**BRIEF PROFILE OF THE LORD'S HARBINGER IYKE**  
**NATHAN UZORMA**

**H**is Grace, Archbishop (Prof.) Iyke Nathan Uzorma, 'Harbinger of the Last Covenant', is the Chancellor and Chairman of the Governing Council of Global Harvest Christian University in Nigeria. A Professor of Christian Education of St. Thomas-a-Bucket University, Canterbury, England, with the award of 'Peace Advocate' in Nigeria, he leads an international silent prayer forum known as 'The Committee of Light'. He also holds the 'Nigeria Youth Role Model Award' of ICON OF HUMANITARIAN SERVICE from the 'Nigeria Youth Advocacy For Good Governance Initiative', amongst others.

A leading scholar of Extraterrestrial Research and author of over seventy books, the 'Harbinger of the Last Covenant' is a Messenger through whom testimonies are established by God on people in different parts of the world, which includes but not limited to raising the dead back to life in some occasions.

Before his strange divine direct encounter with Christ, he was the 'Living Grandmaster' of the Order of Terrestrial and Astral Hierarchy; Master of Vedic Metaphysics; Speaker (visiting professor), Metaphysical Research Association of Nigeria, University of Ibadan; Defender, ancient secret Order of Lord Yima of Persia; founder/1st Adept of the defunct secret society known as 'The COMANS Order'; Master in the circle of the Witches of Abra Melin; amongst others.

He hails from Imo State, but resident in Warri, Nigeria. Following his encounter with the Lord and conversion, the Lord directed him to "go and bear witness of My Power to the faithful and the faithless". Thereafter, the Lord also commissioned him as the 'Harbinger of the Last Covenant' and specifically told him that He used him as a 'spy' into the highest network of the powers of darkness in the Universe, for the overall benefit of the faithful ones on Earth.

After one year fasting (6am -- 6pm), as directed by the Lord Himself, the Harbinger of the Last Covenant began the mission assigned to him by the Lord. He is married to Lady Imaobong Udeme Uzorma, a royal Princess of Ibibio, Nigeria, and they have two sons and a daughter.

## Author's Note

If you faithfully study this material, from the beginning to the end, and put into practice the things exposed here; and also use all the divine decrees in this treatise as directed, your money and financial ventures will never go down in this world. These are not mere human words subject to probabilities and failures; they are divine words that must be physically manifested, and you will bear witness of it. This I know. It is said that the value of the arrow lies in the hand behind the bow. The tongue will know whether something is sweet or sour only when it has tasted it. No power of darkness will play astral games anymore with your means of livelihood, for as long as you uphold the knowledge in this material.

## **From The Desk Of:**

*The Harbinger Of The Last Covenant*

**ARCHBISHOP (PROF.) IYKE NATHAN UZORMA**

Dear reader,  
Peace be with you.

As you receive this material, endeavour to deeply study it and appropriate the knowledge contained in it. This will ensure that you fully understand the process of achieving positive results, which is my sole aim of making this important exposition. This exposition deals with the '**7 Cycles of Astral Attack on Money and How to Overcome**'. These cycles of attack are brought about by the 'Psychic Monitoring Satellite System' (PMSS) of the powers of darkness; a subject that is well covered here.

The money that you spend on the purchase of this material will certainly not be in vain. Of this there is no doubt, because I have prayed and specifically gotten divine assurances from the Lord in this regard. And in this terms, your money paid in this connection represents a partnership support to the Vineyard of the Lord entrusted to me on Earth.

Now, I accept the receiver of this treatise as my 'partner' in the divine mandate of the '**Harbinger of the Last Covenant**', which the Lord assigned to me in the world of man. I will always be praying for you. And your partnership support from time to time, which surely brings enormous blessings from the Spirit of the Lord, whenever you are led to do so, will be well appreciated. And please contact me, if you need any clarification arising from the subject matter of this treatise.

This material, '**7 Cycles of Astral Attack on Money and How to Overcome**', is strictly for your personal use only. However, I permit you to use it with your wife/husband and children. Do not duplicate or photocopy this material for another person. Your obedience to this instruction is spiritually important in all ramifications, as far as the use of this material is concerned.

This is the primary condition that I give to you, for your success, as I have so decreed from the Spirit of the Lord that guided me in the course of the preparation of this exposition. Remember, "**The Spirits of the prophets are subject to the prophets**" (1 Corint. 14:32). You are therefore expected to obey what I have said, and keep this material for your personal and family use only.

Now, be informed that when your money does not come directly from the realms of darkness, the PMSS subjects it to intense attack in 7 cycles, as exposed in this material. If the powers of darkness give you money, as exposed here, you become enslaved unto destruction. This treatise is a guide for your total victory on the matters of money and financial ventures.

Many books abound on Earth related to how to make, spend, save and share money. This book is something else. Exposed here for the first time is the '**Psychic Monitoring Satellite System**' (PMSS) of the powerful but vicious astral forces, located about 1,568 miles above the Earth surface. Its operators coordinate all vicious money on Earth. Its attack on money, not coming directly from it, is in 7 cycles of 52 days a cycle.

Money goes from hand to hand: blood money, money through kidnappers, terrorists, blood rituals, armed robbers, fraudsters, wicked agents of darkness, amongst other vicious sources. How do we overcome what follow such monies? The answer is the reason for the publication of this material, as well as how to overcome the PMSS 7 cycles. This treatise tells you specific things you must do to place your finance above the reach of darkness, plus different daily divine decrees.

These decrees were given to me by the Lord both for financial empowerment and other necessary divine growth, to the glory of God. Use these decrees daily, one for a day (beginning with the first), and return to the first decree at the end of the last decree. Don't stop the use of these decrees. They are for your victory in the journey of life. One divine decree is placed at the end of each chapter.

With the knowledge contained in this work, the success of your money on Earth is as sure as day light; you will never be pushed to the wall. Endeavour to read this enlarged April 2020 updated standard version, even if you have read the previous editions. Remember, God said "**My people are destroyed for lack of knowledge**" (Hos. 4:6). This is the standard and most bona-fide version of this treaties. I am sure the reader will find that certain facts herein exposed are made for the first time in the world of man.

I assure you, by the **Spirit of the Lord**, that using the knowledge in this material, no power of darkness in the Universe can hold down your means of livelihood. We are in a spiritual battle and the time for our victory in diverse aspects is now.

The Lord Bless You.

Yours In The Vineyard Of The Lord

## INTRODUCTION

**"FOR WE DO NOT WRESTLE AGAINST FLESH AND BLOOD,  
BUT AGAINST THE RULERS, AGAINST THE AUTHORITIES,  
AGAINST THE COSMIC POWERS OVER THIS PRESENT DARKNESS,  
AGAINST THE SPIRITUAL FORCES OF EVIL IN THE HEAVENLY PLACES".  
(-- Eph. 6: 12; The Holy Bible, English Standard Version).**

**D**ear reader of this material, peace be with you. I pray that the Spirit of the One Eternal Almighty God will speak to you through this exposition. I pray that He will give you the ears to hear; that someone somewhere will be salvaged via this treatise. And let all the fruits of your labour be placed beyond the reach and attack of the vicious astral entities, in the Name of the Eternal One, the **Great Lord Jesus the Christ**, Amen.

Now, this material deals with the subject matter of 'astral wars against the children of men', as specifically related to money. In this connection, the hierarchy of the esoteric vicious astral entities of the astral realms of darkness (the hosts and network of the powers of darkness) have an ubiquitous satellite in the 'inner space', namely, the '**Psychic Monitoring Satellite System**' (PMSS).

In this '**Psychic Monitoring Satellite System**' (PMSS) is installed the secret metaphysical aspects of the '7 Cycles of Astral Attack on Money against the world of man. Consequently, the PMSS has a programmed occult system of 7 Cycles of attack, as far as money on Earth is concerned. Amongst its principal design is to coordinate and control the manipulations of money on the physical realms of Earth. Apart from money, however, the PMSS also coordinates other things related to human enslavement, both in general and specific terms.

The PMSS is a high occult instrument in the inner space, through which the

Prince of Darkness (“**the god of this world**” – 2 Corint. 4:4) spreads the dominion of “**the love of money**”, said to be “**the root of all evil**” (1 Tim. 6:10) in the world of man. This advanced extraterrestrial occult satellite is operated strictly by the high command of the esoteric chambers of the Inter-Planetary occult '**Order of Terrestrial and Astral Hierarchy**'.

The PMSS is built with subtle materials of the fabrics arising within the upper aspects of the fifth dimension of motion, unknown to the earthmen, but known to higher Extraterrestrial Intelligences of both Light and Darkness as the Universal-Super-Conscious-Waves. The lower aspects of this fifth dimension, however, wherein lies the electromagnetic energy-units, only comes into the make-up of the PMSS to the extent that the radiation of photons upon the magnetic field, for the purpose of sustaining the shield of invisibility on the periphery of the PMSS, is concerned.

Thus, the PMSS has the propensity to be controlled by the thought radiation of the operators, for in such terms, it possesses semi-consciousness dovetailed with the homogeneity and conscious thoughts of the operators. And these operators themselves are high intelligent beings of the supreme hierarchy of the forces of darkness. Nevertheless, the aforementioned is the nature of all spaceships, satellites and all related equipment manufactured by higher Extraterrestrial Intelligences of Light or darkness in the realms beyond.

Now, mention is made here of 'inner space', wherein dwells the '**Psychic Monitoring Satellite System**' (PMSS). To this end, inner space has to do with the subtle or invisible aspects of the Space generally known. Thus, the PMSS is encapsulated in a shield of invisibility and is therefore beyond the recognition of all observatory instruments of earthly scientists.

Owing to its subtle nature, as aforementioned, the PMSS has the capacity to repair itself by itself in a manner that is beyond the purview of the earthmen; and can last for between fifteen to twenty thousand years before undergoing any repair. To this end, let it be known that the PMSS is a complete den of darkness, the abode of the 'devourer' and complicated chambers of the most vicious astral entities.

When you hear of the “devourer” in the Holy Scriptures, which the Lord promised to rebuke and subjugate for those who show faithfulness to Him with their money on Earth, (see Malachi 3:8-12), the manipulations of the PMSS are involved there. All monies in the world of man, except the ones under the divine guidance of the Spirit of the Lord, are under the manipulations of the PMSS of the forces of darkness.

What do you understand by this – the devourer? What kind of work does it do? Is it not to devour? Yes, that's what it does. Listen: What you don't know is bigger than you. You must ensure that the fruits of your labour and all that you stand for, including your money, are placed above the 'devourer', otherwise you have yourself to blame.

Do the right thing enacted by the Almighty Father, through His prophets, through the legitimate **Spirit of the Great Lord Jesus the Christ**, and you will surely escape from the devices of the 'devourer'. That's what the entirety of this material is all about. We must obey the voice of the Lord, in order for us to be free indeed in the world of man.

Any money under the divine guidance of the **Spirit of the Lord** is beyond the reach and attack of the forces of darkness. The PMSS is totally incapable of detecting such money. However, it is you who must do something; you must strictly follow the required divine rules, to ensure that your money comes under the necessary divine protection of the **Spirit of the Lord in Light**, beyond the dominion of the Prince of Darkness.

Under intense manipulations of the PMSS, many bad things follow money to the detriment of the children of men. The PMSS itself has 7 Cycles of astral attack. Each cycle of attack, from the vicious dominion of the astral systems, is programmed to operate for 52 days. Each cycle of 52 days has rules of attack. It is important to note that this exposition, as contained in this treatise, is made for the first time on Earth.

Some aspects of the PMSS astral operations of each cycle of attack, are specifically targeted at monies not arising directly from the core vicious occult. To this end, all monies of so-called 'normal' humans in the world of man, not directly provided via related occult manipulations, are involved. Even the money of believers, who are not faithful to the Lord, as far as money is concerned, still comes under the PMSS dominion.

However, any money or financial venture rooted in the vicious occult ritual, which includes but not limited to sacrifices of human blood, comes under the PMSS dominion of indirect attack. This is equally very dangerous, even more dangerous than the direct aspect of attack. This is so because the individual involved, having enacted the blood-money occult rituals, becomes the foremost slave to the powers of darkness.

Regardless of apparent “enjoyment” in temporal terms, such a person has diverse vicious astral vicissitudes, hidden predicaments and manipulations of

darkness to contend with on a daily basis. More so, such earthmen are constantly placed on the quantitative point at which all actions of darkness are triggered.

Now, such earthmen dwell within the rudiments of lack of peace of mind, through painful and dreadful experiences, which they are not permitted to share with other humans by occult laws. This is bondage indeed. Thus, they reinforce, in the esoteric terms of the 'astral rights of attack', the PMSS operators themselves, against the world of man.

I was among the privileged few granted the high esoteric right to enter into the astral chambers of the PMSS. This occurred during the period wherein I was the '**Living Grandmaster of the Inter-Planetary occult Order of Terrestrial and Astral Hierarchy**'. At that time, only four living humans were authorised to know about its existence. These include myself in Africa, and three others in the United States, United Kingdom and India respectively.

Now, if one is thinking in terms of size, the PMSS is about 70,000 miles long and the width thereof is above 15,000 miles; its height is about 3000 miles. And by the special mercy of the Lord, amongst the few who knew about this PMSS in the hidden recesses of the astral world of darkness, I was the one called to the path of Light, to bear witness of the Power of Christ to the faithful and the faithless. (See the book, '**Occult Grand Master Now In Christ Vol. 1**').

Today, by the special grace and mercy of the Lord, I am a bona-fide partaker of the glorious inheritance of the saints in the **One Eternal Legitimate Spirit of Christ**. The Lord specifically told me that He merely used me as a spy in the highest network of the powers of darkness, for the overall benefit of all that seek His Light. He said this consequent upon the mission He assigned to me as the '**Harbinger of the Last Covenant**' in the world of man. And now I know.

To this end, I stand upon the divine immutable platform of the BLOOD and '**The Eternal Light of Christ**', the One who called me; the One that lives; the One whose Power is above all in the Heavens and on Earth; the One that I serve, but whom am unworthy to serve, to expose the modus-operandi of the Psychic Monitoring Satellite System (PMSS) for the first time in our world. This exposition is strictly related to money, but money is not the only issue covered in the occult manipulations of the PMSS. The PMSS operations cover a whole lot of issues, which include but not limited to family, marriage, words spoken by humans on the mundane platform, destiny, to mention but a few. And these are matters for another day, hopefully in other expositions.

Now, dear reader, I have, for the first time on Earth, exposed to the children of men, especially the believer, the '**7 Cycles of Astral Attack On Money And How To Overcome**'. This treatise is packaged in a readable special lecture material. The circulation is coordinated solely by me for now. Due to the nature of this treatise, I wish that it doesn't enter the hands of the agents of darkness in our world.

This material is solely for believers, strictly to enhance the finances and business ventures, as well as the means of livelihood of all those who believe in the Lord. By applying what is exposed in this material, all manipulations related to dry hands in monetary terms, must depart and fade away from you; all attacks designed to subjugate your finances, through any form or by any means, must, and I repeat, must, be defeated.

The initial limited version of this material was first published in April, 1995, and later replaced with an enlarged 2016 standard version. Following subsequent revelations from the Lord Himself, in the course of time, regarding the PMSS itself, and the things that I knew but weren't released in the previous editions, this April, 2020, updated version is hereby presented to the faithful. Hopefully, this brings the exposition on the '**7 CYCLES OF ASTRAL ATTACK ON MONEY AND HOW TO OVERCOME**' to conclusion. In this material, you will realize, amongst other things:

- (1) *How the PMSS operates and manipulate the monies of earthmen in seven cycles in the world of man;*
- (2) *How one can counter and overcome each and every cycle of attack and the entire devices of the PMSS;*
- (3) *How your money and financial ventures can be placed beyond the reach and attack of the vicious astral entities of the PMSS;*
- (4) *Specific things you must do to ensure that your money and financial ventures can't be pushed to the wall by any element or power of darkness;*
- (5) *The diverse special Divine Decrees (prayers), directly given to me in the Spirit by the Lord, for the financial enhancement of the*

*believer to be as sure as day light on Earth;*

*(6) Diverse evil things that follow money and how to practically get rid of them;*

*(7) How money answers all things, good and bad, according to the Holy Scriptures; amongst others.*

Listen, this material is designed to ensure that the forces of darkness will no longer have their way into your money and the means of your livelihood, by the **Spirit of the Lord in Light**. The knowledge brought about in this material is very important for all those on the path of Light in the world of man. God Himself said: "**My people are destroyed for lack of knowledge ....**" (Hos. 4:6).

The knowledge embedded within the letters of this material, as well as the application of same, will surely empower the faithful reader financially, in all aspects of the journey of life. And let this be to the glory of God in you, not for mere sensual human aggrandizement. Yes, money is needed to physically enhance the vineyard of God on the physical realms of Earth. This should be our foremost consideration.

Let it be known that, whereas the powers of darkness have ways of giving some of their human agents money, to enslave and dominate them ultimately, the **Spirit of the Lord in the Light of the Almighty** also have specific divine methods of empowering the faithful one in financial terms. This publication is set forth to achieve just that.

I am confident that anyone who faithfully follows the knowledge herein exposed, will certainly have lack, want, financial retardation, amongst other vicissitudes, totally banished from his life experiences. This is the sole aim of this publication. And so be it.

Peace be with you all. Amen.

# CHAPTER 1

## HIDDEN THINGS ABOUT MONEY

---

**“A feast is made for laughter, and wine maketh merry; but money answereth all things” (Ecc. 10:19).**

---

### **MASSIVE ASTRAL ATTACK**

Surely, **“lack of knowledge”**, as spoken by the Lord Himself in the Holy Scriptures, brings destruction. From the onset of this material, let me recall an incident of massive astral attack on a huge financial institution in Nigeria, which I am aware of. I was once with a certain woman, in the company of a Senator friend who introduced her to me. The woman, CEO of a Bank, raised some issues about the Bank.

This woman is a believer in Jesus Christ, but it was revealed to me there and then that she hasn't been faithful in **“giving to God what belongs to God”**, but as of **“giving to Caesar what belongs to Caesar”**, she was faithful to that. Consequently, I made her to know about the existence and operations of the Psychic Monitoring Satellite System (PMSS), a high den of the forces of darkness, which coordinates amongst other things the cycles of attack on financial ventures on Earth.

In the process, I made her to know that within a period of nine weeks from that day, certain actions of gross insubordination will occur at the Bank's HQ. It was a projection by the forces of darkness, the 'devourer', to remove the Bank from her control. In this terms, she was a specific target of attack. This is amongst the ways that the PMSS works.

On the course of action to be taken to avert this manipulation, to overcome the impending astral attack of the PMSS, I told her to strictly adhere to the teachings of the Great Lord Jesus the Christ. I seriously admonished her to stand firmly on what Christ told the faithful ones, because that's the way to subjugate and neutralise that projected specific cycle of attack; the astral right of attack having been established via her secret unfaithfulness to the Lord regarding money. She was advised to abide by the following words of the Lord, which has it thus:

**"YE HAVE HEARD THAT IT HAS BEEN SAID, AN EYE FOR AN EYE, AND A TOOTH FOR A TOOTH: BUT I SAY UNTO YOU, THAT YE RESIST NOT EVIL: BUT WHOSOEVER SHALL SMITE THEE ON THY RIGHT CHEEK, TURN TO HIM THE OTHER ALSO".  
(Math. 5:38,39).**

**"WHEN THOU GOEST WITH THINE ADVERSARY TO THE MAGISTRATE, AS THOU ART IN THE WAY, GIVE DILIGENCE THAT THOU MAYEST BE DELIVERED FROM HIM; LEST HE HALE THEE TO THE JUDGE, AND THE JUDGE DELIVER THEE TO THE OFFICER, AND THE OFFICER CAST THEE INTO PRISON.**

**I TELL THEE, THOU SHALT NOT DEPART THENCE, TILL THOU HAS PAID THE VERY LAST MITE".  
(Luke 12:58, 59).**

To this end, the woman was told to treat lightly, not to use the full force of the human law, on the coming act of insubordination. Insubordination is one of the actions that trigger the arrival of the PMSS within the aforesaid period of attack. Remember, that cycle of attack was projected to come her way because of unfaithfulness to God with her money. However, when the action that triggers the attack itself is enacted, if she could show mercy to the offenders in God's terms, she will equally obtain the mercy of the Lord to overcome.

To this end, I admonished her to follow the path of mercy when the time comes and the act of insubordination is clearly noticed. She was told to apply mercy, because he who shows mercy also obtains mercy in the journey of life. The Great Lord Jesus the Christ did say: **"Blessed are the**

**merciful: for they shall obtain mercy” ( Math. 5:7).**

Most times, we sons and daughters of men find it difficult to follow this path of divine instruction. We fail to understand that walking on this divine path, as clearly spoken of and practically demonstrated by the Great Lord Jesus the Christ Himself, is the surest way victory, in many aspects, in the journey of life. But if we abandon His instructions, then we are on our own, and anything can happen.

The Lord who said that we should show mercy so as to obtain mercy, did so for our guidance and excellence in Light. By this we overcome many things coming from the kingdoms of darkness, whether or not we know it. There are many open and secret battles that the Spirit of the Lord fights for us, when we stand upon His words, which we know nothing about. The Lord is the wisest of the wise, who guides us by His words, because He knows the secret of secrets; He knows the deepest secrets of all things. Ours is to adhere to His divine instructions.

Now, I admonished the woman to 'lie low' and be prayerful for a period of time, when darkness manifests itself via the aforementioned act, using human channels as always the case. By this, the cycle of that attack will expire whilst her Bank will come into a higher phase of progress. It will remain in her hand and won't be taken away from her.

It was categorically made clear to her that, when the time comes, if she ignores what was said and follow the mundane laws of the children of men, (such as police action, court action, etc.,) in dealing with the situation, the operators of the PMSS in the astral realms will hijack same and come back in another cycle of attack to take away her Bank from her. We must understand that astral attacks follow diverse manipulations.

However, when the time finally came, the insubordination occurred. A certain “great” General Overseer of a church, stood by her side as a "great man of God". He came forth and prayed for her; whilst in the name of using the Holy Scriptures, he made her to follow a different path. He made enormous prayers and advised her to deal with the offenders in accordance with the laws of the land. Of course, this is a more convenient path to the children of men in general terms.

Nevertheless, this 'convenient path' can hinder the divine intervention of the Spirit of the Lord in some occasions. At last, however, the woman invited the police to deal ruthlessly with the culprits. Listen: the Police is

good in our midst, but there is a limit they can go. They certainly can't fight or arrest any vicious entity within the network of the forces of darkness.

After some time, the vicious astral entities of the PMSS, in another cycle of attack, came up in battle against the Bank. They used the course of action she took in the previous cycle of attack, in the light of what is known as 'astral right of attack', to overpower her. It was a high occult manipulation of the PMSS. I tell you, there are more than the eyes can see.

The PMSS operators knew very well that, by the course of action she took, which gave them the right of attack, it is difficult (though not totally impossible) for the Spirit of Christ to rise and salvage her. And their manipulations went through at last. Not only that her Bank was taken from her and merged with another Bank, through the laws of Nigeria, she was even arrested for another issue bordering on financial misappropriation and cast into prison. It is not in vain for God to have said: **"My people are destroyed for lack of knowledge"**.

### **ADVANCEMENT OF LIGHT**

The kingdoms of darkness are advancing by empowering their own; they empower some of their human agents with enormous resources. Their human channels spend huge sums of money in the vanities of the mundane life. Some of these human agents obtain money from the realms of darkness even by using human blood; they obtain wealth from the forces of darkness, by which they are also enslaved.

In our time, the forces of darkness, via their human agents, have greatly advanced. They have advanced in diverse aspects – in iniquities, in manipulations, in wickedness and abominations. Should we not also advance in Light? Surely we should. We should not only advance, but we must overtake them in the Light of Heaven. To do this, we must ensure that our resources are used to promote the work of Jehovah God and His Christ in the world of man.

The best way for us to advance in Light, as far as the Spirit of the Lord is concerned, is for us to adhere strictly to the words of the Lord. Whether they are the words of the Lord found in the Holy Scriptures or the words of the Lord specifically spoken to you now as a person, advancement in the Light of God comes from total obedience to the words of the Lord.

Some earthmen, under the mode of darkness, obtain wealth through fraudulent means, through human blood, amongst other nefarious activities. They use their wealth to suppress and oppress other humans; they use their wealth to kill and maim fellow humans. They channel their resources into promoting what brings pain and death. Terrorism in the world of man, for instance, is promoted and sponsored with lots of money.

The Spirit of the Lord wants to empower the true believer financially; the believer who will be committed to the vineyard of God on Earth. Those who are sincerely willing to help the poor, promote the Gospel of the Kingdom, be faithful to the Lord with their resources, the hour has come for them to be financially empowered. This is the hour of fulfilment, and of this, there is no doubt.

The first step in this direction is to hearken unto the words of the Lord. I say that 'he who eats alone dies alone'. If you are not faithful to the Lord with your money, when the 'devourer' comes, you will not receive any divine intervention. Always remember this.

#### **REWARD FOR DISOBEDIENCE**

I recall an incident that occurred in the course of my mission in the world of man. The means of livelihood of a certain man, a Lebanese resident in Nigeria, completely went down. Thus, he became totally broke, as far as money is concerned. He was indebted to people, and those indebted to him refused to pay.

This man was down financially to the extent that he took a Lipton Tea twice, which ordinarily should be taken once. Most times he starved, having nothing to eat. His financial situation was deplorable. Someone finally brought him to me for a solution to his predicament. I prayed for him and the mercy of the Lord descended. But it was revealed to me that he was under intense attack of the PMSS, the devourer, because of prolonged unfaithfulness to the Lord in connection with his money.

Thereafter, the Lord Himself told me that His mercy will give the man a new beginning. He also told me that He will restore back his wealth and sustain it, for as long as he proves to be faithful and stand in support of the vineyard of the Lord entrusted to the Harbinger of the Last Covenant. Furthermore, the Lord told me that the man should stay with me for four days, and that each of the four days will be counted for one million Naira. Thus, the four days will be four million Naira.

To this end, the Lord directed that after staying with me for four days, the man should go back; and that four days after his return from my abode, He will give him four million Naira as a take-off grant. But He also directed me to warn him that he must ensure thenceforth that he gives to God what belongs to God, for his coming blessings to be sustained, otherwise he has himself to blame for whatever happens.

I ministered to him as divinely ordered by the Lord. And everything happened as spoken by the Lord. He stayed with me for four days, under intense prayers, fasting and ministrations. Four days after he left my abode, someone indebted to him called him and made a payment of four million Naira to him. Our Lebanese man was so surprised about the workings of the Spirit of the Lord – the True Knower of all things.

About two weeks thereafter, he got a contract of ninety million Naira from Dangote. In another ten days he got a contract of two hundred million Naira from Ogun State government of Nigeria. As spoken by the Lord, Heaven remembered him and blessed him, for in less than three months after he left my abode, he was 'swimming' in billions of Naira from different quarters not mentioned here.

He told me that he was about to buy a two-wing duplex for my ministry, to serve as a guest house for my visitors from other countries, or for whatever purpose I will prefer to use it. He wanted me to come and see it first before he makes payment. I travelled down to Lagos for this purpose. As he was taking me round the building, the Lord spoke to me, saying:

***“Harbinger of the Last Covenant, I took away shame from this man for your sake, but faithfulness to Me is not found in him. Even this house, he will not purchase it for you as he promised. He is a man of double face, therefore do not trust what he says. Depart from here now, and after today, call him only three times in three different periods. After that, don't call him again till he calls you by himself. And the day that he calls you, I will tell you what to say”.***

When I heard what the Lord said, I told the man that I was leaving, but

that he should finalise discussion about the house with my assistants – a bishop and a pastor – that went there with me. Then I left. And in keeping with the words of the Lord, I called him few days after, and he said: “My Harbinger, please am sorry, I am in a meeting now with the State Governor (names withheld). I will call you back as soon as I am out”. I said 'OK', but he never did.

Again, I called him seven days after that, and he said: “Oh my Harbinger, am sorry I didn't call back as I promised. Am at the airport boarding a plane to Dubai. I will get back to you as soon as I am back”. He came back from the trip but never called as promised. And upon all the material wealth flowing from the Spirit of the Lord to him, he never gave any support to the vineyard of the Lord entrusted to the 'Harbinger of the Last Covenant'.

After about a month, I called him the third time, as I was directed by the Lord. This time he told me that he was about going in to have a meeting with the Vice President of Nigeria. He again promised to call me, but never did. I never called him again. And I didn't hear from him for about five years, till he called me one day, pleading to see me. Then I was holding a revival programme in Lagos, Nigeria.

At last he was brought to me. I saw that he had returned to the dungeon of the devourer of the PMSS. This man had gone back to the dwelling places of the PMSS vicious astral manipulators, from whence he was initially salvaged by the Lord, because he totally failed by his volition to give to God what belongs to God. Unfaithfulness to the Lord got him ruined once again.

He took time to narrate his experience. He was used by some international fraudsters to defraud the government of Nigeria, but in the process he was apprehended. He was locked up for some years, whilst the anti-graft agency confiscated all his properties, took over all his money and closed down his business.

The devourer of the PMSS works that way. At this point of his life, he was once again completely down financially. According to him, all the money he had in life was less than 25 Dollars. He pleaded with me to please empower him financially once again, promising to be faithful thenceforth. And based on what the Lord told me at that point, I informed him that it is the Lord Himself alone that has the prerogative of such empowerment, not me. This time, as he came empty, so he left

empty.

### **THE IMPORTANCE OF FAITHFULNESS**

Dear reader, listen: It is too late to cry when the head is cut off. Let no one take the mercy of the Lord for granted. A wise one learns from hearing, but a fool learns from experience. If you wait for the moonlight, then be prepared to walk in darkness. It is better to search for the black goat in the day, for when night comes it is difficult to find. A tree that doesn't know how to dance will be taught by the wind.

Remember the incident of the ten lepers recorded in the Holy Scriptures. They were cleansed by the mercy of the Great Lord Jesus the Christ. But only one of them came back to glorify the Lord. By the Power of the Spirit of the Lord, it was said about the ten lepers, following their encounter with the Lord: **“And it came to pass, that, as they went, they were cleansed”** (Luke 17:14).

What was the right thing for them to do? Is it not to return and give thanks to the Lord of the Universe? It is said that “when you appreciate the King for what he has done, he will do more”. The heart of appreciation is very important in the divine spheres of being. Nine of the ten lepers went their way, only one came back to appreciate the Lord. Thus, we read:

***“And one of them, when he saw that he was healed, turned back, and with a loud voice glorified God, And fell down on his face at His feet, giving Him thanks; and he was a Samaritan. And Jesus answering said, Where there not ten cleansed? but where are the nine? There are not found that returned to give glory to God, save this stranger. And He said unto him, Arise, go thy way: thy faith hath made thee whole”***  
***(Luke 17:15-19).***

What does this mean? It means that all the ten lepers were cleansed, but in addition to this, the one that returned to appreciate the Lord was made whole. To be cleansed in this connection means that they were healed, but that may not uproot the root cause of their problems. It follows that such a root cause may give rise to other predicaments. But apart from being cleansed, the one that did the right thing, by returning to appreciate the Lord, was made whole. It means that the root cause of

his problem was totally uprooted. This is very important. This is what happens when we faithfully appreciate the Lord for what He has done.

Hear this illustration: There was a certain wealthy man who met a man in abject poverty and decided to help him. The poor man was always clothed in rags and had no shelter. The good man met him squatting in one of his uncompleted buildings, took him to his mansion, clothed and fed him. He empowered the poor man financially and finally made him the administrator of his home. He also gave him a car. One day he showed the man a room in the mansion that was locked. He finally gave him the key of the room when he was about to travel, with a specific instruction that under no circumstances should he ever open the room.

As the wealthy man travelled, the devil came into the heart of his administrator. Thus, he was always thinking: 'My master loves me so much; he has helped me in no small measure. Today my life has changed from rags to glory, from grass to grace. But this room that he locked, what is inside it?' That is how temptation comes.

A good thought from the Spirit of the Lord ministered to him in his heart thus: 'Forget that room and be focused on the work assigned to you. Be a good man, so that good will follow you always. Remember where you are coming from. Remember always to obey your master, for the reward of disobedience could be disastrous'. We overcome the devil by listening to the voice of the Lord.

However, this man finally chose to follow the voice of the wicked spirit. One day he said to himself: 'I must open this door to know what is inside the room. After all I will lock it back and my master wouldn't know'. He went and opened the room, and that was the day that his master returned. As soon as he opened the door, a bird flew out of the room. He was then bamboozled. The door was even programmed in such a way that once opened, it can't be locked back.

The man became so worried, not knowing what to do. In the midst of his confusion, his master returned. Upon arrival, the good man went to the room and saw that his administrator had disobeyed him. That was it; he finally clothed him back with the rags, which he took away from him and kept. Also, he took away from him all that he gave him and sent him away empty handed into the world of the destitute, from whence he came. This is what happens when we manifest unfaithfulness and live in total disobedience to the words of the Lord.

## *The Importance Of Faithfulness*

Furthermore, I know a certain man in Nigeria, a believer, who bought a land in a high profile area. He is wealthy and wanted to build a house there. But he travelled to Europe, with the intention of commencing the building project upon his return. He spent about three years in Europe, but when he came back, he found that another man had erected a building on his land.

The man who took over his land is known to be a member of a dreaded secret cult. The believer, however, wasn't faithful to the Lord with his money. In divine terms, this is highly disadvantageous, because it gives the PMSS the astral rights of attack. Now, this matter was spiritually reported; and from the Throne the Lord Himself said thus:

***“Leave this matter in My Hands. Do not fight for yourself by any means, for if you fight for yourself, I will step aside and what follows your enemy will rise against you. Then the victory of My Light will elude you. But if you will patiently follow Me even in this, I will surely restore the land and everything therein unto you”.***

Instead of obeying what he was told by the Lord, he took a contrary course of action. He arrested the bad man and took him to court. This kind of action, especially when it amounts to disobedience to the Lord, ignites the PMSS operators into diverse manipulations. The PMSS itself has a cycle of attack of 52 days in one of its 7 Cycles of attack, in which such action, amongst other actions, are the astral rights of attack on money and financial ventures.

Following his actions of disobedience to the words of the Lord, he was left alone to fight for himself. This enabled the bad man and his network to have dominion over him. The PMSS manipulations also wrecked him financially, for which he is yet to recover. The forces of darkness, via their human agent, succeeded in their attack on him. They struck him with blindness. He became blind and poor, and hasn't recovered his land. We are only praying for him and waiting for the mercy of the Lord to return to salvage him.

In another occasion, a well connected wealthy man in Abuja, Nigeria, grabbed the land of a faithful daughter of Zion. He is known to have done

such a thing to several people. She legitimately bought the land and fenced it, and was erecting a building there, when the man came with bulldozer and thugs and pulled down everything, claiming to be the landlord. There was even a day that he drove into the land, which is located in a high brow area of Abuja, in the company of a former President. This was possibly to show off his connection with high political network.

The daughter of Zion reported this to me in tears, and I reported same to the Lord, during one of His divine visitations to the Harbinger of the Last Covenant. And the Lord said to me: **“Tell her to be calm and lie low. I will disarm the man and restore back the land to her”**. And it came to pass that the man himself finally came and begged her for forgiveness; he spoke of strange things that the Lord did to him. Then in peace he returned her land back with compensation.

#### **MONEY IN DEFENCE OF GOOD AND EVIL**

Now, remember what the Scripture says: **“A feast is made for laughter, and wine maketh merry: but money answereth all things”** (Ecc. 10:19). When we read this Scripture, one may ask: In what way does this relate to the PMSS manipulations? It is said here that **“money answereth all things”**. The phrase **“all things”** in this connection is very important, because all things actually means all things.

In the things connected to the Light of God in the world of man, that is for the things of the vineyard of God on Earth, money spent therein with a pure heart to the Lord can answer for you, in raising the standard of God over the manipulations of darkness. This is so because your money is your sweat. Your money represents your efforts, the manifestations of the evidence of your efforts on Earth. In such terms, your money can answer for you in the things of God, when properly utilised to the glory of God.

However, because it is said that **“money answereth all things”**, all things therefore are not limited to the things of the vineyard of the Lord on Earth. Thus, money can also answer for people within the rudiments of darkness; within the occult spheres of evil things, within all those things which do not bring forth the glory of the Light of God. To this end, money can answer for good and bring good to you; it can also answer for evil and ruin a person.

Again, in certain terms money is also a defence, both for good and bad.

## *What Follows Money*

The same Scripture also has it thus: **“For wisdom is a defence, and money is a defence: but the excellence of knowledge is, that wisdom giveth life to them that have it”** (Ecc. 7:12). On one hand, as a true believer, if your money is properly utilised, as you listen to the Spirit of the Lord in you and do the right things with your money, then your money will stand in defence of the progress of your earth-life in diverse ways.

On the other hand, those dwelling on the mountains of darkness, also use their resources in defence of the things of darkness and there, their money answers for them. Money is a defence for them there, in their crafts, in their devices and manipulations; no matter how big or small. For instance, we have terrorists in our world today: some of them buy cars, plant bombs in them and use same to kill other humans. They do this in defence of the vicious course that they represent.

Money is used to tie down the hands of a person under the yoke of poverty, I mean a person who is under such manipulation. Money is paid in the rituals of such vicious assignment. You can give out money and under some circumstances this can be used against you, to tie you down. If you are giving out money, make sure that you do so in mercy, so that you will obtain mercy. If you help the poor or anyone in need out of mercy, you will surely obtain the mercy of the Lord.

Never give out money under the mode of pride and arrogance, or to seek human praise. This can be used against you. Now, I admonish you: Let your money be a defence for you on the path of Light, and let your money answer for you before the Throne. Use your money in divine terms to achieve this.

### **WHAT FOLLOWS MONEY**

Dear reader, when we talk about money, please be informed that several things follow money on the physical realms of Earth, arising from the realms beyond. When you bring out money, when you touch money, when money enters your account, so many things are involved generally unknown. One day, the Lord spoke to me about money and the images of people found in different currencies.

In our world, the pictures of some sons and daughters of men are inscribed on some currency. You know we have diverse currencies in diverse nations. How many of them have symbols related to Jehovah God and His Christ? Now, if a currency contains the picture of an earthman

named Joseph, for instance, what followed him must also follow that currency as a rule. If he was a good man in the human terms, then remember that he wasn't infallible; he had his weaknesses and may have died of cancer or whatever, all these follow the money upon which his image is inscribed.

Even if he was a good man in our human terms, and never joined any secret society, what about the attacks he had during his earth-life? What about his consciousness and the gestalt of his whole being? All these amongst others are represented in the identity of his photography printed in the money. This exposition may look so subtle, but what I am saying comes under the ambit of astral wars, not mere physical aspects generally known. The physical wars follow physical rules, astral attacks follow metaphysical rules.

Therefore, when money enters your account or your hand, it brings certain things into play, based on some factors, whether or not you know it. Your account bears your name or your business name. Thus, there are things that follow money, good or bad, whether we know it or not. The image on it is also involved to some extent. Money in your hand or account brings to you what follows the money.

When money enters your account or your hand, it can bring forth the fruits of goodness, based on the source of the money, what follows the money, but most especially on what you use it for. If you are a true believer, who stands on the platform of goodness in the journey of life, who shows mercy and divine Love, who participate in the things of the Lord with your money, the goodness of the Lord will transform that money as a blessing to you.

Money can enter your hand or account from another believer whose money is sanctified. This has come to you from a channel of blessings. This doesn't mean taking money and say 'Oh Lord I sanctify my money'. It is not as simple as that. If you don't do what will bring forth the sanctification of your money, then your money won't be sanctified. And if your money is not sanctified and protected by the Spirit of the Lord, whatever evil that followed it will eventually be evident in and around you.

When money comes to you and you use all in mundane terms; no share of it to the destitute in mercy, no offering to the glory of the things of God on Earth, no tithe unto the Lord; you are not faithful in these things, but

### *What Follows Money*

you call upon the Lord to sanctify and protect your finances, I tell you that it doesn't work that way in divine terms. Any evil thing following that money will be demanded by the operators of the PMSS, and it will answer for you.

The money that comes to you passes many hands, channels and accounts. Even the Central Bank of any country in this world that prints money, all the people involved in such printing activity are they all situated in the Light of God? Some of them are messengers of different wicked spirits of darkness; some of them are murderers and thieves.

Therefore, even if money flows directly from a Central Bank to you, you must first do the right thing by giving to God what belongs to God. Of course you should also give to Caesar what belongs to Caesar. Giving to Caesar what belongs to Caesar doesn't mean sowing a seed upon the altar of darkness; by consulting shrines, paying for fornication and adultery, amongst other iniquities and abominations, no.

The fuel in your car, your electricity bills, school fees, the food you eat, medical bills, house rent, tax, etc., all are giving to Caesar what belongs to Caesar. Caesar is a representation of the system of things for physical survival; the things that are naturally important in the physical aspects of being.

Now, listen: when money comes to you, it may have passed through the hands of blood ritual humans. Money does not fly from the sky into your hand; the money with you now has passed through different hands. The hand of human blood in rituals could be there, and what followed the wicked one follows the money. Anything you touch in this world, what follows you follows it. This is the subtle aspects of reality.

When money passes through the hands of a good man, goodness follows it. The money that comes from the platform of the Lord in Light, used appropriately for the glory of the Lord, adds blessings to blessings. If evil things follow money into your hand, the only thing that will salvage you and I is to give to God what belongs to God. When this is done, when the powers of darkness come to demand the evil that followed the money, then the Spirit of the Lord will answer for you.

The money generated through invocations and human blood, when it goes into circulation, it carries many evil things along. Let it be known that the forces of darkness use the evil things that follow money as major

instruments of astral wars against the children of men. The PMSS is deeply involved here. Now, apart from ritual blood money, money could in the process of circulation pass through the hands of hired assassins. This resonates the evils therein into different hands.

Furthermore, money that passes through fraudulent means or through the hands of fraudsters, goes into circulation with diverse vicious manipulations of darkness. The money through the hands of 'hunters', namely, the prostitutes, also work under this framework. Some of these prostitutes are prepared and sent forth to pollute the world of man. The money that passes through their hands also carry the elements of darkness.

The money in your hand or account now, do you know the diverse hands and channels that it has passed through? What about the soldiers who die in wars while fighting for their nations? The government pay money to their respective families. The money paid goes into circulation; such money rises from the blood of the dead soldiers, even from the blood of the agony of death. In certain terms, it has become blood money. It goes into circulation spreading agony and pain.

What about armed robbers? They rob and they still spend the money robbed. The people they rob lament and curse them. The robbers go into places to buy things; the money spread from hand to hand, from account to account. There are praise-singers, the sycophants, who obtain money by singing the praises of other earthmen. Some of them make their living by chanting the praises of politicians.

The politicians themselves know this. For instance, a Senate President in Nigeria once told me: **“Harbinger, this people (sycophants) gather in my house from time to time to sing my praises. I know that they are looking for money and I give them money”**. Not only him, they do this to different wealthy people in Nigeria and different parts of the world.

You see some musicians, they compose songs praising some rich men and women. Some of these politicians that they are praising, some of these wealthy men and women, are good people while some are core agents of darkness. The money obtained from these people also goes into circulation. When you sing praises of a wicked man, who made his money through human blood, and he gives you money which also goes into circulation, what do you think that follows such money?

## *What Follows Money*

What about witches and wizards? Haven't you heard about witches and wizards? Do you think that they are not there in our world? They are here with us. The priests and agents of voodoo, juju and shrines; wicked beings and sorcerers, who add iniquity to iniquity, money also pass through their hands and go into circulation. The kidnapers and terrorists are not left out. From all these channels amongst others, money pass from hand to hand, from one account to the other.

Money passing through these multifarious channels are carriers of so many things. First of all, if it is a good money that flows from a source in Light, and you perform the acts of Light with it, then Light will be added to Light. For instance, I do give out money to people. When money comes to me and I do what the Lord says, the one that remains for me to use, when I give some out, it assumes the origin of blessings to the one who receives it upon the platform of blessings. This is also the situation with you in this connection, when you stand upon the platform of Light. You must understand that **“money answereth all things”**. Money answers for you in many respects. The Scripture says:

***“And thou shalt take the atonement money of the children of Israel, and shalt appoint it for the service of the tabernacle of the congregation; that it may be a memorial unto the children of Israel before the LORD, to make atonement for your souls” (Exo. 30:16).***

We know that Christ made the ultimate atonement for our Souls, but this has to be sustained. Remember that the One who made the atonement, the Great Lord Jesus the Christ, also admonished us to give to God what belongs to God. When we do this, His divine atonement is sustained in us. Now, God spoke to Moses about atonement money. Does this not show the role that money plays?

In those days, it was called 'atonement money'. Even in our time, regardless of the name that it is called, the important thing is that the money that comes to you will answer for you in diverse ways. If from the sincerity of your heart, you take part of your money, which represents your life efforts, and contribute towards the service of the vineyard of God on Earth, that money will answer for your good in the journey of life.

The Lord spoke of rebuking the devourer in the Holy Scriptures. The devourer can only be rebuked for your sake by the Lord, when you have

done what will cause Him to rebuke the devourer. He didn't promise to rebuke the devourer for every believer, no. Rather, He promised to rebuke the devourer for those who show faithfulness to Him with the fruits of their labour.

When you use your money in wrong ways, it can lead to bondage. This bondage is manipulated via the PMSS operators. Remember how King Johoiakim of ancient Israel gave the money of his kingdom, including his silver and gold, to Egypt “**according to the commandment of Pharaoh**” (2 Kings 23:35); this is the evidence of bondage. You must give out money according to the commandment of God, for the excellence of your freedom in Light. But when your money is given out 'according to the commandment of Pharaoh' – the spirits of darkness – bondage is enhanced.

What do you think is the portion of that man who uses his money to sustain wickedness? When a man is solely engaged in using his money to frolic in mundane things, what will answer for him in the day that he comes face to face with a danger which money can't solve? You have to be very careful over these things, because as you make your bed so you will lie down on it.

As I make this exposition, I am fully aware of many things that follow money, good and bad. Money can come to a person, but what follows it may even be cancer or any kind of chronic illness. These things that you see in the physical system of reality, including money, have their subtle aspects, beyond the aspects that you see.

Money can come to a person, but what follows it could be accident or even death; lack of favour, stagnation in life, undue expenses, lack of peaceful family, imprisonment, and a whole lot of bad experiences in life, follow money in so many ways.

### **BRING THE LORD INTO YOUR FINANCIAL VENTURES**

Use your money for the things of the Holy Spirit in the world of man; so that the Spirit of the Lord will answer for you when what followed the money is demanded by the forces of darkness; so that the Name of the Lord will rise in your defence, when they call upon your money. Do not use your money only on foolish things.

Don't go about frolicking with different daughters of Eve with your money. A certain man made confession of how he 'slept' with five different women at the same time and paid each of them one million

*Bring The Lord Into Your Financial Ventures*

Naira. After some time this man became poor. When he came to me, these things were revealed and he confessed.

These are some of the things that make people to play into the hands of high profile 'hunters' and women carrying the dry leaves of the desert. (For more on the dry leaves of the desert, see my book entitled HIDDEN TRUTH OF MAN AND WOMAN). When you have sex with a dry leaf, then dry hands will begin to play out in your life. The operators of the PMSS come in full force with diverse manipulations.

The man had sex with a dry leaf and was vanquished, because who will answer for him? Will fornication or adultery answer for your good before the Almighty? Never. These are the things that whoever does same should confess and seek the mercy of the Lord. Because if such things speak for you, they speak unto destruction.

Now, the money spent on such things, Oh my God, as far as the Spirit of the Lord is concerned, is classified as paying your tithe unto the Prince of Darkness. Woe be upon anyone who is recognised and recorded in the divine spheres as paying his tithe to the Prince of Darkness. This exposition is very important for all of us. We have to save ourselves from ourselves.

Be conscious of these things. Don't say that because you are a young man, as soon as money enters your account or your hand, you jump off and start spending in foolish things. You must have your foundation upon the Light of God, so that what follows money from the realms of darkness will not overwhelm you. Even if it is ten dollars that come to you, just know from that moment that one dollar out of the ten dollars does not belong to you.

That is the original money of God. Even the remaining nine dollars, ensure that you help the poor and make offering to the glory of God from it. When you are faithful in this, anytime any power of darkness comes, the Spirit of the Lord will answer for you. Anything you do solely to the glory of the Lord in the world of man with your money, brings to you the sweetness of the Spirit of the Lord.

**Those who have ears to hear, let them hear.**

***DIVINE DECREE NO. 1***

## CHAPTER 2

# THE ROOT OF ALL EVIL

---

**“For the love of money is the root of all evil:  
which while some coveted after,  
they have erred from the faith, and  
pierced themselves through with many sorrows”  
(1 Tim. 6:10).**

---

### **THE PRIMORDIAL ORIGIN**

We believe that God created the Earth, the Planets, the Sun, Moon, Stars. He created the Angels as well as the children of men. He created animals, spirits, mountains, rivers, forests, to mention but a few. The Almighty God did not directly create money for the children of men. God created man and many things; man formed money from that which God created, as always the case.

The moment money was formed by the earthmen, that which he formed began to play vital role in his life. This vital role has to do with the exchange of goods and services. When it is said that 'money is a defense', it is in the light of the role that money plays in the world of man. However the Almighty God ultimately owns everything in the entire Universal Systems, including money.

Therefore, anyone who is involved in following the path of Light of the Almighty Creator of all things via the Scriptures will understand that:

- i. God can bless man with money on the path of Light;*
- ii. God expects man to use money for the good of life in His Light;*
- iii. The path of darkness, the vicious occult network, can also give man money, but for enslavement and death;*
- iv. God does not expect man to put money as 'number one' in his life on Earth; and*
- v. God expects man to put Him above all things, as 'number one', in his life.*

It is said that the love of money is the root of all evil. Out of necessity man formed the use of money, to instil a balance in the market – sales and purchase – systems. But the greed in the earthman to possess this money, gave the forces of darkness the 'astral right' to come forth into the world of man with diverse evils; making evil to appear as good, so as to lead astray.

Within the framework of greed and love of money, the forces of darkness use man against man via money rituals, kidnappings, armed robberies amongst many others. The forces of darkness even went into a high profile dimension of using the Psychic Monitoring Satellite System (PMSS) to manipulate and attack money on Earth.

### **EXTRATERRESTRIAL SATELLITE SYSTEMS**

There are Forces of Light and forces of darkness in our Solar System. In the first place, the Earth Planet is the war zone in this particular Solar System. The Forces of Light have different satellite systems working in one way or the other to enhance the goodness of man in his journey of life. Most of these are generally unknown to the earthmen. I mentioned one of such satellites, 'Star No. 3', that comes into our orbit from another Heavenly realm; it comes into the orbit of the Earth four times a year. I explained this in my book entitled '**Deeper Realities of Existence Vol.1**'.

The forces of darkness also have different satellites manufactured from the esoteric fabrics of their etheric systems. These satellites possess minute degrees of consciousness and operate in different ways. As earlier stated, some fight against marriages, amongst other things, as I have also made known in my book entitled '**Verses of Glorious Marriage**'.

For now, I am concentrating on the Psychic Monitoring Satellite System

(PMSS), in their attack against money on Earth. Part of the aim of this satellite is to empower some humans financially and use them in turn to perpetuate evil. The economic empowerment in our world, when concentrated in the hands of the agents of darkness, brings forth much fruits of darkness, as evident hitherto in the world of man.

For instance, we have heard about the network of the late Osama Bin Laden. You can imagine the amount of money involved in his battle to torment others, to bring shame to others, to bring pain to others, even death. Here in Nigeria, for instance, that Boko Haram do confront the armed forces of Nigeria, Cameroon, Chad, Niger Republic, amongst others, is based on the financial empowerment they have.

Anyway, I am saying that the PMSS is a well-organized equipment that coordinates financial empowerment to those that have contact with the astral forces directly or indirectly. Things like money ritual also flow from this satellite. Let me explain one thing: for instance, there are certain entities, certain spirits, arising from the PMSS . This does not mean that these entities live in the satellite, but it means they are empowered by the satellite, which is nothing but a den of darkness.

Now, the PMSS operators themselves live in such a den as their duty-posts. However, the operations of the astral entities connected to the PMSS, but who do not dwell therein, are coordinated from the PMSS. Some of these vicious astral entities, being reinforced from such dimension, are enabled to operate as strange snakes, amongst other forms in the hidden spheres of darkness. These snakes in turn are invoked for money in certain manners by some human agents of darkness.

### **SEX-MONEY RITUAL**

There are some of them that use sex in exchange for money. They organize a process of sexual intercourse and in turn vomit money for their human agent. How is this done? For example, a man comes to an occult centre for money ritual. This occult centre may be a shrine, or may even be the operational point of a particular necromancer, high wizard of the vicious occult, agent of darkness, amongst others.

In such terms, the love of money as the root of evil is practically played out. When a particular man comes to that point and makes a demand that 'please I want money', he may be asked to go and look for a woman. He may be told: "get a woman and bring for us, but don't have sex with the woman". This is one of the particular conditions involved.

## *Money Of Wicked Spirits*

This does not operate in all conditions, however, but am just giving example of one kind of operation that is involved in this. Now the man will be told 'to go and get a woman, when you get this woman, shower her with material things, don't have sex with her, let her feel loved then bring her to us for money ritual'.

A man looking for money may decide to budget about five hundred thousand Naira or two hundred and fifty thousand Naira, or even more, to shower on a woman, within a period of a month. As a lady, a man comes into your life and within a period of a month he spends five hundred thousand or one million Naira on you. Then you feel free to visit this man, to relax with him, to play with him. If this is coming from the kingdoms of darkness, you must understand that it is a trap.

Due to the fact that he is directed by the chambers of darkness not to have sex with the lady, after about a month, the lady is placed in the position to have sexual intercourse with an astral snake. This will be completely unknown to her. The daughters of men under this kind of manipulation are oblivious to the reality that they would be so involved.

In preparation for this sexual activity, the earthman will be told to construct a coffin. When the man constructs the coffin, the agent of darkness, a high master of the vicious occult, will invest in that coffin, powers radiated by and arising from the Psychic Monitoring Satellite System – PMSS.

Through the astral rays, emanating from the satellite, a snake, an astral entity in the form of a snake, passing through the astral rays, will be invoked into the coffin. When the snake enters the coffin, (that type of snake is not an ordinary snake, it has a human head and a man's penis) it will remain there and wait for the lady to come.

### **MONEY OF WICKED SPIRITS**

The man will invite the lady into his house, or into any private place agreed upon. The coffin will be under the bed or any hidden place in the room. If it is a bed, it must be a well-constructed one that would have enough space to contain the coffin. Whether or not it is a bed, wherever the coffin is kept in the room, it must be well covered when the lady comes into the room by the invitation of the man.

The man, in the process of playing with the lady and romancing her, will touch her with a ring inserted into one of his fingers. When he touches

the woman with that ring, the woman will be flummoxed and throughout the activity she will also be in a state of semi-consciousness, a dream-like state in which she wouldn't know what is happening physically.

At that point the man will leave her and go out of the room. When he goes out of the room, the lady will lie down there naked on the bed not knowing where she is. The snake will now crawl out of the coffin and 'enjoy' sex with the woman.

After enjoying sex with the woman, the sexual intercourse of the snake with her enables the snake, which is a vicious astral spirit, a power of darkness, to extract portions of "the life force" of the woman. That portion of "the life force" extracted by the serpent from the woman is transmogrified by the operators of the PMSS into money for the earthman.

The woman will stand up and after sometime regain consciousness. She will not know what had happened to her. She may think that the man had sex with her and all that. The man will give her money and she goes. When she goes, from that moment the particular room where the ritual was conducted, the snake will change from time to time into money for the man and, in human terms, the man will become wealthy. This is one of numerous ways of obtaining money from the forces of darkness and spreading same in the world of man.

### **ENSLAVEMENT UNTO DEATH**

Certain things are involved here. The woman who had that kind of sex or who is used for this kind of ritual, certain things will happen to her based on the decree that was made and what was signed on her head. Portions of the 'life force' taken by the forces of darkness to manifest money, must include the subtle aspects of a woman's womb.

The womb may be there in the medical human terms, if a medical investigation is conducted, but psychically the womb no longer exists. This is because it is taken by subtle astral means via sexual intercourse. It is then transformed into money, which the 'serpent' will vomit from time to time to the man.

When this happens, the man will become financially empowered. People may envy him, but upon the head of the man also will come something. The operators of the satellite will demand from the man someday what follows the money, and when what follows the money follows him,

## *Head Hunters*

anything can happen to him. He may be told from the onset, which he may sign, in some cases he might not even be told. It may be about seven days to the time before he would be told, 'this is what will happen'.

The operators of the PMSS have one central aim: to empower people financially, and use that financial empowerment to bring about enslavement and death. Now all money rituals arising from the satellite do not occur in the manner that I have explained. Some occur in different manner, some even use human head. Someone may be told to bring the head of a person, like the one that happened in Bauchi State, Nigeria, which I have exposed in one of my books.

### **HEAD HUNTERS**

A wealthy lady had a lady-friend who one day asked: 'How did you get money? Help me, I want to make it in life and be wealthy like you'. All that the woman said was: 'Okay I will take you to the point where I was made to become wealthy'. She finally took her there.

When she took her there, what was demanded from her was the head of her loved one. The day the head of the man was to be taken, her lover who was engaged to get married to her, visited. She pretended to be sick and asked the man to escort her across one small bridge. The agents of darkness, the vicious occult people, were already hidden in one small bush under the bridge.

As the greedy lady wanting to be wealthy at all costs was walking with her so-called lover, the agents of darkness came out from the bush and bounced on the man. They separated him from the lady; she was shouting in pretence and the man was also shouting, calling on his lover that nothing should happen to her. The agents of darkness took the man away and murdered him.

When the time came for the money to be invoked, they brought a big basin into her house and directed her to stand inside it at a time appointed. She was also given a mirror, which they placed on the wall, with certain candles. She was directed on how to call her dead lover seven times.

At the appointed time in the night, she called the man, for his spirit to appear in the mirror and come out of the mirror. Now, this so-called spirit of the man is a high manipulation coming from the PMSS. The operators of the satellite work in that manner. So what the girl saw was the man appearing from the mirror. She was supposed to tell him: "I don't want

you again, I want money”. If she could say so for some number of times, like seven times, then the supposed spirit of the 'man' will transmogrify into money.

However, in this she failed. To this end, when the “spirit of the dead man” come out of the mirror, the lady couldn't say, 'I don't want you again, I want money', as she was instructed. Rather, she started crying and calling upon the name of the dead man, saying: “I am sorry oo; I am sorry for doing this oo. It was my friend that deceived me to take your life for money”. Then the spirit walked straight to her, gave her a slap and she died.

Some of her neighbours, resident in the same building, heard her shouting the name of the man in the midnight hour. They heard all that she said. They knew that the man died and his dead body was found without head. In the morning, the neighbours that heard her shouting the name of the dead man, waited for her to come out of her room as usual, but she couldn't.

Thereafter, they called the police and reported that they heard the lady shouting the name of her boyfriend in the night. The police forced the door open, only to discover that she was naked and dead. They saw all the occult materials in her room – the strange mirror, the basin, the candles and everything.

When she was shouting in the night, she was also mentioning the name of the woman who introduced her to the occult vicious centre, calling her name saying “you have deceived me ooo”. All these were reported by the neighbours to the police. The police went and arrested the other lady, interrogated her, tormented her and she confessed that she was the one who introduced the lady to the occult. She mentioned the name of the occult centre. That was how the police located the occult centre and the whole matter was revealed.

### **MONEY RITUAL ELEMENTS**

The PMSS operators, the vicious astral entities of this system, work also in that manner. In all these, when a human head is required, in such case a loved one is mostly needed. Furthermore, a woman's womb is very important to them, because it is one of the easiest things to be transmogrified into money.

One of the simplest ways to obtain money, using the PMSS of the powers of darkness, is a woman's womb. This womb can be taken through many

### *Money Ritual Elements*

ways. A man can be given something to apply or rub on his manhood a number of times, which are reinforced by the PMSS that invests power in it.

When such a man indulges in sex with a woman within a period or number of days, he takes away her womb. The womb will still be there physically, as I earlier explained, but psychically it is taken away and transmogrified into money. There was even an incident in Kaduna, Nigeria, about a girl who had someone to marry her in Benin-City, Nigeria. She travelled to Kaduna for something and when she got there she met a particular man. The man was a high agent of darkness that had acquired some specific power that enables him to disappear.

So the lady met the man and the man told her: "See, I like you; come and have sex with me; look at the money I will give you". The man brought out a huge amount of money and placed it before the girl and told her: "If you have sex with me, I will give you all these money". The girl was a good church person, a chorister, but when she looked around, the pastor of the church wasn't there and no other Christian was around, including the man that wanted to marry her.

She saw the money given to her by the man and she accepted sex. As soon as the man climbed on top of her, he disappeared. From her experience, she knew something strange had happened. Her body system changed. She had to confess it by herself after sometime, because her womb was taken. So, you can see what I am talking about. Be warned.

***(Between 6.30 -- 6.37 am)***

*I believe. I believe. I believe. Oh Lord of Hosts and Saviour of the world, by the Supreme Power of Omni-mercy, which is Thyself, let my path inherit Your Mercy in the journey of life; for I believe in the Blood of the Great Lord Jesus the Christ that was shed. Oh Lord of Hosts, grant me entry to the path of Your new husbandmen. As I will, in the Name of Christ, so be it. Amen.*

## CHAPTER 3

# PSYCHIC MONITORING SATELLITE SYSTEM AND BLESSINGS OF THE CHOSEN ONES

---

**“And I saw Heaven opened, and behold a white horse; and He that sat upon him was called Faithful and True, and in righteousness He doth judge and make war .... And the armies which were in Heaven followed Him upon white horses, clothed in fine linen, white and clean”.**  
**(Rev.19:11,14).**

### **MANIPULATION**

Dear reader, let it be known that financial empowerment does not only come from the forces of darkness. Far beyond them, the Spirit of the Lord in Light also gives wealth. Always remember this. If you follow the things exposed in this material, some of which you may have known, some of which you knowing for the first time, you will never be pushed to the wall in all your financial ventures.

I speak to the chosen ones of the Lord: The hour has come for you. Henceforth, your wealth will surely rise from God Almighty, in the spirit of father Abraham, that blesses all nations. As God said to Abraham: **“...and in thee shall all families of the Earth be blessed”** (Gen. 12:3).

## *Victory Of The Saints*

I want to tell you this: The wealth and economy of this world have for ages been under the Prince of Darkness. Remember how he showed 'The Son of Man' all the wealth of the nations of the world. The Prince of Darkness told 'The Son of Man' that all the riches of the world of man were delivered to him and that **“to whosoever I will I give it”**.

He further demanded that if the Lord, who was on Earth in disguise, could bow down to him, he would give Him earthly wealth and all sorts of mundane opulence. It was at that moment the Great Lord Jesus the Christ placed the Prince of Darkness where he belonged. (See Math. 4:1-10).

That was a serious issue, because the question is, 'who gave the Prince of Darkness the resources of the world?' Who delivered it into his hand? It was the first man Adam. The wealth of the world was placed under the feet of Adam, but by manipulations the Prince of Darkness stole it from him. Adam handed it over to the Prince of Darkness the moment he ate the forbidden fruit. From that moment, the Prince of Darkness was given the wealth of the nations, empowering people in darkness, men and women, in one way or the other, directly or indirectly.

### **VICTORY OF THE SAINTS**

The hour of reckoning has come, because as I speak now, I am fully aware of a mighty battle fought in the realms beyond in this connection. If you read the Bible book of Revelation chapter 19, you will see the Great Lord Himself pictured as leading the army of Heaven. Some aspects of the battle, waged by the Forces of Light against the forces of darkness, is still on going as I speak.

For there to be an army in Heaven, there must be an opposing army to battle against. One of the greatest battles fought by the armies of Heaven against the opposing army of darkness, as related to the resources and economy of this world, was in the depth of the ocean, the subtle aspects therein. This was where the supreme hierarchy of the forces of darkness buried the wealth of the world; and consequently uses the PMSS to control it.

The Psychic Monitoring Satellite System (PMSS), coordinating vicious money from the space, operates the rays of such evil satellite down into

the depth of the sea, via some aspects of the Universal-Super-Conscious-Waves, from where it rises into the hands of the forces of darkness from time to time. This does not mean that the children of God do not have wealth. The children of God have wealth, but we are talking about the control of the wealth. The control of the wealth of darkness is coordinated by the PMSS.

When the battle was fought, the King of Kings and the Lord of Lords led this battle Himself. It was a fierce one but at the end, the guardians of the wealth of the Earth in the depth of the sea, who worked in collaboration with PMSS, were vanquished. The victory was won in that battle, as made known to the 'Harbinger of the Last Covenant' in the Spirit. The mighty Spirit of father Abraham, that is the Mighty Spirit of God in father Abraham, came into manifestation on Earth. Remember it is said in the Bible that in Abraham shall all nations of the Earth be blessed.

Something is going on now unknown to the people of this world. The blessings of this world, as am talking to you now, have been shared. Everything you see on this Planet have been shared by the Mighty Spirit of God in father Abraham, that is after the victory that Christ won for the chosen ones of God to possess the wealth of the Earth. For now, people may not see it, but this is the manifestation that will dominate the Earth Planet. Whatever exists on the Earth Planet, whether it is furniture making, production of drinking water, any type of food, aeroplane, whatever you see existing in this world, even selling of fruits, amongst other things, all have been shared.

The explanation of this aspect of mystery that I am going into, is too deep. And because I knew that it requires a different kind of material to explain it in detail, this therefore was amongst the reasons why I wrote the book entitled '**Verses of Eternal Truth**'. However, briefly expressed here, all things now have been shared and whatever is not shared or joined in that sharing will no longer have a place on the face of the Earth in time to come. For instance, if the manufacturing of cocaine, the manufacturing of beer and alcoholic drinks are not shared, such things will be vanquished from the face of the Earth in the course of time.

#### **THE CHOSEN ONES**

How these will occur, if you use your human brain to think about it, you

may not capture it. But as am speaking to the earthmen now, the Seventh Angel that sounded a proclamation, that the kingdoms of this world have become the kingdom of our God and His Jesus Christ, are coming to effect:

***“And the seventh angel sounded and there were great voices in heaven, saying, the kingdoms of this world have become the kingdoms of our Lord, and of His Christ; and He shall reign forever and ever” (Rev.11:15).***

Now, like everything about God, the steps are gradual. A time will come here on this Earth that only the chosen ones of Jehovah God and His Christ will take over the economic empowerment of our world. The economic empowerment must come under the new economic empowerment of Earth, taken away from the old husbandmen. The Great Lord Jesus the Christ said:

***“Hear another parable: there was a certain householder, which planted a vineyard and hedged it roundabout, and digged a winepress in it, and built a tower, and let it out to the husbandmen, and went into a far country: and when the time of the fruits drew near, he sent his servants to the husbandmen, that they might receive the fruits of it. And the husbandmen took his servants, and beat one, and killed another, and stoned another. Again, he sent other servants more than the first: and they did unto them likewise. But last of all he sent unto them his son, saying, they will reverence my son. But when the husbandmen saw the son, they said amongst themselves, this is the heir; come, let us kill him, and let us seize on his inheritance. And they caught him, and cast him out of the vineyard, and slew him. When the Lord therefore of the vineyard cometh, what will he do unto those***

***husbandmen? They say unto him, he will miserably destroy those wicked men and will let out his vineyard unto other husbandmen, which shall render him the fruits in their seasons.” (Matt.21:33-41).***

The old husbandmen represent people who misuse the wealth of God, those who work within the ambit of the forces of darkness. Remember this parable: the owner of the vineyard came and a question was asked, what will He do to the old husbandmen?

It was said that they will be vanquished; their wealth will be taken away. That portion of the Bible is now being gradually fulfilled. It has taken place in the Spirit; the manifestation will surely come forth on the physical realms of Earth.

Am making this exposition to guide you on the path of Light. It is my earnest desire for us to follow the paths that are well explained in this material. As explained in this treatise, we must always endeavour to abide by the path of doing three specific things, which we must do to give us the required economic empowerment, needed for the control of the resources of this world, in the light of the Kingdom of God on Earth. As far as the material things of this world are concerned, the Lord is the ultimate Owner, and you will never be pushed to the wall if you do what the Spirit of the Lord says.

## **THE CYCLES OF ASTRAL ATTACK**

***“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against Spiritual wickedness in high places” (Eph. 6:12).***

Dear reader, once again remember the words of the Lord thus: **“My people are destroyed for lack of knowledge”**. (Hos. 4:6). In this exposition, you will understand that through lack of knowledge of the ultimate process of psychic attack on money, many people, including some of the people of God, have failed in their financial ventures.

Now, the PMSS is the highest 'psychic-omni-dictator' of vicious powers of darkness, installed in the secret chambers of the astral realms in the inner-space, as earlier stated. It monitors each and every business and monetary activity in the world of man. There is no financial venture on Earth, whether big or small, that is not monitored in the spirit realm via the PMSS, except those directly under the Supreme control of the Holy Spirit, as also stated in this treatise.

It is with the PMSS that the powers of darkness attempt to fight, manipulate, or dominate financial ventures on Earth via the multitude of spirit and human agents. Even the human agents who do not directly and specifically know of its existence, are still indirectly involved. This PMSS manipulates every human business and money in seven cycles, beginning from the day in which the business commenced or in which money gets to you.

Each of these seven cycles is a period of fifty two days. Each cycle of fifty two days, therefore, determines the process of astral attack that can be projected against any business. In this material, I have exposed some of the already esoteric 'computerized' systems of astral attack within each cycle of fifty two days.

In other words, all the ways of astral attacks on any financial venture or money on Earth, are set forth within the PMSS of the realms beyond in seven cycles, whilst each cycle is fifty two days. Consequently, through this exposition you will know how your finances will be attacked at any given period, and how to counter each of such cycle of attack. With this knowledge, your finances are expected to prosper, for as long as you do the right things.

Again, be informed that any higher vicious occult master, wizard, witch, necromancer, etc., cannot fight your business on his own without passing through the esoteric process of the seven cycles of the astral forces. Such higher agents must communicate with the guardians of the PMSS, via stipulated protocols and intermediaries, and learn from them how to fight your finance or business venture in each period of the year.

Such agents, however, are not permitted to enter into the zone of the

PMSS. However, they can call forth higher entities from the zone in diverse ways. They could invoke such spirits without the knowledge of where the spirits come from. The only exemption are the few who have direct access to the PMSS operators, as I was in the past.

When this is done, however, the higher agents can in turn use the lower agents of darkness to enforce the astral attack. Now, the lower agents of darkness themselves are completely ignorant of how the cycles of astral attack are co-ordinated. Their duty is to do what they are told to do. Also bear in mind that the seven cycles of fifty two days a cycle, each manipulates money and financial ventures from the day in which money gets to you or in which the business started.

If money gets to you or your business begins on the first of October, for example, then every first October each year will mark the beginning of the first fifty two days cycle of astral attack on the money or business. The second cycle starts at the end of the first cycle, and so on. And at the end of the seventh cycle of astral attack, the first cycle of astral attack of the powers of darkness begins again. The powers of darkness also have cycles of astral attack on marriages, nations, health, individuals, education, family, to mention but a few, but these, as I have said, are not the subject matter of this exposition.

### **THE BIRTH OF MONEY AND FINANCIAL VENTURES**

Now, dear reader, the first day that any money enters your account or your hand, or the first day in which you received your salary/allowance from the work you do, all are important as far as the manipulations of the PMSS are concerned. Furthermore, the day in which anyone starts a business venture, or changes the name of a business, marks the first cycle of 52 days on how the powers of darkness will attack the business.

Again, the entire life of a business begins from the first day of the business. It is very important, therefore, for you to know the first day of your business. And as spoken to me by the Lord Himself, to ensure your success in any financial venture, endeavour to (a) first get divine approval from the Spirit of the Lord before you get involved; (b) take a portion of the money you intend to invest therein and put into the vineyard of the

Lord; and (c) let those involved in that kind of business, even two or three persons, feed from you before you finally invest your money. Furthermore, the following are necessary for your guidance:

- i. The day in which some people gathered together and decided to start a collective business and consequently selected the name of the business, is the birthday of that business. That day is more important than the day in which they made the first announcement of the business to the public;*
- ii. The day in which a person rented a factory, store, or house to start a business, is the birthday of that business; and*
- iii. With a business that has changed hands, or changed its name, the date in which the new owner took over, or in which it began to operate with a new name, is the beginning of the business.*

It is very important for you to know the birthday of your business: whether it is a factory, bank, manufacturing business, legal practice and many others. The birthday of a church is also very important in this connection, because the powers of darkness follow the same process. Having said these, let me now bring to you the cycles of astral attack on business. Don't forget that knowledge is power, and knowledge also brings responsibility.

**Those who have ears to hear, let them hear.**

## CHAPTER 4

# FIRST CYCLE OF ASTRAL ATTACK

---

**“Then shalt thou turn it into money,  
and bind up the money in thine hand, and  
shalt go into the place which the LORD  
thy God shall choose”  
(Deut. 14:25).**

### **BEYOND ATTACK**

As earlier stated, the first cycle of astral attack against any money or financial venture in the world of man, as set forth by the powers of darkness via the PMSS, is a period of 52 days, beginning from the first day of the money or the business. That is to say, if you start any financial venture (business) on the 20th of May, for instance, then 52 days from the 20th of May each year is the first cycle, following the process of astral attack, within the rudiments of the 'Psychic Monitoring Satellite System' (PMSS), an esoteric computerized network of the astral spirits of darkness.

Now, the occult or secret network operating via the PMSS in the first cycle of financial ventures in the world of man, that did not originate strictly from the realms of the astral spirits of darkness, shows, amongst other things, that during this period each year, the powers of darkness fight to subjugate the goodwill and favour of people, in order to ruin one's finances and business ventures. This happens especially to those whose finances are targets of diverse astral attacks.

## *Beyond Attack*

Those who have not truly risen beyond this attack, by the higher strength of the Holy Spirit in the Blood of Our Lord Jesus Christ, will certainly have this to contend with. Therefore, during this period, one's finances may experience the games of darkness as stated above. If you are a believer, ensure that you give to God what belongs to God, to attract God's favour, otherwise, this cycle of astral attack could ruin your means of livelihood. You have been warned.

To you who hold the eternal validity of the Spirit of the Lord, this is a good period to take divine authority over this manipulation, in the mighty name of the Lord. Efforts will be made during this period to give your financial venture a bad name, to discredit you before the public. Take divine authority over this in your prayers, and pray for divine favour.

As divine favour flows out from the Throne of the Lord to you, the manipulations of the PMSS must disappear and fade away. But to achieve this, your faith in the Lord must be shown by your works, for **“faith without works is dead”** ( James 2:26). Remember, you are made righteous in the Lord by faith.

Now, remember also that it is said to the righteous: **“For thou, LORD, will bless the righteous; with favour wilt thou compass him as with a shield”** (Psalms 5:12). When you are encapsulated in the favour of the Lord, the manipulations of the PMSS have nothing to do with you.

It is the Spirit of the Lord alone that will ensure your prosperity; He alone fights our open and secret battles. If you stand in the right place before the Lord, then be assured that the astral attacks of the PMSS, to take away goodwill and favour from you, is null and void. For it is written in the Holy Scriptures:

***“Let them shout for joy, and be glad, that favour my righteous cause: yea, let them say continually, Let the LORD be magnified, which hath pleasure in the prosperity of His servant” (Psalms 35:27).***

The favour of the Lord is needed for us at all times. The goodwill of people upon the means of your livelihood lies in the favour of the Almighty. As this cycle of astral attack of the PMSS is also targeted against favour and

goodwill, you must be prepared to seek the divine favour of the Lord for your victory. For victory and exaltation over all attacks of the powers of darkness come from the Universal Lord of Light – Christ. The Scripture says:

***“For thou art the glory of their strength:  
and in thy favour our horn shall be exalted”  
(Psalms 89:17).***

Now, I urge you, dear believer, to proclaim the Blood of the Blessed Lord Jesus Christ upon your business and money, in the strength of the Holy Spirit. Let one of your prayer topics during this period of PMSS astral attack be that God's true success should come to pass upon your finances, through the favour of the Lord and goodwill of the people, and through all such other channels considered necessary for your success by the Spirit of the Lord.

You can prayerfully advertise your business during this period, to gain more public image, as well as the goodwill of people. This will be highly beneficial. If your business has not risen beyond this cycle of astral attack and you properly analyse it, you will discover that every year, for a period of 52 days from its birthday, the powers of darkness do fight its public image, in one way or the other.

When you analyse your entire financial venture and discover this to be true, then prayerfully pull this attack down and promote the public image of your business. Do this always, but do it more during this period. But even as you do this, always remember that your overall victory and success depend on giving to God what belongs to God.

### **THE GREAT TOOL OF ATTACK**

However, the great tool of astral attack of PMSS against any money or financial venture in the world of man, by the devices of the powers of darkness, during this period of 52 days every year, is a borrowed money. The traps set against the children of men through borrowed money is clearly evident in the PMSS manipulations, from what I knew in this connection.

When you borrow money to support your business during this period, or you borrow money to start a business, or you borrow money for your personal use or for whatever reason, this is highly disadvantageous, as far as the PMSS astral attacks are concerned. The forces of darkness, via the operators of the PMSS, will try to use the borrowed money as a

## *The Great Tool Of Attack*

framework to ruin the business.

It is very important that you know this, because many businesses on Earth are destroyed via borrowed money. If you must borrow money, then endeavour to put a portion of it first in the vineyard of the Lord, to counter the PMSS manipulations. Money borrowed by a nation or community, is equally disadvantageous in this period.

One who borrows money during this period, may find it difficult to pay back, owing to the aforementioned cycle of astral attack. Most times, especially when there is no portion of the money speaking for one in the work of the Lord, different problems occur. For instance, if you borrow money during this period and use same solely for mundane aggrandizement, you are bound to encounter diverse problems. It is written:

***“The LORD shall open unto thee His good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: and thou shalt lend unto many nations, and thou shalt not borrow” (Deut. 28:12).***

When you borrow money during this period of PMSS astral attack, without specific divine approval from the Spirit of the Lord, the forces of darkness will subject same to intense attack. The aim is to make you unable to pay back, so that you will be seen in the light of wickedness. **“The wicked borroweth, and payeth not again”** (Psalms 37:21), says the Holy Scripture.

The moment the forces of darkness succeed in making you to be seen in the light of wickedness, knowing that you didn't borrow by God's divine approval, and that no iota of the money you borrowed is situated in the Light of the things of the vineyard of the Lord on Earth, they will exercise diverse astral rights to bring you down. In so doing, they will ensure that you are placed under financial slavery. **“The borrower is a servant to the lender”** (Pro. 22:7). The PMSS astral operators are well aware of this.

Please be informed that money borrowed to start a particular business, or money borrowed to support an existing business, which falls into the first cycle of the PMSS astral attack of the powers of darkness, is extremely dangerous. As evident in the PMSS, borrowed money during

this period is a great channel of spiritual enslavement against financial ventures. Sometimes such borrowed money will be used to enslave a business for several years, and one will not be able to pay back.

Now, if such money is borrowed from a channel of darkness itself, for business investment or for your personal use, it becomes extremely disadvantageous and requires a higher battle of the Spirit of the Lord for your victory. If your spiritual account is zero, because you have failed for long to give to God what belongs to God, then know that you are on the path of total ruin.

Also, if your business is a major target of astral attack of the PMSS, then the forces of darkness will concentrate more of their psychic-energies into manipulating you to go and borrow money and finance your business during this period of 52 days. The forces of darkness could work out a situation or create the circumstances in which you may find yourself thinking of going to borrow money, if you are not spiritually situated in the Light of the Lord.

Now, astral spirits are not Supreme, rather they are mere creatures created by the Supreme God. Thus, their games and manipulations must surely perish in the presence of the Lord of Light. To this end, if you must borrow money as stated above, first of all seek the divine guidance of the Holy Spirit. If the Holy Spirit gives you the spiritual approval to borrow money, then darkness must flee from such money. But make sure you receive spiritual approval from the Holy Spirit in specific terms, before you borrow money to start or support your business. I have warned you!

#### **GIVING TO GOD AND CAESAR**

Furthermore, the operators of the PMSS, in certain terms, follow the Universal Laws with regards to how they operate. We must know that nothing in all the Universes of God operates outside the Universal Laws. The forces of darkness know what belongs to God and what belongs to Caesar. Christ admonished: **“Render therefore unto Caesar the things which are Caesar's; and unto God the things that are God's”** (Matt.22:21). They understand this very well.

In this first cycle of astral attack on money, the forces of darkness are guided by the knowledge of what belongs to God and what belongs to Caesar. In this connection, when money comes into your hand, you must ensure that you give to God what belongs to God as you give to Caesar what belongs to Caesar.

## *Giving To God And Caesar*

Caesar represents the physical world in certain terms. Therefore, your electric bill is Caesar; your medical bill is Caesar; your transport fare is Caesar. The food you eat, the school fees of your children, the fuel in your car amongst other things, all are what belong to Caesar. The expenses you make in your campaign to possess political power through election for instance, is Caesar. While giving to Caesar what belongs to Caesar, give to God what belongs to God.

If you eat what belongs to God while giving to Caesar what belongs to Caesar, I tell you, your means of livelihood, your money, must come under intense attack. This is so because the operators of the PMSS know very well that whosoever eats what belongs to God will have a minus in his spiritual account.

Now, when your minus reaches a high degree and your spiritual account remains empty, it doesn't matter what you are in the physical world, any problem of life that comes to you by which you seek divine intervention from God, you will not get it. This includes problems that money can't solve. That is the truth!

You wouldn't get the needed solution, because the operators of '**Divine Account of the Almighty God**', the Angels of Light assigned to that, intervene by the Spirit of God to help you, based on what is in your spiritual account in the journey of life. So when you eat what belongs to God and continues on that path, you must know what you are doing to yourself. You must know what belongs to God; when you help the poor, the blind, the lame and the destitute by mercy, that is what belongs to God.

When you make donation in the name of God for the things of God, for the project related to the services of God, you are giving to God what belongs to God. When you pay your tithe (which you must do because right now in the Spirit, tithe is demanded from every human being whether you like it or not), you are giving to God what belongs to God.

The foregoing will be discussed later in details. By this, however, you are placing your money beyond the PMSS. If you don't pay your tithe to the things of God, it must be extracted from you. You must pay it in one way or the other to the things of the world. Possibly, you may even pay it to the Prince of Darkness, whether or not you know it, directly or indirectly. This is very dangerous to anyone involved.

Some money that come into your hand, what follows it could be sickness, unnecessary expenses, death, division, lack of peace in the family, and so many things. When you spend that money alone and you don't give to God what belongs to God, when what follows it are activated by the operators of the PMSS, you will find yourself where you least expected. What follows money is demanded by the PMSS operators in all the 7 cycles of astral attack.

## CHAPTER 5

# THE SECOND CYCLE OF ASTRAL ATTACK

---

**“And when Delilah saw that he had told her all his heart, she sent and called for the lords of the Philistines, saying, Come up this once, for he hath shewed me all his heart. Then the lords of the Philistines came up unto her, and brought money in their hand” (Judges 16:18).**

---

### **ANOTHER TOOL OF ASTRAL ATTACK**

At the end of the first cycle of 52 days of astral attack against money and financial ventures, the PMSS of the forces of darkness enters into the second cycle of another 52 days of astral attack. This is how the forces of darkness co-ordinate some of their major spiritual projections and attack against humans. During this period, certain things are used to fight money and the financial ventures of the children of men.

When the cycle of attack on money comes into the second system of the PMSS, the forces of darkness intensify different elements of the vicious occult. One of the greatest tool used during this cycle of astral attack, is hurt or pain in the heart of a daughter of man. This could be any woman; it may or may not be your wife. However, if your wife is the one directly involved here, then be warned, because 'your eyes will see your ears'.

### *Another Tool Of Astral Attack*

When you hurt a woman; any woman, as soon as it is raised against you under this cycle of astral attack, it becomes very dangerous. Now, any astral attack that prevails against a person in any cycle of the PMSS, does not necessarily have occult dominion solely within the ambit of the originating cycle. Based on some circumstances, the attack may be banished in that cycle, especially when the Spirit of the Lord intervenes. Outside this, effects of such astral attack could last for weeks, months or years.

As an earthman, if you have been hurting your wife, or you have been hurting some daughters of men in different ways, the pain in their hearts can rise as evidence against you in the realms of darkness. When the hurt and pain in a woman's heart intensifies, the operators of the PMSS could gather the intensity of the mental energy of such a disorganized heart. Consequently, they can mutate the painful mental energy of the woman into psychic weapons and use same to attack you in the foregoing second cycle of the PMSS astral attack.

Now, most of what I am saying here have been well documented and published in my book entitled HIDDEN TRUTH OF MAN AND WOMAN. The issues of women bringing forth blessings and favour and women classified as dry leaves of the desert, are explained in the above mentioned book. Even if a woman is carrying favour, the pain in her heart caused by you, can still be used against you under this cycle of astral attack.

Furthermore, if, for instance you cause pain to the heart of a woman, who is a dry leaf, whether or not she knows what she is, whether or not you know what she is, then, in certain terms, you are gone. The second cycle of the PMSS astral attack is the period wherein this standard of darkness is raised against humans.

Also, disobedient daughters of men, most especially disobedient wives, come under serious PMSS astral attack during this period. The attacks during this period are focused on money, but not limited to money. Here, diverse predicaments are involved. Every problem has a root beyond the physical aspects generally known.

Dear earthman, when you look at a woman, you may not understand certain things embedded with the inner fabrics of her being, because in life you can't be stronger than someone and be weaker than the person

at the same time. You can't be taller than someone and be shorter than him; you can't be richer than someone and poorer than him at the same time. So if you are taller than someone, the person is shorter than you.

You are aware that woman is called 'weaker vessel' in the Holy Scriptures, but there are certain subtle realities associated with this that are not generally known. Simply put: man is stronger than woman in the gross material body of the children of men. However, woman is stronger than man in the first psychic subtle layer of being.

To this end, if you put a woman's heart into the realm of pain from time to time, then pain will add to pain; each pain in her, by her natural makeup, will resonate the 'forgotten' pains. The accumulated energies of all the painful thoughts of her mind, are highly needed by the operators of the PMSS in this cycle of astral attack.

Now, I warn you in this your life: try as much as you can, not to hurt a woman's heart, or give her pain; this will be used against you. If you do that and it is intensified, when the attack of the second cycle comes against your money, your finances and business ventures will encounter unpleasant situations. And you disobedient daughter of man, rise and overcome, lest disobedience speaks unto your unpleasant situations from the astral realms of the PMSS.

### **WHY SOME MEN ARE RUINED**

There are other things used in this second cycle of astral attack against the children of men, which I will explain, but let me tell you something more about woman's pain in this second cycle. You see, a man came to me for spiritual ministrations. Remember that when I talk about hurting a woman, it doesn't mean only your wife, as earlier stated. It can be any woman; whatever human personality that has the form of a woman, they are considered weak both in human and Biblical terms.

Listen: Don't go about hurting that weaker vessel, because when she is hurt and you subjugate her, thinking that she is weak, what will come out of it in this cycle of astral attack may be too much for you to bear. That is exactly what the PMSS operators want. There may even be no divine intervention for you, because your so-called prayers to the Almighty could be hindered. Thus, Saint Peter admonished:

***“Likewise, ye husbands, dwell with them according to knowledge, giving honour unto***

***the wife, as unto the weaker vessel, and as being heirs together of the grace of life; that your prayers be not hindered” (1st Peter 3:7).***

Earthman, when that weaker vessel is hurt, anything can happen against you, from the PMSS vicious operators of darkness. Many men are poor today in the world of man, because of the way they maltreat women. And many disobedient wives, whether or not they know it, are cooperating with the PMSS operators to wreck their homes.

### **DANGEROUS PLAY WITH THE DRY LEAF**

Now, a man once came to me. He was crying profusely over the state of abject poverty in which he was subjected. Before his poor material state, he was relatively doing well in human terms, as he had a good car and a house. This man told me in the course of divine ministration that in all his life as at then, he had less than one thousand Naira (less than five dollars), also he was homeless, only squatting with a friend who brought him to me.

So, you can imagine a man having less than five dollars in his whole life. What kind of life is that in this physical world. He was crying and I closed my eyes in prayers for him. I demanded from the Holy Spirit to know what was the root cause of his problem, because I know that there is no smoke without fire.

In the Spirit, his case-file and record of his spiritual account were brought forth. The Holy Spirit quickly revealed his situation to me. My eyes were opened in the Spirit as I was sitting down and he was kneeling before me. I saw that the man kneeling before me took a pretty lady to a hotel where they indulged in sexual activity.

Unfortunately, this lady was a dry leaf of the desert. More so, he played on her intelligence and behaved in a stupid manner towards her, by which she left there in deep pain. He acted as a foolish 'play-boy', and this is very dangerous. When you fully realise what happens to you, through the pain that you generate in a woman's heart, no one will advise you on how to retrace your steps.

This earthman took the daughter of man to a hotel where the children of men pay for a short-time activity of illicit sex. He took a room for this purpose, but didn't pay before he went into the room. Some hotels of this kind operate like that in Nigeria. He took this woman into that kind of

hotel.

According to what he confessed at last, after the Spirit of the Lord had revealed to me the root cause of his abject poverty, the woman tried to be stubborn, that is why he did what he did, namely, causing her painful experience . He took the woman there, ordered some drink, food and everything for her, had sex with the woman, dressed up and told the woman, 'let me go out and buy some recharge cards for our phones'.

However, he just went away and left the woman alone in the hotel room. As she waited for a long time but didn't see the man, she then called his phone number and it was switched off. He went his way as 'a play boy', but never knew he was playing with fire. He played on the intelligence of the woman, and consequently said to himself, 'to hell with this woman'.

When things like this happen, a fool thinks that he has won, but he forgets that there are more than the eyes can see. Ignorance is a disease. Some people don't know the implication of what they do. They don't know what follows what they do. You go into fornication and play games there; does it not compound your already bad situation?

When the hotel people called out the woman, asking for the man's whereabouts, she called the man severally before then but his number was still switched off; no way to reach him. They asked her to pay the bills – the food they ate, the drinks, the accommodation – but the woman didn't have the money. The hotel people ceased some of her things.

They told her: 'look, we are going to keep your shoe and telephone so that whenever you are ready to pay, you can come back, make payment and collect your things'. They took those things from her. In great anger, the lady came out naked, put her hand inside her private part, lifted it up and cursed the man saying:

***“As you put me to shame here, so shall money put you to shame. You refused to pay for the time you spent with me, you made me pay after having sex with me, whereas you are supposed to give me money even after settling the bills. As you have ran away from here so shall money run away from you”.***

### *Take Authority In God*

This is very dangerous to anyone. The woman left the hotel in fury. This kind of a thing is of great value to the PMSS operators. The pain in the heart of the woman was so deep. It became an easy way for astral attack in the foregoing cycle, whilst prolonging the attack into other cycles, lasting for years. More so, it was revealed to me that she is a carrier of the dry leaf of the desert. This compounded the man's situation, to the end that he was plunged into the dungeon of the devourer and abject poverty.

You must know that every astral attack that occurs in the world of man against any son or daughter of man, the right for that attack must have been given by a human. The forces of darkness don't operate on Earth without having a human channel and the fundamental right to operate. In this terms, therefore, he was a 'lawful astral captive'. But the word of the Lord said that the prey will be taken from the mighty and the lawful captive delivered:

***“Shall the prey be taken from the mighty, or the lawful captive delivered? But thus saith the LORD, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contendeth with thee, and I will save thy children” (Isaiah 49:24,25).***

A lawful captive is someone that has done something for which he is held bound by the forces of darkness. Then comes **“the prey of the terrible”**, which is a human being lawfully held in subjugation by the terrible powers of darkness. **“Shall the prey be taken from the mighty, or the lawful captive delivered?”** In the human terms and limitations, the answer to these questions is 'no'.

Nevertheless, in the divine terms of the One Eternal Almighty God, the answer is yes, because all things are possible. Consequently, the Lord said that even the captives of the mighty shall be delivered and the prey of the terrible shall be taken away. And it happened that the man was fully delivered from the yoke of abject poverty. Today, his life shows the evidence of total restoration, to the glory of God.

### **TAKE AUTHORITY IN GOD**

Furthermore, this is the period in which the forces of darkness, via the PMSS operators, use either police action or court case as a framework to

fight against money and financial ventures. A person or group of persons could be manipulated by astral entities to take police or court action against your business during this period solely to ruin the business. Watch out!

Pray against this in advance before the enemy comes. Forces of darkness have ruined many businesses in different parts of the world through police or court cases undertaken during the second cycle of the PMSS astral attack on money. This does not mean that the police or court action itself will ruin a business, but it does mean that such action is a mere contact point of attack; though it may as well ruin a business. The purpose of this exposition is for you to take authority over this attack of the enemy. The Lord said:

***“Verily I say unto you, whatsoever ye shall bind on Earth shall be bound in Heaven: and whatsoever ye shall loose on Earth shall be loosed in Heaven” (Math. 18:18).***

Since the Lord called me, I have met several business men and women within and outside Nigeria whose businesses were ruined by the forces of darkness through this astral attack of the second cycle, that is, police or court case. This happened to them because they were not spiritually strong in the Lord as required. (See Eph. 6: 10-12).

The moment the enemy succeeds in making sure that either police or court action is taken against your business during this second cycle of astral attack, then the court or the police action will be used as a point of contact to spiritually invoke the name of your business in the world of Astral spirits for an evil purpose. Let me say once again that court case or police action against a business during this second cycle is used to bring the downfall of the business.

### **RISE ABOVE MANIPULATIONS**

During this cycle of astral attack also, the forces of darkness through the PMSS, do strive to manipulate any verbal agreement, promise or plan towards the success of a business venture. If your business is under intense astral attack, the enemy will fight against any verbal agreement, promise or plan of a person or group of persons made towards your success in this second cycle of attack, so that such will not manifest as desired.

### *Rise Above Manipulations*

To overcome this, put such plan, promise or agreement in writing and use same for daily prayers; thanking the Lord God until it comes to pass. Be wise, be strong. According to the devices of the powers of darkness, this is also the period in which re-organization is a major tool of astral attack against financial ventures. For instance, if you sack or terminate your worker during this period, the forces of darkness could use such to fight your financial investment.

Don't be surprised if you notice some of your workers misbehaving during this period. It is the hand of the enemy. If your business is under intense astral attack, spirits of the dark world can possess some of those working for you and use them in one way or the other during this second cycle of attack, so that you may be manipulated to sack such a worker or workers.

When you yield to this game plan of darkness, it can be used to ruin your financial venture. Therefore, if you consider it necessary to sack any worker or workers during this period, (and during all periods of your business), please do so solely under the approval of the Holy Spirit and all will be well. Anything done under the guidance of the Holy Spirit is totally beyond the reach and attack of the powers of darkness.

## CHAPTER 6

# THE THIRD CYCLE OF ASTRAL ATTACK

---

**“He that hath pity upon the poor lendeth unto the Lord; and that which he hath given will He pay him again”  
(Pro.19:17).**

---

### **LENDING TO THE LORD**

When your money and financial ventures come under the third cycle of astral attack, then you have to be careful. This is a delicate period in which you must be sensitive, especially in helping the poor. The word of God says that when you help the poor you lend to the Lord, and that whatever you give, the Lord will pay you back.

Having pity on the poor means showing mercy, and the Great Lord Jesus Christ said, **“Blessed are the merciful, for they shall obtain mercy”**. So if you want to obtain mercy, you must show mercy, because the third cycle of astral attack is complicated. It is complicated in the sense that it is the time that intense astral attacks are mostly targeted at persons devoid of mercy. Man must show mercy if he must obtain the Lord's mercy. There is time for everything. There are times that all the mercies that you have shown come into intensity to be returned back to you.

The operators of the PMSS know this. Therefore, their manipulations in this cycle of astral attack are to ensure that you don't show mercy; and that you cast aspersions on those that seek mercy. When you fall into this

### *The Blind Leading The Blind*

trap, the mercy that will be shown to you will be neutralized by the forces of darkness. Then other things will follow. And if there is even no mercy shown by you before that time, and another time for you to show mercy you fail again, honestly it is very dangerous and anything can happen to you in this third cycle of attack.

That period is the period to build up the counter operation of what will happen and anything can happen if mercy is not found in you. I know a church that was closed down because of the attack of this third cycle. I was in a certain church at a time and the founder of the church was talking to me on different issues.

As we were discussing, his wife came and told him: **“Daddy, they have come again”**. The man of God said, **“who are they?”**. She said, **“this people that are always begging, they have come again, saying that they have no food to eat”**. The man of God shouted, saying: **“Please! Please!! Tell them to go, I don't have time for them today; I am having an important discussion with the Harbinger of the Last Covenant”**.

I quickly responded thus: **“What important discussion are you having with me? There is no discussion that we can have now that is greater than helping the poor that are already here”**. He told me, **“Harbinger of the Last Covenant, please let us go ahead with what we are discussing, forget about them”**. So I dipped my hand in my pocket, called one of the ushers and gave them some money to give the poor people who came at that time.

#### **THE BLIND LEADING THE BLIND**

I explained to the Pastor the implications of his action, but he didn't even show any remorse. He believed that as a man of God the Lord will hear him when he calls upon the name of the Lord to conquer any attack. Things in life are based on rules and regulations. There is time for everything and when the Holy Spirit wants to help you, He may first of all order the steps of people that will come to you to seek help; help them so that you can obtain help in return.

This man of God failed to help the poor that came to him. That gave the astral forces, the PMSS, the occult right to plant an offering and the church of this man was closed down because of ten Naira offering. By the time the church was closed, so many things happened around him and as a matter of fact he went on having sex with the sister of his wife. She happened to be an agent of darkness who worked to separate the

marriage. She finally took that man of God into a dark world. It is difficult to explain what happened to the man of God. He left the work of God; his church was closed down, his wife left him and everybody left as well, because of the attack that occurred.

The man left without even telling anybody. It was after two years before I heard that he was nowhere to be found and after sometime they found him and he was with that girl living in a strange apartment made up of planks and woods, almost like a mad man. This issue I am telling you now is on my spiritual table and I am handling it before the Lord, to see how the man can be rehabilitated.

A lot of things also happened that I wouldn't want to go into now, as far as this attack is concerned. For that singular act of not showing mercy to the poor, his money was attacked via Ten Naira that was placed in the offering. That little money was activated by the PMSS through their agent, who happened to be the sister to the wife. She dropped it as an offering in the offering box, as revealed to me.

I want to use this opportunity to advise men of God, even when you have gathered your offering, give to God what belongs to God in that offering. Make sure you pray over that offering; make sure you commit it into the hands of the Holy Spirit. Make sure you use it for the things that are Heavenly.

Don't just gather offering from the church and put it in your pocket and call yourself "man of God". When what follows money comes upon you, and if you have not given to God what belongs to Him, nothing will fight for you. The Lord will turn against you, what we call 'blind eye'. There is a spiritual process called 'blind eye'.

### **THE LORD'S 'BLIND EYE'**

The 'blind eye' is based on a message given to me by the Holy Spirit of God. It is when the Lord looked at what is going to happen to you and didn't intervene. The high forces of darkness know when the Lord is not going to intervene. They know that the Lord had turned a blind eye to this issue, so they return to it and cause havoc. Bring the Lord into all that you do and when the time comes, the Lord God Almighty, by the Power of the Blood of our Lord and Saviour Jesus Christ, will fight for you.

So take a clue from what happened to this man of God. Don't say because you are a man of God nothing will happen, remember there are rules and

## *Lay Your Treasure In Heaven*

regulations. Remember the seven sons of Sceva who called the name of the Lord. They said in the name of Jesus Christ of Nazareth whom Paul preached, this spirit come out now! And the spirit said 'look I know Jesus Christ, He is the Lord of Hosts that has the Power to torment us, the power to vanquish us, we must wait for the time by law. We also know Paul that he is a messenger of Light. We can't approach him except we pass through certain means of manipulation. He is not an easy person for us to go to and do whatever we want to do'.

The spirit was like saying to the sons of Sceva, 'you are calling upon Jesus, who are you? We have checked into your inner spiritual system and found that you are empty. You are calling upon Jesus with your mouth but there is no Jesus in you', just like many of us do today.

We stand up and call upon Jesus and there is no Jesus there. We quote the Bible that where two or three are gathered in the name of Christ, Christ is there. Yes, Christ is there because He is everywhere, but not in specific manifestation, if His Spirit is not in you.

When Christ is not in you and you are calling Him with your mouth, how will He be there in specific terms when you call Him only with your mouth? And that was what brought problems to the sons of Sceva, they were maimed and wounded. (See Acts 19).

### **LAY YOUR TREASURE IN HEAVEN**

The Lord said that we should lay our treasure in Heaven. Where is the heaven that you will lay your treasure? Your treasure is your material wealth, lay it in Heaven. Are you going to enter into space craft to Heaven to lay it? The Lord told me: **“look at the blind, the lame, the leprous, the indigent widows, they represent the Heaven where treasures will be laid”**. Also, go and lay your treasure to the true Messengers of Light in this Planet calling upon the name of the Lord and the Lord using them in different ways.

When you identify any of them, go and lay your treasure there, so that the means of your livelihood will not be cut off. But when you eat alone, when the devourer comes, you must be prepared to bear it alone. However, when the Lord is truly with you, He fights for you. The Spirit of the Lord comes in diverse ways to salvage us.

He can come like the Blood of Jesus Christ to answer for you; He can come like a mighty wind and blow off the attacks of darkness. Therefore, don't

think much about the attacks of darkness, rather think and act more on the platform of what the Lord will do. He will do His own, your own is to show mercy to people. Show mercy so that you will obtain mercy in the journey of life.

**WATCH OUT FOR THIS**

Now, as far as the seven cycles of astral attack on money and financial ventures by the powers of darkness are concerned, the third cycle of astral attack appears to be “auspicious” for business success in their terms. Remember that this third cycle is still a period of 52 days beginning at the end of the second cycle.

For instance, during this period all the powers of darkness are dormant on astral attacks against borrowed money. In other words, the PMSS does not fight against any borrowed money during this period, but in all other periods it fights against borrowed money in one way or the other on diverse degrees. However, the greatest attack against borrowed money comes in the first and seventh cycles of astral attack.

During the third cycle of astral attack, however, the intensity of the psychic-energies of astral spirits are focused solely on manipulating people, including your friends and associates, to do things that will provoke you to anger. In the mood of anger, therefore, you may be further manipulated to seek redress via police or court action.

When you notice this, remember, it is the hand of the enemy. Please refuse to seek any redress, refuse to take action against all those who will provoke you, for they are working under the influence of the powers of darkness wishing to trap you down.

In the second cycle of astral attack, the powers of darkness may fight your money and financial ventures, by using people to take either police or court action against you. But in this particular cycle of astral attack of the PMSS, the manipulation is geared towards provoking you to take action against others. You must imbibe the divine quality of mercy, so as to be victorious.

The text is centered and reads: "DECREE NO. 6 (Between 3 am -- 4 am) Oh LORD of the Heavens and Earth, Giver of true wealth; as I show faithfulness unto Thee and work with Thee, I claim my victory, in the Name of the Great Lord Jesus the Christ, over all the astral attack of the Psychic Monitoring Satellite System of the powers of darkness. I am free; I am free; I am free; by the Power of Christ that sets me free. Amen." The scroll is set against a light gray background.

## CHAPTER 7

# THE FOURTH CYCLE OF ASTRAL ATTACK

---

**“I call Heaven and Earth to record this day  
against you, that I have set before you  
life and death, blessing and cursing:  
therefore choose life, that both thou  
and thy seed may live”  
(Deut. 30:19).**

---

### **DON'T RUIN YOURSELF**

Now, specifically speaking, the fourth cycle of astral attack on money and financial ventures brings forth all sorts of experiences, some of which leads to death. Many things are embedded with this cycle. Several things come forth during this period.

Consequently, one specific thing that is important for everyone to know is that, if your account is empty during the first cycle of astral attack on money and financial ventures, it is easier for you to lose your life during this fourth cycle of astral attack; one could be killed by the forces of darkness.

I was in my office one day, a woman came. When she came (there is a waiting hall leading to my counselling office) she opened the door to enter the waiting hall. Her coming into the waiting hall coincided with when I was coming out of the office to the same waiting hall. As she was

### *Led Astray By Human Consideration*

entering the waiting hall, I saw (as my eyes were immediately opened by the Holy Spirit) this same woman being carried into the hall by four spirits of death in a coffin.

Then I shouted: **“In the name of our Lord Jesus Christ, get away from this place”**. By my shout, the woman and those there who heard me possibly look at it from the physical point of view that, 'how could the Harbinger of the Last Covenant shout on a women to get out from the waiting hall, without giving her the opportunity of stating the purpose of her coming. In reality I didn't shout at her, on the physical aspect of her visit, but on the spiritual side of her coming, because she was being brought in a coffin, physically unknown to her.

The woman was sent to me by a Pastor to seek solution for a certain problem she had, which had to do with her health and one of her sons. The matter was a serious one. It was Pastor Dave, founder of SHILOH GOSPEL MISSION, that sent the woman to me. He said **“this issue requires the attention of my spiritual father, so go to him, the 'Harbinger of the Last Covenant', the Lord will use him to solve the problem”**. That was exactly part of the contents of the letter given to her by the pastor, which formed the basis of her visit to my office.

#### **LED ASTRAY BY HUMAN CONSIDERATION**

So, when the woman finally sat down, she said, **“man of God, you are ordering me out of your office?”** And I replied her thus: **“No, good daughter of Zion, I am not ordering you out of my counselling centre, but what a human being does not know is bigger than him”**. Then I asked what she wanted? She mentioned her problem and as she was speaking, the Spirit of the Lord said to me:

***“Tell her that she should urgently go and pay her tithe for the past seven months; whatever money that has entered her hand for the past seven months, she should remove what belongs to God and any other thing will be sorted out. She is a thief before the Throne of God, and the devourer that should come has come; even now, her life hangs in the balance of death”***.

I quickly told her the message that came from the Eternal Lord – Redeemer of the Oppressed. The woman didn't understand the divine

message, which was made very clear. She went back to Pastor Dave and told him what I said. She thought I was trying to put fear in her mind. She went back to her Pastor, saying:

***“I have heard about this 'Harbinger of the Last Covenant', but as soon as I entered his counselling office, he shouted at me and the next thing he said was that I should pay tithe for the past seven months. I am angry about this. I don't want to go to him again”.***

The Pastor pleaded for her to come back and see me, but she refused. He told her that spiritual issues are different from the carnal things, and that such are for those who have ears to hear. The woman still stood her ground and finally told the Pastor to pray for her. The Pastor asked her, **“is that what you want?”**, she said **“yes”**. He prayed and the woman left.

About eight days from thence, the woman died in her sleep. Early in the morning of the day that she died, Pastor Dave came to me and was disorganized; he came with some of the woman's relatives. He told me:

***“Please, 'Harbinger of the Last Covenant', please, anything you can do in the name of the Lord to make the woman return back to life, please help. God has used you to raise the dead in different occasions. Her son in the United Kingdom is very wealthy. He called and I told him everything. He said that we should come and plead with you, and that he is ready to pay even more than a year tithe on behalf of his mother. Please we are here and whatever you want us to do, we will do”.***

I patiently listened to this good servant of the Lord. I could understand that he was under some pressure. He sincerely wanted the dead woman to come back to life, but it is always better to search for a black goat in the day, because when night comes it is difficult to find. I told my pastor friend:

***“Pastor, this is not a matter of what I will do. I can't do anything on my own. It is true that***

*people have seen how the Spirit of the Lord used me to bring the dead back to life in some occasions, but at the same time, those things were done because the Lord instructed that they should be done. As I am talking to you now, there is no divine instruction to me that the woman should come back”.*

### **PREVENTION IS ALWAYS THE BEST**

The message was given to the dead woman, while she was alive, to salvage her from imminent death, but she didn't have the ears to hear. Dear reader, always remember that prevention is better than cure. It is too late to cry when the head is off. It is better that you do something to prevent what will come and bring snakes and scorpions to bite you, than to wait for them to bite you first while you begin to look for a cure later.

That was how the matter of the woman ended in death. Dear reader learn from this. I got to know later that the woman was in the opulence of material wealth, but she failed woefully in giving to God what belongs to God. I knew also, that everything around her, including her physical life, was under the PMSS astral attack of the fourth cycle.

So, when you are following the things of God, don't use your human brain only, because it will disappoint you. Human logic and sentiment in things of God will disappoint you. When the Lord speaks, He speaks to guide and help us. And when we obey, we receive the reward of obedience. Obedience is better than sacrifice. I pray that the Lord bless you as you continue to read this work and be spiritually guided.

### **TAKE A STAND OF VICTORY**

Furthermore, please be informed that the fourth cycle of astral attack on money and financial ventures begins at the end of the third cycle. Also note that this is the greatest period of attack, as far as the attacks unto death is concerned. Death is imminent from the dimension of the PMSS during this period of 52 days. The powers of darkness are very hard in the field of spiritual battle against one's money and financial ventures through diverse manipulations.

Indeed, this is the period in which the enemy may come against a business like a flood. But if you are strong in the Lord, if you are faithful in giving to God what belongs to God, the Holy Spirit will surely overcome for you. The Scripture says:

***“When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him” (Isa. 59:19).***

Remember, I am saying this as one who knows what he is saying. Therefore be warned: This is the greatest period of disaster for any business, money ventures or money itself, under astral attack. If your business is under serious spiritual attack and if you are not strong in the Lord, this is the ultimate period during which your business may be ruined in one way or the other.

Consequently, the powers of darkness may even burn down a business house or market with fire; they may possess thieves and use them to plunder your wealth; you may be duped during this period, or experience one form of disaster or the other. This is an important period for the operations of the devourer of wealth, life, health, etc., within the network of the PMSS.

To overcome this, (especially those whose businesses are under serious spiritual attack), I recommend by the Holy Spirit that you seek greater divine intervention during this period of 52 days. If you do this, surely your victory will come to pass. Remember that each and every attack of darkness must perish before the Light of His Eternal Majesty, the Great Lord of Eternal Light. You may also reach out to me for divine ministrations, if you so desire.

**Those who have ears to hear, let them hear.**

**DECREE NO. 7**

***(By 6 am, 9 am, 12 noon, 3 pm, 6 pm, 9 pm, 12 midnight)***

*By the Eternal Potency of the Almighty Jehovah God; in the full strength of the Seven Lambs of Fire before the Throne; through the Holy Name of my Lord Jesus the Christ, I (mention your name 21 times) decree that never will I have a portion with the devourer. I defeat you, Oh devourer, in all aspects of life. Let all I have given to the Vineyard of the Lord my God rise now and speak good for me before the Throne of God. Let it be done now. Amen. Amen.  
Amen.*

## CHAPTER 8

# THE FIFTH CYCLE OF ASTRAL ATTACK

---

**“He that putteth not out his money to usury,  
nor taketh reward against the innocent.  
He that doeth these things shall never be moved”  
(Psalms 15:5).**

---

### **DON'T SLUMBER**

The fifth cycle of astral attack against money and financial ventures on Earth begins at the end of the fourth cycle, and this is another period of 52 days. Now, as evident in the PMSS of the astral forces, this is the only period of the seven cycles of astral attack in which the entire powers of darkness do stay away from manipulating each and every debt owed you by others. If others are owing you, as a result of astral attack, you will discover that during this period, it will not be difficult for you to collect even old and bad debt.

However, on the aspect of astral attack of the PMSS, physical cash is the great instrument for the powers of darkness during this fifth cycle of 52 days. Therefore, be very careful and spiritually watchful regarding the money that comes to you.

When your business is under the PMSS astral attack, then during this period the powers of darkness will make sure that you receive PMSS infested money, whether big or small, from one or more of their agents, or from any human living outside the Light of God.

### *Don't Be A Beggar*

As you receive such money, it will serve as a direct representative of darkness in your financial venture, towards the downfall of your business. The best way to overcome this astral attack, is to pray and sanctify each and every money that comes your way. Do this daily, and remember not to spend or save any money that you did not present to the Supreme Lord in Prayer, even as you give to God what belongs to God.

#### **DON'T BE A BEGGAR**

The forces of darkness through the PMSS, don't do much during this fifth cycle of astral attack. In certain terms, its like their period of some relaxation after the intense astral attacks against financial ventures of the children of men in the fourth cycle. Nevertheless, one aspect that must not be neglected is the aspect of manipulations of humans towards begging.

This period they relax though not on the aspect of begging. However, it is very dangerous for one to beg always in the journey of life. In this fifth cycle and in all cycles of astral attack, however, it is not good for a human being to live by begging, but during this period, manipulations will occur for one to beg to survive.

Whoever endures begging for money during this period of 52 days, will overcome the network of the powers of darkness in this fifth cycle of astral attack. When you beg during this period, it is very easy for the 'Psychic Monitoring Satellite System' (PMSS) to manipulate your money to ensure that the begging continues, so that you will subsequently live as a beggar, begging from hand to mouth. God forbid.

#### **RISE ABOVE BEGGING**

Some people take pleasure in begging; this is not the best for you. If you must beg because of need, (because this is a period when things related to money will be a bit difficult with some people, from the human point of view), then listen to the Spirit of the Lord before you prayerfully do so. This is a brief period and if you are a child of the Holy Spirit, this period might not even occur. If it occurs and you find yourself in a position that **“let me approach this man or woman to solicit for help”**, make sure that you are guided by the Holy Spirit.

Let the Lord lead you to approach that man or woman. If you are not led by the Holy Spirit and you are led by your human mind, because you look at a man or woman and say 'this person has money, let me go and beg', you may be turning yourself into a beggar from that moment. This is so

because, when the attack comes into operation, it will be noted that this period which you used in begging, and the PMSS operators will say: 'attack him, let him continue to beg'.

I pray that if you are a beggar, you are a man, an able bodied man, you are not disabled, you are not blind, you are not lame, you are not indigent in any way, but you take pleasure in begging, you beg to feed, beg to pay your house rent, beg even as a man of God, may the Holy Spirit deliver you from the yoke of begging and put you in the position to help the real beggars.

May you not become a real beggar, may the Holy Spirit who has given you hand to work, mind to think, the ability and capacity to earn a living, but you become redundant and continue to beg, may He deliver you from begging. I pray for you, whoever is reading this work this moment, and you are under this manipulation, may you come out of it now, in the name of our Lord Jesus Christ. Amen.

**DECREE NO. 8**  
**(Between 4.45 am -- 4.48 am)**

*Oh Almighty Father, let Your  
Mighty Spirit help all those living  
by begging. Use me to be of help  
to them. Empower me and use me  
as a channel to bless them, in the  
Name of the Great Lord Jesus the  
Christ. Amen.*

## CHAPTER 9

# THE SIXTH CYCLE OF ASTRAL ATTACK

---

**“...but he taxed the land to give the money according to the  
commandment of Pharaoh....”  
(2 Kings 23:35)**

---

### **CURSES AS RIGHTS OF ATTACK**

According to the devices of the powers of darkness, their sixth cycle of astral attack on money and financial ventures, arising from the PMSS operators, is the period to specifically fight against money through negative sound vibrations in the form of curses. This is one of the greatest channels of astral attack against money and businesses during this period of 52 days.

To this end, I am speaking in connection with a curse or negative wish against your money, made by a person or group of persons, knowingly or unknowingly, against you. If your business or money is under the attack of the powers of darkness, then this is the period in which they will conjure the vibration for such a curse or negative wish and use same as their 'astral right' to launch a spiritual attack against your financial venture, via the PMSS.

When there is no specific curse or negative wish of anyone against your money or business, the powers of darkness may relax their warfare in that aspect and wait for a subsequent cycle. But even then, do not relax

## *The Waster*

your spiritual strength, for the vicious spirits will come in another form. To overcome this attack, be prayerful and take divine authority over every curse against your interest. Nullify every curse in the name of the Lord.

### **THE WASTER**

In the sixth cycle of spiritual attack on money the spirits of the waster operate in a particular version. This they finally use in the seventh cycle. They acquire things in the sixth cycle and use it for attack in the seventh cycle.

Furthermore, all the 7 cycles of astral attack on money and financial ventures are interwoven. Everything said about any cycle of astral attack of the PMSS, operate in one way or the other in all the cycles, in some areas of specific concentration.

In the sixth cycle of spiritual or astral attack, any money you pay for sexual intercourse will be brought forth and intensified into another version in the seventh cycle. When you fornicate with a woman, whatever you give to that woman within a period of 3 hours as payment for that fornication (even if it is not directly made as payment, because fornication or adultery has taken place), comes up as a version of attack in the seventh cycle.

Whatever you give to the woman within 30 minutes after illicit sex, is on the highest intensity on this subject matter. But whatever that is given to the woman within 3 hours also comes on the second degree of intensity of the astral rights of attack.

So, all that glitters are not gold. The Scripture says: “**...Whoso breaketh an hedge, a serpent shall bite him**” (Ecc. 10:8). Let us stop ruining our lives; let us stop empowering the forces of darkness to have the base to fight us individually and collectively. And may the Lord God Almighty help us, in the name of our Lord and Saviour Jesus Christ. Amen.

**Those who have ears to hear, let them hear.**

A black and white illustration of a scroll. The scroll is unrolled, showing a central rectangular area with text. The edges of the scroll are fringed, and the ends are rolled up into circular shapes. The text is centered within the scroll.

***DECREE NO. 9***  
***(Between 5.30 am -- 5.33 am)***

My righteousness is of Thee, Lord  
of the Universe. I am set free by  
the Blood Christ. Any power rising  
to use my fault in battle against  
me, let Thy Spirit, Oh Lord,  
answer for me always, in the  
Mighty Name of the Great Lord  
Jesus the Christ. Thank You Lord.  
Amen.

## CHAPTER 10

# THE SEVENTH CYCLE OF ASTRAL ATTACK

---

**“... and of the sum of the money that Haman had promised to pay to the king's treasuries for the Jews, to destroy them”  
(Est.4:7).**

---

### **UNDUE EXPENSES**

The seventh cycle of astral attack on money and financial ventures in the world of man, coming from the powers of darkness, is still a period of 52 days, as already mentioned, which begins at the end of the sixth cycle of astral attack. And at the end of this seventh cycle, the PMSS of the realms of astral spirits returns again to the first cycle of its astral attack and continues with subsequent cycles. It is an advanced vicious occult programmed system of attack, a highly 'computerized' esoteric network.

During this seventh cycle of astral attack, the powers of darkness come with unnecessary expenses in diverse ways, against those whose businesses and monies are target of attack. During this period also, the powers of darkness are hard in astral attack against new business ventures. Don't forget to pray daily against the spirits of unnecessary expense. And if you must enter into a new business venture, please make sure you have the approval of the Holy Spirit.

### *The Right Of Astral Captivity*

Now listen: In one of the previous cycles of astral attack, as expressed in this material, the powers of darkness want you to receive vicious money, for them to use same against your business. But in their seventh cycle of astral attack, the powers of darkness would want to manipulate you into giving out money to an agent of darkness in one way or the other.

When this is done, the money you give out will in turn be used to lock your money or business in the den of darkness. Money given out as payment for illicit sex, or for all forms of sensual gratification, is very important for the astral entities in this manipulation. Therefore, pray over the money you will give out to anyone during this period and at all time.

As already stated in this treatise, the powers of darkness do fight against business ventures through borrowed money. Without the approval of the Holy Spirit, do not borrow money. I have warned you! The temptation to borrow money may come your way if your business is under the attack of the forces of darkness. Listen to the Spirit of God and let Him lead you on the path of victory. Pray before you act in this connection.

#### **THE RIGHT OF ASTRAL CAPTIVITY**

Another important thing that the PMSS operators use against money and financial ventures, during this seventh cycle of 52 days, is what is called 'astral right'. In the field of occult or witchcraft attack, 'astral right' is used in so many ways against people, but for now, I am speaking only in connection to financial ventures. (For details on 'astral right', see my book entitled HIDDEN TERRORISTS). This simply means that anything found in your money and financial ventures, that is not planted by the Finger of the Lord of Light, could be called forth by the forces of darkness and used as a point of contact against you.

This aspect of astral attack is very subtle and dangerous. At this point any wrong thing you may have done, any so-called "little lie" you may have told in the course of your business, will rise up against you as 'astral right' of attack; the cosmic legal stand of the powers of darkness.

Remember, I am speaking to those whose means of livelihood are under astral attack of the PMSS. To overcome this, pray constantly asking the Lord to have mercy on you and forgive your wrong doings. Declare daily that your business and your whole life exist only on the basis of the Righteousness and Power of the Lord, and not on your own righteousness and power. Surely by this, you will banish the so-called

'astral right' of the forces of darkness by God's Spirit.

Furthermore, between 7.30p.m to 3.00am daily, during this period of the seventh cycle, some astral spirits are in motion to manipulate business discussions of those who are targets of astral attack. To overcome this, begin and end every business discussion in the name of Our Lord Jesus Christ; the environment of such discussion should be prayed upon as well.

### **THE WAY OUT**

Furthermore, when your money comes under the attack of the seventh cycle of the PMSS, different forces are released into action. All the spirits in the first, second, third, fourth, fifth and sixth cycles are gathered into the seventh cycle for the highest attack, and the spirits that are sent forth for this cycle of astral attack are what we call 'mad astral entities'. This is so because the operation of these forces are very intense and very vicious; they fight against your money in all angles.

Everything that have been used to fight against your money in the previous cycles are all intensified. All things used in all the cycles are brought forth and intensified in the seventh cycle. To this end, the seventh cycle is one of the greatest periods for the devourer against any financial venture, family, anything that will bring joy and happiness to you.

So, you have to be very careful and the only carefulness that you will exhibit that will salvage you is to ensure that you give to God what belongs to God, just as you give to Caesar what belongs to Caesar. Because, while you live in the physical world, you must give to Caesar what belongs to Caesar.

You must pay your electric bills, fuel your car, if you don't fuel your car, it will not move. So, when you fuel your car, you are giving to Caesar what belongs to Caesar. But when you support the work of God; when you go to church for instance and support the church to fuel their vehicles for evangelism, you are giving to God what belongs to God.

When you build a house for a messenger of God, buy him a car or aeroplane or build whatever in the name of the Lord, you are actually giving to God what belongs to God. I have earlier warned: don't eat alone so that when what follows money comes against you, the Lord your God will eat it off; He will swallow it and you will be free in the name of our

## *The Way Out*

Lord Jesus Christ.

May the Lord guide you! May the Lord guide you!! May the Lord guide you!!! Now, having said this, I pray for all those that have gotten this material and you are reading it now, I pray for you by the authority given to me:

I decree that the Lord will give you the ear to hear, by the authority given to me, I pray that your money will never come under subjugation; that the means of your livelihood will rise beyond the reach and attack of the Psychic Monitoring Satellite System, in the name of our Lord and Saviour Jesus Christ. Amen. Also, I give you the following advice by the Spirit of the Great Lord Jesus the Christ:

- 1. Ensure that, if you are a businessman or woman or you earn salary, you have some amount of money set aside, if possible everyday if you are a business man, no matter how small it is, set it aside for charity.***
  
- 2. Make sure that as you do your business on Earth, you say to your God that this portion of money is for the poor. Help the poor. The Lord said when you are helping the poor, you are lending to Him. Do it with love, don't boast about it. Don't neutralize it by boasting; don't go around telling people that you helped the poor, or that you take pleasure in helping the poor. Don't say: 'Look at this poor man; I am the one that built that house for him'. It is not right; let it be between you and your God.***
  
- 3. When the Lord comes forth to help you, the help of the Lord is far beyond the reach and attack of darkness; may the Lord give you the ear to hear in the name of our Lord Jesus Christ. Amen.***

- 4. *With your money, endeavour at all times to be a part of the work in the vineyard of the Lord on Earth.***

**Those who have ears to hear, let them hear.**

The text is centered and reads: "DECREE NO. 10 (Between 6.00 am -- 6.03 am) Oh my God, Sustainer of all that is; I give thanks to Thee for managing all my affairs and all the affairs of the faithful ones on Earth. Whatever I have comes from Thee. Therefore, all the things I have are beyond the reach of the powers of darkness. Blood of JESUS, Blood of JESUS, Blood of JESUS! I (mention your name 3 times) decree expansion in the means of my livelihood, in the Name of the Great Lord Jesus the Christ. As I will, so be it. Amen".

**DECREE NO. 10**

## CHAPTER 11

# BEYOND THE CYCLES OF ASTRAL ATTACK

---

**“Wherefore do ye spend money for that  
which is not bread? and your labour for that  
which satisfieth not? hearken diligently unto Me,  
and eat ye that which is good, and let  
your soul delight itself in fatness”  
(Isa. 55:2).**

---

### **DIVINE MESSAGE**

I was praying One early morning, and like the rush of a mighty wind, the Great Spirit of the Lord spoke to me. It was as if I was no longer on the physical realms of Earth, but in reality I was in my prayer room. He said to me:

***“Harbinger of the Last Covenant, speak to the faithful and say: In this generation of men, I have not called you to suffer want or affliction of any kind. The problems in which most of you find yourselves are self-induced. It is you who through your material entanglements, put yourselves where you find yourselves.***

***“Say to the faithful: Sometimes most of you look***

***for money without getting it at the time that you so desired it. Often this happens not because of your sinful entanglements; rather it happens because I have seen that when the money comes as you wanted, other things will follow it to make you shed tears. Therefore, in some cases I send forth material wealth to you, not when you think you want it, but when I know you need it”.***

Now, dear reader, it is true that in the present life of the earthman, money plays an important role for his physical survival. To this end, it is considered a fact that every human needs money for one thing or the other in the world of man. Consequently it is good to have money, but it is not good to love money.

***“For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows” (1Tim.6:10).***

#### **THE GIVER OF TRUE WEALTH**

The Lord our God is the richest in all the realms of life. He is the Giver of true wealth. He gives material things, wealth, or money, which do not bring sorrow. There are diverse occult channels of darkness through which one can get money. But all such channels are great elements of enslavement and bondage.

Now, some vital aspects of this publication are designed to show in practical terms how the immutable principles of the Holy Spirit can guide you to prosper in life, beyond the elements of enslavement and bondage. Anything given to you directly by the Spirit of the Lord, which is credited into your spiritual account, is beyond the attack of the seven cycles of PMSS. This I know.

#### **REALITY OF SPIRITUAL ACCOUNT**

Let me bring to your knowledge what the Great Lord Jesus the Christ revealed to me regarding spiritual account. I am speaking in connection with the spiritual account of all the children of men. The Lord's revelation in this regard, however, is not new. Rather, it is based on what He also revealed to Saint John in 96 A.D., as found in the Bible Book of Revelation chapter 3 verses 17 and 18. There we read:

***“Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked; I counsel thee to buy of Me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear, and anoint thy eyes with eye salve, that thou mayest see”.***

As revealed to me by the Lord, every human being has a spiritual account. Now, you have a spiritual account whether you know it or not. It is only what you have in your account in the realms beyond that would manifest for you, as your portion in the world of man.

When your spiritual account is lean before the Lord God, diverse aspects of your life will begin to deteriorate in the physical system of existence. And when your spiritual account is empty, even if you have millions and billions of money in your physical account, you will find that different problems of life, which money cannot solve, will come into manifestations.

Sometimes there comes a great problem on the path of man, which completely renders his millions and billions of money invalid. Such predicament, in the light of which money becomes meaningless, is evidence of the fact that one's spiritual account before his Creator is empty.

When we talk about blessing, we mean spiritual upliftment, material possession, financial success, or any kind of blessing that comes your way from the Throne of the Almighty God. Often, any blessing from God that comes your way is based on what you already had in your spiritual account before the Lord. Outside what exists in your spiritual account, you have nothing in the world of man. This will be made clearer in a different chapter, before the end of this material.

Now, there is a divine process through which wealth from above, the basis of prosperity in life, is fixed in your spiritual account. For instance, anything you do on Earth, within the framework of the true love of God, is credited into your spiritual account. Anything you give to your fellow man, within the system of God's unconditional love, is credited by the

## *Reality Of Spiritual Account*

Spirit of God into your spiritual account.

There are specific Extraterrestrial Intelligences of Light (Angels of God) assigned to do this work, as revealed to me by the Lord. The realm of the spiritual account of any individual, family, community, or nation, is controlled by these Angels of God.

Therefore, anything designed to the glory of the Lord in your thought, word, or deed, is for the increase of your account before the Lord your God. Any material thing you give out, be it money, food, car, house, among others, not to show-off your mundane opulence, but in fulfilment of God's divine injunction, will surely add to your spiritual account. Whatever that is done for the sake of the Lord, in the essence of loving your fellow man as yourself, is surely a channel of blessing.

When we do anything for the sake of the Lord, for such to be credited into our spiritual accounts, we must abide by the rule set out by the Lord in this regard. To this end, as taught by the Lord, we must first make sure that we have no grudge or anger against our fellow man. If otherwise, there would be no divine credit for us, as far as the Holy Spirit is concerned. This is very important and one must not pass over it lightly. To this end, the Great Lord Jesus the Christ admonished:

***“Therefore, if thou bring thy gift to the altar, and there rememberest that thy brother had ought against thee; leave there thy gift before the altar, and go thy way, first be reconciled to thy brother and then come and offer thy gift” (Math. 5:23,24).***

This is what we are expected to do by the Lord, if what we give as offering to the work of God, or the help we render to others, is to serve as a channel of blessing to us. The Spirit of the Lord works within the framework of what Christ taught in this connection.

It follows therefore that the teachings of the Great Lord Jesus the Christ in this regard, is a perfect divine guide. It is made to guide us, so that one would not waste his time thinking that he is acting to the glory of God, whereas he is working in vain.

Consequently, whosoever works outside what Our Lord Jesus Christ has taught in this connection, nothing arising from what he may have given

out will be credited into his spiritual account. To follow the path of true wealth, we must strictly abide by what the Lord had taught. Remember, what your total life is now, or will be on Earth, as well as what will become of you after your life in the world of man, are based on what is in your spiritual account.

### **WHAT WE MUST DO**

It has been said often that it is more blessed to give than to receive. This is a statement of fact. You may see two people giving out money to the poor; while one's gift is credited to his spiritual account, the other's gift is not credited. This is based on certain principles at the point or the moment of giving. You may be a philanthropist to the extent that when you give what you have, people clap for you, they glorify you, or give you title.

If you continue on this path, nothing will be credited to your spiritual account from what you may have donated. This is so because all that you did was solely to receive human praises and honour. If your spiritual account is opened and what is found there is falsehood and other vices, even if you have money in earthly terms and make big donations in churches and other places, surely when problem comes, it will overtake you. This is so because your spiritual account is empty.

Any time you have major problem in this life and pray to God for divine help, the first thing the Angels of Heaven do is to examine your spiritual account. They consider whether your spiritual account is enough to bring about in your earth-life the solution that you seek. That is why the Scripture admonished that we should be constant in the work of the Lord.

***“Therefore, my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, for as much as you know that your labour is not in vain in the Lord” (1 Cor. 15:58).***

Your labour is not in vain in the Lord. Why? because all that you labour in the Lord, in the Lord's Spirit of love, are credited into your spiritual account. You must labour solely in the Lord, not for your sensual gratification, for it not to be in vain. Your faithfulness in tithe to the Lord's vineyard on Earth, is very important in this connection. And in one of His divine visitations, the Lord Himself said to me:

*What We Must Do*

***“Harbinger of the Last Covenant, say to the children of men: he who is faithful in tithe before Me, for the work of My Divine Spirit on Earth, I sent forth My Mighty Angels to guard his farm. Again I say, his children, even the stream of his entire life, and all his financial ventures, will surely witness the movement of smooth things.***

***“Behold, I send forth the Watchers that watch; to watch over and protect the faithful before Me.  
And when they open your record, let it not be found that you are indebted to Me in tithe.***

***“Oh Harbinger of the Last Covenant, say to the children of men: set aside your sickness and sorrow, forget your poverty and the battle of your enemies against you, even your childlessness and all the problems of your life; but pay your tithe and all the dues I approve, and surely My glory will be made manifest in you”.***

## **CHAPTER 12**

# **TAKE TO YOUR INNERMOST BEING**

**(Path To Prosperity – Part 1)**

---

**“Keep therefore the words of this covenant,  
and do them, that ye may prosper in all that ye do”  
(Deut. 29:9).**

---

### **PROLOGUE TO THIS CHAPTER**

Dear reader, I pray that the Spirit of the Lord will touch your innermost consciousness through the exposition that is contained in this chapter. I pray that the Lord will give us the ears to hear. And I pray that someone somewhere will be salvaged from ignorance; will be salvaged from himself, from herself; from the path that does not lead to excellence in Light. Amen.

This chapter deals with divine blessings, the blessings of God, which has to do with prosperity in the world of man, as far as the journey of life is concerned. This includes but not limited to the favour and blessings of the earth-life flowing from the Almighty. In my book entitled HIDDEN TRUTH OF MAN AND WOMAN, I spoke of blessings and favour that could come to an earthman, through a woman who has blessings and favour following her, especially when he gives her inner peace of heart.

In addition to that, and this is very important, the blessings of God flow through specific divine channels. We must understand this. These divine channels of blessings, which even activate the favour and blessings upon a daughter of man, are brought forth in this chapter. I want to say this, from the onset of this chapter, that, **'God can use you without blessing you, but God cannot bless you without using you'**.

This material is designed to ensure that you are situated on the path of those used and blessed by the Spirit of the Lord. God uses all things in the entire Universal Systems, but not all things have His divine blessings. This chapter is based on two fundamental Universal Laws, namely, the 'Universal Law of Minus And Plus', as well as the 'Interrelated Universal Law of Spiritual Age'. There are multitudinous Universal Laws in all the Universes of God, operating from the physical, metaphysical and spiritual systems of reality.

### **THE UNIVERSAL LAWS**

When you hear of the Universal Laws – the immutable Laws of the Universe – which are inexorable, these have to do with diverse aspects of the Spirit of the Lord God Almighty in eternal motion. Universal Laws are the processes of the operation of multidimensional facets of the One Eternal Spirit of the Lord. Nothing in all the Universes of God can escape the workings of the Universal Laws. Whatever exists in the Universe, exists on the Universal Body of the One Eternal Almighty God, which otherwise can't exist.

Even the Prince of Darkness can't exist for a moment, if not sustained in existence by the 'Life-currents' proceeding from the Fountain Head of the Almighty. So, without God, nothing exists. The Universal Laws, therefore, represent 'The Will of God' in constant motion, in all the realms of existence. The Universal Laws are the prime basis of 'happenings', basis of experiences, basis for events, basis of realities, both here on Earth and in all the realms of existence.

Therefore, note that this treatise, related to the 'path to prosperity', seeks to interpret the Universal Law of Minus and Plus, as earlier stated, as well as the Interrelated Universal Law of Spiritual Age. The Universal Law of Minus and Plus was spoken of by the Great Lord Jesus the Christ Himself in the Holy Scriptures. Speaking to the children of men in this connection, the Lord said:

***“For whosoever hath, to him shall be given, and he shall have more abundance: but whosoever hath not, from him shall be taken away even that he hath”  
(Math.13:12).***

### **THE UNIVERSAL LAW OF MINUS AND PLUS**

When you hear this, don't apply mere human understanding; for it is

based on the Universal Law of Minus and Plus, which intricacies far exceeded mundane recognition. However, in the human terms of understanding, the material platform of things, these sayings of Christ sound like 'injustice'. But the Great Lord Jesus the Christ didn't speak on the material platform, rather He spoke solely on the divine platform.

The Lord made it clear that in the journey of life, whosoever has shall receive more and he will have in abundance, but anyone who doesn't have, whatever he has shall be taken away from him. Dear reader, how does this sound to you? Honestly, when we look at this strictly from the human point of view, we may argue that it is injustice, but there is nothing like injustice in all the Universes of God, when we fully understand the basis of all experiences.

The aforementioned sayings of Christ stands as the highest, the consummate and the ultimate interpretation of the Universal Law of Minus and Plus. In the journey of life, more is certainly given to the person that has. And even if you look at the expression, as related to the person that has nothing, it is said that what he has shall be taken away from him.

When this is not understood from the divine perspective, then it appears contradictory from the human perspective. This is because it is said that the person has 'nothing', what he has shall be taken away. Now, if a person has nothing, what then is 'what he has?' One who has nothing actually doesn't have anything that will be taken away. Therein lies the contradiction in the human perspective. This is from the human point of view, but the human point of view is limited. It does not flow into eternal truth, as far as the divine spheres of the Lord is concerned.

So, what does it mean, especially to the person who has 'nothing', from whom shall be taken away what he has? First of all we must understand that the person that 'has not', doesn't have anything; he has 'nothing'. If one has 'nothing', but what he has shall be taken away; this brings us first of all to the eternal truth that, 'there is nothing like 'nothing', because 'every nothing is 'something'. This is the truth, because there is nothing in existence which can be said to be nothing absolutely. Anything you consider as nothing, is still something ultimately.

In the ancient principles of 'monad', as related to the ontology of metaphysics, it was first postulated that the Almighty God came into being out of nothing. Later this concept was challenged on the grounds that if God came out of nothing, then that 'nothing' is 'something'

### *It Is More Blessed To Give*

because every nothing is something, as there can't be 'nothing'. However, this is not the subject of this material; the idea is to emphasise that 'every nothing is something'.

To this end, the Great Lord Jesus the Christ Himself categorically stated that the person who has nothing, what he has shall be taken away. It means that such a person has something that will be taken away. That 'something', which shall be taken away, is what the Lord referred to as 'nothing'. In this terms, what he has is considered to be nothing. That thing he has, whatever it is, is considered as 'nothing' that shall be taken away.

Now, to the person that has something, the Lord said that more will be given to him, and he will have in abundance. This is the Universal Law of Minus and Plus in action. Dear reader, I want you to be such a person; I also want to be such a person – the one that has – to whom more shall be given. But what is it that you must have, before more is given to you? No specific thing was mentioned in this connection as what it is that you must have, before more is given to you. Rather, the Lord said 'to the person that has'. Has what? What is it?

Now, the inexorable Universal Law of Minus and Plus operates strictly within the ambit of the eternal truth, which holds that what the earthman truly has, is whatever he gives out on the platform of true love, devoid of any iota of selfishness. Here, selfless service in thoughts, words and deeds holds forth.

When you give out anything to anyone, from the heart of love – selfless love – not selfish love, not expecting anything in return; that thing that you gave out, is truly what you have. Whatever that you receive from another person, whatever that is given to you by another person, is what you don't have. The real thing that you have in the world of man is that thing you gave out in love. Remember, however, that what Christ said is for all the children of men, regardless of religious differences. The Universal Law of Minus and Plus applies to all generations of the children of men.

#### **IT IS MORE BLESSED TO GIVE**

The Scripture says: **“I have shewed you all things, how that so labouring ye ought to support the weak, and to remember the words of the Lord Jesus, how He said, It is more blessed to give than to receive”** (Acts 20:35). Here, Saint Paul, while admonishing some earthmen, quoted the words of the Great Lord Jesus the Christ thus: **“It is more blessed to give**

**than to receive”.**

The Eternal Lord of the Universe, the Great Lord Jesus the Christ, said that **“it is more blessed to give than to receive”**. That is a message for the entire human race. Why is it more blessed to give than to receive? If we transpose this to the mundane human terms, a human being will say that it is more blessed to receive than to give, because the earthmen have been working along this wrong framework of thought.

When someone gives you a house, gives you aeroplane, gives you money, amongst other things, you think that you are blessed. That is ignorance – lack of true divine knowledge. In strict divine terms, the Lord Himself said that **“it is more blessed to give than to receive”**, because what you give is truly what you have. When we talk about what you have, where do you have it? You have it in your 'spiritual account'. Whatever that you give out in selfless love is credited into your spiritual account as what you have.

The 'Psychic Monitoring Satellite System' (PMSS) has no dominion over whatever that is credited into your spiritual account. Always remember this. Now, when we talk about this, I mean what you give out in selfless love, there are three things involved, which a sincere human must endeavour at all times to give out in selfless love, not with the mindset to be praised or be appreciated.

Never you say that when you do good to people, they don't appreciate you. There is nothing like that, as far as the Universal Law of Minus and Plus is concerned. Any good that you do to any human, is the good that you have done to yourself.

Good follows good and wickedness follows wickedness in the journey of life. If you say: 'When I do good to people, they don't appreciate me', it means that your intention of doing the good is to be appreciated by men. Nothing arising from this mental pattern will be credited to your spiritual account.

Every son or daughter of man has a spiritual account. As you probably have your bank account on the physical realms, you also have a spiritual account in the realms beyond the physical system generally known. Before we discuss the subject matter of spiritual account, let us first of all understand the three things we must do to ensure that we have, for more to be given to us, and for us to have in abundance.

## *Give Out Your Time*

Now, let it be emphasized that every man and woman is capable of giving, and every man and woman is made to give. In this, you may fail to give or be faithful in giving, solely by your volition. Now, dear reader, the three things you must give out in selfless love include:

1. **Your time;**
2. **Your spiritual energy; and**
3. **Your material things.**

Whosoever that is found to be faithful in giving these things – time, energy and material things – in the service of Divine Love, which is the Spirit of the Lord in action, more will be given to him and he will have in abundance. This is the eternal path to prosperity. **“For whosoever hath, to him shall be given, and he shall have more abundance”**, says the Lord. More ability will be given to you; more resources will be made available to you by the Spirit of the Lord from your spiritual account; great reward will come, even those things that you have given, you will have them more in abundance.

### **GIVE OUT YOUR TIME**

How do you give out your time in selfless service of love to others? You do this by not monetizing every time that you give to a fellow human being. Someone may be in need, encapsulated in psychological quagmire, but can be salvaged via counselling from you. Spend some time with such a person by giving him a listening ear, but spend the time in selfless service of love. Don't expect any reward from him or her. The time so spent in this connection, is what you have – it will be credited to your spiritual account.

When you look at humans, you may observe some problems. Some of these are physically oriented; some are within the psychological system; some are spiritual. You should learn to be spiritually sensitive in this regard, to see how you can help your fellow human out.

A lady came to my house one day in tears. She said that she has reached her wit's end in life and was about to commit suicide. According to her, she had been under starvation for two days. Sometimes you may wonder how things like this could happen, but some people actually pass through extreme hardship in this world. She is an orphan and has no man in her life.

It is said that 'a hungry man is an angry man'. The first thing I did was to arrange for her to eat. I also gave her reasonable amount of money. Then

she was enabled to listen to the words of the Lord. She was physically, psychologically and spiritually salvaged. The time given to anyone in such instance, is within the rudiments of the foregoing exposition.

Any time you spend for another human being in selfless service of love, is a blessing to you in the journey of life. If someone comes to share his problems with you, spend time to hear him out. Give him advice with the aim to strengthen him on the good path of life. The time you spend is not in vain, for as long as you seek no human reward. Don't present to him your own load of problems to compound his own; that is not the path of the wise.

There are a lot of Extraterrestrial Intelligences, great Angelic Beings of Light above, involved in calculating these things. They are very precise. Even your slightest mental act is well understood and recorded. So, endeavour always to give out your time in selfless service of love to others, that is what you have – and more shall be given to you.

#### **GIVE OUT YOUR SPIRITUAL ENERGY**

Also, give out your energy in selfless service of love to others. How do you give out your energy in this regard? You give out your spiritual energy through selfless prayers for the good of others, including your enemies. Every day of your life, ensure that you go on your knees and pray for the good of others. Do this, for that is what you have, and you will have more in abundance. Even your enemies, pray for them. This is what the Great Lord Jesus the Christ taught.

We must endeavour at all times to follow the teachings of Christ. He said: **“But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you”** (Math. 5:44). Whoever does this, will have the rewards for this credited into his spiritual account. And that is what you have – and you will have in abundance.

He said that we should pray for our enemies; do we sincerely adhere to this? Pray for God to show mercy on your enemies. Pray for the thieves and robbers; the terrorists, kidnappers and hired assassins; tell the Lord to transform them for good, and provide genuine means of livelihood to those of them who do these things because they have no other means of livelihood.

Pray for those that sit on the fence, who have refused to change and come into the path of Light, and who hinder others from coming into the

### *Give Out Your Material Things*

path of Light in Christ. Tell God to transform them. What about the sorcerers, the juju priests, and the false prophets, who lead people astray? Pray for God to show mercy and transform them.

Pray for God to heal the sick people all over the world of man; whether they are in the East, West North or South; whether they are male, female, young or old, black or white. Pray for the journey mercy of all those travelling through the land, air or sea. Pray for the safe delivery of pregnant women all over the world.

Pray for the impotent men and barren women, who are unable to bear children; tell God to revitalise their body systems and make them fathers and mothers of children. Pray for the women who do have stillbirth and tell the Lord to give them living children. Pray for those in prison and detention camps, for what they did or didn't do, that God should show them mercy.

Pray for the Presidents and Prime Ministers of different nations; Kings, Queens, Governors and leaders of different regions and jurisdictions. Pray for all those whose means of livelihood have gone down, for the help of the Almighty to reach them. Pray for the Light of Heaven to descend upon all the children of men in the world of man.

Pray for all the workers in the vineyard of the Lord; the Pastors, Apostles, Bishops and Archbishops, Choristers, Elders, amongst others. Tell the Lord to empower them to be fruitful in His services. Pray, thanking the Lord for leading you to the fountains of Living Water, for fighting all your open and secret battles. As you give out your spiritual energy along this divine path, that is what you have; and more will be given to you, and you will have in abundance credited to your spiritual account.

### **GIVE OUT YOUR MATERIAL THINGS**

Apart from your time and spiritual energy, also give out your material things. Give out your money, your food, your clothes, your cars, your houses, amongst other things. Give them out in selfless service of love to others. Remember what the Great Lord Jesus the Christ told the children of men, regarding the Christ of the Second Advent – King of Kings and Lord of Lords. He said:

***“Then shall the King say unto them on His right hand, Come, ye blessed of My Father, inherit the Kingdom prepared for you from the foundation of the world: For I was hungred, and***

***ye gave Me meat: I was thirsty, and ye gave Me drink: I was a stranger, and ye took Me in: Naked, and ye clothed Me: I was sick, and ye visited Me: I was in prison, and ye came unto Me.  
Then shall the righteous answer Him, saying, Lord, when saw we Thee an hungred, and fed Thee?  
Or thirsty, and gave Thee drink? When saw we Thee a stranger, and took Thee in? or naked and clothed Thee?  
Or saw we Thee sick, or in prison, and came unto Thee?  
And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these My brethren, ye have done it unto Me" (Math. 25: 34-40).***

Take note of this. As I have earlier said, always endeavour to give out your material things to others in the service of selfless love. This is part of what it entails to believe in Christ. Believing in Christ is not just a matter of attending church only. Church is a fellowship centre, the practical aspects of the Christ Consciousness is an individual affairs.

Whatever you give out in selfless love to others – your time, spiritual energy and material things – will be returned back to you in a magnified folds and credited into your spiritual account. This is how the Universal Law of Minus and Plus works. To this end, he that has, more shall be given to him.

### **SPIRITUAL ACCOUNT SYSTEM**

Now, I have said that your spiritual account is where these things are credited into. You have your spiritual account; I have my spiritual account. Whatever that is in your spiritual account, is that which is looked into, by great Angelic Beings in-charge of such, to determine the kind of divine intervention that will be given to you from God. This is not a matter of prayer, calling on God to come and do this or that. It doesn't work that way. There are divine rules and regulations that must be followed. If you are praying for the Almighty to come and salvage you from any situation, the holy Angels will look into your spiritual account, to determine whether you are qualified for the kind of divine intervention that you seek.

## *Spiritual Account System*

If it is found that your spiritual account at that point is not enough to grant you your expected divine intervention, I tell you: The divine intervention from the Throne of God won't come to you, as you may have desired. That is why some people pray for a change and the change doesn't come. Spiritual account must be looked into, whether or not you know it.

Let me tell you, earthman, daughter of man; not my words, but what the 'Harbinger of the Last Covenant' received from the Lord Himself: if your spiritual account is empty, and you are pray for the One Eternal Almighty God to come and help you in any bad situation, that bad situation won't go away till you do the needful.

However, if in the course of your seeking for divine solution over a bad situation, you come in contact with a high representative of the Spirit of the Lord on Earth, who will move the Finger of the Lord on your behalf, then you may have a reprieve from the Lord. And even then, you must do something that will be urgently credited into your spiritual account, but in this case, it will rise in a magnified format.

Some people fast and pray for days and months, but the bad situation around them still persist, why? because they are extremely stingy. They find it difficult to give out their time, spiritual energy and material things in selfless service of love to others.

You may also have several things in material terms, brought about certain factors, related to 'primordial origin', (which is not the subject of this material), but if you continue to waste them in mundane aggrandizement, and at the same time you are bereft of giving your time, spiritual energy and material things in selfless service of love to others, your spiritual account will be empty. In such instance, when problem comes to you, which money can't solve, you will equally have no divine intervention.

The holy Angels are in precise calculations of these things. They fully know what belongs to God and what belongs to Caesar in your hands. If they discover that, in the course of your earth-life, you have given out what belongs to God for the purpose of lust, anger, greed, vanity and mundane attachment, then they know that you have a big minus (empty spiritual account) in the journey of life, regardless of the material possessions you have at that time. The Lord spoke to this kind of person thus:

***“Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked: I counsel thee to buy of Me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve, that thou mayest see” (Rev. 3:17,18).***

The kind of person pictured here, didn't know his true situation, as far as his spiritual account is concerned. He thought that he was rich in human terms, because of his material possessions, but beyond the veil of material opulence, he was said to be wretched amongst other vicissitudes and predicaments. This is the true situation of someone whose spiritual account is empty.

For whatever reason that makes one's spiritual account to be empty, he stands bereft of divine intervention. If you are wealthy in human terms, but you go and sexually dabble yourself with a daughter of man carrying the dry leaves of the desert, the 'spirit' of that dry leaf can project poverty into your spiritual account, via the PMSS operators. To that kind of a person, anything can happen, especially things that money can't solve.

We have to be very careful in this life, knowing that one's spiritual account is constantly considered in the realms beyond the world of man. If you know that you truly love yourself, then learn how to be fixed on this path to prosperity herein exposed. Always remember that the real and first beneficiary of all the good things you do in selfless service of love to others, is yourself.

The earthman is expected in the divine spheres to be faithful in giving out his time, spiritual energy and material things in selfless service of love to others, in the Name of the Great Lord of the Universe, to attract God's favour and blessings into his spiritual account. And regarding giving out your material things in this connection, faithfulness must be exhibited in the main aspects.

In other words, we must be faithful in giving our time, spiritual energy and material things in selfless service of love to others, unto the glory of the Lord. And when giving out your material things comes into play, you

### *Tithe, Freewill Offering And Charity*

must be faithful in giving to God what belongs to God. The Lord specifically told me one day that anyone who wants to walk on the true path of prosperity, must be faithful in three things, as far as giving to God what belongs to God is concerned. These are:

1. **FAITHFULNESS IN TITHE;**
2. **FAITHFULNESS IN OFFERING; and**
3. **FAITHFULNESS IN CHARITY.**

These three things come under the last aspect, which involves giving out your material things in selfless service of love to others. But specifically, the aforementioned faithfulness involved giving to God what belongs to God. All of these go with high magnification into your spiritual account. And foremost amongst these, is your tithe.

### **TITHE, FREEWILL OFFERING AND CHARITY**

It is said that 'when you clear the forest you see wealth'. Your faithfulness in tithe, freewill offering and charity will clear the forest of lack and want from your path; and you will be enabled to prosper from the wealth of the Almighty God. God Himself has promised to bless you, for as long as you are faithful in these things. Hear the words of the Lord in this regard:

***“Will a man rob God? Yet ye have robbed Me.  
But ye say, Wherein have we robbed Thee?  
In tithes and offerings. Ye are cursed with a  
curse:  
for ye have robbed Me, even this whole nation.  
Bring ye all the tithes in the storehouse, that  
there may be meat in My house, and prove Me  
now herewith, saith the LORD of Hosts, if I will  
not open you the windows of Heaven, and  
pour you out a blessing, that there shall not be  
room enough to receive it.  
And I will rebuke the devourer for your sakes,  
and he shall not destroy the fruits of your  
ground; neither shall your vine cast her fruit  
before the time in the field, saith the LORD of  
Hosts.  
And all nations shall call you blessed:  
for ye shall be a delightsome land, saith the  
LORD of Hosts” (Mal. 3:8-12).***

These things have been explained to me in the Spirit by the Lord, and I have come to understand some deep mysteries in this connection. The

Spirit of the Lord that demands tithe from us, is now activated all over the world. I am speaking in connection with this generation of men. Some of the things revealed to me by the Lord, in this era of the Last Covenant, won't be believed by some humans.

As I speak now, the Spirit of the Lord is in motion, demanding the payment of tithe from all the sons and daughters of men in the entire world of man. And whether the earthman likes it or not, he must pay tithe directly or indirectly. For as long as you are alive, in a family, community or nation, tithe is demanded from you now by the Lord of the Universe.

And you are paying it, whether or not you know it. This is not demanded now solely as it was, in which you may choose to or not to pay. Specific holy Angels are in the 'duty-posts' of accurate and precise calculations of this, upon every Soul personality now on Earth. These things were revealed to me in the Spirit by the Lord.

You see some wealthy nations, like the United States of America, United Kingdom, for instance, when some natural disasters occur in other poor nations, they come to give a helping hand. Such support of mercy is recorded as charity for their good in their spiritual accounts. As there are spiritual account for a person, there are also spiritual accounts for families and nations.

Look at Africa: do we help ourselves? We must endeavour to understand these things. But I thank the Lord that there are some people in Africa who understand and are practically involved in helping others in the times of need; people who are sincerely committed to charity.

Tithe is demanded now. The Lord told me: **“Harbinger of the Last Covenant, I now demand tithe from every man and woman born on Earth”**. You should endeavour to pay your tithe directly, otherwise, you may pay it through sickness, through calamity, through all sorts of unpleasant situations. But as of paying it, you must pay it.

Whoever fails to pay his tithe directly to God as demanded, will pay it to the devourer. The activities of the devourer in the life of a person, in families, in nations and the entire world of man, are indirect channels of deducting tithes from the children of men. The devourer does not operate against one segment of people, such as the Christians; rather the network of the devourer operates all over the world.

As a human being, when you hear that someone is suffering, try in love to give a helping hand. As a nation, when you hear of acute suffering of

people in other nations, endeavour to give even a little helping hand. This is important. Forget about so-called sovereignty of nations and dichotomies thereof. These are artificial divisions; in reality we are all Souls dwelling on the physical realms of Earth.

A church may preach about tithe as a scriptural reality, while another church may preach that it is not scriptural anymore. But what the Lord told the 'Harbinger of the Last Covenant' is that is tithe demanded now from all Souls in the world of man. Remember Cain and Abel; the offering that they presented to the Lord, completely outside the rudiments of any organised religion, as spoken to me by the Lord, was their tithes.

### **THE INTERRELATED UNIVERSAL LAW OF SPIRITUAL AGE**

What about father Abraham? Didn't he pay tithe to the ancient Melchisedek? This was long before the coming of the great Prophet Moses, who inculcated the payment of tithe into the sacred writings of the Jews. The Scripture says:

***“And the king of Sodom went out to meet him after his return from the slaughter of Chedorlaomer, and of the kings that were with him, at the valley of Shaveh, which is the king's dale. And Melchisedek king of Salem brought forth bread and wine: and he was the priest of the Most High God. And he blessed him, and said, Blessed be Abram of the Most High God, possessor of Heaven and Earth: And blessed be the Most High God, which hath delivered thine enemies into thy hand. And he gave him tithes of all” (Gen. 14:17-20).***

Once again, remember Cain and Abel. What Cain presented to the Lord wasn't accepted, and that was the genesis of his problem. Abraham paid tithe. And by faith, we are decendants of father Abraham; we must be faithful in the payment of tithe. Be faithful to the Lord in this, and see the results for it in your life. The Scripture says:

***“For this Melchisedek, king of Salem, priest of the Most High God, who met Abraham returning from the slaughter of the kings, and blessed him; To whom also Abraham gave a tenth part of all; first being by interpretation King of righteousness, and after that also King***

***of Salem, which is, King of peace; Without father, without mother, without descent, having neither beginning of days, nor end of life; but made like unto the Son of God; abideth a priest continually. Now consider how great this man was, unto whom even the patriarch Abraham gave the tenth of the spoils” (Heb. 7:1-4).***

It must be understood that the greater receives tithe on behalf of the Lord from the lesser, for true divine blessings, in accordance with the Interrelated Universal Law of Spiritual Age. The Scripture spoke of the divine greatness of Melchisedek, showing why he received tithe from father Abraham and blessed him. This is because in the 'hierarchy' of spiritual age, Melchisedek is greater than Abraham.

The divine standard required for the payment of tithe, is profuse now than ever. It is not true that tithe payment started with the laws of Moses and ended with the Prophets of old. Cain and Abel were involved in it. Father Abraham paid tithe long before the laws of Moses were enacted. The Prophets stood upon this platform of tithe, by the words of the Lord. And the Great Lord Jesus the Christ categorically made it clear that His coming was not to destroy the sacred precepts of the laws and the Prophets given by God. In His words:

***“Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil. For verily I say unto you, Till Heaven and Earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled” (Math. 5:17,18).***

The Great Lord Jesus the Christ never abolished the payment of tithe. How could He have done that, when it is known in the higher divine spheres that it stands for greater aspects of the blessings of believers. Tithe is very fundamental in giving to God what belongs to God, as spoken by the Lord. And, in this connection, when Abraham paid tithe to Melchisedek and was, blessed, it was made clear that **“without all contradiction the less is blessed of the better”** (Heb. 7:7).

Here, Abraham is referred to as the 'less', while Melchisedek is referred to as the 'better'. The Holy Bible, New International Version, expressed this thus: **“And without doubt the lesser person is blessed by the**

**greater”** (Heb. 7:7; NIV). It is important that we understand the purport of this, because it has to do with spiritual age.

Don't take your tithe and pay into the hands of someone, simply because he is called 'pastor' or whatever religious title. In the spiritual hierarchy of being, the lesser person is blessed by the greater one. And the greater one is not divinely recognised by mere religious title. Here, the Interrelated Universal Law of Spiritual Age comes into play. You may take your tithe to a pastor who is your younger one in the hierarchy of spiritual age. Your blessings will eventually come because of your faithfulness in this, but it will take longer, in accordance with the 'Universal Law of Coordinate-Points And Divine Protocol'.

Let it be known that all humans, all Souls in the embodiment of the gross material body, are not of the same age in the spiritual hierarchy. There are higher and lesser Souls. Physical age is irrelevant to the foregoing eternal truth. Religious titles are equally irrelevant in this regard.

For instance, if you are seventy years old and you are a church 'Reverend', and another man is fifty years old, all by physical age, if that younger one is actually the greater one to the Reverend in spiritual age, any tithe he pays to the Lord through the hands of the Reverend, the blessings inherent thereof will be slower in the order of divine protocols. Yes, the blessings will come, but on a snail's speed. This is a mystery not generally known.

It is only when you give your tithe to the Lord, via a dimension higher than you in the eternal order of spiritual things, that it can come to you with accelerated magnified blessings, as far as divine protocol is concerned. Dear reader, strive henceforth to pay your tithe to the altar of a divine call that is greater than you, so that your blessings will quickly come forth.

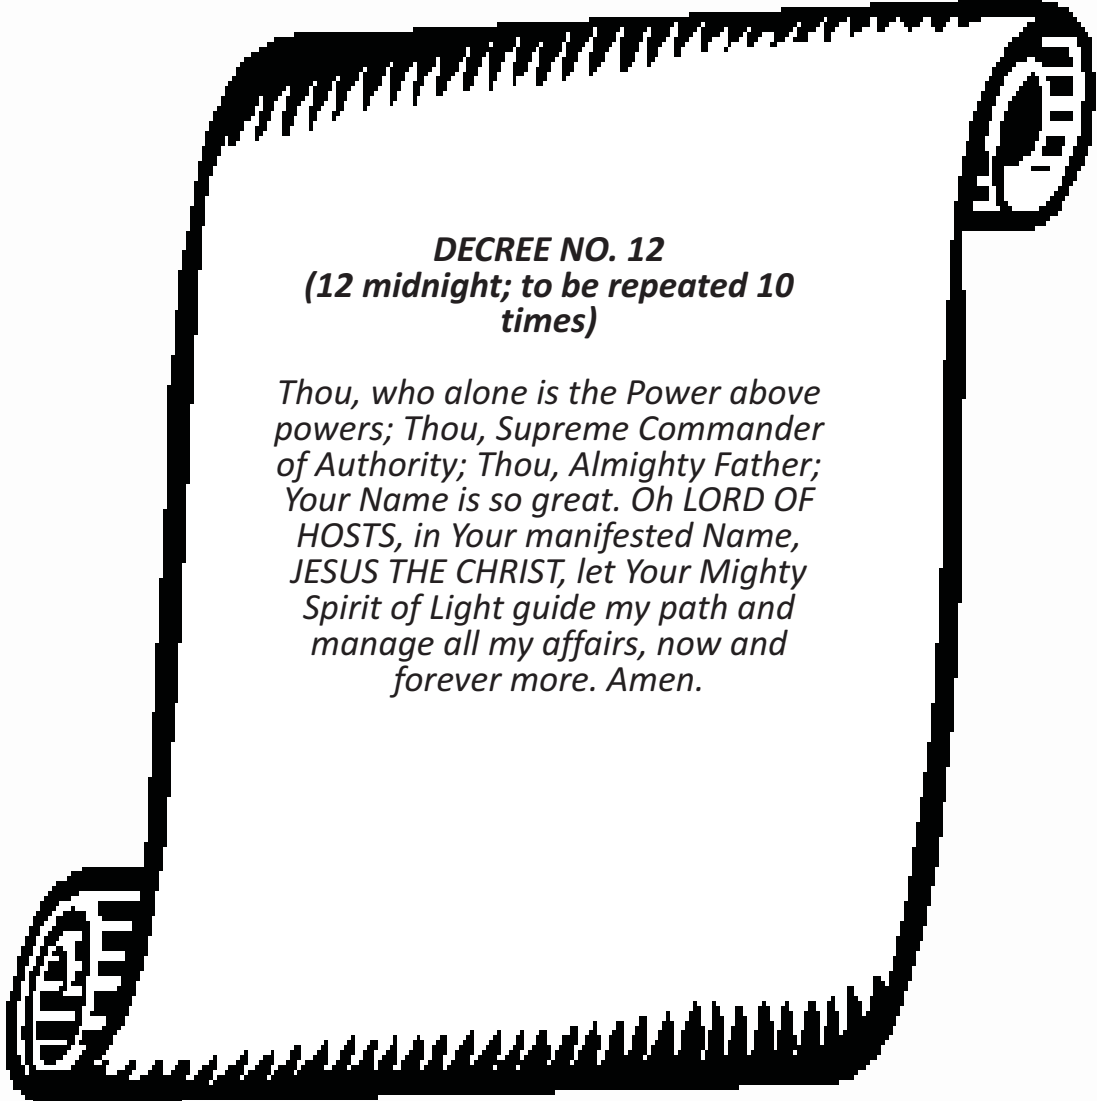

Failure to do this, is the reason why some complain that, after paying their tithes, they don't see much of the expected blessings. Some Pastors, Reverends, Apostles, Bishops and Archbishops don't even have any divine call from the Throne of the Lord. Some of them go to Bible schools and study Christian Theology, without divine call. Relatively, they are not different from other humans that study diverse subjects in different universities.

Now, because such religious leaders do call upon the Lord, you may take your tithe to them, but bear in mind of the aforementioned divine protocols involved. In a church, however, some pastors known as 'junior

ministers' could be higher Souls. A junior minister may also be a lesser Soul. Some senior ministers are higher Souls, while some senior ministers are lesser Souls, as far as spiritual age is concerned.

Be that as it may, I urge you, dear reader, to always be faithful to the Lord in your tithe, freewill offering and charity. Whatever you spend in helping the poor with the heart of selfless love, is charity. Whatever you do to support the work of the Lord, whether it is building a church, buying a car for your pastor, amongst other things, are freewill offerings. Your tithe is the ten percent of your income or profit. Listen to the Spirit of the Lord within you in these things.

### **WHEN GOD'S FINGER COMES**

Dear reader, in this last chapter, the concluding chapter of this material, let me first state categorically that the Spirit of the Lord in Light is Supremely active in the entire Universal Systems. In the world of man, whoever sincerely seeks the Light of God will find same. The problem is with the children of men, not with the Almighty.

When the One Eternal Spirit of the Lord comes into any venture in the world of man, there is bound to be a change for the better. If the Spirit of the Lord is in a thing, that thing must prosper. This material has shown how anyone can activate the Finger of the Lord in diverse aspects of life, including in all financial ventures and money related issues. You must act by faith in the Lord for greater manifestation of the Finger of God in all that you do.

On my own part, however, I must receive from the Lord first, before making specific pronouncement or taking a categorical stand on any matter brought to me by any person. When this is not done by us, then we give room for failure to set in. But when we act by deep faith in the Almighty God, we will achieve results that appears impossible in human terms and considerations.

### **DIVINE PROVISION**

I remembered once I was ministering in Aba, Nigeria, at the 'Pentecostal Power Mission', and a daughter of Zion came to me with a specific request to the Lord. This daughter of Zion, Mrs Grace Ovie, the wife of a Pastor, came requesting that the Lord should provide her a car to enhance the works in her hand.

I demanded to know from her how much she had saved for the purchase of the car. I spoke in this manner to her, because I know some car dealers I could ask to release a car to her, by accepting half payment, for her to gradually pay the balance later. Now, according to this daughter of Zion, all she had was ten thousand Naira (10,000.00), which is less than 40 Dollars, while it could even take above one million Naira to buy some fairly used cars.

Consequently, I didn't commit myself again to the initial arrangement that I had in mind, related to introducing her to a car dealer. Nevertheless, it was clearly evident that this daughter of Zion came with full faith in God, not in the mortal man; hence she came seeking the help of the Eternal Lord.

In the course of this discussion, the Spirit of the Lord spoke to me, saying that if she is faithful enough to bring the money for the service of God's Vineyard on Earth, entrusted to the 'Harbinger of the Last Covenant', He, the Lord Himself will give her a car within eight weeks. Following this divine message, I asked her:

***“Daughter of Zion, are you prepared to obey the foremost divine principle of doing God's work first, for the Lord to do yours in return?”***

She responded that she was ready to do so. I asked her again whether she was prepared to give all that money as offering, then wait to see what the Lord will do? she replied that she was ready to obey. I didn't tell her that upon doing so, the Lord Himself will give her a car within eight weeks, for that not to be her prime motivation for action. It was important to let her faith in God alone work out things for her. This is mostly the framework for the workings of the Spirit of the Lord.

Finally, I told the daughter of Zion, Grace Ovie, to go and bring the money for the Lord's Vineyard, and that when she comes with it, she will drop it at the feet of the 'Harbinger of the Last Covenant', in accordance with the

ancient practice of the Apostles of the Great Lord Jesus the Christ. Remember that in those days, some faithful believers brought **“money and laid it at the apostles' feet”**. (See Acts 4:34-37).

Now, this divine principle required from Grace Ovie, was the same principle which was used by the Spirit of the Lord in Prophet Elijah to bring testimony to the widow of Zarephath. (See 1 Kings 17:8-16). This divine principle requires great faith in God and His messenger to be carried out, otherwise one may think of it in the light of 'religious fraud'. And let it be known that this divine principle is valid unto the present hour of the children of men, especially to those who will apply same solely in total faith and unquestionable confidence in the One Eternal Almighty God.

This divine principle is not so easy for everyone to practice, however. Nevertheless, it should be understood that it constitutes aspect of the path to prosperity. But in this connection, as a matter of eternal truth, a truly and divinely empowered Prophet or Messenger of the Light of Heaven in God, must be involved, whilst the seeker must also believe in him – the prophet.

It is written: **“... Believe in the LORD your God, so shall ye be established; believe His prophets, so shall ye prosper”** (2 Chro. 20:20). Sister Grace went and brought all her money to the Lord. Before I prayed for her, the word of God came to me, saying:

***“O ye Harbinger of the Last Covenant, verily the request of My daughter, Grace, is granted. Now speak to her and say: Behold, from the inception of the offering of all that you have, even of all your money, thus says the Lord, surely eight weeks shall not pass and your car will come, and you will glorify Me, your Lord”***.

At this point, I called her husband and some pastors to come out and bear me witness of what the Lord has said, which must come to pass. Then I proclaimed the words spoken by God upon our sister. When I returned from Aba to Warri, I placed the money (ten thousand Naira) from Grace upon the altar of the Lord in my prayer room. And I spoke to my Lord thus:

***“My Father, I pay my most respectful obeisance to Thee – Lord of Hosts and Saviour of the world – for You are the Controller of all***

***Manifestations. This is the money which your daughter brought in faith unto Thee. No part of this money will be touched by Your servant, till You fulfil the words spoken by You upon her, which I proclaimed in the midst of witnesses. Thou, Redeemer of the Oppressed, without Thee, I am nothing. Bring Your words to pass and take all the glory, by the Power in the Name of the Great Lord Jesus the Christ. Amen”.***

Now, dear reader, it came to pass on the seventh week, from the day that the words of the Lord were spoken to the daughter of Zion, that sister Grace bought a new car as spoken by the Lord. She came with it to show me in Warri, Nigeria. It was a miracle, for the Power of the Lord opened a way for her where there was no way before; divine favour came forth and money came beyond her expectation.

Remember, with the Power of God, with the Spirit of God, all things are possible. The Supreme Power of the Almighty God operates in unlimited dimensions for our physical and spiritual progress. Just believe in Him and all is well. The most vital spiritual fact is that you must have faith in God. This is the first step to the realm of His Power. Be faithful to the Lord, and surely He will cause you to prosper. Your strong faith in God can move the 'mountains' of darkness.

***“And Jesus answering saith unto them, have faith in God. For verily I say unto you, that whosoever shall say unto this mountain, be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith. Therefore I say unto you, what things so ever ye desire, when ye pray, believe that you receive them and ye shall have them (Mark 11:22 – 24).***

I recalled an incident wherein I was led in the Spirit by an Angel of God into a section of the Heavenly realms of Light, referring to as the 'Second Chamber of the Lord's Tabernacle'. While in this holy realm, the children of men were revealed to me in a different dimension. I saw how many people were blessed and lifted by the Spirit of the Lord, while some sons

and daughters of men were brought out for chastisement, because of faithlessness to the Lord God Almighty in the world of man.

### **SUBJUGATE THE DEVOURER**

Dear reader, as we are getting towards the conclusion of this material, let me urge you to do all that can to subjugate the devourer in all the affairs of your life. The devourer comes in many ways. Regarding your money and financial ventures, the devourer can come with the astral wave of undue expenses, amongst others, arising from the PMSS. This can ruin any business venture that is not sustained by the Spirit of God. This happened to a man that came from Accra Ghana to see me in Warri, Nigeria. He had a large business empire in Ghana and Britain, but all collapsed on the 'altar' of the devourer.

While I was ministering to him, the Holy Spirit revealed to me that the problem of the man began when he stole God's money in the mood of anger. This became the basis why the devourer came into his business empire. I told him what the Holy Spirit had revealed and the solution which was revealed also for the restoration of his business.

Consequently, the man finally confessed what he did, which came forth as stealing God's money in anger. According to him, he was invited by a church in Accra for a thanksgiving service. During the service, the pastor called for offering, which he came out and gave. The pastor called for a second offering and he gave again; when the pastor called for the third offering, he began to wonder whether the church service of that congregation was all about offering, but he still came out and gave.

The pastor called out for the fourth offering and the wave of anger came upon the man. He became angry in the church and started to think thus: 'It is like they are doing nothing but business here; they can fool others, but they can't fool me'. He did not come out for the fourth offering. Finally, the pastor called for the fifth and last offering, then the anger of the man increased at this point. Consequently, he brought out some money, lifted it up in the church and said: "God, this is your money, but I am going home with it". Having said this, he left the church in anger and went home with the money.

This was how he stole God's money in anger. From that moment, the devourer followed him and brought his business to naught. It was after the Holy Spirit had used me to destroy the yoke of the manipulation, that his business was once again restored. The devourer comes, using one's mistakes as a framework of attack him.

**CONCLUSION: HOW THE LORD HELPS US**

Dear reader, in conclusion of this material, let me give you another example of how the wave of undue expenses comes, as well as how the Spirit of the Lord helps the faithful. A Christian brother (medical doctor) came from Port Harcourt to see me in Warri. He wanted to see me that day and return back to Port Harcourt. When he came, he was told that I was ministering in Lagos. He was not with enough money to continue his Journey to Lagos.

He went to the owner (Chief Medical Director) of a well known private hospital in the city for financial assistance. After introducing himself, he pleaded for an assistance of Five Hundred Naira (less than three Dollars). But the Chief Medical Director refused to help him, saying that there was no money to give him.

When he came out, he met a prominent Ijaw Chief, who even gave him money more than he requested. He finally came to Lagos and told me how he managed to come. I did not attach any importance to his experience, because I felt he should have been financially prepared before setting out for a journey; though, I took good care of him, because things were really bad with him then, as far as money was concerned.

Nevertheless, what he told me was considered very important by the Holy Spirit and formed greater part of my experience with God in the night. As I was praying, an Angel of God appeared and stood before me; and he talked with me. The Angel told me another dimension of what happened to my doctor friend.

He wasn't faithful to the Lord with his money and also got himself sexually entangled with a 'dry leaf of the desert'. This brought untold hardship upon him. He repented, prayed and fasted for long, seeking the face of the Lord for divine intervention. At last his prayers were heard whilst the Spirit of the Lord sent him to me, for a divine decree that will usher him into the phase of divine victory. It was also programmed by the Spirit of the Lord for another purpose of salvaging the hospital in Warri, because of the faithful ones that work there. Heaven works in mysterious ways.

I learnt from the Angel that many children of God working for the Chief Medical Director in his private hospital have been praying for the blessings of God on the hospital. When their prayers got to the throne of God, it was decided that greater blessings should be sent down upon it

from above. But when the spiritual account of the Chief Medical Director (the owner of the hospital) was examined, as the basis of sending down the blessings, it was completely empty. He does not believe in the Glorified Christ and doesn't give out money to help others.

Consequently, the doctor from Port Harcourt was programmed by the Spirit of the Lord to approach the aforementioned Chief Medical Director, for the purpose of receiving a gift of mercy and love, as an examination from God. If he gives out in mercy, he will pass the examination and receive more blessings from God, but if he fails, the blessings will be taken away and the devourer will prevail. But the big man, the Chief Medical Director, failed woefully.

The Angel told me that because he failed to give out a love gift of five hundred naira, saying he did not have, which was a lie, the devourer will take away five million Naira from him in a moment of time. In other words, the five hundred Naira that would have brought the mercy of the Lord upon his financial venture, because of the faithful believers working for him, became five million Naira, which the devourer was set to take away from him.

I came back to Warri after about eight days to hear that the CMD's most expensive equipment, which he bought with over sixty million Naira, broke down and exactly five million Naira was required to repair it. This is how the devourer works, projecting the wave of undue expenses from the 'Psychic Monitoring Satellite System' – a high den of the forces of darkness.

Finally, dear reader, strictly apply the words of the Great Lord Jesus the Christ, as recorded in Mark chapter 11 verses 22 to 26; ensure that you have no grudges against anyone; confess your sins and faithfully recite the decree below, four times daily (5:30am, 12midday, 6:30pm, 12midnight) for forty days with fasting. Endeavour to do this and there must be a change for better in your life, as you apply all information sent to you in this material.

***THE DECREE: 'Oh LORD God Almighty, Eternal Supreme Jehovah, God of all Manifestations, Giver of Life, Light, Blessing, Wealth and Peace. I (mention your name three times) decree in the Name of the Eternal One, the Great Lord Jesus the Christ: Let my life, in this life, receive your financial Divine Favour, NOW (seven***

*times). Let all those whose finances are subjugated by darkness, in all the nations of this world, receive divine intervention from the Throne of Your Supreme Light, NOW! (seven times).*

*Let my money now and always live above all forms of undue expenses and all the cycles of the powers of darkness. Bless my life, Oh Lord, and use me to bless others. Use me to bless the less privileged and destitute; use me to bless the works of Your vineyard. Let it be done now, for there is no God but Thee. As I decree, so let it be, in the name of OUR LORD JESUS THE CHRIST. Amen! Amen!! Amen!'*

Dear reader, if you truly seek financial favour, then do the right things and you will never lack. Do not consult the Lord to tell you the cause of a problem, which you already know the cause, but seek the help of the Lord for victory over your problem. That will be all for now, but if you have any question arising from the subject matter of this treatise, you may contact me for clarification. A word is enough for the wise.
