FOREWORD

The setting of this book, '*Verses of Glorious Marriage*,' is a unique perspective which every interested reader will find as a true guide towards a successful marriage. It is a rare luscious presentation designed to promote the true essence of marriage.

In this book, the author Prof. lyke Nathan Uzorma (Harbinger of the Last Covenant), takes a deep plunge into the spiritual, philosophical and practical aspects of marriage in the universal empire of humanity. His approach here bears certain views on the likely inhibition and prospect that marriage experience holds in the life of each and everyone.

To this end, '*Verses of Glorious Marriage*' tells us the main reason why some forces are engaging in battle against marriage in our world; how true love forms a stronghold of Light and used, not only for the benefit of the individual family, but for the world as a whole; what love and respect do in the maintenance of unity among couples; and much more.

Furthermore, the author centered his discussions on how to make a good choice of a marriage partner, perfect agreement in love and the faculties this awakens in the mind; how to overcome the forces against successful marriage; how to handle misunderstandings and how to fulfill marriage obligations, to mention but a few.

Also, he took pains to tread on the precarious terrains of the controversial issue of the equality of man and woman, neither essentially stepping on the toes of the former nor over-stretching the elasticity of the latter's pride and place in the matrimonial home. Since the issue of marriage is multidimensional, the resolve by the 'Harbinger of the Last Covenant' to sustain a wider approach necessitated the exposition of deep mysteries contained in this book.

Due to the essential nature of marriage towards the continuity of the human race, this book is written as the author's humble contribution in the making of a peaceful home. Also because of the expected spiritual nature of the holy matrimony, especially to true believers which, as revealed in this book, forms a divine stronghold for Light to attract Light, for the victory of Light over darkness, the '**Verses of Glorious Marriage**' becomes imperative in our time.

This is so when we put into consideration, as exposed here by the author, a decree of some Astral spirits against marriage. The reader of this book will note that when couples form a stronghold, this generates enormous power used to achieve many good things in the home and on Earth.

The author has taught me that the forces of darkness are not fools; they know what is against them; they know that a stronghold of Light formed by couples works against them. As such, they equally know how to battle and weaken what is against them.

Therefore, I strongly advise that we take very serious the issue of love, respect and perfect agreement in marriage, so that we will achieve all that the Spirit of God wants us to achieve.

'Verses of Glorious Marriage' is the revised and enlarged version of a book the author published in 1994 under the title: **"Overcoming The Forces Against Successful Marriage"**. Then we were in courtship, during my final year at the University of Benin, Nigeria. We got married the following year, 1995, and after over twenty years of marriage (1995-2017) he decided to bring more exposition into the book, which brings it now to this standard.

Prof. Iyke Nathan Uzorma, Harbinger of the Last Covenant, is a unique man with lots of love and wisdom. He holds that marriage is a parcel that should be prayerfully opened with deep love and respect; otherwise it may not truly stand.

It is my sincere desire that the reader of **VERSES OF GLORIOUS MARRIAGE** will find it practically useful, irrespective of his or her religious, social and vocational inclinations.

Just a rare spiritual invaluable gift!

PRELUDE

THE CHALLENGE OF MOTHERHOOD

By Lady Udeme Nathan Uzorma

Motherhood simply put is a state of being a mother. It is a state of relationship between a mother and her family (i.e husband, child or children).

It is a challenge and an important stage in the life of every genuine woman. It is truly the desire of every genuine woman to grow up and one day get married and give birth to children. It is her desire that she should bring them up in a way that they would be responsible and useful to themselves, their family, the community and the world at large.

To be a mother may not be easy, but then it is an honourable and blessed position, because there are many women out there who are not fortunate to get married or even have children of their own. So while facing the challenge of motherhood, know that it is a blessed position in marriage.

GOOD EXAMPLE

A mother has a lot of roles to play in the lives of her kids and husband. Right from conception, she is expected to eat the right food so that the child can form and develop properly. She is expected to nurture the baby to delivery

and after delivery. She is expected to feed her kids and make sure they are clean.

It is the duty of the mother to make sure the home is always clean, the food prepared on time; infact create a peaceful atmosphere in the home for her husband, who may be out there working hard to make ends meet. Mothers have a lot to contribute to a child in the formative stage. Mothers are expected to inculcate good morals, values and conducts into their children's lives; you should teach your kids by showing good example.

Mothers should always make out time to be with their families. Some mothers use the facts of going out to see how they can complement the efforts of their husbands, because of poor economic situation, as an excuse for them not being available for their families. No matter how busy a mother is, she should always find time for her family, so that she would be confident that what is going on in the lives of her husband and children are proper and acceptable.

Mothers please take note: a lot of crimes would have been averted if mothers had time for their wards. Some mothers spend more time attending functions, while some go as far as telling their husbands to get a house help, if he is not comfortable with the new development.

MOTHERLY CARE

If you must go to functions make sure things are well in the home. First, make sure there is enough food for the

home, and this however should be done with agreement on both sides. A woman should learn not to take decision on her own, in opposition to her husband, except in an emergency where the husband is not available.

Don't say because you were so busy during a function, you couldn't find time to call the house to at least find out if things and everyone are in order. Take a break from all the excitement and make a call to the house. Never put up nonchalant attitude towards your family. Make them understand that you are always available for them.

Our holy book 'The Holy Bible', gave us a clue on how a true mother should conduct herself.

***"Every wise woman buildeth her house
but the foolish plucketh it down
with her hands" (Proverb 14:1)***

BUILDING A HOME

Mothers who think that building a home is solely the work of a husband should have a rethink. A genuine mother always seeks to build her home and not to destroy it. There are some powerful weapons that can be used to build a home. These are prayer, (seeking the face of God from time to time), exhibiting love, peace, respect, patience e.t.c.

You cannot build if you don't love your husband and other members of the family. You will end up in destroying your home if you are not peaceful and tolerant. If you get

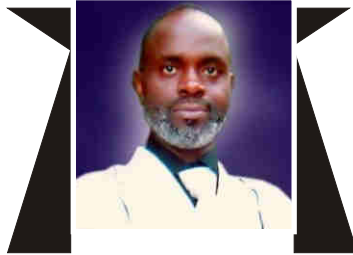

Verses of Glorious Marriage

annoyed excessively, one day you will end up destroying even the little you have contributed to build. A mother is supposed to be meek, gentle, and tolerant and at the same time firm with her corrective measures.

Mothers, you have an important role to play in the consciousness and psychology of your children. The silence of children at home doesn't mean they are not watching or have not seen what you just did or what you are doing. Now, it does not matter whether the attitude is good or bad, the important thing is that they are watching. One day, they are going to imitate your mannerism, thinking it is normal.

Monitor your children to know the type of friends they keep. Discourage your children from having and keeping friends of questionable characters. Kids are easily influenced by their friends or peer group.

Majority of kids will like to imitate or copy what their friends are doing. If possible, invite your kid's friends over to your home, and by so doing, you will study closely with wisdom the kind of friends your children are keeping. Remember birds of the same feather, flock together!

CHAPTER ONE

PRIMORDIAL ADMONITION

***"O CHERISH HER, AS A BLESSING SENT THEE FROM
HEAVEN; LET THE KINDNESS OF THY BEHAVIOUR
ENDEAR THEE TO HER HEART."***

- Ancient Sacred Writings of Tibet

THE CROSS OF LIFE

1. It came to pass in the world of man that an earthman, a faithful one, rose to seek the Holy face of the Almighty; to seek greater blessings from the Most Merciful God.
2. By Divine Mercy, the earthman was brought before the Lord, who came forth and manifested as The Son of Man.
3. In the presence of the Lord, he lied low in humility; therein he paid his most respectful obeisance to the Supreme One who is the Holiest of the Holies.
4. Then the earthman said to the Lord: ***'Oh my Lord, I seek greater blessings from Thee, for my survival in the world of man'.***
5. And the One Eternal Lord, who is powerful than fire, said to him: ***'My son, if you will receive greater blessing from me, return to your abode and carry your cross'.***
6. And it came to pass that the earthman returned home. At first he did not know what his cross was. Throughout that night he thought over this to no avail.
7. When the morning came, by the leading of the spirit of his heart, the earthman reached a definite

Primordial Admonition

conclusion.

8. As his wife dressed up for work, he came out, carried her up and placed her on his head. People saw him and were bamboozled.
9. They said to him: '***why are you carrying your wife on your head?***' He answered: '***God said I should carry my cross to receive His greater blessings. She is the main cross of my life, that is why I am carrying her thus***'.
10. Earthmen, it is said that marriage should be enjoyed not endured.
11. When you enjoy your marriage in love it will be a sweet cross.
12. When you endure your marriage in pain, it becomes a bitter cross.
13. Earthman, to the extent that you consider your wife to be the cross of your life, to that extent you are also the cross of her life.
14. If you think that your wife is a bitter cross to you, Oh earthman, then of a truth you are the bitter cross she is carrying now.
15. Children of man, let not your life become a cross of pain, a burden, to your fellow human in whatever form.

Verses of Glorious Marriage

16. Blessed is the man who conducts himself in such a manner that does not bring pain to another; in such a manner that burdens no one in the journey of life.
17. Twice blessed is the one whose words bring peace to the hearts of men, not pain and the rudiments of anger.
18. When the Almighty Lord tells the earthman to go home and carry his cross, with regards to his wife, for the manifestation of greater blessings, what does that mean?
19. Simply stated: it means that you should at all times shower your wife with love. It means you should at all times abide by the admonition of the ancient sacred writings of Tibet: ***'Let the kindness of thy behavior endear thee to her heart'***.
20. And when the Almighty Lord tells same to the daughter of man, what does it entail?
21. The same Tibetan treatise answers thus: ***'Submission and obedience are the lessons of her life, and peace and happiness are her reward'***.
22. Therefore, Oh children of men, love your wives that greater blessings will descend upon you from the Almighty; respect and obey your husbands that happiness and peace will fill your hearts.

THE LOWEST ACTIVITY

23. Earthman, marriage also involves sexual act; by this, procreation sustains the continuous existence of the children of men in the world of man.
24. Let your sex life come forth from the realm of love not of lust. Do not enter into marriage by the whims of lust and embed your sex life in that.
25. Remember the admonition of Plato, the ancient wise man of Greece, thus: ***'The greatest cause of crimes is lust. The fire of sexual lust kindles every species of wantonness'***.
26. Therefore, let the ***'Verses of Glorious Marriage'*** also bring to the earthmen the hidden aspects of sexual act.
27. In doing so, that is, in talking about sexual intercourse aspect of humans in this treatise, though in brief, let us go beyond the realm generally known.
28. In the first place and in the higher terms of the spiritual system, let it be known that sexual act is the lowest activity in the world of man.
29. Now, the earthman has five senses in the gross material aspect of his body. These include that of smell, of taste, of feeling, of sight and of sound.

Verses of Glorious Marriage

30. Let it be known that, among all the actions performed by the children of men, sexual intercourse is the only activity that brings the entire five senses into simultaneous focus within the moment of the act.
31. No other action, other than sexual act, brings the entire five senses of humans into simultaneous forces. In other words, during sexual intercourse, all your five senses are involved at the same time.

SHARING THE AURA PROPENSITIES

32. Earthman, daughter of man, be very careful about making a choice in marriage. It is not a thing to rush in and rush out. The choice you make can uplift or degrade you.
33. In marriage sex is involved. Any sexual act strictly on true love shares the benevolent fruit to the male and the female. But based on lust, the malefic fruit is shared.
34. By virtue of the Universal Laws fixed in motion by the Finger of the Almighty, especially the Law of Homogeneity cum the Law of Auric interaction, whatever that brings the human five senses into simultaneous focus, shares the aura propensities of those involved.
35. Every human has a specific aura. Your aura is the invisible force that surrounds you. The aura is like a

Primordial Admonition

house in human terms that resides in the upper aspect of the subtle life essence known as silver cord.

36. This silver cord is what joins man's duality, man's body and spirit (soul) together as one entity in the world of man.
37. When this silver cord is severed, death occurs among men. (***“Or ever the Silver cord be loosed.... Then shall the dust return to the Earth as it was; and the spirit shall return unto God who gave it “, Eccl. 12; 6, 7).***
38. The aura goes with the spirit, your core identity, after death when the silver cord is cut off, because it resided, in the upper aspects of that which goes into the realms beyond.
39. Now, in this aura lies everything about your being in the world of man. The blessings of your life are there. Earthly woes and the hour of your death are there. The sickness that will come your way, the victories that you will have in the journey of life amongst others, all are there.
40. To this end, Oh earthman, and from the foregoing, at any moment you partake in sexual intercourse, you share and take into yourself fifty percent of whatever is in the aura of the woman whilst she also takes fifty percent of yours.

Verses of Glorious Marriage

41. This is by the Immutable Laws of the Universe, fixed in motion by the finger of the Almighty.
42. If your sexual intercourse at any given time is impelled strictly via the platform of pure love, what will come forth to be shared will be on the aura upper propensities, wherein dwells peace and blessings.
43. If it is impelled by lust or any form of greed and vanity, you will share from the lower aspect of the aura, wherein dwells the predicaments of the earth life.
44. As for sharing the aura propensities, you must partake therein, for as long as you engage in sexual intercourse.
45. Earthman, you are yet to come to the recognition that if you have sixty years to live, and you engage in sexual intercourse, via the lust wave, with one who has three years to live, you will prolong her life and she will shorten yours, by the aforementioned process of sharing.
46. And if it is done in pure love, because he who has love has the legitimate Spirit of Light in motion, the blessings of life will be shared; for blessings will be added to blessing.
47. To this end, if what you get after sexual intercourse, at any time, is that blessing is added to blessings,

Primordial Admonition

rejoice and take it as the blessings of the Almighty.

48. If on the other hand what you get thereafter is woe, you have to manage it as your portion in lust, your portion in the darkness of this world.
49. Therefore, Oh earthman, let not your marriage come forth on the platform of lust, so that you will not inherit all that is associated with the illusions therefore.
50. Let your marriage stand upon the stronghold of love and surely you will be blessed. With love seek a partner in Light, that you may have the peace and the blessings of the Almighty.

A word is enough for the Wise.

CHAPTER TWO

THAT YOUR MARRIAGE MAY EXCEL

***“HE THAT LOVE NOT HIS WIFE AND CHILDREN FEEDS A
LIONESS AT HOME AND BROODS A NEST OF
SORROWS”.***

-Jeremy Taylor

(1613-1667; English Preacher)

SUBJUGATION

1. Earthman, the true nature of womanhood is a blessing to you. Do not pass over this lightly.
2. When you subjugate a woman, using the instruments of your religion, using the instruments of your tradition, using the instruments of your wrong mental pattern, do you sincerely know what you are doing?
3. Can you say that you are fully aware of how she feels deep down her heart in the midst of the yoke of bondage in which she is placed by you?
4. Earthman, a woman, the daughter of man, is with you, in your life, but she sincerely yearns to be free from you. What type of a man are you?
5. You hold her down in diverse ways; do you know that, of a truth, you are holding yourself down?

HOLDING YOURSELF DOWN

6. It is said that he who holds another down is also holding down himself.
7. Now, you are about to go to work, but decided to fight and wrestled down another man. Is your time

Verses of Glorious Marriage

to work not delayed by yourself?

8. For as long as the fight lasts, are you not holding yourself down as well?
9. You tightened your hands and fail to support her, to stand up for her in the area of her needs. Will the spirit of her heart not be a hindrance to your life?
10. All things are not material. If you don't have money to support her at any given time, at least you should have sweet and placating words.
11. Always remember, he who holds another down also holds down himself.
12. Therefore free yourself from this, Oh earthman, that you may reap in joy the blessings of God embedded in the spirit of genuine womanhood.

SPECIAL GIFT

13. Earthman, great son, are you married, living with a wife? If yes, then the ceremony that welcomed you into the institution of marriage is already completed!

That Your Marriage May Excel

14. This is a special gift from the Heart of hearts; a special gift from THAT which is beyond the earthman.
15. A marriage truly joined together by Love is beyond material gift. May Love rule your marriage on the path of Light.
16. Earthman, great son, know and understand that the only sacred language valid in the consciousness of the daughter of man is LOVE; yes, love practically demonstrated!
17. When you fail here, though you may think of yourself to be in control of her body, but, verily, her heart will be far from you.
18. Blessed is the man who will have the heart of his woman on his side.
19. And you, Oh daughter of man, never you forget that the sacred language valid in the consciousness of man is RESPECT; yes, respect practically demonstrated.
20. Let the man and the woman be guided by these -- Love and Respect -- to the point of interchange

Verses of Glorious Marriage

and benevolent reciprocity.

21. With these, as you daily open the parcel of marriage, you will find therein nothing but the Eternal Spirit of Love in diverse manifestations. This is unto your collective victory in both the battles and the journey of life.
22. May your joining together in marriage, to you who is already there and to you yet to come in, form a two-fold stronghold and bring forth the three-fold cord that can't easily be broken by any element, spirit and human.

WOMAN IS LIKE BEE

23. Earthman, great son, know and understand and always bear in mind, as made known to the children of men by the wise ones of old that, in the higher spheres of reality, several things a woman becomes after marriage, are surely the making of the man.
24. Therefore, never you complain about the changes, the things repulsive which to you she has become. They are nothing but the works of your hand, Oh man.
25. And you, Oh daughter of man, take no advantage

That Your Marriage May Excel

of this to show forth the fruit of evil. Remember, a woman that wants to be loved, should always do that which makes her to be loved, not contrary things.

26. Never you forget, Oh son of man, that woman is like bee. Handle her well in love and like bee she will bring forth honey;
27. Subjugate her, handle her with a cunning heart -- a heart of selfishness, and like bee she will sting.

WIFE'S PRIME POSITION

28. Earthman, behold, your wife is your first child! She, not your children, not your coming children, is the first in your life to bear your surname. After her then comes your kids along the way.
29. Therefore, see her first as your daughter that must be cared for. Surprise her from time to time with lovely gifts that you can afford.
30. Watch her smile at any moment you do this. Verily, that smile is a channel of blessings to you from your Source --God!
31. Secondly, see her as your wife, the flesh of your

Verses of Glorious Marriage

flesh. And what you can't do to your flesh don't do it to her!

32. Thirdly, see her as your sister, that your journey with her in the present life will stand beyond the cycle of separation.

HUMAN FRAILTIES

33. As the day unfolds, mistakes are bound to occur, for Souls in the human embodiment must make mistake.
34. Verily, man will behave like man, woman will behave like woman, child will behave like child, tree will behave as tree, water as water, fire as fire, serpent as serpent, hate as hate, love as love, amongst others.
35. Sevenfold blessed is the one who covers the mistake of another with **LOVE, with RESPECT**, for the sake of **PEACE!**
36. Earthman, great son, know this that woman is "water". Daughter of man, the honored one, always remember that man is "fire". In this there is no error, and there will never be an error in the Divine.

That Your Marriage May Excel

37. I tell you, if you both are fire, you will consume your home by yourselves. Again, if you both are water, your enemies will swallow your home. The water is there to quench the fire and the fire is there to warm up the water.
38. Let the fire warm up the water always that the water in joy will bring forth the fruits of blessings.
39. Let the water quench the fire always when it is kindled to consume, that the fire will bring forth the fruits wherein dwells true love and the covering of fatherhood.

A word is enough for the wise.

CHAPTER THREE

LET NO MAN PUT ASUNDER

***"WHEREFORE THEY ARE NO MORE TWAIN, BUT ONE
FLESH. WHAT THEREFORE GOD HATH JOINED
TOGETHER, LET NOT MAN PUT ASUNDER".***

*Jesus Christ
(Matt. 19:6)*

ETERNAL ADMONITION

1. This eternal admonition of Christ to the children of men, is certainly beyond the general limit of understanding granted it within the framework of organized religions.
2. The proclaimed ONENESS of two persons, namely, male and female, in the setting of matrimonial existence, is a valid higher reality in the journey of life.
3. This is so because of the inherent lessons therein, which can't be learned otherwise. Now, this validity lies solely within the systems of absolute unity in love.
4. **"WHEREFORE THEY ARE NO MORE TWAIN, BUT ONE FLESH"**, so says the Universal Lord, Christ. Again, the ONENESS herein expressed comes only by True Love, Divine Love, period!
5. Anything else less than this Love will surely not activate the **ONENESS** from the terms in which lies this great admonition of Christ: **"WHAT THEREFORE GOD HATH JOINED TOGETHER, LET NOT MAN PUT ASUNDER"**.

BEYOND DICHOTOMY

6. Here, Lord Jesus Christ used the Supreme primordial First Creative Omnific Word "**Let**", "**LET NOT MAN PUT ASUNDER**".
7. It is important to note that in all the sacred writings of world religions, there are words considered to be the most sacred or the first spoken.
8. For instance, **ALIF LAM MIM** is very sacred and important to the Muslims in this connection.
9. **OM SHANTI SHANTI** and **OM TAT SAT** are equally sacred and important to the Buddhists and Hindus respectively.
10. The ancient Sanskrit Vedas hold that **TAPASYA** (spiritual austerity for the benefit of all) is the First Spoken Word of the Creator, Brahma.
11. The word **LET** used by the **Lord** is very important in this connection. The utmost importance of this word is evident in both the Holy Bible and the ancient Jewish Torah
12. "**LET**" is the Supreme Word of Creation; the First Word in the Bible spoken by JEHOVAH God in the beginning of Creation. It is the First Spoken Word

of God in the Holy Scriptures.

13. In this Word '**LET**' lies the Supreme Command of the Almighty, HIS Eternal Decree which is beyond the propensities of dichotomy, when applied to the terms in which Christ used it.

A THING JOINED TOGETHER

14. **Now**, *some* of us understand and interpret this foremost admonition of Christ, "**LET NOT MAN PUT ASUNDER**", solely to mean that the earthman should not attempt, in anyway, to separate a man and his wife.
15. Whereas this is true and should be observed by all, the Divine purport inherent in it surely goes beyond that.
16. **The Admonition, LET NOT MAN PUT ASUNDER**, from the sacred tongue of The Most Holy -- CHRIST -- is a Divine Decree of the Almighty God!
17. This decree in its eternal essence holds firstly that such (anything joined together by God) is beyond separation.
18. Secondly, it holds, to those who have ears to hear, that it is not only difficult but also impossible to separate such -- a thing joined together by God!.

Verses of Glorious Marriage

19. And when this is brought only to the marriage institution, then it must be understood that what holds them (man and woman) together --GOD -- in HIM separation doesn't occur.
20. However, when Christ admonished **"WHAT THEREFORE GOD HATH JOINED TOGETHER"**, it shows in the first place that the joining together in this regard is not limited to marriage alone?
21. Yes, marriage is included here and is the framework upon which the Great Lord gave the admonition, but the joining together by God of a thing in the world of man is multitudinous.
22. Friends can be joined together by God. Business ventures can be involved here. Families, some siblings, military and political associates, as well as fathers, sons and daughters in the Lord, amongst others, can be joined together by God.

PARADOX OF JOINING TOGETHER

23. Now, what is the dimension of God, the aspect of God, that joins different things and people together, most especially marriage, to the extent

Let No Man Put Asunder

that it can't be separated?

24. Children of men, that God that joins together is Love, pure Love, which is God Himself. Period!
25. Listen, it is made clear in the Holy Scriptures that God is Love!! To this end, Saint John wrote: **"HE THAT LOVETH NOT KNOWETH NOT GOD; FOR GOD IS LOVE" (1 Jon. 4:8).**
26. Saint Paul, referring to Love as 'charity', whilst indicating that it is beyond separation, that it can't fail, stated: **"CHARITY NEVER FAILETH" (1 Corint. 13:4--8),**
27. Simply expressed, **GOD IS LOVE!!** Now, when God, who is **True Divine Love**, joins man and woman together in marriage, the marriage can't be separated; the marriage rises beyond the manipulations inherent in divorce cum separation.
28. Listen, when True Love, God, joins man and woman together in marriage, the Divine Decree of God surely comes into play -- **LET NO MAN PUT ASUNDER!**
29. For, truly, no man can put asunder in that. Love doesn't fail. Love is unlimited; it is also far beyond the manipulations of the Prince of Darkness, for it

Verses of Glorious Marriage

is God Himself.

30. Therefore, when one claim that his marriage began on the platform of True Divine Love and that later the Love faded away leading to separation and divorce, that is a lie in higher Divine terms.
31. What he claims to be Love, which is God Himself in Universal motion, is not True Love, God, that does not fail.
32. Earthman, Love does not fail! This is the final Truth of the Almighty.
33. What fails is not Love. What causes marriage to separate or be put asunder, is not Love.
34. It may seem to be Love. It may appear to be Love. It may even be seen and celebrated as Love, but if it is not the Love that does not fail, which is God, then it is not Love.

MARRIAGE NOT JOINED BY GOD

- 35 If your marriage is not ruled by Love, if it is not founded solely on Love, then in higher Divine terms you are not joined together by God.
- 36 Nevertheless, at any point in time that True Love begins to flow into your marriage, even if you did

Let No Man Put Asunder

not start in true Love, that is when you are joined together by God.

37. Always bear it in mind that **GOD, LOVE**, is what joins things, people, especially marriage, together, in which no one can put asunder.
38. At this point, I ask the earthman: What about the marriages not joined together by God, which is Love? Is it possible for such to be put asunder?
39. The answer is very evident today in the world of man, as many marriages including but not limited to those that began on a day like this, 'Valentine's day', end up in asunder, in divorce, in separation.
40. Now, Oh Earthman, let it be emphasized that any marriage, any relationship of man and woman, not joined together by God, Love, stands on the platform of asunder!
41. Even if those on this platform are seen to live together throughout their earth-lives, it does not invalidate this state of dichotomy.
42. For as long as they are not joined together by God, Love, they live surely in the mental state of asunder within the realms of their minds. It must

Verses of Glorious Marriage

be understood that this is the state of many marriages today in the world of man.

FACTORS OF ASUNDER

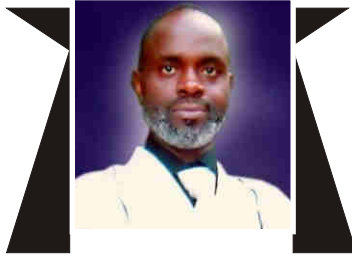

43. Remember the admonition of Christ: ***"WHAT THEREFORE GOD HATH JOINED TOGETHER, LET NOT MAN PUT ASUNDER"***.
44. ***Now*** considering the terms in which this great admonition of Christ is understood strictly within the system of religion, the following should be considered.
45. What about the marriage joined together by lust? Surely, this can't be said to be joined together by God, Love.
46. What about the marriage brought about by deceit? Where is the God, Love, that joined, it together?
47. When the vicious occult powers of charms and talismans are used to ignite a relationship between man and woman leading to marriage, can you say of a truth that it is joined together by God, Love?
48. High vicious manipulations of witchcrafts have been used to set up marriages. Are they joined

Let No Man Put Asunder

together by God, Love?

49. You enter into marriage solely on the consideration of money, influence and mundane connection; are you then joined together by God, Love?
50. You feel that you are getting advanced in age and because of this you get into marriage by hook or by crook, are you sure you are really joined together by God, Love?
51. And when one is forced into marriage in one way or the other, can we truly say that such are joined together by God, Love?
52. Love, which is Christ, which is the Eternal Spirit of God in motion, is the only force that joins together and nothing, no one, can put asunder.

A word is enough for the wise.

CHAPTER FOUR

THE CORE ESSENCE OF MARRIAGE

***"... IF TWO OF YOU SHALL AGREE ON EARTH AS
TOUCHING ANYTHING THAT THEY SHALL ASK, IT
SHALL BE DONE FOR THEM OF MY FATHER WHICH IS
IN HEAVEN".***

***- JESUS CHRIST
(MATT. 18: 19)***

THE BASIS OF MARRIAGE

1. Christ is the wisest of the wise in the entire universal systems. I hold this understanding in my journey of life.
2. If you love your life, if you want to live a true successful life in marriage, then never take lightly the above sayings of Christ.
3. What the Lord said above is conditional. Whatever "two" set in motion on Earth shall be materialized physically by our "Father which is in Heaven", on one condition: "if" the two shall be in absolute agreement. Here lies the core basis of marriage.
4. Every human being is a spirit. The Soul which you are, is a concentrated individualized unit of the Universal Spirit.
5. Thus, you are a spirit now, for the spirit which you think you will become after death, in human terms, is part of you now, is your essential core aspect of being.
6. That Man is a spirit in his final aspect, is a fact known even in the ancient times.
7. To this end, Saint Paul referred to the earthman as a tripartite being with spirit, soul and body: "**... I pray God your whole spirit and soul and body be**

preserved blameless ... " (1 Thess. 5:23).

BEYOND THE BODY

8. Furthermore, the ancient Vedic Metaphysics holds, in the Sanskrit terms, that the first step of man towards God is the realization of "aham brahmasmi", meaning "I am a spirit-soul"
9. In other words, man is not his gross physical body that passes away; he is a Soul, a concentrated unit of the Spirit that lives forever. True believers in Christ know this.
10. The Muslims, Buddhists, Hindus, amongst others, have inherent belief in their teachings the recognition that man is not merely his physical body.
11. Even the ancient African wise men know this. Thus, that man has existence beyond the physical system of reality is not a new philosophy.
12. Even logically, when one says "This is my Bible, this is my car, this is my body" and all that, he is directly and indirectly saying "I am not the Bible, the car or the body".
13. If you are not the body, then what are you? You are ultimately a spirit, period.

The Core Essence of Marriage

14. An Extraterrestrial Intelligence (Angel) speaking to man from a higher realm of God's Light in this connection, said:

"Your spirit joined itself with flesh, and in flesh, to experience a world of incredible richness, to help create a dimension of reality of colours and of form. Your spirit was born in flesh to enrich a marvelous area of sense awareness, to feel energy made into corporeal form."

15. I say these here because I am fully aware that marriage entails, amongst other things and first of all, two human spirits in the physical world coming together to form a family.
16. Though the physical body is greatly involved here, but the gestalt and nature of the inner spirits of those coming together as husband and wife will to a large extent, determine what may or may not happen in that marriage union.

INNER DIMENSION OF AGREEMENT

17. When Jesus Christ of Nazareth spoke of true agreement between two persons,- ***"if two of you shall agree on Earth"*** - or when the subject matter

Verses of Glorious Marriage

of this comes up in the world of man, it has to do with absolute, perfect and total agreement.

18. In higher spiritual terms, this is what the union of man and woman in marriage is all about. Anything short of this is not real marriage, though it may generally appear to be so.
19. True agreement lies in the spiritual dimension of man. This spiritual dimension includes diverse faculties of the subtle Higher Self, such as the Soul unit, the Mind, the Memory and the Emotional systems, amongst others.
20. Inner dimension of agreement holds the validity of a union; that is, your spirit and the spirit of another person perfectly working as "one".
21. This is made possible through selfless love.
22. The "Controller of the Initial Life Manifestation", God, ordained this love as the prime basis of the union of man and woman in marriage.
23. When agreement is merely on the surface and not in the inner system of the earthmen, it becomes invalid; it does not stand in the face of the battles of life.
24. Now, inner dimension of agreement is sometimes very difficult to achieve between two people, but

The Core Essence of Marriage

it is not impossible to achieve, because it can be and has been achieved from time to time among human?

25. Some persons in the world of man have achieved true agreement as stated by Christ, brought about via love.
26. It is evident that from time to time two or more persons could live within the framework of real agreement.
27. This may be found between brothers, sisters, brother and sister, father and son, son and mother, father and daughter, daughter and mother, believers, friends, lovers, in-laws amongst many others.
28. Nevertheless, the inner dimension of agreement between a husband and wife is foremost in this regard.

AGREEMENT AS GREATER STRONGHOLD

29. Saint Paul wrote to the believers of his time that ***"The weapons of our warfare are not carnal, but mighty through God to the pulling down of strongholds" (2 Cor. 10:4).***
30. To some people, when mention is made of 'Strongholds' in the light of spiritual warfare, they

Verses of Glorious Marriage

think solely about certain locations wherein the forces of darkness flourish.

31. This is true, but 'strongholds' in this connection go far more than mere locations within the physical system of reality.
32. Now, the stronghold of the most vicious astral forces in the world of man may involve a tree, a river, a road junction, a sanctum and much more. But such a stronghold can only be activated for vicious occult operation via a human channel.
33. Here, the masters and grandmasters of the Mephistophelean Astral entities come into play.
34. For instance a grandmaster in this connection is certainly a leading stronghold of the forces of darkness. Thus, the aforementioned 'stronghold' involves first and foremost a human being.
35. However, the recognition of some humans as strongholds is not limited only to the path of the forces of darkness.
36. There are also some humans divinely empowered as 'strongholds' of the Spirit of Light on Earth. Such divinely empowered channels of Light are 'Mighty through God' to the pulling down of strongholds of the forces of darkness?

The Core Essence of Marriage

37. In other words, it takes a higher stronghold of Light to pull down the stronghold of darkness.
38. Darkness must flee from the Light, whilst everyone upholding the Light of God manifested for us through Christ is herein involved.
39. Let it be emphasized that when Light joins with Light, when one with the Spirit of Light joins another with the same Spirit, when a man join a woman in absolute agreement through love, they form the ultimate stronghold of the Spirit of God's Divine Light in the world of man.
40. Surely, it is not in vain that Christ admonished: ***"If two of you shall agree on Earth as touching anything that they shall ask, it shall be done for them of my father which is in Heaven"***.
41. Listen: if two of you shall agree on Earth; when this is done, a powerful stronghold of Divine Power is formed!
42. This stronghold, this gestalt of twofold agreement, represents a major framework via which the Mighty Forces of Light of the One Eternal God launch their attack to dislodge the forces of darkness on Earth.
43. The more such Divine strongholds exist among the children of men, the more the Forces of Light of

Verses of Glorious Marriage

the Heavenly realms have the basis, by Universal Law, to operate in the world of man.

44. Simply stated, marriage of a man and woman is expected to be, via perfect agreement in love, a foremost stronghold for the operation of the Holy Power of God in defeating the operation of the forces of darkness on Earth.

BATTLES AGAINST MARRIAGE

45. Am trying to make it very clear here that the perfect agreement of two persons, especially a man and a woman in deep love, forms a high psychic gestalt. This is by Universal Law.
46. This powerful energy-gestalt (stronghold) will certainly be formed when two persons are in agreement, whether they are in Light or not, whether or not they are husband and wife.
47. When this is formed by those not on the path of Light, the psychic-gestalt serves as a major framework for the manipulations of the most vicious Astral entities.
48. Thus, the agreement inherent on this path of darkness is used by the homogenous forces for the acceleration of the malefic works of the terrorists, robbers, kidnappers, murderers, rapists, arsonists, amongst many others.

The Core Essence of Marriage

49. On the path of Light, the perfect agreement between man and man, woman and woman, man and woman, in the essence of love is very important in this connection.
50. That of man and woman in love is on the highest strata in this system of gestalt (stronghold), for it represents the combination of the polarized Universal Power of the One Eternal Spirit.
51. Agreement is expected to come forth supremely in the matrimonial existence of man and woman.
52. When this is done, as earlier stated, a powerful stronghold of the Power of Light is formed. From this stronghold, the Forces of Light operate to discomfit the network of the forces of darkness.
53. The high vicious network of the forces of darkness in our Solar System, including the world of man, are fully aware that perfect agreement between a man and woman in love on the path of Light is used to defeat them in the field of battle.
54. They know that marriage is set forth to play the most leading role in this regard, when established on the platform of perfect agreement in love.

SPECIAL FORCES AGAINST MARRIAGE

55. Herein lies the prime basis of the well coordinated attacks of the most vicious Astral entities (the forces of darkness) against successful marriage in the world of man.
56. Successful marriage comes solely via perfect agreement in love. Period!
57. This is a powerful stronghold of the Power of God's Light. I speak of what I know.
58. I am fully aware that in their battle against successful marriage on Earth, the network of darkness established specific chambers in the Astral realms.
59. There are two thousand minor chambers, forty main chambers and four absolute chambers in the vicious Astral psychic spheres coordinating the battle against marriage on Earth.
60. In human terms, they are "special forces" solely for this project. Their operational guide is: **"LET THERE BE MILLIONS OF MARRIAGES AMONG THE CHILDREN OF MEN, BUT LET THERE BE NO PERFECT AGREEMENT IN LOVE".**

The Core Essence of Marriage

61. These special Astral Forces fighting against marriage, from their minor, main and absolute chambers, operate well equipped "Astral Satellite Systems".
62. These satellites, produced from the subtle fabrics of the esoteric solar elements, collect, gather and store into the absolute chambers diverse vicious thoughts of humans.
63. From the central pool of the absolute chambers, these vicious thoughts are radiated back to the Earth using the "Astral super-conscious waves".
64. These Astral waves invade the human mind, solely to form dichotomy in marriage, for a husband and wife not to live in perfect agreement in love.
65. They also fight other units of true agreement among men, but with special focus on marriage. There are many things involved here but I am not bringing them up for now. Just know that there are forces fighting against successful marriage; take your stand in Light and overcome them. Christ is the Light!

A word is enough for the wise.

CHAPTER FIVE

THE POTENCY OF TWO IN ONE

“TWO ARE BETTER THAN ONE; BECAUSE THEY HAVE A GOOD REWARD FOR THEIR LABOUR. FOR IF THEY FALL, THE ONE WILL LIFT UP HIS FELLOW: BUT WOE TO HIM THAT IS ALONE WHEN HE FALLETH; FOR HE HATH NOT ANOTHER TO HELP HIM UP. AGAIN; IF TWO LIE TOGETHER, THEN THEY HAVE HEAT: BUT HOW CAN ONE BE WARM ALONE? AND IF ONE PREVAIL AGAINST HIM, TWO SHALL WITHSTAND HIM; AND A THREEFOLD CORD IS NOT QUICKLY BROKEN”.

**- WISE KING SOLOMON
(ECCL. 4:9-12)**

POWER ACTIVATION

1. Let me continue the exposition on the subject matter of the last chapter.
2. Never forget the reality of powerful stronghold of God's Eternal Light, arising from perfect agreement formed by two persons in love, within the framework of the path of Light led by Christ.
3. I have said that between man and man, woman and woman, this stronghold can be formed, for as long as there is love Selfless Divine Love.
4. Now, between man and woman, this is formed on a higher dimension, whether they are married or not, when love is involved.
5. Therefore, agreement in love should be the foremost guiding principle of man and woman in marriage.
6. It is important to note that the energy-gestalt of two persons in perfect agreement via love, works within the ambit of the 'Universal Immutable Law of Power Activation'.

Verses of Glorious Marriage

7. Man is a powerful entity in the physical system of reality. However, he is presently learning how to handle the power within himself; the power which his God made him to be, from which he is made!
8. In higher spiritual terms, the units of spiritual power in man are five
9. I am speaking of the specific power subtly embedded and coded from birth in the psyche chromosomes of the children of men.
10. One out of these five units of hidden power in humans is on a conscious constant active operation.
11. The other four units are dormant but can be activated. This one active unit of power is the point of awareness from which the three main principles that rule all actions flow Expectation, Wish and Desire.
12. This unit also represents the point from which the Spirit of God speaks to you. The forces of darkness can also speak to the earthman from this unit.

The Potency of Two in One

13. Nevertheless, man cannot do much in his journey of life on Earth for as long as the other four units remain dormant.
14. There is only one thing that activates the remaining dormant four units of power in man; that is 'Perfect Agreement in Love' between two persons.
15. This is very serious.
16. When the five units are in active operations, the earthman exerts the potentials and potencies of his spiritual essence to a high dimension.
17. Certainly, as made known in the last chapter, it is not in vain that Christ admonished the earthman on the subject of two persons being in perfect agreement, so that the Supreme Power of Heaven will accelerate and act for them.

TWO IS BETTER THAN ONE

18. When there is no perfect agreement in love between you and another person, especially between man and woman (here husband and wife

Verses of Glorious Marriage

must be involved), some units or faculties of your power must remain dormant.

19. At this point and in certain spiritual terms, you are alone.
20. Remember that when the wise King Solomon of ancient Israel admonished that ***“two are better than one”***, he also declared: ***“woe to him that is alone”***.
21. It is like saying, 'woe to him whose units of power are dormant', because there are things which he should achieve but won't achieve.
22. Thus, two are certainly better than one when there is agreement in love.
23. The foregoing is well evident in the Holy Scriptures, when understood from the deep spiritual aspect.
24. When King Solomon wrote that ***“two are better than one”***, he went ahead to give the reason for that ***“because they have a good reward for their labour”***.

The Potency of Two in One

25. What is this good reward for their labour of oneness (agreement) in love?
26. It may involve the good things required for the progress of life, but certainly it must include victory over the forces against successful marriage.
27. The potency of 'two in one', how it activates the dormant units of power, is also evident in the ancient sacred writings of the great Prophet Moses.
28. In his book (Deuteronomy 32:10), Moses raised a great spiritual question, saying, ***“How should one chase a thousand, and two put ten thousand to flight?”***
29. In human mathematical terms, this is difficult, if not impossible, to explain.
30. Think of this: if one should chase a thousand, then two ordinarily, in terms of human understanding, should chase two thousand.

Verses of Glorious Marriage

31. But that is not the case in the higher spiritual terms.

BECOME MORE THAN YOU ARE

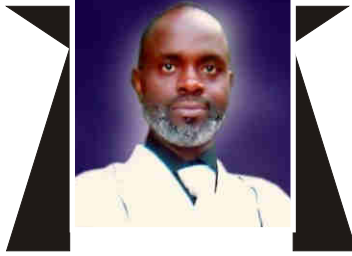

32. I have made it known in this chapter, that there are five units of hidden power in the core gestalt of the spirit the highest aspect of man.
33. That one unit is on the active level whilst the rest four are dormant but surely come into simultaneous active operation via perfect agreement in love.
34. Simply expressed: the one unit of power in the earthman, the unit in active operation, could chase a thousand.
35. Now, when the four units are activated, with each chasing a thousand, (using the terms of the ancient Prophet Moses), the individual involved will then chase five thousand.
36. And by his agreement in love with another person, through which all their five units of hidden power are fully activated, the two will then chase ten

The Potency of Two in One

thousand.

37. Dear reader, don't pass over this lightly. Strive always to bring this recognition, this knowledge, into your matrimonial experience.
38. When this is done, surely you will become in diverse aspects, for your own good, more than what you are now.
39. At this point, to overcome the network of darkness fighting successful marriages on Earth, will become so easy for you.
40. I make this exposition with a sense of love to guide matrimonial existence in the world of man.

A word is enough for the wise.

CHAPTER SIX

THE MUNDANE FACTOR OF LUST

***“BY STANDING ON TIPTOE ONE CANNOT KEEP STILL.
ASTRIDE OF ONE'S FELLOW ONE CANNOT PROGRESS.
BY DISPLAYING ONESELF ONE DOES NOT SHINE.”***

***- The Simple Way, XXIV
(Ancient Sacred Writings of China).***

THE FOUNDATION PROCESS

1. Earthman, there are more than the eyes can see.
2. In the light of the great war of the most vicious Astral entities against the world of man, marriage among men is among the central point of focus.
3. Let it be known that there are specific Astral entities who have no other job than this.
4. In battle they rise daily to impede successful marriage, to hinder men and women from getting married, as well as to cause dichotomy among married couples, via diverse manipulations.
5. Nevertheless, when your marriage is solely built upon the foundation of Love, which is God, which is Light, then of a truth therein lies the guidance of the victorious Finger of the Almighty.
6. The One Eternal Spirit, the Holy Spirit of the Almighty God, plays a leading role to accelerate the peace and the blessings of any union founded on Love.

Verses of Glorious Marriage

7. Earthman, if your marriage on the other hand is founded on the factor of lust outside true love, then be careful because your eyes may see your ears.
8. Children of men, the initial process, the foundation thereof, aimed towards the union of man and woman in marriage, in setting up a matrimonial home, is an important factor that must be properly considered.
9. You must do this if your sincere desire is to attain a successful marriage.
10. Earthman, there is a difference between the man that seeks a life partner in love and the man who, through vain promises of marriage, seeks for a woman to exploit her sexual potentialities.
11. Let the good man first be sure of himself, define his heart desire, specifically know what he is looking for within himself. Then let him seek same with love and seek love in it.
12. Let the earthman ask himself: Do I want to marry a woman simply because she has a pretty face? Do I

The Mundane Factor of Lust

want to marry her because of her imposing buttocks? Do I want to marry her because of her level of education?

13. Again, should I marry her because of the way she sings in the congregation of worship? Should I marry her just because we are from the same village or tribe?
14. Earthman, behold, there is nothing wrong in these things. But I say: These and other related factors could be used by the vicious Astral forces to manipulate the children of men towards the wrong path in marriage.
15. Behold, these could be used by that which fight against successful marriage as baits that lay in wait for an unsuspecting suitor.
16. Children of men, in connection with the aforementioned, there are certain factors used by the powers of darkness to manipulate and lead people to the wrong path, when it comes to a marriage partner.
17. These factors include, but not limited to lust,

Verses of Glorious Marriage

infatuation, sympathy, distress, hurry and the propensity to cover-up.

THE ELEMENT OF LUST

18. Earthman, lust has been defined in your midst as a ***'violent desire to possess; strong sexual desire; passionate enjoyment'***, amongst others.
19. This is a core material propensity, within the framework of the illusory energy, upon which the forces of darkness ride and in which lies their high element of manipulations.
20. This is the foremost instrument of the 'hunters', the daughters of men who, with their earthly bodies, hunt for sense gratification and for survival in the world of man.
21. Behold, the 'hunters' have ruined many lives in high and low places. But I tell you, no earthman will be hunted down by the whims and caprices of a 'hunter', who does not have the element of lust in himself.
22. Therefore do away with lust and strive to rise on

The Mundane Factor of Lust

the path of true love The Path of Light wherein dwells the true essence of existence.

23. Oh earthman, Oh daughter of man, let not your marriage be built upon the platform of lust, for it has an end.
24. The wise men of old did seriously warn against this because they knew that lust and the jealousy thereof lowers the children of men on the scale of existence, the scale of the Almighty.
25. Thus, King Solomon of ancient Israel, the wisest man of his time, admonished: ***'Lust not after her beauty in thine heart; neither let her take thee with her eyelids. For by means of a whorish woman a man is brought to a piece of bread'. (Prov. 6:25-26).***
26. An ancient Vedic Master, Kaviraja Gosvani, stated: 'Lust and love have different characteristics, just as iron and gold have different natures' (Caitanya-caritanrta Ad: 4:164).
27. Lust lowers the earthman to the level of mere beast. The foundation of your marriage should

Verses of Glorious Marriage

never be upon it.

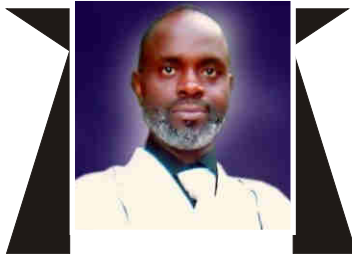

28. The great ancient philosopher, Emmanuel Kant, admonished: ***'First, it is a man's duty to raise himself out of his animal nature'.***
29. And concerning relationship and sex desire arising from lust, Socrates, wisest man of ancient Greece, told the earthman: ***'When sex desire (lust) leaves you, it is like being freed from bondage to a madman'.***
30. Listen to the admonition of Canakya Pandita, wise man of ancient India: ***'A man whose wife is wicked...dwells in a house infested with serpents. Death is certain' (Niti Sastra)***
31. Therefore do away with the element of lust. Under it, you will be impelled to enter into marital existence simply because your partner is rich, good at bed, educated, well connected, among other mundane considerations. This is not love; it is lust.
32. The negative vibration of the mundane mind, embedded in the lust wave, surely channeled

The Mundane Factor of Lust

towards the temporal gratification of the senses, will never sustain successful marriage as divinely ordained.

33. When you enter into marriage under the illusion of lust, you form the pathway via which you can be reached by the forces of darkness.
34. I tell you, except you revert the situation and come to the platform of love, such vicious forces will see to it that your marriage does not meet the required success of the Almighty.
35. And consider what will happen when the very material element, by which you entered into a marriage in lust, ceases to be.
36. When you marry under the influence of lust, remember that sexual activity based on that does not last; it expires. Then you may find your partner not to be sexually attractive as it used to be.

A word is enough for the wise.

CHAPTER SEVEN

OTHER MUNDANE FACTORS

***“THE GODDESS OF FORTUNE PERSONALLY COMES TO
THAT PLACE WHERE FOOLS ARE NOT WORSHIPED,
WHERE GRAINS ARE CAREFULLY STOCKED, AND
WHERE THERE ARE NO QUARRELS BETWEEN
HUSBAND AND WIFE”.***

*Canakya Pandita
(Wise man of ancient India)*

THE ELEMENT OF FALSEHOOD

1. Children of men, lay not the foundation of your marriage also upon the element of falsehood.
2. Be real to yourself. Be real to the Source of your life, even the Almighty. Be real to the one whom you will spend your earth-life with in marriage.
3. Oh earthman, do not present yourself to a woman to be what you are not.
4. Oh daughter of man, do not live in pretence and present yourself to a man in the order of what you are not.
5. Falsehood is sustained by falsehood. The end thereof is the inheritance of the wind.
6. If you live a life of lies in your marriage, behold, it is only lies that will sustain it and keep it going on the mundane platform.
7. I tell you, if your marriage is sustained upon the foundation of lies, the foundation of falsehood, then truth will become the enemy of your marriage.
8. For, behold, the day that the truth of what sustains your marriage is known, falsehood will flee and your marriage will come to naught.

Verses of Glorious Marriage

9. Blessed is the one, whose marriage is sustained by truth, surely such will receive the help of the Truth, which is God, when it is needed.

THE ELEMENT OF INFATUATION

10. Now, it came to pass that a daughter of man, in the congregation wherein the Lord is worshiped, became engaged to a man; they were in courtship.
11. After about three months, she met a wealthy man who also sought her hand in marriage. She got infatuated.
12. Unknown to her, the whole thing was a game plan by some powers of darkness to ruin her marital existence.
13. At last, the wealthy one came with his people to the parents of the lady for official introduction. This was known to the first man.
14. The night after the introduction, the first man came with vicious men and kidnapped the woman. They took her to a certain place and beat her beyond recognition. In the process, she lost one of her eyes.
15. With this experience, her entire marriage plan was ruined, as she remained unmarried unto this day.
16. The first man became her enemy; he was jailed.

Other Mundane Factors

The second man feared for his life; he didn't stand for her. He went his way.

17. Is this not the work of darkness? Don't play game with anyone and don't allow anyone to play game with you, as far as the issue of your marriage life is concerned.
18. Do not enter into marriage under the illusion of infatuation.
19. If you are infatuated with a woman, or with a man, be careful because in it may be found a yoke of bondage.
20. Infatuation is nothing but a wild and 'foolish love'. It is illusion in motion. It can only be temporal because it is impelled by mundane passion.
21. Lay not the foundation of your marriage upon it. It is mere sand and any foundation upon it, any building thereof, will collapse.

THE WRONG PATH OF SYMPATHY

22. Earthman, daughter of man, also do not build the foundation of your marriage upon the platform of mere sympathy.
23. Sympathy is good, it is necessary where true love is found. But outside this, then you are on the wrong path.

Verses of Glorious Marriage

24. In the family, as a father, you must in love show sympathy to your wife and children; as a mother you must in love show sympathy to your husband and children.
25. Nevertheless, this is a different thing when it comes to the initial foundation of going into marital existence.
26. Sympathy should not be the basis of it.
27. You are a daughter of man going into marriage with an earthman. In sympathy you say to yourself: 'he needs my help, let me marry him so as to help him'.
28. This is a noble thought, Oh daughter of man. But consider this: what if he does not love you as you think? Will he not throw your sympathy to the wind?
29. You have been admonished by the Master of masters, Jesus Christ: ***'Give not that which is holy unto the dogs, neither cast ye your pearls before swine, lest they trample them under their feet, and turn again and rend you'***(Matt. 7:6).
30. Children of men, did you hear that? If one knows that by sympathy you are in a relationship with him, in the manner of men he will lie low to benefit more from your fruit of sympathy.

Other Mundane Factors

31. Now, from your reference point, the actions he performs in the course of his lying low for the fruit of your sympathy may be seen by you as the reality of love.
32. However, I say to you: if he does not truly love you, in the course of time you will know; pray that it does not become too late and should not come in a way too bitter for you to bear.
33. Now it came to pass, that a daughter of man in Abuja, Nigeria, looked at an earthman in sympathy; and by this she became his wife.
34. They had three kids. Throughout this period, her reward in him was pain and a sorrowful heart. The man was vain and wasted her resources in vanities. Love does not work this way.
35. He even sold the woman's property in Abuja and used the proceeds to buy a house for another woman, a sexual 'hunter' in Lagos, Nigeria.
36. By the time the wife got to know about it, it was too late. She wept and the marriage ended in divorce. There are other cases likewise.
37. Again, there was a man who was in sympathy with a pretty girl, due to her earthly condition of poverty.
38. He got her educated in the university, with the

Verses of Glorious Marriage

mind of getting married to her, which she gladly accepted.

39. When she graduated, the man was bamboozled as the girl got married to another man. Then it dawned on him that he had laboured in vain.

RELATED WRONG FACTORS

40. Charms, talismans, witchcrafts and other vicious occult elements can be used to manipulate someone into marriage.
41. When this happens, the modus operandi of that marriage will be dictated and dominated by the forces of darkness. They will ensure that happiness and peace elude your matrimonial life.
42. In my book, 'Occult Grand Master Now In Christ Vol. I', I spoke about an earthman in Lagos, Nigeria, who married a woman under the high influence of vicious occult ritual.
43. The woman charmed the man; they got married and lived for twenty-five years. They had six children.
44. One early morning, the man looked at the woman and acted as one that is flummoxed.
45. It was not a joke. The whole thing led to the man moving her out of the house.

Other Mundane Factors

46. Finally, the woman confessed what she did. The charm of the occult she used on the man was to be revived once in every nine months.
47. She thought on her own that, having lived with him for several years, there was no need to revive the charm.
48. Thus she did not revive the charm on three specific occasions, that is for a period of twenty seven months. Then the charm expired.
49. That was why the man regained himself and behaved the way he did. He also confessed that he had sex with the woman once in a hotel while she was a prostitute. That was before he was charmed. And that was all he could remember about her till that day when the charm expired.
50. Earthman, distress is another factor that ruins marital existence.
51. Marriage may bring distress to someone, especially when it comes about by distress.
52. For instance, in some religions and traditions of the earthmen, girls, even some less than sixteen years, are forced into marriage.
53. Often such girls in marriage live in perpetual distress. Earthmen, this should not be so. When you force a girl into marriage, do you truly expect

Verses of Glorious Marriage

her to be happy?

54. What about those who hurry themselves into marriage? Some of them in their minds have regretted for doing so.
55. When you are in a hurry to marry, how would you settle down to seek the face of the Almighty, to seek the Will of God?
56. When you are in a hurry, how would you be sure that there is love? How would you be sure that you will be compatible with him or her?
57. Furthermore, Oh earthman, refrain from entering into marriage merely as a cover-up, as an escape from reality.
58. If the main reason of your getting married is just for people to know that you are married, then be informed that you are on the wrong path.
59. Such reason does not sustain blissful matrimonial life. This is because the aforementioned reason is bereft of love, true love.
60. If the daughter of man is tired of being called the daughter of Mr. A and wants to be called Mrs. B, she could by all means, (by hook or by crook) get married just to cover-up.
61. The same with an earthman. He could just for the

Other Mundane Factors

purpose to cover-up shame, probably because majority of his age-group and friends are married, take a wife unto himself without true love.

62. Such earthmen have diverse ways to lure some greedy women into this wrong path.
63. The excessive divorce rate today in the world of man hangs on the foregoing mundane factors.
64. Any successful marriage must transcend the factors that lead to the wrong path.
65. Any successful marriage must be established upon the immutable path of true love. True love is the solid foundation of any successful marriage.
66. True love is the spiritual force that joins two bodies together as one in marriage.
67. Earthman, daughter of man, behold, the secret of a successful marriage is love.
68. True love does not see fault, rather it covers multitude of fault.
69. Look above the fault of your partner, accept him for what he is, for what she is; then go ahead and be happy with him or her. Behold, this is love.
70. Nevertheless, I warn, Oh children of men, love is not blind. The person that cries also sees.

Verses of Glorious Marriage

71. Therefore, if you blindly plunge yourself into the so-called 'love affair', via a mundane factor, you may as well be prepared to fall into a pit.

A word is enough for the wise.

CHAPTER EIGHT

AGENTS OF DARKNESS

***“TO MARRY IS TO DOMESTICATE THE RECORDING
ANGEL, ONCE YOU ARE MARRIED, THERE IS NOTHING
LEFT FOR YOU, NOT EVEN SUICIDE, BUT TO BE GOOD”.***

***Robert Louis Stevenson
(Scottish poet, 1850-1894)***

KNOW WHAT YOU SEEK

1. Now, any man or woman wishing to go into marriage, to sustain the progress and the happiness of existence, as ordained by the Almighty definitely require a sound knowledge of his or her ambition.
2. You must know what marriage stands for, before you can truly overcome the opposing forces against it.
3. Let it be emphasized that the man or woman that wants to get married also requires a sound knowledge of his or her projected partner, in order for you not to marry an agent of darkness. And this knowledge can only be valid when it comes through the Spirit of God within you.
4. Why is this necessary? Because it has certain implications, in the sense that the person you intend to marry could be an agent of darkness in disguise; he or she could also be on a different mental or spiritual level from you. This could make it almost impossible for both of you to live together; to be compatible.

MESSENGER OF THE CRAFT

5. There was a certain church woman who was not watchful, neither was she led by the Spirit of God into marriage.

Agent of Darkness

6. The man she married was a vicious one who wanted to use her for money ritual. Consequently the man began to attend church and even became a worker (chorister) in the church because of her.
7. After some time he spoke to the Lady that he wanted to use for money. Finally he told the Pastor of his 'spiritual conviction', to marry the sister. The sister was asked by her Pastor to go and pray for this. Thereafter she told the Pastor that it is the 'Will of God' for her to marry the man. At last they married.
8. Few days after their marriage, the man exposed himself as an agent of the kingdoms of darkness. It started one night when he forced the sister to drink wine used for occultic purposes.
9. That same night other agents of darkness came to kill her as already planned by her so-called husband.
10. Nevertheless, the sister was able to escape through the mercy of the Lord. When the man saw that his aim was defeated, he ran away from the house that same night and never returned.
11. Children of men, if there is anything you must be very careful and watchful about in life it is marriage. The Forces of Light and the forces of darkness are highly interested in your marriage.

Verses of Glorious Marriage

12. The Lord wants to come into your marriage and assist you to attain the success, but the forces of darkness at the same time wants to come and ruin your marriage. For your victory, make sure you are led by the Spirit of God.

NECESSARY CONSIDERATION

13. Now when some men and woman make up their minds to marry, they usually consider or analyze the social, political, religious, traditional, or family background of the would-be husband or wife, with other related values, as significant factors that may promote or impede a successful marriage.
14. Furthermore, some also consider or analyze the internal and external influences of a marriage partner, in relation to general, official and private association with friends, including both the formal and informal knowledge acquired, as further implications in marriage.
15. In the light of these, which could actually be used by vicious powers to influence one's personality and to some extent determine the degree of what happens in marriage, some men and women even from the beginning are in submission to the thought that they would never cope with the consequences that might arise after wedlock.
16. Such people are of the opinion that along the line, no matter how well behaved the couple may be

Agent of Darkness

initially, if these factors are not well analyzed at first, they could rear up at last to overthrow the home.

17.

God, these considerations may not be necessary because the Lord your God will speak to you in all aspects and lead you aright.

EARTHMEN BEWARE

18. Once again, I warn that you must be careful so as not to get married to an agent of the forces of darkness, because there are many of them (men and Women) now in the world.

19. Some of these 'agents' are not even human beings; rather they are entities (spirit beings), that appeared to live on Earth. It happens.

20. Some years ago, a certain man married a girl, but the girl was a vicious Astral entity in disguise. However the man was ignorant of this fact.

21. Thereafter the man was subjected to higher manipulations of the demon-girl. Consequently, the man became a spiritual slave. And few days after his marriage with the girl, both of them vanished from the Earth till now.

22. The girl took him into the spirit realm where he was sacrificed in worship of the mighty rulers of

Verses of Glorious Marriage

darkness.

23. What does it profit you to marry an agent of the forces of darkness and then loose your life? If you must overcome, then seek the guidance of the Lord your God- your Creator.
24. In one of my books I spoke of a certain man who married a higher agent of the forces of darkness operating as a 'sister' in a church.
25. The night after their wedding, the woman asked the man: 'Brother, I or you who is the head of this house', she asked this question thrice, and when the man finally told her 'according to the Bible. I'm the head of this house?' She told him 'wait and see'.
26. Consequently, she immediately transformed herself into different kinds of beasts; namely, lion, serpent, tortoise, cat. And when she finally asked the man again 'who is the head of this house?' The man bowed to her saying: 'please you are the head of the house'. The man even ran away from his house. This is the danger of not being led by the Spirit of God into marriage.

THE WAY OUT

27. If you are sincere to overcome all the forces fighting against successful marriage, then your first duty is to totally submit to the leadership of Christ even according to the standard approved in the

Agent of Darkness

Holy Scriptures.

28. That is the only way to conquer all the elements that will impede the consummation of a successful marriage.
29. Furthermore, it is imperative for you to practically submit to one another via reciprocal application of true love, respect, sincerity and equality.
30. Even then, marriage between very young people should be seriously discouraged.
31. This is because of obvious socio-economic and other related earthly predicaments that could be used by the powers of darkness to destroy such affair. To this end, divorce rate is more among young couples, because they are ignorant of how to handle matters that lead to catastrophe in the matrimonial home.
32. Now, I think that a girl below twenty years and a boy below twenty-five years should still wait. A wise person should not put himself forward to handle a matter that he is ignorant of. There is time for everything!

A word is enough for the wise.

CHAPTER NINE

MATURITY AND WATCHFULLNESS

***“IF LOVE WERE SHOES, BY WEARING OUR RIGHT SIZE,
THERE WOULDN'T BE ANY DIVORCES”
African (Igbo) Proverb***

KEEP AN OPEN HEART

1. It is always necessary for any man or woman wishing to go into marriage, as a foundation for greater happiness in life, to keep an open and welcoming mind.
2. One can of course even welcome a contrary behavior, but let him or her not entertain such. Maturity should be totally exhibited at this point, because one is choosing a life partner solely for progress.
3. There is nothing wrong, however, for either the man or the woman who had made up his or her mind to marry, to start praying to the Lord and also looking out for a projected wife or husband that may come across. But if you have boy or girl friend or so-called 'lover', you may find it difficult to recognize and then move forward with your true God-sent partner.
4. Now, according to the workings of the Almighty, it is possible for you to initially come across your marriage partner in a taxi, in the church, in ceremonies, in an office, in a hotel amongst others.
5. For instance, a man truly seeking for a wife could meet a girl that may smile unusually at him. (This could be done either by the Spirit of God or by the abnormal forces of darkness). If the girl's act is the Will of God, the man may open up brief

Verses of Glorious Marriage

conversation with her and discover thereafter that she is an ideal woman of his choice in marriage.

6. Nevertheless, if the girl's act is contrary to the Will of God in marriage for the man, and if the man is truly under the leadership of the Spirit of God, he will definitely discover that she would not be ideal woman for him in marriage.
7. When the man is sure of this, he should end the relationship in a polite manner, without making further attempt towards her, to avoid any embarrassment.

AVOID SEX AS MUCH AS YOU CAN

8. However, if he is convinced by the Spirit of God that something fruitful could come out of his approach to her, he should go ahead. But he should at the initial stage open up loose relationship with her devoid of any attachment.
9. Sometimes the earthman fall victim of sexual act at this stage of association, due to passion, lust, infatuation, amongst others. Resist this, if your sincere desire is a successful foundation for a better married life.
10. Thereafter, subsequent visits of both to each other could lead them to courtship. But even then, one is not bound to be glued and consequently mortgage his or her conscience, if one at a certain stage of

Maturity And Watchfulness

the courtship discovers anything contrary to a sound moral reason that may in future destroy the matrimonial home.

11. I say once again that it is necessary not to rush into sex while seeking to contract marriage, if possible even during the courtship.
12. Occasionally, sex during courtship may raise suspicion as to whether infidelity would not wreck the marriage. The forces of darkness can also use this to frustrate a marriage.
13. Therefore one should sincerely discourage sex before marriage. Let it be a sign of solid foundation leading to the recognition that one is positive in making a successful marriage, as well as to be on a safer side.
14. Let it be emphasized that sex is ordained by the Almighty solely for pro-creation and for love expression, not for mere sense gratification.
15. Therefore it is not proper for the earthman to manifest sexual propensity as a result of mundane imagination stimulated by what can be seen, heard, felt or otherwise.
16. Spiritually speaking, true sexual relationship can only occur between man and woman if there had been in existence a state of perfect mental and spiritual harmony in their relationship. Sexual act

Verses of Glorious Marriage

then becomes the physical consummation and manifestation of this harmonious state.

17. Now, we are aware, for instance, that in both the Holy Scriptures and the African tradition, sex before marriage is considered repulsive. Let us maintain this standard.
18. Let us not follow those adhering to alien tradition contrary to this standard without inner conviction. Bear in mind that whosoever follows the crowd of the earthmen without conviction, be it in thought, in word, or deed, shall by so doing remain a stranger to his or her true Self.

OPPOSITION OF A MARRIAGE

19. Nevertheless, it is true that from time to time situations may arise where either of the parents of the man or the woman may disagree with the marriage proposals of their son or daughter. Parents, however, should try as much as possible to exhibit maturity in such a situation.
20. Parents must never allow themselves to be used by evil forces to impede a marriage approved by God. Rather, parents should always try to link themselves up and discover who is taking their child in marriage. While doing this, they should not become a stumbling block in the marriage of their child, especially when they discover true love and respect in action.

21. Parents may also become a stumbling block in the marriage of their daughter, for instance, when they uphold the concept of a high bride price. In some places the concept of high bride price is very prominent; darkness has used it to rob some men and women from marrying those they truly loved. Darkness has also used it to lead several women into prostitution. All men of good-will should rise up and condemn this.

HIGH MANIPULATIONS

22. There are highly concentrated occultic and esoteric powers from the kingdoms of darkness operating in the world of man.
23. The human agents guiding the manipulations of these abstract evil forces use same to influence and dominate the earthmen, as well as perpetrate untold predicaments in the lives of such people, even in their marriages.
24. When I speak of highly concentrated occultic and esoteric powers in this connection, I am speaking of the Prince of Darkness and his multitude of unclean spirits, focused in various material elements and used in the form of charms, amulates, talismans, etc. Whosoever is influenced by these forces will definitely live on the platform of darkness.
25. There was a certain lady (an agent of darkness)

Verses of Glorious Marriage

who dominated a man via the potency of highly concentrated charms. Her desire was to get enough money from the man because he was rich.

26. The man's desire was to marry her and she agreed. Whilst he was ignorant that his desire to marry the girl was perpetrated by the powers of the vicious occult.
27. Meanwhile, before then the girl had proposed to marry another agent of darkness whom she “loved”. However, she continued to receive money from the “big man” under manipulations.
28. Church to wed. Then they stood before the man of God in the midst of the congregation. The man of God asked her: 'Do you take (name withheld) as your husband and promise to be faithful to him all the days of your life?'. The girl kept quiet.
29. The Pastor asked her again and she answered “no”. The next day she ran and met her proposed husband the satanic agent, and they got married. But the so-called big-man was plunged into mental confusion; he ran mad.
30. As a believer wishing to go into marriage, let me warn once again that you must be prayerful and spiritually watchful. This is because anyone can be

Maturity And Watchfulness

manipulated and used by the powers of darkness to ruin your proposed marriage, if you are not absolutely watchful as required by the Lord your God. Never take anything for granted!

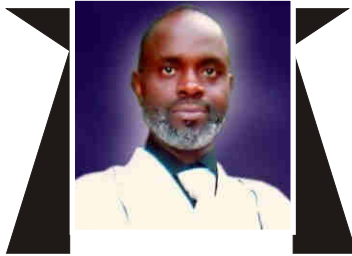

31. For instance, there was a certain man and a lady who were about to wed. They knew that it is the Will of God for them to marry. But they took things for granted, thus they failed to pray enough for the success of their wedding as required.
32. Consequently, the forces of darkness, the enemies of progress, advanced higher manipulations that finally ruined their marriage.
33. On their wedding day, the father of the girl (who is also a Pastor) could not attend because he was sick. But he wrote a Bible verse and sent it to the officiating Pastor through his son, a lawyer, who does not read the Bible.
34. The Bible verse was to serve as his fatherly admonition to his daughter and her husband. The man simply wrote the verse thus: "1 John 4:18", which says: ***'There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love'.***
35. When his lawyer son saw what his father wrote (1

Verses of Glorious Marriage

John 4:18), he felt that the “I” found before “John” is wrong.

36. Then he changed the whole thing to “John 4:18” and the pastor read John 4:18 to everyone as the scriptural admonition from the father of the lady.
37. And the place he read says: ***“For thou hast five husbands; and he whom thou now hast is not thy husband: in that saidst thou truly”.***
38. When the man about to wed and his relations heard this verse, they asked the Pastor to stop the wedding ceremony. The man then left the woman.
39. That was how darkness used the lawyer to ruin the marriage. The lady wept, but it was too late.
40. Now, please be very prayerful in all that relates to your marriage. Never you take anything for granted.

A word is enough for the wise.

CHAPTER TEN

AND THEY SHALL BE ONE

***“THEREFORE SHALL A MAN LEAVE HIS FATHER AND HIS
MOTHER, AND SHALL CLEAVE UNTO HIS WIFE AND
THEY SHALL BE ONE FLESH”***

The Great Prophet Moses

MANIFESTATION OF ONENESS

1. The first step towards the realization of success in marriage is for the couple to truly uphold the essence of sincerity, love and respect within themselves. When this is done, the matrimonial home will greatly benefit.
2. To overcome the forces against successful marriage requires the combined efforts of the husband and the wife.
3. It is through the reciprocal interchange of sincerity, love and respect that they could create a conducive and harmonious atmosphere in the matrimonial home, as well as project same to each and every one that may come in contact with them.
4. Now, tolerance, love, sincerity, mercy, forgiveness and respect, are the basic principles that couples must apply to enable them always experience and maintain a happy mood in their married life. For any matrimonial home to be successful, the couple must sincerely abide, with these principles.
5. In the matrimonial home, both the husband and the wife must strive to totally discard the abnormal concept of 'return evil for evil', whilst they should uphold the recognition of 'see no evil, talk no evil

And They Shall Be One

and hear no evil'.

6. Nevertheless, it is the bonafide duty of each and every married man to recognize his wife as nothing but himself and the woman should do likewise. They should recognize and maintain the essence of oneness, one flesh, in their matrimonial existence.

HIGHER RECOGNITION

7. The perfection of oneness, as stated in the Holy Scriptures, is the summary of a successful marriage. It holds that at a certain stage in the life of man, he will leave his parents (same with a woman) and join his marriage partner as one flesh.
8. Consequently, it is very necessary for the consummation of a successful marriage in the world of man, that every husband and wife become so compatible that it would be difficult for another person to discover a dichotomy between them.
9. Married couples who are said to be one in the flesh should never give room to an outsider (the enemies of progress) to cause any division in their midst.
10. To practically maintain the recognition of oneness in the matrimonial home, it is necessary for the

Verses of Glorious Marriage

husband and the wife to submit to a higher thought that may assist them in this regard.

11. I am speaking of a spiritual thought that will enable them to always experience a happy mood. Now, such a spiritual thought may lead to the understanding that both the man and the woman are from the same spiritual Source, which is God; that they are thus one and equal before the Almighty.
12. Of course it has been said often that 'God is Love'. Therefore both the man and his wife should always think thus: ***'Now that I am from the same spiritual Source with my marriage partner, and we are one in the flesh, let the true value of love, equality, sincerity and respect come to play, that I may constantly regard my husband or wife as myself'.***

YOUR LOT IN MARRIAGE

13. This spiritual thought is necessary, because if any matrimonial home must survive to experience a successful marriage, then the couple must be tied to that Universal Force called 'Love' in every minute of their matrimonial life.
14. What does this mean to you husband and wife? It means that we must recognize the true value and

And They Shall Be One

the good qualities of each other and then proceed to adopt the role of a servant, so as to effectively be in control of the progress and the victory of matrimonial existence.

15. This is necessary, because marriage in itself is an important factor that could contribute to the realization of greater progress in the physical, mental and spiritual aspects of existence.
16. Marriage could lead to either happiness or predicament, depending on your state of consciousness. However, the Will of God is that marriage should lead to happiness. And this will be your lot if you abide in the Will of God, namely, Love.
17. Dr. Paul Tournier gave an important admonition to married couple when he said: ***'As soon as husband and wife have the courage to be completely open with each other, whatever the cost, their marriage becomes once more a wonderful adventure'***.

EQUALITY IN MARRIAGE

18. Equality is defined as 'The state of being equal, the same in rank'. In this understanding when I speak of equality, I am speaking of the essence of

Verses of Glorious Marriage

oneness that will enhance balanced love towards the realization of progress and success in the matrimonial home.

19. In contrast, for one to be a servant means that one has chosen the better part of life the part of a true leader. It is not in vain that our Lord Jesus Christ told us: ***“...he that is greatest among you shall be your servant” (Matt. 23:11).***
20. In this human world, man and woman were made to be servants to serve each other and to serve the Almighty Creator. One working in fulfillment of this must strive to be humble, loving and generous because he or she is on the way up
21. In some circumstances, however, the earthmen do not recognize women as equal to men, especially in marriage. And until the earthman becomes evolved on the higher path of life and recognize the true value of genuine womanhood in this Creation, he will continue to ignorantly regard woman not as an equal partner in progress.
22. Blessed is the man who will comprehend and harness the potentiality and true value of genuine womanhood in this world, for the success of such a man is beyond the sky; he will be counted among the wise men that truly enjoyed the ordained

purpose of woman's existence.

OBJECTIVE RECOGNITION

23. Woman is an ordained channel of greater manifestation of the Creative Energy of the Almighty. This is no joke! Because of this, she is more closely connected naturally to the Power of Creation.
24. Consequently, she could become a source of upliftment or disintegration to the sons of men based on how she relates to the Pure Energy. As such a good woman assures both spiritual and material resources, such as joy, health, wealth, happiness, etc., when properly combined in marriage with a God-fearing man.
25. Now, if we briefly consider the physical make-up of man and woman, we will sincerely uphold the concept of equality in the understanding that none has any Universal right to claim superiority over the other.
26. Evidently, man and woman were made to possess almost everything in common, but little modifications in them, in order for each to perform an important function.
27. To this end, we found that the woman's pelvic

Verses of Glorious Marriage

girdle was prepared differently from that of the man, so as to make the birth of a child possible. For during the birth of a baby, it dilates and makes room for the baby's head and body to pass to the outside world via the uterus. Other modifications in woman include the womb which houses the fertilized egg.

28. Let it be emphasized that whereas man has two breasts woman also has two. At puberty certain hormones are released in a woman and her breast starts to develop. This further makes her body flabid and soft, whereas in man such hormones are absent. Furthermore, the hormone which makes hair develop is more prominent in man, with time he develops moustache and beards and his body toughens.
29. As a matter of true objective recognition, there is no difference in essence between man and woman. Both were made to serve each other and to jointly consummate a significant Universal assignment of procreation.
30. From the foregoing, let me say on a strong note that people should understand that each and every function performed by either man or woman is necessary in this creation for the ultimate success of the human world, and that

And They Shall Be One

none of such function is superior or greater than the other before the Almighty.

31. I would therefore adjure people to finally embrace the concept of equality (oneness) of man and woman in the matrimonial home, so that the husband and wife see each other as partners in progress.

THE RIGHT DIRECTION

There are some men who are bereft of the knowledge of the essence of oneness in marriage. I am talking of the men who will always insist on manipulating, dominating and maltreating women to their selfish ends; the men who are never prepared to submit to any understanding contrary to their wrong concept.

33. Such earthmen will generally insist that because it is said that man was made before the woman, or that woman should submit to man, or that man is the head of the house, that they will see to it that the role of woman in the matrimonial homes is forever subjected to the immutable authority of earthman.
34. I am strongly convinced by the Spirit of God that the thought that the Holy Scriptures uphold the

Verses of Glorious Marriage

opposite of oneness (inequality) of man and woman in the matrimonial home is a perversion of the contents of the Holy Scriptures. Neither can we say that Saint Peter meant to establish via his epistle that man is superior to woman before the Almighty.

35. When Peter wrote that wives should be in subjection to their husbands, he meant the same thing which was further expressed in verse 7 of the same chapter thus:
36. ***'Likewise ye husbands, dwell with them according to the knowledge, giving honour unto the wife as unto the weaker vessel, and as being heirs together of the grace of life; that your prayers be not hindered'.***
37. Let us briefly examine the first and the second aspects which are taken from St. Peter's epistle. In the first place the Lord spoke through Peter and directed married woman to be in subjection to their husbands, while in the second place the Lord required that men should honour their wives.
38. The true spiritual understanding of these is the perfection of equality and of the essence of oneness in the matrimonial home.

And They Shall Be One

39. For Instance, you can only sincerely be in subjection to what you love and respect. Therefore when it is said that woman should be in subjection to her husband, it means that she should love and respect her husband.
40. Again, you are in subjection to what you love and honour, thus when a man is required to honour his wife, it means also that he should be in subjection to her through the potency of love.
41. Consequently, both the man and the woman should sincerely love each other, and submit to each other, so that they will live as “one flesh” for the making of a successful home. This is the Will of God.
42. Let it be emphasized that both the husband and the wife are servants in the home they should serve one another, indeed the only way through which married couples could give good account of their matrimonial home before the Almighty, is for each to adopt the humble role of a servant, that is to serve each other with love and respect.
43. Never forget this for it will help you to practically comprehend the essence of oneness as well as to overcome the forces of darkness.

DOMINATION

44. As a matter of fact, the mundane concept of the superiority of man over woman, especially in Africa, is an age long traditional belief, a belief system which neglects the true value of genuine womanhood.
45. For instance, in some parts of Africa such as the Igbos in Eastern Nigeria, it is a traditional belief that a woman cannot eat the gizzard of a fowl in the presence of a man, because he is considered as the bonafide owner of that part of the fowl.
46. Does this mean that the gizzard of a fowl is better than the other parts? Or does it mean that the anus of a fowl is poisonous to women? It cannot be so. It is only reasonable to say that such tradition is a calculated attempt by some men to dominate women.
47. Some times also in Africa, the issue of man's dominance over women is evident and can be closely observed when a man and his wife are returning from the bush, their farm.
48. The woman may be seen carrying a heavy load on her head and probably with a baby on her back while the man may be seen carrying nothing but

cutlass in his hand.

49. Now, let me ask: Is this fair? Can we truly say that this act is sincerely based on a reciprocal love and respect required of married couples?
50. If the man is wise (led by the Spirit of God), he will know that carrying such a heavy load is not strictly the preserve of the woman. However, if a woman does this willfully, there is nothing wrong, but when it becomes a tradition then to a greater extent it is brutish it is repulsive! And in the mind of the woman so misused is rebellion and the struggle for liberation.

MARRIAGE RESPONSIBILITIES

51. Now, try to observe closely the men and the women who understand the spiritual meaning of marriage partnership; those whose relationship in marriage is not greeted with incessant discord, you will discover that there is love and respect, in their marriage life.
52. But what is the right word to recognize love and respect, thus to comprehend the essence of a successful marriage? Equality. Therefore equality is the reciprocal responsibility of both man and woman towards happiness, progress and success

Verses of Glorious Marriage

in marriage.

53. Evidently in the matrimonial home, labour is shared according to that which nature has revealed to be suitable for the male and the female.
54. For instance, maternal responsibility is the exclusive preserve of the woman. As a young girl, she is groomed to among other things, take care of the whole house chores and the art of nursing a baby.
55. Having being prepared to possess such motherhood qualities, she is further prepared on how to live a life outside her parents in a different environment, when she is married.
56. Consequently, it is expected of her to always project such experience for the ultimate benefit of her matrimonial home.
57. Again, the man also has important role to play in the matrimonial home. It is his bonafide duty to father the family, to see that it is physically sustained.
58. In fulfillment of the responsibilities of man and woman in the matrimonial home, each has to sincerely pour forth his or her life to see that there

And They Shall Be One

is love, sincerely, equality and respect in the home. This serves as the true criteria to ascertain the degree of success in marriage.

59. In a good matrimonial home where the man and the woman understands the responsibility of one another quite well and could go a little further to interchange each other's preserve, that home will always experience blissful tranquility. This is an important aspect of success in marriage.

PRACTICAL APPLICATION

60. When I speak of the interchange of marriage responsibilities in the matrimonial home I am speaking of something that is practical in essence based on true love, respect and equality.
61. For instance, supposing your wife travelled, and you know that she is coming back today, with love, you can organize food for her. Now, when she returns, you can go a little further and pass the food on the table for her, just as she often does for you.
62. You can even remove the plates from the table, when she had finished eating. You can do this to your wife without feeling ashamed, but with love and respect, especially when you observe that she

Verses of Glorious Marriage

is tired and that no one but you is around to help her. Remember that just as you may be tired and she helps you, so must you be prepared to do same to her. In this connection, our Lord Jesus Christ admonished:

63. ***“Therefore all things whatsoever ye would that men should do to you, do ye even so to them: for this is the law and the prophets”. (Math. 7:12)***
64. It is with this consciousness of give and take that couples can exhibit kindness, love, sincerity and respect to one another in the matrimonial home. If a wise man abides with this principle of practical love, he will overcome the evil forces against successful marriage.
65. The potency of true love will cause his wife to reciprocate. Thus she cannot forget her husband as well as her own responsibility.
66. In such a situation the man and the woman are truly laying a good foundation for greater happiness in their matrimonial life.
67. Consequently, no minute in their home will be irksome or cumbersome, rather discussions of joy and exchanging of good ideas, views and experiences will dominate their home. That is

successful marriage!

COPING WITH MISUNDERSTANDING

68. How can we cope with misunderstanding in the matrimonial home? How can you overcome or banish the hand of the enemy in your marriage?
69. There are occasions in the home in which the enemy may come in, if you are not watchful.
70. In such an occasion the husband or the wife may emphasize a point that will not be immediately understood by his or her marriage partner. If you must overcome in such a situation, then please leave the matter alone for the sake of peace, and for time to take care of it time heals all wounds.
71. It is evident, however, that certain matters in the matrimonial home may concern the husband or the wife more without much involvement on the part of the other.
72. If such a matter is solely personal for the husband or the wife, then it is proper in a logical sense to say that he or she reserves the right to his or her wish, if such a wish cannot be of direct or indirect detriment to his or her partner.
73. Nevertheless, in a spiritual sense, that is the sense

Verses of Glorious Marriage

of true love, or where there is mutual respect and reciprocal, love, where couples always strive towards a successful marriage, they will constantly interchange their individual rights and wishes in all matters whether big or small.

74. For example, a man may decide to buy a goat for a certain celebration at the cost of ten thousand naira, whilst the wife who may sincerely feel she is saving the man from spending such amount of money, will be taken back, as her husband pulled out a bundle of money for this purpose.
75. Now, the man had already taken his decision to buy the goat even without consulting his wife, even though his aim of buying the goat could be to make his wife happy.
76. He may also feel that he is on the right path, because he had already provided enough money for his wife to take care of other things in the home.
77. Consequently, the man may further submit to the thought that he has sufficient reasons to stamp his feet on the ground against his wife's opposition. Thus he may proceed in his decision.
78. Furthermore, he may think that he will never be

And They Shall Be One

culpable before those who may be invited to judge such a matter, should in case his wife eventually breaks down in anger.

79. The man may not realize, however, that the opposition of his wife is based on the fact that he did not initially consult her before proceeding to buy the goat.
80. That slight neglect of the man towards the woman on the decision of buying the goat could be considered minor, yet it was the root of her opposition in this connection. Men should take note.
81. In any case, the woman who had found herself in this situation, the situation wherein her suggestion, opposition, or opinion was not adhered to by her husband, should not try to break off, but should rather consider such a case as isolated matter. She should then sincerely forgive her man.
82. For the man, when he understands that his wife was wronged by such a little neglect, let him take a bold and sincere step and truly apologize to her saying. 'Darling, I never knew you would take it so unkindly as I have seen you do. Please, forgive my act'.

Verses of Glorious Marriage

83. Remember, you cannot gain the respect of your wife just by ordering her to do so, rather, you gain the respect of your wife through the way you speak and behave towards her.

A word is enough for the wise

And They Shall Be One

CHAPTER ELEVEN

PRINCIPLES OF GLORIOUS MARRIAGE

***“A MAN WITHOUT WIFE IS BUT HALF OF A MAN.
A CHEERFUL WIFE IS THE JOY OF LIFE.”***

***Grammar Matters Proverbs
(Marriage 5, 7)***

OVERCOME MANIPULATION

1. It is always a common place observation among the earthmen for some husband or wife to rush into conclusion and take a one sided decision in a certain matrimonial issue.
2. This could be done without any regard of what could be the final consequence of such a decision on the part of the other marriage partner, especially when it concerns a matter that requires a joint decision.
3. This may be considered as one of the major factors of discord in marriage. It brings the hand of the enemy.
4. When this happens. It may go a long way to destroy the bond that holds the peace, harmony, love, respect and success of the marriage.
5. The elements perpetrating the manipulation will be rejoicing and they will cause suspicion to creep in between the couple to the extent that anger will gather momentum in their minds.
6. Soon the husband and the wife that were seen going hand in hand, who were at peace with each other few days ago are no longer talking to each other. That is the first victory for the powers of darkness.

Principles of Glorious Marriage

7. Instead of facing the reality in such a matter by submitting to the Holy Spirit, seeking the face of God and making peace with his wife, the man may further submit to the manipulations of evil powers.
8. Consequently, he may go out of hand and then regard his wife as a “stubborn beast” He may even tell people that his wife is a “witch”
9. The woman also may neglect her Lord and submit to satanic manipulation. Thus, she may reciprocate in turn and claim that her husband has found solace in the hands of another woman.
10. By virtue of this development, a sincere man or woman should acknowledge the fact that he or she has lost control of the matrimonial home.
11. At this point the man and his wife should sincerely seek to make amends via the leadership of the Spirit of God.
12. It is totally under the influence of the powers of darkness that one will not seek to make amend in the face of this situation.
13. Such a one rather than being a servant of the home that serves the entire matrimonial existence, will now turn to become a master that has a big whip in his hand.

COMPOUNDING THE ISSUE

14. Still under the manipulation of darkness, there are some men while seeking to sustain this strain face syndrome, will consider their home to be no longer comfortable as required, and will resort to coming home late at night.
15. In this connection, the man may also resort to bark at the suggestion of anyone whom he feels is on the side of his wife.
16. It is evident, however, that occasionally such couples may invite a third party for settlement. But if the settlement fails to bear fruit, then long protracted quarrels could lead them to end their marriage in divorce.
17. This is bad! It is the final victory of the powers of darkness over your marriage. Each and every married couple should do all things possible to avoid divorce.
18. Divorce may register its presence in the matrimonial home when the first love is lost. When a man losses his first love, peace is lost. When a man losses his first love for his wife and begins to go after another woman, this could lead to divorce.
19. Also when the wife losses her first love for her husband and begins to love another man, there

Principles of Glorious Marriage

will be distrust that may lead to the final breakdown of the matrimonial home.

20. Some husbands do not tell their wives one single truth, and some wives apprehensive of this, device a defensive mechanism to protect themselves by developing such powerful lies to march their husbands falsehood.
21. This is another manipulation of the enemy it can separate a home.
22. To transcend the divorce propensity in the matrimonial home, couples should in the first place love each other sincerely.
23. They should allow love, sincerity, truth, forgiveness and respect to rule and guide the matrimonial relationship.
24. Couples should not allow the “master and servant” relationship to come into play in the matrimonial home, because the powers of evil will use this to create two separate islands with a mighty gulf between them in the matrimonial home

THE PRINCIPLES OF VICTORY

25. Successful marriage is based on true love.
26. It is with the power of true love that you can overcome the forces of darkness against your

Verses of Glorious Marriage

marriage. Love is true devotion!

27. Love is not abstract in essence of an ideal but a conscious practical reality.
28. Love is truly expressed in action. Make deliberate effort to love your husband or wife.
29. Love is a practice which comes when you don't hate, despise and undermine your spouse.
30. True love will only come when you prefer your partner better than yourself.
31. You must experience love in your marriage life if you sincerely hope to overcome the enemies and attain the required success.
32. When can you experience true love? You can better experience true love in your marriage when:
33. You and your spouse share ideas together, plan together and work together with Christ as the Overseer.
34. You prefer your partner's need first before your personal needs. This brings two of you closer in love.
35. You keep the same purse and have a free mind in monetary dealings in the matrimonial home.

Principles of Glorious Marriage

- 36. You see beyond your partner's present fault and live as if he or she has no fault.
- 37. You see your partner as the only one God wants you to marry in this life and to appreciate him or her.
- 38. You set your mind only on your partner and see him or her better than others.
- 39. You pray daily to the Almighty to give you more love towards your husband or wife.

A word is enough for the wise.

CHAPTER TWELVE

FOR YOUR GUIDANCE

***“LOVE SEEKETH NOT ITSELF TO PLEASE, NOT FOR
ITSELF HATH ANY CARE, BUT FOR ANOTHER GIVES IT'S
EASE, AND BUILDS A HEAVEN IN HELL'S DESPAIR.”***

William Blake

(English Poet, 1757-1827)

BE TRUE TO YOURSELF

1. Before any man should go into marriage, he has to be fully prepared financially, mentally and spiritually. Both the man and the woman should try to know the manner of each other.
2. Above all, love and respect in the matrimonial home are very necessary towards a successful marriage. It is also very important that the couple should meet the sexual need of each other.
3. Now, one should as much as possible try to know the person he or she wants to marry both spiritually and physically. This can be done only under the leadership of the Spirit of God.
4. In this connection you must be very sincere, prayerful and truthful in each and every step you are taking.
5. Marriage is a life programme as ordained by the Almighty. Thus, you must be patient in everything about it. Furthermore, you must not look to the wrong things that people do, or even listen to the misleading things that people say, so that you will not go astray, Oh children of men.
6. Successful marriage also has to do with one's interest and attraction. What is it that attracts you to a man or woman?

Verses of Glorious Marriage

7. For instance, some men prefer the physical beauty of a woman, some prefer an intelligent woman, and some prefer a woman, who fears the Lord, while some go for women that have all the above qualities.
8. What is your interest and attraction? Remember, your interest and attraction will go a long way to determine your success.
9. There are certain things that people consider when they want to get married; I am speaking about the earthmen. The first thing the men of this world consider is the physical stature of the opposite sex that impels the initial attraction, which follows with the exchange of talks.
10. On a mundane level, this enables them, however, to know certain things of the general education, character, etc. of a so-called future partner.
11. Nevertheless it will greatly be of use for your victory over the forces of darkness if you are a believer, endeavour to marry a believer of the same spiritual level with you.

LET LOVE LEAD

12. A successful marriage further depends on how one relates to his or her marriage partner. If a man is carried away to marry a woman because of her physical beauty, he may discover certain things about the woman in future that he cannot tolerate.
13. When this occurs, divorce may be at the gate. I would therefore advise people not to rush into marriage without courtship in order to know the kind of person one intends you want to marry and settle down with in life. Let the Spirit of God which is Love prevail.
14. A man wishing to marry must be fully prepared spiritually, mentally and financially to maintain his family. If the family is not maintained, there will be no successful marriage in the first place.
15. Now, if you are a woman, you must be fully prepared also to play an active role in your matrimonial home that will bring success. A woman wishing to marry should be of a sound moral conduct in order to attract a good husband from her Creator.
16. In the world of man, the respect of a woman fully comes when she is married. Marriage in itself is a life programme, in which case one has to be very

Verses of Glorious Marriage

careful and seek the face of God while doing so.

17. Some people think that their marriage will be successful when they have mixed children - male and female, and are able to take good care of them. However, the ability of the couple to truly understand each other, can greatly contribute making them live successfully.
18. To make a successful marriage, the man and the woman must have mutual understanding and then submit to the concept of give and take.
19. Most women expect that the understanding required in a successful marriage should come from the man, but this is not true.
20. Both the man and the woman should work towards a successful marriage. In the first place you must know why you are getting married. One should not marry just to please others.
21. I say once again: any man or woman intending to marry should first of all understand his or her marriage partner - do this by the conviction of the Spirit of God.
22. Furthermore, be prepared to share equal love with your partner. Tolerance is necessary in marriage, while finance can play a vital role.

For Your Guidance

23. Therefore it is good for the man and his wife to have something doing; so that they can support one another.
24. Above all, the married couples should possess the fear of God and learn how to calm each other down in any misunderstanding.

SUCCESSFUL HOME

25. A home is firstly made-up of a man and a woman who have agreed to live together as husband and wife, according to the Will of God.
26. Love should be the principle and the only force that will bring a man and a woman together in marriage. Love is the builder of a successful marriage, as it creates an open opportunity for family growth.
27. A team work is the key-note for a successful marriage. This must be promoted from within each of the couples.
28. In the matrimonial home, the mother spends more time with the Children than the man, as such she should use the opportunity to educate the children morally.
29. In some occasions, however, the couple could join

Verses of Glorious Marriage

hands to train their children as civilization dictates, so that at old age they can reap the fruits of their labour.

30. Let me warn that the issue of man's domination over woman must never come into play in the matrimonial home for the benefit of all.
31. The earthmen speak of equality in the understanding that what a man can do a woman can do better", but I don't see it that way.
32. As a matter of fact there are many things a man can do in the matrimonial home that makes him the head of the house.
33. Although a wise man)one led by the Spirit of God(cannot tell you that he is more superior to a woman, but the foolish type will often beat his chest before his wife proclaiming himself to be a man.
34. Let such a foolish man understand that in the world of man, a good and successful woman is more recognized than a lazy man.
35. In a disciplined home, man and woman can exercise equality under a free atmosphere of love and respect.

For Your Guidance

36. We can compare a man and a woman to a plate and its cover. In the matrimonial home, woman can be regarded as the plate with which food is served in the house. When food is served in this open plate without its cover, the food may not be accepted, but when it is covered it gives good service.
37. The man can also be likened to the plate cover without which the hygienic condition of the food cannot be met.
38. In the African tradition, man and woman are not equal, because man is traditionally given more power over the woman. Consequently, the issue of woman's liberation cannot establish that woman is equal to man in the African tradition.
39. Nevertheless, this should not be so among believers. Let us encourage our women to seek their right with love and respect.
40. In one sense, a woman by nature is a helper to man irrespective of her material status in life, but in another sense she could be said to be equal to man.
41. However, such equality cannot be trustworthy in the African traditional concept. Now as believers, let the man and the woman share the right of

Verses of Glorious Marriage

equality with love and respect in the matrimonial home, but let the man be recognized as the head of the house.

42. For man and woman to overcome the forces against successful marriage, they must love and respect each other; they must realize that they have an important mission to fulfill in this life, according to the Will of God; and they must always consider the need of each other, so as to make one another happy.
43. Some women use children as an excuse in pretence not to take good care of their husbands. Women should count their husbands first and recognise that the children's need is a joint effort.

THE NEED FOR UNDERSTANDING

44. For any marriage to be successful, the husband and the wife have to understand each other. For instance, a man may go out and stay too late due to some circumstances. If his wife is not the understanding type, she may begin to think that her husband has gone out with another woman, whilst that may not be true.
45. A woman who understands her husband should know what to think or say about him.

For Your Guidance

46. Again, a true wife should know when her husband has money and when he has none. A good husband or wife does not listen to gossip, nor move with bad friends that will lead him or her astray.
47. Therefore without understanding, there can be no love in the matrimonial home. It is love that brings understanding. The couple will always be happy if there is true love and understanding in every minute of their matrimonial life.
48. Dr Anne Townsend wrote: ***"Friends are people who are very close to one another, as married couples may be. The failure of love might be seen to be caused by hate or boredom or unfaithfulness with a lover; but those were results. First came the creeping separateness; the failure behind the failure. Let your partner know that you need him or her. Show your vulnerability and you will find that this brings you closer. Are my spouse and I best friends? If we are not, but used to be, then where have we lost this over the years? Do we want to invest time and self into developing this aspect of marriage, or not?"***
49. I bring to you the wise admonition of Dr S. P. Vanauken: ***"Start doing things together which***

require two people - things in the house, the garden. The swimming pool, the sports field, the bowling alley. Each partner will feel needed by the other for an important start! Sharing interests and activities will tighten the bonding of a couple: cooking, cleaning, evening classes, rock-climbing. etc., all play their part. Partners need to learn to do something together or they will inevitably grow apart but this must be done in such a way that each one has sufficient space in which to do his or her own things as well".

50. If one knows that he or she made a mistake, he or she should know a way of acknowledging his or her fault before his or her partner, and then ask for forgiveness.
51. Too much pride cannot make a successful marriage. Again, if you are the type that goes out with friends, please try to please yourself - your matrimonial home, before pleasing others.
52. Some people think that quarrels are sometimes good in marriages, in the sense that by this way both the wife and the husband will express themselves and their feeling to each other.

For Your Guidance

53. They further think that from this expression they will know where both of them are going wrong. But to quarrel is not the best way for a couple to express themselves.
54. Try to live in peace always. However, if quarrel comes, and if the man does not want to submit due to his repugnant egotism, the woman should try to pipe down, so that peace will return home.
55. If you discover that your beloved husband is now going out with other women, you should please try not to fight. Rather start to make yourself look different and better than what your husband has outside.
56. Again, begin to keep the home very tidy. Make the children feel so lively and happy, and even when your husband returns from outside, make him feel wanted by giving him his food and other things.
57. Do all these with love and respect! Thereafter go into less conversation with him; rather continue to pray for him. I tell you truly, if you are sincere in this regard, the Spirit of God will soon bring the man to his senses and all will be well.
58. Paul Tournier wrote that: ***“To fail to understand one’s spouse is to fail to understand oneself. It***

is also a failure to grow and to fulfill one's possibilities".

CONCLUDING ADMONITION

- 59. Earthman, what is the outcome of a marriage based on love? It is unity between the husband and wife; real unity flowing from the heart, the heart of love.
- 60. In love, see the best in your wife; see the best in your husband. See the best which the other may not see in himself or herself.
- 61. Let your marriage be a covenant with the Almighty; in this let not divorce be an option in your heart at anytime.
- 62. Earthman, the daughter of man, your wife, needs to be reassured from time to time, through your words and actions that she is secured in her marriage.
- 63. Remember, the submission of a wife to her husband should not make the man a demon in the home.
- 64. And you, Oh wife, make up your mind to be an excellent woman. Behold, your image will be

For Your Guidance

enhanced before the head of the home.

65. Finally, children of men, learn how, with your heart and mouth, to apologize to your partner when you are wrong and seek peace, for the growth of your marriage, your home.

BRIEF ABOUT THE AUTHOR

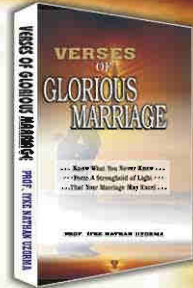

His Grace, *Harbinger of the Last Covenant*, Prof. Lyke Nathan Uzorma

(Professor of Noetic Science), is an empowered Apostle of Christ in our time. He is also a scholar of Extraterrestrial Research and author of several books. He holds a Professorship Chair of St. Thomas-a-Backet University, Canterbury, England. Through him many testimonies are established on people in different parts of the world. Before his direct strange encounter with Christ, he was Living Grand Master, Order of Terrestrial And Astral Hierarchy; Master of Vedic Metaphysics; Visiting Professor, Metaphysical Research Association of Nigeria, University of Ibadan; Defender of the Ancient Order of Lord Yima of Persia, amongst others. He hails from Imo State, Nigeria, married to Lady Udemé Uzorma and they have two sons and a daughter.

About the Book

I am fully aware that in their battle against successful marriage on Earth, the network of darkness established specific chambers in the Astral realms. There are two thousand minor chambers, forty main chambers and four absolute chambers in the vicious Astral psychic spheres coordinating the battle against marriage on Earth. In human terms, they are "special forces" solely for this project. Their operational guide is: "LET THERE BE MILLIONS OF MARRIAGES AMONG THE CHILDREN OF MEN, BUT LET THERE BE NO PERFECT AGREEMENT IN LOVE". These special Astral Forces fighting against marriage, from their minor, main and absolute chambers, operate well equipped Astral Satellite Systems. These Satellites, produced from the subtle fabrics of the Esoteric Solar Elements, collect, gather and store into the absolute chambers diverse vicious thoughts of humans. From the central pool of the absolute chambers, these vicious thoughts are radiated back to the Earth using the Astral super-conscious waves. These Astral waves invade the human mind, solely to form dichotomy in marriage, for a husband and wife not to live in perfect agreement in love. Why are they thus engaged? And what do we do to overcome them? Find out in this **Verses of Glorious Marriage**.
