**Speaks**  
**WAR IS ON!!!**

**"We must be strong in the Lord. We must be very strong in spiritual battle. We must approach the enemy -- the spirits of the dark world with destruction, while standing firm upon the ground of Life, Victory and Power, which is Christ. The battle field is the field of destruction. If one goes forth in battle against the hosts of darkness, while standing upon the ground of weakness, he may be destroyed".**

His Grace, Archbishop (Prof.) Iyke Nathan Uzorma, Harbinger of the Last Covenant, is a great Messenger of Light that to me his kind has never existed before. There is nothing that the Lord said through him that hasn't come to pass. This includes prophesies to nations, tribes and persons. He has encountered the Lord face to face on numerous occasions. He has encountered the Angels, Archangels, Great Ones of Divine Light above and Watchers. I think he stands on a higher platform to bring to our world the hidden mysteries that have not been told of old. It is my sincere plea to everyone living on the surface of the world to listen to him. Let the world hear and except the Verses of Eternal Truth as giving to us by the Lord Himself and His Great ones of Divine Light Above, through the Harbinger of the Last Covenant.

# Introduction

***"Treasures of wickedness profit nothing:  
but righteousness delivereth from death"--  
Wise King Solomon; Prov. 10:2.***

## **THE EARTHMAN**

Now, look at the earthman; show him the way of life, the true Way to God, he turns away and follows the vicious path of illusions. Show the earthman the higher path of Light, in his ignorance he prefers to dwell in darkness. Show him the path founded by the life in Christ, he turns around and enters the forest of death.

Show the earthman the path led by the Almighty One, the Great Lord Jesus the Christ; admonish him to refrain from killing and maiming fellow earthmen, through the practices of witchcraft and terrorism, through the practices of falsehood and wickedness, the worship of strange gods of darkness made by men, amongst others, he snubs whilst abiding in the deep forest, in the dwelling of the gods clothed in rags, wherein all that holds him down is his ignorance, that is, himself.

Earthman, you do not ask questions before you eat the food of another. Therefore I say to you: The questions you ask after the food of another had fed your belly is in vain, for in that, you are led astray.

### *Introduction*

And how can you escape, oh earthman? I admonish you to follow all men with a pure heart. Endeavour to do this at all times, so that the falsehood of witchcraft, which the wicked minded ones play on you, with the sole intention to put you into the pit, will become a pit but not for you. This will become a pit to the ones whose existence is embedded in darkness, falsehood and wickedness against the mission of your Soul destiny.

Therefore, earthman, rise and know more of the hidden battles in your world, the mother of the open battles that you see, as well as how to be victorious in the field of battle. God said: "**My people are destroyed for lack of knowledge** " (Hos 4:6). The earthman is expected by his Creator to know deeper things of existence in the physical and spiritual systems of reality.

Man thinks, speaks and acts within the limit cum framework of what he knows. He who fails to know more does not grow in the journey of life. He who fails to wake up surely cannot stand. The One Eternal Spirit of the Almighty God has set the stage, via true believers in Christ, for true Divine Knowledge to liberate the dark world; the stage of the knowledge for better action. This is the hour to know more, for your victory in the field of battle. Remember, today in the world of man, war is on!

### **NEVER WILL I RETURN TO THE OCCULT**

During one my media chats (Gardens City Radio, Kumasi, Ghana) I was asked: "**Your expositions have positively touched people around the world. As a former Grand Master of the occult mysteries, how have you been coping**

**with battles coming against you from the dark world? Also, there is this rumor that you have gone back to the occult world and changed your name to 'Protus Nathan Uzorma', for fear of attack of the forces of darkness. How true is this?"**

In my response, I made certain clarifications. To begin with, I am Iyke Nathan Uzorma and not Protus Nathan Uzorma. Protus Nathan Uzorma is our last born in a family of six children, three males and three females. I am the first son of the family but have two elder sisters. My brother Protus Nathan Uzorma (Nathan is our middle family name) is a Professor of Philosophy, political leader and a columnist of the Daily Sun, a leading newspaper in Nigeria. Some people mistook his publications for mine and because of the nature of some his publications, they think I have gone back to the occult.

As at when I encountered the Lord and got converted in 1992, my brother Protus was a student and a young pastor. He and his prayer team believe that their prayers to the Lord ultimately led to my direct encounter with Christ. After my conversion, he accompanied me to many crusades and revival programmes. Thus, he became acquainted with my expositions, some of which he occasionally writes on. I also sent him at that initial stage to represent me in some Christian programmes, especially when two programmes are simultaneously organised. At a stage, some people felt he was impersonating me, and due to certain things, especially when some of his later philosophical publications didn't fit into what people expected from me, they

### *Introduction*

thought I had gone back to the occult.

Now, listen, I destroyed all my occult materials, which includes the "**Ancient Seal of Lord Yima of Persia**", following my direct encounter with Christ, at the Deeper Life Bible Church regional headquarters, Benin City, Nigeria. Let me say this: No one can destroy this seal, goes back to the occult and be physically alive after 72 hours.

Listen, if you don't know where you are going to, you won't know when you have arrived your destination. I came into the Light of Christ from a very dangerous ground. I need not to be reminded to be firm in the Blood of Christ, because the forces of darkness that we are up in battle against are not jokers. I am in the "**Body of Christ**" for a great mission of Light. To be sincere, I need encouragement not discouragement, from the very people that I am called to minister to.

There was even once a rumour spread in some quarters that I have gone mad. To this end, when I went to Aba, Nigeria, for a crusade, many people gathered to, amongst other things, know whether it is true that I was insane. These are all the pranks of the forces of darkness, but Christians shouldn't allow these pranks to be played in their midst. My conversion by Christ is a big minus to the hosts of darkness. It is the first time in the history of Christianity that a Living Grand Master of the Order of Terrestrial and Astral Hierarchy' is thus converted to the part of Christ. It is one of the end time mysteries. Therefore, even if I return back to the occult, but God forbid that, Christian leaders

should come to me and endeavor to bring me back to Christ.

### **SPEAK WHAT YOU KNOW**

On the rumor, in certain terms, there wouldn't be need for comment on this issue. This is because those involved in this rumor, certainly know that it is not in their place to speak on whether or not someone is properly situated in the Lord, without practical evidence. You must know that the Spirit of the Lord does not need the assessment of any human to ascertain whether one is in the right standing with Christ.

On a general note, however, any one who want to serve God in spirit and in the truth must say what he knows about another person, not merely what he is told, especially if it is a derogatory report. And even while saying what you know, you must embellish it with the love of Christ, otherwise you become the guilty one before the Throne of Grace, as you parade your spiritual deficiency in this connection.

### **SPIRITUAL ATTACKS**

Regarding spiritual attacks against me, on one hand the man in Christ is capable of living in the full realization that there is nothing to be protected against, because Christ is the true Lord of the Universe and fights all our open and secret battles. On the other hand some may not understand this. I am fully aware that no power of darkness can harm me, which I did not empower or reinforce against myself through the practice of evil and wickedness. This is the true situation of things.

### *Introduction*

To that extend, I live in the Light of Christ as a free citizen of the universe. You must know and understand that every true believer in Christ, who serves God in spirit and in truth, is immune to all the devices and manipulations of the hosts of darkness. On a general note, however, life on the physical realms of Earth is full of battles. And for the believer, the Lord of Hosts leads the battle.

Consequently the bible refers to the Lord himself as “**The man of war**”. In the battles of life, however, between the Forces of Light and the forces of darkness, the strong must overcome the weak. That is how it goes in all aspects of life. The strong must overcome the weak.

Therefore, if you are not strong in the Lord and in the Power of His Might, if you are weak in the Spirit, how can you overcome the hosts of darkness? If you fail to conquer in battle, you will surely be conquered. Period. You must understand that what leads you in the journey of life serves either as your point of strength or weakness.

When you are truly led by the Spirit of Christ, you will surely have victory in the battles of life. If you are led by your material senses, from whence will your victory come over the hosts of darkness? And if you are led by the Prince of Darkness, you are gone. You must take note of this, because victory over the hosts of darkness comes under the system of Divine Power, the Power of Christ, the Power above powers.

## **DARKNESS EXPOSED**

Here comes the purpose of this book, which shows in practical terms the reality of the Power of Christ, the Power in the Blood that He shed. This book teaches you in practical terms how to defeat the hosts of darkness. I can tell, without any iota of exaggeration, that this treatise, now with you, is well loaded.

This book, '**Hidden Terrorists**', is the revised, enlarged and complete edition of the book I first published in 1997, under the titles "**HOW TO COMPLETELY OVERCOME WITCHES AND WIZARDS AND ALL THE POWER OF DARKNESS**". Under this current title "**HIDDEN TERRORISTS**", witchcraft spirits are exposed as the hidden masters of the Earth terrorists and mass murderers, as well as the heinous attacking army of the hosts of darkness. This is an exposition made as never before.

In this complete work, '**Hidden Terrorists**', the link between witchcraft attacks and the terrorists of this world is exposed. The ten operational codes of witchcraft, are exposed in this book for the first time in our world. The elements and techniques of witchcraft attacks, the five kind of witchcraft, the five seals of the forces of darkness and how to overcome them all, mostly through questions and answers series from different parts of the world, amongst other things, are all contained in this book.

Let the victory of the Light of Jehovah God be the portion of all those who will faithfully read this book in total submission to

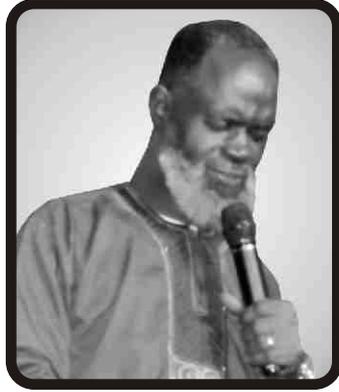

***Introduction***

the Great Lord Jesus the Christ. Amen.

Now, the Spirit of the Lord has brought another opportunity of great exposition from me to you. I wish the reader limitless victory in the field of spiritual welfare. Amen.

God bless the reader.

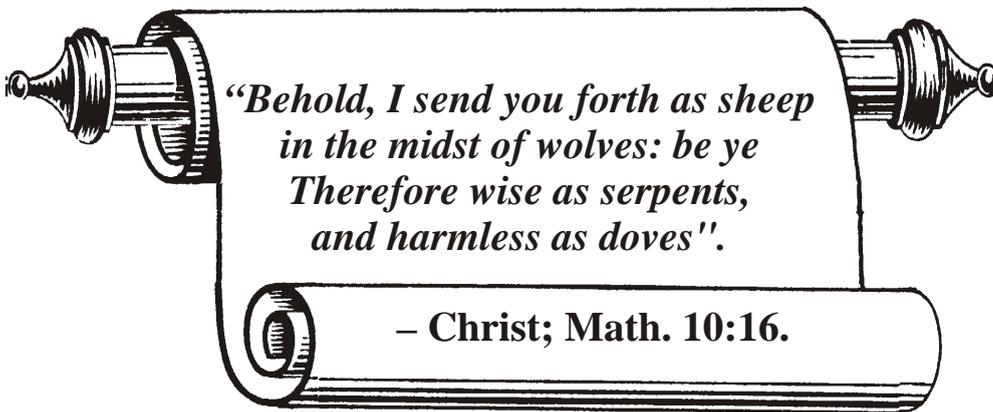

– **Iyke Nathan Uzorma.**

## CHAPTER 1

# FORCES OF DARKNESS

*Forces of Darkness*

**VICIOUS ASTRAL NETWORK**

Some earthmen have risen to a tremendous height of wickedness, to the extent that they are rightly called '**wolves**' by the Lord Himself. These are humans, but the Lord called them '**wolves**', a beast of the predator nature, because of what they do mostly in the secret and occasionally in the open.

For instance, look at our world today, it is full of the activities of the open terrorists. But these terrorists on the physical realms of Earth are mere human agents of the most vicious astral forces in the realms beyond. The hidden and the open terrorists are united in the most wicked mindless war against the human race. Whereas this treatise deals on the hidden terrorists, the human agents of these hidden forces of darkness, the wolves in human clothing, are herein exposed as well. Now the spirits of the '**wolves**' are far greater and constitute the greatest danger to the human world.

If you are a true believer, you are now dwelling in their midst, even as spoken by the Great Lord Jesus the Christ. To this end, the human wolves are everywhere. In the families of the children of men, they are there. In the churches, temples, mosques, ashrams and ashramas, they are there. In governments, business establishments, fellowships, amongst others, they are there. They control secret cults, vicious occult chambers and wicked esoteric fraternities.

In the light of this reality, where will the earthman run to for help and absolute Divine protection? Nowhere, but to the Lord of

### *Hidden Terrorists*

Light; the true Son of Man, Son of God and God Himself, who alone sets the earthman free from the ubiquitous network of the forces of darkness. Thus, the Lord declared: "**If the Son therefore shall make you free, ye shall be free indeed**" (Jn. 8:36).

Consequently, one must be in Christ, totally established in the Supreme Consciousness of the Light of the Lord, which is Christ, so as to overcome the cosmic empire of the forces of darkness. If you claim to be in Christ, while of a truth you aren't absorbed into the high dimension of His Mighty Spirit, there is no assurance of victory for you in the field of spiritual warfare. Even while you are in Him, you must be strong in Him for your total victory to be guaranteed. Saint Paul admonished us along this line, saying:

*"Finally, my brethren, be strong in the Lord, and in the Power of His Might. Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places" (Eph. 6:10-12).*

Now, beyond and behind humans referred to as '**wolves**', are more powerful entities, well organised forces of darkness, in diverse astral realms. The human '**wolves**' therefore are their

### *Forces of Darkness*

agents of operations in the world of man. Through these agents of darkness, the elements of witchcraft have ruined many human lives on the physical realms of Earth.

When vicious occult and astral powers, via witchcraft, dominate any person, family or group of persons, the evidence of attacks and manipulations of the forces of darkness will show forth. Such attacks are not matters to be toyed with. That is the main reason why I am presenting this treatise to the children of men. Enough is enough. We have to learn in practical terms how to subjugate the forces of darkness and stop them from tampering with all aspects of our human lives.

### **RUDIMENTS OF WITCHCRAFT**

Many humans including some believers, are not aware that all the forces of darkness, as far as spiritual, astral and psychic attack on humans are concerned, are solely embedded in the spirits of witchcraft. In the first place, the totality of the forces of darkness in our Solar System, is in the occult order of 400,000 kinds. In other words, there are 400,000 kinds of spirits in all the realms of darkness.

Now, each kind of spirit within these 400,000 kinds has several billions of wicked spirits embedded in its system. Furthermore, the totality of the 400,000 kinds of the forces of darkness have five specific seals. Each of these five seals is a leading stronghold of the Prince of Darkness, the "**old Serpent, the great red Dragon**" (Rev. 12:3,9).

### *Hidden Terrorists*

At this point, let me warn the earthmen that without the Light of Christ, Lord and Supreme Master of the Universe, no one can escape the multitudinous vermin, wickedness and manipulations of the Prince of Darkness, operating via the cosmic network of his seals or strongholds. That was why Saint John wrote thus: "**And we know that we are of God, and the whole world lieth in wickedness**" (1 Jn. 5:19).

Also remember that Saint Paul spoke of the strongholds of the forces of darkness, which we are empowered by the Mighty Spirit of the Lord of Light, Christ, to pull down: "**For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds**" (2nd Corint. 10:4). In certain esoteric terms, the strongholds of the forces of darkness are in three categories, namely:

1. The Absolute Occult Strongholds;
2. The Main Occult Strongholds; and
3. The Sub-Occult Strongholds.

The Absolute Occult Strongholds are the highest strongholds or seals of the Prince of Darkness. These are five in number. Each of these strongholds coordinates several Main Strongholds, while each of the Main Strongholds coordinates several other Sub-Occult Strongholds. Some principal human agents of darkness are strongholds of darkness themselves. Some strongholds are scattered around different shrines, forests,

### *Forces of Darkness*

deserts, hills, families, cult temples, cities, to mention but a few. The five absolute strongholds of the forces of darkness are:

1. The occult seal under the code-name '**Delvic Seal 333**'. This occult seal is the custodian of 10,000 kinds of the forces of darkness;
2. The occult seal under the code-name '**Kal Seal 666**'. This occult seal is the custodian of 30,000 kinds of the forces of darkness;
3. The occult seal under the code-name '**Destructive Seal 999**'. Overall, this occult seal is the custodian of 60,000 kinds of the forces of darkness. However, this seal or stronghold has its lower and higher aspects. The upper aspect of the Destructive Seal 999, is under the code-name '**Liber 007 -- Signet of Satgna**', while the lower aspect is under the code-name 'Liber 777, which some secret societies use as '**Liber Omega**'. To such lesser occult secret societies, this is their highest point of occult practices.
4. The occult seal under the code-name '**Terrestrial Seal 1330**' or '**Ba-Vara Seal**'. This occult seal is the custodian of 100,000 kinds of wicked spirits. For example, a human agent of the forces of darkness at this level can issue command to not less than one million spirits of the dark world simultaneously.
5. The occult seal under the code-name '**Tuzas'otama**'. This is the custodian of 200,000 kinds of the forces of darkness,

which issues command to the entire spirits of the dark world. This is the highest stronghold of the empire of darkness in all the realms.

### **WITCHCRAFT AS IT IS**

One more vital point here: It is the contribution of vicious occult powers made by the Prince of Darkness and all the spirits of the dark world, into the central pool of the astral chambers, for the purpose of attacking the children of men, that is known as witchcraft. The witchcraft psychic force therefore is a concentrated donation of vicious power, made by each and every entity or spirit of the realms of darkness, including the Prince of Darkness himself.

There is no spirit of darkness, great or small, in all the kingdoms of darkness, that is left out, as far as this contribution or donation of vicious power is concerned. There are specific astral chambers and astral spirits appointed to manage and coordinate this concentrated vicious occult powers donated by all the spirits of darkness, under some rules and regulations. The wicked spirits thus appointed, automatically assume the function of '**witchcraft spirits**'.

To this end, witchcraft spirits are the attacking forces of all the realms of darkness. There is no works of darkness that is outside the framework of witchcraft, as far as the attack on humans is concerned. And there is no attack of the forces of darkness on the earthmen that is not the attack of witchcraft.

### *Forces of Darkness*

Witchcraft, as related to the hosts of darkness, by analogy, is like when each and every person in a community contributes specific amount of money for a building project. Thereafter, the community appointed some persons both to execute and supervise the project, under some rules, regulations and guidelines.

Furthermore, witchcraft is like a nation having its armed forces specifically equipped for warfare. Dear reader, witchcraft is the '**armed forces**' of the hosts of darkness in all the realms of darkness. However, as a rule, witchcraft operates under five major aspects, namely:

1. The aspect of Black Witchcraft;
2. The aspect of White Witchcraft;
3. The aspect of Kali Witchcraft;
4. The aspect of Rajo or Abra-Melin Witchcraft; and
5. The aspect of Blind Witchcraft.

The Black Witchcraft is so called because the spirits and human agents of this aspect of witchcraft are very deadly and vicious in all their operations. They mostly operate from the realms beyond the physical realms of Earth, but they still have some physical organisations or secret societies in the world of man. Most voodoo practices, sorcerers, necromancy, charms and

### *Hidden Terrorists*

talismans, amongst others, are under Black Witchcraft. The human terrorists of this world, most of them, are elements of Black and Blind Witchcraft.

The White Witchcraft, also known as '**wise craft**', is the form of witchcraft generally recognised on the physical realms of Earth and registered to operate legally by governments of some nations, especially in Europe and the United States. In Nigeria, South Africa, Ghana, Jamaica, amongst other places, there are organisations embedded in the art of White Witchcraft.

The Kali Witchcraft, which originated from the high occult entity known as '**the Queen of Space**', is also a highly vicious form of witchcraft. This aspect of witchcraft is practiced all over the world, with its absolute base in India, coordinates all the secret cults, astral chambers, shrines and temples involved in the art of human blood money rituals, amongst others.

The Rajo or Abra-Melin Witchcraft, which has its central base on Earth in the psychic spheres of Gobi desert, near Afghanistan, holds the rod of mastership of all the witchcraft spirits, including witches and wizards, both on Earth and in all the realms of darkness. They are the consummate adepts of the forces of darkness, the champions thereof. They coordinate all the human terrorist activities on the physical realms of Earth.

The Blind Witchcraft encapsulates those who are captured by the witchcraft spirits and made spiritual slaves in the world of man. They are not conscious witches and wizards, rather they

### *Forces of Darkness*

are captives of the forces of darkness. This will be made clearer in this treatise. However, in many respects, they are used, unknown to them, to perpetrate tremendous amount of wickedness and evil.

### **WITCHCRAFT OPERATIONAL CODES**

Now, all the various aspects of witchcraft interchange between themselves in all their operations. In other words, one aspect of witchcraft, I mean both spirits and human agents of such, if so desired, under certain circumstances, can perform the functions inherent in the other aspects of witchcraft. It is like you employ a labourer whose duty is to wash your car, but under some circumstances you can still wash the car yourself, because you have the capacity to do so. Each aspect of witchcraft has the capacity to do the work of all aspects of witchcraft.

Furthermore, it is important to expose here, that all the oppressions, manipulations and operations of the five aspects of witchcraft spirits and their human agents, have ten operational codes as programmed in the high astral chambers of the forces of darkness. These operational codes represent the sum-total regarding the modus-operandi of vicious astral attacks on the children of men by the hosts of darkness. The ten operational codes of witchcraft spirits (forces of darkness) against the earthmen are as follows:

1. Double slayer of destiny;
2. Midnight is fearful;

### *Hidden Terrorists*

3. Devourer of life-form from inception;
4. Dry leaves that hover;
5. Carriers of heavy load;
6. Mighty powers of great illusions;
7. The dogs that bite;
8. Blood suckers;
9. Blood that goes for blood; and
10. Withholder of favour.

The aforementioned operational codes of witchcraft spirits, and how they affect communities, families, individuals, nations, churches, amongst others, are exposed in the subsequent chapters of this book. The summary of witchcraft attacks, namely, fear elements and fear techniques, amongst other things, are also well exposed in the subsequent chapters of this book.

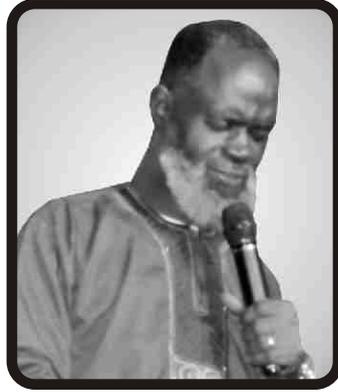

This exposition, however, isn't for mere mental aggrandizement. It is a serious issue, for the earthmen to know that there are great forces of darkness, who for ages, even hitherto, have committed themselves in spiritual battles against the sons and daughters of men.

### *Forces of Darkness*

On one hand, they operate perfect organisation of darkness, while on the other hand they are heading towards perfect destruction. Thus, '**perfect organisation leading to perfect destruction**' is what they are, both the open terrorists, the human agents of the forces of darkness, as well as the hidden terrorists of the dark world.

Therefore, this is not the time for anyone to be slothful, rather this is the hour of fulfilment, the time for us to rise, individually and collectively, to pull down the cosmic strongholds of the forces of darkness and subjugate, by the Mighty Spirit of the Great Lord Jesus the Christ, all that seek to ruin our lives.

A word is enough for the wise

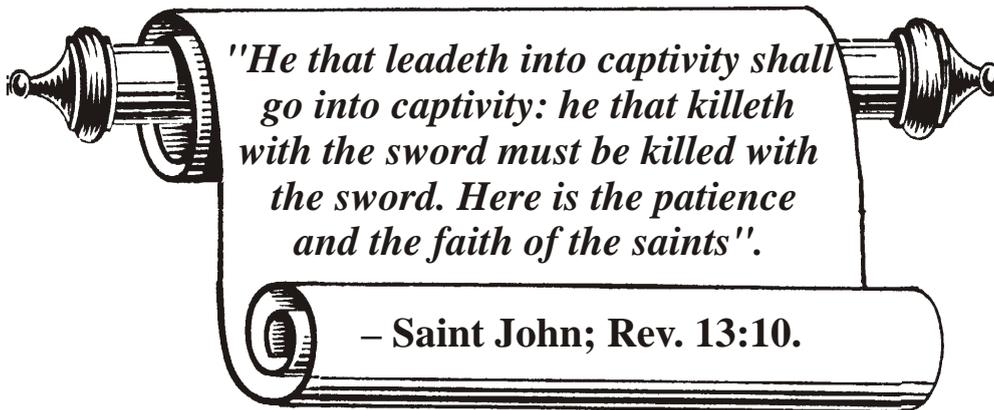

## CHAPTER 2

# HIDDEN TERRORISTS

(Interview On The BBC Radio, London, By Hopton Gordon With Archbishop Iyke Nathan Uzorma).

*Hidden Terrorists*

**OCCULT BACKGROUND**

**BBC Radio:** We have heard a lot about you; could you tell us a bit of your past involvement in the occult dark world?

**Archbishop Uzorma:** My names are '**Iyke Nathan Uzorma**'. I am from Isunjaba (Isuokporo Autonomous Community), Isu Local Government Area of Imo State, Nigeria). Before my birth, according to my father, Pa Uzorma, the oracle consulted by him and his elder brother, Pa Ihenetu, told them that the coming child (myself then in the womb) was the deity Njaba holding the spirit of their father while coming to the physical realms of Earth as human.

(**Note:** The Njaba deity, which is said to be '**powerful**', is located at '**Iyi**', the source of Njaba River flowing from Isunjaba. Because of this, the king of the Isunjaba community is '**the Clan Head of Central Isu**', which comprises such communities as Amaigbo, Amucha, Nkwere, Umuaka, Ekwe, Eziana, Amandugba, amongst others).

Following the dictates of the oracle, they made an occult "**throne**" for me even before my birth. I was told that four days after my birth, a spirit being visited my parents in a human form. He demanded from my father to see the new born baby. This being entered the door through his back side. He demanded for the throne which they made for me, and my father brought it out. The being took me from my mother, made strange incantations, placed me on the throne, lifted me up, handed me back to my mother and vanished in their presence.

### *Hidden Terrorists*

(It is important to note that my maternal grandfather, Pa Nlemeke from Ihioma, Imo State, was amongst the greatest occult beings that ever lived in Africa. He was even given a staff physically by spirit beings, which he handed over to my father before his death, because of my mother, his second daughter that he liked so much. My grandpa could use that staff to cause someone to stand in one place for a whole day; even occultic powerful masquerades and juju priests who challenged him, weren't spared by the staff).

(There was even an incident where a man made false allegations against my father. He reported the man to my grandpa. One night, my dad and grandpa secretly went to the family of the man. My grandpa made some incantations, pointed his vicious staff to the family and both of them left. This led to the death of everyone in that family within a period of three years).

(Now, when my grandpa was sick and about to die, many wizards and juju priests gathered by him on his sick bed. At that point many strange things were forcefully coming out of him. Balls of fire came out from him and vanished; strange little birds also came out likewise. My dad was there also. At this point, he demanded from my father to see his lovely daughter -- my mother, and her little boy -- myself. As the old man managed to speak on his sick bed, he said that he must see me and my mother before his departure from the physical world).

(Then I was about a year-old and the old man was above 100

### *Hidden Terrorists*

years. At last my parents took me to him. I was told that one of the strange birds came out from him and entered into me. I am the first son of my parents, but I have two elder sisters. My grandpa was glad to see my mother. Then he handed his high profile occult staff to my dad and consequently died in the hands of my mother. As my mother coddled him, he died. He was buried with human heads, according to the rules of the cult that he founded and led).

### **INITIATION INTO THE MOST VICIOUS CIRCLE**

I was consciously initiated into the occult mysteries of the dark world at the age of seven. This happened through the visitation of an astral entity whom I knew as Sat-Gopinata. He operates within the circle of the “**Hidden Masters**” in the astral realms beyond.

This astral entity or spirit being became my esoteric guide in the occult systems. Through him I underwent the five supreme occult initiations available to humans, at various stages, at one time or another. Through him I also mastered diverse crafts and manipulations of the forces of darkness. During my first supreme initiation, I was empowered to serve as a “**Master**” in the circle of the Abra-Melin Witchcraft, whose spiritual headquarters is located in Gobi desert around Afghanistan.

I underwent the second supreme initiation in Gamma, a spirit realm beneath the sea, under the guide of Sat-Gopinata, in November, 1975 after which my spirit-name was changed to Arapian. My third supreme initiation took place in a city located

### *Hidden Terrorists*

within the ethereal axis of the astral chambers. That was when I met a spirit being in astral prison called "**Jesus Ajonichim**", who told me that he was the very Jesus worshipped by Christians. It was after this experience that I considered myself to be higher than "**Jesus**" in the past.

(You see, the forces of darkness will first of all deceive you before they will use you to deceive others. That was what happened to me in the dark world. I was sincere in what I was doing, but I was sincerely deceived. This is what is happening even on the physical realms of Earth today, when you understand the heinous psychology of the terrorists, who are killing and maiming people in different parts of the world. They are "**sincere**" in what they are doing, but they are sincerely deceived).

(Some of these most vicious terrorists, if not all of them, engage in mass murder, arson, rape, robbery, amongst other wicked crimes, with the thought that the more vicious they are to those outside the framework of their religious ideology, the more chances they have to inherit "**paradise**" in the hereafter. Some of them even hope to be surrounded by virgins in the hereafter, which serves as strong motivation for their wickedness and criminality amongst the earthmen. These are humans captured by the hierarchy of the forces of darkness and used to execute the manipulations and devices of the dark world).

After the third supreme occult initiation, my spirit-name became Aradia. Consequently I possessed higher degrees of

### *Hidden Terrorists*

occult powers, through which I could completely influence and control others, see physically without my eyes, vanish into air when necessary, read sealed letters, transfer myself and live briefly inside another human or animal and much more. All these were further growth in the circle of the "**High Masters**" of the Abra-Melin Witchcraft.

The fourth supreme occult initiation occurred in July, 1989, in the presence of a mighty spirit being known as Ba-Vara, who operates as "**Lord**" in the ultimate hierarchy of the forces of darkness, known as the "**Order of Terrestrial and Astral Hierarchy**". Then I became a principal human agent empowered to operate on Earth as "**The Living Grand Master of the Order of Terrestrial and Astral Hierarchy**", while I was named '**Omka**' as my secret occult name.

I underwent the fifth and the last supreme occult initiation in August, 1990. This took place in the presence of the Prince of Darkness, the entity Satan, who in that appearance bore the name '**Chitanam**'. He is the '**most high authority**' in all the realms of darkness, amongst the entire hosts of darkness. There are literally some physical organisations, even named after him, fully representing him in the world of man. Details of all these, including this fifth supreme occult initiation, amongst other things, are confessed and published in my book entitled 'Occult Grand Master Now In Christ Vol. 1'.

## **MYSTERIES OF THE DARK WORLD**

**BBC Radio:** You spoke of “**esoteric mysteries**”, what do you mean by that?

**Archbishop Uzorma:** Mysteries of life can be unveiled on the path of Light, the path of Christ, by the Holy Spirit. However, esoteric mysteries, when connected to the vicious occult, are related to the secret or confidential knowledge of psychic and spiritual systems of reality. This, if accessed from the platform of the forces of darkness, must be revealed via the proclaimed Inner Guides, Astral Projection or Soul Travel. It is a profound aspect of the secret knowledge of occult *modus operandi* available only to the higher initiates of the Prince of Darkness -- Satan.

(Satan exists as an entity, a spirit being. He came to tempt Christ in the wilderness -- Math. 4. He is the "**shining one**" -- Nachash, the old Serpent who deceived Eve in the Garden of Eden -- Gen. 3. He attended the meeting of the "**sons of God**", presided over by the LORD Jehovah, wherein the issue of Job was discussed -- Job 1 and 2. He is Lucifer, the fallen Archangel, whose fall into the astral realms of Earth weakened the nations on the physical realms of Earth -- Isa. 14. He went to resist Joshua, the High Priest of the ancient Israel -- Zach. 3. He was cast out of the Heavenly realms of Light with all his rebellious angels that finally became the hosts of darkness -- Rev. 12. He met Archangel Michael to struggle for the body of Moses -- Jude 1, amongst others).

*Hidden Terrorists*

## **INTER-PLANETARY ORGANISATIONS**

**BBC Radio:** You were elevated to the position of the '**Living Grand Master of the Order of Terrestrial and Astral Hierarchy**'. What organization is that?

**Archbishop Uzorma:** There are innumerable Forces of Light and forces of darkness in both our Solar and Galactic Systems. There are innumerable species of humanoids in the subtle realms of the Solar System, the Galactic Systems and beyond. The earthmen are amongst the least developed species of humanoids in all these systems. These species, however, are often grouped into diverse Inter-Planetary organisations, both of the Forces of Light and the forces of darkness.

The Order of Terrestrial and Astral Hierarchy is a leading Inter-Planetary organization that covers the entire hosts of darkness at certain levels. It gave birth to diverse secret societies on the physical realms of Earth, including '**The COMANS Order**', the dissolved secret society that I founded and led in the past. There are different Inter-Planetary organisations of the Prince of Darkness, which some cults, churches and fraternities represent physically on Earth.

As earlier stated, there are Inter-Planetary organizations in the high realms of existence, both For the Forces of Light and the forces of darkness. Amongst the large numbers of Inter-Planetary organisations includes these few:

*Hidden Terrorists*

1. Council Chamber of the Morning Stars and the Sons of God (Job 38:7; Rev. 22:16);
2. Cosmic Brotherhood of Space Masters: (often in Space Combats against the Space masters of darkness for the good of the Earth-world -- Dan. 10:12, 13,14,20; Rev. 9:13-15.)
3. Order of Vairagi: (responsible for the physical manifestation of Eckankar, as well as the spiritual training of the Mahanta -- The Living ECK Master.
4. The Inter-Planetary Parliament of the Forces of Light (riders of the 'Star No. 3' of the Army of Heaven -- Rev. 19:14).
5. Great White Brotherhood (the Divine Spiritual Hierarchy of Earth, wherein dwells the "**God of the Earth**" -- Rev. 11:3,4).
6. Great White Brotherhood (which is not the Spiritual Hierarchy of Earth, but is responsible for the physical manifestation of the Rosecrusian Order or AMORC, Eastern Order of Sacred Mystery, Twilight Zone, etc).
7. Ancient Secret Order of Lord Yima of Persia (responsible for the physical manifestation of many secret societies and bloodthirsty cults in the world of man).

### *Hidden Terrorists*

#### **THE EVIDENCE**

**BBC Radio:** You said that there are spirit beings and humanoids in other Planetary Systems. What evidence do you have, and how would you convince people to believe this?

**Archbishop Uzorma:** What I am saying is that there are more than the eyes can see. If one doesn't know whom his father is, let him ask his mother to tell him. As far as spiritual reality is concerned, the Holy Bible is the '**mother**' of Divine knowledge. What The Bible says is our final evidence. The Bible categorically says that “**we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places**” (Eph. 6:12). This is my evidence.

However, for further confirmation of this evidence, am sure that you are aware of many strange things happening on the physical realms of Earth. How do you explain the visits of beings from other systems of reality beyond the Earth-world to the physical realms of Earth? This is happening in Europe, America and other parts of the world. Does it not at least show you that there are living personalities, good or bad, existing in realms and dimensions beyond the Earth-world?

Can you recall what happened in Michigan, United States, on the 23rd of November, 1953? A strange space-craft from another world entered the United States air-space and was detected by the radar screen of the Kinross Air Base. An F-86 jet aircraft, piloted by Flight Lieutenant R. Wilson, was dispatched

### *Hidden Terrorists*

to chase the space-craft. The jet chased the space-craft for about 160 miles, but the space-craft finally magnetized the jet and took it, with the pilot, out of this world unto this day. This greatly bamboozled the United States armed forces. Where did the space-craft come from? Where did it take the jet and its pilot to?

Haven't you heard about the Pleiadians? This is a race of humanoids with a population of over 127 billion. They reside in the Planet called Erra outside the Solar System. They exactly look like the earthmen, but apart from '**benefiting from greater time and greater knowledge**', they have a technology which lies over three thousand years ahead of the children of men. Semjase was the first astronaut that the Pleiadians sent to the Earth-world, and though she was very pretty and young in human terms, she actually was 344 years as at 1978.

She came because the Pleiadians wanted to make contact with the earthmen as their Inter-Planetary brothers. Since then, they have made several contacts, though held as top secret by governments, especially in the United States. The Pleiadians, using their advanced technology, developed the equipment that records '**Soul Patterns**', which enabled them to locate the Earth-world and make contacts. Their first contact was with Eduard Billy Meier, a Swiss farmer, on the 28th of January, 1978. This is just to mention but a few.

Listen, there are humanoids, men, good and vicious men, personalities with human form, scattered around all the

### *Hidden Terrorists*

Universes of God. The Holy Bible also informed us that there are 'men' in diverse realms beyond the Earth-world. It says: **"And no man in Heaven, nor in Earth, neither under the Earth, was able to open the book, neither to look thereon"** (Rev. 5:3).

### **BATTLE AGAINST THE HUMAN RACE**

I can say categorically, from my experience, that there are high personalities, entities, forces of darkness in battle against the world of man. There are also high profile Forces of Light that are committed for ages towards the wellbeing of the earthmen. And there are Mighty Universal Forces that are neither fighting nor directly protecting the world of man. However, I am committed towards exposing the entities -- forces of darkness -- who are in battle against the world of man.

It is important to understand why some of them are in battle against the children of men. They look at the children of men as their 'farm-lands'. Just as we plant edibles in our farm and feed from it, there are certain entities whose food is the mental energy arising from human acts of wickedness. They ensure that man lives in wickedness, so as to feed fat from the wicked mental energy of the children of men. (This is well explained in my book entitled **'Deeper Realities of Existence Vol. 1'**).

What do you think is responsible for the high profile terrorism in our world today? It is nothing but the mass invasion of the human minds, in the guise of religious extremism, by the network of the forces of darkness, to generate the kind of food

they consume. This is also responsible for armed robbery, kidnapping, arson, rape, murder, oppression, psychic attacks of witchcraft and all forms of wickedness.

### **ASTRAL PROJECTIONS AND VAIN DOCTRINES**

**BBC Radio:** What is your opinion about the realms of darkness that you visited in the past?

**Archbishop Uzorma:** Many of such realms were visited via astral projections or '**Soul Travel**', but let me recall a particular realm that I frequently visited, called '**Svetavipa**'. The entities in this realm are spirit beings operating as custodians of highly concentrated esoteric energy-essence used in diverse spiritual and psychic attacks. This realm hold the occult seal of the Abramelin Witchcraft, operating via Gobi desert.

Just as we have the ocean of water in this world, there are various kinds of oceans in different spirit realms, including Svetavipa, such as the ocean of beer, the ocean of blood, the ocean of sperm (strange milk), to mention but a few.

The Word of God says that we are fighting, “**against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high place**”. These forces are not mere human beings, rather they are mighty spirit entities in different realms, who could possess and use humans as principal agents.

It is important to note that some of these entities do fight the

### *Hidden Terrorists*

children of men in different ways. One of the ways through which they try to lead men astray, is via the promotion and spread of false doctrines and mundane philosophies, that are in opposition to the recognition of the reality of the Word of God.

The Word of God is the ultimate source of Divine protection of the earthmen in this creation. This should culminate in the consummate essence of the true worship of the Lord God Almighty through Christ. But the forces of darkness are constantly in motion, via vain philosophies, to prevent the bona-fide understanding of man in this connection. Otherwise, how should man terrorise and kill innocent people, hoping that by so doing he will inherit Paradise.

Thus, the Scripture warned: **“Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, not after Christ”**(Col.2:8).

I am aware, however, that these false doctrines and philosophies originally emanated from hundreds of **'temples of occult mysteries'** located in the variegated realms of the forces of darkness. For instance, the earthly scientist (astronomers) know of a place on the far side of the Moon, which they call **“Station No. 9”**. But in the hidden recesses of that location lies a mysterious vicious occult chambers; one of the vicious occult chambers wherein vain doctrines and violence against the Earth-world, amongst others, are worked out.

### *Hidden Terrorists*

In their related combined spiritual warfare against the children of men, the forces of darkness established different astral chambers. It was from some of these chambers that scientific research centres were established on the physical realms of Earth that invented atomic and hydrogen bombs, as well as all the armaments of physical war. (I have extensively spoken about the core danger of atomic radiation, beyond what the earthly scientists know, in my book entitled '**Deeper Realities of Existence Vol. 1**').

Some powerful forces of darkness are in charge of the propagation of false doctrines; some focus their esoteric energies towards the spread of terrorism; some spread lust waves and sleep waves, to weaken and dominate the minds of human beings; some engage in the advancement of the preparation of talismans, idols, charms and amulets.

Some still manipulate the influence of the Stars upon the earthmen, to sustain the occult cycle of horoscopes; some promote the love of money for the enslavement of the earthman; to mention but a few. These are all contributed into the central pool of the attacking army of the hosts of darkness -- the witchcraft spirits -- for the on going war against the human race.

### **THE LIGHT OF THE WORLD**

**BBC Radio:** Strange things in our world indeed. What was your opinion about Jesus Christ in the past and what is your present opinion about Him?

### *Hidden Terrorists*

**Archbishop Uzorma:** Now I know the Great Lord Jesus the Christ as the Supreme Master and Lord of the Universe. He is the Consummate Lord of Everlasting Light. He practically demonstrated Universal Love, the only way to God. He is real, very real. I directly encountered Him. He has been manifesting and revealing Himself on diverse occasions to me.

Today, I am a believer in the Great Lord Jesus the Christ, who died for the sins of the world, but resurrected from the dead for the victory of the saints in His Light. To me today, His Power is real; His Holy Name is real; His Holy Blood that He shed is real. I believe that the Great Lord Jesus the Christ is the Light of the world.

In the past I had a dual opinion about Jesus; that was my exoteric and esoteric aspects of thought. In the exoteric aspect of my opinion, I held that Jesus was a lesser lord and one of the minor past masters of the 3rd degree supreme initiation. Within the occult framework, the third supreme occult initiation is in the lower strata of the hierarchy of the hosts of darkness. And we were made to believe that Jesus was an initiate of the third supreme degree.

In the esoteric aspect, however, I held myself to be higher than Jesus. That was when I became “**Perfect Master**” of the 5th and the last supreme occult initiation. And because we considered Jesus to be a "Master of the Third Cosmic Degree", I sincerely believed that I was higher than Him.

*Hidden Terrorists*

This fallacy was more sustained then due to advanced inner psychic manipulations of the hosts of darkness against their principal human agents, who are sincerely deceived. For instance, I met an entity or spirit being called '**Jesus Ajonichim**', who lied to me that he was the Jesus Christ that lived on Earth. Then I held that to be confidential "**truth**".

This entity even worshipped me when I became "**The Living Grand Master**". So I was sincerely deceived! But when I at last encountered the true Great Lord Jesus the Christ Himself, He totally banished my occult powers and delivered me. (See Occult Grand Master Now In Christ Vol 1, by Iyke Nathan Uzorma). Then I knew the truth: that Christ is real while "**Jesus Ajonichim**" is fake.

Therefore, I am presently convinced that the Great Lord Jesus the Christ is the Lord of Light, the Lord of Everlasting Life and the true way to God. By the Mighty Power of the Spirit of God, I am now operating in the consummate recognition that any power outside the Light of Christ is bogus in all aspects.

I have exposed this in diverse places, through ministrations and several publications, the essence of which is to urge the earthmen to submit to the Holy Spirit and be guided by what the Holy Scriptures say concerning the Great Lord Jesus the Christ. Speaking of Christ, the Scripture has it that:

***“Wherefore God also hath highly exalted Him and given Him a name which is above***

*Hidden Terrorists*

*every name: that at the name of Jesus every knee should bow, of things in Heaven, and things on Earth and things under the Earth; and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father” (Phi 2:9-11).*

The Scripture spoke further of Jesus: **“For by Him were all things created, that are in Heaven and that are in Earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by Him, and for Him”** (Col 1:16).

I am sure you are aware that there are many occult groups, secret societies and fraternities on Earth. They speak of **“God”**, but they are truly outside the bonafide spiritual path. Any path contrary to 'The Supreme Spirit of God' we know as Christ, does not lead upward but downward in the journey of life. In the words of Christ Himself:

*“Verily, verily I say unto you, he that enterth not by the door into the sheepfold, but climbeth up some other way, the same is a thief and a robber” (John 10:1).*

The **“sheepfold”** in this connection is the Kingdom of God. The only door to this Supreme Abode is Christ. Period. Those attempting to enter the Kingdom of God without Christ in the centre of their lives, are the proclaimed thieves and robbers. It is

a fact, however, that such people may be sincere, but then they are sincerely deceived.

This understanding is the most vital spiritual truth -- that Christ is the only door to the sheepfold. The Lord Himself established this thought when He said: **“I am the door; by Me if any man enter in, he shall be saved, and shall go in and out and find pasture”** (Jn. 10.9).

### **JESUS AJONICHIM**

**BBC Radio:** You met '**Jesus Ajonichim**' in the spirit world and accepted him then to be Jesus Christ?

**Archbishop Uzorma:** It was a higher game designed to deceive me in the spirit realm, and I was sincerely deceived. Jesus Ajonichim is a spirit being, an astral entity in disguise. He told me a lot of lies then. For instance, he told me that everything recorded in both the Bible and the Koran took place here in Nigeria and I believed him.

Consequently, I "**sincerely**" hated the white race for coming to steal away such knowledge from our forefathers and bringing it back to us in the form of Christianity and Islam. This fallacy is also prevailing amongst some fraternities that originated in Black Africa. Remember that the Prince of Darkness will first of all deceive you, before he will use you to deceive others.

During the astral conference we held in the psychic spheres of the Zuma Rock, near Abuja, Nigeria, the entity, Jesus

### *Hidden Terrorists*

Ajonichim, further told me certain things. He asked me: "**Do you know why Christians write 'INRI' on the cross?**" I responded in the negative. Then he explained thus: "**The inscription 'INRI' is the secret acknowledgement of the community called 'Inri' in Anambra State of Nigeria, where I truly died on Earth**". This was amongst the things I held as "**truth**" in the past. Do you now see how I was sincerely deceived?

### **MYSTERIES OF THE SEA**

**BBC Radio:** Is it true that there are spirit beings in the water? Does the water kingdom of darkness really exist?

**Archbishop Uzorma:** There are various entities in different realms of creation and systems of reality. Some of these entities operate in Light, while some operate in darkness. The water we see is just like a contact point or a road leading to worlds and realms, more advance in material and subtle status than the physical realms of Earth. As we have good and bad people on the physical realms of Earth, there are good and bad spirits, including Angels of Light and forces of darkness, in the water realms.

If you read your Bible well, you will see where mention was made about the Angel of Light resident in the water realms. Some people think that the water realms are only filled with the forces of darkness, but this isn't the case. Don't forget that in the beginning, the Spirit of the Lord "**moved upon the face of the waters**" (Gen. 1:2).

This clearly indicated that the Mighty Spirit of the Lord reserves the absolute prerogative of hosting the Angels of Light anywhere, including the water realms. Remember when the '**third Angel**' of Light poured his '**vial**' upon the waters and what the great Angel of Light resident in the water realms said. Thus, the Scripture says:

*"And the third Angel poured out his vial upon the rivers and fountains of waters; and they became blood. And I heard the Angel of the waters say: Thou art righteous, O Lord, which art, and wast, and shalt be, because thou hast judged thus. For they have shed the blood of saints and prophets, and thou hast given them blood to drink; for they are worthy" (Rev. 16:4,5).*

However, on the network of the forces of darkness, the entire spirit beings of the water kingdom have their headquarters around the very location generally called the Bermuda-Triangle. The spirit being in charge of that place is a very strange and powerful entity. He is like a captain of the hosts of darkness. He is responsible for the total disappearance of different aircrafts and steam-ships that have attempted to pass through the triangle. All these, amongst other things, are well exposed in my different publications.

*Hidden Terrorists*

**ABOMINABLE CRAFTS**

**BBC Radio:** What are your views on fortune-telling and horoscopes?

**Archbishop Uzorma:** The Scripture says “**There shall not be found amongst you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or enchanter, or a witch or a charmer, or a consulter with familiar spirits, or a wizard or a necromancer. For all that do these things are an abomination unto the Lord: and because of these abominations the Lord thy God doth drive them out from before thee**” (Deut. 19:10-12).

I want to tell you categorically that fortune-telling and horoscopes are different forms of divination which are abominations before the Lord. These, amongst other things, are specific channels of witchcraft enslavement leading people blindly to the path of the vicious occult.

**BBC Radio:** Can you speak more on some of the philosophies that spirit beings in other planets have propagated on Earth to lead men astray?

**Archbishop Uzorma:** Multitudes of vain philosophies, as I earlier stated, are brought to the Earth-world solely to manipulate the truth and thus deceive the earthmen. Of course the ultimate aim of the Prince of Darkness and his forces is to deceive human beings, to make evil appear as good and to lead

man astray.

However, the human agents of the forces of darkness, though whom these vain philosophies come to the physical realms of Earth, are sincerely deceived, because they do not know that they are propagating the concepts of fallen angels -- enemies of the human race.

Now, one of such philosophies deals with the theory of when the Soul personality enters the body of a child. Some masters of the esoteric framework, including myself in the past, taught that the Soul personality enters a child immediately after birth. Based on the recognition that Souls live in the eternal essence of sound vibrations, it was further taught that the sign to show that a Soul has entered a new born baby is the sound of a cry, without which the child cannot live in the world of man.

Great occult masters established through this thought that abortion is not a wrong practice. For during abortion, according to this philosophy, no harm is done to the Soul, only the foetus which has no Soul is removed. It was this occult philosophy that influenced the legalization of abortion and fornication in different parts of the world.

Furthermore, the occult lie that Jesus the Christ and Prophet Mohammed were Nigerians; that Owerri was the Jerusalem; Benin City was Egypt; Illesha was Bethlehem; Inri was Golgotha; Kano was Mecca, while Kaduna was Medina, were all designed to lead man astray.

### *Hidden Terrorists*

There is also a philosophy that Souls do not survive death, that at physical death, Souls cease to exist. Also, the occult philosophy of homosexuality and same-sex marriage, though enacted in some places under the so-called fundamental human rights, are all abominations to the Almighty Creator of man and all things. There are several other vicious occult philosophies that are in motion to dominate the human mind and the human world towards the path of darkness.

The ministers of the Prince of Darkness, high politicians and messengers of the vicious occult, who propagate these vain philosophies, are operating in disguise as “**agents of light**”. The Scripture says:

*“And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works” (2nd Corint. 11:14).*

### **MESSAGE TO THE WORLD**

**BBC Radio:** You said that Jesus Christ have been appearing to you since your direct encounter with Him, which led to your conversion. Could you shed more light on this.

**Archbishop Uzorma:** On many occasions the Lord has spiritually appeared to me, and His Angels too. The Lord has appeared to me even physically on several occasions. He

*Hidden Terrorists*

specifically empowered me to operate on Earth, and said to me: **"You are, by My Spirit, the Harbinger of the Last Covenant"**.

He appeared and gave me three things: Bible, Oil that never diminishes and Mantle. These are with me unto this day, and have been used at diverse times to banish the attacks of the hosts of darkness, amongst other things. I can say categorically that when one meets physically or spiritually with the Lord of the Universe, his inner-spirit attains consummate Divine anointing and true knowledge. The Great Lord Jesus the Christ, and His Mighty Angels of Light, have fed me in the Spirit beyond what I can express.

**BBC Radio:** How do your disciples who were involved in your secret cult respond to your conversion to Christ?

**Archbishop Uzorma:** The Holy Spirit is doing His work. Many of my past disciples have come to the Lord just by knowing that I am in Christ. Even the Chief Scribe of the society that I founded in the past, ('The COMANS Order' now dissolved) also come to the Lord. Let me also inform you that many students and masters of the vicious occult in different parts of the world have come to Christ through my expositions and ministrations.

**BBC Radio:** What message do you have for your listeners?

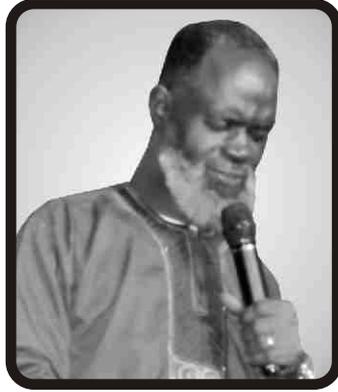

**Archbishop Uzorma:** I wish to recall the words of the Great Lord Jesus the Christ, in John chapter 14 verse 6: **"I am the way,**

*Hidden Terrorists*

**the truth, and the life: no man cometh unto the Father, but by Me”.** I want all to understand this. That is my message!

The teachings of Christ, the Supreme Lord of Light, stand ultimately as the only panacea to the problems of the Earth-world. We should always pray for the Holy Spirit to transform, by God's Grace and Mercy, the terrorists, the witches and wizards, the vicious minded people of this world, for all to live in love and peace.

A word is enough for the wise.

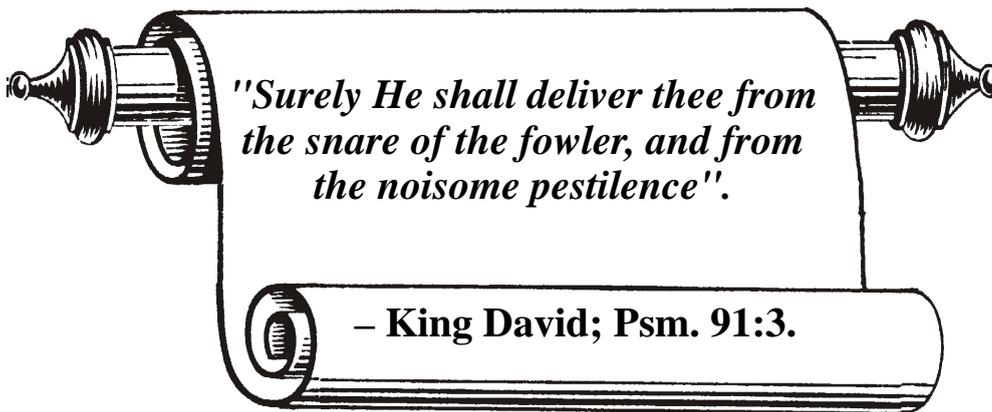

## CHAPTER 3

# WITCHCRAFT OPERATIONAL CODES ---PART1

(Questions And Answers)

### **CARRIERS OF HEAVY LOAD**

**Question:** Dear Harbinger of the Last Covenant, you spoke about some of the codes of witchcraft during your ministration. Please, can you explain more, especially about the code on heavy load?

-- Fred Adebayo; Ikeja, Lagos, Nigeria.

**Answer:** '**Carriers of heavy load**' is one of the operational codes of witchcraft. The leading operating platform of this code is mostly embedded in the elements of the Black Witchcraft, but in conjunction with other kinds of witchcraft.

When one is under the attack of this code, certain things will be evident as heavy burden or loads upon his life. Also, when one is under this attack, without the direct intervention of the Mighty Spirit of Christ, he will go down under heavy load. The Spirit of the Lord is the only solution to all the loads of life, mostly brought about by the devices of the forces of darkness.

The forces of darkness have the capacity to go into the records of your entire being, extract the problems therein, as you reap what you sow, and enforce the waiting problems upon you. These are problems which the Spirit of the Lord would have abated, if you had firmly followed the path of Light established by the Great Lord Jesus the Christ. When you strictly follow the path of Light, the path of the Lord, the Lord fights your open and secret battles, most of which you don't even know.

A woman under the attack of this witchcraft operational code

### *Hidden Terrorists*

was once brought to me. This woman was pregnant like any other woman, but the forces of darkness stepped in with their manipulations. The attack against her pregnancy came through her father-in-law, who is a juju priest and wizard of the Black Witchcraft.

He asked her for financial assistance, but she didn't give him. Instead she told him: "**Papa, nothing for you. You will use my money for your juju**". This is not spiritual wisdom at all. In turn he used the woman's "**refusal**" as the "**astral legal right**" to attack her pregnancy. All the operational codes of witchcraft function within the occult ambit of "**astral legal right**". They know what the Supreme Lord of Light gave to believers as their Divine codes of victory in Light. They know when one contravenes this, as well as how to use it as a right of attack.

The Scripture says that "**the curse causeless shall not come**" (Pro. 26:2). The forces of darkness are aware of this. All the attacks of the operational codes of witchcraft are based on the "**astral legal right**" systems. It must be based on: "**because of this, I am doing this or that**". Before I became the '**Living Grandmaster of the Order of Terrestrial and Astral Hierarchy**' in the past, I was directed by the hierarchical lords of darkness to completely read the Holy Bible three times, which I did.

Unfortunately, some believers today don't even have time to read the Holy Scriptures. Some haven't read the Bible from Genesis to Revelation even once. Could you remember when

the Prince of Darkness came to tempt The Son of Man in the wilderness? He quoted the Holy Scriptures to express his "**astral legal right**" of manipulations. Isn't it a serious aberration that an agent of darkness could have time to read the Bible more than a believer in Christ?

Remember the admonition of the Great Lord Jesus the Christ thus: "**Give to him that asketh thee, and from him that would borrow of thee turn not thou away**" (Math. 5:42). It was on the basis of this that the wizard stood to attack the woman's pregnancy. Christ also admonished us thus: "**Be ye therefore wise as serpents, and harmless as doves**" (Math. 10:16).

Therefore I say: If one asked you for a thing, and you have it, give it to him in the Name of the Lord. If he is an agent of darkness and uses it against you, surely the Spirit of the Lord will set a standard of victory for your sake. Believe in the Lord. He is real. He fights for those who believe in Him. If you don't have to give when asked, simply respond thus: "**What you asked from me is not available now, but the Lord will provide for us**". This kind of response can't be used by the realms of darkness to attack anyone, because you have brought in the Eternal Lord of Light.

### **THE WOMAN'S PREGNANCY**

By the witchcraft attack on the woman's pregnancy, her pregnancy lasted for over three years. This was also because she wasn't strong in the Lord as required by the Lord Himself. If you

### *Hidden Terrorists*

are strong in the Lord, even when an agent of darkness exercises the so-called "**astral legal right**" against you, the Mighty Spirit of the Lord will send the attack back to sender.

At first when her pregnancy had passed the period of delivery, she went to many places seeking for help. Different pastors and prophets prayed for her. Most of them admonished her to seek for higher anointing as, according to one of such prophets, her predicament was a "senior one".

At a stage she was taken to a church deliverance centre. There her solution came, as a Divine revelation was given to her thus: "**Let her be taken to the Harbinger of the Last Covenant. I will deliver her through his finger**". Consequently, she was brought to me. I discovered that she was under the attack of the witchcraft operational code of "**Carriers of heavy load**".

I was directed by the Spirit of the Lord to place the Holy Bible, which the Lord manifested and physically gave me, on her stomach, which I did. Then I issued a Divine decree against the astral legal right of that attack. I commanded the baby in the womb to rise and come forth in the Name of Christ. Seven days later, the woman gave birth to a baby boy.

### **HEAVYLOAD CARRIERS**

**Question:** Daddy Harbinger, how can we overcome the heavy load of witchcraft attacks? Please enlighten me sir.

-- Venita Jetter; Stamford, Connecticut, USA.

**Answer:** The carriers of the heavy load operational code of witchcraft is very tricky in execution, from the point of witchcraft spirits and their human agents. However, this is the case in all their operations and operational codes. Witches are out always looking for a fault in humans, for the purpose of possessing the astral legal right to attack their targets.

This process is very tricky because, for instance, if on one hand you say "**good morning**" to a witch it becomes a "**problem**". If on the other hand you refuse to say "**good morning**" to him, it also becomes a "**problem**". If you greet him good morning, the witch will say "**I don't need his greetings, am offended by it**". This immediately becomes his so-called astral legal right of attack, if you are a target of attack. If you also failed to greet him, and you are target of his witchcraft attack, he will say that you have snubbed him as a further right of attack.

These are minor astral legal right, however, because the major astral legal right is when you are discovered by the hosts of darkness to be deep in sin, and in that state you are identified as a target of attack. Nevertheless, it is important that the earthman knows about the issue of the astral legal right of attack, whether minor or major, used by the hidden terrorists of the dark world.

I have said that some of the astral legal rights are tricky from the framework of the forces of darkness. Because they are no right at all, but because the agent of darkness must have or say something as his basis of attack, he seeks for flimsy things to say. We should learn how to disarm the agents of darkness and not

ignorantly arm them against ourselves. The Great Lord Jesus the Christ laid the foundation of our victory in this connection, when He specifically admonished us on how to greet others. He said:

*"And into whatsoever house ye enter, first say, Peace be to this house. And if the son of peace be there, your peace shall rest upon it: if not, it shall return to you again" (Luke 10:5,6).*

This is very important. This is one of the primary admonitions of the Great Lord Jesus the Christ, not officially inculcated into the precepts of our contemporary Christianity. Do we forgot or what? We have allowed the English culture of "**good morning**" and such like to overtake and even subjugate some primary teachings of the Blessed Lord. The Prophet Mohammed understood this and ensured that it becomes officially inculcated and practiced in Islam.

Christ admonished us to show love. That is what we give out to others in His Divine Light, but the greatest thing he gave us before His departure from the physical realms of Earth, isn't money, cars, horses and chariots, food, land or clothes, but PEACE. He said: "**Peace I leave with you, My peace I give unto you**" (Jn. 14:27).

Let me say this: The Peace of Christ, when given, when pronounced, is totally and completely beyond the purview and

*Witchcraft Operational Codes ---Part 1*

manipulations of the Prince of Darkness. If it is given to a child of peace, it comes upon the giver and the receiver with the increase of Divine Light. If it is given to one who is not a child of peace, even to an agent of darkness, because it is beyond manipulations, it will return to the giver, but certainly it will never return with any element of darkness.

If an agent of darkness says, "**this man greeted me peace, I don't need his peace, therefore this is my astral legal right of attack**", he will be undoing himself in the process. If he goes ahead with his proposed attack, because your peace, which carries the Eternal Potencies of Christ, has already returned to you, you are therefore immune to his attack. That agent of darkness will surely be subjugated in his attack and could himself perish in it.

Now, back to the carriers of heavy load operational code. This operates mainly in two aspects. The first aspect comes when an agent of darkness, using the aforementioned astral legal right, calls forth the witchcraft spirits to attack a person. In this case, such agent of darkness is not himself a specific embodiment of this operational code. This first aspect has more agents and is more used by the agents of darkness.

The second but higher aspect is when the agent of darkness is the embodiment of this operational code. He becomes himself a specific carrier, a constant carrier, of this code. To become this, one must have risen in the circle of manipulations of the occult systems of the witchcraft spirits. Thus, this operational code

### *Hidden Terrorists*

will be embedded in any part of his (or her) body -- hand, private part, eyes, mouth, tongue, fingers, amongst others. Such persons are extremely dangerous, however.

For instance, the person whose penis or vagina is a specific carrier of the heavy load operational code, is one of the most dangerous humans, as far as the attacks of witchcraft spirits are concerned. Woe will surely lodge in the bosom of anyone who commits fornication with a witch or wizard whose private part is a carrier of the heavy load operational code. Some attacks on this platform lead to instant death.

Now, I met an earthman upon whose right hand was embedded the "**carriers of heavy load operational code of witchcraft**". This wizard got to a high level wherein his right hand (carrier of heavy load) was working in conjunction with two other operational codes of witchcraft, namely, (i) 'Double Slayer of Destiny', and (ii) 'Dry Leaves That Hover'. Whosoever was his target of attack and comes into direct contact with his right hand, if such a person is not strong in the Lord, he will be maimed.

For instance, if one is about to get married and tells him, he could pat the person's back with his right and say a word, which may even be "**congrats**", but that marriage stands dissolved or stolen, if one is not strong in the Lord. In this way, he could plant sickness on a person, ruin business and financial ventures, block excellence in academic career, amongst other things.

I met this great wizard, this hidden terrorist, in the house of one

of my in-laws. He heard that I visited and came for attack, to try his vicious occult powers. It is said that every day for a thief, but one day is for the owner of the house. It is also said that the mighty ocean does not swallow anyone whose legs it didn't see.

As my in-laws heard his voice outside, one of my in-laws told me: **"The Harbinger, we are all scared of this man. We don't want him to come close to you, he is an evil man, and has caused havoc in this community"**. That was when they heard him saying: **"Where is our great in-law? I have come to greet him. I told my in-laws: "A tree that doesn't know how to dance will be taught by the winds. As the agents of darkness are searching for people to destroy, the Harbinger of the Last Covenant, by the Spirit of the Lord, is also in search of them"**.

Having said this, I came outside to meet the man. You see, some of these agents of darkness behave like a fowl that is drunk; until the fowl meets with a mad wolf, then it will know the difference between what is and what is not. Some high profile agents of darkness think that my coming to Christ has brought me down to a lesser system of power. They forgot that those who stand firmly on the path of Light in Christ, are the highly elevated beings in all the realms of Earth.

As soon as the great wizard saw me, he raised his right hand for a handshake. Therein lies the attack, the craft, the manipulation. The Spirit of the Lord opened up my spiritual eyes and I saw his right hand as a python. His five fingers were the head of the

### *Hidden Terrorists*

python. And the Words of the Lord came to me, saying: "**Hold the head of the python firmly and destroy it**", which I did in the guise of a handshake.

To the onlooker, it was a mere handshake and greetings, but beyond the veil it was an intense spiritual battle. As we held each other, he told me: "**Great in-law, you are welcome. How is the family?**" I responded: "**Peace be unto you, my in law. We are fine. You are a great one indeed**". As we were in the exchange of greetings, he was busy struggling to free his hand (the python's head) from mine, but I held firmly to it till it died whilst the tongue of the serpent protrude out.

From that moment, all the attacks embedded in that hand were totally banished, following the death of the python. This was also a relief to all those who would have been further subjugated via the python-hand. However, within three days, that right hand got completely paralysed.

### **DOUBLE SLAYER OF DESTINY**

**Question:** The Harbinger, how does the double slayer of destiny work against people from the powers of witchcraft?

-- Wilson Ogunewe; Abu Dhabi, United Arab Emirates.

### **Answer:**

The '**Double slayer of destiny**' operational code of witchcraft, like other operational codes, is very dangerous to humans. This code operates, like others, in conjunction with other codes. All the codes of the forces of darkness operate in synergy between

*Witchcraft Operational Codes ---Part 1*

themselves, for the overall purpose of results, namely, to subjugate the children of men.

In the first place, when the powers of darkness go into the pool of probabilities of one's destiny, they can know which is which, which is benevolent or malevolent. They know that the actualization of each of these probabilities lies in one's volition, consciousness and mental pattern, via expectation, wish and desires, which govern all actions and realities. By manipulations of darkness, therefore, benevolent destiny can be thwarted, perverted and replaced with the malevolent. When one is strong in the Lord, the Spirit of the Lord guides his consciousness towards the actualization of the destiny of honour.

Destiny can be changed. Destiny can be stolen. Period. Remember that there was a destiny inherent in the Words of God to Moses, that he (Moses) will lead the children of Israel to the promised land. But along the line something happened to the end that Moses himself failed to enter the promised land. And due to what happened, which was a disobedience to God, the Prince of Darkness assumed the astral legal right and came at last to take the body of Moses. He met Archangel Michael, who rebuked him in the Name of the Lord. (See the book of Jude).

This code operates manly against persons who have enormous potential benevolence in the pool of their probable systems and items of destiny. It works to steal and outrightly banish the good and replace it with the bad. It operates as a double slayer,

### *Hidden Terrorists*

because Blind Witches are often used to steal same, then they will in turn steal it away from the Blind Witch for the specific agent of darkness whom it would be handed over to. This can only happen to a person who is not strong in the Lord. And in this connection, one's wealth, or any good thing, can be stolen from him and given to another person.

#### **THE ATTACK ON DESTINY**

**Question:** On the double slayer of destiny, Daddy Harbinger, how does it practically affect the believer and people in general? How can a stolen destiny be recovered?

-- Onyinye Julie Mbanefo; Abuja, Nigeria.

**Answer:** A true believer must be firm on the path of the Great Lord Jesus the Christ. You must be strong in the Lord and in the Power of His Might, otherwise you won't escape the witchcraft high profile manipulations. And whatever happens to you, you have yourself to blame for not being firm in the Lord, for being slothful in the Spirit.

I have this "**daughter of God**" in Akure, Nigeria. She is an usher in a Pentecostal church, but she wasn't strong in the Lord. Meanwhile, the day she called me on phone, in the course of our discussion, I spiritually recognised that she has lots of benevolence in the pool of the probable systems of her Soul destiny. When such is found in you by the forces of darkness, you must be a target of their attacks.

I spoke to her along this line and admonished her to be strong in

*Witchcraft Operational Codes ---Part 1*

the Lord. I assured her that for as long as she remains faithful, true and worthy on the path of the Light of Christ, she will surely fulfill a destiny of honour in the world of man. But you know, the Words of God are for those who have the ears to hear.

One day I had a vision wherein this sister was in a romantic mood with a politician, who is a Blind Witch. I called her and she confirmed the vision in tears. I warned her to desist from such. Another time again, I saw her in a hotel in a vision with another Blind Witch. Again I called her. This time around she confessed how she followed this second man on a mere outing. According to her, she didn't intend to go to a hotel with the man, yet the man took her to a hotel and she didn't refuse either. As the man was romancing her in one of the rooms of the hotel, she remembered the Words of God I spoke to her. Then she ran out of the room.

That day I gave her the last warning of toying with her destiny through illicit association with the agents of darkness. She promised the Lord never to do such a thing again. Nevertheless, I still saw this sister the third time in a vision, with the second Blind Witch sucking and fingering her private part. She said within herself: **"I want to collect money from this man, but I won't allow him to enter me with his manhood. He can only suck and finger me, after all that doesn't matter much"**.

In that vision, I saw how the man's finger and tongue turned into anthill, blocked her private part and from there he stole her wealth completely. I also saw, amongst other things, how

### *Hidden Terrorists*

another powerful agent of darkness, related to the lady, forcefully took away the stolen wealth from the Blind Witch and added it to his wealth. Then I knew that the so-called "**daughter of God**" is finished. I knew that, because of her foolishness and mental pattern, the witchcraft spirits have attacked her with the double slayer of destiny operational code.

She didn't know exactly what happened to her, yet she hid it from everyone including the Harbinger of the Last Covenant. I waited for her to come up with it by herself, but she didn't. Then some days later I called her and told her everything that was revealed to me about her. She confirmed the whole thing as if I was physically there. She told me that the moment the man began to finger her, she had a strange pain inside her private part like the bite of an insect for few days.

When she heard all that happened to her, because of her disobedience, she began to cry and plead for mercy of the Lord. But, you see, it is too late to cry while the head is off. Thereafter, this lady entered the extreme state of poverty and predicaments. This is how the witchcraft operational code of 'double slayer of destiny' works. It steals favour and blessings and finally hands one over to different witchcraft codes, namely, '**carriers of heavy load operational code**' and '**dry leaves that hover operational code**'.

The Lord will still intervene in the present situation of that sister in due course, as was revealed to me, but it is better to prevent what brings evil and not evil itself. It is said that the millipede

has several legs, but it moves much slower than the legless snake. The ancient Greek proverb has it that '**nothing will content him who is not content with a little**'. The Words of the Lord say: "**Whoso breaketh an hedge, a serpent shall bite him**" (Ecc. 10:8).

The above named joint operational codes of witchcraft, and all their codes, however, are in motion to vandalize the children of men in diverse ways, via their human agents - witches and wizards. I therefore admonish you to be firm on the path of Light of the Blessed Master of the Universe, the Great Lord Jesus the Christ. This is the only sure path of victory over the hosts of darkness.

### **OPERATION MIDNIGHT IS FEARFUL**

**Question:** My dear Archbishop Iyke Nathan Uzorma, is it true that the powers of darkness operate more in the night. Please, tell me, what are their major activities in the night?

-- Javed Stevenson; Toronto, Canada.

**Answer:** The Scripture says: "**Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day**" (Psm. 91:4). By this it should be known that there are forces of darkness operating as terrors of the night. Every believer must at least wake up and pray even for 30 minutes every night. This is very important.

There are specific forces of darkness, high profile spirits of witchcraft, that operate mainly in the night. For instance, the

### *Hidden Terrorists*

Votra Bolt Astral Poison (Voltral-bolts A/P), which is one of the greatest elements of the forces of darkness in the Solar System, is operated only in the midnight, under the auspices of the masters of the Abra-Melin Witchcraft, via the operational code 'midnight is fearful'.

When this is launched in the midnight, or any other element of operation midnight is fearful, their movement and attack can take place anytime -- morning, afternoon or evening. Apart from the Voltral-bolts A/P, there are also the Mkpitimme (astral stones of death which are used to send thunder to kill a person, kill someone in the sleep state, amongst others); the Gamma-mat used to cover someone to death while asleep; the Talis-ree, strange leaves of the Black Witchcraft, which when fermented in the home of a witch, can be used to project the attack of diverse diseases on human targets. These, amongst others, are terrors of the night.

Now, the Voltral-bolts A/P is a core element of death. Because of its nature, it is seldom used for witchcraft attack, but the agents of darkness still use it. Its usage is difficult but not impossible. It is like a double edged sword. It stands only for death, and often instant death. If It is called forth, somebody must die. It is the greatest "**terror by night**". No matter what you are in the occult systems, no matter your level in the dark world, even a grandmaster, if you send the Voltral-bolts A/P to kill a person, when it fails then you the sender must die.

There are so many rules guiding its operations. No matter how

*Witchcraft Operational Codes ---Part 1*

much you pay to an elevated agent of darkness, he will never operate it for you. Though he can operate it for himself against a target, when he is fully prepared with enough reason to do so. And while operating the Voltral-bolts A/P, you must be totally naked in the open place, directly under the sky. There will be two mortars and a pestle. You turn one mortar upside down and sit on it, while you pound the bolts in the other mortar. Meanwhile, the Voltral-bolts A/P at this point are certain dry leaves.

After pounding, you collect it with your left hand stretched out. You place your right hand on your chest and say the reasons why you want to send it out to kill. And as of your reasons, which is your astral legal right, if you attempt to deceive the bolts, you will die there. Your reasons must not be based on suspicion but accurate to the point. For instance, if you are sending it against someone called Spencer, because he committed adultery with your wife, that is what you will say.

After saying all that you have to say, you will blow the chaff thrice into the air. Then before your very eyes, the chaff will proceed as a little star to your target. You must sit naked there till it returns, because it is either it kills your target or it kills you the sender. No matter how long it takes, you must wait there. When it gets to the target, it will first hover around him and strike him like the bite of an insect. In the course of hovering, if for some reasons it fails to strike, it will return and kill the sender.

Though this bolt is usually invisible to the physical eyes, but

### *Hidden Terrorists*

occasionally it transcends the shield of invisibility and seen physically by humans like a little star falling down from the sky. It can go to any part of the world, from any location, no matter the distance. And there are things it forbids, such as the crying of cats and barking of dogs. These can send it back to sender naturally. Dogs and cats have the natural eyes to see it while in motion.

The Voltral-bolts A/P operates in such a way that, any environment wherein the name of the Lord is mentioned even once in a month, it is incapable of operating there against anyone. This will cause it to automatically return to the sender. Now, when it succeeds against a target, it will finally return and fall on the ground where the sender is waiting, but if it fails, it will return and fall upon the head of the sender and kill him. This is how this terror of the night operates.

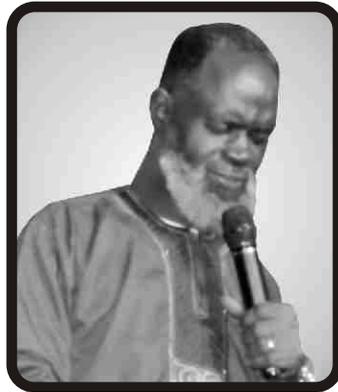

If the believer knows the intensity of the operations of the forces of darkness, the witchcraft spirits and their human agents, in dark hours of the night, no one will urge him to wake up and pray. But, you see, some of us are the man whose house is on fire, instead of striving to put off the fire, he is rather busy chasing after rats.

A word is enough for the wise.

*Let me say this: The Peace of Christ, when given, when pronounced, is totally and completely beyond the purview and manipulations of the Prince of Darkness. If it is given to a child of peace, it comes upon the giver and the receiver with the increase of Divine Light. If it is given to one who is not a child of peace, even to an agent of darkness, because it is beyond manipulations, it will return to the giver, but certainly it will never return with any element of darkness.*

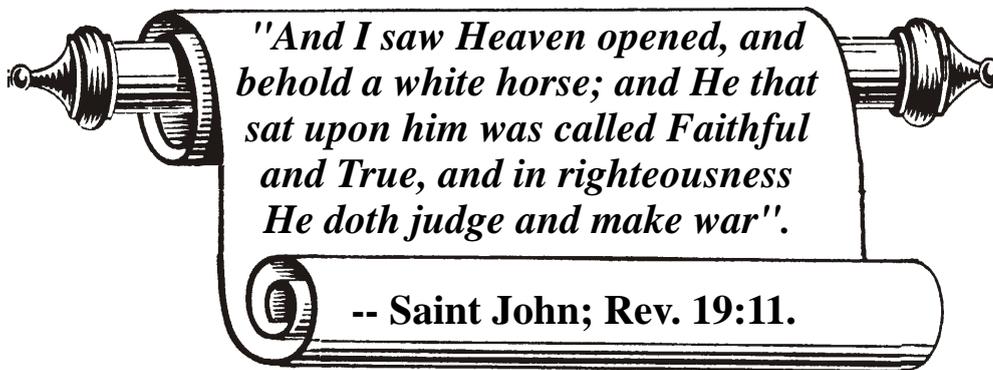

## CHAPTER 4

# WITCHCRAFT OPERATIONAL CODES ---PART 2

(**Note:** This chapter contains the answers that I gave to my Central Coordinator in Ghana, Michael Oduro, on his questions related to the subject matter of this treatise).

## **THE DOGS THAT BITE**

**Michael:** Harbinger of the Last Covenant, I want to know more about the operational codes of witchcraft. Many people want to know. I thank God for converting you to the Kingdom of Our Lord Jesus Christ. You are a huge blessing to the Body of Christ.

**Harbinger:** Glory be to Our God. Now, witchcraft spirits and their human agents have ten operational codes. What can also be called 'Marine Witchcraft' are still embedded in these codes, within the five kinds of witchcraft. Marine Witchcraft isn't a specific kind of witchcraft, but it is so called because its base of operations is beneath the sea. Marine Witchcraft is scattered around the five major aspects of witchcraft.

Now, let me tell you something about one operational code of witchcraft, under the code-name '**the dogs that bite**'. This is very dangerous. It also works hand in hand with other operational codes. Under this code, in conjunction with the '**double slayer of destiny operational code**', even sickness can be transferred from an agent of darkness to another person who falsely obtained money from the agent. The '**dogs that bite**' don't '**laugh**', they are highly committed to destruction.

I know a "**daughter of God**" in Kano, Nigeria, who is married with five kids. Her husband is a lover of my mission, who comes to see me from time to time. Because of the love of money, his wife unknown to him started internet prostitution. Meanwhile, she is the woman leader of her church. Some of her "**lovers**" in the internet will demand a photo of her private part, which she

### *Hidden Terrorists*

sends without showing her face. And they will send money into her account.

Some will demand to meet her and she will deceive her husband and travel to Kaduna, Abuja, Jos, all in Nigeria, to have sex with them for the sake of money. She never used such money to achieve anything good. One day all these were revealed to me. I sent for her and her husband. They came. I took her aside and told her everything. She wept and vowed never to follow that path again.

However, the love of money didn't allow her to be firm in Christ. But she was no longer travelling for sex, rather she was using tricks to obtain money from men. A certain man paid money into her account to come over to Abuja, she took the money but didn't go. This man is an embodiment of the '**dogs that bite**' operational code of witchcraft. He is a high ranking agent of darkness. Specifically, he is a carrier of the evil spirits of dumb and lame, though physically he is normal in human terms.

About three days after she had collected the money from the wizard, I had a vision about it. I called her on the phone and warned her to send back the money to the man. Meanwhile, the man had concluded plans to use her for ritual if she had travelled to meet him. However, the lady had used the money and didn't have it to send back to the wizard.

I have made it clear at diverse times and places that several things follow money, from the Forces of Light and forces of

*Witchcraft Operational Codes ---Part 2*

darkness. Money can be used to bless your earth-life, money can be used to ruin the earthman, depending on what follows it, the source thereof. When money enters your hand, your account, first give to God what belongs to God, if you truly want the Spirit of the Lord to fight for you. He that eats alone dies alone. When you consume what belongs to man and God, what do you think will happen to you when the forces of darkness come for attack?

Concerning the lady am talking about, I spoke to her as revealed, not only to return the money but also be on fasting and prayer for seven days, for the Spirit of the Lord to rise and raise a Divine standard against the imminent attack of the forces of darkness. She agreed to do as directed, but failed to do so.

Four days later, the witchcraft spirits operational code of 'the dogs that bite' struck her. The wizard called forth the witchcraft spirits in him, the spirits of dumb and lame, to go to her and collect back his money. As they came for attack against her, the Mighty Spirit of the Lord wasn't available to give her Divine protection. Consequently, she woke up from sleep lame and dumb.

Two days later, her husband brought her to me. The first thing that was done was to return the money back to the wizard. And after three days of intense ministrations on her, she was completely healed. It is said that you don't tell a deaf person that war has come. From that moment, no one needed to tell her to be firm on the immutable path of the Great Lord Jesus the Christ.

**Michael:** So the money was the contact point of that attack.

**Harbinger:** The money was the property of the wizard. Without it, he wouldn't have the occult capacity to access the records of her being, possess the astral legal right of attack, nor attack her at all.

**Michael:** Daddy, please when you said, "**records of her being**", what are you referring to? And can one's previous decisions and acts, influenced by the devices of darkness, be used against him?

**Harbinger:** Dear son, in the first place, every human has a record of his entire existence. This is the record of the Universal Mind of the One Eternal Almighty, embedded with the primordial and the preliminary substance of existence. Remember the man in the book of Revelation, who claimed to be "**rich, and increased with goods, and have need of nothing**", but him the Lord said that he was "**wretched, and miserable, and poor, and blind, and naked**". (See Rev. 3:17). What the Lord spoke about him were truly what was in his spiritual records. Every human has a spiritual record, completely beyond what is known in earthly terms.

On your second question, son, yes, one's previous decisions and actions, brought about under the auspices of the forces of darkness, can be used against him, if such is not eradicated by the Mighty Spirit of the Lord. In such terms, man must understand that his present works, initiated by the forces of

darkness, can subjugate his past under the auspices of the Forces of Light.

Also, his present works under the influence of the Forces of Light, the Mighty Spirit of the Lord, can completely subjugate the influence of his past, structured within the ambit of the forces of darkness. In such terms, your past can subjugate your present; your present can subjugate your past; your future can be ruined now; your now can bless your future; your future can elevate and bless your tomorrow. Your past, present and future exist in the 'moment point'.

**Michael:** Hmmm, well understood Daddy. Thank you for your simple answers that contain infinite wisdom.

**Harbinger:** You are blessed!

### **DEVOURER OF LIFE FROM INCEPTION**

**Michael:** Growing up in a typical Akan community in Ghana, I used to hear statements like, '**this woman is a good witch, that woman is a foolish witch**'. This they say that the former protects her family and the later kills hers. Please, is there anything like good witch and foolish witch in this world?

**Harbinger:** You know because these things are mostly subtle, many speculate lots of things about them. There are five kinds of witchcraft and none of them is good. All of them are abominations before the Lord. But one of them can be called foolish, namely, the Blind Witchcraft. This is because they are

used to do foolish things most of the time.

When you talk about a witch protecting his or her family, if the price of doing so is recognised by all, then that so-called protection will be clearly seen as abominable. For instance, the witchcraft spirits operational code known as '**devourer of life from inception**', which operates mostly in families and communities, are the custodians of this operational code. They claim to protect a family, amongst others, but they are the core elements of confusion and tears in the places wherein they claim to protect. Son, true protection comes solely from the legitimate Spirit of Christ.

**Michael:** You said that they cause tears and confusion in the family and community, how?

**Harbinger:** Under the operational code of witchcraft, '**devourer of life from inception**', there are certain forces of darkness, astral entities, that enjoy the cry and lamentations of women as "**good**" **music**". They set themselves in motion to ignite the process of this music -- crying and lamentation. They come as babies, die in the womb, immediately after birth, or after some days, weeks, months and years, but not after the age of five.

After death, the witchcraft spirit will return into the astral realms, join his colleagues and "**enjoy**" themselves over the crying and lamentation of the woman who lost her child and possibly other women and men. The cry and lamentation are all

*Witchcraft Operational Codes ---Part 2*

they want. However, when a spirit of witchcraft does this, it doesn't mean that the totality of such spirit becomes the baby. No. It is a projection of the partial aspect of the spirit involved.

As the departed baby's mother and others enter the realms of lamentations, some witchcraft spirits will rise in "**joy**" and "**dance**", while translating such cry and tears in high profile occult sounds of music. Furthermore, at that moment, some witchcraft spirits may begin to volunteer for more return through the same woman who lost her baby.

In some occasions when this happens, the woman may have more than once of such related experience. If the woman, following her first experience of this, refused to cry and even distanced herself from the corpse of the baby, such witchcraft spirits won't return again to be born through her.

Now, for this kind of witchcraft attack to occur, there must be a high agent of darkness, a witch, in the family or community, that serves as the channel of it, otherwise it won't occur. And for those kinds of astral entities to enter a woman's womb, certain things must attract them. The first thing is when a woman seeks to have a baby via the help of an occult centre, such as shrine, juju priest, oracle, false prophet, psychic guide of darkness, occult church, amongst others.

Another thing that can bring this to be, is the mental pattern or the inner aspects of the man and the woman, during the process of the sexual activity that resulted in the pregnancy. To be under

### *Hidden Terrorists*

the influence of alcohol in this connection is highly disadvantageous. Any iota of grudges against anyone will enhance this manipulation.

Let me remind you of an incident which I have published in some of my treatise. Am talking about the woman who after her marriage was childless for about five years. She never knew that her mother-in-law was a witch and was responsible for that attack. After some years, the witch raised the witchcraft code of '**devourer of life from inception**' against her.

Thus, the witch "**helped her**" by taking her to an occult centre, where she made sacrifices and later became pregnant. At first she refused to follow the witch, because of her church membership, but after several persuasive attempts by her mother-in-law, they both went to the juju priest.

At last, she gave birth to a baby boy who later died after seven months. The woman lives in Ugboroke, Warri, not far from my residence. You can understand the "**joy**" that this death caused in the realms of darkness, as aforementioned. However, after sometime she became pregnant again. Finally she delivered and after about a year the child died.

At this point they cried to me, but not actually to me, rather to the Eternal Lord of Light, the Great Lord Jesus the Christ. And the Spirit of the Lord said to me: "**Harbinger of the Last Covenant, go and restore life to the dead child. I will give her a new Soul, and with your finger will I bring this to pass**".

Also, the Lord directed me on what to do.

As I entered into where she was with the baby's corpse, the Lord opened my spiritual eyes. I saw how two spirits of witchcraft saw me and fled. I used the Divine Oil, directly given to me by the Lord, to write the Name of God on the forehead of the baby. I sang songs of praises for about forty-eight minutes, prayed and the child came back to life, with a new Soul, as spoken by the Lord. When I got there, I first drove out the witch and those who were there lamenting. The mother in-law of this woman died three days later.

**Michael:** Daddy, we are really in a serious battle on Earth.

**Harbinger:** Yes son, and the war is now on the highest dimension. There is a serious war between the Forces of Light and the forces of darkness in our Solar System, but in this war our Earth Planet is actually the battle zone.

**Michael:** How do you mean, Daddy?

**Harbinger:** A nation may be at war, but the battle zone could be located in a particular state or region. For instance, today, Nigeria is at war with the Boko Haram terrorists, but the war is concentrated in particular area within Borno State and few other areas of the North East.

**Michael:** Does this code of, '**devourer of life from inception**', operate in other ways, apart from what you have said?

**Harbinger:** Yes. All the witchcraft operational codes operate in diverse ways of spiritual attacks. I am just making points to serve as clues of what they do. The witchcraft operational code of devourer of life from inception, apart from what I have said, they also work assiduously to cause confusion in families, communities, nations and the world. In general, through falsehood, false allegations, using innocent people's faces to attack their targets, amongst other things.

### **BLOOD THAT GOES FOR BLOOD**

**Michael:** The Boko Haram terrorists and other related terrorist organisations in the world, are they witches and wizards? Do they operate under any code of witchcraft spirits?

**Harbinger:** Witchcraft spirits have the '**blood that goes for blood**' operational code. This is where the terrorists come in. The code is named so in the hidden astral chambers of the realms of darkness, because it is a human being with blood in his veins that must execute it. The blood of the human being that carries out this operational code, having been set aside for waste on itself by the hosts of darkness, is in turn used to waste the blood of others. That is why it is code-named '**blood that goes for blood**'.

All the terrorists of this world, in all categories, whether in the name of religion or whatever; whether they are the religious extremists, armed robbers, kidnappers, rapists, killer-herdsmen, arsonists and others, are agents of darkness. For as long as you

generate fear and death in the world of man, you are an agent of darkness. The Great Lord Jesus the Christ said:

**"The thief cometh not, but for to steal, and to kill, and to destroy; I am come that they might have life, and that they might have it more abundantly"** (Jn. 10:10).

Christ was referring to the Prince of Darkness, the old Serpent and his hosts of darkness, as the **"thief"**. Their prime actions are based on **"stealing, killing and destruction"**. Now, when the earthman engaged in these things, whose agent is he? Darkness. Period.

The terrorists of this world are mostly Blind Witches, though some of them are conscious witches and wizards. The Blind Witches amongst them, who are far in number, however, are persons captured by the forces of darkness and used to execute the whims and devices of the forces of darkness in our world. These Blind Witches are persons whose minds are invaded by the forces of darkness via their mental pattern. In my book, **"Deeper Realities of Existence Vol. 1"**, I wrote the following:

*"Now, your mental act, your inner pattern of life, constitutes the sum-total of your thoughts, words and actions. Your mental act interacts and interchanges, within certain range of intensity, with specific Universal Super-Conscious-Waves embedded in our Solar System, under the*

*Immutable Universal Laws. Within the system of man's mental act, which holds the fabrics of what you were, what you are, and what you will become, (by some degree of the application of your volition), the mental matrix enters the propensity of dichotomy" (page 63).*

*"Therefore, for the high astral forces of darkness to be successful in the craft of invading the mind of a person or group of persons, for the manifestation of a specific project, the person or group of persons must by 'law' be in a position to attract such high frequency manipulation. In this connection, the position required from man by the forces of darkness is that his mental act remains bereft of the consciousness of Universal Love (CHRIST), which in reality is the Light of God in motion" (page 74).*

The invasion of the human mind by the vicious astral waves of the forces of darkness, is what is needed first in making one a Blind Witch. All witches and wizards are first of all the marionettes of the network of the forces of darkness. The Blind Witches amongst them are tools of destruction, whether or not they know it. They are mostly used to enforce the operational code of 'blood that goes for blood'.

*Witchcraft Operational Codes ---Part 2*

Here, the terrorists of this world, the kidnapers, the armed bandits, all of them are marionettes of witchcraft spirits. They are used assiduously as tools for the storage of human blood in the astral chambers of the forces of darkness. From there, the witchcraft spirits feed fat and gain more strength to battle against the world of man.

Amongst the pleasure of these marionettes, is the waste of blood of the children of men. Check out the records and see the havoc that they are committing on the physical realms of Earth. Some of them claim to be doing so "**In the Name of God**", but in reality that is the Prince of Darkness at work. The records of their atrocities are so much.

Recently, a 20-year-old terrorist named Sani Haruna was arrested by the police in Nigeria. According to his '**confessions**', he killed three people the very day that he was arrested. When asked how many people he murdered in his terrorist operations, he made known that he had lost count of the number of people he killed in the past one year alone. When you understand what terrorists are doing all over the world, then you will know how the forces of darkness are feeding fat.

### **BLOOD SUCKERS**

**Michael:** When witches cause accidents on land, air and sea, and when they use someone's blood for money rituals, do these come under the '**blood that goes for blood**' code?

**Harbinger:** The witchcraft codes '**blood that goes for blood**' and '**blood suckers**' are under different operations, but both are related as far as feeding the forces of darkness with blood is concerned. The '**blood that goes for blood**' operational code of witchcraft, feeds the collective chambers of the hosts of darkness with human blood, while the '**blood suckers**' operational code of witchcraft feed some specific higher spirits of witchcraft with human blood.

**Michael:** Daddy, how then does the '**blood suckers**' operational code operate?

**Harbinger:** The '**blood that goes for blood**' operational code of witchcraft is mainly executed by the marionettes Blind Witches of the forces of darkness, through whom the physically oriented terrorists of this world ignite their dangerous mass murder in the world of man. This is for the collective chambers of the most vicious astral entities.

However, for the aggrandizement of certain specific higher spirits of witchcraft -- forces of darkness, the '**blood suckers**' operational code is enacted. The astral legal right of attack, under the '**blood that goes for blood**' operational code of witchcraft, are the marionettes Blind Witches themselves, who have agreed to murder fellow earthmen. The astral legal right of attack under the code-name '**blood suckers**', is completely different. It is based on: (1) the offence committed against a witch, (2) lust for money and mundane things when discovered, and (3) emotional attachment to a witch.

These three factors could cause one to enter into the trap of witchcraft spirits. For instance, there was an **"anointed man of God"** who offended a certain agent of darkness. The witch and the man of God belong to the same church, but the man of God didn't know that the lady was a witch. Under a little argument, the man of God got angry and slapped her. The witch asked the man of God: **"So you slapped me?"** He replied: **"Yes, and what can you do?"** She told him: **"Okay, I will show you"**.

Their argument was because she didn't dress properly, according to the standard of the church. The pastor rebuked her, but she challenged him resulting in the slap. By slapping her, the pastor immediately stepped out of the Divine protection of the Eternal Spirit of Christ. Remember that the Great Lord Jesus the Christ admonished us thus:

***"But I say unto you, that ye resist not evil: but whosoever shall smite thee on thy right cheek, turn to him the other also"** (Math. 5:39).*

The Spirit of the Lord, the Divine protection of the Mighty Spirit of the Great Lord Jesus the Christ, works within the ambit of obedience to the Lord Himself. When one stands out of this and at the same time expects the Lord to fight for him against the forces of darkness, he could be defeated in the field of battle, especially when the Lord Himself turns **"blind-eye"** to his case.

### *Hidden Terrorists*

Now, following this incident, the witch brought her case into the astral realms of witchcraft spirits. She was given two little stones to strike together and place on the road, which she did. This was to cause accident via the operational code of blood suckers. About three weeks later, the pastor had car accident on his way from Lagos to Benin City, Nigeria. He died in the accident. Things like this do occur. We must be very careful and watchful in the journey of life.

The cry of a widow against anyone that offend her, the cry of a child against anyone that maltreats him, even when the widow or child is not a witch, the tears thereof can be collected by the forces of darkness and used to cause accident and death. This may or may not be against the person that offended the widow or child. It is used in general terms, under the blood suckers code, to cause havoc in diverse places, especially against those who have no portion in the Blood of Christ.

Furthermore, under this operational code of blood suckers, if you have intense lust for money and the material things of life, you can be lured into a den of darkness and used for money rituals. Also, if you are emotionally attached to the agent of darkness operating under this operational code of blood suckers, you can be lured into the den of darkness and used for money rituals. All these can only happen to those who are completely outside the Divine protection of the Great Lord Jesus the Christ.

**(Note:** More on the operational codes of witchcraft attacks on the children of men are discussed in the subsequent chapters of

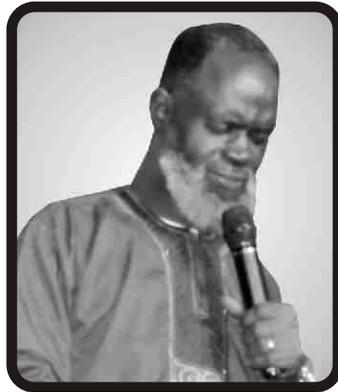

*Witchcraft Operational Codes ---Part 2*

this book).

**Michael:** The Harbinger of the Last Covenant, thank you so much for sharing these things. I believe that it will strengthen the people of God.

**Harbinger:** You're welcome son. All these are exposed for the earthman to know that there are more than the eyes can see. I want people to understand that war is on. Let no one toy with the path of Light in the Great Lord Jesus the Christ. The Blood of Christ is our foundation of victory over the hosts of darkness.

A word is enough for the wise.

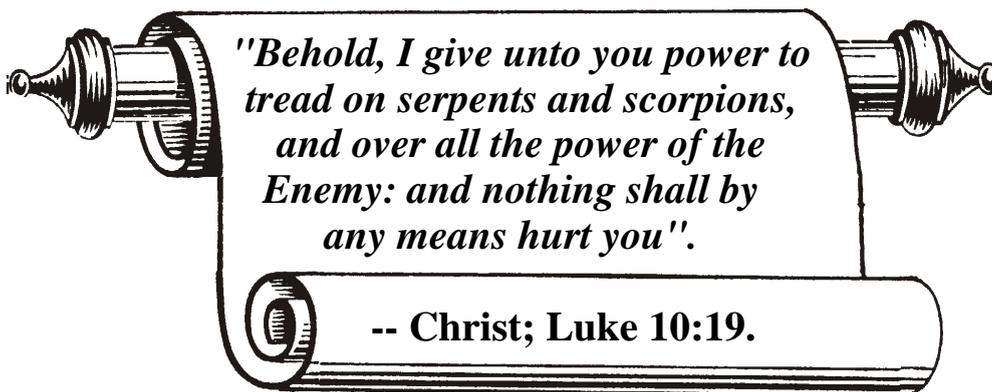

## CHAPTER 5

# ELEMENTS AND TECHNIQUES OF WITCHCRAFT

(Questions And Answers)

## **MY PAST AND PRESENT**

**Question:** With regards to your past life as a Grandmaster of the occult and your present stand in Christ Jesus as the Harbinger of the Last Covenant, following your direct encounter with the Lord, what lessons have you learnt?

-- Radio Rivers 2, Port Harcourt, Nigeria.

**Answer:** In the first place, I have learnt that with God all things are possible. I have learnt that God can change the heart of a man to the heart of a beast, or change the heart of a beast to the heart of a man, as He did in the case of King Nebuchadnezzar. Furthermore, I have learnt that, whereas the network of the forces of darkness wanted me on one hand to remain as one of their highest human instruments on Earth, by making me to have access to the highest mysteries of the occult, the Great Lord of Light on the other hand permitted that; He merely used me as a spy in their midst.

Things like this happen. This was done so that, having acquired notable occult wisdom, as well as the warfare techniques of the forces of darkness against those on the path of Light, these would be exposed for the overall benefit of true believers. Remember that the ancient land of Egypt was full of occult wisdom and mysteries of the esoteric systems of the forces of darkness. In these, the great Prophet Moses was well versed.

The Bible says: "**And Moses was learned in all the wisdom of the Egyptians**" (Acts 7:22). But what happened to him? When he practically encountered the Fire of the true God, Jehovah, he

### *Hidden Terrorists*

was transformed. Thus, the same man who was well versed in the occult network of Egypt, was used by God to liberate the chosen ones from the occult bondage in Egypt.

Therefore, what is important to me now is what I am, not what I was. See, I have always said that there are more than the eyes can see. Jesus said that His own has power over serpents and scorpions. Serpents and scorpions are there. If they are not there, there would be no need for power over them. Serpents and scorpions are the forces of darkness and their human agents.

These wicked forces are the basis of spiritual warfare. There is a great invisible war going on now. This war is raging on the physical realms of Earth, the sub-physical realms of Earth, the four lower regions of Earth and the six higher regions of Earth. This war is raging in the Space, in some Planets, in the hidden recesses of the Solar and Galactic Systems.

In this great warfare, those whose roots are upon the immutable foundation of the Blood of our Lord and Saviour Jesus the Christ, have come to the recognition that the battle is not against mere humans -- flesh and blood. We are not in battle against our fellow humans, but against "**principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places**" (Eph. 6:12).

Before I directly encountered the Lord and Master of the Universe, the Lord of Eternal Light, the Great Lord Jesus the Christ, I was a leading master in the hierarchy of the cosmic

network of the forces of darkness. I was in the peak of these things when I became the '**Living Grandmaster of the Order of Terrestrial and Astral Hierarchy**', the esoteric astral chambers that coordinate the entire forces of darkness. Before then, I was '**Defender of the Ancient Order of Lord Yima of Persia**', which serves as the most hideous cycle of the forces of darkness. I was even an '**Adept**' of the Witches of Abra-Melin that oversees the entire network of the witchcraft spirits.

Therefore, when I make any exposition about the forces of darkness, I do so because I was with them; I was deeply involved. The earthmen must know that the forces of darkness, regardless of their apparent differences, are united firmly in their battle to dominate the children of men and the Earth-world. It is up to everyone to seek the bona-fide way of escape, which is found solely in Christ.

### **THE ROLE OF FEAR**

**Question:** Harbinger of the Last Covenant, why is it that whenever I am about travelling down to my village, for one reason or another, I have this feeling of fear of occultic attack?  
-- Olaoye Bukky; London, UK.

**Answer:** You have to be fully established in the Supreme Light of Christ, so as to banish this fear. In the Light of Christ, fear is totally absent. Fear plays a leading role in the battles of witchcraft spirits and their human agents against the children of men. By fear, you are defeated in the field of spiritual warfare.

### *Hidden Terrorists*

This fear is not limited to you. I have observed that some proclaimed '**believers**' still have the spirit of fear in them. This is exactly what the forces of darkness want. This shouldn't be so, however. Dear Bukky, henceforth the Spirit of the Lord has banished from you the spirit of fear. Do not again organise your life from the point of weakness and fear. Be spiritually firm and organise your life from the point of fearlessness and the love of the Lord.

Remember, it takes a lion's heart to be a man, to be a woman, to be a true follower of Christ on the path of Light. The lion's heart is the mind of power, Divine Power. The lion's heart is the mind of victory over the hosts of darkness. This goes with the spirit of boldness. If you boldly confront any element or power of darkness in this world, in the Mighty Power of the Great Lord Jesus the Christ, that element or power must flee from you in the name of Christ.

Nevertheless, whatever strikes fear into the mind of the earthman has already defeated him. A true child of the Living Christ, a true believer, one that is fully and firmly established on the path of Light, has absolutely no cause to fear anything in the Universe. Why should you fear? You have no cause to fear anything, because even the most vicious '**Yamadutas**', the great spirits of fear themselves, fear the Mighty Lord of Hosts, Christ.

Dear Bukky, I want you to understand that fear is both the illusion and fallacy of the spirits of witchcraft. Fear is one of the

*Elements and Techniques of Witchcraft*

greatest tools of destruction, as far as the forces of darkness are concerned. It is a major tool in their hands. The Almighty God made us to live in love, not in fear. Therefore, anyone who lives in fear has himself to blame for whatever happens to him.

I admonish you henceforth to begin to raise a high standard of prayers for all the human agents of darkness in your village and the world over. Without the human agents of darkness, the forces of darkness won't operate in the world of man. Therefore, pray for their Divine transformation, not annihilation. Pray for them in the love of Christ. Apart from you being the first beneficiary of this prayer, by virtue of God's Universal Law of Reciprocal Action, the prayer potency will immune you against their attacks.

Consequently, when next you travel to your village, or anywhere in the world of man, the radiation of the prayer-potency of Divine Love, which is the core legitimate Spirit of Christ, will cause the agents of darkness and the forces thereof to rather be afraid of you. They should fear you, not the other way round.

Imagine a situation where one is armed with dangerous weapons, such as gun and knife, while another person has only a broom. Now, the one with a broom comes to attack the other person who has gun and knife. And it happens that the one with gun and knife runs away because he doesn't know how to use what he has. This is the situation when a believer begins to fear the forces of darkness and their human agents. Remember, as a

believer, you have what the forces of darkness don't have.

**Question:** Daddy, you told me that fear is a major tool in the hands of the oppressors. I am talking about witches and wizards. Can you throw more light on this?

-- Chika Monday; FESTAC, Lagos, Nigeria.

**Answer:** All forms of fear are dangerous to our spiritual existence in the Light of Christ. We have no business with fear. Fear is like a 'great chariot of demons' upon which the earthman rides faster into the chambers of the dead. Consequently, he who finds himself in the chambers of the dead, through fear, learns the first lesson that he was deceived by the spirit of fear. This is so because there is absolutely nothing to fear in all the Universes of God.

Consummate realisation of this truth, that there is absolutely nothing to fear in all the Universes of God, should bring the believer to the recognition that even the scriptural established concept of the '**fear of God**', in the light of its eternal ultimate essence, stands for the '**love of God**'.

In the Commandment of God, given to us through the great Prophet Moses, we are admonished: "**And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might**" (Deut. 6:5). This is the sum-total of the entire Divine essence. Though King David prayed thus to God: "**unite my heart to fear thy name**" (Psm. 86:11) and the wise King Solomon admonished that "**the fear of the LORD is the**

**beginning of knowledge"** (Pro. 1:7), the fear mentioned here has to do with reverence for God, as well as the deep feeling of amazement we have before Him.

This has nothing to do with mundane fear. Even when Saint John expressed deep reverence to the Lord, to ensure that this did not degenerate into fear, the Lord admonished him not to fear. Thus, Saint John wrote: "**And when I saw Him, I fell at His feet as dead. And He laid His right hand upon me, saying unto me, Fear not, I am the first and the last**" (Rev. 1:17).

So, you see, we are given the spirit of love, not of fear. "**For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind**" (2nd Tim. 1:7). The foremost element of fear, as a principal device of the forces of darkness, is to bring one down under the canopy of witchcraft manipulations. When one is under such canopy, he is gone, except the Power of Christ comes to set him free -- to deliver him.

To this end, every believer should strongly have it in mind that there is nothing to fear, absolutely nothing. Let the Prince of Darkness, the hosts of darkness, do their worst, but don't be afraid of them. And surely, you will see the victorious Power of the Almighty God through Christ.

## **FEAR ELEMENTS AND FEAR TECHNIQUES**

**Question:** Harbinger of the Last Covenant, sir, in your Facebook Page: Prof. Iyke Nathan Uzorma, you wrote that witchcraft has a technique and element of operation against

people. What are these elements and techniques? Please, can you enlighten us?

-- Kate Jones; Florida, USA.

**Answer:** The absolute chambers of the Abra-Melin Witchcraft in the astral spheres, from where all the activities of the Black Witchcraft, White Witchcraft, Kali Witchcraft and Blind Witchcraft are coordinated, operate the manipulations of fear-elements and fear-techniques. These are used to manipulate humans, to bring the earthmen down, in diverse ways.

These elements and techniques of the forces of darkness, are embedded in the operational code of witchcraft, known as '**Mighty powers of great illusions**'. With these, people are targeted and attacked, for different purposes, in different parts of the world of man.

Specifically, the fear-techniques have to do with the secret art encapsulated in some aspects of astral projections, solely geared towards the search for how to launch fear into the consciousness of a person or group of persons. The Abra-Melin Witchcraft has so many ways of going about this in the operational psychic field.

The fear-elements, on the other hand, have to do with the secret art encapsulated in some aspects of astral projections, solely geared towards the search for the primary objects of fear, of a person or group of persons. The Abra-Melin Witchcraft have so many ways of going about this in the operational psychic field.

*Elements and Techniques of Witchcraft*

Better expressed: This has to do with the forces of darkness working to find out what brings fear into your consciousness and mental pattern. However, in specific witchcraft manipulations, the fear-elements come first, then followed by the fear-techniques.

The best way, therefore, to overcome all the fear-elements and the fear-techniques of witchcraft manipulations, is not to fear anything in the Universe. Don't fear any creature. Don't fear any man or woman, whether your husband or wife, father or mother, child, uncle or whoever. Don't fear anyone in your village or in the city. Don't fear any object, condition, situation or circumstance.

This is very important, because whatever you fear can be used against you when the forces of darkness come for attack. Whatever you fear becomes your fear-element, and this can be used against you, to bring you down via the most vicious manipulations of the spirits of witchcraft and their human agents.

**Question:** His Grace Archbishop Iyke Nathan Uzorma, my beloved daddy, please educate me more about these techniques and elements of witchcraft attacks. Many believers all over the world are suffering from witchcraft attacks. You were once a grandmaster with them. Please tell us more: How could we practically overcome them, from your past and present experiences?

-- Apostle Onega Josephine Ekwa; Salvation Praise Embassy,

Douala, Cameroon.

**Answer:** My beloved daughter of Zion, know and understand that anyone who has no iota or object of fear in his consciousness and mental pattern, who is firmly established in the Supreme Light and Consciousness of the Great Lord Jesus the Christ, has automatically defeated the entire hosts of darkness. But anyone who lives in fear will find it extremely difficult to be victorious in the field of battle.

I have been speaking about the fear-elements and the fear-techniques of witchcraft, used in diverse ways to attack the children of men, especially believers in the Lord Jesus. For instance, if you are a person who fears snakes, then snakes will be immediately recognised, when you are targeted for witchcraft attack, as your fear-element. If you are afraid of a certain man or woman, such a man or woman will be used as your fear-element, whether with or without his or her knowledge.

If your earth-life is encapsulated in the fear of one of these: poison, dog, armed robbers, fire, sickness, accident, thunder, ghost, quarrel, lack, man, woman, herdsmen, amongst other things, then be informed that the witchcraft spirits can use any of these against you. For instance, if witchcraft spirits come, through their bona-fide human agent, to launch any evil against you, such as air disaster or whatever, this cannot be materialised on you, for as long as you are fearless and strong in the Lord.

*Elements and Techniques of Witchcraft*

The attacks, manipulations, techniques and elements of witchcraft spirits and their human agents must flee from you and fade away from the eternal rays of the Light of Christ, if you are in Him, if you are strong in Him. But if you are under the mode of fear, at any given time they come, they will have the base to strike; they will have the base to prevail.

In other words, the forces of darkness, the witchcraft spirits and their human agents, will first of all attempt to manipulate and subject the earthman under the power of fear, before striking him with the main aim of the attack. This is where the fear element comes in.

When witchcraft wants to attack a believer, or anyone, with anything, such as accident, or whatever, they must first as a rule strive to bring fear upon such believer, otherwise the hosts of darkness will do nothing against the believer. I am speaking from my past experience in the deepest world of the Abra-Melin Witchcraft and how they operate; I am speaking from the Holy Scriptures wherein we are admonished to live above fear.

**ELEMENTS AND TECHNIQUES VIA DREAM ENCOUNTERS**

**Question:** Dear Archbishop Prof. Iyke Nathan Uzorma, you spoke to me about the elements and techniques of the dark world through fear. When these forces come and there is fear in someone, what happens next? What should one do?

-- Scott Campbell; Grovedale, Geelong, Australia.

**Answer:** In the coordinating chambers of witchcraft, when the need arose for a particular person to be attacked, with sickness, accident, or anything, it is important for the forces of darkness to first of all ascertain the fear-elements of such a person. This has to do with the thing that brings fear into the mind of the person to be attacked.

If it is discovered, after searching into the consciousness and mental pattern of the one to be attacked, that there is no element of fear, then it would be concluded that the person has no part with the proposed sickness, accident, or whatever plan of darkness that was designed. At this point another method will be used, such as through sleep-waves, spiritual slothfulness, amongst other things.

Dear Scott, if in the process of searching one's consciousness and mental pattern, it is discovered that he has an element of fear on his mind, witchcraft can then come in and settle for attack. Consequently, they will raise the fear-techniques in battle against the person, upon the platform of the fear-elements found.

In other words, at this point they will use the fear-techniques to magnify the fear-elements in you, and after such magnification especially in your dream encounters, they will again wait for your reaction. Your reaction will be the determining factor of whether their plan will be materialised physically upon you or not. This operation is conducted in diverse ways via diverse witchcraft manipulations.

*Elements and Techniques of Witchcraft*

To this end, if one is afraid of dog, for instance, then dog is a fear element both in his consciousness and mental pattern. As such and in an attempt to attack him, dog will be used in a dream state against him. An advanced witch, using the vicious spirits of witchcraft, can construct a dream encounter via the astral waves of darkness, in which the dreamer sees himself attacked by dogs.

In this dream experience, certain things could happen, specifically depending on your spiritual state before the dream itself. Amongst the things that may occur in that dream include:

1. If you prayed well and sought after the Blood of Jesus before the dream itself, as a true believer in the Great Lord Jesus the Christ, even when the dog comes for attack, you will be the one that will destroy it. In this connection, another believer or an Angel of the Lord in that dream can also help you to destroy the dog.
2. If you merely slept off without praying, following such dream of dog attack, because it is your fear-element, the dog may overpower you and cause you some harm in the dream.
3. If you were spiritually debased before the dream itself, like you were drunk before you slept off, or you slept off upon the amber of

### *Hidden Terrorists*

fornication/adultery, the dream may be so horrible to the extent that the dog may appear with two heads and tear you in pieces. (Now, it is highly disadvantageous to sleep under the influence of alcohol, or any form of intoxicant).

Nevertheless, whether or not you are killed or maimed in such dream encounter, the entire dream experience is a mere camouflage of the occult systems. It is only your reaction, after such dream, that determines what happens to you on the physical realms of Earth, that determines whether or not the planned attack of accident or whatever will physically occur.

Dear Scott, our local adage says: It is the person on top of the palm tree that knows whether the palm fruits are ripe or not. I am saying these things from the point of what I knew. Now, let me state categorically that even the slightest thought of fear opens the Pandora's box against the earthman, as far as the forces of darkness are concerned.

Therefore, let it be emphasized that the aforementioned dream encounter has nothing to achieve other than fear in the dreamer. It is only designed to bring one down under the canopy of witchcraft manipulations, to enable them launch the main attack, accident or whatever is against the person.

Whether the main plan of the attack of witchcraft is accident, sickness, poverty, bad luck, miscarriage, death, separation of

marriage, amongst other things, the main purpose of the dream is to subdue you through fear. It is only when you are thus subdued by fear that the plan of witchcraft will pass through the fear and be actualized in your physical life.

Let me say once again that if you are strong in the Lord, the witchcraft spirits appearing as dog or dogs, as snakes, as armed robbers, amongst other things, in your dreams, can't harm you at all. As a matter of fact, they will flee from you. But if you are weak in the spirit, the worst they can do is either to maim or kill you in such dream.

However, as earlier stated the whole experience is for them to bring fear into your mind upon waking up. Without this fear, nothing will happen to you physically. Fear in your mind is all that they want. The subtle energy of such fear creates an ethereal bridge that links them up with you. Therefore, I say: Even if the dog (am using dog for mere analogy) maimed you in such dream encounter, when you wake up, don't be afraid at all.

### **HOWTO OVERCOME**

When you wake up from such dream, or any related dream from the forces of darkness, simply pray to the Lord about it and forget about it without an iota of fear. You may use this Divine Decree:

***"THANK YOU, OH MIGHTY LORD OF  
EVERLASTING LIGHT, FOR BY YOUR  
POWER THIS DREAM (mention the***

***dream) IS NULL AND VOID. BY THE HOLY BLOOD OF THE ETERNAL ONE THAT DIED AND ROSE AGAIN, EVEN THE GREAT LORD JESUS THE CHRIST, I AM FREE, I AM FREE, I AM FREE. OH ALMIGHTY JEHOVAH, IN THE HOLY NAME OF CHRIST, THIS DREAM IS PLACED UNDER MY FEET. AS I HAVE DECREED, SO BE IT. AMEN"***

Say this prayer and just believe. Don't be afraid, but go your way for all is well. If the dream was very scary, then use this decree, or pray as you prefer, under the mode of one day fasting. If you act in this manner, without fear, the proposed witchcraft attack will come to naught; the accident which the bad dream was designed to achieve, will be defeated.

However, if you wake up from such dream and becomes enamoured with fear, you are by so doing drawing the wicked plans of the enemy closer to yourself. Your fear will add to the psychic energy embedded in the dream and help it to come to pass.

If you prayed against the dream in the morning and forgot about it, yet in the afternoon or evening, even in the night, you remember it again with fear, you aren't helping yourself in this manner. Even if you fast and pray over it for several days, but with fear about it on your mind, I tell you, you may not escape the physical manifestation of that dream.

You may go to your Pastor to pray for you over the same dream, after you had prayed; blessed are you if it ends there, if the fear in you stops at that point. But when another Pastor comes around, whom you think to be of greater anointing, you still go to him for prayers over the same dream that you and your Pastor had prayed about: What do you think that you are doing?

When you do all these, but with the spirit of fear in you, don't be surprised that the proposed witchcraft attack will still be physically manifested. Even if you fast and pray, but with the spirit of fear in you, you will not be victorious in the field of spiritual warfare. Even if you shout and call upon Jesus, you must live above fear, otherwise you may not be successful. Even if you sleep upon the Holy Bible, but with the fear elements increased upon you, surely you cannot overcome the hosts of darkness.

The fear in you that led you to prayer upon prayer specifically concerning the bad dream, is just what the forces of darkness want to achieve. If the fear goes away from your consciousness after all the prayers, then all will be well with you. However, if such fear still remains in you after all the prayers and fasting, the forces of darkness may still prevail.

Dear Scott, the forces of darkness, the witchcraft spirits and their human agents, do thrive where there is an element of fear. Period. Therefore, even if a vicious spirit from the realms of darkness appears and stands before you with ten or more

*Hidden Terrorists*

dangerous heads, understand that it is a mere astral camouflage. It has no other mission than to bring fear into your being.

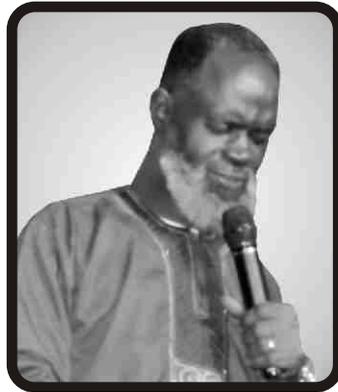

Without fear in your consciousness and mental pattern, the forces of darkness, using the witchcraft fear-elements and fear-techniques, under their operational code of "**Mighty powers of great illusions**", can't prevail against you. And it is only when a believer is firmly established in the Supreme Light of Christ that he can live completely beyond the attacks of witchcraft spirits.

A word is enough for the wise.

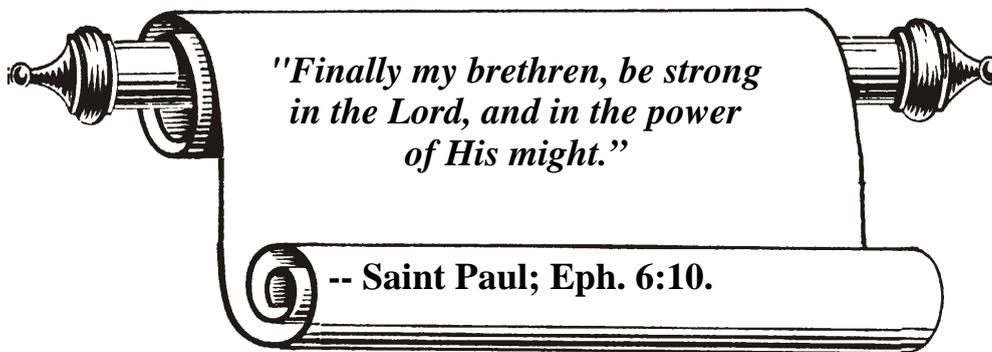

*Let me say once again that if you are strong in the Lord, the witchcraft spirits appearing as dog or dogs, as snakes, as armed robbers, amongst other things, in your dreams, can't harm you at all. As a matter of fact, they will flee from you. But if you are weak in the spirit, the worst they can do is either to maim or kill you in such dream.*

## CHAPTER 6

# ✻ **BE STRONG IN CHRIST** ✻

*Be Strong In Christ*

### **UNITED IN WICKEDNESS**

Different realms of the world of man are full of diverse elements of darkness, inherent in the primordial esoteric energy of witchcraft spirits. This primordial esoteric or ancient occult powers, which constitutes the metaphysical propensities of the Prince of Darkness, ("**the god of this world**", 2nd Corint. 4:4), is in a fierce battle against the human race.

In its operations within the realm of the forces of darkness and their human agents, as related to upholding the art of witchcraft, this primordial esoteric energy has four major conscious witchcraft levels and one unconscious level, making them five different kinds. In other words, there are five different kinds of witchcraft.

The Black, White, Kali and Abra Melin witches operate on a conscious level, while the Blind Witches, though very dangerous as well, are in the unconscious level. This treatise explains the basic manipulations of these witches. And be informed that all the conscious witches and wizards and the unconscious one operate in homogeneity via the essence of wickedness. Through the aforementioned primordial esoteric energy of witchcraft spirits, the different kinds of witchcraft spirits operate in the unity of darkness and wickedness.

### **BASIS OF VICTORY**

Witches and wizards are human beings serving the interest of the forces of darkness. They are the human agents of the Prince of Darkness functioning in that dimension of occult craft. Witches and Wizards are human beings who could manipulate the subtle energy of the earthmen, under the guidance of the forces of darkness, and use same to project into diverse psychic realms beyond the physical realms of Earth. They operate both in the world of man and beyond the human world.

### *Hidden Terrorists*

Thus, witches and wizards, following specific astral principles, could project themselves and pass through solid material elements, including locked doors, walls, locked windows, trees and animals (to mention but a few), to perpetrate the crafts which are abominations before the Universal Lord of Light, the Great Lord Jesus the Christ.

The intensity of these evil forces is subtle in essence and cannot be subdued by the coarse propensities of the gross material elements, which includes but not limited to the material bodies of the earthmen. In other words, you cannot subdue or overcome the forces of darkness on the strength inherent in the flesh and blood.

Now, the body of man is gross material in the ultimate essence of existence. It follows therefore that anyone who is solely attached to the maintenance of his gross material body, and bereft of the potency inherent in his essential higher spiritual aspect, activated via the Light of Christ, cannot overcome the hosts of darkness.

Such a person cannot manifest the Divine potencies, the higher energy-vibrations of Supreme Light, required for victory over the forces of darkness, including witches and wizards. In other words, witches and wizards operate in a dimension beyond the limitation of the human body. They operate via the power of the subtle wicked spirits.

Consequently, you can only overcome them via the Power of the Highest Spirit -- the Spirit of Light in Christ Jesus. When your spirit (your entire consciousness) is firmly established in the Light of Christ -- Lord of the Universe -- be sure that the Spirit of God will always fight for you. For all those who are firmly established in the Supreme Light of Christ, the Mighty Spirit of the Lord fights all their open and secret battles. As it is written: "**When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him.**" (Isa. 59:19).

*Be Strong In Christ*

### **QUICKENED IN THE SPIRIT**

Dear reader, be informed that all undue attachment to the human body, all related vanities to bodily aggrandizement, are illusory and detrimental, as far as the real battles of life are concerned. Listen: Without proper care for the Soul personality, your core identity within the body, you stand lowered only to the mundane platform of being.

On this platform, your human-spirit (involving your consciousness and mental pattern) dwells in the psychic gestalt of the pure mundane, wherein you can be suppressed, subjugated, possessed or manipulated by the forces of darkness and their human agents.

Remember the Words of the Eternal Lord: "It is the Spirit that quickeneth, the flesh profiteth nothing (John 6:63). In other words, the intensity of vibrations which can completely immune your life against each and every psychic attack of witchcraft, or quicken your being beyond witchcraft manipulations, comes via the radiation of the Omniscient Spirit of Christ. And this will be your lot when you simultaneously maintain your body and Soul and submit your spirit daily to the Divine Protection of the Supreme Light of the Godhead -- Jehovah God and His Christ.

Also be informed that in this connection the flesh of the earthman, as spoken by the Great Lord Jesus the Christ, profits him nothing. Again be informed, as most of my readers already know, that there can't be such a thing as '**nothing**'. '**Nothing**' does not exist. Why? Because every NOTHING is SOMETHING!

Therefore, we know that the flesh profits something. But that "**SOMETHING**" is bogus, it is invalid. That '**something**' includes woe, pain, death, sorrow, sickness, poverty and wickedness. And these are "**nothing**" before the Spirit of the Lord, hence the Words of our Lord: "**It is the Spirit that quickeneth, the flesh profiteth nothing**".

### *Hidden Terrorists*

Earthman, please consider this: If you make a cage and put a bird inside it, you are expected to always clean the cage and feed the bird inside, for both to be in normal condition. Of course, if you always clean the cage without feeding the bird, the bird will die while the cage may appear fine and beautiful outwards. Now, the cage is the human body, while the bird is the Soul personality by which the awareness of being is maintained within the body.

Many of us in the world of man are careless about the Soul, but at the same time we are fully committed to and concerned about the welfare of the body. And by so doing, we lower the potency of the spirit, the essential higher spiritual aspect of man, and thus become slaves to the forces of darkness. By so doing, we "kill" the Soul like a bird starved to death in a cage. Verily, those that "**kill**" the Soul, in one way or the other, shall have their lot in the most vicious realms solely controlled by the forces of darkness.

The Soul personality is "**killed**" through any of the five propensities of the body - lust, anger, greed, vanity and attachment to mundane things. But the Soul personality is quickened through the Energy of the Supreme Light of Christ, culminating in the consummation of righteousness, peace and joy inherent in the worship of God through Christ.

It is only when you are quickened by the Spirit of God that your entire consciousness can transcend the devices of the abnormal entities - forces of darkness. Your 'Body, Soul and Spirit will then uphold the banner of victory, which is given to every true believer by the Spirit of God - CHRIST.

The strong will always attract the weak. And the strong must overcome the weak. This is a Universal Law. The material energy is weaker than

*Be Strong In Christ*

the Spiritual Energy to a far greater extent. Therefore, anything material must be subdued by the potency of the Spirit. The human body is on a material dimension, but the entities in the spirit realm, by virtue of the potency of their higher subtle spiritual vibrations, are stronger than the earthmen in metaphysical powers. Thus, they can dominate and manipulate those whose lives are propelled by the material energy.

Nevertheless, the Infinite Multidimensional Energies of the Godhead operate in the infinite consciousness of the Sole Ultimate Power. And without this Supreme Power, there was nothing made that was made. Every man, spirit, angel and all things in existence, were caused to manifest via the command of this Higher Power, which is God. And when an earthman becomes completely attached to the consciousness of the Supreme Power of the Godhead, through Christ, he will receive Light and Power from the Throne of His Eternal Majesty -- Jehovah God and His Christ.

When this is done, he can vibrate the Power of the Almighty in Light and consequently banish every power of darkness, including the metaphysical powers of even the Prince of Darkness himself.

**THE WEAK AND THE STRONG**

The strong will always overcome the weak! Yes!! If you are in the flesh, it means you are weak. Again, it follows that the forces of darkness will overcome you at that point, because their dimension is stronger than the level of the flesh. But if you abide in the Supreme Power through Christ, you are then stronger than these forces, because our Lord (CHRIST) has the key of all powers. And Christ, our Lord, can frustrate the devices of the Prince of Darkness and the multitude of his spirits and human agents.

Now, let us strive to be strong in the Lord, for the strong must overcome the weak by fixed immutable laws. And the Scripture says:

**"Finally, my brethren, be strong in the Lord, and in the power of His might."** This is the only way out. There is no other way to overcome the powers of darkness than for you to be strong in the Lord.

Speaking of why it is imperative for us to be strong in the Lord, the Scripture added: **"Put on the whole armour of God, that ye may be able to stand against the wiles of the devil"**.

In other words, if you fail to put on the whole armour of God, you cannot overcome the **"wiles"** or the manipulations and devices of the principal entities of darkness. Now, if you fail to overcome, what will happen to you? You will be defeated. By what? By the forces of darkness including witches and wizards, because our warfare is not against flesh and blood. The Scripture in the same chapter proclaimed:

***"For we wrestles not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places" (Eph. 6:10-12).***

## **DANGEROUS HUMANS**

As already stated, there are different kinds of entities in the realms of darkness perpetrating the devices of witchcraft. And this publication is set forth, by the grace of God to propagate the bonafide spiritual recognition and knowledge required for victory over these evil forces. Already, in the previous chapter, we discussed the fear-elements and the fear-techniques of witchcraft spirits, which is very important in this connection.

Remember that these forces of darkness are constantly in motion in the world of man, working towards the destruction of the earthman. Now, let it be emphasized that these evil powers can even **"destroy"** the

*Be Strong In Christ*

**"people of God"** who are bereft of the spiritual knowledge required for victory.

Yes! this is no joke. Even the Lord Himself proclaimed this recognition thus: **"My people are destroyed for lack of knowledge"**. (See Hosea 4:6). Have you heard that? Think about it.

The mighty powers of darkness are in motion to destroy. And God said **"My people are destroyed for lack of knowledge."** Yes, the people of God can be destroyed for lack of knowledge - lack of knowledge of the ways of God, the nature of man, the process of spiritual and metaphysical attacks by the powers of darkness, to mention but a few. Lack of knowledge is ignorance, therefore ignorance is the symbol of destruction.

Again, remember the Words of God. **"My people are destroyed for lack of knowledge"**. These words were not directed to unbelievers. Rather, they are directed to believers -- the people of God. It is not said **'My people are destroyed for lack of money, or for lack of husbands, wives, children, houses, cars or clothes'**. Don't forget this.

Witches and Wizards are human beings, very dangerous humans upholding the consciousness of diverse entities of darkness in the realms beyond; manifesting the most vicious occult and esoteric powers of the Prince of Darkness. They are the human agents of the forces of darkness.

In a related spiritual sense, based on the primordial elements of psychic attacks, any human being of the metaphysical, psychic, occult, or esoteric recognition, who is out in one way or the other, directly or indirectly, to harm, ruin, control, dominate, manipulate or hypnotize another human being, is a **"witch"**. And as already made known, in this treatise the word **"WITCH"** is mostly used in this connection.

## *Hidden Terrorists*

Now, there are different kinds of vicious spirits in the realms beyond, about 400,000 kinds. There are some spirit beings operating as guides (false guides); there are some operating as invisible servants; and there are some operating as paramount gods of diverse jurisdictions, nations and regions. There are second-personalities, Yamadutas -- the hideous spirits of death, controlling deities, Mkpitimme -- wicked destroyers from the astral stones of fire, Voltral-bolts A/P, to mention but a few.

Portions of the combinations of these most vicious forces, powers and entities, into the absolute occult chambers, are the sum-total of what we know as '**witchcraft spirits**'. These could also rightly be called '**serpents and scorpions**', as spoken by the Great Lord Jesus the Christ, because inherent in them is the core vicious nature to kill, maim and destroy.

They are like the predators, lions, for instance, who has the propensity to kill, as well as the nature of feeding from the carcass of fellow beasts. Thus, the forces of darkness, the '**serpents and scorpions**', the witchcraft spirits and their human agents, are in constant battle motion solely and specifically to the detriment of the children of men. Nevertheless, in the Holy Name and Blood of Christ, we have power over them; we have victory in the field of battle. For thus says the Lord:

*"Behold, I give unto you power to tread on serpents and scorpions, and over all the powers of the enemy; and nothing shall by any means hurt you" (Luke 10:19).*

I have said that the combination of the forces of darkness could be called '**serpents and scorpions**', in a relative sense. But the entire devices of these forces of darkness, however, as well as the process of their spiritual attacks, are coordinated by the human agents serving the

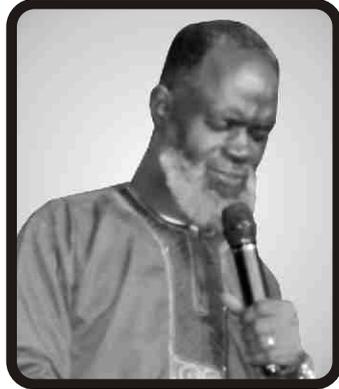

*Be Strong In Christ*

interest of the Prince of Darkness. Without a human agent, the forces of darkness cannot flourish in a particular area or jurisdiction. The more human agents they have, the more they have the "**right**" to manipulate the world of man.

To this end, such human agents could be called "**witches**", regardless of any name or title they may operate with. Simply stated: all the human agents of darkness are "**witches**", by virtue of the "**craft**" which they perpetrate in accordance with the devices of the Prince of Darkness.

Nevertheless, the modus- operandi of such witches, as well as their manipulations, are in five major categories or kinds. But they are all subjectively united or connected via the intensity of the negative vibrations emanating from the kingdoms of darkness.

A word is enough for the wise.

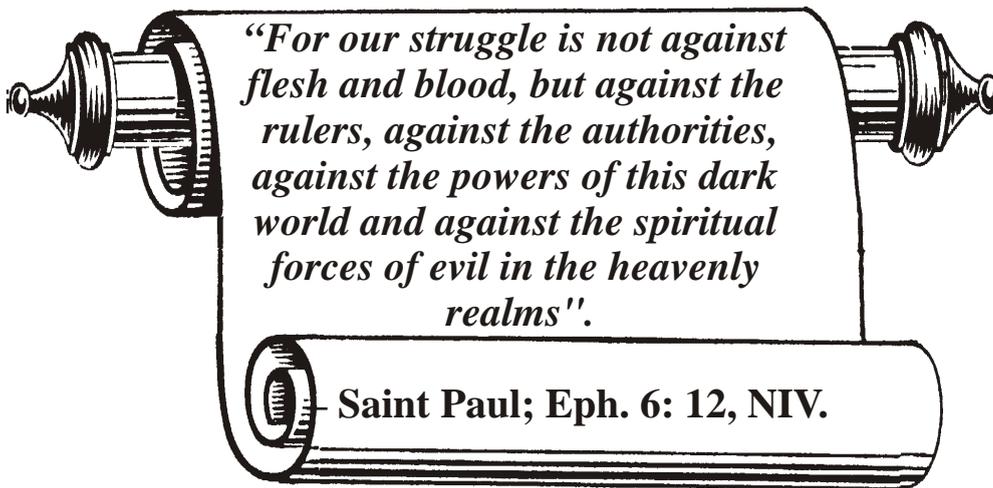

## CHAPTER 7

# **POWERS BEYOND THE WORLD OF MAN**

(Questions And Answers)

*"For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms".*

**- Saint Paul; Eph. 6: 12, NIV.**

## **RELATIONSHIPS BETWEEN OCCULT POWERS**

**QUESTION:** What is the relationship between witchcraft or witches and wizards, with other powers of darkness?

--T. Obayuwana; Ikeja, Lagos, Nigeria

**Answer:** Witchcraft is a subtle game, the trick or craft of the powers of darkness, used in their daily hunting and psychic battles against the children of men. Witchcraft is an intense occult energy, a highly concentrated unit of esoteric powers, or a combination of the metaphysical powers of different spirits in the realms beyond. Thus, all the forces of darkness are united in witchcraft.

The psychic entities or spirits, appointed and empowered by the hierarchy of the forces of darkness, to guard the daily manipulations of the “**witchcraft-power**” in their vicious astral warfare against the world of man, are called “**witchcraft-spirits**”. The male human agents of witchcraft are called “**wizards**”, while the female human agents are “**witches**”. But on a general understanding, all the human agents of witchcraft-spirits, whether male or female, could still be called “**witches**”.

In other words, the witchcraft-power is a unit of a major contribution of the powers of various spirits of darkness. I have been speaking of the process of this “**contribution of demonic powers**” for some time now. In the realms beyond, there are diverse crafts, devices or tricks designed by the forces of darkness to fight human beings, which are sustained by the

contribution of powers made by the mighty spirits of the Prince of Darkness.

The situation is like when you save your money in a bank. People work in the bank, but they are not the bona-fide owners of the money there. You that have your money in the bank, if you want to withdraw some, must follow the process of the very bank wherein your money is deposited. Consequently, witchcraft is a multidimensional deposit of powers made by evil spirits solely to fight the earthmen. But in doing so, the witchcraft spirits and their human agents (witches and wizards) must follow specific occult rules, just as you must follow the bank's process to withdraw your money.

### **SYMBOL OF DESTRUCTION**

**QUESTION:** Harbinger of the Last Covenant, I have read many of your books. I know that we are not fighting against flesh and blood, as made known in your expositions and confirmed in the Holy Scriptures. Please, kindly clarify this to me: What is the meaning of gun shot in the dream?

-- Linney R. Victor; London, United Kingdom

**Answer:** Dear Linney, witchcraft spirits and their human agents have different ways of fighting human beings, some of which are programmed to appear in a subjective experience, such as the dream world. For instance, in a dream someone may shoot you with gun, or you may hear a gun shot. This is an attack of the witchcraft-power.

*Be Strong In Christ*

On one hand, the person you may identify as the one that shot the gun, if he is someone that you know physically, may or may not be the person involved. On the other hand, if he is the one involved in the attack, it means that he is a witch. Often Blind Witches are used in this kind of operation, without the conscious knowledge of the Blind Witch. Black and Kali Witches are masters of this kind of witchcraft attack.

Sometimes, in order to cause confusion in a family among family members, the image of an innocent person in a family who is not strong in the Lord, and who is not any kind of witch, could be manipulated and used to carry out the gun shot in the dream. In this instance, such innocent person is himself under attack.

If care is not taking, confusion may prevail in a family, following this dream and other related dreams, to the aggrandizement of the hosts of darkness. Forces of darkness can enact a dream into the psychic orbit of a person solely for this purpose.

However, intense gun shots in the dream is unpropitious, signifying the attack unto death. Dreams of gun shots, snakes, stained knife, blood, bombs, amongst others, are mostly used by witchcraft spirits to carry out the attack of death. When such dream encounter is geared towards death, then it is under the witchcraft operational code of '**The dogs that bite**'.

### *Hidden Terrorists*

'**The dogs that bite**' operational code of witchcraft, however, are involved in diverse attacks on the children of men, which includes but not limited to the attack of death. And 'The dogs that bite' is not the only operational code of witchcraft that carries out the attack of death, other operational codes of witchcraft, in one way or another, do likewise.

Specifically, however, when gun shots in the dream is programmed as an attack of death, via '**The dogs that bite**' operational code, it means that some witches are fighting against you through an agent of darkness who knows you physically. To this end, a gun shot against you in the dream, is a direct attack against you by witches and wizards. But the news or the sound of a gun shot in the dream, is an attack of witchcraft against your loved one.

However, gun shot in the dream, or whatever that is an attack of death via the aforementioned '**dogs that bite**' operations, is very dangerous. When you experience such a thing in your dream, rise and take Divine authority over it; pray against it in the Mighty Name of the Great Lord Jesus the Christ, as soon as you wake up. It is also important for you to fast and pray the next day in this connection (6am - 6pm), because a gun shot projecting death, means that what the witches want to do is about to manifest as earlier stated, if not stopped by the Power of the Supreme Lord of Light -- Christ.

You must be in Christ, you must acknowledge the authority of the Perfect Blood of our Lord Jesus, before the Spirit of God

*Be Strong In Christ*

will manifest your victory through fasting, in the face of the witchcraft attack of death via gun shot, amongst others, in the dream experience.

### **KNOWN AND UNKNOWN ENEMY**

**QUESTION:** Man of God, please can you enlighten me on how witches and wizards do fight against human beings, especially in the dream, and how we can overcome them?

-- Ben L. Hobart; California, USA.

**Answer:** Dear Ben, almost everyone killed by the powers of witchcraft, dreamt of such death in one way or the other, two or three days earlier, or more, before it occurred. Such dream experience (witchcraft attack of death) include a direct gun shot by known or unknown enemy. It may also include serpent bite, stabbing with knife, falling into a pit, amongst others.

Furthermore, the dream experience of one being pursued by a mad person or persons, also stands for the witchcraft attack of death. Such mad people are the spirits of witchcraft, under the operational code of '**Mighty powers of great illusions**', projected to kill one by a higher master (human being) in the order of the witchcraft power.

Now, if the mad entities succeed in touching you in the dream, while you are being pursued by them, then you should put yourself in serious prayers and seek the protection of the Supreme Lord via the Blood of Jesus. That is the only way out.

### *Hidden Terrorists*

I am saying this because I was with them I was once a master of the order of Abra-Melin witchcraft. Please, if a mad person or persons pursue you in the dream, as soon as you come out of such dream, pray and call upon the Name of the Great Lord Jesus the Christ, using same to bind the powers of witchcraft.

When you sincerely call upon the Name of the Lord in humility and total submission to His Divine Protection, the Almighty vibrations of His glorious Name will surely set at naught the entire devices of occult powers against your life. Remember His promise: **“For whosoever shall call upon the name of the Lord shall be saved”** (Rom. 10:13).

This verse of the Holy Scriptures is simple, but not as simple as you may think, however. Why? Because under certain manipulations, based on whether or not you are strong in the Lord, you may even forget to call upon the Holy Names of Jehovah God and His Christ.

It is known that the Blessed Names of the One Eternal Almighty Jehovah and the Great Lord Jesus the Christ, uphold the Supreme sound vibrations that sustain the entire Universal Systems. And it is given unto every creature in all the Universes of God, including the forces of darkness themselves, that all should be subjected to the sole ultimate spiritual Power operating via both the Name and the Blood of Christ. The Holy Scriptures spoke of Christ thus:

*“For by him were all things created, that*

*Be Strong In Christ*

***are in Heaven, and that are in Earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by Him, and for Him” (Col. 1:16).***

***“Wherefore God also hath highly exalted Him, and given Him a name which is above every name: that at the name of Jesus every knee should bow, of things in Heaven, and things in Earth, and things under the Earth; and that every tongue should confess that Jesus Christ is Lord to the glory of God the Father” (Phi. 2:9-11).***

Nevertheless, whereas the Name of Christ can completely save you from all the manipulations of the forces of darkness, you must uphold the righteousness of the Blessed Lord, and have absolute and unquestionable confidence (faith) in His Holy Name, before His spiritual victory will come to pass upon your life. Otherwise, you will fail in the field of spiritual warfare. Remember the case of the vagabond Jews -- the seven sons of Sceva:

***"Then certain of the vagabond Jews, exorcists, took upon them to call over them which had evil spirits the name of the Lord Jesus, saying, we adjure you by Jesus whom Paul preacheth. And there were***

*seven sons of one Sceva, a Jew, and Chief of the Priests, which did so. And the evil spirit answered and said, Jesus I know, and Paul I know; but who are ye? And the man in whom the evil spirit was, leaped on them, and overcome them, and prevailed against them, so that they fled out of that house naked and wounded" (Acts 19:13-16).*

You must come to the point of Divine recognition before the Lord of the Universe, for the Name of the Lord to lift you beyond all the forces of darkness. When you are spiritually recognised, all the elements of nature must obey your command: The wind, thunder, fire, snake, smoke, poison, beast, witchcraft, demon, rain, etc., all must obey your command in the Holy Name of Christ.

On this platform also, all the forces of darkness in the Universe must bow to you, because you are spiritually recognised by the Supreme Lord of Light, by all the Holy Angels of God, and by the Hosts of the Forces of Light in all the Universes of God, as a true child of the Great Lord Jesus the Christ. Only then will the Name of the Lord save you: **“For whosoever shall call upon the name of the Lord shall be saved”**.

The seven sons of Sceva were Jews (the chosen race of God in those days); they were also the children of a priest of God, but this didn't confer upon them the Divine recognition of the Almighty God in Christ; they were not spiritually recognised in

the presence of Jehovah God and His Christ.

Consequently, though they called upon the Name of the Lord, they were utterly disappointed. The vicious astral entity (evil spirit) refused to obey them. Rather the evil spirit told them amongst other things, "**Jesus I know; but who are ye?**"

Furthermore, the man who was possessed by the evil spirit, using the powers of the same spirit of Satan, prevailed against the sons of Sceva, to the end that they fled out of the house naked and wounded -- they were defeated in the field of battle, though they used the name of the Lord in the same battle. Don't forget this.

Therefore, strive always for the Divine recognition of the Almighty, inherent in the Great Lord Jesus the Christ, beyond church recognition, beyond mere recognition of the organised religions, so that the eternal vibrations of the Holy Name of the Lord will spiritualize your entire consciousness (physical, mental, emotional, psychical and spiritual), and thus place you above and not below the forces of darkness.

The Eternal Lord and Master of the Universe, the Great Lord Jesus the Christ, admonished us thus: "**If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you**" (John 15:7). Surely, this is the path of Divine recognition -- to practically uphold the words, the teachings of the Blessed Lord, in our daily thoughts, words and deeds.

### *Hidden Terrorists*

When you do this, His Divine protection and victory will reach you. The seven sons of Sceva failed in this connection. Thus, an evil spirit prevailed against them and set them at naught. It is also true that many "**believers**" have failed on this practical aspect, hence they are being manipulated by the forces of darkness and their human agents.

Now, back to the question of how witches and wizards do fight people in the dream, let me say that there are more than five hundred ways to fight human beings in this regard. I have already spoken of gun shot and mad people in the dream, as some ways of witchcraft attack. Furthermore, if you see yourself in the dream being pursued by masquerades or animals, or bitten by either dog or snake, that is witchcraft attack.

If you are bitten by either dog or snake in the dream, it means that a witch or wizard close to you has overpowered you and consequently injected an element of darkness into your subtle system. For this to happen to you shows, however, that you are spiritually weak. It follows that you need both deliverance and spiritual revival.

Again, if animals pursue and overcome you, or even kill you in the dream, it means that you have been spiritually weak and slothful for more than ten days. After this experience, if you fail to seek the face of the Lord immediately, if you fail to seek spiritual revival and deliverance from the Supreme Power of God, then you must lie low for the forces of darkness to pass through with evil things upon you in the physical world. May

*Be Strong In Christ*

this never be your portion.

In the past (1986) when I was a “**High Master**” (Adept) of the Abra-Melin Witchcraft of the realm of Gobi desert, we used the spirits of witchcraft in the form of wild beasts to kill and maim. I recall the incident of a certain lady then at Umuahia, Nigeria, who offended me and I sent eight spirits of witchcraft to fight her. The eight spirits took the form of wolves and pursued the girl in the dream. Finally they captured and ate her off in that dream; she became insane physically.

You may also observe in a kind of dream experience that greater invisible force is trying to press you down, making it difficult for you to wake up or come out of the experience. That is witchcraft attack. This kind of attack mostly occur via a witch not far from your dwelling place, or the point wherein the attack occurred. The witch may even be in the same house with you, however.

Finding yourself in a thick forest in the dream, is another form of witchcraft attack, especially to those who are spiritually weak. Also be informed that you can't be pressed down by the forces of darkness, the witchcraft spirits and their human agents, when you are spiritually strong in the Lord of the Universe. Never!

There are other systems of witchcraft attack in the dream which can subdue any human being that is not strong in the Lord. To be

*Hidden Terrorists*

strong in the Lord therefore is the only panacea for all the attacks, devices and manipulations of the forces of darkness. Now, if you experience any form of witchcraft attack in the dream, don't be afraid, but make sure that you fast and pray the same day.

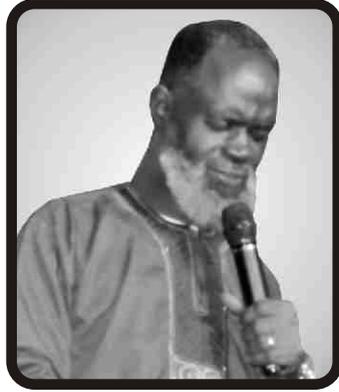

The fasting should take you not less than twelve hours (6am -- 6pm). This will quicken the potency of your spiritual vibrations in Christ, to transcend the crafts of the forces of darkness, via the Multidimensional Supreme Power of the Almighty God.

A word is enough for the wise.

***When you sincerely call upon the Name of the Lord in humility and total submission to His Divine Protection, the Almighty vibrations of His glorious Name will surely set at naught the entire devices of occult powers against your life. Remember His promise: “For whosoever shall call upon the name of the Lord shall be saved” (Rom. 10:13).***

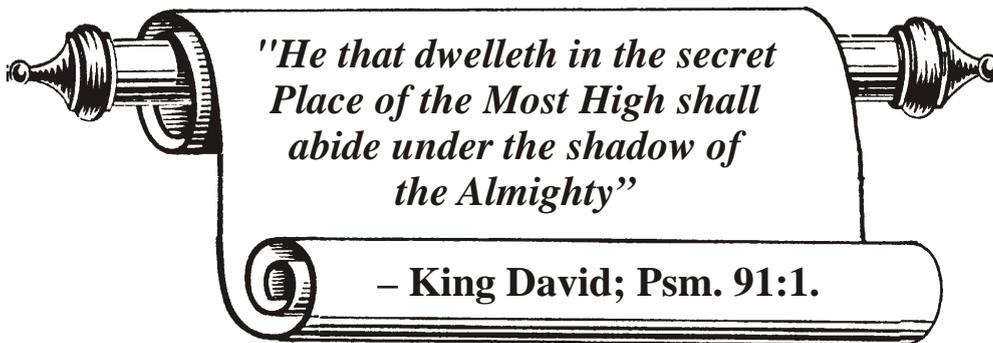

## CHAPTER 8

# SHADOW OF THE ALMIGHTY

(Questions And Answers)

**WHAT WE SHOULD KNOW**

**QUESTION:** Dear Harbinger of the Last Covenant, I am a born again Christian, but often demons and their human agents do come to fight me in the dream. Some times in the dream they force me to fornicate. I am tired of this experience. Please what should I do to overcome?

-- Walter Stevenson O; Virginia, USA

**Answer:** Dear Walter, I will continue to say that the forces of darkness cannot be banished on the strength of what you claim to be, but on the strength and reality of what you are in the Lord.

Just as there are diverse mundane laws governing the activities of the earthmen, there are also several metaphysical and astral laws that coordinate the psychic or spiritual attack of witchcraft spirits and their human agents in the realms beyond. Some of these mundane and metaphysical laws are encapsulated in the immutable Universal Laws of the One Eternal Almighty.

Some of these metaphysical laws of the forces of darkness, especially the ones within the ambit of the Universal Laws, which they can't evade, include the Universal Immutable Law of Homogeneity. By virtue of this Universal Law, no spirit being, astral entity, witchcraft, occult power or whatever can dominate the life of an earthman, if such a person didn't directly or indirectly attract the negative wave of the entity.

Now, this attraction occurs from the base of consciousness, as the basis of certainty, as well as the mental pattern and belief

### *Hidden Terrorists*

systems of a person or group of persons. Consequently, the forces of darkness can't have dominion over anyone who doesn't attract and empower them against himself in the manner that I have spoken.

Furthermore. The forces of darkness can gather in battle against you, but they cannot defeat a true believer who abides constantly in the '**shadow of the Almighty**'. Rather, they must flee from such a believer. But in a situation whereby one partakes in illicit sex (fornication or adultery) in a dream, via the lust-waves of psychic entities, it simply means that such a one is bereft of the protective light radiation from the Glorious Throne of the Father of Light.

It follows also that such a one at that moment of spiritual attack, did not manifest the required intensity of holiness that could set the Spirit of God in Motion for his victory. Now be informed: to say "**I am born again, I am holy, I am sanctified**", doesn't matter much in the light of the truth; the truth is not what you claim to be, but what you are truly before the Lord. Don't forget this!

### **AVOID MUCH SLEEP**

Having said these, let us now go to the practical side of how to overcome each and every attack of witchcraft occurring in the sleep state, that is in the dream. The first step is to make sure that your spirit is in a right standing with God before entering the sleep state. Do not ever enter into the sleep state, or dream environment, with any iota of grudges in your heart.

*Shadow Of The Almighty*

When any grudge is in you, against any person or group of persons, against any event, situation or whatever, it forms a bridge between you and the hosts of darkness. Grudge darkens your whole being, making you at that moment to be dark and to possess the dark nature of the forces of darkness. This makes it possible and easier for you to be instantly traced for astral attacks, anywhere you are, by the forces of darkness.

Therefore, always free your heart from the burden of grudges. Always keep your heart pure before God and man, so the Light of Christ will always have His way in you. Confess your faults, your grudges, before the Lord; ask the Lord to forgive you and cleanse you with His Holy Blood, before you venture into the dream world. This is very important. (Read: 1 John 1:8-10 and James 5:16).

Now, following specific rules of witchcraft attack, which I actively practiced in the past against people before my direct encounter with Christ, I can say categorically that most of the wicked plans of witchcraft, launched against the children of men, from the realms of darkness, do not enter your inner being, your individual spiritual-orbit, while you are fully awake. Most of them can only do so during your sleep period.

Having done that, such vicious attack can thereafter manifest at any moment, even while you are awake. Therefore, do not joke with your sleep period. Sleep in itself in certain terms is propitious and in other terms is even dangerous. Never you

### *Hidden Terrorists*

allow sleep to overcome you. Do not sleep for more than eight hours in every 24 hours. And try not to sleep for more than three hours at once.

Furthermore, after taking your supper, try to stay for not less than three hours before you venture into the dream world. This is very important. The food we eat is made up of gross material elements, and the body of man that the food sustains is also made up of gross material elements. And it is true that the vibration of any gross element is coarse in essence.

Now, the eating of food is a process of adding external material elements to the already existing material elements of the body. When this is done, the course vibrations of the food that you took dominates that of your body for some time. Thus, the intensity of the minute subtle energy of the human body is lowered to the extent that the Spirit of God, working to quicken the human spirit, can't exert the necessary Divine Force in the physical system of reality upon you, being hindered by the gross material propensities of the food in the body. This Divine Force is required for the protection of the human body against witchcraft attacks occurring in the dream state.

However, if you eat and stay awake for not less than three hours before going to sleep, be informed that during this period of three hours, the coarse material energy of the food that you took will totally dissolve. This enables the potency of the Divine Force to encapsulate the human spirit and thus dominate the propensity of the body. It is through this process that the Spirit

*Shadow Of The Almighty*

of God will pass through your whole spirit and soul and body, to coordinate your dream experience and protect your life against any witchcraft attack during your sleep period.

Again, if you eat and stay for three hours before sleeping in the night, what you do within that three hours also matters. For instance, if you use such a period or part of it to watch a film that gratified the material senses, or engage in conversations or activities that are devoid of the Holy Spirit, that is something else. You are by so doing setting up negative fabrics of the forces darkness in motion against yourself, through which the spirits of witchcraft can still overcome you in the dream.

To this end, it is necessary for you to use at least the last one hour of the three hours, or not less than one hour of the three hours, to cause the '**Highest Vibration of Spiritual Power**' to manifest in your environment before you sleep. If you do this, no evil power in the universe can overcome you in the dream, neither will you fornicate or eat any food presented to you in the dream by unclean spirits or their human agents.

The question now is: How can the earthman cause the '**Highest Vibration of Spiritual Power**' to manifest? The answer is simple: The Holy Name of **JESUS CHRIST** is the Supreme Source of the '**Highest Vibration of Spiritual Power**' in the Universe. Consequently, when you pray and call His Holy Name, you are vibrating the Highest Power. When you sing praises to Him, or when you pray and call His Name in absolute love and faith, you are causing the Supreme Power and Light of

### *Hidden Terrorists*

the Godhead to manifest. Do this for not less than one hour before you sleep in the night, and your victory will be as sure as daylight in the field of battle.

When I was ministering in the Volta Region of Ghana, I brought this information to the awareness of the people of God there. And before the end of the four-day crusade, one sister called Bridget came up and testified as follows:

*“Almost every night, something used to sit on me holding my throat. I have prayed and fasted against this, but to no avail. Thank God that He sent His servant, Prof. Iyke Nathan Uzorma, to minister to us. After his exposition on how to overcome the powers of darkness in the dream, I decided to follow the instructions that he gave.*

*"So, after eating in the evening I stayed awake for three hours and then prayed seriously for one hour before sleeping. For once in my life, I slept beautifully like I have never done before.*

*There was no spiritual oppression against me at all. Glory be to God”.*

### **YOUR SPIRITUAL STATE**

**QUESTION:** Harbinger of the Last Covenant, do Satan and his agents see the blessings that God gives his children before they

*Shadow Of The Almighty*

manifest physically here on Earth?

-- Andrew Jebenu; VGC, Lagos, Nigeria.

**Answer:** Beloved, the Prince of Darkness, his mighty spirits and higher human agents can see the blessings of a child of God in the realms beyond. Seeing such in this connection is onething, but hindering such is another thing. They have the high occult and esoteric powers to see such blessings, but to hinder the blessings is a different thing entirely. However, not all that is coming to you from from God can be seen by them.

I am saying this by virtue of my former high profile occult position -- '**Living Grandmaster of the Order of Terrestrial and Astral Hierarchy**'. For instance, a high ranking witch could, via the esoteric powers of extrasensory perceptions, recognize subjectively one's blessings in the realms beyond.

Now, the intensity of the Spirit of God behind such blessing, as well as the spiritual position of he who will receive the blessings, including the permission which the Supreme Lord of Light may grant the opposing forces for a specific purpose (like the case of Job), could determine whether the blessing may be hindered or not.

A believer must understand that the blessing he receives from God comes to him by virtue of his "**present**" spiritual state. And when you fail to maintain that state, upon which the blessing was initiated in the first place, the Lord could permit the Prince of Darkness, following a report against you or otherwise, to

hinder such a blessing. In the Holy Scriptures, the Lord gave us a clue of this as follows:

*“And at what instant I shall speak concerning a nation, and concerning a kingdom, to build and to plant it; if it do evil in my sight, that it obey not my voice, then I will repent of the good wherewith I said I would benefit them” (Jer. 18:9,10).*

Further to the aspect of how the forces of darkness could see the blessings of the people of God in the realms beyond, remember the case of Daniel. While Prophet Daniel was praying to God, the Lord sent an Angel with blessings to Daniel. But the way of this Holy Angel was hindered for some days by a concentrated power of darkness operating in the air as the **“Prince of Persia”**. The Prince of Persia saw the blessing sent to Daniel and came against it.

Consequently, God sent another greater angel, the Archangel Michael, who appeared and banished the Prince of Persia. (See Daniel 10:10-14). The process through which the so called **“Prince of Persia”** saw the Angel that was sent to Daniel, is the same process through which other mighty rulers of darkness and their higher human agents could see some of your blessings in the spirit realm.

The important thing, however, is that if you abide strictly in Christ, no evil power in the Universe can hinder your blessings.

*Shadow Of The Almighty*

For the blessings of a believer do not come through the force of competition, but through the grace of God. And through this grace, your blessings will come to pass, not because of what you have now, not on the strength of your present bank account, but by virtue of “**His riches in Glory**” through Jesus Christ (Phi. 4:19)

**OVERCOME DARKNESS AND RECEIVE FROM GOD**

**QUESTION:** Please explain to me in detail the basic spiritual principles that can enable one to pray and receive from the Lord. I am a born again Christian, by the grace of God.  
-- Grace Marcus; Nairobi, Kenya.

**Answer:** Beloved in Christ, it is a spiritual fact that a strong desire, impelled by the intensity of the thought potency of prayer, can draw things from the Throne of God (the Highest System of reality) and manifest them on the physical realms of Earth, that is, in your life. This is strictly based on the Universal Law of Desire and Thought Projection.

It is said that '**desire brings all things into being**'. It was this Universal Law that the Great Lord Jesus the Christ proclaimed when He said: “**Wherefore I say unto you, what things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them**” (Mark 11:24).

In other words, mental images ("**substance of things hoped for**" -- Heb 11:1), accompanied by strong emotion, are blue prints, therefore, upon which a corresponding physical object or

### *Hidden Terrorists*

condition, or event, will manifest on Earth. The intensity of a feeling or thought or mental image is, therefore, the important element that determines its subsequent physical materialization.

The understanding here is that whatever you strongly desire in your mind will immediately assume a spiritual form via the mental image of the desire. For instance, if you strongly desire to buy a car, the intensification of your desire will create the mental image of the car in the realms beyond.

When the image of the desired car fully appears spiritually, it will begin to travel towards you for final manifestation, or materialization. On its way towards you, the car may be physically manifested to you by the Spirit of God, depending on when the subjective image of the car is able to reach and enter into your spiritual “**orbit**”, your higher dimension of reality.

Consequently, the car may reach you in a matter of few weeks, some months or after many years, based on the intensity of your thought projection through the Will of God. However, based on some other negative principles, the car may fail to reach you at last.

Now, let me briefly inform you of certain things that may contribute to accelerating the manifestation of your desire, as well as the few things that will hinder the manifestation of your heart desire. In connection with the first point, let me go back to our example of the person whose desire was to buy a car. Evidently, the potency of a holy life in the Lord is the initial

principle that will elevate his prayers to the Throne of God.

Furthermore, faith with persistence are bonafide principles that will enable the object of his desire (the car) to reach him. Remember the Words of our Lord Jesus:

**“What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them”.**

Therefore, your faith is very important in this connection. But such faith must be initiated by a sincere recognition that will cause the main intention and purpose of your heart desire to attain the required degree of justification before the Throne of God.

A true believer, wishing to receive his heart desire from God, should first of all determine the worthiness of his heart desire via the standard of the Holy Scriptures, not by his own personal standard. This is necessary because if your heart desire is contrary to the Will of God for you, the Spirit of God will not act to manifest such a desire.

We have said that the intensity of your thought projection creates the mental image of your desire in the realms beyond. We have said also that a holy life, faith and persistence are higher principles that could draw the object of your desire towards you. Further to these, patience with constant positive affirmation must be applied if you must get what you want.

### *Hidden Terrorists*

It is also a spiritual fact that fasting (with constant prayers) is another higher principle that will consciously or unconsciously quicken the vibration of your subtle energy to prevail in the spirit realm and thus accelerate the physical materialization of your heart desire.

A well known Christian teacher of our time, Gordon Lindsay, wrote: **“Of all prayers, the fasting prayer has the greatest effect of all”**. He further stated: **“we are interested in helping the thousands of people who so far have found it impossible to fast, or who at least do not fast, yet face battles which can only be won by prayer and fasting”**.

Above all, there is yet another spiritual principle that can truly speed up the physical manifestation of the object of your heart desire. I am talking about a highly intensified thought projection of another person focused towards the fulfillment of your heart desire. This operates via the principle of perfect spiritual agreement.

THE Great Lord Jesus the Christ spoke of this principle when He said: **“Again I say unto you, that if two of you shall agree on Earth as touching anything that they shall ask, it shall be done for them of my Father which is in Heaven”** Math. 18:19).

You see, it may not be possible for three or more people to perfectly agree in one thing with all sincerity and love as required by the Lord; thus the Lord recommended two people. But even these two people may not perfectly agree.

### *Shadow Of The Almighty*

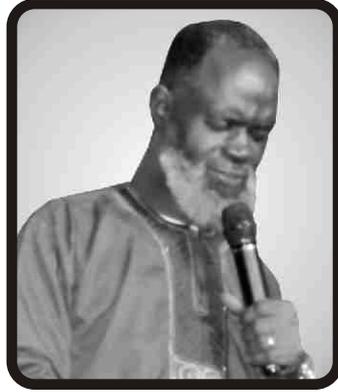

Nevertheless, in a situation whereby they uphold perfect agreement in prayers, their request must come to pass.

However, there are certain things too that can hinder the manifestation of your heart desire. One of such things is sin, another is doubt. Indeed when the mental image of your desire is on its way spiritually towards you, if you fail to uphold true faith, you may at a certain stage doubt the final materialization of your desire. And any element of doubt, no matter how small it may be, can neutralize your heart desire.

Another negative principle that can banish your heart desire is a strong spiritual opposition against your heart desire. This is often perpetrated by the agents of the forces of darkness. Such agents may advance an occult manipulation designed to lead you into sin, doubt, amongst others, so that they may have the astral right and power to dominate the object of your heart desire in the spirit realm.

Now, I recommend that you should keep your strong heart desires strictly personal and confidential. Don't allow your left hand to know what your right hand is doing. Discuss your problem only with someone who can sincerely agree with you in prayers. And any problem that is handed over to God, don't discuss it with any man.

A word is enough for the wise

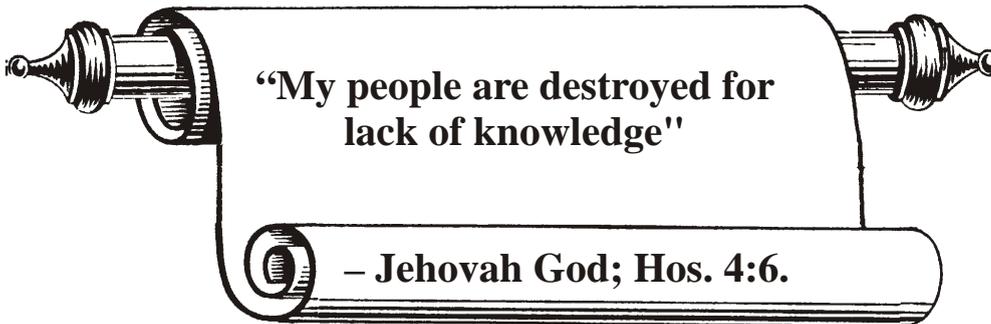

## CHAPTER 9

# VICTORY OVER THE WAYS OF WITCHCRAFT

(Questions And Answers)

*Victory Over The Ways Of Witchcraft*

**ELEMENT OF OPPRESSION**

**Question:** Dear Harbinger, in one of your books (The Spirit Realms) you briefly spoke of how human beings are transformed into animals, and how the meat of such animals are used as elements of darkness to contaminate people. Please, can you elaborate on this? Again, how can someone oppressed by such elements of darkness be delivered?

-- Williams S. Champman; Cape Town, South Africa.

**Answer:** Dear Williams, dangerous and mysterious things are happening in the world of man, enacted by the highest realms of the forces of darkness. For instance, the mass terrorist attacks going on in the world today, the most vicious murders of the earthmen, are carried out by the forces of darkness via their human agents.

However, in answer to your question, in different parts of the world, human beings are mysteriously transformed into animals with intense occult powers. The flesh of such animals are in turn used to enslave people via divers elements of darkness. '**Ai-shrak**' is the occult power with which a human being could be transformed into animal form.

This vicious occult power originated via the Abra-Melin witches of the ancient Babylon, through an Abra-Melin Grand Master called Tammuz. After the death of Nimrod, founder of Babylon (Gen. 10:8-10), his wife, Semiramis, had sexual intercourse with some spirits of the Abra-Melin Witchcraft.

Consequently, she gave birth to Tammuz, who was worshipped as a "**Godman**". And through Tammuz different occultic powers came to the physical realms of Earth, which include but not limited to the power to change a human being into animal. Presently, this power is still operating on Earth in high and secret places.

### **BE MINDFUL OF WHAT YOU EAT**

The moment you eat a human flesh in the form of animal meat, the forces of darkness will use same to contaminate and dominate your life. Now be informed that to a greater extent unknown to some people, what you eat can go a long way to determine the level of your spiritual power in the Lord.

It may be recalled that some great Prophets of old, including the Great Lord Jesus the Christ Himself, were given specific instructions by the Spirit of God on the kind of food to eat while on the physical realms of Earth, even before their physical manifestations. I have discovered by my experience, in the course of ministering to believers, that many believers and great men of God are ignorant of the fact that what Jesus Christ ate while He was on Earth, was revealed by the Spirit of God before His birth.

Hitherto, it is evident that many believers are not even aware that what they eat can either uplift or degrade their spiritual powers, depending on the nature of the food. On the kind of food that Jesus Christ ate while on Earth, the Scripture says:

*Victory Over The Ways Of Witchcraft*

*“Therefore the Lord Himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call His name Immanuel. Butter and honey shall He eat, that He may know to refuse the evil, and choose the good” (Isa 7:14-15).*

When you recognise the ultimate spiritual essence of why Christ ate **“butter and honey”** in the world of man, you will begin to comprehend that what you eat can either uplift or degrade your consciousness, your power, before the Light of the Almighty. Surely, Christ is the Lord of the Universe, but when He disguised Himself as a man and came to save us, He needed to operate and uphold higher spiritual principles, so as to completely overcome all the devices of the Prince of Darkness. One of such principles includes the kind of food He ate.

Why did Christ eat butter and honey? According to the Scriptures, He did so **“That He may know to refuse the evil, and choose the good”**. The phrase, **“to refuse the evil”** in this connection, has to do with victory. If I refuse evil, then I have overcome evil. In other words, Christ ate butter and honey to enable Him overcome evil **“refuse the evil and choose the good”**.

This was the principle which He set for Himself before His physical manifestation, under which He finally lived on Earth. Remember, according to the Holy Scriptures, He did not eat

*Hidden Terrorists*

butter and honey for Him to be handsome or to accumulate material wealth, but solely **“that He may know to refuse the evil, and choose the good”**.

This is very important. Truly, certain food can assist you to overcome the manipulations of the forces of darkness. I have already told you that many people do eat human flesh transformed into animal meat, without knowing, and that the ultimate purpose of this is to contaminate and weaken the earthmen. Do you know that some meat you buy in the market are human flesh?

There was a woman that went to a certain primary school in Nigeria and gave the pupils (children) some sweets to eat. This woman was a witch, an agent of the forces of darkness, who wanted to contaminate the children and make them spiritual slaves. Many children ate the sweets, but one of them took his own sweet home and forgot it in his school bag. The next day, in the morning before he went to school, he remembered the sweet. When he brought it out, he found that the sweet of the previous day had changed into a human finger.

Things like this are going on in different parts of the world. That is why if you are not spiritually careful and prayerful on behalf of your children, the agents of darkness can turn their eyes and may even use them (your children) against you. Even today in our world, some parents who were not careful and prayerful, who have no portion in the foundation of Light via the Holy Blood of Christ, have some of their children turned into

### *Victory Over The Ways Of Witchcraft*

terrorists, core '**monsters**' of the dark world, by high profile witchcraft spirits.

If you are not spiritually strong and watchful, as required by the Lord Himself, a witch related to you, no matter how far he may be from you, or a witch near to your house, can use your little child as a witchcraft '**torch-light**' for the operations of witchcraft.

Therefore, prayerfully guide your little ones on the path, the path of victory of the Blessed Lord Jesus Christ. Train your children to refrain from accepting edible items from people, no matter who. Let them refrain and learn how to say "**no**". This is very important.

A witch who wants to use anything edible to enslave a person or persons, must relate "**friendly**" with such a person or persons in the realm of physical association. (In the day he may be a "**friend**", but in the night he manifests the highest order of enmity.) This is one of the leading propensities of the witchcraft spirits and their human agents.

### **THE GAMES OF WITCHCRAFT**

A witch will relate "**friendly**" with you at first, until you enter into his vicious astral trap. Then you are gone. The art of their proclaimed "**friendly association**" is a well designed "**psychic-game**", a process of witchcraft manipulations. An advanced witch must be a "**master**" in this regard. Beware, don't eat anyhow. Witchcraft spirits and their human agents use

### *Hidden Terrorists*

food to initiate, dominate, or enslave people via the powers of darkness.

When I was a teenager, I used edibles to initiate my friends, my classmates, amongst others, into both Blind and Black Witchcraft. Upon eating such contaminated things, I could even use occult powers to project into them (those without the Light and Power of Christ), stay for a while and come out at will.

Then I took pleasure in the practice of this craft. When I come out of the person, serious boil will develop on the person, at the very part of his body through which I projected out. In those days and throughout my days in the world of the occult, you may see me without knowing that I am looking at you with three, four, seven, or more eyes. There are many people like that today, witches and wizards all over the world.

In those days also, I could give one anything, for instance, a loaf of bread, to enslave him. Such bread is an element of darkness in disguise, with a specific witchcraft name. If the witchcraft name of the bread is “**Kashipu**”, for example, then around 1.00am we would come to “**invoke**” you via the bread, by calling “**Kashipu! Kashipu! Kashipu!**” several times.

Consequently, if you are not under the protection of Christ, then the bread in you will assume a different form (snake, fly, dog, cat, bat, tortoise etc) and bring you by force before us. From that moment you will become a slave until you are killed. All these could happen either with or without your conscious knowledge.

### *Victory Over The Ways Of Witchcraft*

If you eat anything set aside as an element of contamination by the powers of darkness, it will surely become something else and live inside you. Such a thing may become a human finger, a little bone, a little snake, tortoise, cowries, or whatever and lodge secretly in any part of your inner body.

That very spot of your body may be heavy, or itch you or be hot from time to time. And from that spot, the very element of darkness will begin to move around in your body. Thus, it is evident that often some strange objects do move around in the bodies of some people. That is an element of darkness, an element of slavery. It could move from any part of your body: your head, shoulder, your private part, your leg etc.

Let me tell you this: sometimes the rats, lizards, or cockroaches you see in your house are not ordinary creatures. Some of them are the very element of darkness in you that came out in a mysterious way to monitor your immediate physical environment and report back to your enemies in the realms beyond. You can never succeed in killing such entities, except by the Spirit of the Lord.

In different parts of the world, witches are directly given edibles in the realms beyond to hawk or sell in the world of man, so as to contaminate and enslave people. A witch may be given six fried beans-ball (akara in Nigerian tongue) to enslave six people in twenty days or more. She will mix this “**akara**” with the ones she fried physically by herself and sell for the detriment of human beings.

### *Hidden Terrorists*

A witch may also receive human blood from the spirit world and use same to prepare food solely for the purpose of enslaving others. Sincerely speaking, food is a major agent of enslavement for the witchcraft spirits and their human agents, against the people of this world. It was not in vain that Christ Himself, our Perfect Example, ate butter and honey:

*“Butter and honey shall He eat, that Hemay know to refuse the evil, and choose the good” (Isa. 7:15).*

### **PRACTICAL DEFENCE**

Now, the big questions are: How can an element of darkness in a person be completely destroyed? If one is possessed by an element of darkness, how can he be totally delivered? The answers to these questions are contained in the words of our Lord Jesus Christ as recorded in Matthew chapter 17 verse 21: **“Howbeit this kind goeth not out but by prayer and fasting”**.

An element of darkness in someone is amongst the kind of evil power that can't be banished except by prayer and fasting. Now, let me tell you something very important: If rice is used to plant an element of darkness in you, for instance, then anytime you eat rice, it will go to revive the very element of darkness in you. If the rice was cooked with salt, water, pepper, onion, etc., any other thing you eat cooked with same items (even if you don't eat rice again), will still revive the same element of darkness in you.

### *Victory Over The Ways Of Witchcraft*

Nevertheless, if you completely “**starve**” any element of darkness in you, the secret powers of that element will expire and the element will be out of your system. Remember that you ignorantly revive the element of darkness in you against yourself by feeding the element constantly. Now, to starve an element of darkness in you has to do with fasting: “**Howbeit this kind goeth not but by prayer and fasting**” (Matt. 17:21).

This has to do with complete dry fasting. There is no element of darkness that cannot be totally dissolved, neutralized and flushed out of your system if starved for 72 hours -- three days and three nights. If you fast and pray to the Lord for complete 72 hours, without taking anything including water, no element of darkness will have the basis of remaining in you.

If you pray and praise the Lord only, don't be surprised that the element of darkness in you will still remain there, especially the core stubborn ones. But when you add 72 hours of fasting to your praise and prayer, that is the end of the element.

Herein lies the technical spiritual understanding of the Words of the Great Lord Jesus the Christ: “**Howbeit this kind goeth not out but by prayer and fasting**”.

However, be informed that an element of darkness in this connection, isn't a spirit being or witchcraft spirit, but a vicious astral object, a psychic monitoring device, formed by the forces of darkness for the purpose of enslaving people through what they eat. Apart from through food, however, an element of

### *Hidden Terrorists*

darkness can still be planted in one's body through sexual act, smoking, snuffing. But none of them can remain in you after 72 hours of dry fasting.

**Question:** How can someone know when the spirit of death is around and what can one do in the face of such attack?  
-- Brown W. Ghansah; Hohoe, Volta Region, Ghana.

Dear Ghansah, in the first place, it is true that the forces of darkness can attack someone with the spirit of death. When the spirit of death is in motion against you, you may see it in the dream. If this spirit succeeds in coming into your spiritual environment (your microcosm), then from that moment you will be afraid of death anywhere you go.

There are some people as soon as they want to travel, they become afraid of death, afraid of accident. This is a sign that the spirit of death is operating in their psychic environment. Such people should immediately seek God's deliverance from the spirit of death: **“For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind”**. (2 Tim. 1:7). Such fear can help the forces of darkness to manifest the death experience sooner than expected.

Some people generally fear death, not only when they want to travel. Some see dead people always in their dreams. These are further signs of the presence of the spirit of death. Please if you see coffin or grave in your dream, or you see yourself around a burial ground, or you see yourself burying a loved one, or you

### *Victory Over The Ways Of Witchcraft*

are even buried in the dream, fast (6.00am 6.00pm) and pray the same day, calling upon the Blood of Christ to salvage you.

### **EAT FOR SPIRITUAL ELEVATION**

**Question:** Dear Prof., during your crusade at the Lokoja Township Stadium, you did say that some food can help one to overcome the forces of darkness, while some food can degrade one spiritually. Please can you elaborate on this aspect of good and bad food for the benefit of mankind?

-- Oladele Onitiri; Lokoja, Nigeria.

**Answer:** Beloved in Christ, on a higher platform of spiritual recognition, as evident in the lives of our Great Lord Jesus the Christ and some great Prophets of old, it is not good for one to eat all things, in the thought that he could use prayer to sanctify them. On one hand this is wrong, but on the other hand it is not totally bad.

On the primary level of Divine reality, one could eat all things; all sorts of edibles. Nevertheless, on a higher platform of Divine recognition, one comes to the point of eating only those things specifically approved for higher spiritual men. I mean the things that enables men in higher Divine spheres to maintain the highest vibrations of spiritual Power.

To this end, we recall that even the Great Lord Jesus the Christ Himself ate butter and honey “**that He may know to refuse the evil, and choose the good**” (Isa 7:15). Also remember the case of John the Baptist: Did he eat all sorts of food prepared in the

world of man?

John the Baptist was one of the Great Beings of the highest spiritual consciousness. Consequently, when he came into the world of man, he ate such things that enabled him to maintain the Power of the Lord in him. The Scripture spoke of him thus:

*“And the same John had his raiment of camel's hair, and a leathern girdle about his loins; and his meat was locusts and wild honey”*(Matt. 3:4).

Some of us think that we can eat all sorts of food and still maintain the highest Power of God within our consciousness, but that is not the true situation. You may wrongly think also that the case of both Christ and John the Baptist do not apply to other spiritual men on the higher path of Light. Of course all believers are not on the same level of spiritual power (see Math. 13:23), but whosoever wants to advance to the highest point of the Supreme Power of God available for believers, must follow the bonafide path of not eating all sorts of food, the path of fasting and of not even eating too much.

Furthermore, remember the case of Prophet Daniel and the three servants of God Shadrach, Meshiach and Abednego. These four Jews refused to eat all sorts of food given to them in the palace of the King of Babylon. Instead they requested the steward to give them vegetables. The scripture says: **“So the steward took away their rich food and the wine they were to**

*Victory Over The Ways Of Witchcraft*

**drink, and gave them vegetables”** (Dan. 1:16: RSV). What was the final result of their eating vegetables? The Scripture further reported:

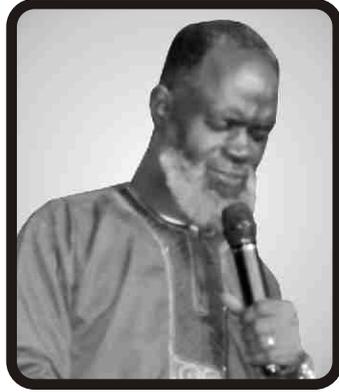

*“Now at the end of the days that the king had said he should bring them in.... And in all matters of wisdom and understanding, that the king inquired of them, he found them ten times better than all the magicians and astrologers that were in all his realm”.*  
**(See Dan. 1:1-20).**

However, you can eat all sorts of food if you wish to do so. But those who are sincerely out to advance on the path of Divine reality and thus live above the hosts of darkness, must obey the primordial Will of God on the nature of food that man should eat:

*“And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the Earth, and every tree, in the which is the fruit of a tree yielding seed: to you it shall be for meat”* (Gen. 1:29).

Now, for your own conviction, eat only fruits once in a day (6pm), don't eat any other thing, for seven days, you will discover from your own experience that the Power of God in you will unfold to a greater degree via diverse manifestations.

A word is enough for the wise.

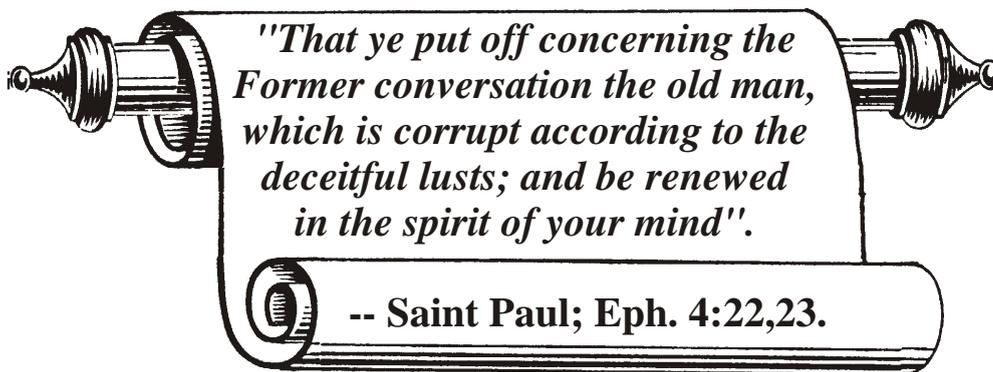

## CHAPTER 10

# THE ROLE OF CONFESSION IN DELIVERANCE

(Questions And Answers)

*The Role Of Confession In Deliverance*

**THE POWER OF TRANSFORMATION**

**Question:** The Harbinger, sir, what role does confession play in the total deliverance of a human agent of the forces of darkness?

-- Rose U.H; Kampala, Uganda.

Dear Rose, if the confession of a witch is impelled by the Power of the Great Lord Jesus the Christ, and if the person stands firm on the path of the Lord after his confession, then the confession will play a major part in separating him from the forces of darkness. The confession to this end will bring him closer to the bona-fide path of Light.

True confession of an agent of darkness breaks the oath of secrecy of the forces of darkness and consequently makes one a constant target of witchcraft attacks. Therefore, it is for the best interest of the person who made confessions, exposing the works of darkness, to be firm in Christ, otherwise the forces of darkness will vanquish him.

It is only in this connection that the confession of a witch is valid to the glory of God, in the recognition that thenceforth he would begin to follow Christ and worship the Lord in spirit and in truth as a new creature. The Scripture says:

***“Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new”  
(2nd Corint. 5:17).***

### *Hidden Terrorists*

It was in recognition of the dangers of the subtle manipulations of witches against mankind, against their earthly relations, that God spoke through the great Prophet Moses of old, saying: **“Thou shalt not suffer a witch to live”** (Exo 22:18). However, later God closed that chapter of life through the coming of the Great Lord Jesus the Christ.

Therefore, we are no longer expected to kill witches physically, as it was in those days, rather we should fight spiritually with the Power of Christ and pull down the forces of darkness, towards the deliverance of their human agents. The human agents of the forces of darkness are flesh and blood. Remember, we are no longer fighting against flesh and blood human beings. (See Eph. 6:12 and 2nd Corint. 10:4).

In your physical association with a witch, whether it is your father or mother, brother or sister, wife, husband, friend, or whosoever, learn to abide by this admonition of Christ: **“Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves”** (Matt 10:16).

As a true believer, you are a **“sheep”** living in the midst of **“wolves”** -- agents of darkness. You know that humanly speaking, it is **“impossible”** for a sheep to live in the midst of wolves without being destroyed. However, **“with men this is impossible: but with God all things are possible”** (Matt. 19:26).

### *The Role Of Confession In Deliverance*

Spiritually speaking, however, the only way you can live freely and overcome in the midst of “**wolves**”, in the midst of the human agents of the forces of darkness, is to be as wise as serpents and harmless as doves.

### **DEALING WITH WITCHCRAFT**

Now, let me tell you this: if a witch is in your house, using false confession and diverse means to game-you-up, then be warned because you are living with a “**wolf**” a wild beast in disguise. Please, please, please, if you are not very strong in the Lord daily, if you are not as wise as serpents, send the witch away from your house, otherwise the same witch will bring sorrow upon you, or upon your family, in one way or the other.

Also be informed that it is not all that easy to send a witch away from your house, for in the process of doing this, if you are not as wise as serpents, the forces of darkness can still trap you down. For instance, if you send a witch away with anger on your part, this is yet another trap against you under which you have fallen.

Don't also send a witch away from your house under the mode of fear, for this can be used to bring you down. A witch knowing that you are about to send him away, will spiritually fight against your decision with subtle powers. To this end, you may find yourself considering the earthly problems of the said witch and thus procrastinate the decision of sending him away out of “**sympathy**”.

### *Hidden Terrorists*

Yes, a witch could manipulate you to do this if you are not strong in Christ. If the witch is physically related to you, you may begin to think: **“O, if I send him away, how would he continue his education? Won't people think I am wicked?”** Other related thoughts will come to you so as to manipulated you to change your mind. If you change your mind at last and remain with the witch, then whatever happens to you at the end, take it so, and take it easy.

Furthermore, please don't send a witch away from your house with hatred in your heart against the witch. In the field of spiritual warfare, hatred on the part of a believer is one of the greatest tools that can be used to destroy him by the agents of darkness. Hatred is such a mighty tool of the forces of darkness that, it is not even good for you to hate hatred itself, for that will still bring you down under the feet of the Prince of Darkness. He who hates the agents of darkness will not overcome the works of darkness, but he who loves Christ will surely overcome.

If you hate a witch, you may continue to live under diverse manipulations of witchcraft spirits, because the hate will draw the powers of darkness to you. Hatred against an agent of darkness, form a very strong negative channel through which the forces of darkness will follow you for a long time, until you learn spiritually that only the hatred itself is the point of contact the great tool of darkness.

Hate is like a dark glass that shadows all of your spiritual experience and power. Consequently, you will find more and

### *The Role Of Confession In Deliverance*

more witches and wizards to hate, and thus bring the hated elements of darkness into your life, for the emotion of hatred is now the problem serving as a contact point against you.

Therefore, while sending away an agent of darkness from your house, let it be done as a matter of your spiritual conviction, solely towards your victory on the path of Light. In your mind believe you are doing the right thing. Don't condemn yourself, and don't hate the witch. That is all.

The truth, however, is that if you are daily and completely strong in the Lord and in the Power of His Might, no agent of darkness will live comfortably with you in the same house, or operate in and around your office; no way for them. They must depart and fade away by force. This is the true situation.

Nevertheless, if you are a believer who is not very strong in the Lord, then sending a witch away from your house will overcome about fifty percent of the means of witchcraft attack against you. And the very moment the witch is leaving your house, make sure you pray for him; also pray for the money you want to give out to him and for everything he will take away physically from your house, covering them all with the perfect Blood of Christ.

Even when the witch is out of your house, still pray on any money or item you want to send to him later for help. We are expected to love and help our enemies, but make sure you pray on anything you are giving out to a witch, so that he will not use

same against you.

### **DELIVERANCE MAINTAINED**

**Question:** If an agent of Satan, such as a witch or wizard, truly comes to Christ after confession, how can his deliverance and salvation experience be maintained.

-- G.C. Jerome; Geneva, Switzerland.

**Answer:** First of all one must be honest to both himself and the Lord in his confession. One must not hide anything while confessing. Any secret of darkness remembered but not confessed, gives the forces of darkness the astral "legal" right to remain with you. If one makes open and genuine confession before the Lord, in the midst of the people of God, the Spirit of the Light of God will come upon him, to protect and guide him on the path of Light.

The presence of the Spirit of God will surely banish the powers of darkness whenever the forces of darkness come for a battle. Thus, genuine confession and true repentance are very important for deliverance and for the maintenance of one's salvation experience. The Bible book of Psalms says:

*“I acknowledge my sin unto thee, and mine iniquity have I not hid. I said, I will confess my transgressions unto the Lord; and thou forgavest the iniquity of my sin”*  
(Ps. 32:5).

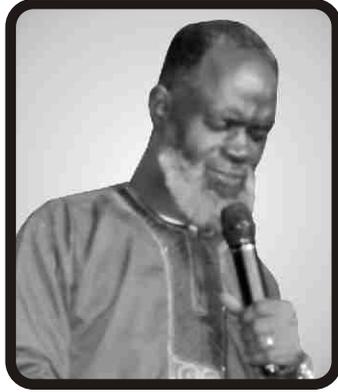

### *The Role Of Confession In Deliverance*

It is only genuine confession of the works of darkness and true repentance that can attract the Spirit of God. Furthermore, after repentance and genuine confession, one has to completely refrain from all manner of sins and continue to live daily in the essence of the Holy Spirit, so as to bear fruit, the spiritual fruit, that follows repentance. One should also renounce each and every connection with the forces and agents of darkness.

Again, association is very important in this connection. Thus, for the former agent of Satan to abide in the Lord, he has to be in deep association with the true children of God. This will enable him to study the Word of God and grow spiritually. Please, be informed that one must practically uphold the life of holiness for the Holy Spirit to operate through him.

Holiness is very important. Not the man-made holiness, but the true holiness which comes into one's consciousness via the Spirit of God; the Spirit of sanctification. Constant prayers, humility, constant use of the Blood of Christ, the words of testimony and absolute faith in Jesus Christ, all these can help to consolidate your deliverance and salvation in the Lord.

A word is enough for the wise.

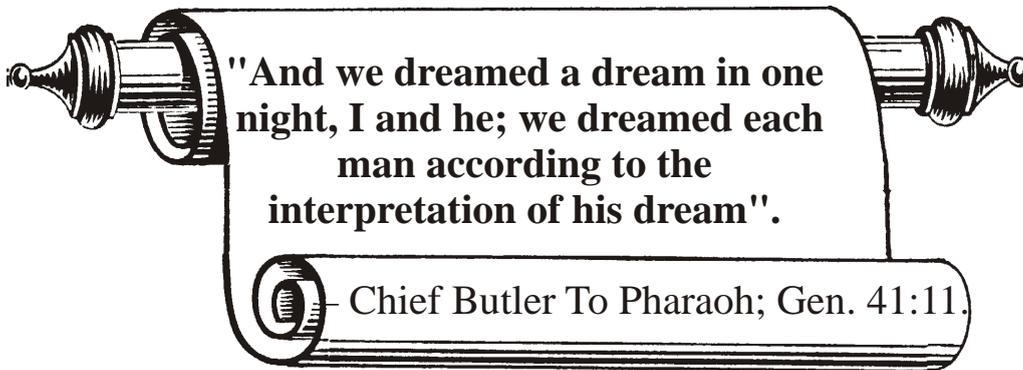

## CHAPTER 11

### **DREAMS EXPLAINED**

(Questions And Answers)

"And we dreamed a dream in one night, I and he; we dreamed each man according to the interpretation of his dream".

— Chief Butler To Pharaoh; Gen. 41:11.

## *Dreams Explained*

### **THE DREAM WORLD**

**Question:** Sir, how do we reverse and cancel witchcraft dream, so it doesn't manifest? It seems their attack must take place in the dream before manifesting.

-- Stanley Benjamin; Question on the Facebook Page of Prof. Iyke Nathan Uzorma.

**Answer:** People dream at one time or another. There are variegated and diverse symbols via which the Forces of Light and the forces of darkness in the realms beyond do communicate with the children of men in the dream environment. Some dreams are physically oriented, while some are not.

Dreams, however, being subtle in essence, when physically oriented, can deal with the past, the present or the future, occasionally in a symbolic moment point. Consequently, some dreams may occur as a reflection of the mind's state of consciousness at a given time. Some dreams come from the '**Universal Pool of Probabilities**'. The Forces of Light, or the Spirit of the Lord, in motion to help you in any area of your life, will access the '**Universal Pool of Probabilities**' to raise a Divine standard of the benevolence for your sake. This can be enacted in your dream for physical manifestation.

On the other hand, the forces of darkness, namely, the witchcraft spirits, can also access the '**Universal Pool of Probabilities**' to raise the vicious standard of the malevolence for a psychic attack against someone. Again, this can be activated and

enacted in a dream experience. The '**Universal Pool of Probabilities**', by fixed Immutable Universal Laws of the One Eternal Almighty, holds the spiritual records of a good things that could happen, but may be prevented from happening, or a bad thing that could happen, but may be prevented from happening.

All that is required for one to have the direct intervention of the Spirit of the Lord, thus, to prevent the revealed attack of the powers of darkness from physical manifestation, is for the person involved to be strong in the Lord and in the Power of His Might, as admonished by Saint Paul. (See Eph. 6:10-12). To this end, all related bad dreams can be set at naught if the dreamer is properly situated in the Light of the Great Lord Jesus the Christ.

### **MANSION IN THE DREAM STATE**

**Question:** Harbinger, my daddy, I have seen this in my dreams many times but now it came in a slightly different way. In these dreams, I always see that my father had an extraordinary mansion. Parts of this mansion was so beautiful with the best glorious furniture, like the living rooms (as they are many). The bedrooms are many with very good beds. Further inside were special sitting rooms with beautiful flowers. The inner rooms hadn't real bedrooms but spectacular coloured furniture so beautiful to behold.

In my dreams, I used to go there and my father would allow me in and talk with him. But it's like after he died, that part of the house got closed. In all the dreams, I would be telling people

### *Dreams Explained*

who came to visit that I would have shown them the inner part of the house, which is bigger than the real house that they are thrilled to see, but it seems far and not accessible; though still in the dream, I would feel very scared to go there.

Now in my dream today's early morning, the same house reappeared. In the house now were many people, youths, families and friends, who came and found rest, seated on dinning tables chatting, on sofas, happy. I didn't know when they came in, and yet I was the one incharge, because my father left me incharge. I began to get excited to show them the inner house; the one far inside with spectacular beauty. I realized that I wasn't afraid to go there.

I walked in, but I was shaken by the preserved glorious beauty. However, I wanted to come out quickly in case my father got to know that I entered there, but I also strongly felt that this is the part of the house he would like me to stay. I have seen this dream over the years now, like 5 times if not more. What does this mean?

-- Pastor Lucy Wangechi Kabii; Proclaim Revelation Healing Ministry, Nanyuki, Kenya.

**Answer:** The entire dream experience, several times, is a symbolic signpost showing an intense alterations of consciousness at different layers of being. It represents a significant point of a height that you have reached, but inhibited to enter some inner portions therein. The inhibition arose via some elements of self imposed restrictions. A certain belief

### *Hidden Terrorists*

system can be thus symbolised in the dream.

Now having entered, but a bit scared of your daddy (your daddy in this connection symbolizes the higher portion of being from whence came the dream encounters in the first place), shows that you still have a step to take against fear of ascent completely outside the framework of preconceived belief systems. But that you eventually entered into the inner aspects of the mansion, which is your overall being, holds the spiritual possibilities of your greater Divine ascent. You are that blessed mansion in certain higher spiritual terms.

When this is completely dealt with in your overall psyche, you will become the overall coordinator of that beautiful dream mansion, thus paving the way for your greater Divine ascent. If this is fully achieved before the consummation of the mission of the earth-life, that mansion will come up to represent the first welcoming point in the hereafter. This kind of dream encounters, however, also serve as a kind of therapy in Divine terms to the physically oriented self --- the physical you that you know as **'you'**.

In such terms, it serves as embellishments to the cells, atoms and molecules within the data of sense awareness. When properly appropriated in deep emotions, within the ambit of expectation, wish and desires, the physical materialisation of such frequent benevolent dreams can serve also as the subtle impetus to the realisation of what is generally termed as **'open doors'**. Stay blessed my lovely daughter.

*Dreams Explained*

**ASTRALATTACK**

**Question:** Dear Harbinger of the Last Covenant, I am 24-year-old and single. I had a dream last night in which I got married to a man of over 70, with wrinkled face. Please, what is the meaning of this dream. I am worried.

-- Rita J. M; Der es Salaam, Tanzania.

**Answer:** Dear daughter, for a single lady to get married to an old man of over seventy years with wrinkled face, or get married to a gray headed old man in the dream environment, is a form of astral attack of Black Witchcraft. The human instrument of this nature of manipulation is certainly someone who knows you physically. The game plan is to put fear and worry in your consciousness first, which will ultimately lead to stealing the '**destiny**' of your future marriage and some other unpleasant situations.

On this framework of the forces of darkness, such a dream is further designed, if the dreamer is not watchful, prayerful and strong in the Lord, to physically manifest upon him things like illness, unpleasant news of disappointment, trouble or death. Daughter, this is a bad dream, but let not your heart be troubled at all.

As you sincerely call upon the Divine intervention of the Holy Blood of Christ, the Great Lord Jesus the Christ, by His Mighty Spirit, will put this dream completely under your feet. I have already decreed that this dream, and all that it represents in the realms of darkness, will never come to pass upon your life. Just

believe.

### **OPENDOORS**

**Question:** Sir, in my dream I was given three big keys by my Head of Department to open a door. I opened the door and woke up. What does this mean, please?

-- Ben Ola A; Akure, Nigeria.

**Answer:** My dearly beloved in Christ, a dream of receiving a key or keys in the dream world, denotes diverse meanings based on the source of the key or keys received. If the keys were received from the agent of darkness, it means that the vicious authority of that agent, especially in the working arena, is null and void as far as you are concerned. If the keys were given to you through a chosen one of the Lord, or one who isn't an agent of darkness, it means that you are about to experience pleasant changes and upliftment in your life.

Overall, however, this dream is highly propitious. Therefore, be prayerful and claim its physical manifestation. Furthermore, a key given in the dream environment could symbolise the solution to an existing problem, or honour, while two, three or more keys could symbolise these and much more including wealth. If a key or keys are lost in the dream world, such symbolises and portends misfortune arising from the attacks of the forces of darkness.

*Dreams Explained*

**SWIMMING AND THE CRYING OF BABIES**

**Question:** Dear Harbinger of the Last Covenant, I had a dream where I was swimming in clear calm water. Though I swam to safety, but still wonders what it was all about. Can you explain, please?

-- Elder Benson Nwoke; Owerri, Nigeria.

**Answer:** The dream of swimming could symbolise benevolence experience or malevolence experience, depending on the specific encounter involved. For instance, to swim with the head above water, signifies both success and victory in the journey of life. However, to sink while swimming, signifies misfortune and failure arising from the set up of forces of darkness.

To swim specifically with the head under water symbolises a defeat which one will experience in the hands of the forces of darkness, if not banished from him by the Spirit of the Lord. To swim in clear calm water, as in your own case, holds the testimony of total victory over worries, undue anxieties, peace of mind and greater success. It also holds good health or quick recovery from illness.

To reach a safe destination while swimming, as you did, especially in clear calm water, also symbolises long earth-life and an expected end. However, to swim in a dirty water is a symbol of the attacks of witchcraft spirits. This shows that one is bereft of the Power of Christ, His goodness, Light and

*Hidden Terrorists*

righteousness to a greater extent. Thus, such a person should immediately seek the Lord of the Universe and amend his ways, to avoid the evil that he least expected.

**Question:** Your Grace, few days ago I had a dream were I saw babies crying. One of them was sick and happened to be my child. I am married with three kids. Please your Grace, what is the meaning of this dream?

-- Colbert Janet; Lake Mary, Florida, USA.

**Answer:** Daughter of Zion, to see a baby or babies crying in a dream, is the symbol of coming disappointment in certain expectation. This is an astral attack of the elements of the witchcraft spirits, which you must put down through the Mighty Power of the Lord. This forces of darkness use this kind of dream to also attack people with ill health or ill luck.

To see a sick baby in the dream, especially your own child, is a warning that if you must overcome the forces of darkness and their attacks, you must keep away from false friends, who serves the interests of the forces of darkness towards your fall. The enemy is planning to harm you through false friends who are enemies in disguise. For one to carry her own sick crying child can also be used by the spirits of witchcraft to cause sorrow via the lose of a loved one. Love and honour can be subjugated in one's life after this kind of dream encounter, if one fails to take Divine authority over it in the Name of the Lord.

*Dreams Explained*

**ASSASSINS AND CANDLES**

**Question:** Harbinger, please kindly clarify this to me: What is the meaning of seeing an assassin in the dream? I dreamt that one entered my house, but could not carry out his evil act before I woke up.

-- Uwem Edet A; Calabar, Nigeria.

**Answer:** Dear Edet, a dream of assassin is a sure warning that some forces of darkness are about to strike against someone, via the plan of a friend who is an enemy in disguise. Therefore beware and pray against the devices of the hidden terrorists. For the assassin to carry out successful attack against a human target, signifies that the dreamer will be defeated by the witchcraft spirits in some specific planned attacks, if he fails to seek for the Divine intervention of the Lord. Whoever has this kind of dream encounter, but failed to do something about it, related to seeking for the Power of victory over it from the Throne of Light, won't overcome specific astral manipulations.

However, that the assassin entered your house in the first place, symbolises that your strength in the Light of Christ is on a lower strata, otherwise he wouldn't gain entrance. But as he wasn't able to carry out his attack before you woke up, means that you will somehow escape the intense vicious attack of witchcraft.

For assassin or assassins to enter into someone's house, denotes diverse misfortunes, which will be physically manifested without the intervention of the Spirit of the Lord. Furthermore,

### *Hidden Terrorists*

if one sees bloodstains on his body, arising from the assassin's attack in the dream environment, this shows that the forces of darkness are planning violent death against him, through accident, armed robbery, stray bullets, amongst others.

**Question:** Your Grace, Archbishop Iyke Nathan Uzorma, by the teachings and standard of my church, we don't believe in the use of candles for prayers, but last night I dreamt and saw lots of candles. Is this the enemy at work or what?

-- Jude Kumar; Cape Town, South Africa.

**Answer:** Dear Jude, a dream of candles could symbolise benevolence experience or malevolence experience, depending on what was seen in the dream environment regarding the candles. On one hand, the witchcraft spirits could come in, if the dream was about wasting of the light on candles. This then symbolises and has to do with wicked reports being in secret circulation about you.

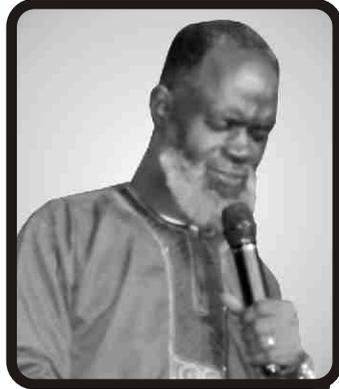

On the other hand, if the candles were burning and the flames unwavering, then you need not worry, regardless of our Christian legitimate stand against praying to God through Christ with candles. For this surely symbolises and portends fortunes to the dreamer through his loved ones. Nevertheless, if you snuffed out the candle light, this then signifies some coming sorrowful news, which one should pray against.

Now, with the Mighty Power of the Almighty Jehovah God, in the Holy Name of the Great Lord Jesus the Christ, all dreams

*Dreams Explained*

coming against anyone from the realms of darkness, can be set at naught.

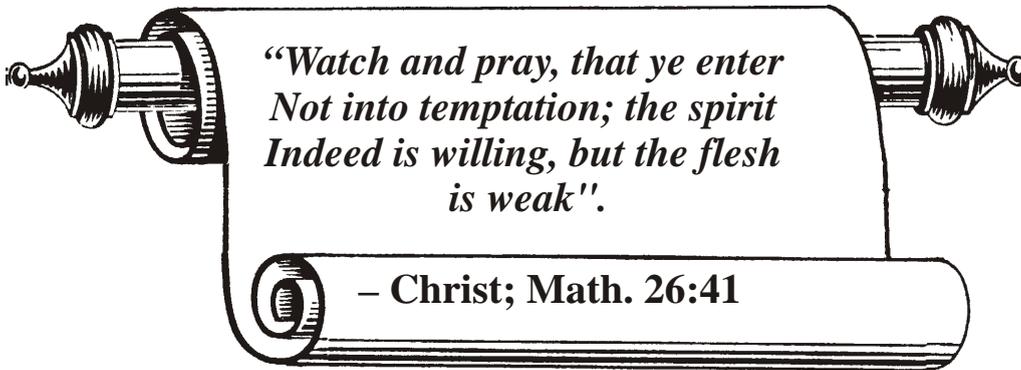

A word is enough for the wise.

## CHAPTER 12

### **BELIEVES WAKE UP FROM SLUMBER**

*“Watch and pray, that ye enter  
Not into temptation; the spirit  
Indeed is willing, but the flesh  
is weak”.*

– Christ; Math. 26:41

*Believes Wake Up From Slumber*

(**Note:** Dr, Venita Jetter of the Georgia University, who hails from Stamford in the State of Connecticut, USA, visited me in Nigeria for specific Divine ministrations. In the course of her stay, she addressed the press in Warri. Also, in the course of our discussions, she raised important questions related to the subject matter of this treatise. Here, her press conference is published, followed by our discussions).

**VENITA'S PRESS INTERVIEW**

**The Press:** What is your main purpose of coming to Nigeria?

**Dr. Venita Jetter:** I came to Nigeria to meet with the Harbinger of the Last Covenant. I am here so that I can be transformed by the Spirit of God through him. I need a higher Divine touch. I have been blessed by the ministrations and publications of Prof. Iyke. When I read his book, *Occult Grand Master Now In Christ Vol. 1*, it completely opened my spiritual eyes. I tell people about this book from time to time. This is the best book I have ever read besides the Bible.

**The Press:** What are your expectations?

**Dr. Venita Jetter:** I want to go home totally transformed. I desire deeper spiritual understanding regarding spiritual matters. I want to know more about God and His Power.

**The Press:** How did you feel when you finally met with His Grace, Archbishop (Prof.) Iyke Nathan Uzorma, the Harbinger of the Last Covenant?

**Dr. Venita Jetter:** I felt peace. I cried. I knew that all my burdens and worries were over. I am now strengthened in my inner spirit.

**The Press:** Is this your first time of coming to Nigeria?

**Dr. Venita Jetter:** Yes. Before I came, a lot of people told me not to come, that Nigerians are bad people. I heard horrible stories about Nigeria. But I was determined to meet with the Harbinger of the Last Covenant. I am very happy to be here, very happy. Now, I have seen things for myself. I have learnt that Nigerians are lovely people. They are not the representation of what I was told back home.

When I got to Lagos I said '**Oh, this is a beautiful country**'. And this city, Warri, is also very beautiful. I love Nigeria. It is such a nice country. Your people are very caring. After my flight from Lagos to Warri, I called my mom back home and said, 'mom, Nigeria is beautiful. I love it.

**The Press:** Have you travelled to any other country outside the United States?

**Dr. Venita Jetter:** Yes. I have been to China, England, France, Italy and other places, but this is my first visit to Africa.

**The Press:** What would you like to say concerning your visit to the Harbinger of the Last Covenant?

*Believes Wake Up From Slumber*

**Dr. Venita Jetter:** I call people back home daily to tell them that my visit to the Harbinger of the Last Covenant has truly changed my life. I testify to them how God used His Harbinger to completely healed and delivered me. I am now free through the Blood of Jesus Christ.

More importantly, I know for a fact that the Harbinger of the Last Covenant is obedient to God. I asked God in prayers to do certain things for me before I returned home. I never shared these requests with anyone. When I met the Harbinger of the Last Covenant, God confirmed the answers to my requests through His chosen servant, when he told me exactly what I had secretly told God to do for me. I honestly feel the transformation of God upon my life. To God be the glory.

**The Press:** What is your general perception of the Harbinger of the Last Covenant?

**Dr. Venita Jetter:** (With tears in her eyes): The Harbinger of the Last Covenant is the most humble, friendly, caring, down-to-earth servant of God that I have ever met. I have tears in my eyes as I state these facts. I don't like to use the phrase '**man of God**', because so many people use these words loosely.

Many of these so-called '**men of God**' were called by man, family member or themselves. The Harbinger of the Last Covenant is definitely a man of God who directly encountered Christ Himself and was called by God. I will tell anyone this

### *Hidden Terrorists*

because it is the truth. I love how those around him, who sincerely believe in his the calling, call him '**daddy**'. Every man is not a '**father**'. The Harbinger of the Last Covenant is dedicated fully to God's Kingdom. He works and prays without ceasing and never complains. I don't know how he does it.

I love his wife and their children. I admire and respect his wife, for being so understanding and supportive of his ministry. The Harbinger of the Last Covenant, his wife and children have sweet spirits. All the people I met around him were so hospitable.

I must return to Nigeria as often and as quickly as possible. Better still, I must find a way to permanently relocate the Harbinger of the Last Covenant to America, if he is willing, but it appears that he is not willing at all. In a way, I came to Nigeria empty handed, but now I am returning home full of Peace, Blessings and Power. (Note: Below are excerpts from the conversations between me and this lovely daughter of Zion, Dr. Venita Jetter).

#### **THE MONITORING NETWORK**

**Dr. Venita Jetter:** Harbinger of the Last Covenant, in what specific ways do the powers of darkness monitor believers? And what kind of attack follows such monitoring?

**Harbinger:** The Scripture says: "**The wicked watcheth the righteous, and seeketh to slay him**" (Psm. 37:32). The watching of the wicked minded ones against the righteous, is the monitoring. The core elements of the wicked, the hidden

*Believes Wake Up From Slumber*

masters of the wicked minded people, are the forces of darkness. This vicious activity of monitoring the righteous, is a warfare technique of the spirits of witchcraft, which has been on for ages. Its ultimate design is death, that is, "**to slay**" the believer.

The monitoring is carried out via multitudinous channels and networks. The hosts of darkness are fully aware of the fact that, the more righteous human channels are found in the world of man, the more the Spirit of the Lord in Light will have intense framework to rise and discomfit them. And certainly they don't want to be thus discomfited; consequently, they have to devise numerous ways to deal with that.

By so doing, they have to conduct serious and series of psychic probes and monitoring, not only to slay the righteous with death, but also to slay the believer with the devices of weakness, which is very fundamental to the hosts of darkness, but more with the astral waves of discord and disagreement. These two -- discord and disagreement -- are very important, as far as the general aspects of warfare of the hosts of darkness against the righteous children of Light in Christ is concerned.

A person can be monitored constantly by the forces of darkness. Nations and even the entire world is under this monitoring systems. An astral wave of darkness can constantly monitor a person, family or community. The vicious psychic energy discharged by a high profile witch of the Black Witchcraft in a family or community, whether or not the witch is dead, can link up with the astral chambers of witchcraft spirits, via the astral

waves, and serve as the impetus for this monitoring.

Furthermore, the collective discharge of this by not less than 21 persons, especially of the Abra-Melin Witchcraft, can conduct this monitoring in a whole nation. While the collective discharge of the vicious psychic energy, by about 108 masters of the Abra-Melin Witchcraft, monitors the entire world of man from the hidden astral chambers of witchcraft spirits. This vicious psychic energy is discharged as follows:

1. When an adept of witchcraft sleeps in a family wherein he is a member;
2. When a family or community hosts an adept of witchcraft wherein he sleeps in the family house or in a place provided by the family or community. (Such adepts include a sorcerer, a juju priest, a necromancer, a false prophet, a messenger of a vicious deity, amongst others);
3. When the physical symbol of a vicious astral entity, in the form of idol, is installed in a family or community;
4. When the malevolent '**mantras**' -- sound incantations cum invocations -- is chanted in a family or community;
5. When quarrel occurs between husband and wife at any moment of the early hours of 3am to 6am; and
6. When one is murdered and his blood is shed, either with knife,

*Believes Wake Up From Slumber*

gun, or anything that brings out blood.

When one understands these things, as would be made clear in the foregoing exposition, no one will tell him that war is on. There is no other way to subjugate the monitoring devices of the forces of darkness and their wicked minded human agents, other than for us to be completely firm on the path established by the Great Lord Jesus the Christ.

**THE EFFECT OF MONITORING DEVICES**

**Dr. Venita Jetter:** My Harbinger, how does this monitoring affects a person, family, community, nation and the world at large?

**Harbinger:** In the first place, all the monitoring devices of the hosts of darkness are under the witchcraft operational code of '**mighty powers of great illusions**'. They create illusory phantasmagoria, for the earthmen, especially believers, to pursue shadows and not reality. The reality in this connection is the legitimate Spirit of Christ in Light. Whoever has not come to the platform of this Eternal Light, is pursuing shadows.

Now, the monitoring devices of the forces of darkness work assiduously to create loopholes in the life of a person, family, community, nation and the world in general. Through these loopholes, several things can be achieved by the witchcraft spirits and their human agents. Through these loopholes also, certain marionettes, like Adolf Hitler and others like him, are brought forth into the world of man. They commit mass murder,

### *Hidden Terrorists*

cause confusion, pervert the truth and lead astray.

Who do you think that gave some of the so-called world leaders the strong mind, the consciousness, the impetus to spread the most vicious message of same-sex marriage in the world of man? All in the name of human rights? Do you think that such was brought about by the Spirit of Jehovah God and His Christ? What about Saddam Hussein, who declared the '**mother of all wars**'? Remember Idi Amin of Uganda? What about the perverted messages of the terrorists in our world today, which has led to the mass murder of several earthmen?

Even the invention of atomic bomb, the most dangerous of them all, having the capacity to destroy the entire world of man, is herein involved. These are few amongst the loopholes I am talking about, arising from the monitoring devices of the forces of darkness against the human world. All these, amongst a host of other elements and factors, represent a high profile attack of the witchcraft spirits. The aforementioned operate on a general aspects of battle against the Earth-world and the nations thereof.

However, there are specific aspects involving individuals, families and communities. For instance, in the monitoring of a person to ascertain a loophole, when the loophole is found, the person can be subjected to diverse attacks from other witchcraft codes. This also goes for families and communities. For an individual, loopholes are established via lust, greed, anger, vanity and mundane attachment.

### *Believes Wake Up From Slumber*

Every other sin, iniquity and abomination are offshoots of these five propensities of man's lower nature. The Spirit of the Lord makes contact with us via our higher nature, His Spirit in us, and not via the lower nature of lust, anger, greed, vanity and attachment to the material things of life.

Now, following the aforementioned discharge of the vicious psychic energy, as well as the established loopholes, the attack of death can come upon a family. When this occurs, family members could die in succession. Poverty can be enacted via this attack, upon a person, family or community. Near-success syndrome is part of this manipulation. Lack of growth in diverse areas of existence isn't left out. And if the leader of a nation is himself an adept of witchcraft, through him the nation can be subjugated to diverse predicaments. It is only when the Mighty Spirit of the Lord comes forth that these things can be destroyed.

### **MIGHTY POWERS OF GREAT ILLUSIONS**

**Dr. Venita Jetter:** Tell me more about the witchcraft '**mighty powers of great illusions**'. Are they limited to the monitoring devices?

**Harbinger:** This is an operational code of witchcraft, but it works in perfect synergy with all the codes of witchcraft spirits. And apart from the monitoring manipulations, the '**mighty powers of great illusions**' operational code of witchcraft does several other things. For instance, it is from this operational

### *Hidden Terrorists*

code of witchcraft that people are manipulated into committing suicide.

The dream state wherein one is pursued by mad people or mad beasts, flows from this operational code. Furthermore, being a code embedded in illusory phantasmagoria, it is used to enact great delusion in the consciousness and mental pattern of the earthmen. Strange voices can be heard following this manipulation. Such voices are elements of witchcraft, speaking to achieve a thing.

There was a man here in Warri, who passed through this attack. He is resident in this Bendel Estate where I reside. He heard series of voices daily, telling him that he is wanted by the police. His wife was a specific carrier of this operational code of witchcraft. At a stage, even while walking along the road, he heard his name on radio in different shops and corners, announcing that he is wanted by the police. Finally, he boldly went to the police station and presented himself to the police.

After checking their records, he was categorically informed that the police never declared him wanted. The voices continued to harass him, even in his house. And because of this, he ran out of his house one night and went to sleep at his friend's house. While there, he saw several juju people gathered outside, trying to force the gate open. The voices spoke to him that the juju people have come to forcefully take him and finally use him for sacrifice.

### *Believes Wake Up From Slumber*

Meanwhile, physically speaking, people weren't gathered as his friend didn't see the people that he saw. The 'mighty powers of great illusions' operational code of witchcraft works in this way, amongst other things. However, in an attempt to escape from the juju people that he saw, and for him not to be used for sacrifice, he decided to commit suicide instead of being sacrificed.

Consequently, he went into a room, locked up the door and hanged himself. He committed suicide. It was the timely intervention of his friend that salvaged him from dying completely. He was rushed to hospital where he was admitted for three weeks. When he was discharged from hospital, he was brought to me. Then the Lord delivered him completely. At last, his wife was also delivered from the witchcraft spirits.

### **OTHER RELATED MANIPUTATIONS**

**Dr. Venita Jetter:** The Harbinger of the Last Covenant, you spoke about weakness in the spirit and disagreements in the midst of believers. How do these affect us as well?

**Harbinger:** As far as the astral warfare against believers is concerned, the weakness of believers is of utmost significance to the hosts of darkness. When a believer is weak in the spirit, of what use is he to the Light of Christ, in the light of the battles going on to salvage humanity for Jehovah God and His Christ?

To be weak in the spirit is exactly what the hosts of darkness want. If a believer is asked whether he would want to do what the forces of darkness want, he will say no, but through his

weakness in spirit, he is doing just that. There are many devices of the forces of darkness used to weaken believers. Foremost of these is the sleep waves, which I have spoken of in some of my treatise and expositions.

Sleep waves, when it subdues a believer, it completely weakens his prayer potency. When a group of believers are thus subdued, in a family, community or nation, the prayer potency of the saints is vanquished. If this is achieved by the forces of darkness, they will then have their way to manipulate and frolic around.

Consequently, the hosts of darkness are not bothered about how many churches are found in a community or nation. Their major problem is this prayer potency, by which the Light of Christ is radiated in the world of man. For instance, if there are two hundred thousand believers in a city, this doesn't matter much to the hosts of darkness, for as long as they do not all manifest the Light of Christ inherent in the prayer potency of the saints.

The devices of sleep waves will be set in motion against these two hundred thousand believers. Don't be surprised that amongst these two hundred thousand believers, probably not up to fifteen believers will uphold the intensity and manifestation of the Supreme Light of Jehovah God and His Christ via intense prayer potency. Sleep waves are launched daily into the physical realms, from multitudinous astral centres of the occult spheres, to weaken the followers of Christ.

Now, on disagreements between believers and between

*Believes Wake Up From Slumber*

churches, this is another game plan of the forces of darkness. Our collective Divine strength in the Light of Christ lies on perfect agreement, not disagreement. We concern ourselves and work in disagreements over minor issues and none essential things.

We judge others, forgetting that the Great Lord Jesus the Christ is the Only Worthy Judge. We should rather strive to live in love and join hands together, as soldiers in a battle, to pull down the cosmic strongholds of the Prince of Darkness and his hosts.

**Dr. Venita Jetter:** Prof., is it possible for the powers of darkness to steal what belongs to a believer?

**Harbinger:** This depends on some factors. If a believer is deeply enamoured with the Supreme Light and Power of the Great Lord Jesus the Christ, if He daily encapsulated in the Supreme Consciousness of Christ, no power or agent of darkness can steal what belongs to him. This doesn't mean that the forces of darkness won't attempt to come around to steal, but it does mean that when they come, they certainly won't succeed. The Almighty Jehovah said:

*"Behold, they shall surely gather together, but not by Me: whosoever shall gather together against thee shall fall for thy sake" (Isa. 54:15).*

You see, you can't prevent a bird from flying across your head,

but you can prevent a bird from making its nest on your head. In the same vein, you can't stop the forces of darkness from planning anything against you, or specifically planning to steal from you, but when you are fully and firmly established in the Supreme Light of Christ, they can't succeed. When they try against a strong believer, they will never succeed, because you are under the bona-fide leadership of Christ.

However, if you claim to be a believer, but you are weak on the path of Light, the forces of darkness may succeed in stealing what belongs to you through diverse manipulations. The Eternal Lord also said: "**My people are destroyed for lack of knowledge**" (Hos. 4:6). God said "**My people are destroyed**". Who are these people? They are "**believers**", that is why He called them "**My people**". But because they are weak "**believers**", they can be vandalised by the hosts of darkness; they can be destroyed. That is what God said, and that is what happens in the field of battle.

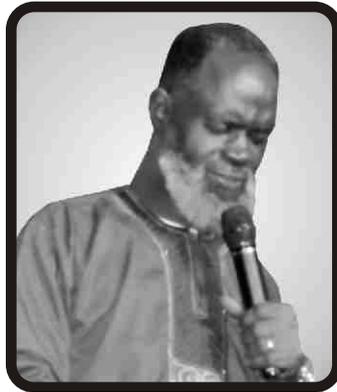

However the witchcraft spirits have an operational code, code-named '**withholders of favour**'. It is under this code that they pass through to steal what belongs to a person or group of persons. This code work in perfect conjunction with the '**double slayer of destiny**' operational code.

In this code of '**withholders of favour**', there is a witchcraft astral robe. When they succeed in covering anyone with this robe, they will in turn steal the favour and goodwill coming to him. Unfortunately, some weak and prayerless "**believers**" are

*Believes Wake Up From Slumber*

wearing this robe hitherto unknown to them. They have failed to practically uphold the knowledge of prayer Divine potencies; they have failed to practically uphold the knowledge of sanctified mental pattern; thus, they are destroyed for lack of knowledge.

A word is enough for the wise.

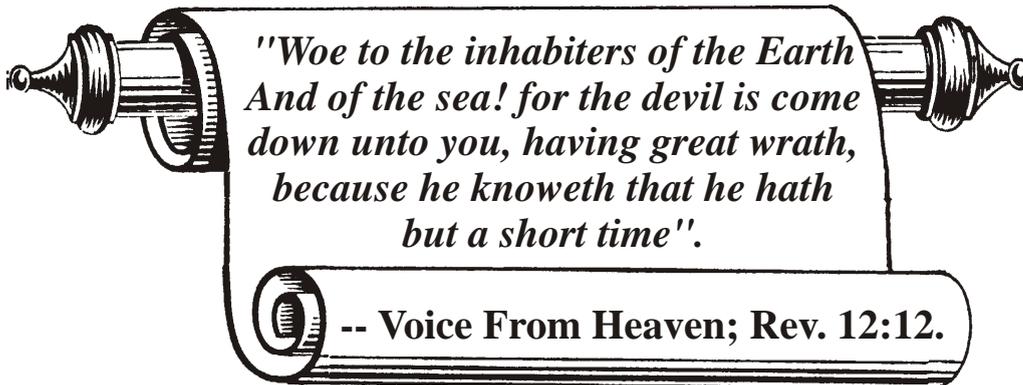

## CHAPTER 13

# **BELIEVERS WAR IS ON- Part 1**

(Questions And Answers)

### **THE FALLEN SPIRITS**

**Question:** My daddy, from the recent exposition you made about witchcraft, on your Facebook Page, you said: "**In the first place, the totality of the forces of darkness in our Solar System, is in the occult order of 400,000 kinds. In other words, there are 400,000 kinds of spirits in all the realms of darkness.**" The fallen angels number is 400,000? Are their numbers known? After falling, they classified themselves as you exposed, into different seals. Under which seal do demons operate? From these exposed five seals, how do we identify principalities, powers, rulers of darkness and the spiritual hosts of wickedness in high places?

-- Pastor Lucy Wangechi Kabii; Founder, Proclaim Revelation Healing Ministry, Nanyuki, Kenya.

**Answer:** My lovely daughter, the fallen spirits of darkness are not 400,000 in number, but 400,000 kinds. Just one kind amongst these runs into billions of spirits. The totality of the fallen spirits or angels, therefore, will run into trillions and trillions of entities in diverse realms of the Solar System.

Also, demons, some of which are the fallen spirits, some of which are the offshoots of the fallen spirits, operate in diverse categories but strictly within the ambit of the five supreme seals of the hosts of darkness. This classification was made within the framework of the Inter-Planetary 'Order of Terrestrial and Astral Hierarchy', wherein I was their 'Living Grandmaster' in the world of man, during my past sojourn in the vicious occult.

### *Hidden Terrorists*

Furthermore, regarding 'principalities, powers, rulers of darkness and the spiritual hosts of wickedness in high places', simply stated, these are the network of the entire forces of darkness. Saint Paul spoke about them in this manner. However, in strict classification of the forces of darkness themselves, they have paramount gods, controlling deities, ascended masters, guides, teachers, astral elements, hierarchical lords, second personalities, amongst others. All these work under the Prince of Darkness and have specific amounts of their occult powers concentrated into the pool of witchcraft spirits -- the attacking army of the hosts of darkness.

**Question:** Please, His Grace, by which means do witches monitor a Christian. If I lend money to someone, but knowingly or unknowingly to me, she uses it to perform abortion, did I, the person who lend out the money, sin in both contexts?

-- Maxwell Tetteh; Question from the Facebook Page of Prof. Iyke Nathan Uzorma.

**Answer:** The Great Lord Jesus the Christ categorically said: **"And that servant, which knew his lord's will, and prepared not himself, neither did according to his will, shall be beaten with many stripes. But he that knew not, and did commit things worthy of stripes, shall be beaten with few stripes"** (Luke 12:47,48).

Now, when you hear things like this, then be properly guided to avoid problems. On one hand, if you lend out money, knowing

### *Believers War Is On - Part 1*

that it will be used for abortion, you will certainly have a share in the predicaments that will rise via such action. The witchcraft spirits can use that as astral legal right to have access into your financial ventures. That action will pollute your money, thereby allowing the forces of darkness to step in. This can also be used to attack different areas of one's life.

On the other hand, if you borrow out money and it was used for abortion without your knowledge, minor attacks can still occur and, depending on whether or not you are strong in the Lord, will determine what happens next. If the person you gave out money to in this connection is an agent of darkness, he can link up an attack to you, but this depends on the prayer you made with the money before giving it out.

If you are a strong believer, then you are free, but if you are weak in the spirit, anything can happen. But even if you are weak and at the same time you are faithful to the Lord, via the right channel of Divine Light, in your tithes, freewill offering and charity, this attack can't affect your money. This is because your money has Divine insurance in the legitimate Spirit of Christ. Overall, to a weak believer in this regard, in one way or the other, few stripes will still be given, but outside the aspects of his money.

### **ILLUSIONS UNTO DEATH**

**Question:** Thank you so much His Grace, Harbinger of the Last Covenant, my daddy, for the grace you have allowed for questions concerning the powers of darkness. Some few years

### *Hidden Terrorists*

back, I attended a memorial service of the husband of a friend. They had been separated for ten years. He died in a hotel room where he was with a young lady. I do not like to view dead bodies, but I decided to view this one. Immediately I turned to look at him, I heard a strong voice spoke sweetly and said "hallo sweetie".

I felt like a real invisible person touched me. I pushed back shaken, rebuked the spirit and ran to pray. Many people had viewed the body before me including my own sister. They did not hear that voice. Why did I hear it? Was it the spirit of that man or demons that spoke? Is it true that when people die the evil spirits that they carried hover around looking for a next body to live in? And if so, did the spirits in the dead man try to seek to have me?

-- Pastor Lucy Wangechi Kabii; Founder, Proclaim Revelation Healing Ministry, Nanyuki, Kenya.

**Answer:** My lovely daughter, to begin with, for someone to die in a hotel while with a lady, is the final outcome of intense attack of witchcraft spirits. The lust waves of the astral entities is involved here. This lust wave is embedded in all the operational codes of witchcraft. As the man shared from the death inherent in the 'carriers of heavy load operational code', he met with instant death.

For such instant death, the operational code of 'the dogs that bite', as well as the operational code of 'mighty powers of great illusions', amongst others, will be involved in one way or

***Believers War Is On - Part 1***

another. It must be understood that during sex, even naturally, those involved must share from the aura propensities of each other. Remember that in my book entitled 'Verses of Glorious Marriage', I made this vital point known. Let me quote some lines from it as follows:

*23. Earthman, marriage also involves sexual act; by this, procreation sustains the continuous existence of the children of men in the world of man.*

*24. Let your sex life come forth from the realm of love not of lust. Do not enter into marriage by the whims of lust and embed your sex life in that.*

*25. Remember the admonition of Plato, the ancient wise man of Greece, thus: 'The greatest cause of crimes is lust. The fire of sexual lust kindles every species of wantonness'.*

*26. Therefore, let the 'Verses of Glorious Marriage' also bring to the earthmen the hidden aspects of sexual act.*

*27. In doing so, that is, in talking about sexual intercourse aspect of humans in this treatise, though in brief, let us go beyond the*

*realm generally known.*

*28. In the first place and in the higher terms of the spiritual system, let it be known that sexual act is the lowest activity in the world of man.*

*29. Now, the earthman has five senses in the gross material aspect of his body. These include that of smell, of taste, of feeling, of sight and of sound.*

*30. Let it be known that, among all the actions performed by the children of men, sexual intercourse is the only activity that brings the entire five senses into simultaneous focus within the moment of the act.*

*31. No other action, other than sexual act, brings the entire five senses of humans into simultaneous forces. In other words, during sexual intercourse, all your five senses are involved at the same time.*

*32. Earthman, daughter of man, be very careful about making a choice in marriage. It is not a thing to rush in and rush out. The choice you make can uplift or degrade you.*

**Believers War Is On - Part 1**

*33. In marriage, sex is involved. Any sexual act strictly on true love shares the benevolent fruit to the male and the female. But based on lust, the malefic fruit is shared.*

*34. By virtue of the Universal Laws fixed in motion by the Finger of the Almighty, especially the Law of Homogeneity cum the Law of Auric Interaction, whatever that brings the human five senses into simultaneous focus, shares the aura propensities of those involved.*

*35. Every human has a specific aura. Your aura is the invisible force that surrounds you. The aura is like a house in human terms that resides in the upper aspect of the subtle life essence known as silver cord.*

*36. This silver cord is what joins man's duality, man's body and spirit (soul) together as one entity in the world of man.*

*37. When this silver cord is severed, death occurs among men. ("Or ever the Silver cord be loosed....Then shall the dust return to the Earth as it was; and the spirit shall return unto God who gave it", Eccl. 12; 6, 7).*

### ***Hidden Terrorists***

*38. The aura goes with the spirit, your core identity, after death when the silver cord is cut off, because it resided in the upper aspects of that which goes into the realms beyond.*

*39. Now, in this aura lies everything about your being in the world of man. The blessings of your life are there. Earthly woes and the hour of your death are there. The sickness that will come your way, the victories that you will have in the journey of life amongst others, all are there.*

*40. To this end, Oh earthman, and from the foregoing, at any moment you partake in sexual intercourse, you share and take into yourself fifty percent of whatever is in the aura of the woman whilst she also takes fifty percent of yours.*

*41. This is by the Immutable Laws of the Universe, fixed in motion by the finger of the Almighty.*

*42. If your sexual intercourse at any given time is impelled strictly via the platform of pure love, what will come forth to be shared*

**Believers War Is On - Part 1**

*will be on the aura upper propensities, wherein dwells peace and blessings.*

*43. If it is impelled by lust or any form of greed and vanity, you will share from the lower aspect of the aura, wherein dwells the predicaments of the earth-life.*

*44. As for sharing the aura propensities, you must partake therein, for as long as you engage in sexual intercourse.*

*45. Earthman, you are yet to come to the recognition that if you have sixty years to live, and you engage in sexual intercourse, via the lust wave, with one who has three years to live, you will prolong her life and she will shorten yours, by the aforementioned process of sharing.*

*46. And if it is done in pure love, because he who has love has the legitimate Spirit of Light in motion, the blessings of life will be shared; for blessings will be added to blessing.*

*47. To this end, if what you get after sexual intercourse, at any time, is that blessing is added to blessings, rejoice and take it as the*

*blessings of the Almighty.*

*48. If on the other hand what you get thereafter is woe, you have to manage it as your portion in lust, your portion in the darkness of this world.*

*49. Therefore, Oh earthman, let not your marriage come forth on the platform of lust, so that you will not inherit all that is associated with the illusions thereof.*

*50. Let your marriage stand upon the stronghold of love and surely you will be blessed. With love, seek a partner in Light, that you may have the peace and the blessings of the Almighty.*

You see, all things in the Universes of God work strictly under the Immutable Universal Laws of the One Eternal Almighty. The forces of darkness can only accelerate the malevolent aspects via their numerous codes. That was why the husband of your friend met with instant death. Such death could have been averted if he hadn't got himself involved in lust. And it happened based on what was carried by the lady. People must understand this.

Now, the witchcraft spirits behind the operational code of 'mighty powers of great illusions' were still present around the

### *Believers War Is On - Part 1*

corpse as at the time you arrived there. They were responsible for the manipulations which brought about the voice that you heard. They spoke to configure your mental pattern, had you stayed to listen further.

Nevertheless, that you ran out to pray, constitutes the victory of Light over darkness. Whether or not you know it, at that moment of your prayer, several things must have occurred in the psychic spheres of the forces of darkness, I mean those of which were present there.

### **THE VIOLENCE OF RIGHTEOUSNESS**

**Question:** Your Grace, I am a minister of the Gospel of Jesus Christ. I have read volumes 1 and 2 of Occult Grand Master Now In Christ and some other books you wrote to the glory of God. But I have some questions. First of all, I want you to enlighten me more on the operations of the dark powers against the church. How do they battle against believers and how do we overcome their attacks?

-- Grosset Joshua; Oslo, Norway.

**Answer:** Dear Grossest, be informed that to form a church is one thing, but for the church to be strong in the Lord and in the Power of His Might, which is the only way of victory over the hosts of darkness, is another thing. This is the hour of fulfilment and the forces of darkness have ran a mock all over the world. They know that it is only the Power of Christ, flowing through the chosen ones of Light, that can pull down their cosmic strongholds and networks.

### *Hidden Terrorists*

To this end, they are out in the highest velocity of occult insanity to wage the final battle against the saints on the physical realms of Earth. They are well committed to this. They are well organised in this most vicious astral project. A lot of battles are now being waged in all the subtle realms of Earth, the invisible realms, between the Forces of Light and forces of darkness.

What we see today on the physical realms of Earth, the terrorists on murderous rampage activities; the high profile crimes; the huge amount of money spent on security by various nations; the secret games and conspiracies of security forces with arms dealers in different nations; the witchcraft attacks on individuals, communities and nations, amongst others, are mere tips of the iceberg. The main battle, the main problem, is yet to come. Few days ago, in the night hours, the Lord told me in the Spirit:

*"Harbinger of the Last Covenant, I will surely bring the greatest problem upon the Earth, to end all the problems of the children of men. The stage of this, is set before Me. Therefore, this is not the hour of slumber; this is not the hour of selfishness amongst My people. Let all hands of the faithful be on deck, to claim the Earth in Light, in Righteousness, in Peace, before Me. For in violence and great war, even the violence of Peace, Righteousness and My*

*Believers War Is On - Part 1*

*Light, shall My chosen ones reclaim My Kingdom on Earth''.*

Recall that the Great Lord Jesus the Christ, while He was on the physical realms of Earth, also said:” **And from the days of John the Baptist until now the Kingdom of Heaven suffereth violence, and the violent take it by force''** (Math. 11:12).

Now, the violence spoken about by the Lord, is not about going around killing and maiming people. No. It is all about serious commitment towards righteousness and peace in the Light of Jehovah God and His Christ. It takes Divine violence, total engagement on the path of Light, to achieve this. This is what is needed now than ever.

Saddam Hussein declared the 'mother of all wars' in his time, but in the light of what is about to happen on Earth, that is a mere child's play. The real mother of all battles is set to come on the entire world of man. It will end all the battles of the earthmen. The Great Lord Jesus the Christ gives us real peace. He said: **"Peace I leave with you; My peace I give to you. Not as the world gives do I give to you"** (Jn. 14:27; ESV).

The peace of the world is bogus in the light of the Divine Peace which the Lord of Light gives His children of Light. The peace of the world is enforced by the police and army of the Earth-world. And in it the Prince of Darkness thrives. For instance, the peace of the world will not totally defeat the hosts of the terrorists of this world. And the greatest destruction on Earth

*Hidden Terrorists*

will come forth in the midst of the peace of this world. Thus, Saint Paul wrote:

***"For yourselves know perfectly that the day of the Lord so cometh as a thief in the night. For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape" (1 Thess. 5:2,3).***

Dear Grossest, war is on. This is the time for all those who sincerely believe in Christ to be seriously committed to the Mighty Spirit of the Lord of Hosts in battle. This is not the time of frivolity, slumber, frolicking around and toying with the path of Light. Every believer now must be completely committed to serious prayer and fasting. If possible, the fasting should be daily. It could be 6am to 12 noon, 6am to 3pm, 6am to 6pm, as the case may be.

Every church must raise a standard and standby Divine prayer team, which must meet collectively for not less than three hours at least three times a week. They must not be vicious in prayers against fellow earthmen; they must not be selfish in prayers for the possession of the material things of life; rather they must be selfless in prayers for our world to be salvaged unto the Light of Christ.

Furthermore, every church must collectively observe at least one day fasting and prayer (6am to 6pm) in a week. And every

### ***Believers War Is On - Part 1***

church should endeavour to hold morning devotion from 5am daily. This is very important. In addition, every church should hold night vigil at least once a week. And every church must raise fund for charity, in support of the orphans, widows and indigent persons from time to time. All these amongst other things will raise the standard of the Spirit of the Lord in our world, for the triumph of Light over darkness.

### **THE GENERAL BATTLE AGAINST CHURCHES**

Dear Grossest, there are intense battles of the witchcraft spirits against churches all over the world, because the forces of darkness know that those who call upon the Holy Blood of the Great Lord Jesus the Christ are their main obstacle in completely taking over the world of man. Here in Northern Nigeria, for instance, the terrorists, who are the marionettes of the hosts of darkness, have destroyed many churches; they bomb churches even during Sunday worship.

Different parts of the world aren't exempted. The Prince of Darkness and his hosts of darkness have gone berserk in the world of man, in this hour of their last battle. This is the time for the churches to rise and be totally united in the war against the hosts of darkness.

Secret societies and cultism are on the increase. Haven't you heard about the 'Church of Satan' formed in the United States, which has now spread to different parts of the world? The Church of Satan exalts the Prince of Darkness; they have incantations which they chant during 'Black Mass' solely in

*Hidden Terrorists*

total aspersions and disdain for the Personality of the Great Lord Jesus the Christ.

What about the 'Church of Wicca'? ('Wicca' is the short form of Witchcraft). Though formed in the United States, but it has also spread to different parts of the world. The guiding astral entity of this Church of Wicca, known as 'Aradia', was once my 'second personality' in the occult. What does this show? Isn't it evident from different aspects that war is on?

Now, following my article entitled 'Witchcraft Exposed', which I published in my Facebook Page of Prof. Iyke Nathan Uzorma, some questions came up. One of these questions came from Jehoshaphat Tondo, who asked: "Prof. Iyke Nathan Uzorma, please what is your advice about the Masonic Crafts, for many Christians are into it, even some of the Baptist"?

In my response I simply admonished: "I judge no one, but I admonish all to be firm in Christ. I also warn all to beware, because many elements of White Witchcraft have crept into the Christendom. Some elements of White Witchcraft operate as 'wisecrafts' and other names".

Someone else (Egede Emma) on the same platform, while also responding to this question said: "**The masonic crafts especially those of Scottish Rite Freemasonry, which are a combination of the psychic forces of White Witchcraft and Black Withcraft, are to be totally avoided by Christians because of the consequences in this life and the hereafter,**

*Believers War Is On - Part 1*

**including the practices of other Freemasonic Lodges such as Egyptian Freemasonry (Rite of Memphis and Mizraim), and even sects like the Jesuit Order which is deceptively portrayed as a Christian sect but actually practice Roman Catholic Mysticism, which is a combination of the psychic forces of White Witchcraft and Black Witchcraft''.**

I simply didn't want to go into all that. My major concern now is for all those that uphold the Holy Blood of Christ to be firm in Him. I am fully aware that the Prince of Darkness has entered many aspects of the Christendom, with diverse devices and manipulations. We don't need any other thing for victory in the field of battle than the Holy Blood of the Great Lord Jesus the Christ.

I even fought a spiritual battle recently to banish a vicious astral spirit from the seat of the General Overseer of one of the leading churches in Nigeria. I saw in the Spirit that a high witchcraft spirit sat on the seat of the General Overseer. I had to issue a Divine decree to set the astral spirit of darkness at naught and got him banished. Things like this is part of the general battle of the forces of darkness against churches in the world of man.

**SPECIFIC BATTLES AGAINST CHURCHES AND PASTORS**

**Question:** Do the powers of darkness have special and specific attacks programmed solely against the ministers of the Gospel of Our Lord Jesus Christ?

-- Grossest Joshua; Oslo, Norway.

**Answer:** The Church is under attack. The true ministers of the Gospel are specific targets of the attacks of witchcraft spirits. This is a fact, whether or not it is known. Every Gospel minister is a shepherd who must uphold the standard of Christ, to enhance his victory and the victory of others in the battle field. We are in a war situation and we must be careful, prayerful and watchful at all times.

Diverse astral waves of darkness are constantly projected to attack people. These projections are done by powerful and intelligent astral entities in the realms beyond, who have no other work than such projections from their duty-posts. They project the waves of lust, anger, vanity, greed and mundane attachment to ensnare the children of men.

Some time ago, a pastor here in Warri came under the intense attack of witchcraft spirits via the astral waves of anger. For this wave to have dominion over a person, to the extent of compelling him to commit crime, it will first reside in his system and eat deep into the fabrics of his being for long. Generally speaking, and in human terms, such individual will be known as having the spirit of anger.

The aforementioned pastor, in the course of a quarrel between him and his wife, raised the wave of anger against his home, whilst his wife also joined. The witchcraft spirits of Black Witchcraft like to galavant around such homes. In the course of their quarrel, the pastor poured fuel in the bedroom where they

### *Believers War Is On - Part 1*

were. He brought matches, locked the door and threatened to burn the room.

At this point, instead of his wife to work towards quenching his anger, the 'fire of darkness' burning in the mental pattern of her husband, she dared him to ignite the matches. Then, in the extreme state of anger, the pastor ignited fire in the house. The pastor and his wife couldn't escape; they were burnt to death in their bedroom. That was how the church under his guide closed down. The success of this kind of attack brings celebration amongst the hosts of darkness.

In another occasion, another pastor in Lagos, Nigeria, under the influence of the astral waves of anger, was in the habit of beating up his wife in the house. One Saturday afternoon, this pastor beat up his head usher near the church premises. The head usher lifted the pastor and threw him inside a gutter. People gathered to watch the fight.

On Sunday the following day, as the pastor was about to pray and preach, people gathered outside the church to watch him. The elders of the church noticed them and directed the pastor's wife to climb the pulpit and take over from her husband. All eyes were closed as the pastor led the congregation in prayers. On the pulpit, his wife whispered to him on the collective decision of the elders regarding the ministration. There and then the pastor slapped his wife.

As the wife couldn't take it, the wave of anger also came upon

### *Hidden Terrorists*

her. She went low, lifted her husband from his legs and hit him on the floor of the pulpit. Everyone in the church opened their eyes and saw what happened. Each and everyone took his Bible and left. That was how the witchcraft spirits closed down that church.

There was also a pastor in Benin City, Nigeria, who strangled his wife to death, covered her with clothes and went for evening service to preach. He committed this crime because of a lady agent of darkness who was a chorister in his church. She was his so-called 'lover'. His in-laws almost mobbed him to death, after confessing what he did.

Dear Grossest, let me inform you that we are all in a battle. We must uphold Divine Christianity for our victory, otherwise we will fail. Divine Christianity entails practical Christianity. In this is constituted the Power, Love and Peace of Jehovah God and His Christ, which the Prince of Darkness and the entire hosts of darkness can never defeat. Anything outside this, you are on your own.

Divine Christianity is the true Church made up of the chosen ones all over the world. We should endeavour at all times to stand established on the platform of Divine Christianity, if we must be victorious in the battles of life. Organised churches are different from Divine Christianity.

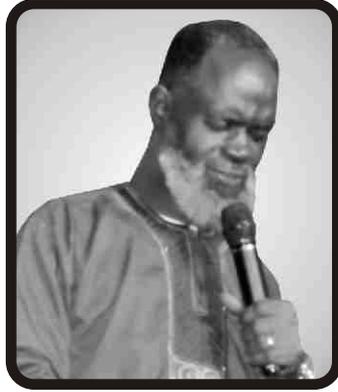

Organised churches must come into the practical framework of Divine Christianity, to withstand the coming onslaught as well

***Believers War Is On - Part 1***

as the murderous rampage of witchcraft spirits and their daily activities. The One Eternal Almighty, the legitimate Spirit of Christ, is absolutely concerned about Divine Christianity, into which organised churches must rise and abide.

Divine Christianity, wherein dwells the Spirit of the Lord, deals more with individuals rather than organisations. Materialism amongst us; different doctrines, each claiming to have Scriptural backing; lack of commitment to prayer and fasting; acrimony; the struggle for church titles and administrative positions; these amongst others, are diverse ways that the Prince of Darkness and his hosts have settled down in many churches of the Earth-world.

A word is enough for the wise.

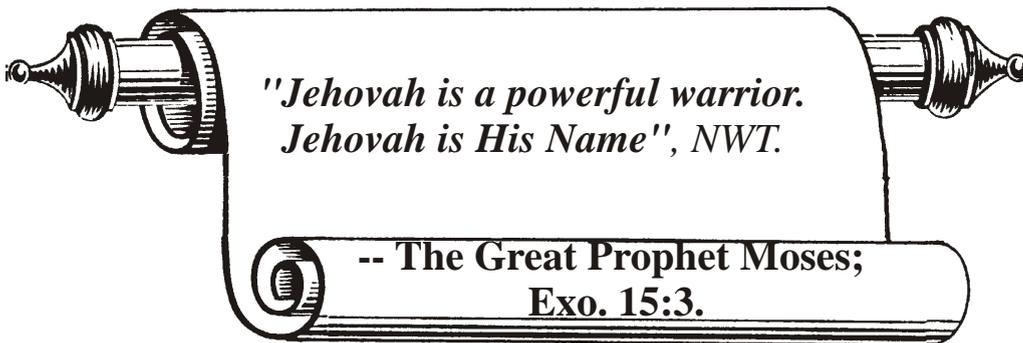

## CHAPTER 14

# **BELIEVERS WAR IS ON- Part 2**

<sup>1</sup>  
(Questions And Answers)

*Believers War Is On - Part 2*

*"And I saw Heaven opened, and behold a white horse; and He that sat upon him was called Faithful and True, and in righteousness He doth judge and make war .... And the armies which were in Heaven followed Him upon white horses, clothed in fine linen, white and clean".*  
-- Saint John; Rev. 19:11,14.

**SPECIFIC TARGETS FOR ATTACK**

**Question:** My question has to do with witchcraft attacks. How are they deeply rooted in families, communities and lives of individuals? And how can we break loose from them and the effects of their attacks?

-- Itz Flora; Question from the Facebook Page of Prof Iyke Nathan Uzorma.

**Answer:** Dear Flora, the dominion of the spirits of witchcraft, the attacking army of the hosts of darkness, over a place, person or group of persons, is based on many factors. But all such factors are simply rooted in the absence of the Light of Christ in a place, upon the life of a person or group of persons. Lust, anger, greed, vanity and mundane attachment are specific channels of the astral attacks of witchcraft spirits.

Light conquers darkness and where there is Light, darkness must flee. Christ is the Light, and all that we need in order to possess total dominion over the hosts of darkness, is the Light of Christ. Outside the Light of Christ, any attack of the forces of

### *Hidden Terrorists*

darkness can prevail upon a person. Therefore, to break loose from all the devices of the forces of darkness, we must be totally committed to the legitimate Spirit of the Great Lord Jesus the Christ.

Through, different sacrifices made to the paramount gods of darkness, by a family head or a community head, such family or community will have the manipulations of the witchcraft spirits rooted in them. But when one rises on the platform of Light in that family or community, such spirits will be uprooted.

When one steps out of the admonitions of Christ and offends the agent of darkness, or does anything contrary to the standard of the Spirit of Jehovah God and His Christ, the forces of darkness can use that as 'astral legal right' to come against him in battle. If the environment in which one is born, whether hospital or otherwise, is associated in any way with the forces of darkness, these forces will claim ownership of him from the moment of his birth.

In the course of time, if such a person, as he grows up, fails to take a strong stand in the Power of Christ, diverse manipulations can be brought forth upon him from the forces of darkness. Some establishments, which include but not limited to hospitals, are owned by some 'powerful' human agents of the forces of darkness, under certain covenants with different kinds of witchcraft spirits.

Now, further to how the witchcraft spirits are rooted in families,

### *Believers War Is On - Part 2*

communities, as well as in the lives of some individuals, let it be known that it is very disadvantageous in this connection to eat together from the same plate with a witch, share the same bread, biscuit or drink together. This is dangerous, especially if such drink, bread, biscuit or anything edible was bought with his money.

If you eat rice together with him, for example, what you see as rice will have a different name behind the veil, a second-personality name of the occult agent. Whatever name that is involved in this connection, from the framework of the witchcraft spirits, when it is called, it will answer. If you are not firm on the path of Light in Christ, the food or drink will answer in you, and will from that moment do whatever it is directed to do in your life.

Nevertheless, if you are firmly established in the Supreme Light of Christ, this kind of manipulation won't occur at all. Thus, even if you unknowingly eat with the agent of the forces of darkness, you are eating a different thing, while he also eats a different thing from what both of you seem to eat together.

In Ndoni, Rivers State, Nigeria, a student (agent of witchcraft spirits) gave another student, a boy, some biscuits to eat. He was expecting him to eat it immediately, but the student rather took it home. When he finally brought out the biscuits to eat, the biscuits started speaking, saying: "Badibu ata muo o", meaning "don't eat me yet". The time it was programmed to begin its work in the boy who took it had elapsed. It needed further occult

### *Hidden Terrorists*

reactivation. The boy and those around were bamboozled.

Sleeping in a room with an agent of darkness is also highly disadvantageous. When men sleep, the spirits in them go out and many things are discharged. If you are not strong in the Lord, different attacks of witchcraft spirits will begin to come your way thereafter. But if you are strong in the Lord, the Holy Spirit will also be discharged to swallow the forces of darkness therein discharged.

To indulge in sexual activity with an agent of darkness, especially the one who is a 'heavy load carrier of the operational code of witchcraft' in his or her private part, constitutes one of the greatest danger. Under some circumstances, based on the nature of stipulated attack, this could lead to instant death.

Generally speaking, however, when this works in conjunction with the 'dogs that bite operational code' and the 'dry leaves that hover operational code', as they always do, the life of the victim will never be the same again. The life of such a person will surely go downwards under multitudinous manipulations of the hosts of darkness, except Christ comes forth to set him free.

#### **REDUCED TO ZERO-POINT**

**Question:** Daddy, the world needs to know more about what the powers of darkness are doing through fornication and adultery. Few days ago, a man died in Port Harcourt while having sex in a hotel with his lover. Was it caused by the spirit of the lady or what?

*Believers War Is On - Part 2*

-- Emmanuel Osajie; Elele, Rivers State, Nigeria.

**Answer:** Things like this happen all over the world, as a result of the high profile attacks of witchcraft spirits and their human agents. The incident you mentioned was a specific attack of death. A witchcraft operational code or the combination of witchcraft codes, can bring about this. This depends on what was intended to be achieved by the forces of darkness.

Sometimes the combinations of witchcraft codes are used for attack, which may not be geared towards death, but which can put one in a situation wherein it was better to die than to be merely physically alive. This is a complete hopeless life in human terms. However, as far as the Spirit of the Lord is concerned, every hopeless life can be transformed, if the hopeless one seeks after the Mighty Power of the Great Lord Jesus the Christ.

Apart from individuals, churches amongst others are also attacked by the combination of witchcraft codes. Some earthmen, the human agents of witchcraft spirits, are embodiment of the combination of witchcraft codes. To specifically attack a church in this connection, the human agent of darkness that would be used for the attack must belong to the church concerned.

The pastor of the church involved and his prayer team must be strong in the Lord, in order to subjugate such attack. When such agent of darkness in a church is overpowered by the Spirit of the

### *Hidden Terrorists*

Lord, he will either flee or be converted to the path of Light in Christ. But it is highly disadvantageous and detrimental for a targeted church to operate from the point of weakness. Anything can happen to the pastor and his members at that point.

There was a church in Aba, Nigeria, that was specifically targeted for a high profile attacks of witchcraft spirits. The agent of darkness used for this purpose is the younger sister to the pastor's wife. In the astral chambers of witchcraft spirits, she was empowered to become the embodiment of three operational codes, namely:

1. Dry leaves that hover;
2. Carriers of heavy load; and
3. Mighty powers of great illusions.

By sleeping in the same house with the pastor, his wife and their children, she gained a ground of victory for the powers of darkness. And by preparing their food, eating with them, amongst other things, she expressed great dominion of witchcraft manipulations. The pastor even appointed her the head of the prayer warrior team. Could you imagine that?

The problem with some pastors is that they are spiritually blind. If your spiritual eyes can see, whilst you are strong in the Lord and in the Power of His Might, certainly things like this can't occur. Rather, the agent of darkness will be defeated, totally

### *Believers War Is On - Part 2*

disarmed and bamboozled.

The pastor of the church was blind and weak in the Spirit of the Lord, though he had a large congregation. Thus, as far as that church was concerned, the agent of darkness was completely in-charge. She completed the first phase of her witchcraft operations, by dominating the pastor and bringing him into the network of Blind Witches. Then came the second phase, which was to have sex with him.

This agent of darkness was a carrier of the 'carriers of heavy load operational code' specifically in her private part, under the operation of the 'heavy load carrier' embedded in the 'carriers of heavy load'. Whosoever goes there is gone, except the Lord sets him free only by His special Mercy. In this case, that is in this second phase of operation, this operational code has to come in first, before others will follow.

At last, the pastor had sex with her. In the human terms, it was a mere sexual activity, but behind the veil, from the framework of the witchcraft spirits, it was an intense expression of dominion over the pastor, to the end that he will have the load of darkness placed on him. And in this witchcraft attack, the devices of the forces of darkness prevailed upon the "man of God".

In a nutshell, that pentecostal church in Aba was completely vanquished by the forces of darkness. It happened that the church scattered, as the pastor divorced his wife and finally got married to the agent of darkness. Both of them left Aba and went

### *Hidden Terrorists*

into hiding, living together finally in a room made with mere planks, located in the isolated ghetto area of Warri, Nigeria. This was a pastor who once lived in a duplex with his family.

His life was a kind of "dried up" under the operational code of 'dry leaves that hover', enacted upon him by witchcraft spirits via their human agent. For some years, his family, the family of his wife and friends, which include fellow pastors, didn't know his whereabouts. However, recently he was found in Warri. He had a baby with the agent of darkness. She was trading on fish to feed the fallen pastor, while he stays at home doing nothing but to take care of their baby and the house.

By the time he was found, he was already deeply struck with the 'mighty powers of great illusions' operational code of witchcraft. He was in a state of psychopathic predicaments, which affected his brain. The relations of his wife forcefully took away the agent of darkness for deliverance. And at this moment the pastor himself is undergoing deliverance. The Spirit of the Lord has already stepped in by special Mercy and Power. Remember the admonition of Saint Peter to believers:

***"Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour" (1 Pet. 5:8).***

To be sober, we have to be spiritually minded. This entails daily and total commitment to the Lord. As you can't survive on the

## *Believers War Is On - Part 2*

physical realms of Earth without food, water, sleep and passing out human waste, so you can't overcome the forces of darkness if you are not strong in the Lord and in the Power of His Might.

We are also admonished to be vigilant. This is very important. This should be done daily, and the reason for this purpose is made clear: "because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour". What the forces of darkness will do when one is a major target of attack, if he fails to be vigilant, is to devour. I tell you, many so-called "believers" have been devoured by the powers of darkness in the field of battle.

We must be strong in the Lord. We must be very strong in battle. We must approach the enemy with destruction, while standing firm upon the ground of life, victory and power. The battle field is the field of destruction. If you come forth in battle, while standing upon the ground of weakness, you may be destroyed.

### **PSYCHOLOGY OF SPIRITUAL WARFARE**

**Question:** The Harbinger of the Last Covenant, in Revelation chapter seventeen verse fourteen, the Bible says that the powers of darkness will make war with Christ. Sometimes I wonder why, when they know that they will eventually be defeated. Is it that they don't know?

-- Evaristus Titus G; Vatican City, Rome.

**Answer:** In the place you quoted, it is specifically stated: **"These shall make war with the Lamb, and the Lamb shall**

**overcome them: for He is Lord of lords and King of kings: and they that are with Him are called, and chosen, and faithful".**

You see, no nation goes to war with the intention of losing. This is the psychology of all wars. Saddam Hussein didn't know that he was going to lose the war that he fought against the allied forces led by the United States. Adolf Hitler didn't know that he was going to lose the world war which he fought. In the same vein, the hosts of darkness hope to spring some elements of victory in the mortal combat yet to surface in the world of man. They are highly motivated along this line of thought.

Like the Pharaoh of ancient Egypt, God has hardened their hearts, so that they will come forth in the last battle and be vanquished by the King of Kings and Lord of Lords. This is designed by God to ultimately salvage the world of man in the Light of Christ. And as we know, if the government security forces of 200 soldiers storm a hideout of 30 terrorists, the terrorists will still put up a show of battle before they will be vanquished.

Remember the Prince of Persia, how he detained Angel Gabriel for 21 days. Remember how four Angels sent to destroy some human channels of darkness were captured and chained by the river Euphrates, until another Angel was empowered to release them. (See Dan. 10:13-20; Rev. 9:13,14). Remember how the hosts of darkness have gained ground in different families of the Earth-world, different government and nations, different

### *Believers War Is On - Part 2*

churches and mundane religions. They are highly motivated in battle, but the King of Kings and Lord of Lords will surely vanquish them at the fullness of time.

#### **SMITE THE SHEPHERD**

**Question:** Dear Archbishop Iyke Nathan Uzorma, please what are the strategies of powers of darkness against pastors? By the grace of God, I am a pastor in Zambia.

-- Pastor Paul Muungo; Luanda, Zambia.

**Answer:** Dear son of Zion, every shepherd in the Body of Christ is surely a target of attack. For us to achieve victory always, we must daily uphold the standard of the teachings of the Great Lord Jesus the Christ. A shepherd who is fully established in the Supreme Light of Christ has nothing to fear, for the Spirit of the Lord will always fight all his open and secret battles.

However, when a shepherd is weak in the Vineyard of the Lord and his spiritual life in Christ is empty, anything can happen to him. A shepherd must live above lust, anger, greed, vanity and mundane attachment. Every believer must live above these. Remember, the forces of darkness are intelligent beings. They know how to plan their attacks. They have huge number of human agents in the world of man, many of them are members of different churches. Thus, we have to be watchful and prayerful always.

The forces of darkness, via the witchcraft spirits, are fully aware that the best way to dominate a church is to target the church

*Hidden Terrorists*

pastor. Therefore, always be fully conscious of this, knowing that the battle is still on. Remember when the Prince of Darkness wanted to attack the chosen ones of Israel, he simply projected himself against the High Priest. Thus, the Scripture says:

***"And He shewed me Joshua the high priest standing before the Angel of the LORD, and Satan standing at his right hand to resist him. And the LORD said unto Satan, The LORD rebuke thee, O Satan; even the LORD that hath chosen Jerusalem rebuke thee: is not this a brand plucked out of the fire" (Zach. 3:1,2).***

What happened here is not difficult to understand. The Angel of the Lord certainly came from Jehovah God with blessings for the chosen ones, which was to be passed to them through the High Priest. The Prince of Darkness knew that if he had succeeded in blocking the Angel from giving such blessings to the High Priest, the chosen ones will be defeated in this connection.

This is how it goes regarding pastors and churches. As a shepherd, you must receive from the Spirit of the Lord and pass to the congregation. You will be attacked in so many ways, in order to hinder you from having access to the Throne of Light. However, for as long as you remain faithful, true and worthy to the cause of the Great Lord Jesus the Christ, you will surely

## ***Believers War Is On - Part 2***

overcome the forces of darkness. The forces of darkness know that when a shepherd is smitten, the sheep will scatter. Thus, they also work assiduously towards achieving this.

Furthermore, a shepherd must completely refrain from seeking after mundane glory, aggrandizement and opulence. The forces of darkness can use any of these to pull him down. In the astral chambers of the Abra-Melin Witchcraft, there are specific occult decrees thus:

*1. Let there be millions of church preachers on Earth, but let them be empty vessels before us;*

*2. Let there be millions of marriages on Earth, but let there be no agreement in love;*

*3. Let the followers of the Robber of Affection (they refer to Jesus the Christ as 'Robber of Affection') be deluded;*

*4. Let churches be of the increase, but under the dominion of the Prince of That which came first. (They hold that darkness came first, and that the Prince of Darkness spoke in darkness for Light to come forth);*

*5. Let the children of men seek after all that we give, in bondage, in servitude, for*

*Hidden Terrorists*

*the increase of the farm of the Prince of  
Darkness.*

These amongst other things are the astral decrees of the forces of darkness against believers and the entire world of man. We must understand these things and be properly guided by the Eternal Spirit of the Almighty Jehovah God and His Christ. The forces of darkness are not joking with the battles they are waging against humanity. It is only some of us in the Body of Christ, some shepherds and believers, that don't know where we are, what we are doing, as well as the intensity of the war that is on.

Yes, Christ fought and conquered for us, but we must be strong in Him in order to possess our total victory in His Name over the hosts of darkness. Don't say that because Christ conquered for you, you can do whatever you like for all is well. It doesn't work that way.

We are admonished that, regardless of the fact that Christ has set us free from the bondage of darkness, we must be strong in the Lord and in the Power of His Might. This is the only way to possess total dominion in Him and His victorious Power. Some hours ago I posted a brief article in the internet, via my Facebook Page, thus:

***"We must be strong in the Lord. We must be very strong in spiritual battle. We must approach the enemy -- the spirits of the dark world -- with destruction, while standing***

*Believers War Is On - Part 2*

*firm upon the ground of Life, Victory and Power, which is Christ. The battle field is the field of destruction. If one goes forth in battle against the hosts of darkness, while standing upon the ground of weakness, he may be destroyed''.*

In one of the comments that followed, Command Headquarters Omega Force said: "**We already have VICTORY made possible by the FINISHED Work on the Cross of Calvary. By that Singular but POWERFUL Sacrifice, we are CHAMPIONS for ever. The BLOOD of Jesus the Christ is at Work in Us all. Thank you sir''.**

The above is a statement of fact, but it is only for those who are strong in the Lord and in the Power of His Might. You must appropriate the victory which Christ made possible for us, via His finished work on the Cross of Calvary; you must be fully established in His Supreme Light, for you to be a champion in the field of battle. If you are spiritually blind, weak and slothful, while claiming to be in Christ, how will you overcome the hosts of darkness? The Great Lord Jesus the Christ Himself said:

*"Abide in Me, and I in you. As the branch cannot bear fruit of itself, except it abide in the vine; no more can ye, except ye abide in Me .... If ye abide in Me, and My words abide in you, ye shall ask what ye will, and it shall be done unto you'' (Jn. 15:4,7).*

*Hidden Terrorists*

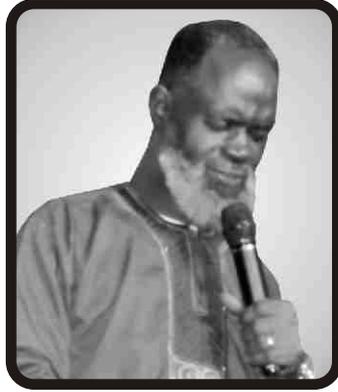

**"If ye abide in Me"**. This is conditional. When we fail to achieve this, we will fail in the field of battle. We must abide in Him and His Words must abide in us, which is another way of saying that we must **"be strong in the Lord and in the Power of His Might"** (Eph. 6:10). This is the only sure path of victory over the hosts of darkness, otherwise one will certainly be defeated when darkness comes for attack and manipulation.

A word is enough for the wise.

*Nevertheless, if you are firmly established in the Supreme Light of Christ, this kind of manipulation won't occur at all. Thus, even if you unknowingly eat with the agent of the forces of darkness, you are eating a different thing, while he also eats a different thing from what both of you seem to eat together.*

**MORE ON ASTRAL RIGHT**

**Question:** My question is on the astral legal right of attack. Is it only through sin that they have this right of attack? What about a situation where one sends money from time to time to his father and he wastes it in drunkenness, will that be a right of attack on the person?

-- Lauren S. Rochester; Lauderdale, Florida, USA.

**Answer:** The intention of every action is always thoroughly weighed and examined. Astral legal right of attack, though very tricky, succeeds mostly on the intention of an action. This also determines the Divine protection that one receives from the Glorious Throne of the Lord. Regarding the relationship between one and his parents, the admonition of Christ is very clear:

*"For God commanded, saying, Honour thy father and mother: and, He that curseth father or mother, let him die the death"*  
(Math. 15:4).

Whatever one provides for his father, the intention should solely be along the line of honouring him and nothing else. Such intention attracts the blessings of the Lord and is beyond the manipulations of the hosts of darkness. If one provides for his father, for instance, and he uses such to frolic in iniquity, it means that such a father belongs to the camp of Caesar. Even then, Christ still admonished:

***"Render therefore unto Caesar the things which are Caesar's; and unto God the things that are God's" (Math. 22:21).***

Therefore, one should endeavour to take care of his parents, as failure to do so is even one of the major astral legal right of attack. Sometimes when witchcraft spirits and their human agents programme an attack against a person, the person can be manipulated to enter into the domain of the agents of darkness. There, the false prophets will tell him to completely avoid sending anything to either his father or mother, that they are witches and wizards troubling his life. If one abides by such instruction, the stage will then be set for the attack.

The lives of many people have been ruined via this manipulation. Therefore, even if your parents are witches and wizards, honour them solely in keeping with the admonition of the Great Lord Jesus the Christ. As you do so, while remaining strong and firm in the Light of Christ, if such parents turn around to attack you with any form of witchcraft, the Spirit of the Lord will place them where they least expected.

Sometimes in a family, an agent of darkness, who maybe a relation to either your father or mother, amongst others, can manipulate you, turn your face against your innocent father or mother and turn your face towards himself. At this point, you will be attending to his needs, while neglecting your parents.

It takes the Spirit of the Lord to break loose from this kind of

### *Power Over Serpents And Scorpions*

attack. This is so because the forces of darkness will ensure that your earth-life is encapsulated by diverse predicaments, and you will be made to think that such are sent your way by your parents.

We must endeavour at all times to show love to our parents, in keeping with the Words of God, and be lifting them up in prayers, so that those of them who are not on the path of Light will be transformed into the Light of Christ.

### **THE BASE OF MANIFESTATIONS**

**Question:** The Harbinger of the Last Covenant, we are made to understand that the spiritual realms control the physical realm. We are in the physical realm, how then can we control the physical realm from the spiritual realms? Is it through prayer and fasting?

-- Jasper Okoronkwo; Oguta, Imo State, Nigeria.

**Answer:** Yes, the spiritual controls the physical, by fixed Immutable Universal Laws of the One Eternal Almighty. Again, yes, through prayer and fasting, you can possess dominion in the spiritual realms and use same to control the physical system. The spiritual realm is the base of manifestations. When you are strong in the Lord, the Spirit of the Lord will use your spirit to do things in the realms beyond, which will be physically manifested in the world of man. To this end, let me present here part of my treatise contained in my book, *Occult Grand Master Now In Christ Vol. 2:*

*"The multifarious elements of darkness, operating via the chains of psychic, occult and most vicious enslavement, are spread in the physical system of reality (the world of man) to do specifically one thing: that is to make evil appear as good and thus lead the earthmen astray.*

*"Anything that makes us to stand against the path of Supreme Light in our thoughts, words, or deeds, is darkness. Many are in spiritual bondage but may not know. It is not in vain for Christ to say that "if the son therefore shall make you free, ye shall be free indeed" (John 8:36). He knew that without His Light no one is free. He spoke of "free indeed" meaning that there are elements of bondage from which one should be set free.*

*"There is an important point that should be made clear in this connection.*

*I am speaking of the fact that before anything will take place physically in the world of man, it must be programmed first in the realms beyond. It follows also that the bondage of anyone in the physical world is programmed and manipulated from the realms beyond.*

*Power Over Serpents And Scorpions*

*Freedom from this bondage also comes from the ultimate spiritual Throne of the Lord.*

*"With the Power of the Great Lord Jesus the Christ, by means of the Holy Spirit, therefore, what we should strive to do now is to be strong in the Spirit of the Lord and de-programme every element of enslavement programmed against anyone that seeks the help of the Almighty. Christ is ever willing to set man free, if man will seek His Light.*

*"I recall when I was preparing for a crusade at the Adamasingba Sports Stadium, Ibadan, Nigeria; I sought the face of God and Divine guidance for the spiritual success of the programme. Sometimes people think that the success of a crusade or Christian programme is based on the amount of money realized in it. This is a fallacy which has no bearing as far as the Holy Spirit is concerned. Success of any programme depends on the move of the Holy Spirit and the liberation of Souls from the yoke of bondage.*

*"As I was fasting and praying for the*

*success of this programme, I was caught up in the Spirit to fight a spiritual warfare for the liberation of two prostitutes. In the Spirit the Word came to me with great force and I was filled with Divine Power. Then a voice said to me: 'Son of man, you are an instrument in the Hands of the Lord your God; see two Souls in captivity waiting for my liberation, which is given through you in the Name of your Lord'.*

*"The voice which I heard said several other things. When He ended speaking to me, the Holy Spirit led me into a realm wherein two ladies were held captive. I was in the clouds watching beneath, in the region where darkness ruled. I became part of the clouds, so that the psychic entities of darkness could not identify me above.*

*"I saw that in the centre of the darkness was a lake of water; in the centre of the lake was a throne upon which sat a mighty entity of darkness, in the order of archspirits. Thousands of 'Gnomes', 'Invisible Servants' and 'Elemental Beings' served the archspirit and worked for him. When the archspirit spoke, thick smoke*

*Power Over Serpents And Scorpions*

*came forth from the centre of his head, for the manipulations of humans.*

*"In front of a castle by the beach of the lake were two ladies in chains. They were completely nude and had their hands and legs tied to different objects, exposing their private parts totally to the constant gratification of the forces of darkness.*

*I saw how the beings of the realm of darkness lined up in thousands to fornicate by force, one after the other, with the ladies in chains. The ladies could not escape because they were captured and chained; and this experience became their portion day and night.*

*They were living according to the programme of the enemy.*

*"As I was observing this, the Holy Spirit launched me from the sky like a missile into the region of these psychic entities and to the very throne of the archspirit; I struck with great pain upon the head of the archspirit like a whirlwind of fire. The fire, which was myself by the Spirit of God, consumed every element of darkness in that region. They were completely discomfited whilst transmogrified with*

*great pain.*

*"At this point, the Holy Spirit led me to where the two ladies were chained.*

*By the Spirit of God I got them freed.*

*I spoke to them of the Great Lord Jesus the Christ as the true Lord and Saviour of the Universe, and they believed. I prayed for them in Spirit and was disconnected from this spiritual experience.*

*"Few days later I went for the crusade at Ibadan.*

*On the first day of the crusade I ministered and made an altar call and many came out to give their lives to Christ. I clearly saw the aforementioned two ladies, who were set free in my spiritual experience, among the people that came to give their lives to Christ. I specifically called them to see me the following day.*

*"When they met me the following day, I spoke to them separately one after the other.*

*Both of them did not know each other.*

*The first one confessed to be a professional prostitute that came to the crusade from a brothel. The second girl was a student of the University of Ibadan, who goes out*

***every night as a club-girl to make money from men via illicit sex.***

***"This was the channel of their bondage. They did not know that they were enslaved by the powers of darkness in the spirit realm, and that their constant indulgence in sex gratification via fornication for money was a manifestation of this enslavement. If they had continued in this state of bondage, the totality of their existence would have been completely perverted and ruined by the powers of darkness.***

***"The two sisters were saved and cleansed by the Blood of Jesus. By the grace of God they were also rehabilitated, and today they are children of God by faith in Christ Jesus. When Christ spoke of making us free and free indeed, it is not a joking matter. Without His Power and Light, no one is absolutely free in this world".***

### **WITHHOLDERS OF FAVOUR**

**Question:** My question is on the issue of marks on the body parts that we see in the morning after sleep. What can be done to avert it?

-- Anayo Amako; Question from the Facebook Page of Prof  
Iyke Nathan Uzorma

### *Hidden Terrorists*

**Answer:** This kind of a thing occurs as a result of spiritual weakness at any given time. The perpetrator of this manipulation is an agent of witchcraft spirits dwelling not far from the environment of the target. Sometimes a Blind Witch can be used to carry out this attack, meaning that the spirits of witchcraft residing in the marionette (Blind Witch), without the knowledge of the Blind Witch, can initiate this attack.

Overall, this kind of attack is under the witchcraft operational code of 'withholders of favour'. As I said, this can only happen at any given time that one is not spiritually strong. Those who don't pray intensely and appropriate the Blood of Christ before they sleep in the night; those who drink some quantity of alcohol before they sleep in the night; those who spent most of the night hours watching films before they sleep in the night; those who go to bed in the night with much food in their systems; those who don't pray at all before they sleep in the night; those who don't wake up in the night to pray; those who sleep in the night with either grudges or worries; those who indulge in sexual activities after which they sleep off; all have placed themselves in different positions for this attack.

This attack itself can even be used to initiate a person into the marionettes network of Blind Witches, without his knowing. Generally speaking, however, this attack darkens one's aura. From that point, if one fails to rise in the Spirit of the Lord, any favour coming to him can be withheld by the forces of darkness. Sometimes, when such a mark is placed on a person, it may not appear physically.

### *Power Over Serpents And Scorpions*

Now, whether or not it physically appears, it becomes a symbol of identification. Thus, anywhere the individual travels to, in any part of the world, the forces of darkness in that jurisdiction will immediately identify him as possessing their vicious occult symbol. But when one so attacked seeks after the Spirit of the Lord, when the Lord intervenes, the mark will be neutralized.

Furthermore, apart from the witchcraft marks, the operational code of 'withholders of favour' attacks people in other ways. This operational code has some paraphernalia of attacks, such as the 'robes of witchcraft', the 'soaps of witchcraft', amongst other things. Foods and drinks, including sex, money, handshake and quarrel, are also herein involved. When one is covered with the witchcraft robe, anything can happen to him.

A young man was once brought to me from Lokoja. He was a final year Student of the University of Lagos. He was completely covered with the witchcraft robe. This young man went mad suddenly and his relatives brought him to me. As soon as I came out and saw him, I also saw the robe of darkness with which he was covered. But before I could say a word, as soon as the spirits guiding the robe saw me, they quickly took the robe off from him and fled with it.

When I uttered the first words: "**Let the Mighty Spirit of the Lord come down**", before I could speak further, the young man fell down and vomited. When he rose up at last, he became normal. That was how the Lord of the Universe healed him of the insanity that same hour. As a person, I was also surprised

### *Hidden Terrorists*

how the Lord did this, I mean the speed with which it was done. Everyone present were surprised, including his relatives. The Mighty Spirit of the Great Lord Jesus the Christ is real indeed.

In another occasion, I was in Lagos and a family invited me to come and minister to a certain violent mad man. He was chained in the bedroom of a duplex. When I got there, I spiritually saw that the man was covered by the foam arising from the witchcraft soap. It was revealed to me that the soap was given to his mother by his father's younger brother, a wizard of Black Witchcraft, few days after his birth.

The madness began when the spirits of witchcraft returned, after about 56 years, to demand for their soap given to his mother following his birth, which the woman actually used to bathe her child. And it happened that the man, a professor of Political Science from Ishan land, became insane at the Lagos International Airport, following his return from the United Kingdom.

His case was an intense spiritual warfare. So many astral legal rights were used against him by the forces of darkness. It took complete three days and three nights Divine operation, by the Mighty Power of the Great Lord Jesus the Christ, for the Prof. to be fully restored. Thereafter, we took the battle to the strongholds of the forces of darkness in his community and got the principal agents of darkness there totally disarmed. Many gave their lives to the Supreme Lord of Light -- Christ.

*Power Over Serpents And Scorpions*

**Question:** Sir, I have observed that sometimes in business, if you have problem with the first person that comes to your shop, you have problems throughout the day. How do we overcome this? Also, I have heard witchcraft agents confessing of seeing people's stars and collecting them. How can this be recovered?  
-- Stanley Benjamin; Question from the Facebook Page of Prof Iyke Nathan Uzorma

**Answer:** When you hold your morning devotion unto the praise of the Lord and thereafter go to your shop, your office, your journey, your school or anywhere you are, endeavour to show forth the love of Christ; endeavour not to have problems with anyone, rather show all men the Light of Christ. When you go to your shop in the morning and begin to have problems with your first customer, how does that show that one is standing upon the Light of Christ?

It is said that whosoever brings the ant infested firewood to his house, has invited lizards for a feast. As a child of Light in Christ, the debt we owe the world is love and peace. Pay this debt daily and you will surely overcome the antics of the messengers of darkness. An agent of darkness can go to a shop to cause problems in the morning, in order to establish the astral legal right of attack, but it is within your reach in the Light of Christ to disarm and overcome him via love and peace.

Furthermore, regarding the collection of the star of a person by the forces of darkness and their human agents, this can only be possible if the person whose star is collected gives rise to it. No

power can collect your star if you didn't allow it to happen in the first place.

A man came to me, whose star of wealth was completely taken away by the forces of darkness, under the witchcraft operational code of 'withholders of favour', but he was the cause of it. Remember the Scriptures that say:

***"He that diggeth a pit shall fall into it; and whoso breaketh an hedge, a serpent shall bite him" (Ecc. 10:8).***

***"As the bird by wandering, as the swallow by flying, so the curse causeless shall not come" (Prov. 26:2).***

The witchcraft operational code of 'withholders of favour' came forcefully against the man and established upon him another witchcraft operational code of 'dry leaves that hover'. To this end, as at the time this man came to me in tears, all the money he had in this life was 200 Naira, which is less than 2 dollars. Though he has a wife and children, the merciless forces of darkness withheld his wealth and made him a dry leaf that hovers around. All were done because of his contact with and tricks against a high profile witch.

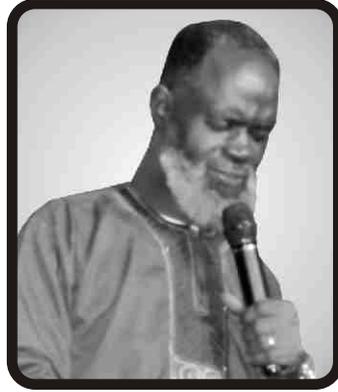

The witch was a pretty lady that he met and took to a hotel for sex. After the sexual activity, he pretended to go out and collect a recharge card, but from there he escaped. And for the food, drinks and other bills, the hotel management held the lady for

***Power Over Serpents And Scorpions***

payment. In the presence of people, she stripped naked, put a finger on her private part, brought the finger out, raised it up and placed a curse on the man.

That was how the witchcraft spirits got him ruined. All these were revealed to me, which he also confirmed. Nevertheless, the Mercy and Power of Christ came forth and delivered him from bondage. Today, he is doing well in the Lord. It is very important for everyone to be careful, watchful and prayerful in life. We must always have it in mind that 'a curse causeless shall not come'.

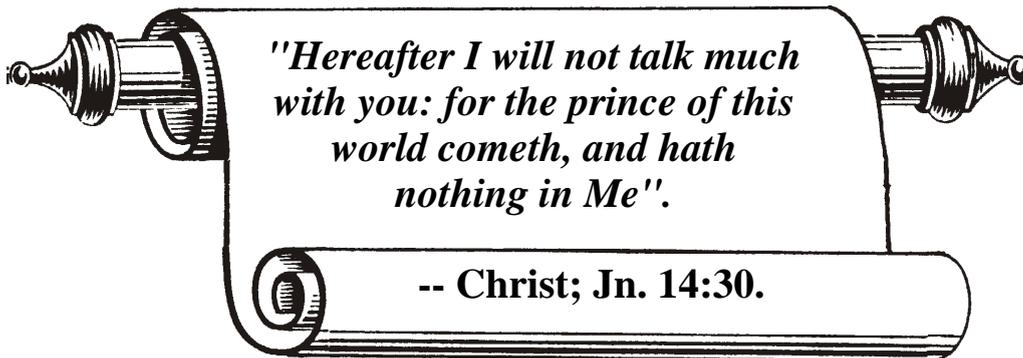

A word is enough for the wise.

## CHAPTER 16

# **WHAT WE MUST KNOW**

(Questions And Answers)

*What We Must Know*

**FUNDAMENTAL BASIS OF ATTACKS**

**Question:** I have a question. If for instance an armed robber or a violent person with weapon approaches a believer who has faith in Christ, but not baptized with the Holy Spirit, how can he or she overcome the situation? When I read your book, Occult Grand Master Now In Christ Vol. 2, I saw that God gave you direction and victory when some occult men sent hired assassins to eliminate you, because you have the anointing, but what of the people that don't have that anointing?

-- Okey Ideli; Baltimore, Maryland, USA.

**Answer:** My beloved Okey, something makes another thing to happen. There is no smoke without fire. When He was physically on Earth, the Great Lord Jesus the Christ said: "**The prince of this world cometh, and hath nothing in Me**". The Prince of Darkness is here referred to as the prince of this world by the Lord. When the Lord said that he has "nothing in" Him, He was referring to the astral legal right of attack, the fundamental basis of the attacks of the hosts of darkness.

The forces of darkness must find something in you before they can establish the astral legal right of attack against you. In my own case, about twenty six pastors came under my approval and destroyed the properties of the forces of darkness that I had in the past. And to the forces of darkness, this became the right of attack against me. But the Lord rose to protect me, because He gave me the Divine directives to destroy such things, following my direct encounter with Him.

### *Hidden Terrorists*

They fought me in so many ways via vicious astral projections of the witchcraft spirits, but in all, they failed and still fail unto this day. Their marionettes, the hired assassins which one of their principal human agents sent against me, was because of their failure in the systems of spiritual attacks. The Lord protected me because He never turned 'blind eyes' to such attacks and they didn't find anything in me either.

This is very important. When the Lord turns 'blind eyes' to any attack, then anything can happen. Blind eye in this connection, is a situation where darkness attacks a person, having found something in the person, and the Lord didn't wave such a thing found by darkness aside. At this point such attack will go through.

When the forces of darkness come and find murder, adultery, theft, fornication, anger, greed, amongst other things in you, if such isn't waved away by Jehovah God and His Christ, by Mercy and by the Holy Blood of Christ, the forces of darkness will prevail when they strike. The forces of darkness know their limits, especially when the Eternal Spirit of Jehovah God Almighty, through the Holy Name of the Great Lord Jesus the Christ, directly steps into any situation. Whatever right the forces of darkness have in such situation becomes null and void.

The victory that I had over the assassins wasn't just because of the great anointing upon me, rather it was a victory based on the Mercy and Power, as well as the direct intervention, of the Lord of Light. "The prince of this world cometh, and have nothing in

### ***What We Must Know***

Me". The assassins having come, what determines what would have happened next was what they found. If they found God's Protection and Mercy and Power, then they must flee.

Consequently, regarding your question on what a believer in Christ will do in such a situation, whether or not he is baptised in the Holy Ghost, it solely depends on what is found in him at that point and the position of the Lord regarding what was found. Thus, based on the intervention of the Lord, such a bad situation will be turned into a good situation and testimony of victory. But if the Lord turns blind eye to the situation at that point, anything can happen.

Sometime ago, the witchcraft spirits and their human agents sent thunder and lightning to kill a pastor of a church in Port Harcourt, Nigeria. He died right inside the church. Do you think that the Spirit of the Lord isn't more than enough to salvage him from such attack? The issue of "the prince of this world cometh and has nothing in Me", as spoken by the Great Lord Jesus the Christ, should never be passed over lightly.

There was a plane crash which took the life of a man of God. It pained me and I cried to the Lord. I said 'why Oh Great Lord'? In His response, the Lord spoke to me and showed me everything that happened. I was made to know that 'abortion' was found in the man of God. And in him also was found great lust and attachment to the material things of life. This gave the forces of darkness the astral legal right to turn the aircraft into a 'coffin' in the air.

### *Hidden Terrorists*

Furthermore, I was also spiritually informed by the Lord Himself that all those who died in the accident were gathered and found guilty of blood in diverse ways. If there was a chosen one of Light in their midst, the Spirit of the Lord would have used his presence to salvage the air disaster. And He said to me:

*"Harbinger of the Last Covenant, know and understand that when the cup of iniquity is full before Me, and none chosen by Me stands in the gap, behold, the Prince of Darkness will go forth and destroy".*

In another occasion, I saw a woman who was under serious attacks of witchcraft spirits. She was very sick of diverse ailments. Then the cause of her situation was revealed to me. It was the cry of a girl of eight years that was hijacked by the forces of darkness and used to torment her.

The woman flogged the girl, her husband's niece, and closed her mouth from crying. The bitterness in the heart of the girl ignited a wave of witchcraft attacks against the woman. The girl isn't a witch, but when the forces of darkness came, what they found in the woman was the lamentation of a wounded heart. The woman was salvaged by the Mercy of the Lord, who directed that I should minister to her in the midst of children, which I did.

### **DIVINE STANDARD OF VICTORY**

**Question:** Your book, *Deeper Realities of Existence Vol. 1*, is a must read for all humans. I have truly learnt a whole lot of things.

***What We Must Know***

It has truly made me to change my prayers towards love for all men. We know that we are in a spiritual warfare. What role does love play in our victory over the powers of darkness?

-- Dr. Francis Okezie; Abuja, Nigeria.

**Answer:** There is a serious mistake that some of us make in the light of spiritual warfare, especially when we gather and begin to request that the Holy Ghost Fire should consume the forces of darkness and their human agents. This is completely against the Divine standard set for us by the Great Lord Jesus the Christ. Christ is our perfect example, not Moses, not Abraham, not Elijah, not any of the prophets of old. Recall when the Lord was about to go to Jerusalem. The Scripture says:

*"And it came to pass, when the time was come that He should be received up, He steadfastly set His face to go to Jerusalem,*

*"And sent messengers before His face: and they went, and entered into a village of the Samaritans, to make ready for Him.*

*"And they did not receive Him, because His face was as though He would go to Jerusalem.*

*"And when His disciples James and John saw this, they said, Lord, wilt thou that we command fire to come down from Heaven,*

*and consume them, even as Elias did?*

*"But He turned, and rebuked them, and said, Ye know not what manner of spirit ye are of.*

*"For the Son of Man is not come to destroy men's lives, but to save them. And they went to another village"*  
**(Luke 9:51-56).**

Now, in spiritual warfare, generally speaking, believers should wage war against the works of darkness. When progress is made along this line in any area, community, family, amongst others, the fruits of the forces of darkness, which are their works, their devices and manipulations, will become null and void. Thus, they will go empty handed in the field of battle.

Specifically, however, when a believer encounters a direct attack of the forces of darkness, resulting in the direct manifestation of a witchcraft spirit, for instance, the believer can ask the Fire of the Holy Ghost to consume all aspects of the attack. He may also ask the Holy Ghost Fire to consume the vicious astral entity, but they are not actually consumed permanently in such terms, rather the entity can be transmogrified or transmuted.

No matter how a believer in the embodiment of the gross material body operates, there are certain dimensions of Divine

### ***What We Must Know***

Power that can't be actualized, as related to the permanent annihilation of the entities outside the framework of the gross material body. Even the Angelic Beings of Light, with the same subtle body framework of the forces of darkness, can't achieve such total annihilation. This can only be done by Jehovah God and His Christ.

Therefore, do not waste your time and energy along this line. However, if a believer comes into direct confrontation with a spirit of darkness, let him not involve himself into using such words as 'you ugly spirit, look at how you are smelling' and all that. In some circumstances, such words can be used to establish further astral legal right of attack. Let the believer simply rebuke the entity thus:

'I rebuke you by the Blood of He who died and rose again, even the Blood of Jesus of Nazareth. You stand disarmed and defeated in the Holy Name of the Great Lord Jesus the Christ'.

Remember when Archangel Michael was in battle against the Prince of Darkness over the body of the great Prophet Moses. The Archangel didn't juggle words with the Prince of Darkness or engage himself in mere abusive words in that encounter. We must learn from this for important spiritual reasons. To this end, the Scripture says:

***"Not even the chief angel Michael did this.  
In his quarrel with the Devil, when they  
argued about who would have the body of***

***Moses, Michael did not dare to condemn the Devil with insulting words, but said, The Lord rebuke you. But these people attack with insults anything they do not understand; and those things that they know by instincts, like wild animals, are the very things that destroy them”  
(Jude 9,10; GNB).***

Certain abusive words used by believers in the course of spiritual warfare against the hosts of darkness, have in turn been used to establish the astral legal right for more intense attacks of witchcraft spirits against churches and believers in diverse places. We must be on guard in this regards and should never at any time claim to possess higher spiritual knowledge than such a personality as Archangel Michael in spiritual warfare.

Furthermore, it is extremely disadvantageous for a believer or group of believers, in the course of spiritual warfare, to command the Holy Ghost Fire to consume the human agents of darkness, who are fellow earthmen. This is a complete negation of the Divine standard of victory set for us by the Great Lord Jesus the Christ. It solely amounts to fighting against flesh and blood. Saint Paul warned against this when he specifically admonished thus:

***"For we are not fighting against flesh-and-blood enemies, but against evil rulers and authorities of the unseen world, against***

***What We Must Know***

***mighty powers in this dark world, and  
against evil spirits in the heavenly places"***  
**(Eph. 6:12; NLT).**

These evil forces are totally united in battles against the world of man. It is only the children of men that are not united in battles against them. Consequently, they have human marionettes, human agents, serving the interests of the hosts of darkness in the world of man. We are not in battle against such humans, but against the forces of darkness using them.

Now, at anytime that you command the Holy Ghost Fire to consume the human agents of darkness, the hosts of darkness know that you are on the wrong path -- the same path as theirs. You are at this point united into the manner of spiritual gestalt and platform upon which they operate. The energy fabrics of such prayer, its paraphernalia and rudiments are hijacked by the hierarchy of the hosts of darkness. Thus, they are emboldened by same, giving them greater impetus and astral legal right of attacks against the human race.

Such prayer is a product of lack of deep spiritual knowledge. When the disciples, James and John, desired to act in this way, citing example to the Lord that Elijah did so, the Lord brought them to the higher spiritual recognition that His Divine standard of victory completely transcends that of the old prophets, and that all those who seek perfect victory in the field of battle must uphold His Divine standard only.

*Hidden Terrorists*

He told them to refrain from such a request of commanding fire to consume fellow earthmen, admonishing them that such action thenceforth proceeds only from a contrary spirit opposed to the Great Light of the Everlasting Saviour -- the Great Lord Jesus the Christ. Therefore, let it be known that the best and easiest way to overcome all the human agents of the forces of darkness is to strictly abide by the admonition of the Great Lord Jesus the Christ, which goes thus:

*"Yes have heard that it hath been said, An eye for an eye, and a tooth for a tooth:*

*"But I say unto you, That ye resist not evil: but whosoever shall smite thee on thy right cheek, turn to him the other also.*

*"And if any man will sue thee at the law, and take away thy coat, let him have thy cloak also.*

*"And whosoever shall compel thee to go a mile, go with him twain.*

*"Give to him that asketh thee, and from him that would borrow of thee turn not thou away.*

*"Ye have heard that it hath been said, Thou shalt love thy neighbour, and hate thine*

*What We Must Know*

*enemy.*

*"But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you" (Math. 5:38-44).*

**CHRIST AND THE PRINCE OF DARKNESS**

**Question:** Harbinger my daddy, when the Lord Jesus was tempted by the Devil, did the Devil manifest to him physically? I ask this because it is written (Luke 4: 5) that the Devil took Him up to a high mountain and showed Him all the kingdoms of the world in a moment of time. How did the Devil take Him, more so showed Him all the kingdoms of the world from a mountain in one location? How is that possible?

Was this temptation to Jesus as the Son of Man or as the Son of God, considering that in the next temptation, the Devil tempts Him to prove Him as the Son of God? Luke 4:9 says: "**And he brought Him to Jerusalem, and set Him on a pinnacle of the temple, and said unto Him, If thou be the Son of God, cast thyself down from hence**". Again, how could he bring Jesus to a temple? Or were these temptations in a dream?

-- Pastor Lucy Wangechi Kabii; Founder, Proclaim Revelation Healing Ministry, Nanyuki, Kenya.

**Answer:** My lovely daughter, the direct encounter of the Great Lord Jesus the Christ with the Prince of Darkness, as well as the

*Hidden Terrorists*

enacted temptations, all occurred here on the physical realms of Earth. But it was in the first layer of the adjacent physical state, which houses the shield of invisibility of the physical systems. It wasn't in the dream; it wasn't even in the sub-physical realms or spiritual realms.

Though it was physical, but strictly within the shield of invisibility of the physical systems. This means that while it was physically oriented and physically going on, the gross material eyes of the people around there won't observe it, except the covering of the shield of invisibility was removed. Related experience of this nature, of a physical experience occurring within the physical shield of invisibility, is recorded thus:

*"And after six days Jesus taketh Peter, James, and John his brother, and bringeth them up into an high mountain apart,*

*"And was transfigured before them: and His face did shine as the Sun, and His raiment was white as the light.*

*"And, behold, there appeared unto them Moses and Elias talking with Him"*  
**(Math. 17:1-3).**

The manner in which Moses and Elijah appeared to Christ and seen by the three disciples, was the same manner in which the Prince of Darkness appeared to tempt the Lord of Light. The

### ***What We Must Know***

disciples saw the transfigured aspects of Christ, as well as the physical appearance of both Moses and Elijah, because the Divine potency of the Lord cause them at that point to transcend the physical shield of invisibility. Anyone around there at that point, who wasn't on the same platform with the disciples, won't see what they saw.

Now, on the capacity of the Prince of Darkness to show Christ all the kingdoms of the world in a moment of time, this has to do with the larger state of awareness; the gestalt of the awareness of higher Beings of the Cosmos. And in such terms, it is natural to them. And in such terms also, man naturally has higher state of awareness than the lesser creatures.

For instance, let's say that you are seated in one place in an empty large hall watching the movement of one millipede. Let's further assume that you sat for an hour doing this. Now, you have the capacity to watch the entire movement of the millipede in that hall. Because of its state or awareness in the scale of existence, the millipede won't comprehend how you were able to do so, but to you it was both natural and normal.

There are personalities far above the Prince of Darkness in this Solar System alone, who have the capacity of seeing all the realms of the Solar System simultaneously, and there are personalities far above these. God is the Supreme Personality whose capacity of seeing all the physical and spiritual Universes at once can never be equalled; His Supreme Consciousness and Awareness are beyond descriptions.

### *Hidden Terrorists*

To this end, the Prince of Darkness did what was natural within his capacity to do, by showing the Lord all the realms of men in a moment. On the aspect of the Prince of Darkness taking the Lord into the systems of such temptations, it certainly wasn't by force. And if the Lord didn't want to be so tempted, it wouldn't occur.

A point had to be made to the Prince of Darkness that, as the first Adam fell by his manipulations, the second Adam (Christ) will overcome his manipulations and redeem the children of men. In other words, the Great Lord Jesus the Christ willingly allowed the Prince of Darkness to tempt Him.

Furthermore, the Great Lord Jesus the Christ was at that moment tempted as the Son of Man. He allowed this to be done, within the framework wherein His victory over the temptations of the Prince of Darkness, amongst other things, stood and signifies the prime evidence of His Eternal Divine Sonship, both as the Son of God and God Himself.

Asking how could this happen, regarding the Prince of Darkness taking the Great Lord Jesus the Christ to the temple, as earlier stated, if the Lord didn't want all these to happen, the Prince of Darkness wouldn't have enforced them arbitrary by himself upon the Son of Man. And specifically about going to the temple, you asked: 'how could he bring Jesus to the temple'? Remember the case of Job, wherein the Prince of Darkness came into the Holy Presence of the Almighty Jehovah God. If he could be permitted to do so, then appearing in God's temple on

Earth becomes feeble in approximation to that.

**BLIND WITCHCRAFT**

**Question:** The Harbinger of the Last Covenant, I want to know more about how Blind Witchcraft operates. I read about it in your book, 'Occult Grand Master Now In Christ Vol. 1'. Does it mean that one can be a witch without knowing it?

-- Steve Nwoke; Aba, Abia State, Nigeria.

**Answer:** The White Witchcraft agents know that they are witches in their practices all over the world. They have registered organisations and societies, which are recognised and well protected under the laws of different nations. They appear not to be 'harmful' in some human terms, however. But they propagate concepts totally opposed to the Divine Sonship of the Great Lord Jesus the Christ. In many instances, they perform sacrifices of the forces of darkness in their physical congregations.

The art of White Witchcraft, however, has now also found its way into the systems of some organised churches and religions of the Earth. They practice diverse art of divination, which are classified as abominations before the Lord in the Holy Scriptures. But White Witchcraft is just one aspect of witchcraft spirits.

The Black Witchcraft, Kali Witchcraft and Abra-Melin Witchcraft operate in diverse codes from the hidden astral chambers of witchcraft spirits. The human agents of all these are

### *Hidden Terrorists*

conscious witches. They all know what they do. But the Blind Witchcraft is the unconscious aspect of them all. The Blind Witch is a house of darkness, unknowingly housing different witchcraft spirits. This is also very dangerous.

Through food, sex, drink amongst other things, one can be bought over in the domain of the Blind Witchcraft. A man came to me for deliverance; he was a house of witchcraft spirits, but he didn't know. Through his sexual activity with a female of the Black Witchcraft, he was brought into Blind Witchcraft. That sexual activity opened the loopholes for the spirits of witchcraft to enter and dominate his life.

Things became so bad for him as a result of this, to the extent that he could no longer feed his family, as his business closed down. It was the Divine intervention of the Lord that got him finally restored. The witchcraft spirits in a Blind Witch, go out from time to time to do evil against other humans. Especially when a Blind Witch sleeps in any environment, the witchcraft spirits will be discharged from him for specific operations.

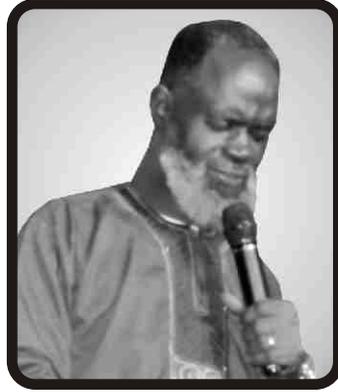

A lady came to me in tears. Her husband was burnt to death. She wanted to know what was the hidden cause of such a horrible death. But as was immediately revealed to me, she was the cause, though unknown to her. She was a Blind Witch. The leader of the witchcraft spirits residing in her had a rule that: If her husband had sex with her and does so with another woman and within two weeks after doing it with another woman, comes to have sex with his wife, the man must die.

### ***What We Must Know***

Meanwhile, these witchcraft spirits got into her through her secret sexual activity with an agent of darkness possessing the witchcraft operational code of the 'dogs that bite'. And because her husband wasn't strong in the Lord, he even had sexual act with two different women and came to do same with his wife under ten days. One of the two women he had sex with during this period was a Black witch in the sea network of marine witchcraft. And having gathered enough astral legal right of attack, the witchcraft spirits burnt her husband to death in Jos, Nigeria.

Blind Witchcraft operates in so many ways. All forms of witchcraft are abominations before the Lord. We must take a firm stand on the path of the Great Lord Jesus the Christ, which is the bona-fide path of victory over the hosts of darkness. To be forewarned is to be forearmed. Our Divine instrument of victory over the hosts of darkness is the Holy Blood of the Great Lord Jesus the Christ. This is the time for us to be strong in the Lord and in the Power of His Might.

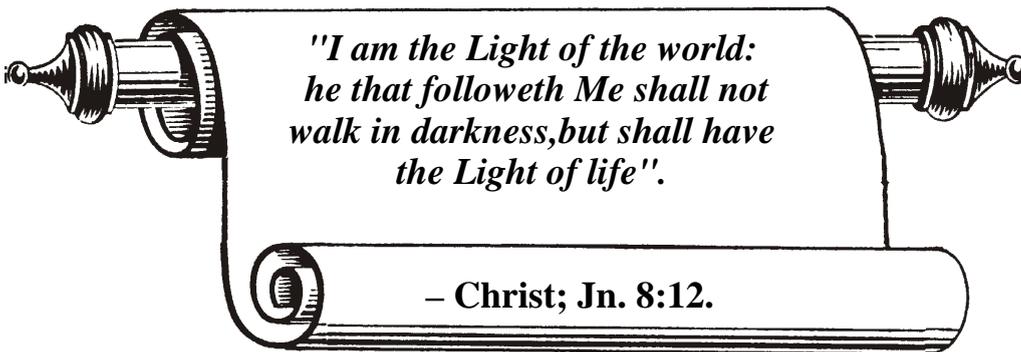

A word is enough for the wise.

## CHAPTER 17

### **MY CLOSING ADMONITION**

*"I am the Light of the world:  
he that followeth Me shall not  
walk in darkness, but shall have  
the Light of life".*

– Christ; Jn. 8:12.

*My Closing Admonition*

**THE REAL PROBLEM**

Dear reader, Grace and Peace be multiplied unto you, from the Glorious Throne of the One Eternal Almighty God, in the Name of the Great Lord Jesus the Christ, Amen.

This is my admonition for the conclusion of this treatise. Hope you have gotten one or two points in this book to enhance the total subjugation of witchcraft manipulations. However, in the first place, let me say that the major problem of the earthman isn't the attacks of witchcraft spirits and their human agents, but man's inability to please God, to serve the Almighty God in spirit and in truth.

Instead of serving the Father of Everlasting Light, instead of pleasing Him, we are busy striving to please mere humans. We work very hard trying to please our husbands and wives, fathers and mothers, friends, associates, brothers and sisters, amongst others, which is good, but these are mere branches of the tree. Without pleasing the root of the tree, which is God Himself, how far can we truly go on the path of Light? You will fail in the battles of life, possibly through bitter lessons, when you work only to please man without first pleasing the Almighty.

We have to go to the roots of the tree and water it for the branches to grow and survive. Water the roots and the tree will grow. When you water only the branches, the tree won't grow. Watering the roots of a little growing tree is pleasant to the branches thereof. Therefore, I say: When you serve the Lord of the Universe in spirit and in truth, when you please the Almighty

in His Light, the true believers in God, who are His branches, will automatically be satisfied.

### **A GOOD EXAMPLE**

God is not computerised in the human terms, but in the human terms He is like the stomach. Every part of the human body works directly and indirectly to satisfy the stomach. When the stomach is hungry, every other part of the human body will be in a sort of problem. And the solution to this problem is simply to feed the stomach. In the same vein, when you are not properly situated in God realisation, as shown by Christ and in Christ, you will become susceptible to all forms of witchcraft attack.

Listen, dear reader, when your stomach is hungry, will your eyes function well? When your stomach is hungry, will your legs move properly? How many people will survive in this world if their stomachs aren't fed with food and water for complete ten days? What about five days? To some earthmen, their heads won't function well anymore; every part of the body will become weak, almost even to the point of death. But the moment their stomachs are fed with food and water, every other part of the body will revive and function well again.

What does this mean to you? It means that all the activities of different parts of the human body, for them to function well, must strive to satisfy the stomach. You go to school, you attend to your business and means of livelihood, you work hard day and night to survive on the physical realms of Earth; you do so many things in the world of man. Wherein lies the physical

### *My Closing Admonition*

strength to accomplish all that you do in your different fields of endeavour? The answer lies in the fact that your stomach is fed.

If you have so much material possessions, but for some circumstances you are kept in a place where you are starved of food for ten days, your material possessions will make no sense to you anymore. Whatever you have, without food in your stomach for ten days or more, such things will become meaningless to you. It is only when you are fed that you will begin to assign value to the material things of life.

### **OUR STRENGTH IS IN GOD**

Now tell me: do you think that someone who is starved of food and water for ten days will have the physical strength to fornicate or commit adultery? Will such a person have the ability to quarrel, fight, commit armed robbery or terrorism? Will he be able to struggle for land, cars, political office or any mundane thing? So, you see, in this material world, all mundane activities of different parts of the body are geared towards satisfying the stomach.

To this end, your hands, your legs, your eyes, your mouth, all are working daily for the stomach. The legs go out, walking in search of food for the stomach. The eyes see the food. The hands pick the food and put inside the mouth. The mouth conveys the food to the stomach. And when the stomach is satisfied, all parts of the body are satisfied.

Any part of the body that rebels, or works against this

### *Hidden Terrorists*

arrangement, suffers many things alone. That part of the body, when cast out, becomes a food for the maggots. Thus, if for instance the hand says, "**Why should I serve the stomach? I don't want to serve the stomach; please cut me off**", when the hand is cut off it becomes useless on its own. It follows, therefore, in strict human terms, that the usefulness of the hand is to satisfy the stomach.

Consequently, when you fail to abide in Christ, the Light of the Almighty, you are like a hand that is cut off from the body; you become useless to the end that the "**maggots**", forces of darkness, can feed on you. God is the '**Supreme Stomach**' of the entire Universal Systems. We must abide in His Light and serve Him. Our strength is in Him alone. When the earthman truly serves God, manifested as the Great Lord Jesus the Christ, the Lord takes over his life; He fights all his open and secret battles. In this way, the true believer lives above the reach of witchcraft manipulations.

I have earlier stated that when you serve the Lord of the Universe in spirit and in truth, the true servants of the Lord will surely be satisfied. Work hard to always achieve this. Work hard to please the Lord always. When the Lord is pleased with you, that is enough for you. When the Lord is pleased with me, that is enough for me. As the strength of the body lies in feeding the stomach, so the spiritual strength of man lies in pleasing the Almighty.

*My Closing Admonition*

**GAME PLAN OF DARKNESS**

The primary game plan of the hosts of darkness is to deviate us from walking on the path of Light, the path of the foundation of Light of Jehovah God Almighty, laid down on Earth by the Great Lord Jesus the Christ. Witchcraft spirits want to manipulate us to stand outside the Light of Christ. If possible, they want to manipulate all humans to abide by the framework of the forces of darkness.

They want us to murmur against God; they want us to complain and be unhappy; they want us to be slothful on the path of Christ. We must rise and say '**no**' to all these and other manipulations of darkness. And through the Mighty Power of the Spirit of the Lord, we will continue to raise the banner of victory, by the Blood of our Saviour Jesus the Christ, in every field of battle.

This book has taught us in practical terms how to defeat the hosts of darkness in the battles of life. The principles herein enunciated, when practically applied by the reader, will surely enhance the victory of Light over darkness in your life.

A word is enough for the wise.

Thus Ends The  
Harbinger's Treatise On  
HIDDEN TERRORISTS  
God Bless The Reader.

## **VERSES OF GLORIOUS MARRIAGE**

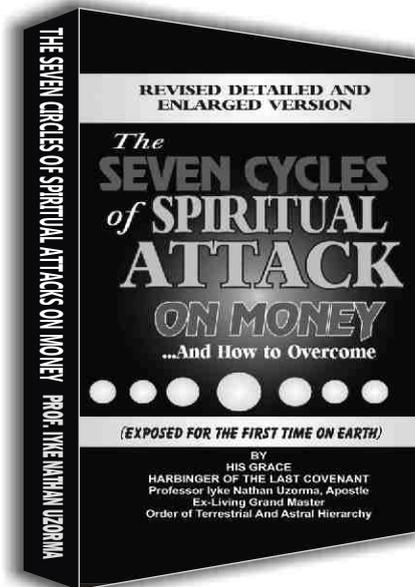

In their battle against successful marriage on Earth, the network of darkness established specific chambers in the Astral realms. There are two thousand minor chambers, forty main chambers and four absolute chambers in the vicious Astral psychic spheres coordinating the battle against marriage on Earth. In human terms, they are "special forces" solely for this project. Their operational guide is: "LET THERE BE MILLIONS OF MARRIAGES AMONG THE CHILDREN OF MEN, BUT LET THERE BE NO PERFECT AGREEMENT IN LOVE". These special Astral Forces fighting against marriage, from their minor, main and absolute chambers, operate well equipped Astral Satellite Systems. These Satellites, produced from the subtle fabrics of the Esoteric Solar Elements, collect, gather and store into the absolute chambers diverse vicious thoughts of humans. From the central pool of the absolute chambers, these vicious thoughts are radiated back to the Earth using the Astral super-conscious waves. These Astral waves invade the human mind, solely to form dichotomy in marriage, for a husband and wife not to live in perfect agreement in love. Why are they thus engaged? And what do we do to overcome them? Find out in this **Verses of Glorious Marriage**.

## **VERSES OF WISDOM AND WATCHFULNESS**

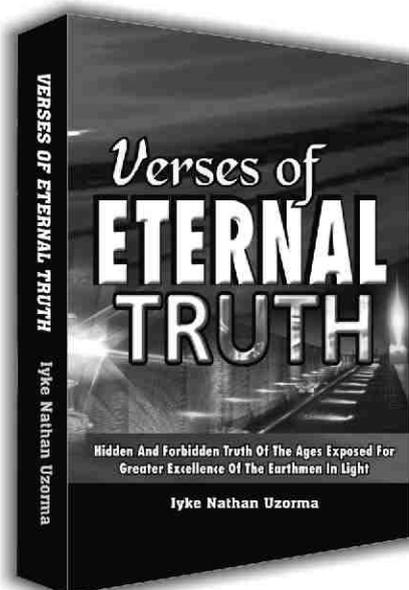

Wisdom is the core nectar of watchfulness in the life of man. In our world, several wise men have, at one time or the other, provided wise counsel to raise our minds to the efficacy of wisdom. And most times those who ignored this have found themselves where they least expected in the hands of their enemies. It is only a fool that says he has no enemy. In 'Verses of Wisdom and Watchfulness', Prof. Iyke Nathan Uzorma has simplified the understanding of how to know and be watchful of the enemy and wicked minded friend. If we study this book and follow its instructions, the light of wisdom will rise to dispel the devices of the dubious minded people in our midst -- father, mother, husband, wife, friend, neighbor, colleague, inlaw, outright enemy, etc.

## **THE SEVEN CYCLES OF SPIRITUAL ATTACK ON MONEY**

The kingdoms of darkness are advancing by empowering their own with enormous resources. Their human channels spend a lot, even using human blood, to obtain wealth from them, by which such humans are enslaved. Should we not also advance in Light? We should not only advance but overtake them, using our resources to promote the work of Jehovah God and HIS Christ in the world of man. This exposition is coming for the first time on Earth.

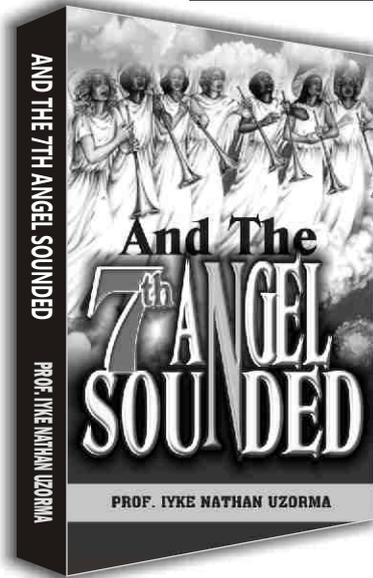

## **VERSES OF ETERNAL TRUTH**

### HIGHER REALITY OF EXISTENCE

This treatise, 'Verses of Eternal Truth' is a book of the mysteries of life. It is made to explain the unexplained. It is good to be a child, but it is not good to remain a child. Man has come of age and this is the hour for him to know more. The true nature of the Sole Ultimate Reality (God), the core identity of man as spirit, subjective experiences, multitudinous dimensions and manifestations of Christ, forms of existence in the hereafter and much more, all are encapsulated in mystery. This book is set forth as a clue about the mysteries surrounding the existence of man and beyond.

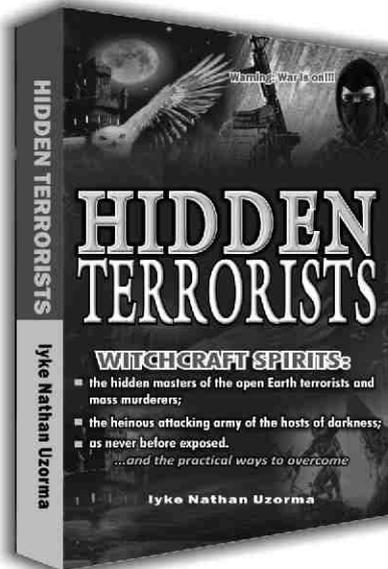

## **AND THE 7TH ANGEL SOUNDED**

### **FULFILLMENT OF THE ANCIENT PROPHECIES**

The Bible book of Revelation (11:15) says: "And the seventh Angel sounded; and there were great voices in Heaven, saying, the kingdoms of this world are become the kingdoms of our Lord, and of His Christ; and He shall reign forever and ever". Saint John also saw in his revelation "a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns". In his time, the great Prophet Daniel had a strange vision about how "the four winds of the heaven strove upon the great sea and four great beasts came up from the sea, diverse one from another". What these stand for, as well as their literal fulfillment on the physical realms of Earth, is what this book is all about. Also, on the little horn that grew up in the midst of the ten horns, "before whom there were three of the first horns plucked up by the roots", the eyes on the horn, the mouth that spoke great things, as manifested and related to our time, amongst others, including the heads of the beast and the last thereof in this age and time and much more, read this book to know more.

Witchcraft spirits and their human agents are the attacking army of the entire forces of darkness; they are the hidden masters of the terrorists and mass murderers. This book exposes their elements and techniques of attack. Here, you will learn in practical terms how to defeat the ten operational codes of witchcraft. This book teaches how to subjugate the five kinds and the five seals of the forces of darkness; how to destroy the chambers of the most vicious astral entities; how to pull down the cosmic strongholds of the occult powers of the dark world, amongst others.
