INTRODUCTION

The earthman is in a spiritual battle, whether he knows it or not. The great battle of the Forces of Light and the forces of darkness, to take over the world of man, has been on for ages in different realms of the Universe. On the part of the Forces of Light, Christ eternal King of kings and Lord of Lords, leads the 'Armies of Heaven' for the victory of the faithful ones on the path of Light on Earth.

**“And I saw heaven opened, and behold
a white horse; and he that sat upon him
was called Faithful and True, and in
righteousness he doth judge and make
War ... And the armies which were
in heaven followed him upon white
horses, clothed in fine linen, white and
Clean.” - *Rev. 19: 11, 14.***

Now, the part of the forces of darkness - the entire cosmic network of the vicious occult, is led by the Prince of Darkness; the "great red dragon," who has "seven heads and ten horns, and seven crowns upon his heads" - (*Rev. 12: 3*). He leads the most vicious Astral entities, the consummate cosmic mephistophelians of all the realms of darkness. He leads the battle against the saints on

Earth via diverse manipulations; he leads the battle against the 'chosen ones', the faithful believers, who already have victory in the world of man via "**the blood of the lamb**" - (Rev. 12: 11).

The final battle of the Forces of Light and the forces of darkness is about to come forth on the physical realm of Earth. Already the battle stage is set on the Astral realms of Earth.

This is the era of the fullness of things; the hour of fulfilment in which we live. The most vicious forces of darkness in the Astral realms are seriously advancing against the world of man, to subjugate it and use same as a launching ground against the network of the Forces of Light, both in our Solar and Galactic Systems. (*See **Deeper Realities of Existence Vol. 1,** by Prof Iyke Nathan Uzorma*). On the other hand, the **King of Kings and Lord of Lords**, leading the Armies of Heaven, is fully prepared to vanquish the forces of darkness and liberate the entire world of man, but the earthman must first cooperate with Him.

To this end, so many things are going on now in the realms beyond. Whosoever fails to take a strong stand now on the path of Light, should be prepared

to be subjugated by the forces of darkness. The main problem is the fact that the forces of darkness are feeding fat now on the mental consciousness of several people. This, by 'Universal Law,' gives them the 'psychic right' to operate 'freely' among men. By high manipulation, they bring forth the elements that cause man to lead man into captivity. They cause man to bring forth blood that goes for blood. I speak from experience ~ I speak because I was with them.

"If any man have an ear, let him hear. He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints." - Rev. 13: 9, 10

Before my strange spiritual experience, in which I directly encountered Christ at the peak of the kingdoms of darkness, I was the founder of a secret society - The COMANS Order - as well as '**The Living Grand Master,**' amongst others, in the universal network of the vicious occult and forces of darkness.

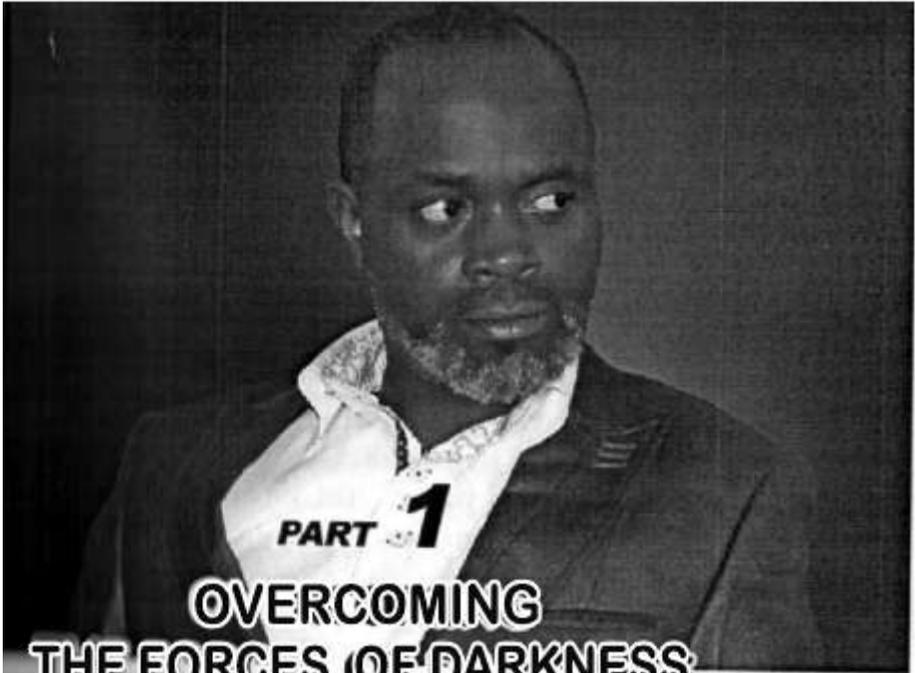

The Lord later told me that he permitted me to go

into the highest realms of darkness and come out to bear witness of His Power, for the victory of the children of men in our time. He pointed out to me that, from the beginning of my life, even before I came into the world, the mission of my soul destiny arose from His Supreme Light. Then I learnt that, in His terms, I was programmed by Him to '**spy**' the kingdoms of darkness; to come out and finally expose same, both as a guide and warning to the people of the Planet Earth.

Following my direct encounter with the Lord, I became established by Him on the path of Light. Consequently, I published the summary of my life and works in the realms of darkness, including my encounter with the Lord, in the book entitled '**Occult Grandmaster Now In Christ, Vol. 1**'. This book, which now has three volumes, and all the books I have written so far, have led many souls to the path of Our Lord Jesus Christ in different parts of our world.

After the aforementioned book of my encounter with the Lord of lords, the second book I wrote was '**Exposing The Rulers of Darkness Vol. 1, (in recognition of the highest power)**'. This is the book now in your hand; it is finally revised and

OVERCOMING THE FORCES OF DARKNESS

CHAPTER *1*

***WEAKENING DEVICES OF
DARKNESS***

"Watch and pray, that ye enter
not into temptation: the spirit
indeed is willing, but the flesh is
weak" -*Math. 26:41*

Foundation of Divine Strength

With regards to the Almighty Power inherent in the Word of God and in all things related to the worship of the Godhead, it is absolutely imperative for every believer to spend enough time in the Holy Presence of Jehovah God and His Christ every morning.

If you are a true follower of Our Lord Jesus Christ, you must spend enough time in the Presence of the Lord your God each morning,

to receive the Word of God and pray same into your innermost spiritual being. Therein lies the subtle Divine Power that will sustain your life in God's Light throughout the day. Don't forget this! Strive to always begin your day in the Light of God, so that you will have daily victory in the battles of life.

Elements of Darkness

Nevertheless, there are highly concentrated vicious occult powers projected daily from the kingdoms of darkness against the true followers of Jesus Christ in the world of man. These evil elements of darkness are formed in all the 1,270 regions of demonic powers on Earth, and they are launched against those in the Light of God from all the 30,000,000 wicked occult centres of the subtle realm of Earth.

When launched into the invisible layers of the astral system by every 12.00 midnight, such elements of darkness, which carry 'sleep-

waves', are specifically designed and commanded to fight against believers and weaken them between 3.00 a.m. to 6.00 a.m., via intense sleep gratification and manipulations. This is solely perpetrated to neutralize believers, so that majority of the proclaimed 'people of God' will neither pray nor search the word during this blessed period.

Early Morning Glory

Now, in all the kingdoms of darkness, the higher psychic entities recognize every 3am to 6am to be highly auspicious in the world of man. This recognition is based on the spiritual understanding that during this blessed period, the Universal Creative Energy of God accelerates to increase and quicken the vibration, potency, life-energy and blessing of each and everyone who is engaged (during this period) in any of the following bona-fide spiritual acts:

- i Sincere and righteous prayer of Divine Love to the Almighty God through our Lord, Master and Saviour Jesus Christ,
- ii Profound meditation in search of the deeper meaning of the Word of God (the Holy Scriptures and other inspired works),
- iii Singing the songs of praise to Jesus Christ, to the Holy Spirit, and to the Heavenly Father, and
- Iv Other related spiritual activities which are directly connected to the glorification of Jehovah God and His Christ.

When you do these, you set in motion the Light of God that discomfits darkness. The reaction of the network of darkness against this, is to set up their weakening devices to reduce and possibly banish the potency of

God's Divine Light in you. Thus, we must remain strong in the light to always defeat darkness in the field of battle.

Now, let it be emphasized that evil forces in high and low places dread any faithful and empowered child of God on Earth, who prays, sings praises unto the Lord and studies the Holy Scriptures always, especially between 3am to 6am daily.

Child Of God Awake

Therefore awake, child of God. Do not submit to the "manipulations and devices of the Prince of Darkness. They are made only to weaken your body and mind and cause you to gratify yourself in the illusion of sleep every morning. Make sure that you sleep only when the Spirit of God wants you to do so.

Woe to the earthman who will succumb to the temptation and manipulation of sleeping when the powers of darkness want him to

sleep. Surely such a man can never escape the fiery darts of the wicked (the most vicious Astral entities.)

Please be warned that when the sleep waves of the realms of darkness strike you, if you are not absolutely watchful as required by Christ, the subtle operations of such powers will gradually neutralize your prayer-life. Consequently, your physical, emotional, mental and spiritual faculties could, to this end, become a. play ground for the experiments of the forces of darkness.

Again, if you are a true follower of our Lord Jesus Christ, do not ever think or say that the psychic elements of spirits operating in the realm of darkness are not aware of you. Do not hold that as such they will never attempt to fight you, or manipulate you, with the afore-mentioned sleep-wave.

Be informed that when sleep-waves are

launched against believers by evil spmts from all the 30,000,000 occult centres on Earth, their sole purpose is to weaken the people of God. What attracts it towards any living child of God is **the Signet of the Son of Man**. This glorious Signet is the invisible sign showing that one is a true child of God in Light. It is a dazzling Light radiating on the forehead of each and every true member of the kingdom of Christ. This is a sign which all vicious spirits and some of their human agents are aware of, via high occult recognition.

Therefore, servant of God, know this that the glorious Light on your forehead is the major invisible sign that usually attracts the forces of darkness to come and fight against you. Know also that the moment this glorious Light is quenched, you are gone! Therefore strive always to keep your Light.

"Let your light so

**shine before men, that
they may see your good works
and glorify your Father
which is in heaven"**

-(Math. 5: 16)

Rise Above Spiritual Weakness

The weakening devices of the powers of darkness cannot fail to attack anyone who is truly on the path of Light, the path of the foundation laid by the Blood of Christ. But you certainly have the highest Power in Christ to overcome. We are set apart to overcome by the Power of the Living God Jehovah in the name of Christ, not only these weakening devices, but all the devices, crafts and manipulations of the pit of hell; the most vicious Astral forces and their cosmic network.

A devoted believer, who prays and hears from the Lord every morning, will invariably live in the essence of the Blessed Power of the

Almighty Creator. To hear from the Lord via the Holy Scriptures, is a bonafide process to possess Power that will constantly banish the powers of darkness from your life.

More Divine Power flows in this regard when -tyou hear the Lord speaJ9through the core of your inner self - your spirit. Beyond these, when the Lord manifests and speaks to you directly, your consciousness will rise to a high point of Divine embellishment.

This is the more reason the weakening devices of darkness are launched against believers. The moment you are weak spiritually, you may not hear from the Lord and thus bereft of the Power to fight against the elements of darkness.

Nevertheless, what I have said so far does not and cannot imply that a faithful follower of Christ should not pray in the day and in the night. A believer must pray always, "pray

without ceasing." Now, please be informed that there is no period in the world of man wherein the forces of darkness are not engaged in battle against humanity - the children of men

However, the important point in this connection is that the weakening devices of the enemy operate on a more prominent level from 3am to 6am daily. This is strictly due to the recognition of the auspicious nature of such a period. For this indeed is a great spiritual period of blessings to those who are truly in contact with the Holy Spirit, through the potency of the worship of Jehovah God and His Christ.

Even then, the vicious psychic manipulations of great spirits of darkness still operate in high and low places both in the day and in the night. For instance, by every 12.00 mid-day, the higher wicked Astral forces operate against the earthmen from some esoteric

focal point in the space, via the radiation of a subtle psychic energy from the Sun Planet, but hijacked, perverted and manipulated by them. By so doing, these Astral forces contribute to perpetrate the occult manipulations. which subject the children of men under the path of Maya - Zero Point. (*See 'Occult GrandMaster Now in Christ, vol. 1'*).

The Congregation Of Saints

Furthermore, there is another major area of manipulation via which you may attend Christian service for many years without a single blessing from the Lord your God. I am speaking strictly to believers. It is important to note, as I was directly informed by Christ, (during one of His Divine visitations to me) that there are three major periods of ,great blessings in every true Christian Divine service. I am speaking with regards to the moment-point- when the people of God are gathered in the Holy Presence of God, in a congregation of the saints on Earth.

In every living congregation of the saints on Earth, an Angel of Light from God is there to bless believers in Christ during each and every service. There are three periods in which these blessing are poured out. For instance, if your Christian service starts by 6.30pm, an Angel of God will be present to bless as many as are there before or by that time. Thus, if you come late before the Lord, you have missed the first blessing.

The second blessing of the Lord is poured by the Angel of God in the midst of believers during the time of offering. Ifby then you are outside the congregation discussing business, politics, family or social affairs, to the end that you fail to give for the work of God, the elements of darkness have manipulated and hindered' you from receiving this second blessing.

The third and final blessing comes at the time of benediction, that is at the end ofthe

service. Therefore if you leave the Lord's 'Hall of Worship' before the end of service, you are bereft of the last blessing. To this end, powers of darkness can manipulate a person who is not watchful and thus hinder him from receiving blessings in a Christian gathering for several years.

Be Watchful

Therefore, the Lord's beloved one, who worships Jehovah God Almighty in the name of Jesus Christ, be watchful always that you may transcend the manipulation of the forces of darkness. **"Watch and pray, that ye enter not into temptation"**. In the morning WATCH! In the day WATCH!! And in the night WATCH!!! The Lord had warned: **"And what I say unto you I say unto all, Watch"** (*Mark 13:37*).

CHAPTER 2

MY INITIAL BATTLES

"No weapon that is formed against thee shall prosper, and every tongue that shall rise against thee in judgement thou shalt condemn. This is the heritage of the servants of the LORD, and the righteousness is of me, saith the Lord." - Isa.54: 17

Eternal Decree

In the Holy Scriptures the Lord made a special and specific promise of protection to all His faithful servants on Earth. These are they who are called by His Name, even by the name of Jehovah God and His Christ. To His faithful servants the Almighty God decreed: **"No weapon that is formed against thee shall prosper"**.

We should note, however, that the Almighty God did not promise that 'weapon' of principalities and powers of darkness shall not be formed against a believer. Rather, He promised that when such evil manipulations of darkness are projected against His servant, they cannot '**prosper**', they must fail and come to nought! That is the eternal promise of the Lord our God.

In other words, the powers of darkness and their human agents could, by their volition, gather together and make an evil plan against a believer. But by the eternal decree of the Almighty God, and in the name of our Lord Jesus Christ, the manipulations of such evil plan must flee when it is about to be executed. Hence, it cannot stand. I say daily to my Lord: **'Darkness flee Before Thee, Shadows Depart and Fade Away.'**

Now, as a believer, I have become absorbed in the recognition that, whereas principalities

and powers of darkness may freely gather to plan against me, I will always have victory for as long as I remain faithful, true and worthy to Jehovah God Almighty and to my Lord and Master Jesus Christ.

"Behold, they shall surely gather together, but not by me: whosoever shall gather together against thee shall fall for thy sake." - Isa.54: 15.

The Cause Of Battles

Consequent to my total deliverance from the swamp of the powers of darkness, and from the morass of esoteric gloom of occult operation, in which I was a proclaimed "Living Grand Master", it became evident to me that I have become a major target of psychic attack by the highest vicious entities of the entire occult kingdoms.

This is obvious, owing to the fact that my open confessions, as well as my breaking of

the oaths of esoteric secrecy, occult vows and covenants of the Order of Terrestrial and Astral Hierarchy, . and much more, were 'major psychic offences' that must definitely attract the wrath of wicked spirits on the offender. This is in accordance with the laws of the mephistophelian realms. I knew above all that my burning, in the presence of believers, the 'Ancient Seal of Lord Yima', amongst others, must attract spiritual attacks against me.

To this end, I knew very well that by virtue of my act of submission to the Only Begotten Son of God, Jesus Christ, many great entities of darkness who were my "spirit-friends" in the past, such as Sat Gopinatha, Naga, Yima, Mutumfurumi, Nataraja, Narad, Tau, Arapian, Elam, Kaileya, Aradia, etc, will project forces to attack me. I knew that even Chitanam, the proclaimed supreme master of the seven occult kingdoms, who is Satan in disguise, will come to me for a battle. Of

course I also knew that some principal human agents of the powers of darkness, who were my former colleagues, will still try their manipulations against me.

Nevertheless, I am ever confident of the fact that in the Name and Blood of our Lord Jesus Christ, these entities and their human agents will always fail in all their manipulations against me. I am totally convinced that Jesus Christ is the Lord and Saviour of the Universe, and that whoever is in Him is 'free and free indeed'. The Lord Be Praised.

Assurance Of Victory

There is no doubt, from my personal experience and evidence of the Holy Scriptures, that the evil powers of the enemy - principalities and powers of darkness, are in existence in this Universe, in certain realms of our Solar System. There is no doubt that there is a spiritual war and that our physical realm of Earth is the 'war-zone' in the Solar

System. (See *'Deeper Realities of Existence Vol 1'*, by *Iyke Nathan Uzorma*). The Lord Himself recognised the existence of the powers, whilst He even called them **"Serpents and Scorpions"**.

"Behold I give unto you power to tread on serpents and scorpions and over all the power of the enemy: and nothing shall by any means hurt you"
--Luke 10:19

Evidently, it was clear to me, while I was operating with the powers of darkness, that the true believers in Jesus Christ are absolutely beyond destruction. As a believer now, I know that I have the same irresistible Power of Christ, and that with this Power I will as well "tread on" every power of the entire occult kingdoms that may come fight me. I know that I now have the Absolute Power in the Son of God (*the King of kings and the Lord of lords*) to fight and subdue

each and every VICIOUS power in this Universe, including the entity called Satan - Prince of Darkness.

The Lord had categorically stated that the Supreme Power given to each and every believer in His Name, to **"tread on serpents and scorpions"**, will also be used by them to subdue **"all the power of the enemy"**. Thus, it is certain that the believer is destined to always overcome not some, or few, or many, but **"all the power"** of darkness in high and low places. And our Lord also stated that in each and every battle against the powers of darkness, **"nothing shall by any means hurt"** His faithful servant in the world of man.

On my own part, the way in which the Mighty Power of Christ manifested in the highest plane of darkness (Kalami) and delivered me at Enugu, is enough to sustain my confidence that no evil power in this Universe can harm

me, for as long as I abide in Christ, (*see the book, 'Occult Grand Master Now in Christ Vol 1', by Iyke Nathan Uzorma*).

Indeed, I knew that from the moment I became a believer, by my strange direct encounter with the Lord, my spiritual power and strength will come only in the Name and in the Blood of our Lord Jesus Christ, subject of course to the intensity and degree of my objective and subjective attachment, surrender and faith in Christ the Saviour. Another point that was clear to me is the fact that the powers of darkness would use my subjective state as the main battle field of manipulations against me.

Nevertheless, with the assurance of total victory of the Lord on my part, through the Omnipotent Name of Jesus Christ, in all aspects of spiritual battle, the great war between me and my former so called "spirit-friends" (demons) began immediately after

my encounter with Christ and submission to Him.

The First Attack

The first attack of the powers of the darkness against me occurred in less than five hours after my total submission to the Son of God. It was on the night of Sunday 6th September, 1992, that I encountered Jesus Christ during a fierce occult operation in Enugu, Nigeria. And it was on Tuesday 8th September, 1992, that I proclaimed my stand for Christ, broke the oaths of occult secrecy and made open confessions in the congregation of saints.

Few hours after breaking the secret oaths and covenants with the powers of darkness, I dozed off, and immediately three spirits of darkness came to attack me. I observed that these entities were from the Gobi desert, the head-quarters of the Witches of Abra Melin. It may be recalled that in the past I was both a "Master" and "Commander" in the realm of

the Abra Melin Witches. My "First Cosmic Initiation" at the age of seven, (before then I had series of initiations beginning from four days after my birth) which covered a total of 10,000 degrees of "Esoteric Forces", was conducted in the Gobi desert by the Witches of Abra Melin.

Consequently, the Witches of Abra Melin were the first to project vicious powers against me, as soon as I broke my secret covenants with them. It happened that as soon as I dozed off, I saw three entities coming against me with speed. I saw when the three wicked spirits simultaneously changed and became one black cat.

The cat then came towards my eyes to remove them. This was designed to make me blind immediately, but I overcame them by the strength of the Almighty God. For it came to pass that when the evil cat finally approached me, I shouted "JESUS SAVE

ME!" Then the cat fell down dead, while the three demons appeared from it and escaped. I opened my eyes and started to pray after which I read the Holy Bible.

The Flood Of Darkness

Two days later, 10th September, 1992, I was in a trance state whilst the greatest power of the entire occult kingdoms, Satan, whom I knew in the past as Chitanam, came against me like a flood. The Holy Scriptures had promised that **"When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him"** - (*Isa.59: 19*)

In this experience, I witnessed how the Holy Spirit of the Almighty God lifted "up a standard" against the Prince of Darkness, only in the Name of our Lord and Saviour Jesus Christ. It happened in this trance that I saw myself in the space between the Earth and the sky.

When I found myself in this situation, I also heard the proclamation of strong decree made against me by the forces of darkness. I heard the strange voice of a vicious Astral spirit that proclaimed, saying: **"Iyke Nathan Uzorma, who was our Master Sri Guru Narad, is now a wanted man. Let every occult power arrest him."**

Immediately, the Earth and the sky, as well as the space between them, began to shake; and vibrate. A great entity (spirit), with the highest occult power, came against me. This entity is the very Satan whom I knew as Chitanam - the Master of occult mysteries and "Lord" of the seven occult kingdoms.

Many spirits of darkness gave way to Chitanam (Satan). I saw him and wanted to flee but could not; for he was coming from every side that I turned to, including from both the Earth and the sky. From one side he came as fire, from another side he came as

flood, and yet he still came as a mountain bigger than the biggest mountain on Earth. This was less than a week after my conversion.

Indeed, I thought that he was going to destroy me. I said to myself: "**I have come to the end of life**". Nevertheless, a thought came to me through the Spirit of God and caused me to remember that I should call upon Jesus Christ, because at first I forgot the Name of my Lord. This was a manipulation operated against me by the spirits of forgetfulness, in order for Satan to prevail over me. But the gate of hell cannot prevail against a servant of God, in the name of our Lord Jesus Christ. Amen.

Finally, Satan, in the form of a great mountain, came to fall upon me, that is to kill me. And by this I would not have woken up, rather I would have died in a trance state. But as soon as he came to fall upon me, the Spirit

of the Lord strengthened me, then I shouted JESUS CHRIST! Consequently, this mighty mountain (Satan) fell before me and became a little boy of about three years old, as soon as I called upon the Omnipotent Name of the Son of God, Jesus Christ.

Then Satan spoke to me. He said: **"I am Chitanam whom you knew, and I am Satan the Great One. I am the last enemy of the Christians. I am out against you, and I vow to fight you till you are consumed, if you refuse to come back to me."** I rebuke, him again in the Name of Christ and woke up

This was another victory for me within 72 hours after my salvation, as the name of Jesus Christ my Lord foiled the evil plans of Satan and his demons against me. And I believe that the Lord will always overcome for me and for His chosen ones, according to his infallible promise:

**"Therefore all they that
devour thee shall be devoured, and all
thine adversaries, everyone of them,
shall go into captivity, and they that spoil
thee shall be a spoil, and all that prey
upon thee will I give for a prey"
-Jer. 30:16**

Appeal For Reconciliation

On Saturday, 12th September, 1992, which was four days after my salvation, at about 1:45 p.m., I opened my eyes (*physically*) and saw three wicked spirits before me. They include Sat Gopinatha, (*my former Spiritual Guide*) Elam, (*a high Astral king*) and Tau, (*the Guardian entity of the witches of Abra Melin*).

These ones greatly appealed to me to "come back and reconcile" with them; that I should return to the esoteric realms of spirits, to the throne of the Living Grand Master of occult

mysteries. They stated that it would be very disastrous for me and them, if I should neglect their appeal and proceed in opposition and continue open confessions of major esoteric and occult secrets to the earthmen and the followers of Jesus Christ. Then they promised that "forgiveness" shall be decreed upon me if I could return without delay.

These spirits, who claimed to have come to me on behalf of the seven occult kingdoms, spoke again and concluded that the sign of my official reconciliation with them should be that within fourteen days from that day, I should come to a certain place and meet with them. They also promised that during this meeting, forces of the highest occult consciousness shall be projected to restore my former powers, which was banished from me during my direct encounter with Jesus Christ.

After this, I shall be led to the presence of Chitanam for the consummation of our reconciliation. It was Elam, the chief entity, who spoke to me of all these, while Sat Gopinatha and Tau concurred. Nevertheless, I rebuked them, and when I shouted "I STAND ONLY FOR THE TRUE POWER OF JESUS CHRIST!" they vanished and waited in vain for me whilst the batteconti-
nued.

Important Clarification

Now, some people have asked why demons could still appear to me, whereas I am now a believer on the path of Light. Of course, as a believer, the Spirit of God could still open your eyes to see beyond the physical world. In my own situation, I believe that God wanted me to practically witness the potency of the Name of His Son, Jesus Christ, in order to perfect my faith in Him.

For the fact that vicious spirits appeared to a

believer does not mean that such a believer is in connection with them. Though certain appearances of demons have to do with specific connections, but the appearance of demons to a true believer has to do with direct or indirect attack. Even the so-called appeal for reconciliation was an indirect attack in itself against me, made to ultimately destroy me if I submit to the appeal. **"For the thief (Satan) cometh not, but for to steal, and to kill, and to destroy ... " - (John 10: 10).**

Therefore, spirits of the dark realms could come to a believer, who mayor may not see them physically or spiritually like in my own case. However, what is important is that they must see nothing of theirs in you whenever they come to you, so that you will overcome on the path of Light.

In *Matthew chapter 4 verses 1 to 11* we read of how Satan appeared to tempt our Lord Jesus Christ and how the Lord overcame.

And in John *chapter 14 verse 30*, Jesus Christ declared: " .. **.for the prince of this world cometh, and hath nothing in me**". This is what is important. The entities of darkness may come to you but let them have absolutely nothing in you, in the name of your Lord!

Also, in *Zachariah chapter 3*, we read of how Satan appeared and stood at the right hand of the High Priest, Joshua, to resist him. Satan still appeared there, even though there was an Angel of God before Joshua. Nevertheless, Satan was finally banished by Jehovah God Almighty.

I Was Flummoxed

Few days after the end of the fourteen days in which the evil ones required that I should come back and reconcile with them, I was alone in the house reading the Holy Bible. Suddenly the devils came again and began to speak and I heard them. They spoke and accused me of being an evil man, because,

that through my past life, many souls had perished whereas I received Christ so as to escape the same predicament.

I rebuked these forces in the Name of our Lord Jesus Christ and they ceased. However, I could not immediately overcome the negative vibrations of the accusations of these devils against me. I was supposed to pray at this point, but I was unable to do so. Rather I found myself considering the points raised by the devils in this accusation. Then the memory of my wickedness against people in the past fully revived in me. Consequently, an evil thought from the enemy came to me, and this thought was greatly forcing me to submit to what the devils had stated. It was a high thought manipulation of darkness.

Indeed I wrongly followed the force of this thought of darkness to reason that it would truly be unjust for me to make any preparation for Heaven. whereas through my

former acts of wickedness many souls are now weeping and gnashing their teeth in the hellish regions.

From that moment I was confused, whilst my mind became weak. After few hours I received strength from the Lord. I observed that the Spirit of God was strongly persuading me to go ahead with Jesus Christ and that all is well with me. At the same time the thoughts from the devils intensified and was also persuading me to return to the kingdom of darkness. Then I was flummoxed!

The Decree Of Death

That same day in which my mind was weak and flummoxed via the accusation of the powers of darkness against me, I was truly unable to pray as required. And as soon as I slept in the night, about 500 evil spirits gathered to take me away. These spirits were led by a great occult entity whom I knew as

Mutumfurumi.

I fought them at first, but they subdued me because I did" not remember to call on the name of the Lord. Rather I fought only with my strength and my strength failed me. A believer must never fight on his . Personal spiritual strength which can always fail, but he should depend solely on the Lord, the source of everlasting strength that never fails.

However, having subdued me, they carried me away into the midst of unclean spirits around the pyramid of Egypt. There, Mutumfummi passed a death decree on me. He ordered some powers of darkness to force me to have sexual intercourse with a certain unclean spirit in that realm, so that the decree of death upon me will be fulfilled within 72 hours on the physical realm of Earth.

Then a demon came as a girl and was nude. I was commanded to have sex with her, but I strongly resisted. At this point I fully

remembered the Name and the Power of my Lord Jesus Christ, which I forgot right from the beginning of this battle. As soon as I remembered my Lord, I shouted "JESUS SAVE ME!" Immediately, the Spirit of God lifted me up from the midst of the unclean spirits and I found myself walking on a straight road, but the forces of darkness still pursued me from behind.

Then Came Satan

At a point I could not see any of the demons following me. But I saw many traps set against me on that road. Nevertheless, I escaped all the traps, but at the end of them all, while I was still walking on the road, I saw more than 50,000 evil spirits gathered against me again. Then I stopped.

A strange and mighty spirit came to me from the midst of these spirits. This spirit introduced himself to me again as "Satan the Great One." The form with which he

appeared was like the body of a man with the head of an elephant whose two ears were like the head of a little baby. I have never seen him in this form before. The chief entity known to appear in the form of a man with four hands and with the head of an elephant is Gamesh, one of the 33,000,000 extraterrestrial demi-gods known in the Vedic Metaphysics.

When Satan came to me, he proclaimed that the end has come for me. He declared that he has come to transform me into a vulture and carry me away. He also said that I will live with him forever, never to return to the Earth again. As Satan was still speaking, greater strength came to me again from the Spirit of God and I shouted "THE BLOOD OF JESUS CHRIST!" Immediately, Satan and his demons fled, whilst I woke up.

Consequently, I began to pray that the Father should please forgive me, in the name of our Lord Jesus Christ, for giving some

consideration to the accusation of demons against me. I knew that it was by virtue of this act that the powers of darkness almost destroyed me. I also thanked the Lord for the victory He gave me over Satan and his demons. From that moment I submitted myself to seek the face of the Father through fasting and prayer for several days.

It dawned on me from that moment, on the highest state of conviction, that my former proclaimed "spirit-friends" (the powers of darkness) were totally out in all aspects to destroy me. From that moment also I knew that I must not leave one stone untumed in my total submission to our Lord Jesus Christ, the Only Living Power.

Invisible Servants

On Friday 2nd October, 1992 around 2am, I had a trance. In this trance experience, I saw myself with a big key. Then I also saw a very mighty prison house. Inside this prison were millions of demons who were my "invisible

servants" when I was the "Living Grand Master" of the Order of Terrestrial and Astral Hierarchy. They were the spirits I used then to execute occult decrees in every realm of esoteric manipulations.

I observed that all these spirits were locked up inside the strong prison house, whilst I noticed also that the key with me was the key that could open the prison gate, without which these demons can't go out. When they saw me through the gate, they gathered and began to rejoice. They began to sing that their 'master has come back' to set them free and lead them. Furthermore, they began to pray to me, requesting that I should open the door so that they could go out to look for food, that is to drink human blood. They told me most sincerely that since I left, they have been very hungry, because a "**Holy One**" (*an Angel of God*) came and locked them up in prison.

I spoke to these demons and informed them

that I am now for Jesus Christ, living only by His Grace and Power, and that I am for Christ all the days of my life. Finally, I left these unclean spirits without opening the gate of the prison for them as they requested. Thus, they remained hungry in their predicaments. And may they remained hungry forever, in the Name of Christ. Amen!

The Seal Of Yima

On Monday 5th of October, 1992, around 11.37 pm, some vicious Astral entities came to fight me while reading the Holy Bible. This was not a dream. They came but could not enter the house in which I was. Thus, they began to invite me. They requested that I should please come outside and meet them so that we could discuss something very important, but I knew that they truly came to fight me.

These entities were led by Aradia, who was once my "Second Personality" in the occult

realms. He stated that he could no longer approach me due to a great flame of fire that filled the room in which I was. This is the Holy Fire of protection of the Almighty God.

I rebuked these forces of darkness in the Name of the Lord and Saviour of the Universe, Jesus Christ, and they fled. Nevertheless, that same night the demons in question came in my dream experience, but this time they were very angry. When I saw them, they gathered around me saying that they have come to collect the "Seal of Lord Yima" from me. They told me that they were directly sent by Queen Vaishel, the entity ruling the occult kingdom of the Earth Planet, who lives in an occult city NU in Persia now Iran.

At this time I was still at Enugu while the so called "Seal of Lord Yima" was in the occult sanctum of the COMANS Order (*a secret society which I founded in Benin City*). I tried

to explain to these demons that the seal was in Benin City, but they were not prepared to take it easy with me. Then I also became very angry with them to the extent that I did not remember to call upon the Lord my God. It must be understood that was a mere baby in the Lord at that point in time.

I based my anger on the consideration that these demons were minor entities that could not have come to me as such when I was the "Living Grand Master" of evil spirits. But this was wrong on my part, for in such a situation I was not supposed to discuss with them; I could have rebuked them. Hence I did not remember to call upon the Lord and while I was still angry, these demons gathered at last to chain me.

It was at this point that I remembered to call the Son of God to help me. And as soon as I shouted "JESUS", the Spirit of God threw me

Then I found myself in the midst of the congregation of saints at Enugu, from where I woke up. From that moment I began to fast and pray. I also prayed for the spiritual ability to always remember Jesus Christ at all times.

CHAPTER 3
VICTORY IN THE FIELD
OF BATTLE

**"And they overcame him by
the Blood of the Lamb, and by
the word of their testimony;
and they loved not their lives
unto the death", -Rev. 12: 11.**

Burning Of Occult Paraphernalia

All that I have stated above took place at Enugu, Nigeria, for a period of some weeks from the first day I directly encountered Christ, who delivered me from the powers of darkness. There were many other battles which the Lord fought for me at Enugu that are not contained here. For, indeed, it was a daily battle that I experienced immediately after my deliverance and breaking of the oaths of high occult secrecy.

Now, I thank our Holy and Righteous Father who gave me victory in all such battles through our Lord Jesus Christ Amen. While in Enugu also, Jesus Christ appeared to me and commanded that I should go and bear witness of His Power to the faithful and faithless. This was between the night of 9th October to the morning of 10th October, 1992. This visitation of our Lord was purely physical and He told me many things that strengthened my faith. He also told me that my ministry will begin after one year (12 *months*) of fasting (*6am to 6pm*) and prayer. And it was so.

However, I returned to Benin City on Thursday 5th November, 1992. On Sunday 8th of November, 1992, around 9 pm, all my former occult paraphernalia at Benin City were committed to the flames. Of course some were also destroyed at Enugu. All my former occult paraphernalias (*Seals, Libbers, Eso-Ciphers, High Psychic Elements, Astral*

Gem-Stones, amongst many others) were valued at 237million naira (*almost 2million dollars*) in 1992 when they were destroyed. Why I consider it important to re-call the experience of burning the occult materials was due to the little fear that was in me at first. which was banished thereafter.

My fear was because of the secret vows which I took and sealed with blood on such paraphernalias. I vowed, for instance, that such materials must never be burnt with fire and that I cannot destroy them in any form or by any means, for as long as I live on Earth. I even signed and sealed with blood that whenever and wherever such materials are burnt with fire, (*especially the Seal of Lord Yima*) the entity (*demon*) governing them will manifest physically and seen as a lion through the first smoke of fire. That this entity will vanish to possess me in turn, so that I will from that moment become mad on Earth.

To this end, I entertained some secret fear when the materials were about to be burnt. This thought came to me from the enemy, and I began to think that any time from now I would be mad. All the ministers present (*at the Deeper Life Bible Church HQ., Benin City, including the Regional. Overseer for Edo and Delta States, Pastor Eso*) joined their hands together to form a circle and I stood in the midst of them. They prayed mightily and I felt the vibration and potency of their prayer. The Spirit of God descended upon me on a high degree, whilst the spirits of fear were banished from me. At this point I could not believe that I was the very person who was initially afraid. At last the whole occult paraphernalia from my former sanctum were destroyed in Jesus Christ Name, Amen. And that everything has been well with me since after this, goes to vindicate Jesus Christ as the Consummation of the Highest Power. Jesus Christ is the Lord of all. Thank You Father!

Another Accusation

On Saturday the 28th of November, 1992, around 2pm I was in the house alone reading the Holy Bible, when suddenly the enemies, forces of darkness, came and began to speak.

I did not see any of them but I heard their voices. They spoke and strongly accused me once again of being an evil and wicked man, because that through me many souls have perished, whereas I am now embedded in God's Kingdom of Light.

These demons continued. They stated that they are now fully aware of the plan of God for my life. That this include the fact that God will use me to glorify His Name on Earth and finally cause me to perish. I strongly rebuked these demons in the Name of Jesus Christ and they ceased. I called them liars and manipulators and I used some verses of the Bible to proclaim the positivity of the Will of God for my life. including the fact that I am

now a new creature and that the old things of my former life are passed away. The Bible verses I used to banish these evil forces include the following.

"The Lord is not slack concerning His promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance" -2 Pet. 3:9

"Therefore if any man be in Christ he is a new creature; old things are passed away, behold all things are become new"- 2Cor. 5:17.

"For I know the thoughts that I think to wards you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end" - Jer: 29 :11.

Materialization Of Demons

On Saturday December 5th, 1992, around 3pm, high vicious Astral entities materialized and attacked me on the highest rate of occult projection, through the combination of Astral, Terrestrial and Azura mephistophelian spirits. This is difficult to manipulate in the seven occult kingdoms, and can only be used for the most fierce and direct attack.

It happened on that day as I was walking physically along the street, suddenly, where I was became night in the midst of the day. Then five spirits stood before me. These spirits were led by an entity (demon) called "Lord Sant Nami", who operates as a high mephistophelian manifestation in the Solar System, in the Order of Terrestrial and Astral Hierarchy. When I saw them, I became almost dumb and could not speak. Their leader pointed at me and said: **"Do you think that you can escape us?"** I was trying to

force myself to speak - call upon Jesus Christ, but before I could do so he commanded another entity saying: "kill Him!" That demon raised an astral weapon called "Chakravahti" to strike me to death. But the Spirit of God came upon me. I closed my eyes and with a mighty strength I shouted "THE BLOOD OF JESUS CHRIST!"

Immediately I called upon the Blood of our Lord Jesus Christ, Sant N ami and the other four great demons fled, whilst the darkness of night which appeared in the brightness of the Sun, also vanished. Then I went home. However, due to the shock that overwhelmed me during this experience, I was sick for two days, but the Holy Spirit healed me through Jesus Christ our Lord, Amen.

From that day of my battle with these spirits that came solely to kill me, I intensified my prayer to the- Almighty for baptism with Infinite Power of the Holy Ghost through our

Lord Jesus Christ. That I may have Great Power to live and always overcome all the manipulations of the enemy, as well as to do the work which Jesus Christ had assigned to me.

Battle With Nataraja

On Friday the 18th of December, 1992 around 2 am, I fought a serious battle in a trance experience. In this experience I was with a Christian brother in his car and he is a pastor whom I knew physically. As he was driving, some spirits (demons) came and set fire on the car. When we came out of the car, we saw buckets filled with water, and with them we were able to put the fire off. I knew the buckets of water that we saw is an expression of the victorious act of the Spirit of God.

As soon as the fire was put off, I looked at one side of the bush and saw a strong spirit of destruction sitting in the midst of fire and

smoke; and this fire and smoke were part of himself. I saw clearly and noticed that this entity was Nataraja. In the totality of all the occult kingdoms of the Earth, the Air, the Fire and the Water Elements, this being called Nataraj a is the entity incharge of "DESTRUCTION." Nataraja is also the destructive version of "Lord Shiva" in the Vedic Metaphysics, recognised in the ancient Sanskrit Sastra, that is from the Shiva aspect, as one of the deities of the Vedic Trinity - Vishnu, Brahma, Shiva.

The consort of N ataraj a is "Goddess Kali", the oldest female spirit of the Air (ether and space of the Steller System), through whom the art of Kali Witchcraft came into the Earth. When I saw Nataraja, I told the pastor that we must fight this one. As we came together and began to rebuke him, he did not flee rather he stood up and came to us. The pastor with me fled when he saw N at ar aj a coming; he entered his car and drove away. Then

Nataraja came to me and said, "So you fear not to rebuke me, whereas you know that you are a wanted being in all the realms of the kingdom of darkness".

Consequently, two of us began to fight. It was a very serious fight! Though I did not remember to call upon Christ at first, but the Spirit of God still gave me enough strength to withstand Nataraja. At a point I seized the two hands of Nataraja, but he manifested extra two hands with which he struck me, I pushed him away with a great force.

When I pushed Nataraja away, the Spirit of God gave me some verses of the Holy Bible, and at the same time I remembered to call upon my Lord. Thus, the moment I shouted "JESUS CHRIST" I woke up. The Bible verse which the Spirit of God gave me say:

**"Shall the prey be taken from the
mighty, or the lawful captive**

**delivered? But thus saith the Lord,
Even the captives of the mighty shall be
taken away, and the prey of the
terrible shall be delivered "**
- Isa.49:24,25.

I Am Free

It is a fact that by virtue of my submission to our Lord Jesus Christ, as well as my renouncing occultism and the oath of secrecy, I would definitely be considered as a wanted man, according to the laws of the occult kingdoms of the Prince of Darkness. To this end, demons' will further consider me a "lawful captive," in their terms, if they could get hold of me. But certainly they can't.

It is also a fact that I will become a prey of the terrible powers of darkness, if I fail to abide in the Power of the Almighty through Christ Jesus. But for as long as I remain in Christ, I am free, yes! I am safe. For the Lord God Almighty has promised to deliver both the

"lawful captive" and the "prey" of the terrible.

Thank you Father. Thank you Lord!

When I woke up from this trance experience of my battle with Nataraja, I was surprised that as soon as I opened my eyes the same entity, Nataraja was physically in my bedroom. He was holding a dangerous occult weapon of destruction called Chakravahti. Indeed I was almost dumbfounded when I saw Nataraja. But before he could approach me, the Spirit of God gave me strength. I lifted up my right hand and shouted: I CONDEMN YOU BY THE BLOOD OF JESUS CHRIST!" And, behold, Nataraja, was no more. He fled from the Holy Presence of the Perfect Blood. At that point I looked at the time and it was exactly 2.26am.

Divine Whirlwind

From that moment I did not sleep, rather I

began to pray till 6.30am. I prayed to the extent that I later understood that even the neighbourhood was disturbed. Indeed I shouted on top of my voice against the forces of darkness, and specifically against Nataraj a, who is the greatest Astral entity in-charge of destruction. I used many Bible verses in this battle, prominent of which was *verse 23 of Jeremiah chapter 30*, which says:

**"Behold, the whirlwind of the LORD
goeth forth with fury, a continuing
whirlwind: it shall fall with pain upon
the head of the wicked"**

In my prayer to the Lord our God through Christ, in that hour of battle against the god of destruction, I called upon the **"Whirlwind of the Lord"**, the Divine whirlwind of great fury of the Almighty God, to strike with pain upon the head of Nataraj a and other great demons including the entity Satan. The final outcome of my battle against Nataraja was

revealed to me two days later, as you will see in this treatise.

Prayer For Divine Empowerment

Following the intensification of my prayer for the Holy Ghost Baptism of Power, and consequent to my battle with Nataraja, I began to seek the face of the Lord on a greater spiritual level. Now, I wish to recall that the strongest prayer ever offered by me, during the period of my request for high Divine empowerment, as far as my conviction is concerned, was on Saturday the 19th of December, 1992. This was a day after my battle with Nataraja.

It happened that day that as I was fasting and praying, I fell into a trance around 5pm. Then I saw myself praying to the Almighty inside a white cloud of Light. I heard a mighty voice which proclaimed, saying: **"This is Heaven, the realm of God: return again and wait on Earth upon the Lord. For soon you shall**

receive what you seek. I have heard your prayers!" Lightning from above the white cloud pierced the cloud and passed through me with a great force, then I returned to my physical awareness, filled with Heavenly Power.

Revelation From The Lord

Two days after my battle with Nataraja, on Sunday, 20th of December, 1992, around 4pm, I was fasting and praying in the hours after Sunday worship. While I was praying, I was caught away by the Spirit of God to receive a revelation from the Lord through an Angel.

It was in this revelation that I saw how an Angel of the Lord was assigned to take care of me all the days of my life. The Holy Scriptures had promised that the Almighty God shall " ... give His Angels charge over thee, to keep thee in all thy ways. They shall bear thee up in their hands, lest thou

dash thy foot against a stone"

- (*Ps.91: 11,12*).

The moment the Spirit of God caught me away while I was praying, I saw myself walking on a road. I was to meet the congregation of saints, who were gathered in a certain place singing praises to the Father, the Son, and the Holy Ghost. I was so much captivated by the melodies of their hymns that as I was walking towards them, I did not look back neither did I look to my left side or my right side.

Thus, as I was walking without looking at any side, I did not know nor observe that the god of destruction (Nataraja) was on a mighty tree on my right side, waiting to attack me as soon as I come to that point. But then I saw a very huge Angel of the Lord in front of me who told me to stop walking. I stopped and he came to me. The Angel pointed at Nataraja who was on the tree and asked me: "Did you

see Nataraja?" I said "no." I did not see him before, but when the Angel of the Lord pointed at him, I saw him immediately. Nataraja was in his most dangerous form of destruction, which is the form of a black dragon with four heads and eight horns and with three eyes on each head. In each head also he had a mouth, and from each mouth came forth smoke and fire.

Transmogrified Astral Spirit

When I saw Nataraja, the Angel spoke to me and said: "Brother Uzorma, this is the enemy whom the authorities of the kingdoms of darkness have assigned to kill you by all means, and whose assignment was decreed to fulfill before the third month of the coming year (March 1993). With your power and strength you cannot overcome him. Therefore I am sent by your Lord and my Lord to come and banish this unclean spirit forever from you".

As soon as Nataraja saw that the Angel of the Lord was talking to me, he changed his form and became part of the tree, so that one may think he was no longer there, yet he was there. He could not fool the Angel of God who came with a mighty Strength and Power. The Angel directed me not to move from where I was whilst he ascended to the sky far above the tree in which Nataraja was. From that point the Angel brought out a strange weapon and shot Nataraja off.

The 'bullets' that came out from the weapon of the Angel was like whirlwind, and when this whirlwind struck with pain upon the head of Nataraja, he was immediately transmogrified into water. As this water (Nataraja) was rushing down from the tree, it changed into fire, and the fire again turned into thick blood when it finally came down. And from this thick blood came forth different little strange serpents, reptiles, beasts, birds and all of them fled. Thus,

Nataraja was banished.

Empowered To Expose Darkness

The Angel came back to me again. I said to him: "Thank you sir. But, please sir, can I know your name?" He answered: "My name shall be of no benefit to you, but I shall be with you in your journey of life on Earth; and for this purpose you shall see me from time to time: it is enough for you to know me as a Messenger of our Lord Jesus Christ, by whose command I come to you".

At this point the Angel began to teach me how to use the strange weapon with which he banished Nataraja. I observed that the weapon has 126 holes from which bullets could proceed-to strike the enemy. I listened to the Angel till the end of his teaching. After this, the Angel led me into the midst of the saints who were singing praises to the Almighty God, and the saints welcomed me.

One of the many Angels who were guiding the congregation of saints came and met me. This Angel and the one that was with me at first led me into a private room. Then the Angel which banished Nataraja said to me:

"Abide here always in the Name of Jesus Christ. For as long as you remain here by the Power of your Lord, no evil in the Universe shall befall you, all the days of your life."

While the Angel was speaking to me, I observed that the room in which we were had changed into a very big house. Inside this house I saw many things and the Angel told me that those things are the blessings of the Lord for me.

Inside this house also the Angel gave me a big book and directed me to read. I read the book and saw that it contained the ministry which Christ has assigned to me as '**Harbinger of the Last Covenant**'. The Angel again gave

me some books with a pen and said: **"I am commanded by our Lord to direct you to write these books and others which we shall reveal to you. Through these books, you shall bear witness on Earth of the KNOWLEDGE, the LOVE and the POWER of Christ"**.

Finally, the Angel that talked with me spoke to the second Angel and said: "It is assigned to you to remain here with our Brother Uzorma. For as long as he abides in this house and in all which has been assigned to him, in the name of Jesus Christ, ensure his Divine Protection". We all said "Amen". Immediately, I came out of this revelation experience.

CHAPTER 4

MANIFESTATION OF POWER

**“But ye shall receive power,
After that the Holy Ghost is
come upon you ...” - Acts 1: 8**

Experience Of Power

On Monday the 21st of December, 1992, a about 5 pm, I was praying and saw a great Light which flashed upon me. Then I was filled with Power and I began to speak it tongues under the influence of the Holy Ghost Power, but this was in a brief trance.

On Tuesday the 22nd of December, 1992 around 2 am, I had another trance. In this saw many believers in Christ (*true children of the kingdom of God*) whom I knew. They gathered around and began to pray for me. After praying they cut the hair of my head and

brought it to a good shape. One of them laid his right hand upon me and the Holy Ghost Power came upon me. I spoke in strange Divine tongues, and woke up.

The Retreat Ground

There was a Christian convention (*retreat*) which took place in Benin City, Nigeria, between 24th to 28th December, 1992. The leader of the 'Prayer and Deliverance Section' for this retreat invited me to take part in that section which I did. Consequently, I focused my mind on great expectation of the miracle and blessing of Christ in this occasion. Already I had intensified prayer for the Baptism of the Holy Ghost, with a strong desire that this may occur in the retreat ground in which thousands of people attended.

In the Holy Bible we are told that **"there w a day when the sons of God came to the present themselves before the LORD, and**

Satan also came among them" - (Job 1 :6).

This was the same thing that happened in the retreat ground where the Children of God were gathered. I observed that the enemies had come also. However, many agents of the powers of darkness were delivered during this retreat.

Hosts Of Darkness Defeated

Around 4am of Friday 25th December, 1992, I had a spiritual experience in a trance while praying. While in this trance I saw myself with a sword in an open space like a field, and I saw thousands of spirits or demons that gathered to fight me. These spirits were led by the entity called Hitamura, who operates as the controlling deity of the occult zone of Tabuse, Japan.

Hitamura spoke to me thus: **"You have come here thinking that the Holy Ghost will come upon you. But as long as we operate, we will see to it that you will not**

receive this blessed Power". Then Hitamura commanded all the demons to fight me and the battle began.

With the sword in my hand, by the Power of the Almighty God, through the name of Jesus Christ, I maimed all the demons that came with Hitamura. Not even one of them was left, neither could any of them escape the sword in my hand. When the sword touched any of them, his head would go off, he would then change into an animal and flee.

When all these entities were banished, their leader, Hitamura, came to me and said: "Good, you are very strong now. But I tell you the truth, you cannot escape us today, except you vow that you will never receive the Holy Ghost baptism, otherwise we all shall be here".

The Vicious Lord of Ban war

Then thousands of spirits, each of which was

stronger than Hitamura, manifested round about the whole realm. They were led by an entity called 'Lord Kaileya'. He is the wicked spirit ruling the Banwar Occult Kingdom, or the entire water realm of the powers of darkness. As they gathered, I said to myself that there would be no need to fight these spirits for I would not be able to subdue them.

Nevertheless, the Spirit of God ministered to me. I heard a voice which told me: **"Call upon the Name of your Lord. As soon as you call upon Jesus Christ, something very disastrous will happen to these unclean spirits"**. The demons did not hear this VOICE though. When I heard this voice, I kept quiet at first, waiting for the time that all of them would come against me, that I may launch the Omnipotent Name of Christ to blow them off Kaileya, the leader of these evil spirits, came to me and said, **"We are not here to fight you today, but for only one purpose we have come. Now vow according to that purpose**

that you shall not be baptized with the Holy Ghost. If you vow not, we will remain in this place with you".

Kaileya commanded many spirits and they began to construct a mighty thick net roundabout and above me. This net was immediately constructed and within it was myself, Kaileya and thousands of spirits. Outside the net were still thousands of strong demons with different weapons, all waiting for an order from Kaileya so that the great war against me may begin.

Consequently, Kaileya brought a form for me to fill. In this form I was to state among other things that I shall cease to desire for the baptism of the Holy Ghost all the days of my life on Earth. It was when Kaileya brought this form at last that I shouted **"THE BLOOD OF OUR LORD JESUS CHRIST"**.

Mysterious Power Of God

Immediately I called upon the Blood of my Lord, the totality of myself changed into a mountain of fire. In this form in which I was like a mountain of fire, the Spirit of God lifted me above all the demons and beyond the net set against me. This experience was even strange to me, because when I was lifted up by the Spirit of God as a mountain of fire, I again came out of this mountain in my normal form. Then the whole mountain of fire, which was myself, fell down upon the forces of darkness and consumed them. For the Lord my God is a **"Consuming Fire."** (*Deut:* 4:24)

I looked down from above and saw that all the evil spirits had become powerless animals of different kinds. Each was struggling to escape from the fire in which he was engulfed. At the end of this battle I gave thanks and praises to the Father who gave me victory through Christ. Thank you Lord.

Essence Of The Holy Ghost Baptism

It is important to note that there must be a definite work of 'Heart Cleansing' (sanctification) in a believer, before he receives the Holy Ghost Baptism. In other words, a believer must make diligent effort towards total surrender to Jehovah God and His Christ, in order for the Holy Spirit to come and dwell in him. As a matter of fact, when the Holy Spirit comes upon a person, everything will become possible for him on the path of Light.

The baptism of the Holy Ghost is based upon the promise of our Lord Jesus Christ to those that believe in Him. Consequently, the Holy Father has committed Himself to the fulfillment of this promise on Earth - in the life of each and every true believer in the King . of Kings and Lord of Lords. The Christian experience of 'Holy Ghost Baptism', therefore, is the gift of the blessed Power of the Almighty God, by which a

Believer is equipped with the Highest Power to bear witness of Christ. To this end, the Lord Jesus stated:

**"But ye shall receive power,
after that the Holy Ghost is come
upon you; and ye shall be witnessess
unto me in Jerusalem, and in Judea and
in Samaria and unto the uttermost
Part of the earth" - Acts 1 :8.**

My Divine Baptism

The forces of darkness are very much aware of the importance of the Holy Ghost Baptism in the life of a believer, hence they gathered to hinder me from having this experience. Nevertheless, my Lord banished them, to the glory of His name.

It was on the evening of Saturday, the 26th of December, 1992, that I was empowered via the Divine Baptism of the One Eternal Holy Ghost, as I was praying. As I bent my head,

closed my eyes and began to pray, I heard the sound of a mighty wind and saw lightnings of fire, which came from above and overwhelmed me. I found myself inside a cloud of light; I strongly felt the melting Power of the Almighty and the flame of the Holy Ghost that passed through my body, soul and spirit. As soon as I felt as if a thick object had moved from my throat, I spoke in strange tongues! I was filled with Power!! This was my own experience of what is termed "**Baptism of the Holy Spirit**". Thank you Lord!!!

Wanted Evil Spirits

Around 4 am of Sunday, 27th December, 1992, I fell into a trance while praying. Then I heard a strong proclamation made in the spirit realm that certain wicked spirits have been declared wanted by the Lord, and that the Holy Angels have been commanded by Christ to arrest them and "send them to the depth of hell even before the time".

I saw that one of the wanted ones had come to seek protection from me. I asked him what they did for which they were thus declared wanted. This unclean spirit answered that they were commanded by Elam to kill and bring the blood of a Christian Sister in Lagos, Nigeria, whose constant songs of praise was a source of disintegration of the forces of darkness. (*Indeed that Sister must be very strong in the Lord.*) This demon stated that while they were out to fulfill the commandment of Elam, they were immediately declared wanted by the "Holy One", whilst they fled without fulfilling their mission of killing that sister, whom he called 'Mrs. Adesogan'.

This vicious spirit being pleaded that I should escort him to the Himalaya Mountains of India, that he may from there travel to meet Elam. Without his knowledge, however, I was waiting to hand him over to the Angels of God, because the Holy Spirit ministered to

me that the "Angels are coming"

When the Angels came, I saw that they had already arrested many demons. The demon that talked to me, seeking for protection turned and began to accuse me as an agent of the forces of darkness before the Angels. The Angels rebuked him and told him that the seal of Jesus Christ is upon me. The Angel who appeared to me before then and banished N at ar aj a told this demon specifically that I am "a servant of the Lord and Master Jesus Christ.');

Finally, all the Angels that I saw shook hands with me, saying: **"Congratulations, Brother Uzorma, for your Baptism of the Holy Ghost"** Then the Holy Angels took all the demons away. And I believe that they were taken into the "depth of hell", according to the decree of my Lord.

CHAPTER 5

OUR VICTORY IN CHRIST

"Who is he that overcometh
the world, but he that
believeth that Jesus is the Son
of God" *-1 John 5:5*

Battle With Lust Spirits

On Monday the 11th of January, 1993, around 2 am, I was in the spirit and about 106 female spirits of lust came to fight me. These spirits were led by a lady Astral entity who was my former wife in the Banwar water occult realm. She used to visit me physically in those days and seen by people as my girl friend. As they came and began to fight me, my former Banwar wife held my private part. However, when I called upon the Blood of our Lord Jesus Christ, they fled.

From that moment, my private part began to pain me. This pain finally developed a 'wicked boil' , so that for few days I remained naked in my bed-room. This my former demon wife came to fight me for breaking our marriage vow and covenants.

Painful Boil

On Saturday the 16th of January, 1993, around 4am, the pain greatly intensified and I was about to cry. But the Word of God came to me via the Holy Spirit and directed me to pray. I began immediately to pray. The prayer started from 4am to 9.30pm the same day. While I was praying around 6pm on that Saturday, the Word of God came to me again. Then I heard a mighty voice like thunder which said to me:

**"My son, speak My Word and
prophesy against the boil and pain
upon your body and say: Henceforth you
shall cease to be upon where you are kept**

by the enemy; but upon her shall you remain For everlasting corruption.

And she shall be in chains, and those with her until the day comes wherein they shall dwell in the lake of fire".

Then I prophesied according to the Word of God. I also prophesied to myself, according to the Word of the Lord, that I shall attend the Divine service of the next day (Sunday), though at that time I was still unable to walk.

By 12 midnight, I began to pray, and the Holy Spirit caught me away in trance. I saw a huge Angel of God which stood before me. This was the same Angel who appeared and banished N at ar aj a, the god of destruction. The Angel told me that he came by the order of the Lord to remove the boil and the pain which was inflicted on my private part. He then directed me to lie down, which I did. He removed the boil and the pain.

Furthermore, when the Angel spoke a certain word, the 106 demons including my former spirit wife appeared. The Angel put the burden of the boil and the pain upon my former demon wife. Then he chained all of them and took them away. Consequently, I was completely healed by the time I came out from this trance experience. I freely and joyfully went to the Sunday service, according to the Word of the Lord my God. Thank You Father.

Killer Of The Soul

On Sunday the 14th of February, 1993, I had a dream around 2am. In this dream experience the demon in -charge of lust, Queen Radaha, also called 'Killer of the Soul', came to my house. This spirit has millions of spirits working under her. They operate the occult power (yogamaya) which enslaves people through sexual lust waves manipulations. Her purpose of coming was to spread lust-wave in my environment. When lust-wave is

spread in one's environment, such a one may run amok sexually. Under the manipulations of yogamaya (*sex-energy*), he could perpetrate all sorts of illicit sex, via the potency of lust.

When Queen Radaha came, she sat in the parlour, while a Christian brother came to inform me that a certain lady wants to see me. Then I came out. When I saw Radaha, I did not recognize her, because she came in a different form of a very pretty girl. The moment I saw her she was about to begin her manipulation. She removed her dress and remained nude, but was prevented from spreading any lust-wave by the Holy Spirit.

Consequently, I heard the voice of the Lord. He said to me: "Burn her with fire!" Then I said to Queen Radaha: "Declare yourself now before I burn you with fire". She became afraid and began to put on her dress. At this point her true form appeared, whilst I

recognized her to be Queen Radaha. Before she could escape I told her in strong voice:

"Let the fire of the Holy Ghost consume you". Suddenly she burst into flames. For the Lord my God is a Consuming Fire!!!

THE BATTLE CONTINUES

Dear reader, the spiritual battle that I fought against the invisible elements of darkness, since I gave my life fully to the Lord, cannot be fully expressed in this treatise. The powers of darkness fought me directly; they fought me through their human agents; and they fought me via false accusation, amongst many others.

**"For we wrestle not
against flesh and blood, but
against principalities, against powers,
against the rulers of the darkness
of this world, against spiritual
wickedness in high places"**

- Eph.6:12.

It is a fact that the Christian daily experience is full of battles; battles against the huge invisible entities of the realm of darkness and not against our fellow men. Consequently, the ultimate victory of each and every believer is accomplished when such a believer finally makes Heaven - The Eternal Home of Saints.

Therefore, presently engaged in spiritual battle, like any other believer, only that I am a major target of the rulers of darkness. Nevertheless, my hand is made strong by the Power of the Almighty. Thus, I fight daily by the strength of the Holy Spirit in the recognition of victory in Christ. And by the grace of God more of such battles are published in my other works.

Now, I think it is more important for me to say that I am destined to overcome all the manipulations of the powers of darkness. Every believer is destined to overcome,

through the Blood of Jesus Christ our Lord,
Amen.

Finally, I believe that the time has come for believers to transcend denominational attachment and propensity, and co-operate to intensify the spiritual warfare against demonic forces in high and low places. Let us uphold Christ, so that we may destroy the yoke of demons in the life of man, and thus contribute to the forceful advancement of the Gospel of the Kingdom. God bless your soul. Amen.

PART 2

THE OCCULTIC ABOMINATIONS

**"THERE SHALL NOT BE FOUND
AMONG YOU ANYONE THAT
MAKETH HIS SON OR HIS DAUGHTER
TO PASS THROUGH THE FIRE, OR THAT
USETH DIVINATION, OR AN OBSERVER OF
TIMES, OR AN ENCHANTER, OR A WITCH,
OR CHARMER, OR A CONSULTER WITH
FAMILIAR SPIRITS, OR A WIZARD, OR A
NECROMANNCER. FOR ALL THAT DO
THESE THINGS ARE AN ABOMINATION
UNTO THE LORD: AND BECAUSE OF
THESE ABOMINATIONS THE LORD THY
GOD DOTH DRIVE THEM OUT FROM
BEFORE THEE."**

Deut.18:10-12.

CHAPTER 6

MANIPULATIONS OF THE OCCULT

**"For he said unto him, Come
out of the man, Thou unclean
spirit" - *Mark 5 : 8***

Suffer Not A Witch To Live

The Holy Scripture had warned: **"Thou shalt not suffer a witch to live"** (*Exo.22: 18*). However, we are not directed to fight against flesh and blood (human beings), rather we are directed to fight against principalities and powers of darkness in the spirit realm. Therefore, whilst we are not expected to kill the witches and wizards physically in the world of man, we are however required to kill or banish the manipulations of these evil entities among the children of men, via the

Omniscient Potency of the Holy Ghost Power.

"Thou shalt not suffer a witch to live." Let it be done now, and let it be done through this publication, in the Name of our Lord Jesus Christ. Someone wrote to me and said:

"Dear Harbinger of the Last Covenant, some people say that the art of White Witchcraft practised in Europe and America is good, because of its contribution to human progress, and that the Black Witchcraft practised in Africa is evil, because it is used for destruction. How true is this?"

In connection to the reply I gave to the above, let me strongly emphasize that what human beings say on the mundane level here on Earth do not and cannot hold in this Creation What is important in the Universe, which must always prevail in every realm of

existence, is what the Lord says. That is final.

Demons Speak

I wish to warn without much ado that any opinion expressed by a person or group of persons, which is contrary to the Word of God, emanates from demons. I think the reader is aware of the fact that psychic vicious entities (*demons*) could possess a person and speak through him. Some of what you read in books, internet, magazines and newspapers, or what you hear over the Radio, T.V. etc, are the words of demons.

The invisible forces of darkness could operate via the subtle astral energy and speak through a person or group of persons, without the conscious awareness and recognition of such a person or persons. This is the essence of manipulations. and the metaphysical authority of vicious occult powers over all those who are not established in Christ. Such manipulation is relatively expressed in Mark

Chapter 5 verse 7. There we read:

**"And cried ith a loud
voice, and said what have I
to do with thee, Jesus, thou Son
of the Most High God? I adjure
thee by God, that thou
Torment me not".**

These were the words and lamentation of a spirit being of the realm of darkness. But this spirit (demon) spoke through a human being whom he had possessed. Now, when people say that the art of White Witchcraft is good, who is talking through them? The forces of darkness of course.

The Influence Of Darkness

The chief duty of all the forces of darkness in the world of man, is to make evil to appear as good, so as to lead the children of men astray from the path of the Blessed Christ.

not united with Christ Jesus could be directly or indirectly controlled by demonic forces. Even one who is in the Lord must daily abide in the perfection of Christ, so as to overcome this manipulation. Take note!

The mighty powers of darkness are prepared at every moment to use the words of a carnal man to promote their crafts. Therefore, whosoever says that the occult art of White Witchcraft is good, is only being used by demons to accelerate their works - the works which are abominations before the Lord.

I have already stated that the earthman may speak under the manipulations of principalities and powers of darkness. They may be manipulated to do this through the limited capacity of their mental standard or by their intuitive perceptions. As such, human beings may analyze the modus operandi of the art of White Witchcraft on a mundane level and consequently proclaim it

to be good. They may place it on a better level than Black Witchcraft. Thus, such people, especially those involved in it, may not see anything evil in this so-called White Witchcraft.

Abominations Of Occult Crafts

Indeed, some of those who are sincerely deceived via this craft do not even recognize themselves to be witches. This is because in some secret societies, the art of witchcraft is studied and practised under such names as Wisecraft, The Craft, Psychic-Craft, Esoteric-Craft, etc.

Now, people may see nothing wrong in all the elements of witchcraft operating all over the world. They may see nothing wrong in such demonic crafts as Necromancy, Sorcery and Occultism. People may not discover the evil in the art of White Witchcraft, in the use of Voodoo, Divination, etc. But the Almighty Creator sees something wrong with all these

crafts. They are the works of darkness.

It is evident in the Word of God (the Holy Scriptures) that each and every form of demonic craft, whether Wise Craft, Psychic Craft, Esoteric Craft, etc, is an abomination before the Lord. It does not matter therefore, whether such demonic craft is considered white or black; what matters is that they are all abominations before the Creator - the Knower of all things.

Let it be emphasized that the Almighty Creator God has specifically warned the earthmen, especially the people of God, that there shall not be found among them any of the following people, according to the Scripture:

1. Anyone who makes his son or daughter to pass through the fire,
- ii. One that uses divination,
- iii. An observer of times,

- IV. An enchanter,
- v. A witch,
- vi. A charmer,
- vii. A consulter with familiar spirits,
- viii. A wizard, and
- ix. Anecromancer.

There are four major kinds of witchcraft being practised on Earth. They include (1) Black Witchcraft, (2) White Witchcraft, (3) Kali Witchcraft, and (4) Abra Melin or Rajo Witchcraft. Consequently, all the various crafts condemned in *Deuteronomy Chapter 18 verses 10 to 12* are under one form of witchcraft or the other. Now, we are going to briefly discuss these crafts one after the other, in order to expose their related abominations.

CHAPTER 7

OCCULT AND THE -FIRE ELEMENT

**"There shall not be found
among you anyone that
maketh his son or his daughter
to pass through the fire "**

-Deut. 18: 10

Occultic Fire Sacrifice

All over the world, there are diverse related occult and magical rituals in the kingdoms of darkness through which a person could pass through the fire. This esoteric craft could be performed physically, but often it is done in a subjective psychic experience via astral projection into the realm of spirits.

In the esoteric mysteries of ancient India, as

evident in the Vedic Metaphysics, there is an occult art called 'Agni Yajna'. In the Sanskrit parlance, 'Agni Yajna' means 'fire sacrifice'. This is an ancient Vedic fire invocation or sacrifice of diverse secret societies.

This fire sacrifice is performed mostly during one's direct initiation into the Sacred Mystery of the occult. And it is done solely in worship of great entities and Masters operating as Demi-gods.

Fire sacrifice is still in progress in almost all the modern societies that originated in India such as the Divine Light Mission (Gun Maharaj Ji), Ananda Marga Yoga Society Kriyananda Society, etc.

In some secret societies, fire sacrifice is specifically performed in worship of the entity Agni, operating in the occult kingdom: as "the Lord of fire". In some secret societies, however, fire sacrifice is performed

in worship of the great spirit in charge of destruction in all seven occult kingdoms. This spirit is known as and called "Lord Shiva" in the Hindu religion. In the "Sacred Trinity" of the Vedic Metaphysics, Shiva is worshipped as "God" together with Vishnu and Brahma. In the Sanskrit theology, it is taught that Brahma (who has four heads) is the Creator of this Universe, Vishnu is the director who maintains the Universe, while Shiva is the entity in -charge of destruction in the Universe.

The Queen Of Space

During some invocations, Shiva appears with the name "NATARAJA" (*in which he manifests with his highest form of destruction.*) Shiva is also the consort (*spiritual husband*) of goddess Kali, the Queen of Space. This is the oldest female spirit entity of the occult kingdom of the air (*sky*) or the **Astral Plane**.

Goddess Kali is the originator of the art of Kali Witchcraft, which is very prominent in the world. The process of accumulating wealth via human sacrifice, is perpetrated by the witches of Kali. (*We shall discuss this process in the part 3 of this book, Questions & Answers*). Indeed, Kali is highly respected and feared in all the occult kingdoms.

As Kali is the originator of Kali Witchcraft, so also is she the originator of fire sacrifice (the occult process of passing through the fire) which is still being observed by the Black Witches and the Witches of Abra Melin. Indeed, all that relates to fire sacrifice, whether it is performed by any kind of witch, or in worship of any kind of spirit, including Agni - the lord of fire, ultimately goes to the Queen of Space - Kali.

All the profound followers of Indian occultism and Masters of Vedic Metaphysics in the whole world, are totally in submission

to the esoteric recognition which promotes Kali and her crafts as the "predominating power" presently working out most of the manipulations controlling the world of man. These occultists recognize the present age of man as the "Age of Kali", which is the age in which the earthmen are ruled by goddess Kali via the love of money, quarrel, faithless in the Almighty, amongst other ills.

Greatest Fire Sacrifice

In the Vedic Metaphysics, there are four ages (YUGAS) named after their controlling deities or spirits. In the esoteric mysteries of the ancient Vedas, it is taught that a "Manu" operates in one day of Lord Brahma (*Creator*). Manus are great Guardian Spirits in the Space operating as the "Fathers of Mankind". The entire spiritual operations of a Manu is divided into Seventy-One millennium known in the Sanskrit as Divya. And Divya is again divided into four ages (Yugas) named after their controlling spirits,

such as (1) Satya/Yuga, (2) Treta/Yuga (3) Dvapara/Yuga, and (4) Kali/Yuga.

The present age of man is called Kali Yuga, The greatest fire occult sacrifice ever conducted on Earth, was performed in Egypt during the reign of Pharaoh Rameses II. This was conducted to inaugurate the Kali Yuga by a Grand Master in Egypt, called Gopal Das. It is taught that this Kali Yuga will still last on Earth for hundreds of years to come. But the Lord our God has already frustrated the devices of darkness, in the name of Christ.

My Experience

"There shall not be found among you and one that maketh his son or his daughter to pass through the fire". During my first Cosmic Initiation of the mephistophelian, conducted in the Gobi desert by the Masters of the Witches of Abra Melin, I dance around a burning fire for 108 times and also passed through the fire for seven times, as

part of the initiation ceremony. (See *OCCULT GRAND MASTER NOW IN CHRIST, vol. 1* by lyke Nathan Uzorma). This initiation covers a total of 10,000 degree of esoteric powers.

In some secret societies, there is also what is called "Fire Purification" performed during initiation into the occult. In the past in which I was a Grand Master, I used to initiate my 'chelas' (*students*) via fire purification. During such initiation, I do sit on a throne while the disciple to be initiated will sit on a so called "holy mat" before me. About 3,7, or 10 lamps of fire called "arti -light" will burn between the disciple and myself.

Consequently, the disciple must PASS his hand THROUGH these lamps of fire so as to receive the symbol of initiation from me - the officiating Guru. Thus, it was taught by spirits that both the symbol of initiation and the disciple are purified in the "Sacred Fire"

through this process. But this is an abomination before the Lord. It is only the Perfect Blood of Jesus Christ that can totally purify the earthman. "There shall not be found among you anyone that maketh his son or his daughter to pass through the fire ... For all that do these things are an abomination unto the LORD". Remember that the forces of darkness are out to make evil to appear as good so as to lead humans astray.

The Abomination

Furthermore, the system of occult initiation into the mysteries of the kingdoms of darkness, in which one could pass through the fire, was also practised in the ancient India, Egypt, Babylon, Tibet, Persia, etc. This craft even flourished in Jerusalem about 712 B.C, during the reign of Manasseh.

Manasseh himself was a master in the crafts of the occultism of Egypt, Persia and

Babylon. He rebelled against the true worship of the Almighty Jehovah God and built altars in the land of Judah for the worship of the host of heaven - Vicious Psychic entities operating in the Solar System. (*See 2Chronicles 33:1-13*). The Scriptures further reported of his abominations thus:

**"And he caused his children to pass through the fire in the valley of the son of Hinnom: also he observed times and used enchantments, and used witchcraft and dealt with a familiar spirit and with wizards: he wrought much evil in the sight of the LORD to provoke Him to anger."
- (2 Chro. 33:6).**

By virtue of these abominations, the Scripture says:

**"So Manasseh made Judah
and the inhabitants of Jerusalem
to err, and to do worse than the heathen,
whom the LORD had destroyed before
the children of Israel. And the LORD
spoke to Manasseh, and to his people:
but they would not hearken."
- (2 Chro. 33:9,10).**

Manasseh and his people (*disciples*), acting under the authority of the powers of darkness, were convinced that the so-called "Great powers of the Occult" will help them overcome the wrath of the God of their Fathers - JEHOVAH. Thus, they refused to hearken to the voice of God, just like many are doing today. **"And the LORD spake to Manasseh, and to his people; but they would not hearken".**

Now, did their occult manipulations help them overcome the wrath of God? Never! Listen to what happened to them due to their

reprehensible attachment to the spirits and masters of the high crafts of darkness.

**"Wherefore the LORD
brought Upon them the captain
of the host of the king of Assyria, which
took Manasseh among the thorns, and
bound him with fetters, and
carried him to Babylon"
-2Chro.33.1191**

Come Out Of Babylon

There is no power in any realm of this great Universe that can help an earthman overcome the wrath of the Almighty. If the Lord is with you, you are blessed, even if all men, including all the elements and powers of darkness are against you. However, when the Lord Himself is against you, even if all men and all the occult powers are for you, you will definitely be "carried into Babylon".

Now, many people are already carried

Babylon - the abode of unclean spirits, and it is only Christ that can save them. If you are a member of any secret society, you are in Babylon! Indeed if you are not perfectly situated in Jesus Christ, you are in Babylon.

If you are directly or indirectly in Babylon, Christ can still save you if you call upon him. All that God wants you to do is to totally submit to Christ as your only Saviour? In this connection, Manasseh finally did something which we must appreciate. While in Babylon, he repented of all his abominations and consequently acknowledged Jehovah God as the only Living Power. Then the Lord took him out of Babylon and brought him again to Jerusalem.

**"And when he was in affliction,
He besought the LORD his God, and
humbled himself greatly before the God
of his fathers; And prayed unto him and
he was entreated of him, and heard his**

**supplication, and brought him again to
Jerusalem into his Kingdom. Then
Manasseh knew that the LORD
He was God".

CHAPTER 8

THE ABOMINATION IN DIVINATION

"And it came to pass, as we went to prayer, a certain damsel possessed with A spirit of divination met us, which brought her masters much gain by soothsaying".

-Acts 16: 16.

Divination And The Occult

Divination is an occult process of using the powers of darkness to manipulate and investigate the unknown in order to learn of what had happened in the past, what may happen now, or what could happen in the future. And this ancient occult art is still in progress in all the various forms of witchcraft

- Black, White, Kali and Raj 0 or Abra Meln

Different paraphernalia are required for divination, such as deities (*images*), occult mirror, kola-nut, beads, cards, livers and intestines of dead men or slaughtered beasts, and precious stones, to mention but a few. The Abra Melin Witches of the ancient Babylon were masters in the various forms of divination.

This was relatively confirmed in the book 'Magic, Supernaturalism and Religion', which has it that, the witches of Babylon "were masters in the art of prescience predicting the future from the livers and intestines of slaughtered animals, from fire and from precious stones: they foretold events from the murmuring of springs and from the shape of plant ... Atmospheric signs, clouds, winds, and lightnings were interpreted as foreboding; the cracking of furniture and wooden

materials foretold future events. Flies and other insects, as well as dogs were the carriers of occult messages".

Images And The Occult

There is also a higher occult manipulation by which images are used for divination. In the Vedic Metaphysics, there is what is called 'Agra-vigra' in the Sanskrit parlance, which means 'God in the deity form'. In the highest level of occult mysteries, there is a process through which a Grand Master could install the 'Life Energy of the Astral Forces' into an image, to the end that the image could speak in the secret sanctum and be used for the art of divination. Is it through this same process that the image of the beast will speak at last to the earthmen?

**"And deceiveth them
that dwell on the earth,
by the means of those miracles
which he had power to do in the**

sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast ... And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed"
- (Rev. 13: 14, 15).

In advanced Vedic Metaphysics, it is established that whenever a Grand Master or Guru installs the Cosmic Power into an image, God will project His Power directly into the image. And that by virtue of this, the image becomes worthy of worship, because it is then "God in the image form" (*Agra-vigra*).

To this end,. several images are being worshipped, while some are used for divination in different societies. In the city of

Puri, India, three great images called 'Lord Jag an at, are installed in the Jaganatha Temple and worshipped as God. The highest deity of the ancient Indian Gaudiya Sampradaya in the whole Africa is presently installed at Benin City, Nigeria. These two great images called 'Radha Shyamasunder' (*deities*) are invoked and worshipped as the "Lords of Africa".

The Catholic Church prays to God via the images of Jesus, Mary, amongst others. This they do not on the path of the Christian Holy Scriptures, but on the path of the ancient Vedas wherein it is approved. Some masters of Hindus use the image of Saraswati for divination. Saraswati is worshipped as the 'goddess of Knowledge' and consort of Lord Brahma. The images of Govinda, Narayana, Hanuman, Buddah, etc., are all worshipped in diverse places.

Also worshipped and used for divination,

especially among some Ibos of Africa (*Nigeria*) include the images of Ikenga, Agwu, Alusi, amongst others. It is important to note that in some societies, people worship these images in the sincere thought that they are worshipping the Almighty God in an image form, or that they are praying to the Almighty via the images of the 'holy ones' in Heaven. But then they are all sincerely deceived. For thus says the Lord:

**"Thou shalt not make
thee any graven image, or
any likeness of any thing that is in
heaven above, or that is in the earth
beneath, or that is in the waters beneath
the earth: Thou Shalt not bow down
thyself unto them nor serve them: for I
the LORD thy God am a jealous God,
visiting the iniquity of the fathers upon
the children unto the third and
fourth generation of Them
that hate me" - *Deut. 5:8,9.***

Masters Of Divination

In the ancient Babylon, the Witches of Abra Melin were masters in the occult art of the worship of images and using same for divination. The three greatest images used for divination in Babylon include that of Nimrod, Semiramis and Tammuz. Tammuz, known as Shammus among the ECK Masters, is one of the "Ascended Masters" of the Eckankar Society. *(In this society, 'The ECK-VIDYA', said to be the 'Ancient Science of Prophecy', is the foremost framework of divination. Specifically, it deals with the 'life cycles of men, nations and planets'.)*

Now, Semiramis was the wife of Nimrod, the son of Gush. **"And Gush begat Nimrod: he began to be a mighty one in the earth. He was a mighty hunter before the LORD: wherefore it is said, Even as Nimrod the mighty hunter before the LORD. And the beginning of his kingdom was Babel"**

- (Gen. 10:8-10).

Nimrod founded Babel or Babylon in 2,132 B.C. Indeed Nimrod's kingdom is the first kingdom of man mentioned in the Holy Scriptures. *The Jewish Encyclopedia vol. 9, Page 309*, spoke of Nimrod as **"He who made all the people rebellious against God"**. In the secret coven at the headquarters of the witches of Abra Melin, located in the Gobi desert around Afghanistan, the image of Nimrod is being worshipped as 'God-incarnate' (Avatar), but they call him "Sat Ragum" - Lord of the Great Babylon.

The renowned Jewish historian, Josephus, in his book, *Antiquities of the Jews*, spoke of Nimrod thus: **"Now it was Nimrod who incited them to such an affront and contempt of God. He also gradually changed the government into tyranny, seeing no other way of turning men from the fear of God. The multitudes were very ready to follow the determination of Nimrod; and they built a tower, neither**

sparing any pains, nor being in any degree negligent about the work: and by reason of the multitude of hands employed in it, it grew very high The place wherein they built the tower is now called Babylon".

Divination Via Images

After the death of Nimrod, his wife Semiramis had sexual intercourse with some Astral entities - spirits of the air. Consequently, she gave birth to her son Tammuz. Tammuz himself was also proclaimed and worshipped in Babylon as an 'incarnation of God'. The images of fire, animals, pillars and trees were also used to represent Nimrod, Semiramis and Tammuz, whilst such images were used and consulted for divination. Even Nebuchadnezzar and other kings of Babylon were highly involved in this art of divination - consulting of Images.

In one occasion, the Bible reported that "The

king of Babylon stood at the parting of the way, at the head of the two ways, to use divination: he made his arrows bright, he consulted with images, he looked into the liver" - (Ezk: 21 :21). Divination through images is an occult process by which the powers of darkness speak to the earthmen. This is an abomination before the LORD!

Other Forms Of Divination

“There shall not be found among you anyone that useth divination". One of the greatest occult books on Earth used for the art of divination is the ancient Chinese book called I CHING or the BOOK OF CHANGES. The esoteric principles of I Ching was received from the great rulers of Psychic spheres by the Witches of Abra Melin. This was consequently sustained on Earth via oral tradition that continued until the 12th century B.C. when it was finally compiled in a book.

As a matter of fact there are different forms of divination practised all over the world. For Instance, the art of Graphology is a form of divination via the analysis of one's handwriting. Through the natural powers of 'Extrasensory Perceptions' (ESP), the forces of darkness could come in to assist a Graphologist discover the character, interest, weakness, etc of an individual through his or her handwriting.

Furthermore, palmistry (used by agents of darkness that has natural basis beyond them) is another form of divination used to predict ones future or present character, through the lines and features of his hands. Natal astrology, geomancy, physiognomy, tarot cards and shadow-reading, to mention but a few, are various forms of divination hitherto in progress all over the world. **"For all that do these things are an abomination unto the LORD; and because of these abominations the Lord thy God doth drive them out from before thee"**.

CHAPTER 9

OCCULT CONTACT POINTS

"Regard not them that have familiar spirits, neither seek after wizards, to be defiled by them: I am the LORD your God".-Lev. 19: 31.

Observer Of Times

The occult art of astrology is another form of divination. It is an esoteric or astro-metaphysical process through which one may "observe times." Greater aspects of astrology originated in the ancient Babylon via the Masters of Abra Melin. This was greatly practised also in Egypt, India, China, Tibet, Assyria, Persia, Israel, etc.

Through the art of astrology, which is the

same with star gazing, Astral forces do assist an astrologer, via the unconscious layer, to prognosticate or anticipate the interactions between various Planets in their heavenly houses, in accordance with the zodiacal signs, in order to counter-balance the malefic effects and nurture benevolent aspects.

There are four occult greatest ancient treatise on astrology. These books are the works of ancient "MASTERS and ADEPTS" of Abra Melin. They were finally compiled in the second century A. D. by an Egyptian occult wizard and highly in use today in different societies.

In the past, I was also involved in the art of divination, especially the natal Astrology which has to do with the psychic analysis of horoscopes. Today, many men and women, boys and girls, usually consult astrological horoscopes in the understanding that the position of the Sun, Moon, Stars, and the

Planets at the time of birth affects their daily lives in one way or the other. But this understanding within the framework of the powers of darkness is an abomination before the LORD. There is no amount of divination-star gazing, astrology, prognostication, analysis of horoscopes, that will deliver a wicked man from the 'wrath of God'.

**"Stand now with thy
Enchantments, and with the
multitude of thy sorceries, wherein
thou has laboured from thy youth;
if so be thou shall be able to profit,
if so be thou mayest prevail. Thou art
wearied in the multitude of thy counsels.
Let now the astrologers, the stargazers,
the monthly prognosticators, stand up
and save thee from these things that
shall come upon thee".**

-Isa 47: 12,13

Mundane Occult

In some Newspapers, the daily astrological analysis of horoscope, based on the twelve signs of the Zodiac, are published. Those who consult such astrological analysis may not know that they could be linking themselves up with certain powers of darkness. However, the analysis of horoscopes could work accurately for a person or group of persons, but this does not make it clean or valid before Christ.

It may be recalled that the entity who took the form of the late Prophet Samuel and spoke to king Saul, gave Saul the accurate information of what would happen to him. But this "accurate information" cannot make such entity to be clean, if it is not, before the Lord. *(See 1 Sam. 28:7 -20)*. As long as one is serving darkness and heading to abyss, demons do not loose anything by telling him "mundane truth". Nevertheless, any information received from darkness as well

as the process of divination or otherwise through which the information is received: are all abomination before the Lord of Light.

The Seven Cycles Of Attack

Now, it is important to note that, in accordance with the mephistophelian principles of the rulers of darkness, the life of every one outside the path of Light is ruled or controlled by seven different vicious spirits in every 364 days. Indeed whatever that exists contrary to the Holy Spirit in the world of In an, whether it be marriage, business, etc, is controlled by seven spirits each year. These spirits are powerful demons operating as the "Guardians of Fate and the Cycles of life", They are entities within the most vicious occult hierarchy of the Earth.

For instance, if one who is not fully in Christ starts a business or marries on the 1st day of April, a demon will be assigned to control

matter of fact, from the first day in which a human being, or any other thing, is born on Earth, a demon is projected to dominate and rule such a person or thing. Only the mercy of the Lord brings the necessary check and balance.

Consequently, the spirit that first began to rule the marriage, business or the human life, will operate for 52 days, after which the second spirit will take over for the next 52 days. The third till the seventh spirits will rule one after the other for the same 52 days each, and these will total 364 days or a year. At the end of the rulership of the seventh demon, the first demon will start again.

The rulership of each spirit has only one propensity or system of operation, or better expressed: each spirit has his own *modus operandi* always maintained by him. And what I do in the past, when people consult me for occult assistance, is to invoke these spirits

and inquire of their system of operations. To this end, I could discover, for instance, that the first spirit ruling one's business does not want him (the business man) to borrow money within the period of his rulership. If the man do not comply, his business will collapse. When invoked, each spirit will speak of how he operates.

When I speak of seven spirits, I mean that the life of a strict mundane man, marriage, business or otherwise, each is ruled by one of the seven spirits. When the operations of these seven spirits are discovered for a particular thing, one would be commando to observe the principles of the time (period) of their operations. This is an abomination before the Lord. **"There shall not found among you ... an observer of times"**. It is only those living fully in Christ Jesus (the Universal Divine Love) that can overcome and destroy the manipulations of these so-called "Guardians of Fate and the Cycles of

Life". **"There is now no condemnation to those which are in Christ Jesus ..."** - (*Rom. 8:1*). (*See 'The Seven Cycles of Spiritual Attack On Business' by the author of this book*)

The Enchanter

An enchanter is one who, through the Psychic powers of the occult, makes an enchantment (incantation) from time to time in order to achieve something. The art of incantation or enchantment is practised by all witches and wizards, whether Black or White, Kali or AbraMelin.

However, the positive aspect of a 'chant' is a sacred prayer for the rise of man in Love and Light of God, brought to the world of man by **the** Holy Spirit via a human channel. The Lord's Prayer given to us by Christ, amongst others, for instance, is very important in this connection.

Now In the esoteric mysteries of Indian occultism, there are different “mantras” chanted to bewitch people. A "mantra" is an occult mystic formula, some of which are strictly guided with the invisible powers of darkness. This could be used not only to bewitch people, but also for initiation into a secret society. On the other hand, a “mantra” could be repeated as sacred prayers especially by mystics seeking liberation.

The Way Of ‘Moksha’

In the Vedic Metaphysics there are major mantras constantly chanted in each of the four leading ways of "moksha" (liberation), known as (1) Raja Yoga, (2) Jnana Yoga, (3) Bhakti Yoga and (4) Karma Yoga. The Guadiya Society of India, for instance, is the greatest society following the 3rd way of "Moksha" - the Bhakti Yoga system. (The Sanskrit word "Moksha" means “liberation” from the limitations of gross material body via the system of Yoga).

Furthermore, the greatest master of the Guadiya Society in our time, is the Guru known as Swami Prabhupad. It was he who brought the chanting of the greatest "mantra" of the Guadiya to America, Africa and Europe. This is called the "Maha Mantra" (*Supreme Sound Vibration.*)

The chanting of the "Maha Manta" is done in worship of the Cosmic Avatars, such as Krishna and Rama. A devotee must chant the Maha Mantra for above 1 728 times every day. This is a major way, in their belief system, of invoking the power of the Universal "God of gods".

Magicians

"There shall not be found among you ... An enchanter." Magicians are also very prominent in the manipulation of enchantment or incantation. Through the hidden process of occult enchantment, vicious spirits of the elements of the Earth,

Water, Air, (*sky*) and Fire, could combine to project powers to work with a true magician. With such evil powers, therefore, even an ordinary paper in the hand of the magician could be seen as money by those watching him. This was among the things I did in the past.

The duty of such spirits include to manipulate and bewitch the sight of those watching their agent (the magician), so that "**the more they look the less they see**". This is an abomination before the Lord! Now be warned that anyone engaged in watching the enchantment and incantation of a magician, could by so doing expose himself to the manipulations of the forces of darkness.

Spirits Of Witchcraft

In a literal sense, a witch is a sorceress or any female agent of the forces of darkness practising the art of Black, White, Kali, or Abra Melin Witchcraft. But in a relative

esoteric parlance, the word "witch" applies to both the male and female agents of Satan practising witchcraft (*Witches and Wizards.*)

The most active physical society or organization of witchcraft on Earth now, is the Church of Wicca, founded in the United States by Archbishop Gavin Frost. Other great witchcraft secret societies include The Religious Order of Witchcraft, Research Bureau of the Twilight Zone, Gardnerian Covens, Order Templi Orientis and Church of the Eternal Source, to mention but a few.

The spirits of witchcraft have several ways through which they manipulate the earthman. Also, in the realm of wicked spirits, a witch could kill his or her wife, husband, child, mother, father, brother, sister, or friend, in order to achieve promotion within the kingdoms of darkness. "Thou shalt not suffer a witch to live" - (*Exo. 22: 18*) . All forms of witchcraft are abominations before the Lord!

A Charmer

A charmer is an agent of darkness who uses the powers of the occult to hypnotize and manipulate another person in one way or the other. The powers of darkness used as charm to influence and dominate another person, could be projected and concentrated in amulets, deities (idols), rings, talismans, etc.

All witches and wizards have occult power to charm another person. In the past I used different paraphernalia to charm and manipulate people. Such paraphernalia include one's semen, fingernail, sweat, excreta, hair, etc. This craft is a great abomination before the Lord!

Consulter Of Familiar Spirits

This is a highly possessed human operating as the medium through which great demons, functioning as "Second Personalities" "Invisible Teachers", or "Spiritual Guides", could speak to the seekers of occult and

esoteric knowledge. I once served in this occult degree. Indeed there was a time that the invisible forces (*demons*) spoke through me to many people twice every week, or when demanded.

Now, this process of consulting with familiar spirits is done via the esoteric craft of "Transmission." This is a process through which a very powerful spirit could directly speak through a well trained human agent. And whatever the spirit says through this process of "Transmission" is proclaimed as an absolute occult fact and could be published as such. Sometimes a demon entity could speak through this process and claim to be "God".

It is necessary to state at this point that through occult transmission or consulting with familiar spirits, many great occult, mystical, religious, esoteric, philosophical and psychic books have been written and published. The contents of such book are the

doctrines of the fallen angels. Those who read and follow such books are lead astray.

"Now the spirit speaketh
Expressly, that in the latter
times some shall depart from the
faith, giving heed to seducing
spirits and doctrines of
devils". - *Tim. 4: 1*

"Beware lest any man
spoil you through philosophy
and vain deceit, after the tradition
of men; after the rudiments of
the world, and not after
Christ". - *Co/. 2:8*

The Wizard

A wizard is a male operating with the clairvoyant powers of the occult, or any male involved in the art of Kali, Black, Abra Melin, or White Witchcraft. A wizard operating with the pewers of dackness could

Project into another person, or beyond locked doors and other solid material elements to do evil. This was what I did in the past when I was a wizard and Master of the Abra Melin Witchcraft.

Furthermore, a master of the Abra Melin could manipulate people and cause them to worship him. Simon of Samaria, mentioned in the Bible, is a true example of how a wizard could bewitch people and cause them . to worship him. (*See Acts chapter 8 verse 9 to 11.*) Wizardry is a great abomination before the Lord. **"Thou shalt not suffer a witch to live"**.

A Necromancer

Necromancy is another form of divination. It is the occult art of communication with the 'dead' in order to learn or discover something, such as the future. This occult art is another craft practised by the Witches of Abra Melin.

Nevertheless, necromancy is a process of higher esoteric manipulations of the great rulers of darkness. This is so because through this process, a demon may disguise himself in the form of the dead to speak to the earthmen. This is designed to deceive the earthmen to believe that "the dead could be invoked to appear physically again via the powers of the occult." (*For more on witchcraft and the process of their secret meetings in the realm of spirits, see the author's books entitled , 'The Spirit Realm Vol. 1', 'How to Completely Overcome Witches and Wizards and 'Occult GrandMaster Now in Christ, '*)

"For all that do these things are an abomination unto the LORD." God bless the reader!

QUESTIONS AND ANSWERS FOR YOUR GUIDANCE

“FOR THERE IS NOTHING
COVERED, THAT SHALL NOT BE
REVEALED; NEITHER HID,
THAT SHALL NOT BE KNOWN.”

- Luke 12: 2.

CHAPTER 10

THE EVERLASTING POWER

"And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth" -*Math. 28: 18*

What would you say of the Power of Jesus Christ in relation to other powers in the Universe?

Diverse Powers

First of all we should recognise that there are various categories of power in this great Universe. Now, I am speaking of diverse units of Spiritual and Metaphysical powers operating in the human realm, as well as in the realms of spirits, demons, and the Holy Angels.

There are various categories of power in the Universe, but let fit be emphasized that each and every category of power operating on Earth, or in the realm of Fire, or in the Water, or in the kingdoms of the Air, or otherwise, are subject to the Son of God - Jesus Christ, Christ Himself also proclaimed: **"All power is given to mein heaven and in earth."**

In the Seven Occult kingdoms of darkness - the home of principalities and powers of darkness, there are 400,000 categories of spirits, which are the degrees of operation! and manipulations of **"Esoteric Forces"**. This is .already explained in my book. (*See Occult GrandMaster Now in Christ.*)

In the Book of *Saint Matthew Chapter 17 verse 21*, Our Lord Jesus Christ confirmed, in a relative sense, that there are different kinds or categories of Power. The Lord said **"Howheit this kind oneth not out hut by,**

prayer and fasting", The phrase, "this kind," means there are other kinds. And among these different kinds of entities manifesting power in the higher realms of existence, both positive and negative, include the Arah ath as , Elementals, Earth Masters, Angels, Guardians, Demi-gods, Astral forces, **Planetary Spirits, Prithas, Watchers, Yamadutas, Yandavas,** Guardians of the Flame, Ascended Masters, Archangels, Solar Lords, Cherubims, Inter-Planetary and Inter-Galactic Lords, amongst others.

It is important to note, however that the "Energy Essence" of some of the negative ones is very potent and highly concentrated with esoteric and occultic powers to the extent that some of them operate as "Predominating Deities", "Lord" or "Prince" of some earthly kingdoms, nations, tribes, and major secret societies.

Human Agents Of Darkness

The human agents of the powers of darkness are also in various categories of occult operations. There are minor agents or sub-agents of esoteric mysteries who operate in the lowest realms of the kingdoms of darkness. There are main agents of demons whose operation covers between 10,000 to 60,000 degrees of esoteric powers. There are principal human agents who operate between 60,000 to 100,000 esoteric degrees of the powers of darkness. And there are absolute agents of darkness who operate in the highest level of esoteric consciousness, or between 100,000 to 200,000 vicious Astro-metaphysical degrees. This was the final level which I reached and became the "Living Grand Master". While in this level, I was also proclaimed on Earth to be the "Worshipful Master." This is the occult level in which one would reach and, through specific manipulations, becomes the consummate embodiment of the hosts of darkness. There

are few human beings in this ultimate level of the occult in both the past and the present generations of men.

All the human agents of the powers of darkness, as well as the various categories of demons in all the occult kingdoms, are under the Prince of Darkness, the entity Satan, who the Bible also call 'old Serpent, Dragon and Devil'. He is worshipped in all the kingdoms of darkness. Satan, whom I knew in the past as Chitanam, has his realm of spiritual power in the highest realm of all the occult kingdoms. Nevertheless, Satan and all his empire of forces are under the immutable authority of Our Lord Jesus Christ. The Scripture spoke of the authority of Christ thus:

**"For by Him were all things
Created, that are in heaven, and
that are in earth, visible and invisible,
whether they be thrones, or dominions or**

**principalities or powers: all things
were created by him, and for Him”
- Cor. 1:16**

Categories Of Holy Power

Even the Holy Angels of the Almighty God also have various categories of power. This is evident in the Holy Scriptures. For instance, in the Bible we found that there was a time when God sent a certain Angel to Prophet Daniel, but the way of this Holy Angel was blocked for 70 days by a highly concentrated Energy Essence of a great vicious power operating in the space as the Prince of Persia. But another greater Angel operating on a higher category of spiritual power came, banished the Prince of Persia, and rescued the other Angel. The Angel who was rescued told Daniel:

**“...fear not, Daniel: for from
the first day that thou didst set thine
heart to understand, and to chasten**

**thyself before thy God, thy words were
heard, and I am come for thy words.
But the prince of the kingdom of Persia
withstood me one and twenty days:
but, 10, Michael, one of the chief
princes, came to help me ... "**
- Dan. 10: 12, 13.

Proper understanding of the above incident will lead to the recognition that the Holy Angels of Heaven, including the Archangels, the Cherubims and Seraphims, the twenty-four Elders and the four Living creatures, to mention but a few, all are in different categories of spiritual Power. So also are the Children of God on Earth, who are on different levels of the anointing of the Holy Spirit Power, bearing fruits on diverse degrees of 30, 60 and 100 (*See Math. 13; 23*).

Limited And Unlimited Powers

Now, all the categories of spiritual power, whether they be that of demons, human

agents of the forces of darkness, the Holy Angels, or the believers are limited in one way or the other. Consequently, if you submit to the kingdoms of darkness and worship demons, you are in trouble. If you serve Satan, the Prince of Darkness, you are gone. On the other hand, if you worship the Holy Angels, you have failed. And if you fear your fellow man, then woe to you, for **"the fear of man bringeth a snare,"** (*Prov. 29:25*). Thus Scripture had warned: **"Put not your trust in princes, nor in the son of man, in whom there is no help" - (*Ps.146:3*).** Again: **"Thus Saith the LORD; Cursed be the man that trusted in man, and maketh flesh his arm, and whose heart departeth from the LORD" - (*Jer.17:5*).**

Therefore hear: Our Lord Jesus Christ is the bonafide source of unlimited Power! Christ is the Creator, the Source and the Master of "All Power" in every realm of existence. Jesus Christ is the Son of God and the

multidimensional Lord and Saviour of the Universe, who operates beyond the propensities of Matter, Space, Time and Energy. And anyone who does not enter through Christ (Divine Love) into the eternal realm of "Blessed Powers" but decides presumptuously to enter through the proclaimed lords and gods in high and low places, "the same is a Thief and a Robber" *-(John 10:1)*

**"For though there be
that are called gods whether in
heaven or in earth, (*as there he gods
many, and lords many*), but to us there
is one God, the Father of whom are all
things, and we in Him, and one Lord
Jesus Christ, by whom are all things,
and we by Him". - *(1 Cor. 8: 5, 6)***

In every realm of existence, whatever and whosoever stands in opposition to the Power of Christ, must fall at last. And of Our Lord

Jesus Christ, the Almighty Father had decreed that only those who received Him are granted the Universal Spiritual authority to live and operate on Earth in the essence of the recognition and power of bonafide sonship; hence the Scriptural expression:

**"But as many as
received Him, to them gave
He power to become the sons
of God, even to them that
believe on his name"
- (John 1: 12)**

CHAPTER *11*

THE VALIDITY OF DIVINE AUTHORITY

such may not bind a demon. But if one's "prayer-force" has intensified on a greater degree of Divine authority, then the potency of his prayer can maim certain demons.

Now, the objective and subjective intensity of every prayer solely depends on the extent to which a believer is practically involved in the authority of the Lord and Saviour of the Universe, Our Lord Jesus Christ. I am speaking of Divine Love, the Spirit of Christ in your thoughts, words and deeds. This is very important for your victory over the Prince of Darkness. Without this, no man on Earth can overcome the ubiquitous vermin of principalities and powers of darkness. (See my book, 'Great Divine Impact'). The Lord Jesus even admonished:

**"He that 'hath an ear, let him hear

To him that overcometh will I give to eat
of the hidden manna, and will give him a**

white stone, and in the stone a new name
. written, which no man knoweth saving
he that receiveth it" - *Rev. 2: 17.*

The Slothful Believer

On the binding of demons, a believer should first of all recognise the fact that there are different kinds of demons operating against humanity, - whilst each kind operates in a certain degree of the vicious occult within the kingdoms of darkness.

It was our Lord Jesus Christ who stated specifically that there are some kinds of demons which a believer cannot bind, which cannot be cast out or neutralized, if such a believer does not uphold and observe "prayer and fasting". Speaking to His disciples on why they were unable to cast out or banish a certain demon, Jesus Christ said: "**Howbeit this kind goeth not out but by prayer and fasting**" (*see Math. 17: 14 - 21*). This is another way of impressing it upon the

consciousness of the disciples that the battle against the powers of darkness requires greater intensity and potency of the Spiritual Energy and vibration that emanates from "fasting and prayer" in the name of the Lord. In other words, if a believer did not truly fast and pray as required by our Lord and Master Jesus Christ, he cannot bind that kind of demon that can only be cast out through prayer and fasting.

Consequently, if a believer is slothful in observing the spiritual exercise approved by the Lord, such as fasting, his "prayer-force" cannot penetrate into the "ethereal layers" of the kingdoms of darkness to bind and to root out the highly concentrated demons. And if a so-called "believer" is faithless in his Lord, his prayer-forces will be at a "Zero point". Not only that such a "believer" can do absolutely nothing in binding devils, but even the vicious Elemental spirits, which are the lowest demons in the kingdoms of darkness,

can maim him.

Empowered To Bind

Our Lord Jesus Christ had empowered each and every believer to bind demonic manipulations and operations: "Verily I say unto you, Whatsoever ye shall bind on earth shall be bound in heaven ... " (*Math.* 18: 18). But a believer must practically uphold the spiritual condition necessary for success in the process of this binding, otherwise he will be defeated in the field of battle.

Our Lord Jesus Christ also spoke of the required condition which a believer must keep to, in order for whatsoever he binds on Earth to be bound in Heaven. Thus, the words of the Lord as expressed in the Book of *Saint John Chapter 15 verse 7* has it that: **"If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you"**.

That is it! You must abide in Christ and the Words of the Lord must abide in you, before anything you bind on Earth can be bound in Heaven. When one is fully in Christ and the words of Christ abides fully in him, such a believer can "pull down" the high places of darkness; he can banish any demon in all the occult kingdoms; even the greatest entity of the realms of darkness, Satan, must flee from such a believer, because he is fully in the Light. Christ is the Light of the Universe, and if Christ is in you, every power of darkness must flee from you.

Saint Paul summarized the condition by which a believer can always bind and overcome diverse crafts and manipulations of principalities and powers of darkness. In *Chapter 6 verses 10 and 11* of his epistle to the Ephesians, he wrote:

**"Finally, my brethren be strong
in the Lord. and in the Dower of**

**his might. Put on the whole armout
of God, that ye may be able to stand
against the wiles of the devil".**

If you are not "strong in the Lord", and if you do not "put on the whole armour of God", then you are not recognised: You are not recognised by the Holy Angels of God to be a soldier of Christ, neither are you recognised by the Prince of Darkness as a threat to the Kingdoms of darkness. Thus, demons cannot flee from you.

The Game Of Escape

Now, on what happens to a demon when a true believer in Christ binds him, let me say that there are different things that may happen based on certain conditions. For instance, if a strong and true believer in our Lord Jesus Christ binds a demon of lust and cast him away, such a demon will be neutralized immediately as far as his operations and manipulations in that

form to continue his evil acts in a different realm. Consequently, the discarded form may change into a powerless or dead animal, or otherwise, and could be seen as such in a related subjective experience, such as dream, vision, trance, etc.

Demon In Trouble

In another occasion, a demon may, while operating in his true form, encounter a highly anointed man of God. In such a case the demon is in a real trouble, because if the man of God binds him and cast him into the "depth of fire," it will be done immediately. What happens when the man of God binds the demon is that a strange force (*Holy Spirit*) will neutralize the demon spiritually, lift him up beyond his resistance, and cast him into the realm called Yamalok in the Sanskrit mystical parlance, meaning the "depth of fire". There are still other things that may happen when a true believer bind a demon.

Furthermore, on what happens to a human agent of the Powers of darkness when he encounters a believer in Christ, depends on the level of "esoteric manipulations" of such an agent as well as the level of the anointing of the believer. A human agent of the powers of darkness, who is in the lower occult level will be immediately neutralized the moment he encounters a man of God, but an agent on a higher level may escape through higher manipulations of demons. For such an agent to escape, he must know when he has to cease in a spiritual battle in order to flee. In all aspects, however, the forces of darkness must flee from a child of God.

CHAPTER *12*

CONSCIOUSNESS AFTER DEATH

"Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it." -Ecc. 12: 7

In your book, Occult Grand Master Now in Christ, you did say that there is a realm of fire located beyond the Earth where people who die in sin go to after death on Earth. Could you please explain more about this fire?

The Lake of Fire

I wish to say firstly on this matter that the invisible kingdom or realm of fire is not created by demons. Rather it was created by

the Almighty God as the last home of Satan, his demons and human agents. The Bible says:

"And the Angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgement of the great day" - (Jude 6).

"And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night forever and ever ... And whoever was not found written in the book of life was cast into the lake of fire" - (Rev. 20: 10,15).

Therefore just as the Almighty God created the Earth, the Sun, the Moon, the Stars and other heavenly bodies in the Universe, so also

was the realm of fire created by Him. In the Occult recognition, the realm of fire is an invisible subterranean region called "Yamalok." And from human calculations it is located millions of miles beyond the physical atmosphere. This is where sinners go after their death in this physical realm, according to the Bible.

The Nature Of Man

Now, it is important to note that man is a complex entity existing in three major dimensions. Or better expressed: Man is a tripartite being with BODY, SOUL and SPIRIT. In the gross material body, the earthman exists on the dimension of the objective consciousness which corresponds roughly to the physical senses. And the body of man in essence is limited by the mundane contract it can make (*that is what we can hear, see, feel, smell, etc*). The body is further limited by the propensities of Matter, Space, Time and Energy.

The body of man belongs to the conscious layer, related to the spinal nervous system, whilst its major organ of action is the brain which contains present thinking and impressions. The tools of operation of the body include volition, self-preservation, prestige and personality. But when dominated by the elements of darkness, the physical dimension of man could become the seat of fear, pain, physical disease, tiredness and other related predicaments.

The spirit of man is the real man. The human spirit is the active principle (*entity*) which makes the body to move in so many ways. When the human spirit is totally absent in the body, the body is considered dead. But the human spirit does not die. It is part and parcel of the primordial specie of the Creator which is eternal.

The eternal spirit of man is covered by a subtle potent “psychic-essence” called soul

or mind. Thus, both the spirit and soul of man are within the invisible dimension of existence. The soul of man (*mind*) serves as the channel through which the human spirit project the awareness of being to the physical body. There are four fundamental faculties of the mind through which the awareness from the human spirit is projected to the human body. And there is a state of Universal Super consciousness within the soul or mind of man through which the mind maintains continuous contact with the consciousness of the human spirit whilst it is by the potency of the spirit alone that man could contact the Lord and worship Him.

The Scripture says that: **"God is a Spirit: and they that worship Him must worship Him in spirit and in truth"** - (*John 4:24*).

The spirit and soul of man belongs to the invisible layer, and you can only worship God through the submission of your spirit.

The Spirit Of Man

Naturally the spirit of man is the seat of wisdom, intuition and inspiration. It is the seat of what is called Higher-self. But when a man is Born Again in the name of Christ and is filled with the Spirit of God, his spirit becomes the seat of the Holy Ghost Power. It is by the potency of this Almighty Power that the spirit of man operates in the highest essence of inspiration, wisdom and intuitive perceptions.

Nevertheless, if a man is an agent of demons, demons could advance a 'psychic manipulation' through which they could separate the soul from the body and thus, carry the soul and spirit of man to operate in the kingdoms of darkness.

I want to emphasize once again that the human spirit resides inside the soul. Thus when demons carry the soul out into the kingdoms of darkness through Astral

Projection or Soul Travel, the soul still retains the capacity of hearing, seeing, taste, etc, via the energy of the spirit. At this point the human spirit also maintains consciousness (life) in the physical body through the silver cord, which is invisible. So an agent of demons could thus, travel outside his body to operate consciously with evil spirits. And the Spirit of God can also take your spirit out to do good.

Now, let it be emphasized that at death the silver cord is finally broken to the end that the soul and the spirit can no longer return to the physical body. At this point, the eternal existence of the soul transcends the control and manipulations of demons. The only place that the soul and spirit of man travels to after death, is either the higher (heavenly) or the lower (hellish) realms. This depends on your relationship with the Almighty God while you are physically alive.

The Hereafter

Our Lord Jesus Christ spoke of this in the Holy Scriptures, in the Gospel According to *St. Luke Chapter 16 verse 19 to 31*, where He told us of two people who once lived physically on Earth. The first man (*Lazarus*) was a righteous man who served the Lord his God, but he was poor. The second man (the *rich man*) was wicked in the sight of the Lord, whilst he lived under the authority of the "god of this world" - Satan.

In connection to this, it is very important to note that Jesus Christ is the highest authority in all matters of life, death and the life hereafter. He created all things. He knows all things. Consequently, he gave man this information about Lazarus and the rich man in order to show what happens to man after physical death, in order to have a clue of the hereafter.

Therefore the righteous Lazarus died

physically on Earth, but spiritually the Angels came and carried his soul and spirit into paradise. The wicked rich man also died on Earth but his soul and spirit was carried into hellish realm, wherein he opened his eyes and recognised himself in predicament. We should not forget that the rich man represents all those who claim to worship God without Christ; without Divine Love; without the consciousness of Light.

CHAPTER 13

OCCULT KINGDOMS AND MASTERSHIP

"For though there be that are called gods, whether in heaven or in earth, (as there be gods many, and lords many), but to us there is but one God, the Father, of whom are all things, and we in him; and one Lord Jesus Christ, by whom are all things, and we by him"."

- *1 Cor. 8: 5, 6*

In your book, 'Occult Grand Master Now in Christ,' you said that there are only but seven occult kingdoms. However, another brother spoke of his visit to fourteen

Occult kingdoms. How do you reconcile these?

Clarifying Occult Kingdoms

In connection to your question, let me recall that in the same book, *Occult Grand Master Now in Christ*, I did state that there are seven occult kingdoms in the Universe and the totality of these kingdoms are known only to the few Grand Masters of esoteric mysteries. I also stated there that when I speak of the seven occult kingdoms, I do so from the cosmological verdict of the Order of Terrestrial and Astral Hierarchy that projects the final basis of esoteric thought.

To this end, I do not speak from the concept of one particular earthly secret society, but from a universal occult recognition. I even specifically mentioned that one earthly secret society may discover some regions or planes within an occult kingdom and consequently proclaim such regions or planes to be

kingdoms. They may be right in a relative sense, but not so in the absolute sense of high metaphysics of the kingdoms of darkness.

Realms Of Occult Kingdoms

For instant, there are 5 major zones and 1,100 regions for the operations of the dark forces in the entire water realm. Now, some students of esoteric mysteries may call these zones and regions "Kingdoms". In a relative mystical sense, such occultists or human agents are correct, but in the ultimate sense of esotericism and occultism, they are wrong, because all the zones and regions of the entire water realm are in one occult kingdom. Therefore when an agent of darkness speaks of his visit to about 20 or more dark Spiritual Kingdoms in the water, he is speaking of various zones and regions within one kingdom.

Furthermore, one may speak of his visit to about 14 or more kingdoms of darkness on

Earth, but these are not ultimately recognised as kingdoms, rather they are still zones and regions in one kingdom -the vicious occult kingdom of the Earth. In the wicked occult kingdom of the Earth, there are 10 zone regions 1,270 regions and 30,000,000, centres for demonic operations. To some of occultist who are below the highest state of esoteric perfection, such zones, regions and centres of demons on Earth (kingdom)

Even the first occult kingdom of the air, called the air, called the “Astral kingdom” has 900.000,00, planes within it, while these are proclaimed to be “kingdom” by some agents of the kingdom of darkness” by some against of the kingdom of darkness. Nevertheless, the order of Terrestrial and Astral hierarchy, which coordinates all the occult kingdoms, recognizes the existence of only seven occult kingdoms. *(see Occult Grand Master now in Christ, Vol. 1 by Iyke Nathan Uzorma*

Realm Of Grand Masters

As earlier stated, the totality of these occult kingdoms are known only to the few Perfect Masters of Esoteric Mysteries. These are the human agents who have reached the highest occult perfection and are empowered as Adepts and Living Grand Masters on Earth. This was the perfection which I attained. In other words, those who did not reach this occult level, cannot know the totality of the occult kingdoms of the forces of darkness.

However, let me state at this point that some great esoteric- cults, such as the Order of Vairagi, speaks of 10 occult kingdoms. This is relatively true. Such mystics consider Yamalok as two kingdoms due to its two major aspects of operation. They further consider Eso- Terrestrial as two kingdoms (Causal and Etheric), while they also consider Azura as two separate occult kingdoms (Satlok and Alavalok),

In other words, the 10 occult kingdoms they speak of are within the 7 occult kingdoms. This is the summary of the Past and Living Grand Masters of the hierarchy of the entire powers of darkness. Thus, in the Bible, the Prince of Darkness is revealed as a beast with seven heads and ten horns: "And there appeared another wonder in heaven; and, behold a great red dragon, having seven heads and ten horns and seven crowns upon his heads" - (*Rev. 12:3*).

In the past you were proclaimed and worshipped as "Lord". How did this make sense to you then, considering the fact that you also knew of few others who are worshipped likewise?

The Lord Of Lords

The understanding within the inner order of principalities and powers of darkness, relating to the manifestation or the coming of the Lord, is greatly opposed to the teachings

of our Lord Jesus Christ. When the concept of 'Lord' is expressed in the realm of darkness, they hold that this cannot be just only one particular person, as in the case of Christ the Lord; that there are other 'Lords' on the level of Christ.

Now, to the extent that there are 'lords,' to that extent Christ is 'The Lord' of them all. There are Lords in the hierarchy of the Forces of Light and the hierarchy of the forces of darkness: "as there be gods many and lords many" in divers realms, "whether in heaven (*higher Planetary System*) or in earth"

When the hierarchy of both the Forces of Light and darkness are combined, Christ comes forth as the head, for without Him **"was not even one thing made that has come into being,"** - (*John 1; 3, Amplified Bible*). Thus, light and darkness including the forces therein were created by Him. As it is

written: "I am the one who creates the light and makes the darkness," - (*Isa. 45: 7, New Living Translation*). To this end, Christ is certainly the head of all forces (of Light and darkness) in the entire cosmic manifestations and Universal Systems. The Scripture says of Christ:

**"For by Him all things
were created, both in the heavens
and on earth, visible and invisible,
whether thrones or dominions or rulers
or authorities - all things have been
created through Him and
for Him".**

- *Col. 1: 16, New American Standard
Bible.*

It stands that Christ, in any form of His manifestation, is the Creator and head of all **"thrones, or dominions, or principalities or powers"** (*Col. 1: 16*) in the Universe. Thus, when we talk of lords. He is the Lord;

when great Lords come forth, He stands as 'the Lord of Lords'. He is the one in a scarlet robe (Isa. 63: 1-3; Rev. 19: 13) who has a "new name"

(Rev. 3: 12). He is the one upon whose robe and thigh are inscribed: "**King of Kings and Lord of Lords**" (Rev. 19: 16). He is in the Heavens, He is on Earth, He is in all the realms as the highest LORD and KING of all.

Bogus Lords And Masters

On the path of vicious occult, when one comes to the highest level of Astro-metaphysical _ perfection and attained the position of Grand Master, he could thus begin to function as "Lord" in his particular jurisdiction of the realm of darkness. This is the occult basis by which there are still some people presently on Earth claiming to be "Lord" on the part of darkness. They are SINCERELY DECEIVED. However, each is aware of the existence of others; some of

them operate as enemies, but all are aware of their ultimate unity in the realm of spirits of the dark world.

When one has attained the final and the highest perfection of occult mysteries, he is empowered by the hierarchy of the forces of darkness to operate on Earth as "Lord Consequently, he will also be expected to master the consummate art of manipulations of Spiritual and Metaphysical forces, in his assignment as a 'High Occult Actor'.

High Occult Actors

In one's proclaimed role as 'Lord of Darkness,' he is consequently recognised as "High Occult Actor". Each Actor is required by the hierarchy of the forces of darkness act what is called "Psychic Drama" or "Religious Drama" on Earth. Any religion drama acted on Earth by an ordained 'Lord of Darkness' is considered in the highest realm

of spirits (*demons*) as a major contribution towards the spiritual advancement, progress or promotion of the kingdoms of darkness.

While acting such a drama, however, the proclaimed occult 'Lord' is further required to operate a spiritual movement, secret society, cult, "church", mystical temple, sanctum, or any related esoteric fraternity. But some may also be required to limit their official occult operations on Earth to an already existing society, "church", movement, or fraternity.

Within the highest realm of the forces of darkness, the headquarters of all the vicious occult kingdoms, each and every drama approved or ordained by the hierarchy of the order of darkness, is recognised to be the final psychic process of translating the greatest occult's metaphysical experience of the invisible multidimensional reality to the objective consciousness.

As an agent of the kingdoms of darkness, empowered to operate on Earth as a Grandmaster and "Lord" of the dark realms, one is also required to propagate esoteric and exoteric teachings that will relatively or totally negate the sacred teachings of Christ. One of the chief duties of such a proclaimed "Lord" is to manipulate people (especially his disciples) to consider the path of Our Lord Jesus Christ as mere symbol of "profound cosmic value", that transcends any degree of a corresponding understanding of higher occult, reality on Earth. All these are manipulations of demons designed to deceive humanity.

Why do some of these so-called "Master"
or "Lords" operate as enemies on Earth?

Battle Among Occult Masters

Some of these proclaimed "Masters" or "Lords" who operate as enemies on Earth, do fight each other spiritually from time to time.

In the first place, it is a fact that some of them are more famous in the earthly sense than others; but all are in the same occult level in the occult kingdoms.

In the past in which I was a 'Living Grandmaster' before I met Christ, I and few others fought greatly at one time or the other. What actually brought this fight (the enmity) among the "Living Grand Masters" of Esoteric Mysteries, was a certain vacant and most important throne for human agents in the realm of darkness, which we struggled to possess. This high occult throne is for the one who will lead and guide the greatest opposition against Christ.

A decree was made in the highest occult kingdom that any "Living Grand Master" who will fight, overcome and possess this throne will become the "COORDINATOR" of all the "Living and Ascended Grand Masters" of the realms of darkness. And that

from 2000 A.D. to 2057 A.D., the earthmen shall be manipulated to worship such a one as 'the leading Antichrist'. This is with the total support of the powers of all the occult kingdoms including all the "Grand Masters" of the highest occult level.

Already, there was a high occult vicious plan made to use a great politician in the occult level 666 to cause a great tribulation that would reduce the population of mankind. This plan was designed to enable one "Master" reign over all human beings, and lead the most vicious battle against the King of kings in the world of man.

**"These shall make war with the
lamb, and the Lamb shall overcome
them: for He is Lord of lords, and King
of kings: and they that are with him are
called, and chosen, and faithful."**

-Rev, 17: 14

My Direct Involvement

Nevertheless, many "Grand Masters" fought because of this false "Messiah Throne" in different parts of the world; while some joined forces with' others during this great battle. The first person to declare his interest for this throne was Uku Steward. The moment he did so, he immediately attracted my wrath and that of some "Masters" in different parts of the world.

However, Uku Steward still vowed that he would prevail over all the "Living Grand Masters" of esoteric mysteries who were opposed to his ambition. Consequently, I and four other Grand Masters set millions of esoteric and occult forces in motion against Uku Steward, which operated within more than 500,000,000 concentrated realms of demonic entities in the occult kingdoms.

I led these forces in battle against Uku Steward with the assistance of my associates

and in less than 30 days of constant projections and manipulations, these forces banished and nullified the ambition of Uku steward. Thereafter he died.

Another person who also fought because of this throne was Iwu -Christ. In the realm of spirits, Iwu -Christ officially challenged me for a fight in connection to the throne. The law of every battle connected to the "Messiah Throne" is that whosoever is defeated in a battle can no longer contest for it. It is a throne made only for the strongest "Living Grand Master."

My battle with Iwu-Christ was fought in the occult kingdom of the air (the vicious Astral world). During this battle, I and my forces (demons) were on one side of an Astral river, while Iwu-Christ and his forces were on the other side. Some "Living and Ascended Masters of Darkness" including major entities and powers of the kingdoms of

darkness, entered into the Astral river to watch who would overcome. However, majority of them were secretly in support of me.

From the other side of the river Iwu-Christ asked me: "My friend, are you doubting that am the one who will possess the throne? I answered: "If you are the one, then prove yourself'. And he told me: "Today it will be settled between us, and you will know at last that I am the worthy elevated one."

The Great Battle

Having spoken thus, Iwu-Christ ascended upwards and manifested greater occult powers, by which he expanded himself and covered the face of some parts of the Astral clouds. Then my forces and his began to fight. The "Grand Masters" and higher spirits in my support came, out from the river and joined me to fight Iwu-Christ.

We simultaneously projected forces in motion to fight Iwu-Christ from every side of the Astral clouds. Finally, our forces subdued him and compressed him into the size of a football. Then I ordered my "invisible servants" to strike him off from the clouds. When they did this, Iwu-Christ fell down from the clouds, whilst I got hold of him and put him inside a bag, and the battle was over.

Though Iwu-Christ was set free from this predicament, but his ambition was immediately nullified. And because of the chaos which the struggle for this throne brought in the realm of vicious spirits among the "Living Grand Masters" in many parts of the world, a stop was put on any battle connected to it. Everything about it was then deferred. It was agreed that the person who will assume the throne will be elected in the highest occult kingdom.

CHAPTER **14.**

WHAT BELIEVERS SHOULD KNOW

"Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves." -*Math. 10: 16.*

Do demons have a way of monitoring people, especially the believers?

Monitoring Systems Of Darkness

In the book of *Psalms Chapter 37 verse 32* the Bible says that: **"The wicked watcheth the righteous, and seeketh to slay him"**

The "wicked" in this connection are principalities and powers of darkness, or

demons and their human agents; the "righteous" are the true believers. True believers are those who walk on the path of Light and in the consciousness of the Universal Love of the Almighty as demonstrated by Our Lord Jesus Christ. In other words, demons are always engaged in watching the activities of such persons with only one aim: "to slay them."

Of course the forces of darkness are also engaged in watching the unbelievers, but their psychic energy is more concentrated against the believers. The unbelievers are already subjected to the daily manipulation of the powers of darkness, whilst the believers are fighting the rulers of darkness so as to free the unbelievers from such manipulations.

Thus, the evil powers of demons and their human agents are focused on the highest exasperation against the followers of Christ.

Consequently, the Holy Spirit, through Saint Peter, had warned each and every Christian to: **"Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about seeking whom he may devour".-** (*1Pet. 5:8*)

"The wicked watcheth the righteous, and seeketh to slay him." Yes! the force of darkness have different instrument of astral or celestial fabrics with which they could peep into the life of a person from time to time. There are some of such instruments with which a person could be constantly monitored by the network of darkness on a daily basis for three years, before they are re-inforced.

The forces of darkness and their human agents have such subtle occult instruments as Astro-Omnidictator, Celestial Mirror, Blue Water, Astral Gemstone, Etheric Gemstones Animus Third Eye, Akashic Black Stone,

Psychic Camera, Astral Television, etc., with which they do monitor people on Earth, especially the believers in God's Light.

Demons have different ways and instruments through which they watch the righteous. But even with these instruments and much more, the true believers in Christ are seen to be beyond destruction. Some believers are seen inside an ocean of blood (*the Blood of Christ Jesus*), some are seen as unapproachable pillars of fire, while some are still seen inside a fire of protection.

However, if a believer fails to continue in the righteousness of Christ which is absolute faith in Jehovah God and His Christ, he will lose the protection of the Holy Spirit. At this point, the powers of darkness or their human **agents** could" slay him".

What would you say generally about the spiritual war between the believers and

forces of darkness?

Levels Of Spiritual Warfare

Every believer is in a spiritual battle against the forces of darkness. **"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places" - (Eph. 6: 12).**

Generally speaking, spiritual battles are fought in three major levels. The first level of spiritual battle is the elementary level. The believers in this level cannot pull down the "high places" of highly concentrated network of darkness. They may not even withstand the high manipulations of this network and their human agents. The-believers who limit their spiritual warfare to this elementary level could be wrecked by the most vicious Astral forces in the field of battle.

In the second level of spiritual battle, a believer may be strong in the Lord, yet he may not enter into intense direct battle with the high entities of darkness operating as controlling spirits, or with human agents operating as Living Grand Masters. Such a believer, however, will not be defeated by darkness for as long as he remains strong in the Lord. But he may not liberate those held by the high network of darkness.

The third or the highest level of spiritual battle is that level in which a believer is constantly strong in the Lord and always engaged in the battle against the territorial forces and mighty controlling powers of darkness, for the liberation of humans. It is only such a believer that becomes a major threat to the entire kingdoms of darkness and their human agents in high and low places.

Therefore, it is very dangerous for any believer to remain in the elementary level of

spiritual warfare. Each and every believe should enter into the highest realm of spiritual battle against principalities and powers of darkness. Any believer who does not want to be maimed by the **"fiery darts of the wicked"** should immediately go beyond the ordinary level of spiritual warfare. This entails Living in God's Light, in Christ, which is upholding and demonstrating God's Universal Love in practical terms, as well as being strong in fasting and prayer.

Evidence Of Elementary Believer

There was a certain believer in this elementary level of spiritual warfare who married a "sister" who was an agent of demons. She was highly possessed by the forces of darkness whilst in a 'Gospel Church'. The very night after their wedding, the man and his wife went to bed.

About 2am, the lady asked her husband: "Brother. you or I who is the head of this

house?!" The man looked up in surprise; "Why did you ask this question?" he asked. The lady replied, "I just want to know, tell me who is the head of this house". Then the man answered: "According to the Bible, man is the head of the house". The woman told him: "That is according to the Bible, but I want to know, according to you who is the head of this house?" Then the man finally told her "According to the Bible, I am the head of this house!".

At this point this so-called "sister" told her husband: "I don't think that you are the head of this house, wait and see". Then with her demonic powers she transformed herself into a serpent, and into a tortoise, and into a cat, and into a lion, and finally into a human being. Again she asked her husband: "Now, who is the head of this house?" The man was already bamboozled with fear, so he answered his wife: "Please, you are the head of this house!"

Early in the morning of that day, the man packed his things and moved to the Church. Although the woman was delivered at last, but for the fact that the man married her initially is the outcome of being in an elementary level of warfare.

Danger Of Elementary Warfare

There was another brother who also married a highly possessed lady in a 'Gospel Church.' One night, his pastor came to pray with him. After praying together for some time, the man went into the bedroom to call his wife to come and join them. By that time it was beyond 12 midnight.

When the man entered the bedroom, he saw a big serpent instead of his wife. He informed the pastor, who is an anointed man of God. The man and the pastor went into the bedroom and began to pray. As they began pray and plead the 'Blood of our Lord Jesus Christ,' a hand came out of the serpent; then

legs came, and finally the serpent became the woman. The woman was not delivered, rather she travelled to her parents home and died there few days later.

This is the danger of being in the elementary level of warfare. Many believers have even lost their lives in this process. Indeed when it comes to marriage, the senses of some people including some so-called 'believers,' are dominated by the power of lust. Thus, even a strong believer who is not very watchful at this point could be manipulated to marry an agent of darkness. This should not be so. We must become constantly fixed in the highest level of spiritual battle, via the Light of God. This is the only way we can overcome!

Could you, please, tell us more of your battle in the past against believers?

Be Strong In The Lord .

In all the vicious occult kingdoms believers

are called "psychic-criminals". Thus, demons and their human agents are always engaged in a spiritual battle against Christians. During my past occult operation I fought believers in diverse ways, some of which are already contained in my book 'Occult Grand Master Now In Christ, vol. 1'

For instance, there was a time that a prominent evangelist from U. S .A. Came to Nigeria for a crusade, which was held in a city that is one of the 1,270 regions of demonic powers on Earth. Then some of my specific manipulations were concentrated in that area. Consequently, I vowed that the crusade must not hold, whilst I mobilized thousand of wicked spirits to operate and wreck the proposed crusade. We were fully aware that this evangelist was coming to annihilate some of our operations, therefore we did not take it kindly with him, rather we advanced higher manipulations against the organizers of the crusade.

I projected about 600,000 evil spirits to fight the crusade organizers. And because these believers were not prayerful in the Lord as required, they were manipulated and impelled into spiritual slothfulness; almost all their leaders entered into 'zero-point' via lust and greed. This gave us enough strength and the 'astral-right' to finally spoil the crusade and cause destruction among them.

On the very day of this crusade, I transformed myself into a vulture and led thousands of demons into the crusade ground. I commanded these demons and they combined to operate a mighty storm, thunder and rain, that made it difficult for the crusade to hold beyond the first day. This crusade was scheduled to hold for three days, but through demonic manipulations owing to the 'right' we had over those that organized it, the crusade partially held only on its first day.

demons and they combined to operate thunder, which was specifically sent to kill the American evangelist, who lodged at the flamboyant Metropolitan Hotel. The thunder, however, destroyed part of his room but the man of God was not killed, neither was he harmed. That was the end of that crusade, because this man of God immediately left without continuing the crusade. That is why it is important for a believer to be strong in the Lord.

CHAPTER 15

TAKE A STAND OF VICTORY

"For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith." -1 John. 5: 4.

From your past experience, what is your advice to the Christians on how to overcome the powers of darkness?

The Path Of Victory

In the first place, a believer has no cause to fear principalities and powers of darkness. When a believer is not afraid and abides solely on the path of absolute faith in our Lord Jesus Christ, there is nothing the powers of darkness will do to him. Indeed such a believer will even become a terror to the

kingdoms of darkness.

However, the problem of some believers is fear. Our Lord strongly admonished: **"Let not your heart be troubled; ye believe in God, believe also in me"** (*John 14: 1*). And in *verse 27* of the same chapter, He further stated: **"Peace I leave with you, my peace I give unto you; not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid."**

The powers of darkness use fear to construct a "psychic-bridge" through which unwanted elements could be projected against a person. The forces of darkness and their agents could "build-up" a certain evil against a believer, but if that believer is very strong in the Lord, there is no way any of the evil could get to him. In such a case demons could use fear to fight the believer. And if the believer becomes afraid through such manipulation, the negative power of this fear will greatly

assist the demons to construct a "psychic-bridge" that will link them with him. It is through such an invisible bridge that the enemy (demons or their human agents) will finally project the proposed evil across to the believer.

In my book, 'Occult Grand Master Now in Christ', I said what on Earth, or in the Sea or in the Fire, or in the Air, or otherwise shall the believers in Christ fear? NOTHING! Fear and doubt are but chariots of demons by which one is manipulated to ride faster into the morass of the eternal land of darkness. And he who enters there has gone!

Power In The Gospel

Furthermore, each and every true believer must realize always that he is, in certain terms, a target of demonic attack. This is more because of the fact that believers have the power to banish demons through the preaching of the Gospel. The powers of

darkness are highly opposed to the preaching of the Gospel, because in the course of this, the "Holy Spirit Power" operates on a high rate of consciousness to discomfit demons and their human agents.

When I speak of the preaching of the Gospel of the Kingdom, I am not talking of church laws, commandments, dogmas philosophies, or theories which are bereft of the spiritual potency of the Almighty God Rather I am speaking of the Gospel of eternal Power and of the "Spirit of Holiness" in Christ Jesus. The rulers of darkness are afraid of this Gospel. They are not afraid of dogmas, theories and philosophies, but they are afraid of the Gospel of the kingdom.

The Gospel of the kingdom is the Gospel of POWER! !! It is the Gospel that sets the captive free. This was the kind of Gospel that Jesus Christ preached on Earth, which He also empowered every believer to preach:

**"And Jesus went about
all the cities and villages, teaching
in their synagogues, and preaching th
GOSPEL OF THE KINGDOM, and
healing every sickness and every
disease among the people"
- (Matt. 9:35).**

'
The Gospel of the kingdom is different in all aspects from mundane church and religious messages, in that it has the Blessed Power to heal **"every sickness and every disease among the people"**. And this is the kind of Gospel that must reach the whole world before the end will come. **"And this GOSPEL OF THE KINGDOM shall be preached in the entire world for a witness of unto all nations; and then shall the end come"** (Matt. 24: 14). In other words, even when the religious dogmas and human philosophies reach the entire world, the end shall not come until the Gospel of the

Kingdom, the **Everlasting Gospel**, is preached in the whole world.

Consequently, the powers of darkness are fully aware that the potency of the Gospel of the Kingdom can banish their operations and set those under their manipulations free. This is the more reason they are highly engaged in a fierce spiritual battle against those preaching the Gospel of the Kingdom. To this end, a believer must always be prayerful and strong in the consciousness of the King of kings, with the ultimate recognition that the gate of the kingdoms of darkness cannot prevail against a true believer in Christ.

**If you see an agent of the powers of darkness
now can you recognized him or her?**

Old Things Are Gone

Of course yes, but not in the former way
Formally, I recognized both the major and

minor agents of the forces of darkness via specific signs, or in out-of-the-body projections and extrasensory perceptions conducted by the occult network. But the old things have passed away in my life, through the infinite Power and Light of the Blessed Lord Jesus Christ.

Nevertheless, it is evident to me that God did not banish my former occult powers and allowed me to be empty and powerless. Rather the Lord God took away the unclean and limited powers of demons and bestowed upon me the true and limitless Power of Christ. And the limitless Power of Christ is the Highest Power, which is Omnipotent, Omniscient and Omnipresent. This is the Supreme Power of the GODHEAD that transcends the realms of Energy, Time, Matter and Space.

Just Obey The Lord

Now, with the Power of our Lord Jesus Christ

operating fully in your life, maintained through "Righteousness, and Peace and Joy in the Holy Ghost" (*Rom. 14:17*), your eyes can be opened by the Spirit of God to recognize the agents of darkness and more than that. I am speaking from my own experience with God, since I became established on the path of Light.

For instance, in the early part of 1993, the "Water-Board" went on strike, therefore there was scarcity of water in the city. This lasted for some days. During this period, two young Christian sisters brought water for me. Of course I did not request them to do so, whilst that was their first time to come to my house.

Immediately these girls dropped the water and left, the Word of the Lord came to me and I heard a voice which told me that one of the two girls is possessed by witchcraft spirit and that she is operating in the rank of "MAJOR."

The voice that I heard directed me to stop the girl from coming to my house again, because demons were planning to project a certain attack to me through her. As the voice was talking to me the Spirit of God opened my eyes spiritually and I saw all that I heard about the girl. This happened even while my eyes were physically opened.

When I heard this voice (*the voice of God*),] concluded that I was going to politely stop the two girls from coming to my house. However, I told a friend, a well respected Pastor, what the Lord told me. But he advised me not to stop them from coming to my house, because they would be embarrassed and feel that I do not appreciate their help. (*Please note that as at then I was a mere 'baby' in the Lord.*)

However, few days later, a man came to my house in anger with the intention to fight. He was drunk. He was the father of the possessed

girl. The powers of darkness wanted to use him to cause trouble, but the Holy Spirit prevailed. The man was angry when he heard that his daughter brought water to me.

I knew that this man was under the manipulations of the powers of darkness, who wanted to use him to do evil. But when he stood face to face before me, the Power of Christ banished the evil spirits in him. Thereafter, I recalled how the Lord had told me of this projected evil and how to overcome it. Consequently, it dawned on me that I must never listen to any advice contrary to the instruction which the Lord my God may give me, no matter who may give the advice and how reasonable it may be.

Agent Of Darkness

In another occasion, I was in the church during one Sunday Service. A girl came and sat on my left side; after about 15 minutes my biro fell down and I bent low to pick it up. It

was then that I saw a ring in the toe of that girl who sat on my left side. I knew very well that the ring is her symbol of initiation into the 'Banwar Occult Realm' of the sea.

As soon as I saw the ring, I looked at it the second time and found that it had vanished. Immediately I recognized that the Lord had briefly opened my eyes to discover that there was an agent of darkness in our midst. Thereafter we began to pray and after our prayers I did not see the girl again; I cannot say precisely what happened to her during our prayers.

There are many instances hitherto in which the Spirit of God opened my eyes physically to see the agents of darkness, their specific realms of operation and manipulation in the world of man. In most of such instances the Lord do direct me to banish the vicious ones. Consequently, I do minister to such possessed people and the Lord has always

delivered them. Even as I am writing this work, this process is highly on to the glory of God and the victory of the saints. Yes! each and every believer has the authority to banish demons and to set the captives free.

Death Abolished

One day a believer, who is also a "worker" with a Gospel Church, met me and said that he had a problem. He confessed that he was thinking seriously of committing suicide. While he was talking, the Lord spoke to me and said that his problem is lust. As the Lord was talking to me, the Spirit of God opened my eyes and I saw diverse spirits of lust in him. Then the Lord commanded me to "Torment the devils and cast them to the pit of hell." The Lord also told me that these demons had planned to kill the brotherinless than 14 days.

Having heard from the Lord, I told him what the Spirit of God said. He acknowledged same and confessed how he had sex four times within two days with three different women. Immediately,

the Lord used me to minister to him and he was delivered, whilst the powers of darkness were cast out and the Lord restored him fully back in faith. The decree of death upon his life was also abolished.

Salvaged By The Lord

In one Christian gathering I saw a lady who was possessed by the forces of darkness and used to perpetrate high witchcraft. The Spirit of God opened my eyes and I saw that the lady had the head of a cow and the body of a human being. The Lord told me that the lady is a direct servant and supreme agent of the most vicious astral entities operating in a certain occult realm in Iran. I invited the lady , when she came I ministered to her and began to pray. I laid my hand on her head and said:

**"You spirits of
darkness from Iran,
I bind you in the name of
my Lord Jesus Christ and
I command you to flee into the
bottomless-pit. I cover this sister
with the perfect Blood of Our Lord
and Master Jesus Christ. Any unclean
spirit that attempts to return to her,
let that spirit burn in the fire of the
Consuming Fire. 0 my Lord! Take
away this animal's head from her
and give her a human head, in the
name of Our Lord Jesus
Christ. Amen."**

The moment I prayed thus, the Lord opened my eyes again and I saw two Angels of the Living Christ - the Supreme Lord of Light. One of the Angels was with a sword while the other was with a beautiful human head. The Angel with a sword cut-off the animal head of

the lady, but instead of blood gushing out, about 400 forces of darkness appeared and fled. Then the other Angel fixed the human head on her, thus she was salvaged by the Lord of Light.

CHAPTER 16

OCCULT MONEY ENSLAVEMENT

"For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows."

-1 Tim. 6; 10.

Can demons truly give money to people?

The Gift From Darkness

The Prince of Darkness and his cosmic network of the vicious occult can give money to people as a bait to attract them. They attract and lead them into the kingdoms of darkness; they lead them into the realm where there is

money or whatever, bestowed by darkness, is corrupt in all aspects and serves only as a means of subjecting the receiver to the morass of diverse satanic manipulations, both in this present life and the life hereafter. Blessed and perfect gift comes only from God. The Scripture says:

"Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning".

-James 1:17.

"I will lift up my eyes unto the hills from whence cometh my help. My help cometh from the LORD, which made heaven and earth". - Psalm 121 :1, 2.

Mundane Opulence Of Satan

Consequent to what Satan told Christ in the

Bible, it is Scripturally certain that the powers of darkness could bestow material things or money upon a person or persons. The Bible reported that Satan shewed Christ "all the kingdoms of the world in a moment of time". Then Satan told our Lord:

**"All this power will
I give thee, and the glory
of them: for that is delivered
unto me; and to whomsoever
I will I give it. If thou therefore
will worship me, all shall
be thine" - (Luke 4:5-7)**

In other words, those who worship Satan may receive the "power" and "glory" of the mundane world and the kingdoms of darkness. But what is the lot of those who worship the Prince of Darkness rather than the Supreme Lord of Light? The Bible has it that all that worship demons in one way or the other and receive gift from them:

"The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb and they have no rest day or night ... "
- *(Rev. 14 10,11)*.

Blood Money

However, there are diverse ways via which the forces of darkness give money to people. For instance, one seeking for money from their network could be asked to sacrifice his most beloved person: wife, mother, father, husband, brother, sister, girl friend, boy friend, etc. This human sacrifice has direct and indirect aspects.

In the direct aspect the person to be sacrificed will be charmed and taken to the vicious

occult centre, where he would be killed. In the indirect aspect, however, the person to be sacrificed can be invoked and killed through accident, poison via the air, amongst others. In any case, when one is sacrificed, he will be used to provide demonic money in diverse ways.

For instance, after 45 (*in some cases 21 days*) in which a person is used for money ritual in a certain specific craft, the person that used him will conduct "**Alpha Lakashmi Invocation**". During this invocation, the person will lock himself while naked inside a private room; he will enter into an empty big basin that is kept in the centre of the room; while standing naked in this basin, he will face an occult mirror at the end of the eastern part of the room.

Having done these, which he must do between 12.30am to 2.30am, he will then begin to call (*invoke*) the name of the person

whom he used for the money. He will call his name for seven times, and thereafter the "ghost of the dead man" will appear in the mirror, but this "ghost" occasionally is actually a demon in disguise and not the real person that was killed.

As soon as the "ghost of the dead man" appears in the mirror, the man that invoked him will say: "I don't want you again, I want money! !" for seven times. He must say this boldly. And while he is saying this, the "ghost" will come out of the mirror and stand face to face before him. But the moment he boldly says this for complete seven times, the "ghost" will transmogrify into millions of money. But if he becomes afraid when the "ghost" appears, the same "ghost" will strike him dead immediately. One can conduct this invocation for about three or more times as may be directed.

Money Sex-Ritual

There is another process in which a man can sacrifice his girl friend to get money from demons through sex-ritual. A room must be fully prepared for this operation; inside this room there must be a free bed and a big box, to mention but a few. Then the very spirit entity of darkness, who will manifest this money sex -ritual, will be invoked into the big box in the form of a strange snake with human hands and the private part of an earthman.

When this is done, the man will charm his girl friend and invite her into the demonic room for sexual intercourse. Under the influence of this charm and of other related spirits connected to it, the girl will finally enter into the room. As soon as she enters the room, the man will speak to her asking her to lie naked on the bed. The girl or woman cannot resist the words of the man because of the evil power concentrated in the room.

The moment the lady lies naked on the bed the man will go out of the room and lock the door. At this point the strange snake (demon) will come out of the big box and climb on the bed; the snake will have sexual intercourse with the lady beyond her resistance. And after about an hour, the man will return into the room, whilst the snake will return into the box.

The man however, will warn the girl to keep this strictly confidential, that is if she knows of it, because often she will not remember the whole thing. However, whether she abides by this or not, she will die within few days or weeks. Now, in several occasions, the lady may not even be fully aware that she had sex with a demon in a snake form.

After her death, the snake demon will appear inside the box in every 21 days to vomit money for the man. But before this could be done, the man must make specific covenant:

with demons, which has to do with the shortening of the days of his life on Earth, amongst others. There are more than a hundred other ways through which demons could give money to people in order to enslave them in one way or the other.

A word is enough for the wise!

DEEPER REALITIES OF EXISTENCE VO L.1

Deeper Realities of Existence, is a book that holds for mankind a message of profound truth and revelation of hidden mysteries. It is the panacea to all forms of physical,

psychological and psychic terrorism, including vicious Astral attack. This book elucidates the basis of Planetary Winnowing in this Age, the core terrestrial and extraterrestrial danger of atomic radiation unknown to mundane scientists, Universal Signet of the Supreme Mastership of Christ, Immutable Laws of the Universe, the rise of a sane civilization of Universal Brotherhood on Earth amongst others.

VERSES OF GLORIOUS MARRIAGE

In their battle against successful marriage on Earth, the network of darkness established specific chambers in the Astral realms. There are two thousand minor chambers, forty main chambers and four absolute chambers in the vicious Astral psychic spheres coordinating the battle against marriage on Earth. In human terms, they are "special forces" solely for this project. Their operational guide is: "LET THERE BE MILLIONS OF MARRIAGES AMONG THE CHILDREN OF MEN, BUT LET THERE BE NO PERFECT AGREEMENT IN LOVE". These special Astral Forces fighting against marriage, from their minor, main and absolute chambers, operate well equipped Astral Satellite Systems. These Satellites, produced from the subtle fabrics of the Esoteric Solar Elements, collect, gather and store into the absolute chambers diverse vicious thoughts of humans. From the central pool of the absolute chambers, these vicious thoughts are radiated back to the Earth using the Astral super-conscious waves. These Astral waves invade the human mind, solely to form dichotomy in marriage, for a husband and wife not to live in perfect agreement in love. Why are they thus engaged? And what do we do to overcome them? Find out in this **Verses of Glorious Marriage**.

VERSES OF WISDOM AND WATCHFULNESS

Wisdom is the core nectar of watchfulness in the life of man. In our world, several wise men have,

at one time or the other, provided wise counsel to raise our minds to the efficacy of wisdom. And most times those who ignored this have found themselves where they least expected in the hands of their enemies. It is only a fool that says he has no enemy. In 'Verses of Wisdom and Watchfulness', Prof. Iyke Nathan Uzorma has simplified the understanding of how to know and be watchful of the enemy and wicked friend.

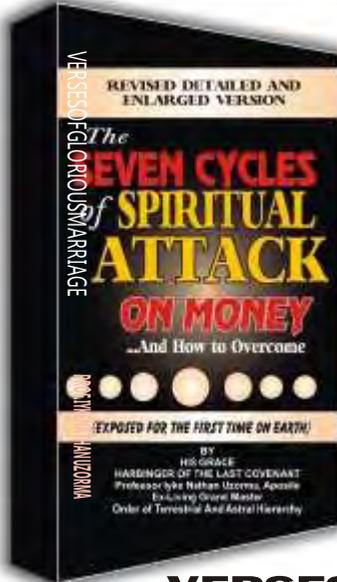

If we study this book and follow its instructions, the light of wisdom will rise to dispel the devices of the dubious minded people in our midst -- father, mother, husband, wife, friend, neighbor, colleague, in-law, outright

enemy, etc.

THE SEVEN CYCLES OF SPIRITUAL ATTACK ON MONEY

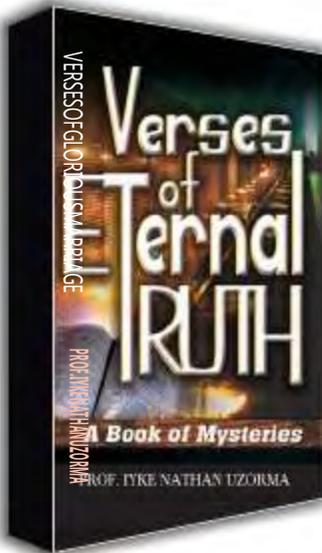

The kingdoms of darkness are advancing by empowering their own with enormous resources. Their human channels spend a lot, even using human blood, to obtain wealth from them, by which such humans are enslaved. Should we not also advance in Light? We should not only advance but overtake them, using our resources to promote the work of Jehovah God and HIS Christ in the world of man.

This exposition is coming for the first time on Earth.

VERSES OF ETERNAL TRUTH

HIGHER REALITY OF EXISTENCE

This treatise, 'Verses of Eternal Truth' is a book of the mysteries of life. It is made to explain the unexplained. It is good to be a child, but it is not good to remain a child. Man has come of age and this is the hour for him to know more. The true nature of the Sole Ultimate Reality (God), the core identity of man as spirit, subjective experiences, multitudinous dimensions and manifestations of Christ, forms of existence in the hereafter and much more, all are encapsulated in mystery. This book is set forth as a clue about the mysteries surrounding the existence of man and beyond.

AND THE 7TH ANGEL SOUNDED

FULFILLMENT OF THE ANCIENT PROPHECIES

The Bible book of Revelation (11:15) says: "And the seventh Angel sounded; and there were great voices in Heaven, saying, the kingdoms of this world are become the kingdoms of our Lord, and of His Christ; and He shall reign forever and ever". Saint John also saw in his revelation "a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns". In his time, the great Prophet Daniel had a strange vision about how "the four winds of the heaven strove upon the great sea and four great beasts came up from the sea, diverse one from another". What these stand for, as well as their literal fulfillment on the physical realms of Earth, is what this book is all about. Also, on the little horn that grew up in the midst of the ten horns, "before whom there were three of the first horns plucked up by the roots", the eyes on the horn, the mouth that spoke great things, as manifested and related to our time, amongst others, including the heads of the beast and the last thereof in this age and time and much more, read this book to know more.
