are responsible. In other words, consciousness creates form and not the other way round. Thus your life experience operates via the elements of your desire, emotion and mental acts.

Psychic manipulation to this end is an attempt by the forces or agents of darkness to influence and control your mind, your consciousness, via diverse waves designed to subjugate you and hold you bound by the crafts of the Prince of Darkness. We shall in this book

briefly examine some of the waves coming from the spirit world of the realm of darkness to manipulate, control and dominate the human mind and senses on the path of bondage. But first of all let us consider the operation of some negative spirit beings, such as the Invisible Servants, who are constantly involved in spreading the waves of darkness for spiritual attack against humans.

INVISIBLE SERVANTS

There are different kinds of spirits in the spirit realm. Indeed there are four hundred thousand kinds of spirits operating in the elements of five major "occult seals" (strongholds). But I will not go into that for now because that is not the subject matter of this treatise. However, good or bad, there are such spirits beings as the Invisible Servants, Elementals, Ascended Masters, Planetary Spirits, Cosmic Teachers, Demi-gods, Guardians of the Flame, Archspirits, Controlling Deities and Nature Spirits, Angels, Archangels, Watchers, Cherubims to mention but a few.

Now, the Invisible Servants and Elementals are relatively the same, for they do almost the same work. The Invisible Servants have great responsibility in the realms beyond, as far as the diverse waves of spiritual attack is concerned. They are, among other things, involved in holding the children of men bound via

diverse waves of darkness, so that they (human beings) would not come into the realm of the Light of Christ.

It must be understood that the Light of Christ is the ultimate obstacle and problem of the forces of darkness. The more human channels exist for the manifestation and operation of this Light, the more greater disorientation prevails in the occult spheres of vicious spirits. Thus for the forces of darkness to remain on track in their game of manipulation against the earthmen, they fight as much as possible to reduce or weaken the number of human channels through which the Light of Christ radiates in the world of man. This they do via the spread of the waves of darkness.

SYSTEM OF OPERATION

The aim of the Invisible Servants in spreading these waves, is to attempt to dominate and control the human mind and senses, through the mind faculties of remembrance and forgetfulness. There is a subtle centre in the human mind that serves as the boundary of the faculty of remembrance and that of forgetfulness.

As you are reading this book right now, you are aware of what you are doing. At the same time you are aware of the room, the office, or the place where you are. Again you are aware that you are sitting, or standing, or lying down. If we go further you will discover that

though you are now concentrating reading this book, you still retain the awareness of so many things at the same time.

This shows a certain degree of multidimensional awareness of the mind within the set-up of the physical system of reality on the mind's faculty of remembrance. The waves of psychic or spiritual attack dominate the mind mostly not from the faculty of remembrance but via the faculty of forgetfulness. Indeed over eighty percent of these waves occur within the unconscious dimension of the mind, that is the unit or faculty of forgetfulness. When the mind is controlled from this unit, the individual will not know that there is an influence of darkness upon him, or that certain actions by which he is enslaved under the yoke of bondage are initiated into his consciousness by the powers of darkness.

Thus when one is manipulated and controlled via the faculty of forgetfulness, he may on the faculty of remembrance deny that he is under such manipulation. The only way out of this manipulation is for the mind and senses to be completely focused on things made for the glory of God. This is only possible for those who have received Christ and are within them ruled by the Spirit of God. Apart from these set of people, every other human being is under the influence of one form of the wave of darkness or the other, as you will see in the remaining chapter.

CHAPTER 6

ASTRAL WAVES OF DARKNESS

“*And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.*”

THE WAVE OF ALCOHOL

As far as the Invisible Servants are concerned, the wave of alcohol is very important in dominating the human mind and senses on the path of bondage. One Invisible Servant is capable of vomiting a wave of alcohol and other waves at the same time that can manipulate and dominate the minds of millions of people. And there are millions of Invisible Servants operating in all the realms of darkness.

When one is under the control of this wave, he becomes a drunkard. Now, many are under this wave in different parts of the world. Unknown to them, they are captives of the psychic powers of the Invisible Servants. During my past operations within the highest hierarchy of psychic, occult and esoteric powers, I recognized the

human captives of the wave of alcohol by the way I saw them during astral projection.

In the realms of darkness when a drunkard is seen, he is chained hands and legs on a little bed of dry woods with his face upward. A funnel will be in his mouth. A pipe will run from this funnel direct into a sea of alcohol, which draws alcohol from this sea constantly and daily into his mouth. One on this degree of manipulation will not “be himself” if he does not drink alcohol in a day. There are many spiritual slaves living under the yoke of this craft.

THE SLAVES OF THIS CRAFT

Such a slave, swimming inside the wave of alcohol, is further subjected to any kind of manipulation, including the manipulation of a woeful death. For instance, it was reported some years ago that a man drank himself to death in Awka, Anambra State of Nigeria. It was during a drinking contest in which whosoever drinks a cupful of undiluted local gin receives the sum of two hundred-naira (N200).

The man took three cupfuls, slumped and died there and then. The then Police P.R.O. for Anambra State, Mr. Yemi Ajayi, confirmed this, as reported in the Guardian Newspaper of Saturday, March 2, 2002. This is surely the work of darkness. This kind of experience brings

great joy in the realm of the psychic entities spreading the wave of alcohol.

In another occasion, when I moved from Benin City to settle in Warri, among the first thing I observed was that the man living next to my house was completely under the control of alcohol. One night it was revealed to me in spirit how the man killed his wife through the influence of alcohol. The next day I was on fasting praying for them. As I was driving home from where I went in the afternoon, I saw the man and his wife outside engaged in a serious fight. I came down and went to make peace. Just then the man lifted a heavy stone to strike his wife, but my men held him.

I asked them to carry the man into my compound, which they did. He was held in prayers till he slept off for about three hours. When he finally awoke, he received Christ as I ministered to him. At last he wept as he confessed, saying:

“Man of God, may God continue to bless you. Sincerely, I would have killed my wife today if not that God used you to save the situation. For some time now, the strong thought of killing her has been on my mind. That was my main reason of taking much drink today. I pray that Jesus Christ will help me to serve him from today”.

This wave of alcohol can also be specifically planted in a drink, cigarette, marijuana, cocaine, etc. by an agent of darkness and given to another man for spiritual enslavement. This even happened to a Pastor. During the burial of the mother of the Pastor, people gathered to drink. An agent of darkness was there. The agent took a cup of dry gin and gave the Pastor, saying:

“We know that you are a Pastor, but don't forget that this is your mother's burial, and by our tradition you have to drink. You should at least join us to drink a little only today. Take this from me, it will not make you not to be a pastor, neither will it stop you from going to heaven.”

The Pastor took the gin and drank. From that day he became a slave of alcohol; he became a drunkard. Finally, he died under its influence. The wave of alcohol has brought diverse predicament in the world of man.

WAVE OF EXASPERATION

This is the wave of anger on the highest rate. A human being can be set-up, dominated and ruined by the wave of the spirits of anger, exasperation. Again, this wave comes mostly from the realm of the Invisible Servants of the Astral world. When this wave comes into

a home, love and peace will depart and fade away, if the Holy Spirit is not there to fight the battle.

This is the wave used by the powers of darkness to cause most of the wars and terrorism on Earth. It can be used to ruin marriage and bring untold hardship. It can be used to bring forth the spirit of death. It is one of the most dangerous instruments of attack in the hands of the powers of darkness. In the mode of exasperation, anger, one is completely flummoxed and can thus serve as a great tool in the hands of the Prince of Darkness.

THE INSTRUMENT OF TRAP

One day I saw in spirit as I was praying that a brother (Brother Oba) was killed after he had killed a cow. Then he was preparing to travel to his village to attend an occasion in which his grandmother was to receive a chieftaincy title. Brother Oba is the first son of his mother whilst his mother is the only child of his grandmother. To this end, he was also like the first son of his grandmother. In spirit, the Spirit of God directed that I should warn Brother Oba never to kill any animal as he goes for the chieftaincy celebration.

When he got to the village, his grandmother brought a sharp knife and gave him, requesting him to kill the cow she bought for the occasion. Then he remembered what the Lord had revealed and the warning that was given him

through me.

Consequently, he refused to kill the cow. Of course the old woman was not happy. At this point his grandmother gave the knife to his immediate younger brother who finally killed the cow for the occasion. They all ate and rejoiced, after the woman had received the chieftaincy title.

The next day the man who killed the cow started a quarrel with their mother and his younger sister. Brother Oba came in to stop the quarrel. His brother now rose in high exasperation and told him:

“Yes, it is you I have been waiting for the trap to catch”.

He then ran and took the sharp knife with which he killed the cow the previous day. With this he cut Brother Oba on the head, on the neck and on the chest respectively, before he was held and subdued by the men that gathered.

Nevertheless the sharp knife did not penetrate the body of Oba. The Holy Spirit did this by the Blood of the Lamb, to show that the Power of Christ is real. The brother ran from the village and came to me to testify of what had taken place and the miracle which Jesus Christ gave to him. I then told him that if he had not obeyed God's word and went ahead to kill the cow, he would

have been killed via the trap set for him by the powers of darkness through the wave of anger.

However, later his younger brother repented and apologized for his great misdeed. Any act done under the influence of anger is regretful. Even words spoken under this wave are destructive. The wave of anger is constantly in motion to ruin human beings. The wave of anger could lead to murder. All the waves coming from the realm of darkness interchange operations bringing forth the elements inherent in others. The Bible Book of Proverbs **chapter 22 verses 24 and 25** says:

*“Make no friendship with an angry man;
and with a furious man thou shalt not go:
lest thou learn his ways, and get a snare to
thy soul”.*

Recently a man in Bayelsa State of Nigeria, was caught-up by the wave of high anger. He went to a woman to collect a debt of five-naira (N5). When he got there, he met the elder brother to the woman who rebuked him claiming that he had earlier paid him the debt for his sister. (Note: N5 is far less than one dollar as a dollar is over N100).

This man, under the influence of great anger via the wave and current of the powers of darkness, took cutlass and cut off the head of the brother of the woman. As the woman was about to flee, he also killed her there and

then fled. After about three days, youths caught him and set him ablaze. That is how the powers of darkness work. They used him and caused him to perish.

A CHURCH THAT GOT MAIMED

Now, even one who claims to believe in the Lord, if he is not watchful, can be manipulated by this wave. I was invited by a gospel church in Lagos to minister in their indoor revival. The next day of my ministration, the wife of the host Pastor, who is also an ordained minister, came to complain of her husband to me. At that time she could hardly lift up her left hand which, according to her, was almost broken by the "man of God" - her husband, during a fight.

I knew that the Pastor was under the influence of the wave of anger. I spoke to him, but he failed to acknowledge this and to submit himself for deliverance. This he did by virtue of pride. You see, there must be discipline before deliverance. We must acknowledge our faults before the Lord for His Spirit to help us unto victory. If we fail in this regard, the yoke, the current, the waves of the Prince of Darkness will not leave us.

Thereafter some thing disastrous happened to this Pastor and his church. On a certain Saturday, around his church premises, while speaking to his usher, the usher answered him rudely whilst the Pastor slapped the usher

in anger. The usher slapped him back and they fought. As they were fighting, many unbelievers gathered to watch.

The next day being Sunday, it came to pass that the General Overseer entered the altar to preach the 'Word of God'. Many unbelievers who watched the previous fight gathered outside the windows of the church to see whether the Pastor will preach and what he would teach others about God.

When his wife and elders of the church observed the unbelievers watching from outside, they decided that the Pastor should not preach that Sunday. They further decided that his wife, being next to him in the church hierarchy, should take over the pulpit and minister. Consequently, as the Pastor was about to pray on the pulpit to begin ministration, his wife went up to him and told him in a low tone, saying:

**“Daddy, please let me minister today.
You can see that the unbelievers are
here to mock us”.**

Immediately, the Pastor was moved by the wave of great anger, and he slapped his wife there and then while on the pulpit. The great wave of anger also came upon the woman, who could not endure anymore. She went low, lifted the Pastor from his legs and hit him on the floor of the altar.

The Pastor and his wife began to fight on the altar, but the church elders came and separated the fight. Then the congregation arose and the church came to naught. All the church elders and members left the church that same day. That was how the church closed down. Not only that, for the marriage of the Pastor and his wife also came to an end that same day. This is a manipulation of anger of the highest order, which brings joy to the network of darkness. We must be watchful of this wave in all aspects of our lives.

SLEEP WAVE

Sleep wave is very dangerous as far as the subject matter of spiritual warfare is concerned. Some believers may play this down, but it is very important to the set-up and network of the powers of darkness. This is specifically a weakening device designed to weaken the children of God, so that they will not rise in the strength of the Holy Spirit before the Lord in prayers.

When the children of God pray in the Power and Strength of the Holy Spirit, whether they know it or not, the Blood of Our Lord Jesus Christ is spread in the spirit realm and bamboozles the powers of darkness. I am saying this strictly from my personal experience.

It is often said that:

'a prayerful Christian is a powerful Christian.'

This is a statement of fact. It also follows that a prayerless Christian is a powerless Christian. In the mode of prayer, the believer sets the Power of God and the Blood of the Lamb in motion; and this greatly frustrates the crafts and manipulations of vicious spirits. This also is one thing the powers of darkness do not want to operate successfully against them. And to counter this, sleep wave is daily and constantly in motion to weaken those upholding the Light of Christ. Thus, I tell believers that the best time to pray is when you are weak to pray.

UNDERSTANDING THE GAME

I have been speaking and admonishing people on the subject matter of sleep wave for some time now. When this wave is operating in your life, it makes you to be weak in the area of prayer. Remember that without prayer, you can not have total victory in the field of spiritual warfare. And as far as this is concerned, no person is respected.

That you are a Pastor, Prophet, Evangelist, Apostle, Bishop or whatever, does not mean that sleep wave will respect you and go to the lower ones under you. That one

is even exalted in the Body Christ should make him more watchful. One who is prayerful today, should still be watchful, because the game of darkness is to make him prayerless tomorrow.

Now, in a city in which there are two hundred thousand children of God, for instance, if they all remain prayerful in the strength of the Holy Spirit, surely the forces and agents of darkness in that city will have no place to hide. They must disappear and fade away.

Their own game plan not to allow this happen to them is to constantly project sleep wave to weaken believers, to the end that at least seventy percent of such believers will be bereft of the true force of prayers and thus be invalid on the path of raising the banner of the Blood of the Lamb against the host of darkness. Here, sleep wave is their main instrument of attack.

HOW IT WORKS

When sleep wave enters and settles in one's mind and consciousness, it begins manipulations on diverse degrees. One under this wave will certainly fluctuate between sleep and wakefulness while praying. He may spend an hour on his knees in the mode of prayer, but without saying any reasonable thing for complete five minutes within this period. Now, this is sleep wave in action in his life. When one is captured by sleep wave, on

the highest degree of its manipulation, he will find himself saying even the things he would not want to say in his prayer.

If one spends even three or four hours in prayers, saying foolish things, the powers of darkness are gratified, because he has not been able to set the Blood of the Lamb in motion against them. A Pastor whom the Lord used me to deliver from this sleep wave confessed that he was used to spending several hours on his knees in the mode of prayer saying foolish things.

For almost three years, anytime this Pastor goes on his knees to pray, heavy sleep will descend on him. Often he found himself saying irrelevant things. He confessed that one night, he wanted to say as he was praying,

“I bind you Satan,”

but he found himself saying,

“I bind Jesus.”

God forbid!!! This was a serious manipulation of sleep wave. When the Pastor saw himself on this level, he came to me for deliverance and he was truly delivered by the Holy Spirit.

Another Pastor who was under this wave, confessed to me that one night as he was praying, sleeping and waking, he saw as he was dreaming off a fowl coming

towards him. The Pastor who was “praying” on his knees then found himself saying:

“Where is this fowl going to?”

This is the sleep wave manipulation on the highest degree. However, this same Pastor was also delivered.

Those under this wave will find that even in the church, while prayer or the Word of God is going on, they would rigmarole in the wave of sleep. But often when the prayer or gospel ends, the same sleep wave will vanish from their eyes. This is the work of darkness designed to make one not to be active and participate in the bona-fide spiritual activity. (Now, as you read this book, if you are under sleep wave, put your palm on your eyes and command this to disappear and fade away from you in the name of Jesus Christ. Then rise and be prayerful henceforth).

WAVE OF OFFENSIVE ODOUR

The current of the wave of offensive odour is used to set different traps by the network of darkness. An offensive odour coming by the manipulation of the forces of darkness can carry within it other waves of vicious spirits. In other words, sleep wave, wave of exasperation, wave of undue expenses, and other waves of darkness can be launched into one's life via an

offensive odour. Though these are not launched only through offensive odour, for there are many channels through which they could be launched.

Now, offensive odour projected against a person by the forces or agents of darkness, is also a major carrier of sickness. In other words, the wave of offensive odour is like the wave of sickness. I am not saying that every offensive odour is the manipulation of the powers of darkness, but that this can be used to set trap, spread weakness and sickness, under some specific attack.

An agent of darkness can conduct invocation in Nigeria against someone in England, using offensive odour as the channel of contact. Whatever this odour is like, when projected from Nigeria, the person in England or any part of the world can smell and inhale this in less than three minutes of the invocation. Whenever you notice or perceive an offensive odour, immediately plead the Blood of Our Lord Jesus Christ in faith not in fear, and if it is a manipulation it will be destroyed.

LUST WAVE

The **Lust Wave** is very powerful and the most dangerous of all the waves of darkness. It is the most dangerous in the sense that about fifty percent of human activity, except the activity made to glorify the Lord,

revolves around the potency of lust. Thus in the Sanskrit Vedic Metaphysics, the world of man is called **'Maithunya-agara'**, meaning **'the shackles of sex life'**.

Sex is made by God to be used as an act of love by a man and woman who are truly in love. This is the foundation of marriage and family life. Sex by virtue of lust is a perversion of love. To this end, lust is like fuel while sex is like fire. We all know that there is no amount of fuel that can extinguish fire, as well as there is no amount of sex that can extinguish lust. All those possessed by the power of lust are under the wave of the powers of darkness. The concept of:

'take my body and give me money'

operates through Lust Wave.

ESCAPE FROM LUST

An agent of darkness can plant lust wave on a physical material and use the material as a contact point to dominate another person. For instance, a man came to me whose business was in a serious crisis. As soon as I saw him, it was revealed by the Holy Spirit that he was under the strong influence of lust wave, which became the basis of the downfall of his business.

The man was always having quarrel with his wife, he never saw any good thing in her. Meanwhile he had a lady friend, but unfortunately she was an agent of darkness. The agent bought a suit for him, in which she planted the power of lust to hold the man captive. This captivity led to constant quarrel in his home and to the downfall of his business. By the time he came to me, he had already packed his wife out of their matrimonial home to her parents home.

When he came, all these were revealed to me which he also confirmed. I specifically told him about the suit as a point of contact for his problem. Even as at that time the suit was in the house of the agent, he uses it from her house and returns it there. I told him to go and bring the suit and he did so that same day. When he brought the suit, I prayed over it and burnt it.

At that same hour his eyes opened. From then he never went back to that agent of darkness. I invited him and his wife from Lagos to Warri and they came. The Lord restored their marriage. He and his wife were given some days to jointly seek the face of God through prayer and fasting. Thereafter everything become well with them, to the end that their business is now blessed.

THE POOL OF LUST FOR MONEY

Furthermore, there are many young ladies swimming inside the pool of lust wave without knowing the danger of it. They jump from one man to the other thinking that they are enjoying themselves, not realizing that they are playing 'the game of death' with their lives. To them, what matters is the money, the big house, the big cars and all that.

Often such ladies are trapped and used even for rituals by their so-called 'lovers'. The ladies who move from men to men, thinking that they are 'game masters' in the art of secrecy, without letting their friends or relations know of their journey from one city to the other to visit their so-called lovers, are easy victims of the network of darkness.

There was a report sometimes ago about a lady who came from another town to visit her 'friend' in Benin City, Nigeria. The man she came to visit was an agent of darkness unknown to her. The man knew that her visit was a secret one, for none of her friends or relations knew of it. One night the agent killed her, cut-off her breasts, tongue and other parts of her body. The next morning the man took few of his things and ran away from the city. It was after some days, when her corpse began to smell, that neighbors invited the Police who broke the house at last.

In another occasion, a **'high class lady'** met a **'wealthy man'** in a street corner around 10pm in the night. The man was riding a flashy car. The lady followed him immediately to spend the night with him. The man took her to his house, an expensive mansion in the city. The lady got there and relaxed. Out of his fleet of flashy cars, the man gave the lady a car as soon as they got home. Thereafter they went in and **'enjoyed'** themselves throughout the night.

After this, the lady slept off with **'joy'** and **'happiness'**. To her she had caught another **'big fish'**. The next morning she awoke around 8am, but then she was completely bamboozled of what she saw. She saw herself on a cemetery lying upon the grave of a dead man. It was her wailing and lamentation that attracted the attention of the cemetery workers who were greatly surprised to see her there. The wave of lust has caused her to spend the night with an unclean spirit.

A JOURNEY TO HELL

I am not trying to say that women are more involved than men in the activity of lust wave. As a matter of fact several men have perished under the influence of this wave. It was also reported sometimes ago that a man was travelling in his car on a highway, but stopped around a certain village on the way, entered the bush to stool. As he was doing this, he heard a noise. When he looked

around, he saw a big snake crawling towards the road.

On getting near the road, the snake stood up, changed into a well dressed pretty girl and walked across the road. The man, watching this was dazed on his stool. Meanwhile, as vehicles were passing, '**the pretty-snake-girl**' waved a man driving pass on a Benz car. He stopped and after a brief discussion the girl entered his car and he drove off. Surely the man was trapped whilst the current of his journey must have changed from that moment under the wave of lust. He began a journey to hell. The foregoing is enough warning for those swimming in the wave of lust.

WAVE OF UNDUE EXPENSES

The powers of darkness can project the wave of undue expenses to manipulate the finance of a person or group of persons. This manipulation brings unnecessary expenses, representing the “devourer”, which only the Spirit of God can rebuke. The devourer mentioned in the Scripture is the spirit or wave of undue expenses. This wave is brought to naught when we sincerely spend our money for the work of the Lord.

*“Bring ye all the tithes into the storehouse,
that there may be meat in mine house, and
prove me now herewith, saith **the LORD**
of hosts, if I will not open you the windows*

of heaven, and pour you out a blessing, that there shall not be room enough to receive it. And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, saith the LORD of hosts”.

Mal. 3:10, 11.

DEVOURER OF WEALTH

The devourer, the wave of undue expenses, can ruin any business venture that is not sustained by the Spirit of God. This happened to a man that came from Accra, Ghana, to see me in Warri, Nigeria, sometime ago. He had a large business empire in Ghana and Britain that collapsed on the “altar” of the devourer.

While I was ministering to him, the Holy Spirit revealed to me that the problem of the man began when he, in the mode of anger, stole God's money. This became the basis of why the devourer came upon his business. I told him what the Holy Spirit had revealed and the solution which was revealed also for the restoration of his business.

Consequently, the man finally confessed what he did which came forth as stealing God's money in anger. According to him, he was invited by a church in Accra

for a thanksgiving service. During the service, the Pastor called for offering, which he came out and gave. The Pastor called for a second offering and he gave again. When the Pastor called for the third offering, he began to wonder whether the church service of that congregation was all about offering, but he still came out and gave. The Pastor called for the fourth offering and the wave of anger came upon the man. He became angry in the house of God. He started to think:

“It is like they are doing nothing but business here; they can fool others, but they can't fool me.”

He did not come out to give the fourth offering.

Finally, the Pastor called for the fifth and last offering. Then the anger of the man increased. At this point, he brought out some money, lifted it up in the church and said:

“God, this is your money, but I am going home with it”.

Having said this, he left the church in anger and went home with the money.

This was how he stole God's money in anger. From that moment the devourer followed him and brought his business to naught. It was after the Holy Spirit had used

me to destroy the yoke of that manipulation that his business was once again restored. The devourer comes, using one's mistake as a framework of attack.

HOW THE LORD HELPS

Let me give you, dear reader, another example of how the wave of undue expenses comes. A Christian brother (medical doctor) came from Port Harcourt to see me in Warri. He wanted to see me that day and return back to Port Harcourt. When he came, he was told that I was ministering in Lagos. He was not with enough money to continue his journey to Lagos.

He went to the owner (Medical Director) of a well known private hospital in the city for financial assistance. After introducing himself, he pleaded for an assistance of five hundred naira (less than five dollars). The M.D. refused saying that there was no money to give him.

When he came out, he met a prominent Ijaw Chief who even gave him money more than he requested. He finally came to Lagos and told me how he managed to come. I did not attach any importance to his experience, because I felt he should have been financially prepared before setting out for a journey. Though I took good care of him.

Nevertheless, what he told me was considered very important by the Holy Spirit and formed greater part of my experience with God in the night. As I was praying, an Angel of God appeared and stood before me, and he talked with me.

The Angel told me another dimension of what happened to my doctor-friend. He said that I should not blame the doctor because it was the Holy Spirit that programmed him to be in that financial state at that time.

I learnt from the Angel that many children of God working for the Medical Director in his private hospital have been praying for the blessings of God on the hospital. When their prayers got to the Throne of God, it was decided that greater blessings should be sent down upon it from above. But when the spiritual account of the M.D. was examined, as the basis of sending down the blessings, it was completely empty. He does not believe in giving out money as a help to others.

Consequently, my friend-doctor was programmed by the Holy Spirit to approach the M.D. for a gift of mercy and love as an examination from God. If he gives out in love, he will pass the exam and receive more blessings from God, but if he fails, the blessings will be taken away and devourer will come. But here the big man, Medical Director, failed.

The Angel told me that because he failed to give out a love gift of five hundred naira, saying he did not have,

which was a lie, the devourer will take away five million naira from him in a moment of time. In other words, the five hundred naira that would have revealed the love of God, will become five million naira which the devourer will gulp from him.

I came back to Warri after about eight days to hear that the MD's most expensive equipment, which he bought with over sixty million naira, broke down and exactly five million naira was required to repair it. This is how the devourer works, projecting the wave of undue expenses. A word is enough for the wise!

WAVE OF VAIN CONVERSATION

When Christ spoke to His followers about the deeper aspects of His mission, that is concerning His arrest, death and resurrection, Peter replied the Lord, saying:

“Be it far from thee, Lord: this shall not be unto thee”.

This statement of Peter came via the wave of the Prince of Darkness, the wave of vain conversation. Christ rebuked that wave and said:

“Get thee behind me, Satan: thou art an offence unto me” (see Math. 16:21-23).

The Sanskrit word “prajalpa” is very important in this connection. Prajalpa means

“things unwanted by the Lord”.

To overcome the wave of vain conversation, a believer should not take part in the active discussion of the subjects and things unwanted by the Holy Spirit. If we raise our consciousness to the level of always thinking of the Lord, hearing of the Lord, and talking of the Lord, we will surely overcome this wave of darkness.

A child of God must avoid vain conversation, because it brings down one's spiritual life. Vain conversation can also promote anger and lead to other problems. A woman came to me in tears, complaining of how she was beaten up by her husband. Of course it is very wrong for a man to beat his wife, but I asked her what was the cause of the trouble. She said that she and her husband were discussing joyfully, but that the man started laughing and **“over laughed”** by her calculation.

When she taught that the man had over laughed, she yelled on him, saying:

“Why are you laughing like a fool”.

As soon as the man heard this, he rose in anger and beat her. So we see that what brought about the whole

problem were vain words. Children of God should avoid things like this. Be in control of your tongue to the glory of God. Think before you speak, not after speaking you begin to think and regret of your words. Remember, perfection begins from the tongue. **(See James 1:26).**

WAVE OF MUNDANE ATTACHMENT

The wave of mundane attachment is designed to make man attach himself to the creature more than the Creator. Under the influence of this wave, one will consider the material things of life as the sole basis of existence. Spiritual life begins with the realization that

“I am not the gross material self”.

With this realization comes the love of God, but the wave of mundane attachment comes to hinder the flow of this divine love in the heart of man.

Under the powerful current and wave of attachment to the material things of this life, people fight and kill for the sake of the things of this life. People struggle, fight and kill for the sake of land, wife, husband, cars, houses, among other things. For example, a man committed suicide because another man had sex with his wife. Another man killed his wife for the same reason. This is the outcome of attachment to mundane things. The only solution to this is for man to love the Lord with all his

heart, mind and soul as required by God. Then there would be no room for mundane attachment.

WAVE OF NEGATIVE SOUND CURRENT

The wave of the powers of darkness also operate via the elements of negative sound current. Here I am speaking of the negative sound current or vibration representing an individual. The sound current is therefore your name. The name you bear can produce negative or positive vibration. If your name is negative, however, it can serve as a point of contact for manipulation by the powers of darkness. Name is important for every human.

I was ministering somewhere when a man came to me for spiritual help. When he came, my spiritual eyes were opened by the Lord to see many psychic entities rejoicing upon him and proclaiming him their slave. Then I discovered that the problem of this man was rooted in his name:

The forces of darkness around him could not come near where I was. They disappeared and faded away. I asked the man

“what is your name?”

he answered:

“My name is Gobi-desert”.

You see, Gobi-Desert is the head-quarters of the witches of Abra Melin, and by bearing this name, the powers of darkness came forth and made his life a desert. Consequently, even though he had a Masters degree, he was jobless, his life was a burden to him even as he was unable to feed himself. During ministration, I changed his name, called the new name several times upon him in the name of Christ and he got his deliverance. This changed the current of attack to the end that he got a good job six weeks thereafter.

CHANGE A BAD NAME

If your name is linked up with the powers of darkness, they will trace you via the negative sound current of that name. Sometimes in my tribe (Ibo in Nigeria) you see someone bearing such a name as *Osuagwu*, meaning **'the slave of Agwu'**. The entity **'Agwu'** is an Astral spirit of darkness in charge of sorcery. One that answers a name as a slave of this entity, can be manipulated via this process, by constant sound vibration of the name.

A man was introduced to me as Reverend Ogbuisi, and, you see, the name Ogbuisi means “Head-cutter,” or

one that cuts human head. People bear such Ibo names as Osuoke, meaning “the slave of rat”, Iloputaife, meaning “hatred that is exposed” or “hatred that comes to light”, Nwanu, meaning “the child of animal,” Aja, meaning “sacrifice”, and Alusi, meaning “Idol”, among many other names that can be used by the enemy for crafts.

All I have said so far, the summary is that there are diverse channels of bondage of the powers of darkness. Many are bound but Christ can deliver from each and every bondage. He can make you free and free indeed. If you are not yet in Christ, seek him today, He is the only one that can set you free. Also get in touch with me if there is any evidence of enslavement in your life. I am holding a strong hammer from God to nail off every yoke of bondage in your life. Every true Messenger of Christ is also holding this strong hammer. A word is enough for the wise!

CHAPTER 7

EVIDENCE OF THE POWER OF CHRIST

*“Yea, though I walk through the
valley of the shadow of death, I will
fear no evil: for thou art with me; thy
rod and thy staff they comfort me.”*

(Psm. 23:4)

Note: I bring here the testimony of a Christian brother, which also shows the Power of Christ in our time. Based on what the Great Lord did for him, he came from Oron to share this great testimony with me at warri. I do hope it will strengthen your faith.

BRIEF BACKGROUND

“I was born in 1977 to the family of Mr. & Mrs Okon Essien Eneyoh of Oduo-Ebughu in Mbo Local Government Area of Akwa Ibom State, Nigeria. My mother, Mary Okon Eneyoh, gave birth to twelve children, five girls and seven boys. I am the seventh child of my

parents. Unfortunately my mother lost ten of her children while she was alive. Then she had my youngest sister who was five months when she died in 1985, through a deadly cholera. Barely five months after my mother's death, the little girl also died. I was the only one left out of my mother's twelve children."

This was how Imeh Eneyoh began his story. After his mother's death, things became extremely difficult for him and his father who was jobless. Thus Imeh had to stop his education abruptly. Before this time, he had completed his primary school.

MEANS OF SURVIVAL

Being helpless with a poor father, he resorted to source for a means of living. Thus, he become a **'boy'** attached to one of the boats that sailed through Nigeria and Cameroon. His main job in the boat was to bail water.

He was attached to a man popularly known as

'Face Your Way',

and resumed duty immediately. He worked with his master for about five months, sailing between Nigeria

and Cameroon, before his ordeal with the sea waves.

On one of the trips to Cameroon, his master bought cement and zinc sheets to complete his building. They were to leave on Tuesday but his master postponed the journey to Wednesday. This brought about argument among members of the crew, but **'Face Your Way'** convinced members of the crew on board why they should travel on Wednesday. Imeh said:

FEELING THE DANGER AHEAD

“On Wednesday morning, when we had loaded the boat and set to move, my master became too optimistic of the danger to venture in to the sea. I also had the same feeling as I later told him. Following this unusual feeling, I asked all the passengers to join another boat. I was left in the boat with my master and two other men, all married with children”.

Inspite of the movement of passengers to another boat, his master still nursed fear. But for the fact that he had postponed the journey to that day (Wednesday), he didn't want to shift it again to Thursday. Therefore, he decided cowardly in his mind to venture into the sea despite his feeling of danger ahead.

When they finally set off, his master decided to avoid the security patrol team in the sea. He chose to venture far into the sea in order to avoid completely the patrol team.

They got to Dibouja about 1 am on Thursday. When they looked around, the atmosphere changed entirely. The whole place became misty and cloudy. Worse still, the engine of the boat seized to function. This was as a result of heavy storms. Consequently, as the boat was not able to make a turn, water started entering the boat and it began to sink.

THE BOAT CAPSIZED

When the boat was sinking, all of the crew started jumping in to the water. Imeh took empty jerry-can of sixty liters, holding tightly to it, he jumped into the sea. Then they were driven by the storm to different places, but with the help of the jerry can, he was able to float.

As he floated he heard the voice of a drowning crew member named Itebe, saying:

“Imeh, Imeh, come and help me, I am drowning”.

He began to float towards him in order to assist, but he heard his master calling, saying that he should not go,

that he would be in danger if he does. He heeded to his advise and his master joined him at last, as both began to float to where it pleased the storm. They saw their 'captain' and he also joined them on the jerry can, everyone holding tightly to it.

This was how they floated throughout the night and at daybreak the storm was calm and the sea quite. But where were they heading to? What was their fate out there in the high sea? That morning, as they were still floating at the mercy of the jerry can, fortunately they saw a boat coming towards their direction. They had a sigh of relief. But to their greatest surprise there was a storm again and the wave drove the boat to another direction. The hope of a rescue was lost.

Again they saw another boat coming towards them but the boat was driven by the wave towards the shore, while they were driven far into the deep ocean. Again their hope of a rescue was lost, as they were driven by the wave out of the borders of Cameroon and Equatorial Guinea towards Gabon. This continued till Friday morning.

BITTER EXPERIENCE

That Friday morning, the 'captain', Mr. Effiong, started weeping because that same Friday was the burial ceremony of his late mother. Imeh consoled him and

told him to forget his dead mother and pray that God should save them.

Following this, he erased from his mind the issue of his mother's burial and began to talk about hunger. He complained bitterly about hunger, but Imeh's master advised that if anybody brings food in a dream, they should not eat. Imeh told them to pray, assuring them in the name of Christ, by faith, that God will provide food while on water. This seemed impossible to them. As he dozed off, he saw young ladies in a trance bringing food to them. Good enough he had been warned by his master not to accept such.

Surprisingly, as he awoke, he looked forward and saw something floating towards them. He swam towards it and it was biscuits. This they shared and ate; It sustained them for a while. After eating, they became thirsty and the 'captain' began to lament. Imeh advised him to pray to God, that the same God who gave them biscuits can also provide water. Hear Imeh:

“I looked ahead and saw something floating. I made a move to go and bring it, but my master said I shouldn't make any move or else I may be eaten up or get killed by dangerous marine life. But I insisted and I got there and found that it was our own 25 litres can, filled with water. Beside it, I saw an empty

container of swan water which, with the aid of my master's teeth, was cut into a shape like cup.

“After we drank the water, my master said he would have the can for further consumption. But he was not careful enough with it as it slipped out of his hand and was carried away by the wave. I tried to go after it, but my master stopped me”.

By this time, they were becoming too tired to proceed especially the 'captain'. Imeh suggested that if there could be a twine (rope) they could use it to tie themselves together to the can to keep floating without much effort. As God may have it, he looked around and saw something floating on the water. Behold it was a rope and he went for it and with the rope they were able to bind themselves together.

At this point, the 'captain' asked how they could be rescued out of this problem. **'Face Your Way'** replied that it is not possible to see a boat at that end of the water, not even a ship. Ships rarely pass that route. The only thing easily seen is aeroplane. But how can aeroplane help? This was a big question. Imeh then reminded them that their rescue depends on their faith in God, that they should believe that with God all things are possible in the name of Christ. He told them that:

The God of Harbinger of the Last Covenant, the God of Daniel, Elijah, Moses, and other Prophets of old is still alive and can save.

ONLY GOD SAVES

The 'captain' raised a question out of frustration. He asked,

“why it is that anytime there is a ship wreck or boat mishap people hardly survive?

He gave instances of a boat with crew members of sixteen people, all who died at that same spot where they had theirs. Imeh admonished that God will see them through, irrespective of where the storm and wave will lead.

At this point his master noted the faith in him and said that he was very optimistic Imeh will survive even though they would die. He told Imeh to relay their experience back home to people for a testimony, if eventually he survived, so that people will believe God from his testimony. He also advised him to stay strong with the God he is serving. Hear Ime Eneyoh:

“I asked them to confess their sins and ask God to forgive them. This they did reluctantly when they saw the imminent danger ahead. I confessed my sins and prayed to God for forgiveness. Next was the 'captain' to confess. He prayed God to save his life. He said he was a murderer, a liar, a cultist and does all sorts of mischief. He prayed God to save his life, that he is the only surviving Soul in his family.

“Following the 'captain' was my master. He confessed his misdeeds as I warned him to confess out of his heart the secret things which human eyes and mind cannot picture. He confessed murder, and other evil acts. He said that he is a wizard and never believed in Christ. But he prayed that God should save his life and when we come ashore, he will dedicate himself and his family life to God.

“But he quickly regretted and asked us: 'Why am i saying all these? Are they necessary to save my life here?' He felt wounded in the heart for confessing and wishing he never confessed. He said we should move away from him to allow

him to die. But I held them and encouraged them. We prayed to God and I told them that nothing will happen to us if we have undoubting faith in God”.

TROUBLE ON THE HIGH SEA

At 7p.m in the evening (immediately they finished praying) there was a heavy storm. This storm tore them apart leaving the 'captain' and Imeh on a log of wood and his master on the jerry can. He later heard the voice of his master calling him to come and help him. He traced his voice in the dark with lightning as guide, reached and rescued him.

Then they tried to move towards the 'captain'. They called him, he replied and they continued this for some minutes. At a point, they could no longer hear his voice rather they heard several human voices that echoed out in the dark, shouting: 'welcome, welcome, welcome!' After this experience, they continued to search for him in vain. At last they gave up the search till the next morning. This was how they were separated from the 'captain' and he was no more.

In the morning they continued the search and found the log on which he was, but they didn't see the 'captain' again. With this they concluded he was dead. All these

took place on Saturday morning. At this point his master asked how they can survive without food on the sea. He told him that as a Christian who fast for 3 to 7 days without water and food, that God is preparing him for a task ahead. He later told him to have faith in God and prayed that God should send them food like he sent Elijah through a raven and manna to the Israelites in the wilderness.

Later his master saw something floating and asked him what it was. He took permission from him to investigate and bring the object for scrutiny. When he got closer, it was something he never expected at that moment on the sea. He found six coconuts. Beside him was a strong wood, which he also collected and swam back to his master. With the wood, they were able to open the coconuts and ate from it. Our brother Imeh went on to say:

TRUSTING IN THE LORD

“After this incident, I continued to pray and believed God for sustenance. We, especially myself, strongly believed God that He will surely provide food for us and will also rescue us. As we were discussing this, my master looked ahead and saw a black object floating on the sea. He prayed that it should be his own

bag. I took leave from my master to fetch the object, surprisingly enough when I got there, it was my own bag, loaded with food items. They were still in good condition, except for the spaghetti that was soaked. We opened the bag and ate from the contents, which included sardine, biscuits, bread, etc.

“After we had eaten, I saw something that looked like forest and I rejoiced and told my master that we are near rescue, for I have seen a forestland. My master warned that I should not get close to the 'thing'. He said it was a 'spirit marine life', which could cause death when approached. After a short time, I discovered that the object had turned upside down and swam away.

“Following this, there came a strong wave which took us far away and almost separating us. I prayed that God should provide a rope for us to once again bind ourselves together. As I was wishing this in my heart, I felt something on my legs. When I picked it up, it was rope and with this rope we tied ourselves together and swam towards an oil platform which we saw ahead of us. As we tried to get close,

the wave took us to another direction away from the platform. Again we went far into the high sea. All this happened on Saturday night.

“The way God was meeting or rather supplying our needs was something amazing to my master, as he opened his mouth to proclaim the true existence of God. We continued to float throughout that Saturday night till Sunday evening. Then our food supply was exhausted”.

HOW HIS MASTER DIED

On Sunday night while they were still floating, his master began to tell him some secrets about himself, which he said Imeh should reveal to his wife and members of his family when finally he is saved and returned home. Among the things he told Imeh were the people financially indebted to him, his secret petrol storage tank, and other related issues. When he finished, there came a heavy storm and mighty wave. Everywhere was dark not allowing visibility.

This wave, separated them and as Imeh tried to locate him, he called out to Imeh that he should not border to look for him, that since he was alone, he feels

much better. He encouraged Imeh to forge ahead. He said that he knew Imeh will survive and that he should relay all he told him to his wife and family members.

He also encouraged him to remain firm in the God he serves. With this last comment, he bade Imeh bye and sank down into the deep sea. Among the things he asked him to do was to share this testimony to everyone he comes across. He told him to warn people that it is not good to engage in evil acts, since they can't save one and that the only faithful hope in life is to remain in God.

DIVINE PROTECTION

Imeh kept floating from Sunday night till Monday morning alone in a semi-unconscious manner, having as his companion the strange big fishes around him. These fishes, as big as they were, refused to hurt him. Rather they were waving off dangerous fishes and sharks away from devouring him. Imeh told me:

“As the fishes gathered round me, I began to cry to God, reminding God that I am a true Christian and the only child of my mother's twelve children, that if it is His wish, He should save me out of this place as I promise to serve

him all the days of my life. I began to recount the things I did for God in my local church and prayed that God should have mercy on me.

“I was still praying, when I saw a small fish swimming towards me. I tried to catch it but it moved forward. I followed it and it again moved away. Again the small fish continued to moved forward each time I tried to catch it. Meanwhile the other big mysterious fishes were still in my company.

“As I continued swimming to catch this small fish, I totally lost strength and was left alone to the direction of flow of the sea, as directed by the wave. I looked forward and discovered a forest. To my greatest joy, I suppose as I screamed out that it could be the Cameroon/Malabo borders. At this point I totally lost consciousness and fell asleep on the log on which I was floating”.

HOW GOD RESCUED HIM

He was under this condition for a considerable time, but as God may have it, there came a speedboat which was supposed to follow its course to Malabo but was diverted to Imeh's direction because of the strong wave. They made several efforts to follow another route as he was later told, but were not able.

The 'captain', Mr.Ibe, considered him lucky. This was because immediately they lifted him up into their boat, the whole sea became calm. Initially they refused to pick him up supposing that he was a spirit. They reasoned that no mortal being could be found in such a location alive. As they were saying this, he called out in a faint voice that they should help that he is a human being like them, but was involved in a boat accident. It was at this point they lifted him from the water into their boat and took him to Malabo. Among the crew members was a white man who gave him some food to eat to regain strength, and there were some women too who helped

When they got to Malabo, the security agents, the police and immigration department confronted him to get information on what they heard about him. Later they were satisfied with his story, and referred him to the Nigeria Embassy.

BACK HOME

There were salt all over his body due to prolonged stay in the sea water which is naturally salty. The effect of the salt on his skin was burns and boil all over. A good 'Samaritan' went round, announcing to people, especially Nigerians from Akwa Ibom, to come and identify him. The modalities on how to return him back to Akwa Ibom State, Nigeria, were also worked out.

Among the people that came was a young lady who was a friend to his late sister. She was able to identify him and later told him that there was a relative named Alice who lives near. She took him to her. Alice took him to her husband's house and together they invited a medical doctor to treat him, but the doctor turned them down when he saw him, saying that he won't survive. A nurse that was brought also said the same thing.

But Imeh strongly confessed that he will not die since Jesus Christ was able to deliver him from the high sea. He told them to do whatever they could to help. They bought drugs for him too. Meanwhile, the Ambassador sent people to arrange his return to Nigeria.

Following this, arrangement was made after staying in Malabo for two months to return him to Nigeria. People suggested that it is not good for him to

join the waterways back home, that it would be better to go by air. But the Ambassador said there was no money. Imeh was finally sent back to Nigeria from Malabo via Cameroon.

THANK YOU LORD!
